

Hey...Don't...
I've just finished
changing.

What if someone
barges in unexpectedly?

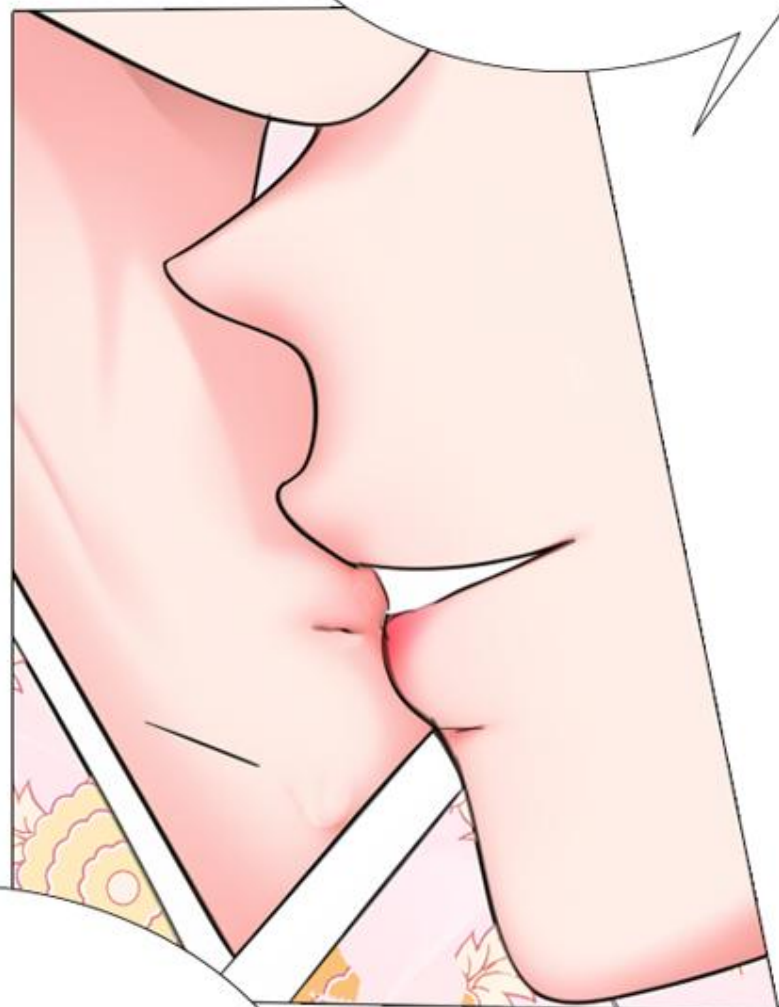

Who do you think would
come here early
in the morning?

Be gentle.

Hmmm. Hmp?

It's a pity
you're dressed up
like this today,

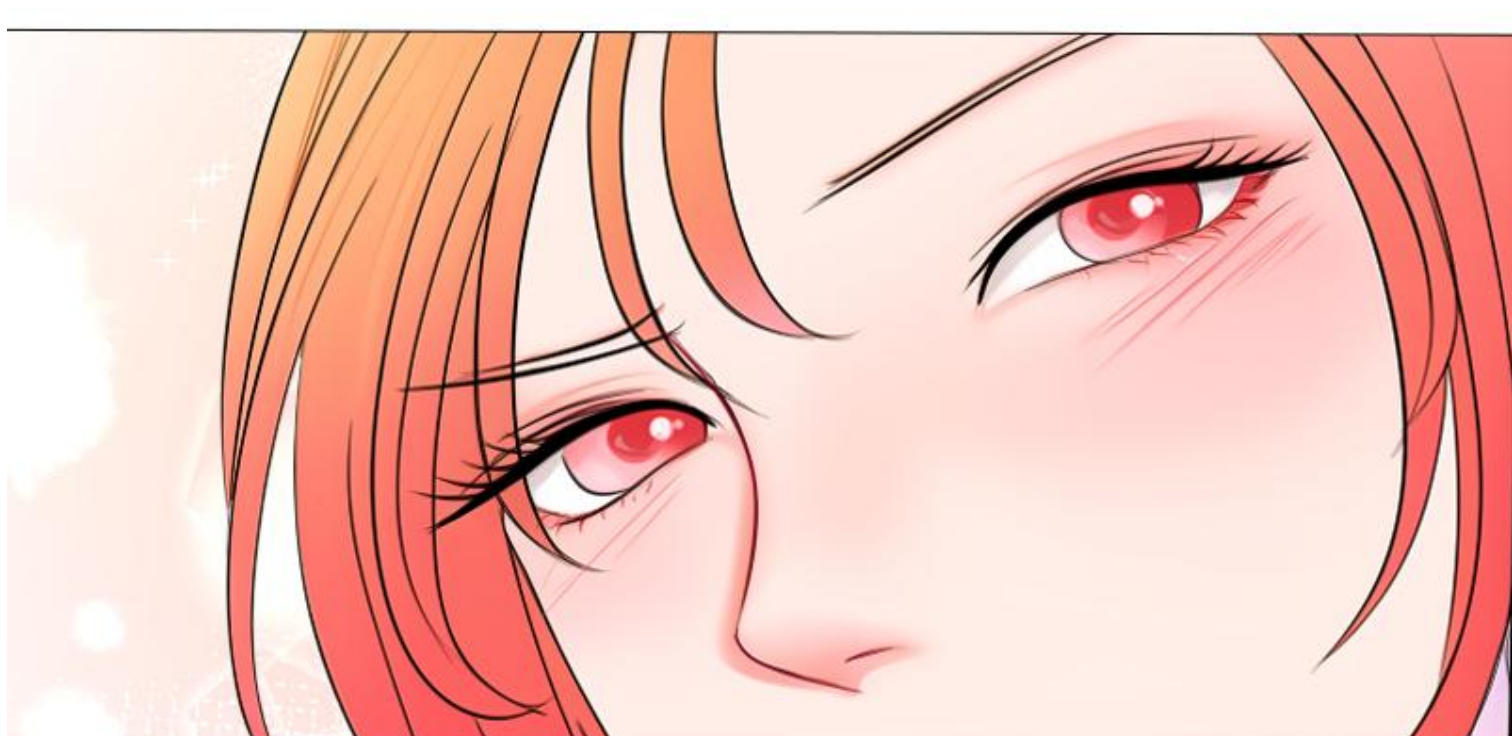

Otherwise,
I would have left my mark
on that delicate neck
of yours.

Shall I do
something else?

.....

Why are you turning away?

You enjoy this, don't you?

It's...you...
Your words....and
this position

You look like
a total pervert

Oh...?
Aren't you in love with
a pervert?

But...

We're in
public...

It feels odd.

Even if someone catches us,

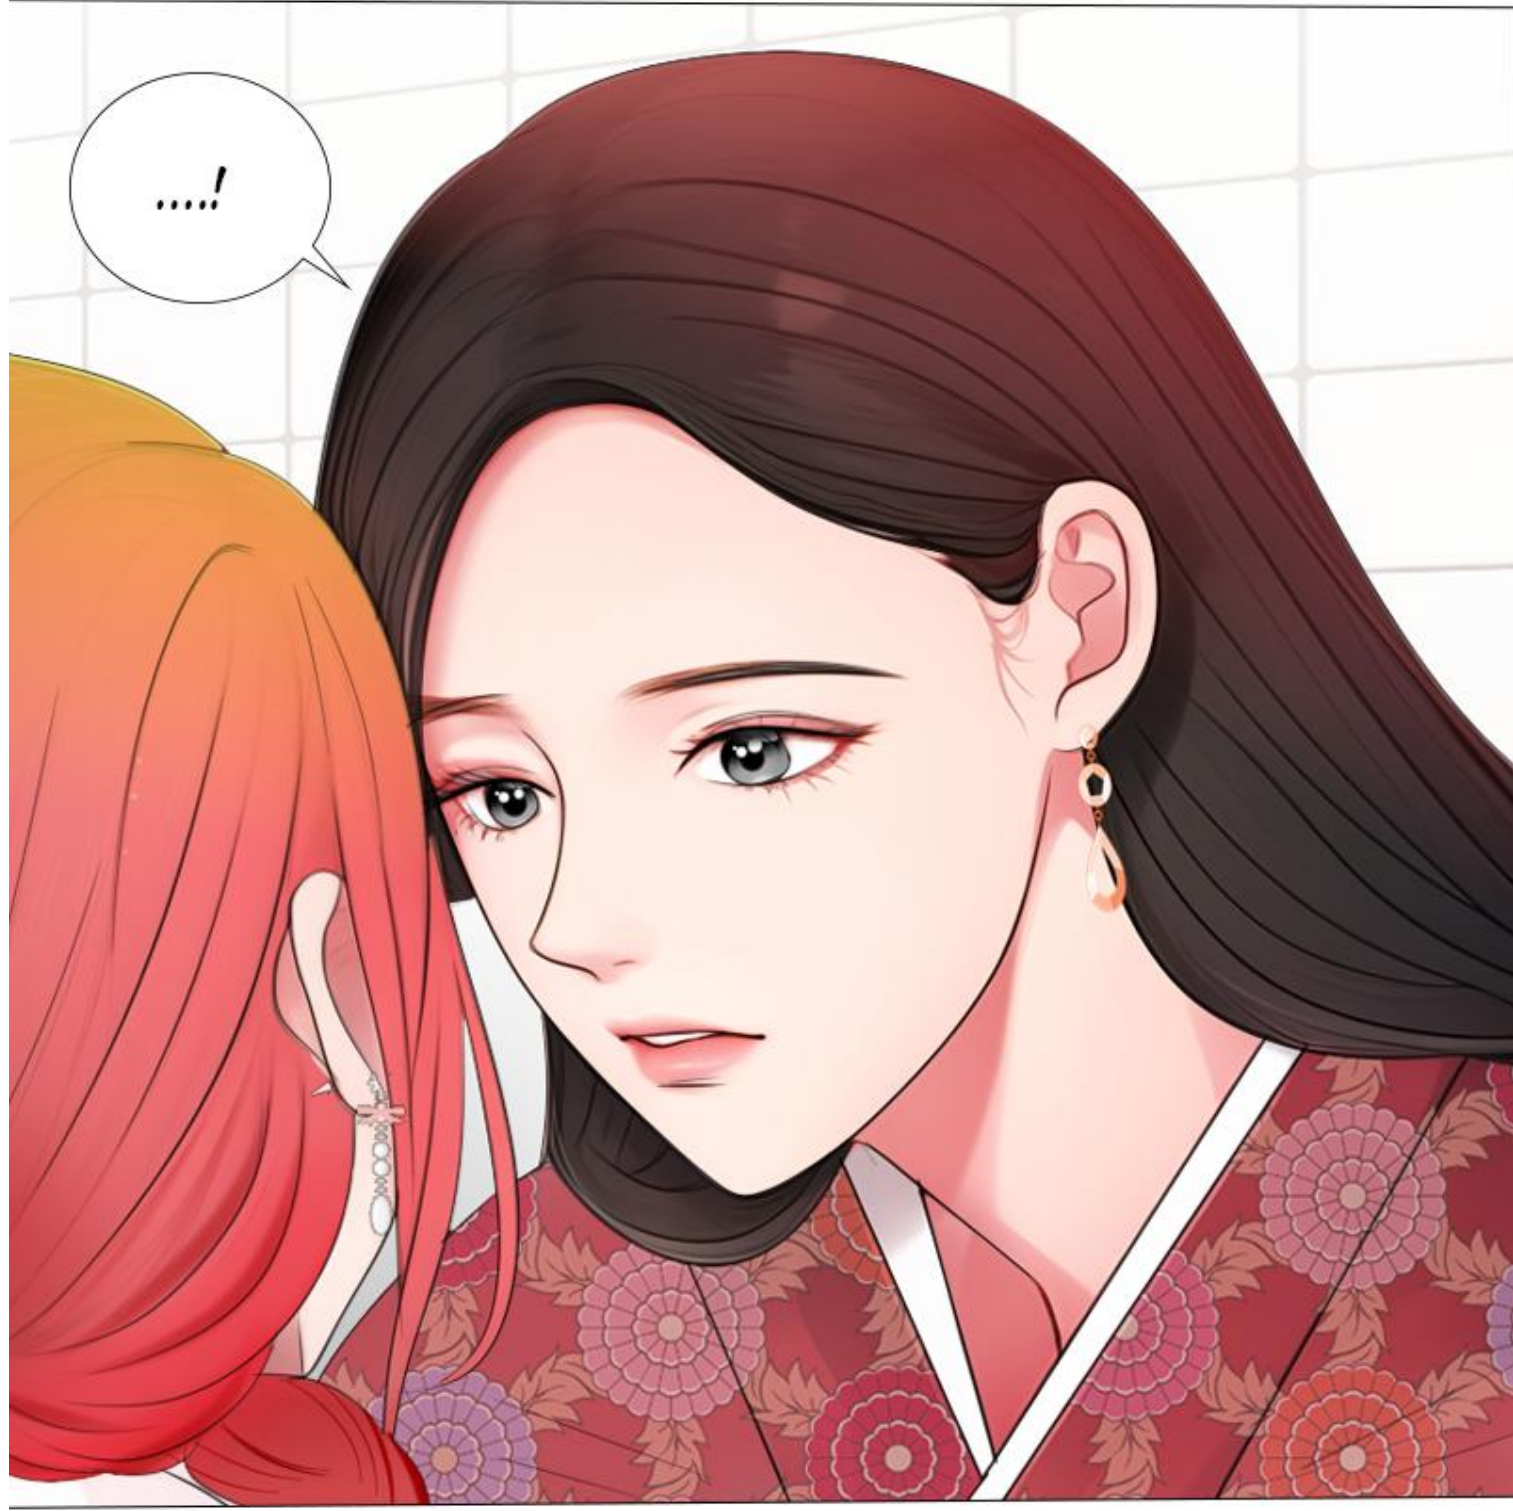

I dare to,

Don't you dare?

Who doesn't dare?
Me?
Never!!!

Hah!

That's Jung Aerin I know,

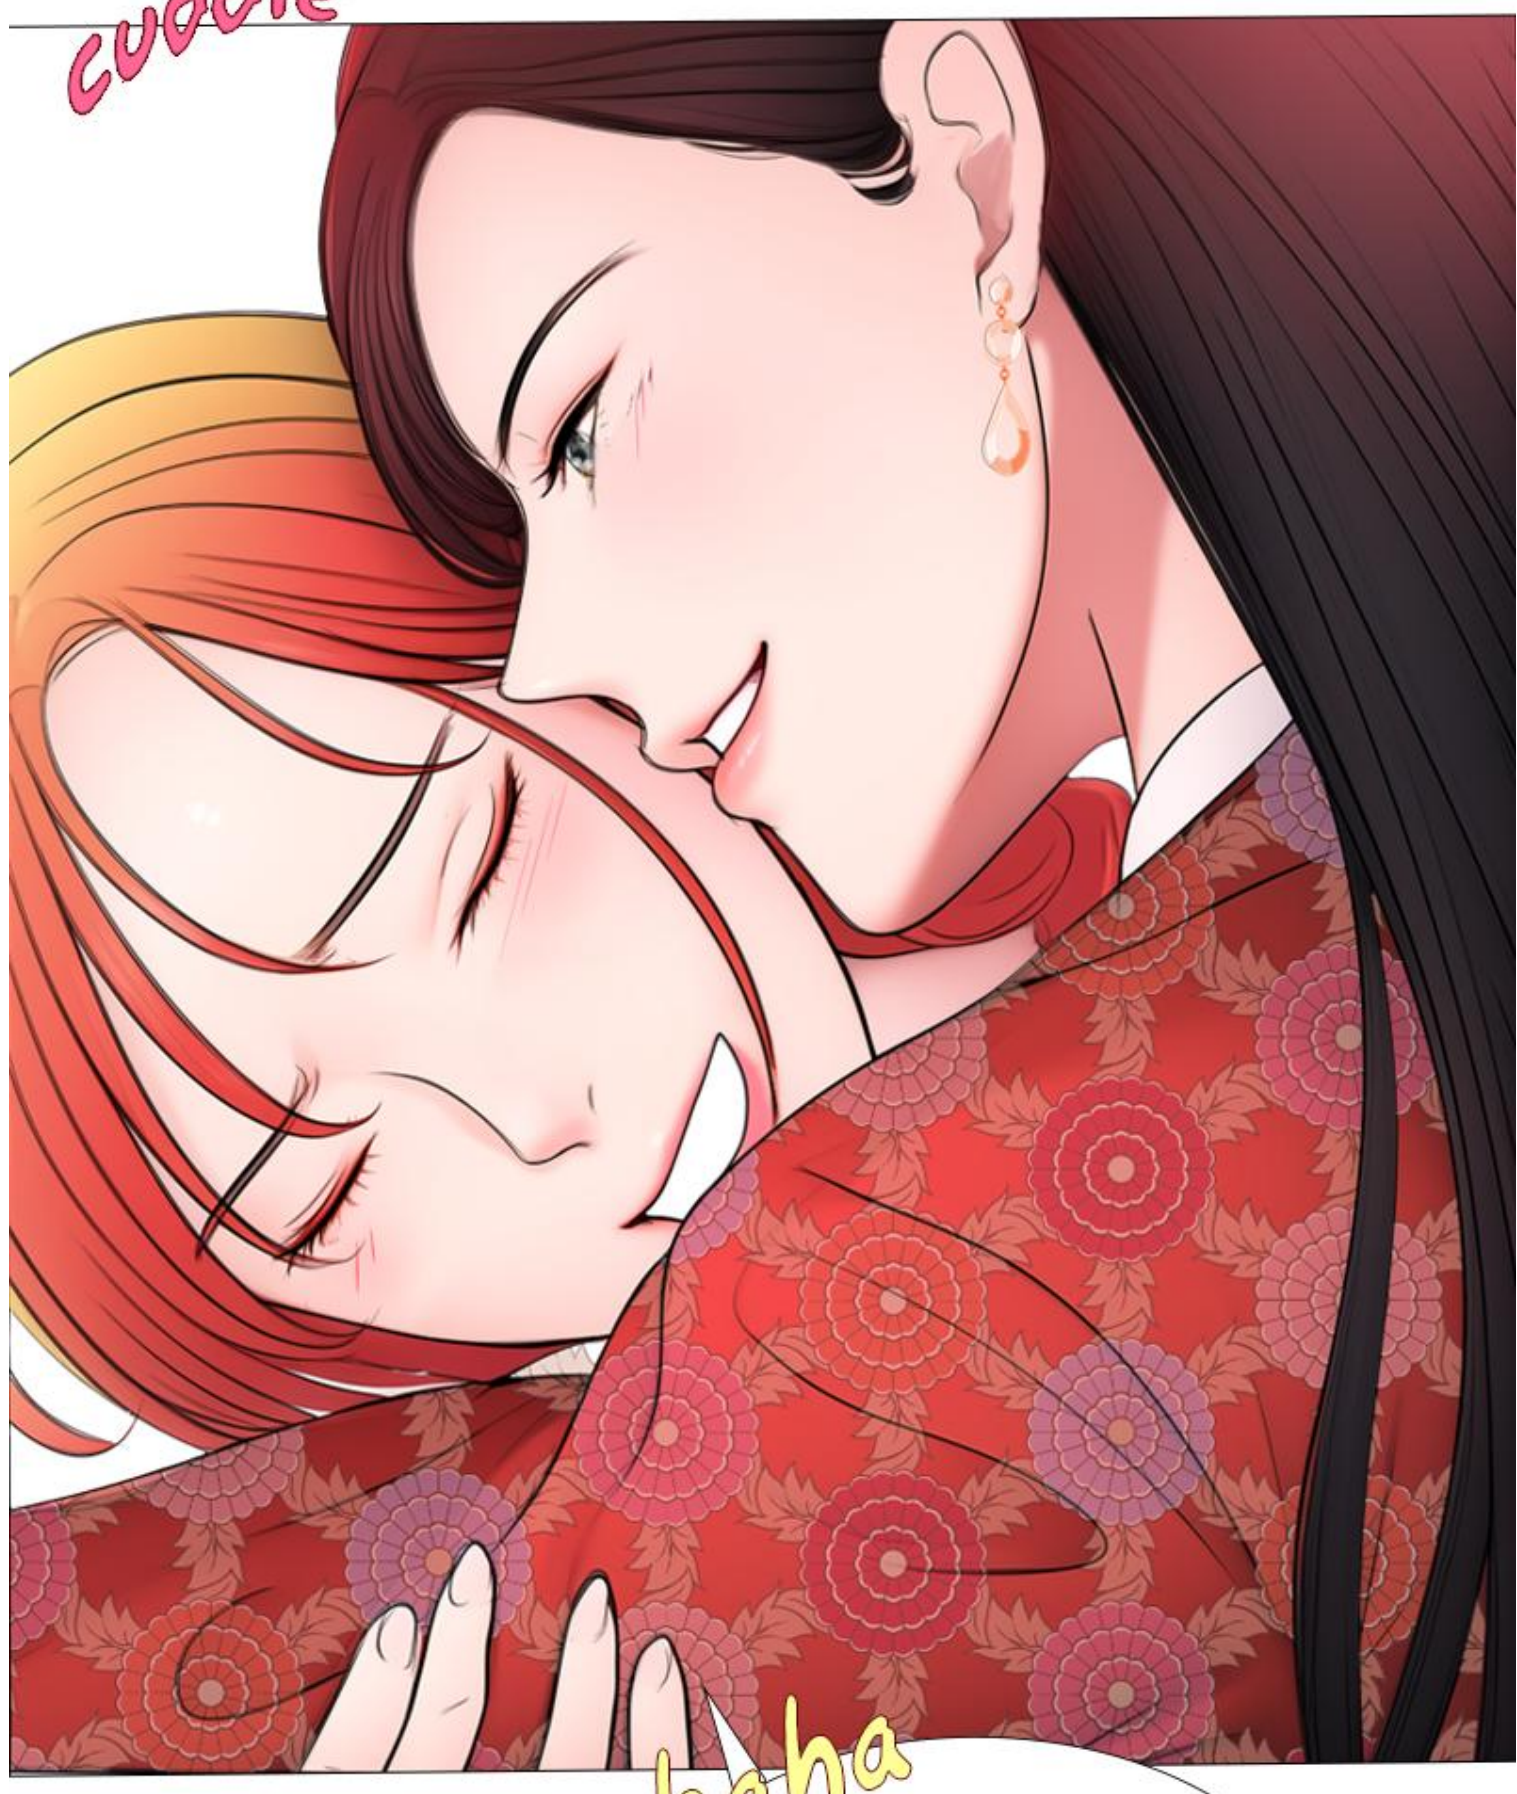

Strong attitude!

Come on, just do what you want,

But let's make it quick,

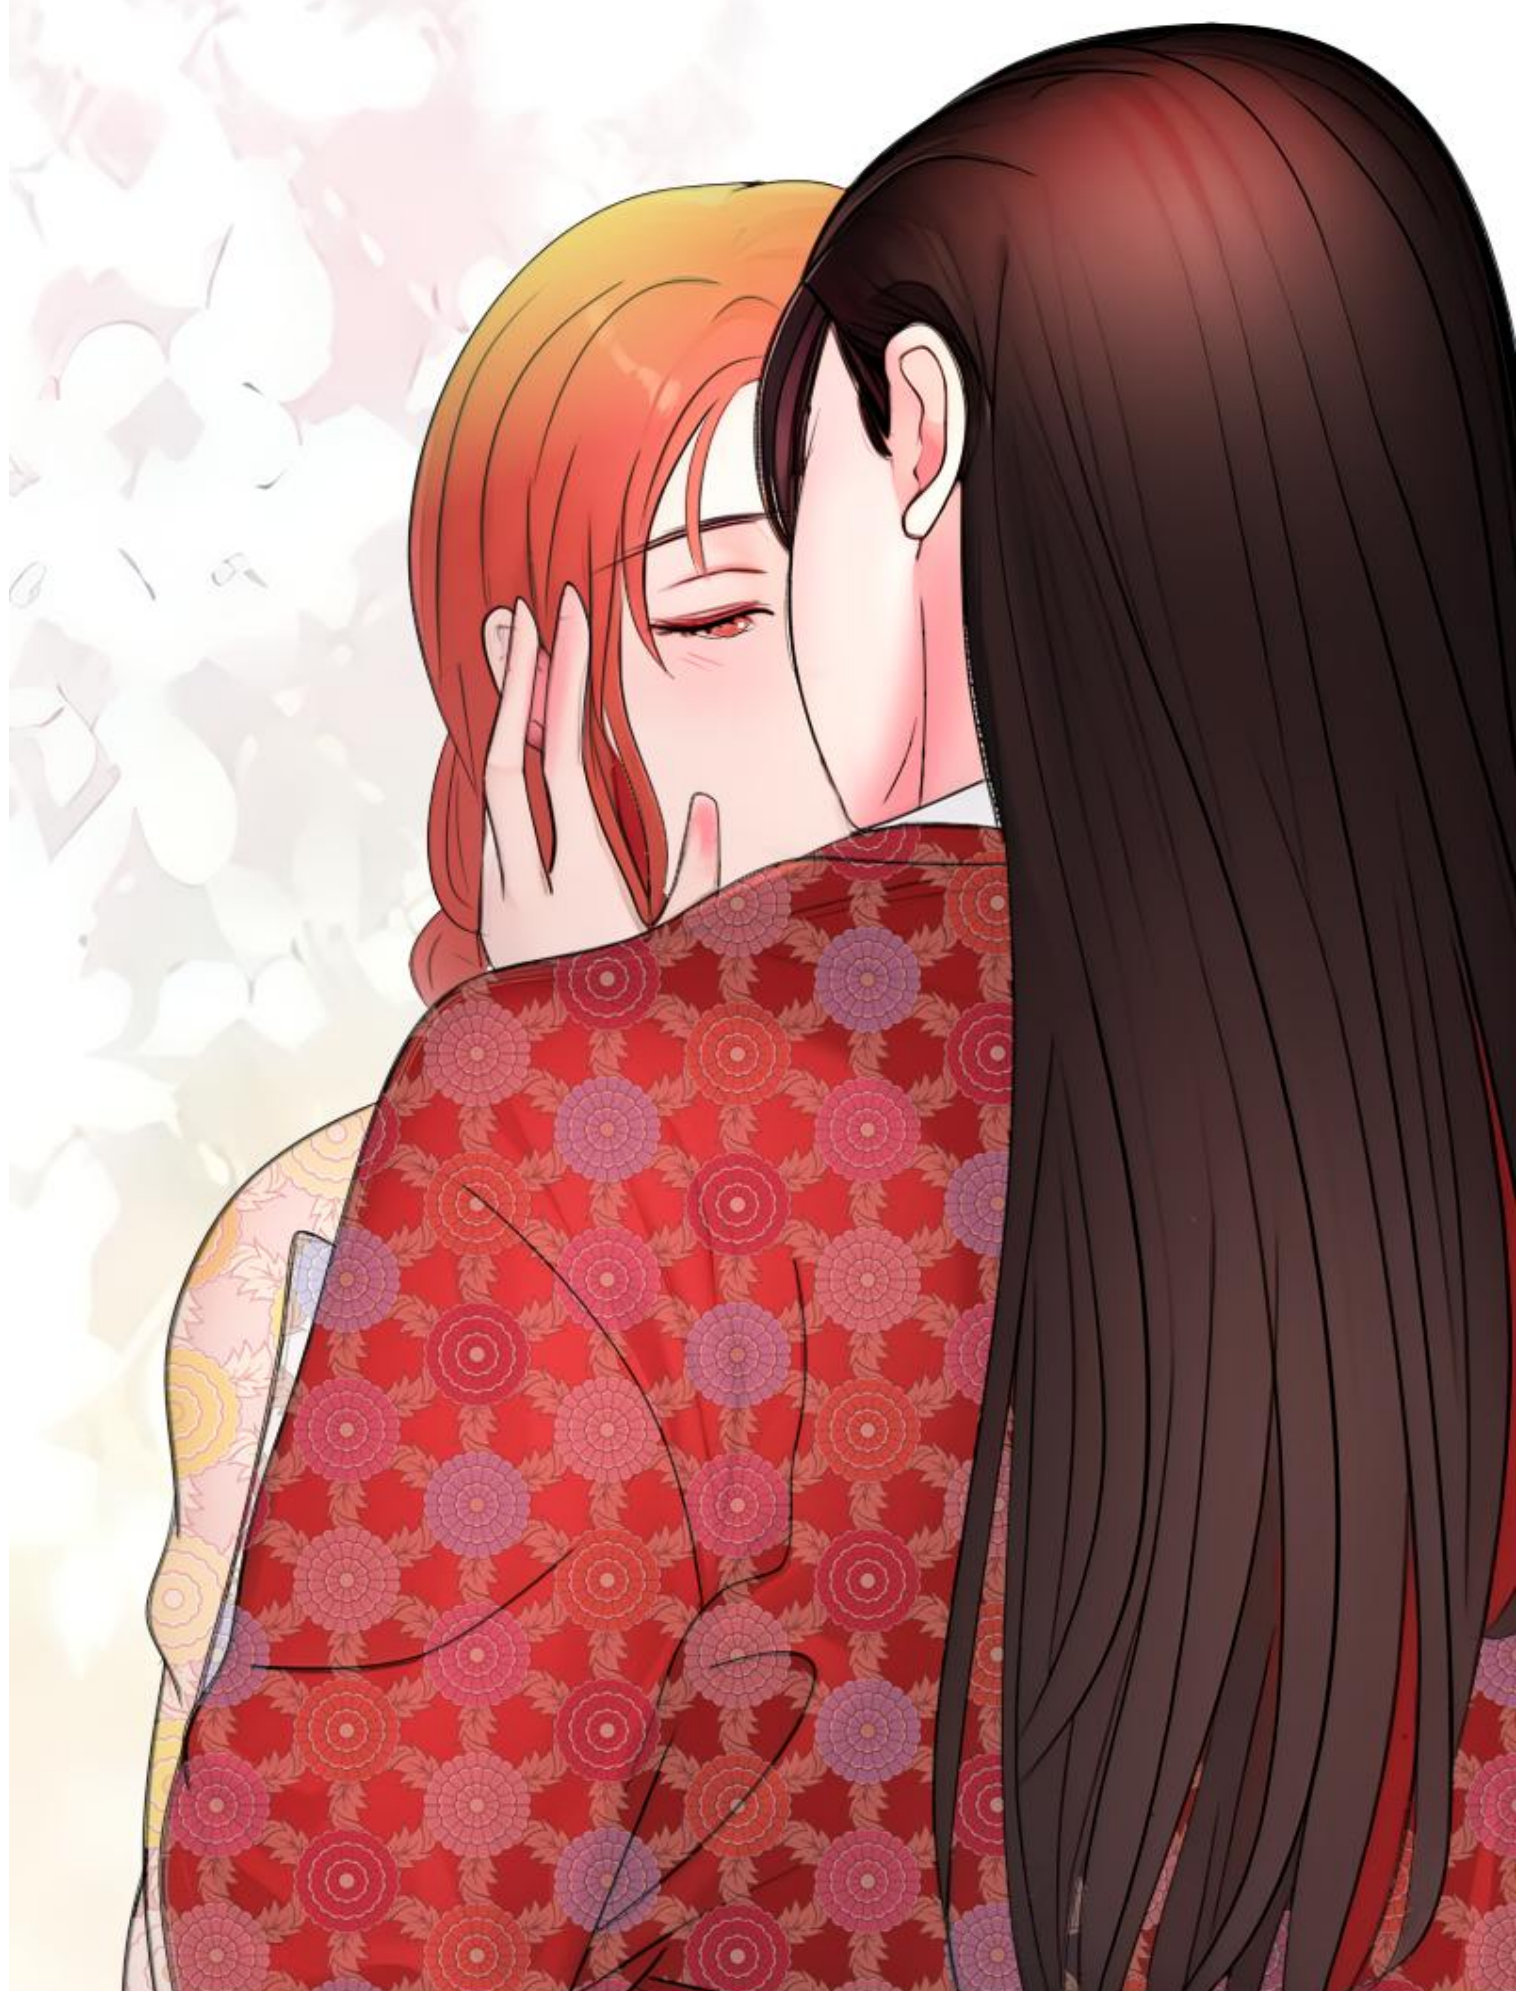

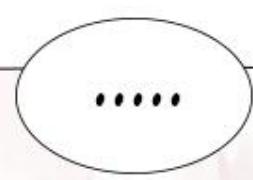

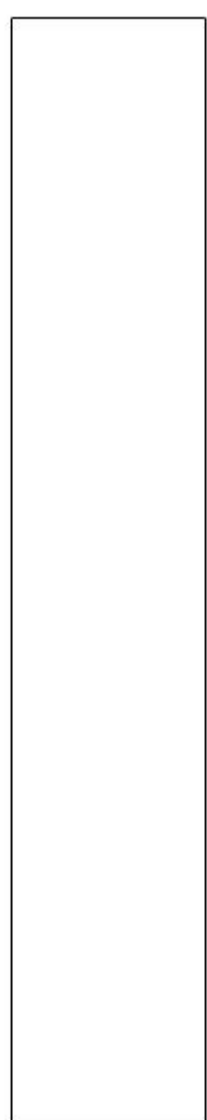

Guess what I'm thinking of doing now?

cuddle

hahaha

No...Stop it! It's too ticklish!!

Happy
New Year~
