

## **PAGE TWO HUNDRED AND SEVEN(nine panels)**

**Panel 1:** Dramatic shot of Bon flying backward and Kern dashing away from him.

**Panel 2:** Bon, furious, rears the knife back, going to throw it at Kern  
BON: **I'LL NEVER BE BEATEN!**

**Panel 3:** Hen-Tie, however, jumps into him, slamming her shoulder into Bon's side and pushing him forward.

**Panel 4/5/6:** Kern, Lucia, and Bon's eyes all go wide. Separate panels.  
KERN/LUCIA/BON: **Hen-Tie?**

**Panel 7:** Shot of Hen-Tie and Bon flying over the edge of the hole.

**Panel 8/9:** Closeup of Hen-Tie's face, happy. Closeup Kern's face, sad, eyes watery.  
HEN-TIE: Thank you, Kern, for closure.

## **PAGE TWO HUNDRED AND EIGHT(seven panels)**

**Panel 1:** Overhead shot of the arena, of the hole. Some smoke still lingers around.

**Panel 2:** Shot of Kern dropping to his knees, eyes watery.

KERN: Hen-Tie...

**Panel 3:** We zoom out, showing Lucia standing next to him, wearing a soft, comforting smile.

KERN: Nobody's ever been willing to die for me...

**Panel 4:** He turns around, facing Lucia now, rubbing his eyes.

SFX: Crying.

KERN: I'm not crying, you're crying.

**Panel 5:** Suddenly everything shakes. Shot of Lucia, Max, and Kern with their eyes wide and their arms out, trying their hardest to stay balanced.

LUCIA: What the...?

MAX: Weeeeeee! It's like a water bed!

**Panel 6:** Closeup of Kern's face. His eyes are wide and next to him's a thought bubble with the bomb Hen-Tie was wearing in it.

**Panel 7:** Same shot except zoomed out a bit. A huge pillar of fire bursts out the hole behind him, and now he looks furious, any sadness he had wiped away in an instant.

SFX: Boooooooooooooooooooooom!

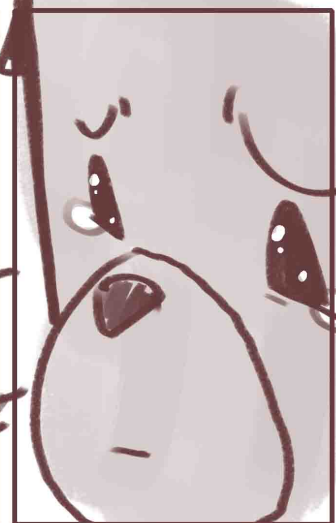

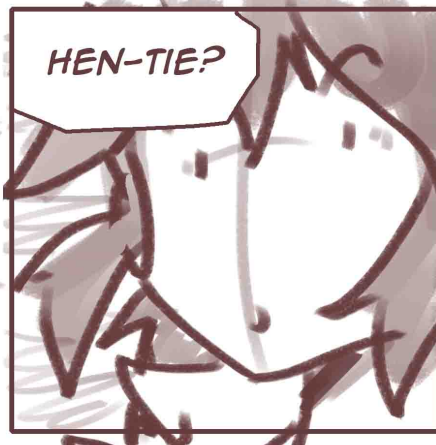

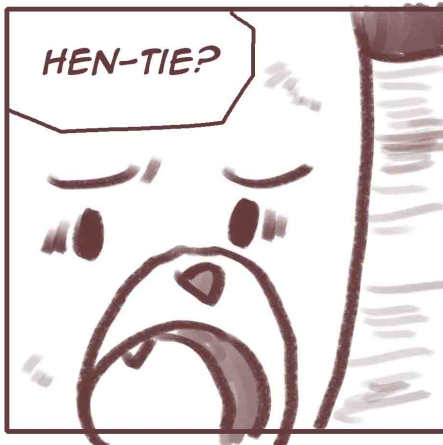

KERN: **GOOOOOOOD DAAAAAMMMIT HEEEEEN-TIIIIIE!**
