

Did you get my punishment, Ino?

Yes, I understand, Ms. Uzumaki.

Don't use Mind
Tramission like that
again, okay?

It can be called
"skinsuit". A
forbidden one.

I-I will! But about
that ninjutsu.. you
used on me?

Uzumaki Naruto!
I know you are
in there!

That voice.. It's
Sakura! What is
she doing here?

Hm.. She's right on time. Let me show you how to use that ninjutsu.

A character is shown from the waist down, standing in a hallway. They are wearing a red cardigan over white leggings and are barefoot. The hallway has a wooden floor and grey walls. A speech bubble is positioned to the right of the character.

Hinata is looking
for you all day!
Where are you!?

Didn't you have
a date with her today!?

Eh..? Miss.
Uzumaki and Ino?
What are you two
doing here?

Y-yes.. But
you two..

Are you looking
for Naruto?

Oh, you know.
We are just
having fun.

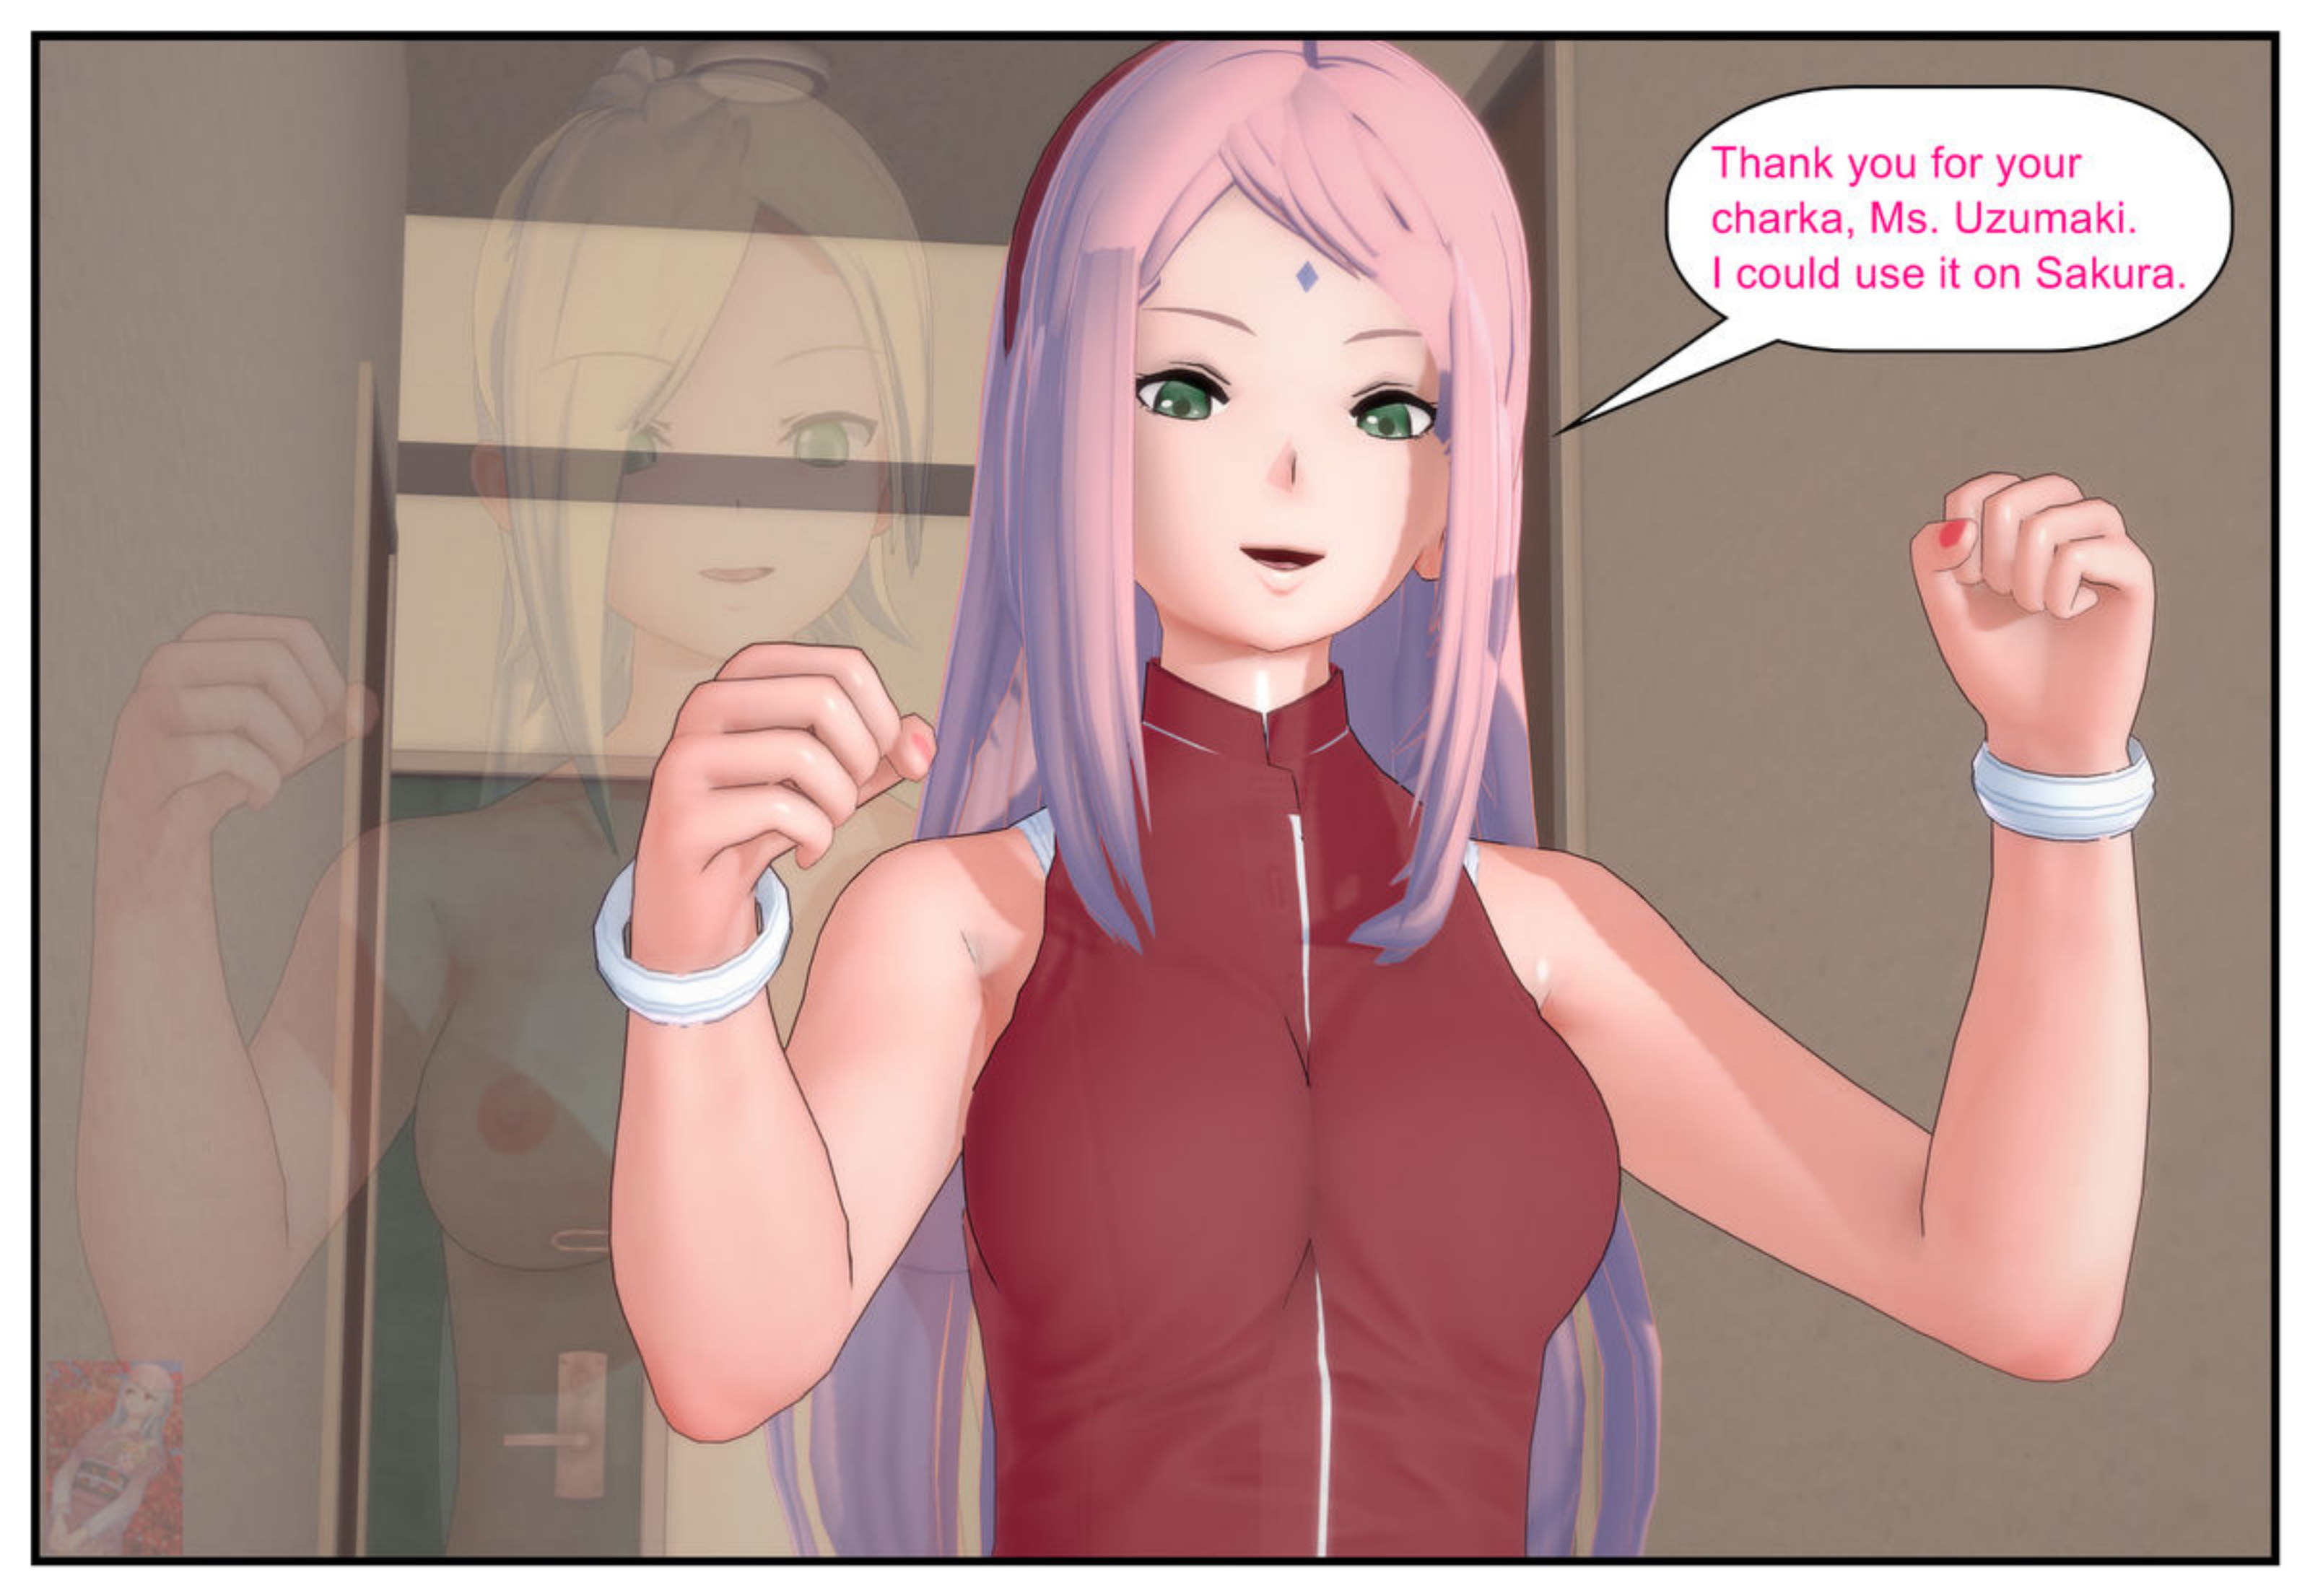

Mind Tranmission!!

Thank you for your
charka, Ms. Uzumaki.
I could use it on Sakura.

Hm.. I afraid you
can't study my
"skinsuit" ninjutsu.

Was my charka
not enough..?

Yes, allow me to illustrate.

To turn someone into skinsuit, you will need a large amount of charka.

Depends on that
person is consioused
or not will be easier.

After that, just put the skin on. And it will automatically fit your size.

You did it to me
once.. But I didn't
feel anything.

Because your soul was
already unconscious.
And I'm wearing your skin.

And here is the
main reason why
you can't learn it yet.

That is.. keep your charka stable. I will show you how but could you provide me with some fun?

A woman with long, light-colored hair is walking away from the viewer in a hallway. She is wearing light blue, form-fitting leggings with a scalloped hem at the ankles and light blue wristbands on both wrists. She is barefoot. The hallway has a wooden floor and a grey wall. A door is visible on the right side of the frame. A speech bubble is positioned in the upper left corner.

Of course, Ms. Uzumaki!

I am, Yamanaka Ino,
ready to do everything
you told me to!

Shall we start now,
Ms. Uzumaki?

Hm.. Can you come over here a bit?

There's something
I wanted you to do.

A 3D rendered female figure is lying on her back on a light-colored tiled floor. Her legs are raised and bent at the knees, with her feet pointing towards the top right. She has a small, dark, circular mark on her lower back, near the waistline. A speech bubble is positioned to the left of her torso, containing the text "I made it, it's not from a real person." The lighting is soft, creating subtle shadows and highlights on her skin. The floor consists of large, light-colored tiles with dark grout lines.

I made it, it's not
from a real person.

With this skin, we
will encounter with
my son, Naruto.

Seem like it
fit you very well.

Remember, you
are Hyuga Hinata.
Try to get close
to Naruto, got it?

To be continued?

If it were you,
would you do as
Ms. Uzumaki said?
