

Chapter 5

The Smell Of Failure

Jake parked the car in the driveway and fell out onto the driveway as soon as he opened the door! The neighbours were outside gardening and both of them looked over at a gasping and choking Jake writhing on the cement!

“Hey Allison, Allen!” Serena waved to the couple as they exchanged some strange looks and then waved back to her from their front yard.

“Is Jake going to be okay?” Allen asked with concern as he watched him choke!

“Ugh, yea he will be fine, I think he is coming down with that CoronaVirus, so we are gonna be keeping him inside for the next little while, isn’t that right Jake?” Serena asked with a grin. Jake had tears running down his cheeks as he choked on the fresh air filling his lungs. Hot gas was still steaming from the open car door behind him like it was an open oven!

“Oh no! If you need anything don’t hesitate to ask!” Allison said with a smile.

“We will manage, **COME ON JAKE, HURRY!**” Serena said with a complete change of tone as she snapped her fingers treating Jake like a dog. He crawled for a few steps before getting to his feet and running inside the house. Serena followed him while closing and locking the front door behind her.

“**WE’RE HOME!**” She called out as Alanna came barreling down the stairs!

“I am literally about to explode! Is it time yet? Alanna asked with excitement in her voice.

“Yes I think so, But i am going to break it in first.” She said with a smile which caused Alanna to groan in a loud and animated fashion!

Jake was standing there as they spoke over him like he was an object, almost like he did not even exist! The foul scent of his mothers gas felt like it had been painted onto the inside of his nose, each breath bringing remnants of the fresh acidic shitty odor!

“**DOWN!**” Serena said while kicking Jake in the back of the knee! He was not expecting it and his leg buckled sending his entire body crashing down! He threw his arms out just in time to stop his face from hitting the wooden floor.

“**COME, NOW**” Serena said loudly again, treating Jake like a dog as she took the back of his neck in her hand and began leading him up the stairs

When Jake could finally see through his watery strained eyes, His mothers naked ass was just above him. He could hear some metal chains rattling just moments before they were wrapped around his ankles.

“We had this installed when me and your father first moved into the house! Back then he still used to fight back, it took a while to break him in, but i think since Alanna is helping, we can turn you much faster!” She explained with excitement as she walked to his head and stood on his wrist with her bare foot. Jake winced in pain as his mother chained down his arms, his entire body was shaking with fear, even his teeth were chattering.

“Awww, don’t be scared hunny, your sister and I, we only eat the most expensive and finest ingredients, organic grain fed meat, all natural fruits and vegetables. But since we eat organic, our stomachs are much more active than your average woman” she explained while looking down at him. As soon as she finished her sentence, a hot steaming silent fart left her fat ass cheeks.

“The taste will take getting used to, and the smell, well, that is a different story, but I want you to remember how lucky you are to be in service to two beautiful women” she said while turning her back to him. Jake wanted to cry as she pushed down her thong and then squatted over his face!

Jake turned his head to the left, his face pressed to the cold floor as he cried! His mother grabbed his head and forced him to look upwards before slamming her weight down! With nothing but the hard floor underneath him, the pressure felt like his head was going to explode!

He felt his mothers thick ass cheeks envelop his face as he was greeted to the thick musky stench of her anus! The fumes from her gas had stayed in her crack making a thick sweat that reeked of fresh shit, now being smeared onto Jake’s unprotected face! His mother reached back and pulled her ass cheeks apart, each one lifted and allowed Jake to slide deeper before she let go causing the cheeks to crash on the side of his face.

“Remember Jake, the best way is to use your tongue, Mash the feces against the roof of your mouth and then swallow, This will make the flavor much stronger, but you are not ready to swallow them whole yet. I can’t wait any longer” Serena said with an exhausted gasp.

BBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBBFRRTTTTTT

Sppppfrttt

Jake started to cry as the hot blast of gas washed over his face! It smelled like actual poison! Serena held her ass cheeks wide as her anus spread on the tip of Jake’s nose filling his lungs with her pent up gases! The fart ended with a wet splatter that Jake watched through watery eyes! He could see his mothers asshole pull in tight just before a brown liquid seeped out! She sat back with her **FULL WEIGHT** and it smeared over his nose and upper lip!

“Don’t worry Jake, we are about half way there!” She said while shaking her butt on his face gently!

Jake wanted to scream but he was too busy choking on the burning hot ass fumes he had sucked deep into his chest! He could feel her fart burning his insides, it felt like pins and needles on his inner lungs! How could this only be half way? She had shit two logs both big enough that they could have come from a farm animal! His mouth was still packed full of thick sticky shit as she began pushing.

“And it looks like you are enjoying yourself?” His mother asked with a laugh as she reached down and flicked Jake's rock hard erection. He had not noticed until now from how traumatizing this was, but he was **ROCK HARD!** His dick was practically about to explode!

BBBBBBBBBBBBBBBBBBBBBBBBBFRRTTTTTTTTTT

A massive fart blew from his mothers ass pushing a massive chunk of feces unexpectedly into his waiting throat! Jake could do nothing but gag and swallow it slowly as it moved to his stomach! By the time he had finished, a third log was already on the way, coiling in his lips as it crackled with wet pops and bubbles! This log was **MUCH HOTTER** and more soft, breaking apart on his tongue and filling all available space in his mouth! He thought her shit was bitter before, but this was soo soo much worse! Jake's entire throat closed as his mother pushed and grunted, forcing more and more shit out of her pulsing rectum!

Jake felt like he was going to pass out! The heat in his mouth and the force of it all moving down his throat was too much! He let out a gag and choked hard as a massive nose full of soft burning shit came through his nose filling his mothers ass crack! She did not react to the mess in her ass though and continued pushing, hard sweaty palms bracing herself against Jake's torso!

Her anus was like a broken soft serve machine now, filling Jake's mouth with unprecedented speed! He was just on the verge of passing out when she sat upright and pushed off of him with all her weight! Soft runny brown feces overflowed from the sides of his mouth as Jake turned his head and began spluttering! Liquid feces and large chunks of brown splattered onto the floor next to him but his mother walked to the sink like it was normal. She washed and dried her hands before taking a seat on a bidet she had installed in the bathroom years ago.

"Oh wow, that stinks!" she said while holding her nose closed with two fingers! Jake was crying on the floor, his arms and legs spread out as his face dripped with feces! He was choking and gagging as the thick waste in his throat fought to come up!

"As you continue with this, it will get easier, the taste will never get better, but you will learn to manage it" she explained as the cool water cleaned her asscheeks and anus.

Serena got up from the Bidet and undid the metal lock around one of Jake's hands!

"Clean this shit up, no pun intended" she said while throwing a pack of wet wipes at Jake! It landed on his chest as he let out a gag/burp that could melt wallpaper! Serena watched as his eyes watered from the smell wafting from his mouth and then laughed.

"Clean up the floor and your face, then Alanna will be up to let you out!" she explained while leaving the bathroom and turning on the fan! Jake vomited thick brown syrupy feces all over his chest the moment she left the room.

Jake cleaned for what felt like hours but in reality it had only been about fifteen minutes! The tiny wet wipes did little to clean the feces except mash it around the marble floor! He had to use them to scoop it all which was incredibly difficult with only one hand! By the time he was done, the bathroom floor looked clean but was still greasy and reeking of the odor of shit!

KNOCK KNOCK

There was a knock at the door as it opened! Jake would have killed for a shower but his heart began beating rapidly in fear as Alanna came into view.

“Ugh, Jake! You smell like shit!” she said while closing the door and walking over to him spread eagle on the floor! She walked up between his legs and put the tip of her socked foot down on his testicals crushing them with the full weight of her toes!

AHHHHH Jake yelped and screamed before gasping breathlessly in pain! Alanna stood there laughing, her warm toes caressing his balls and slowly applying more and more pressure!

“Gawd, I am like barely putting any weight you weakling!” she said while lifting her foot and walking around his body! She stepped on his wrist just like his mother had done and reapplied the metal shackles keeping him tied to the floor.

“You know, I would feel bad for you, but it’s your fault for making me wait!” she said while stepping beside Jake and unbuttoning her very tight blue jeans! Jake wanted to cry as she pulled them down exposing her thick thighs and tiny pink panties.

“My shit gets **HORRENDOUS** when I hold it, even worse than moms according to dad, Mom used to ask me to wait sometimes just to push his limits! I guess we went a bit too far though?” she laughed and turned to jiggle her ass in Jake’s face.

“Mom said his death wasn’t my fault though, apparently his stomach and organs would have given up even if it was just mom!” she explained while kicking her jeans all the way off with her feet!

Jake had no words! He pulled on the chains feeling the sharp metal cut into his wrists as his younger sister kicked off her panties and stepped over him. She lifted one foot cupping her toes and bringing her leg back to let them graze Jake's nose, the odor was incredibly vinegary and cheesy!

"Open wide!" Alanna said with a smile as she lifted her legs and **DROPPED BACK** with her full weight! Jake saw his life flash before his eyes as her thick pale ass came crashing towards him, banging into his head and practically making a dent in the marble floor from his skull!

All he could see was darkness as his ears rang with a high pitched buzzing! He could hear Alanna laughing at the top of her lungs in the distance but her voice quickly got louder and louder! Jake could feel her warm thick ass cheeks smothering his face as she wiggled back and forth aligning his mouth with her hairy pussy. Her anus was pressed right to his nose forcing him to breathe it, and the odor was so so sour! It smelled like she hadn't showered or cleaned herself in weeks!

"Oooo what's this?" Alanna asked as he felt her soft hand squeeze his rock hard erection! Cum dribbled from the tip of his dick just as her pussy exploded with a geyser of acidic hot urine!

"Ahhhhhhhhh, whew, that stinks!" Alanna giggled as Jake choked under her!

Her piss filled his mouth so quickly that he had no time to even comprehend what was happening! It hit the back of his throat and puffed out his cheeks before he could even take his first gulp! By the time he did, her urine was already streaming out of his nose and pooling in his aching lungs! He began gulping, drinking, sucking it down as Alanna squeezed his face with her ass cheeks! He could feel her pussy lips twitching in his mouth as he sucked the piss down! It began running down the sides of his cheeks and pooling under his head from how much she was releasing!

When her pussy began dripping, Jake had never been so happy! He could feel the massive amount of urine splashing around in his stomach from even the slightest movements. Aside from its horrible taste, it did wash the taste of his mothers feces from his mouth, Jake had to appreciate the little things if he was going to survive this!

"It's like a joystick!" Alanna said while squeezing his dick and tilting it left and then right!

Jake moaned under her ass as he gargled on the last bit of her salty hot piss!

"What happens if i do this?" she asked innocently before starting to stroke his shaft up and down in a very rough manner! Jake opened his mouth wide to gasp as she slid forward covering his lips with her sweaty asshole!

BBBSPPPRPTTTTpppspprprtttttttttt

Her asshole exploded with a loud wet and messy fart that blew Jake's cheeks out from the pressure! Before her fart was even over, her anus gurgled and began ejecting a foul mixture of diarrhea and clumpy soft shit! The sound of it coming out was almost as bad as the taste which was **WAY WORSE** than what his mother had fed him just earlier!

"Remember, **YOU** made me wait! And I had leftover Curry Chicken for breakfast while mom was bringing you home!" Alanna commented with a giggle as her anus exploded into Jake's mouth!

Jake gripped the chains with his sweaty palms as his younger sister destroyed his mouth! The flavor was so hot, like drinking hot sauce mixed with a bitter rotten chicken! He could taste bits of rice and pieces of undigested meat floating around his mouth and tongue! There was no way he could eat this! Alanna grunted and pushed as another massive load of wet messy feces exploded from her asshole! With no room in Jake's mouth, it simply overflowed his cheeks and came rushing out of his nose! Alanna gasped and groaned in disgust as the floor beneath Jake's head became a steaming mess!

“WHERE ARE YOUR TABLE MANNERS!” Alanna yelled as she brought her hand back and slapped his dick as hard as she could!

Jake yelped in pain as her anus let loose a third wave, this time ejecting the steaming liquid feces right down his throat! Jake thought his eyes were going to pop from his skull as the shit flew down into his stomach! He could feel the wet bits dripping down his throat, coating his insides! It was in his lungs, his stomach, it was probably in his brain at this point! All he could hear was the wet rumbling of his younger sister's stomach as she laughed uncontrollably!

He felt her soft hand around his dick, storking up and down as she squeezed lightly! He could not understand why he was turned on by this! Alanna's asshole dripped in his shit caked mouth as he dry heaved and gagged! The bitter rotten spicy chicken flavor of her shit coated his mouth and throat! It was in his nose, making his eyes water! He could feel her puckered anus winking open and closed on his tongue as little sticky bits of feces dripped down!

“My stomach is a mess today!” Alanna complained as she cut a soft post shit fart into Jake's mouth!

BBBBBBBBBBBBBBBBbbfrttttt

She pushed herself off of Jake's face and stepped on his rock hard dick crushing it flat to the marble floor under her full weight as she grabbed the roll of toilet paper!

Jake was screaming in pain as shit dripped down his cheeks! Alanna grinded her bare foot back and forth gripping his crushed shaft with her sweaty toes!

“Mom won't let me use her bidet, but she is gonna get me one for my birthday in a few months!” Alanna explained as she cleaned her ass crack and tossed the soiled paper onto his chest!

“I will probably be back in an hour for round two, so make sure this place is shining! **TOP TO BOTTOM!** Understand!” Alanna smiled as she pulled up her panties and jeans, Making sure to step on his dick once more!

Jake watched as his younger sister walked away, Things were never going to be the same!
