

Erica?

What are you
doing here?

Who
are you?

I live here.

Which begs the question, what are you doing here?

Well, that is complicated.

There was
that freaky thing that
turned me into this. I'm
Steve.

Remember, in the gym yesterday?

When you tripped and told me not to tell anyone?

Holy fuckballs. Steve? How did this happen?

It was
the camera.

Shut
up. That's not what
they do.

They do, it seems, if you have an XXX-LTR Fantasy Flash lens.

Hold on.

Only Pete knows about nerdy shit like that.

Yeah, I'm in here too. We share a body now.

So my gym buddy and nerdy brother now have the most awesome tits I ever saw?

This could be fun.

Erica, please. I
am your brother.

Step-brother.

And don't
you worry, we'll just have
some fun.

First, we need to remove the lens though.

Why? What's that gonna do?

This.
