A manga-style illustration showing a commander in a white uniform with gold epaulettes and buttons, sitting at a dark red desk. He is holding a red pencil and writing in a white notebook. A stack of papers is on the desk to his right. A hand in a white uniform sleeve is holding a white coffee cup on a saucer, offering it to him. A speech bubble from the hand says, "Commander, your coffee." In the bottom left corner, there is a small, faint illustration of a character with a flower on their forehead.

Commander,
your coffee.

A manga-style illustration of a young woman with light brown hair and blue eyes, wearing a white uniform with gold accents and a dark belt. She is looking towards a man whose back is to the viewer. A speech bubble is positioned above her, containing the text "How about you take a short break?". The background shows an interior space with wooden pillars and a ceiling.

How about you take
a short break?

By the way, I created a special recipe for your coffee today!

...

Ah, right! What do you want for dinner?

I learnt how to make
spicy curry, you will
definitely like it!

fully focus... ahaha...

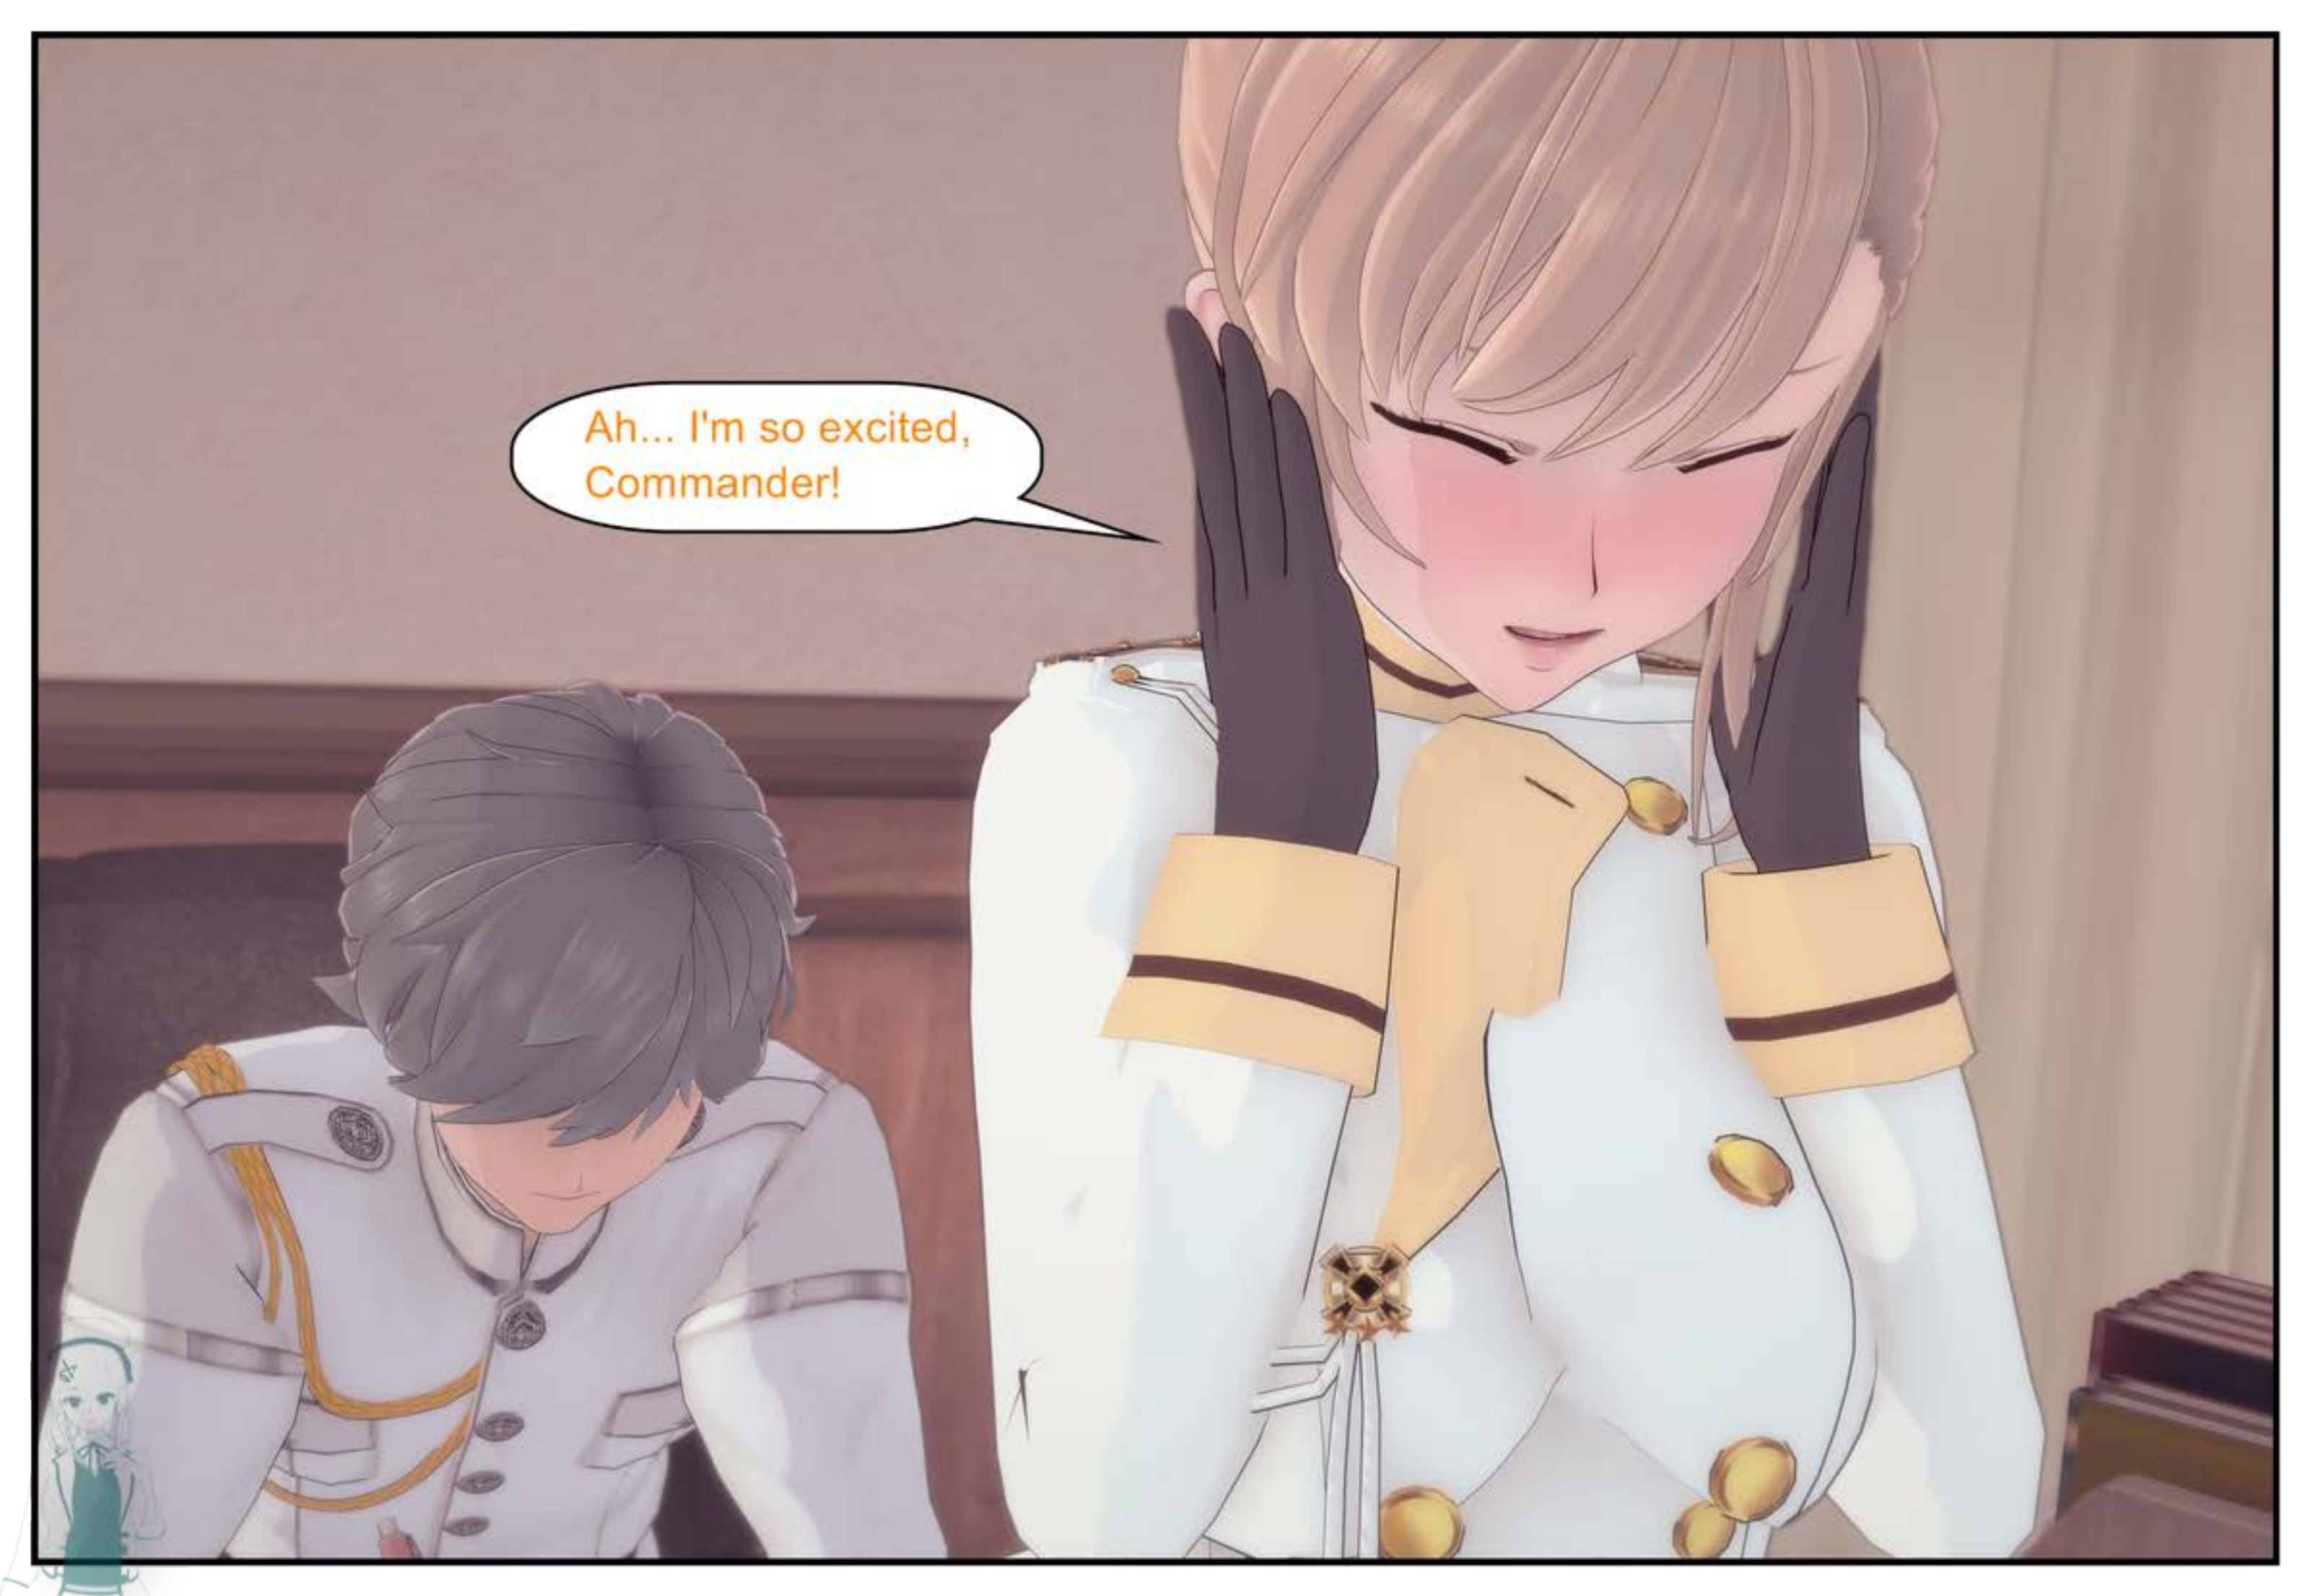

It's summer now,
if I'm not wrong...

How about we go
on vacation like
we discussed before?

To the sweet sand,
white beach... and
a beautiful sunset...

Ah... I'm so excited,

Vice Commander...

Y-Yes! What do
you need from me?

Do you know that sitting on my table is disrespecting me?

You have to know
where you are
standing, Vice-
Commander.

Y-Yes... I
understand...

I am truly sorry and

Then, I want you to help my ship girls prepare for the upcoming event.

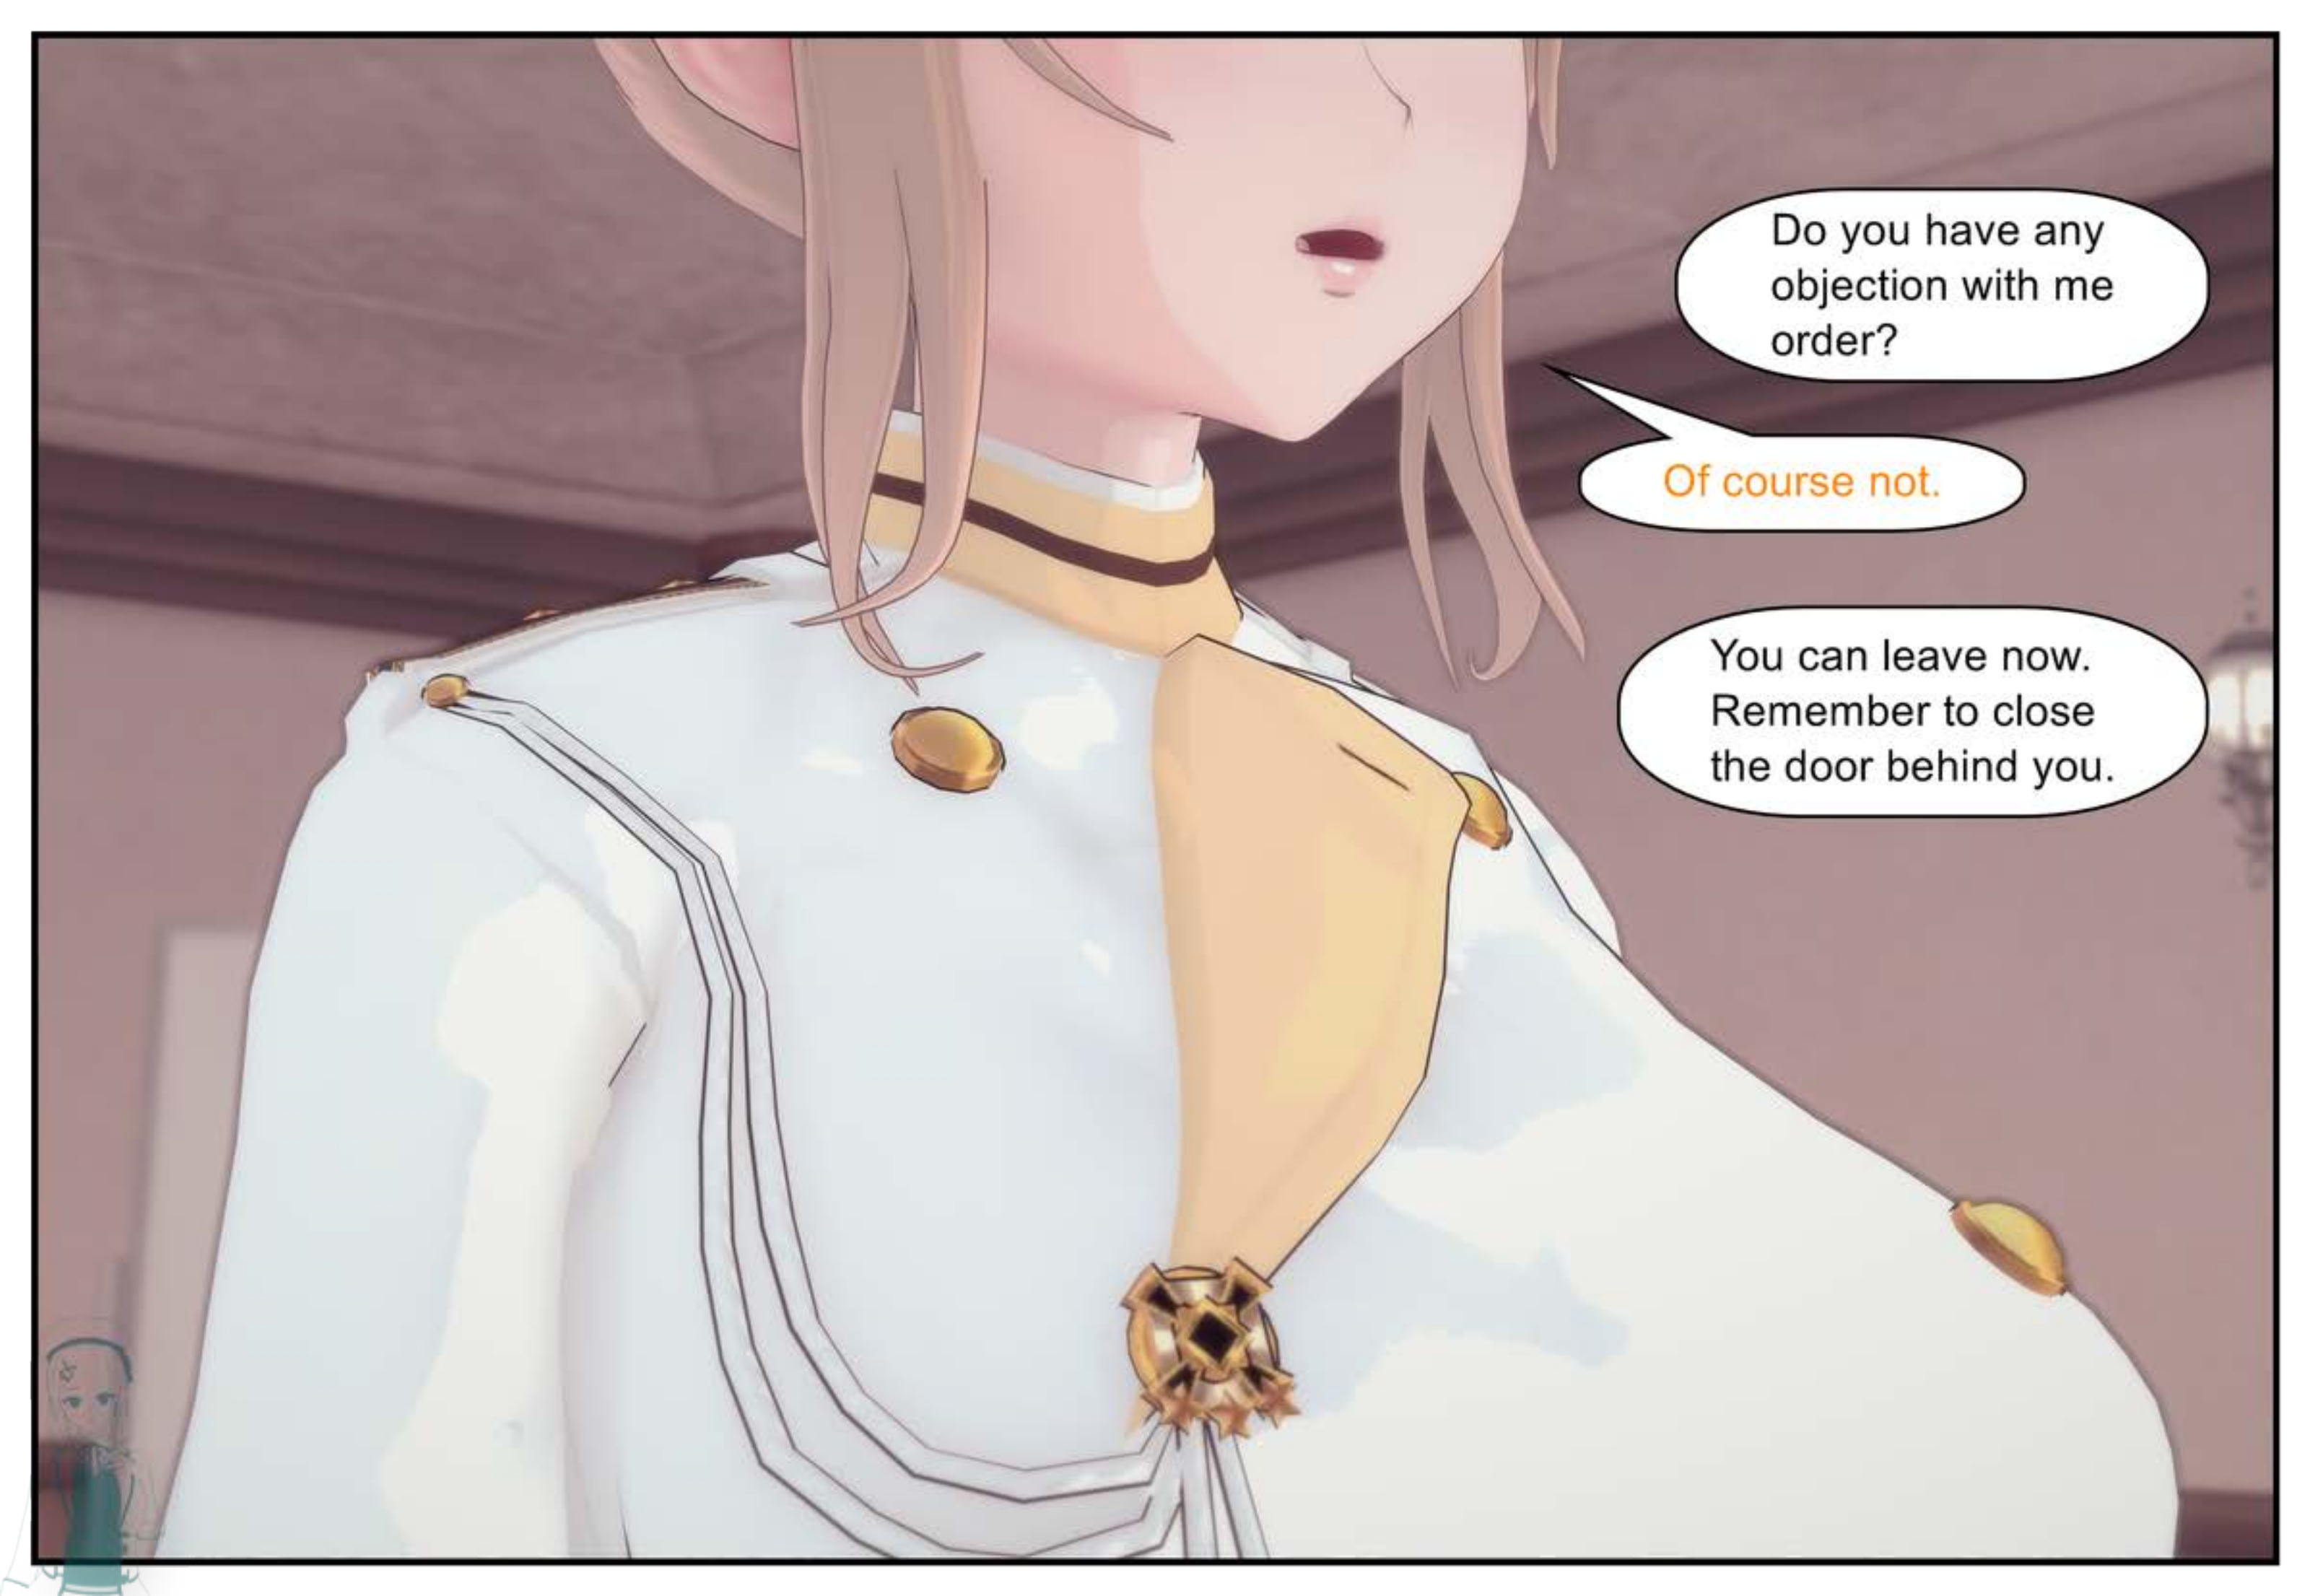

Tomorrow, they
will gather at the
racing track. Don't
be late, get it?

Yes...
Commander.

Do you have any objection with me order?

Of course not.

You can leave now.
Remember to close the door behind you.

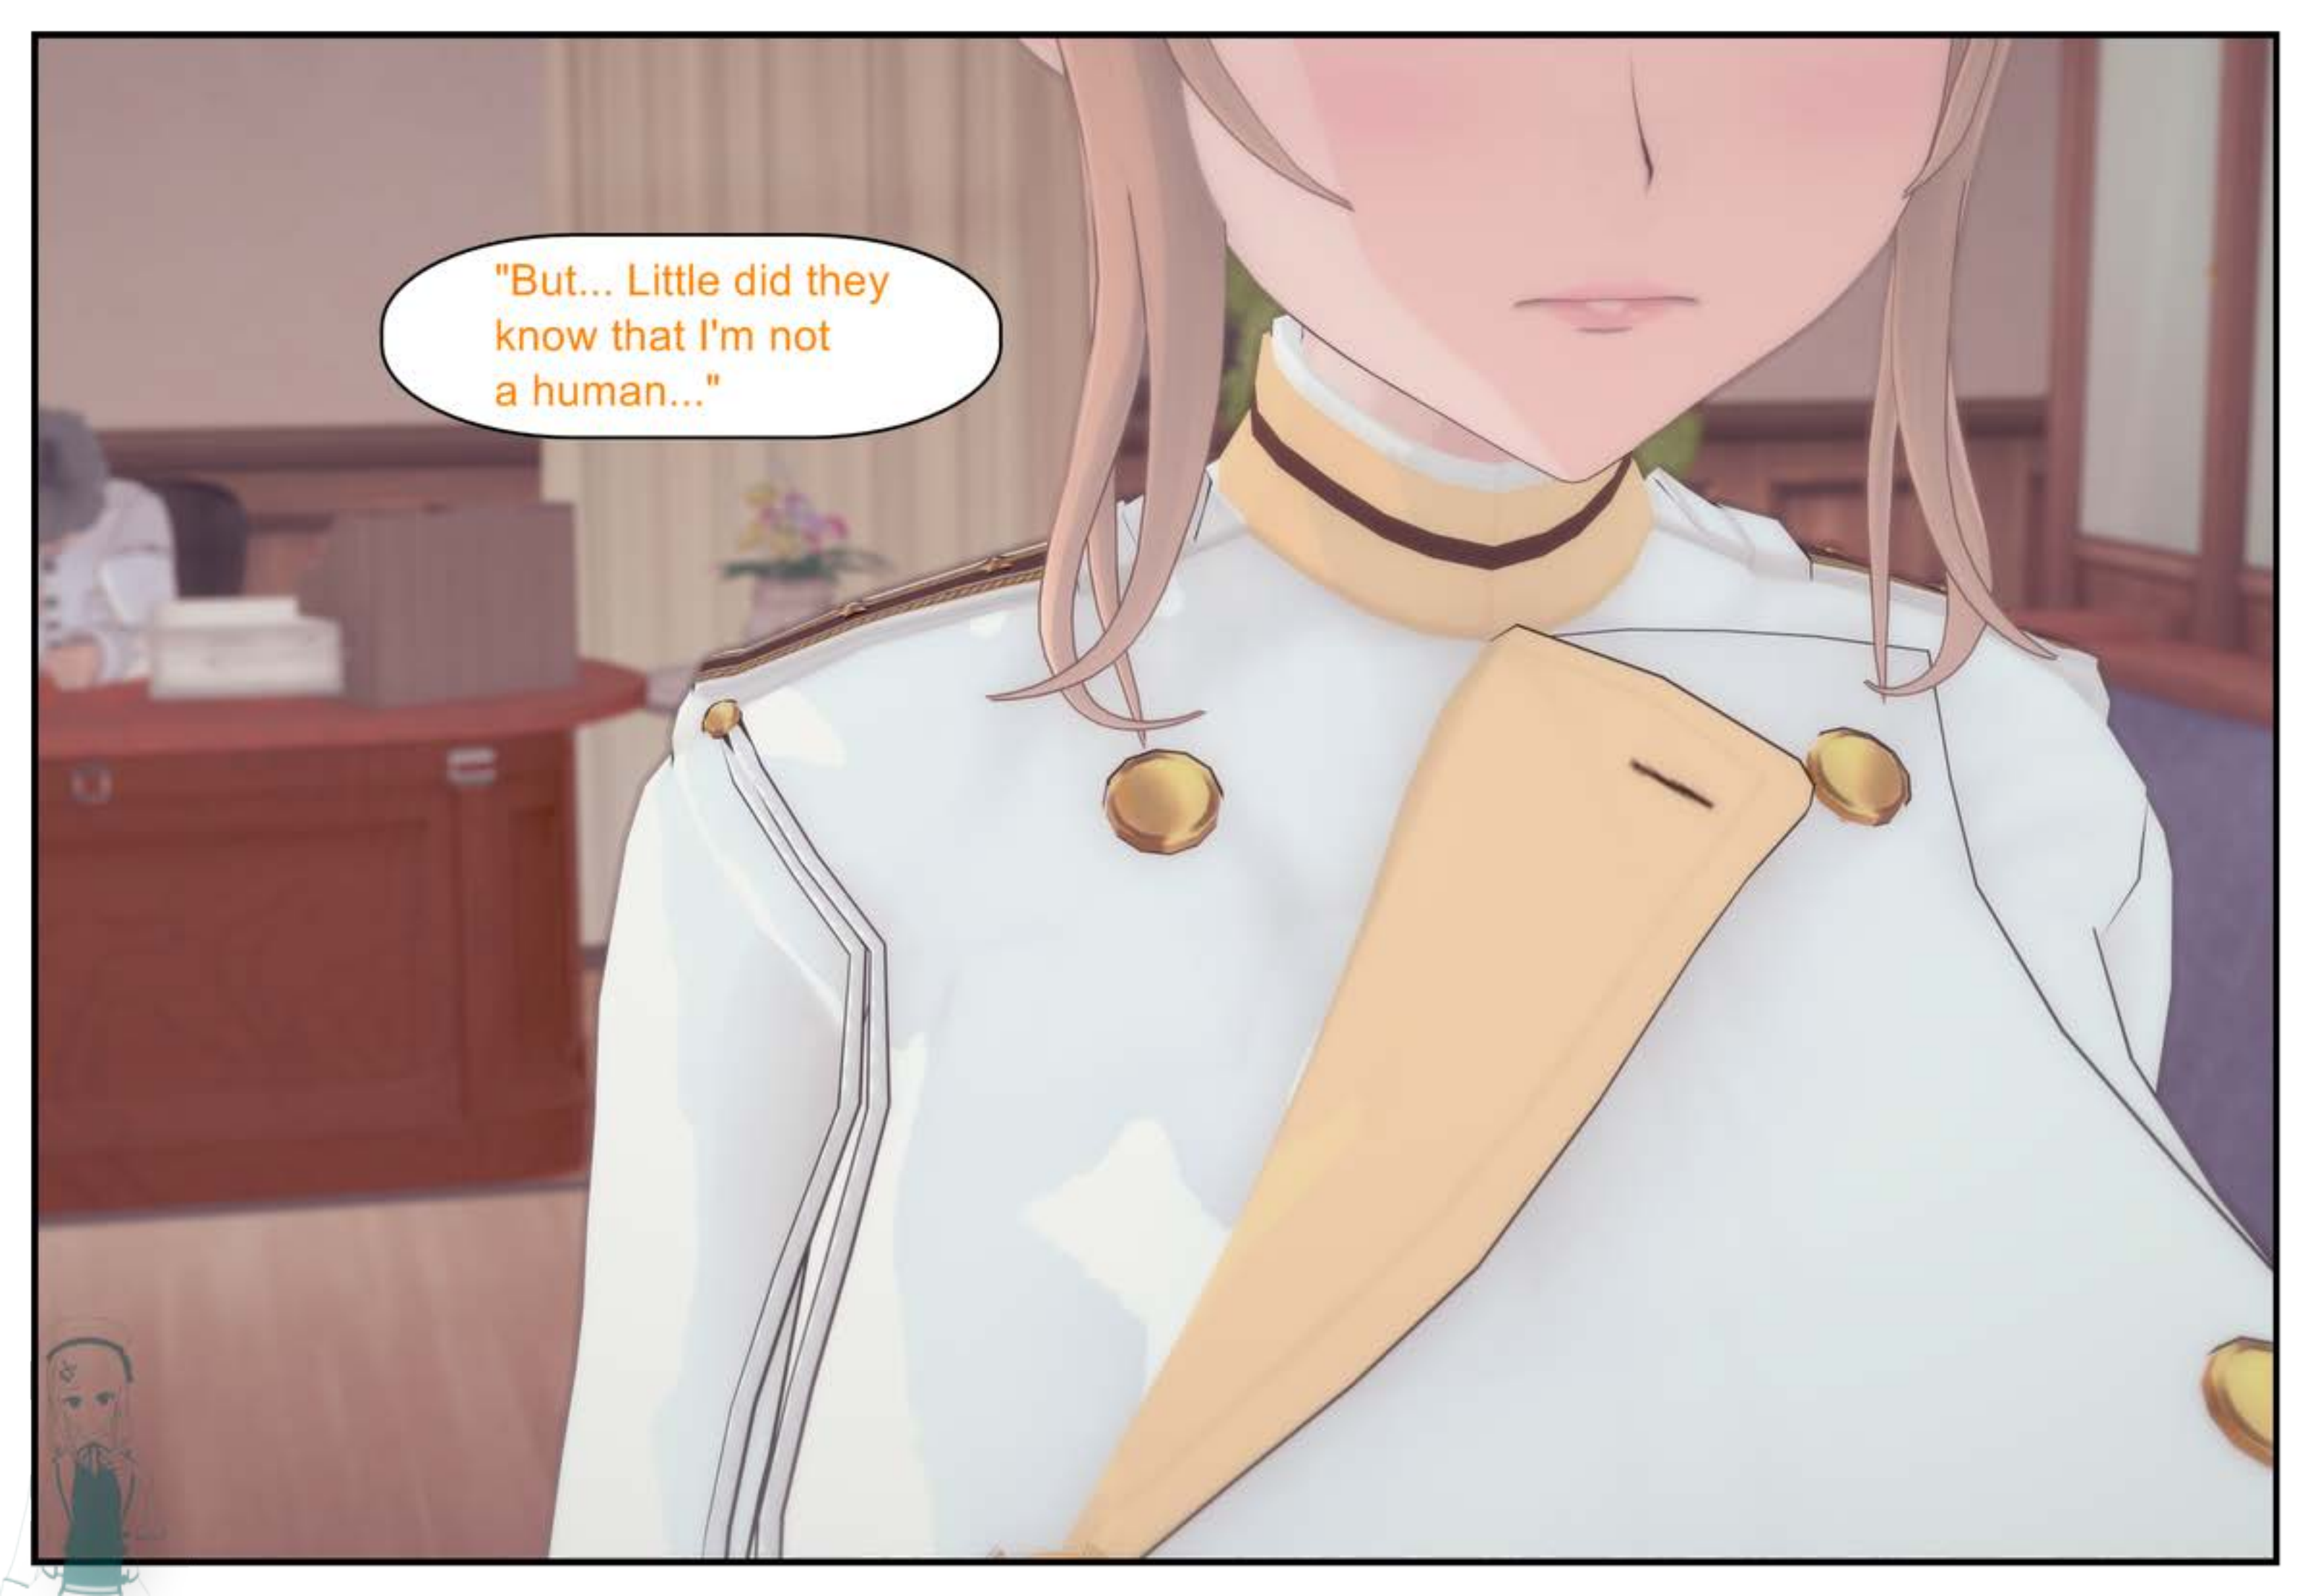

"Always... everytime..."

"Commander put those ship girls to be his priority..."

"But... Little did they know that I'm not a human..."

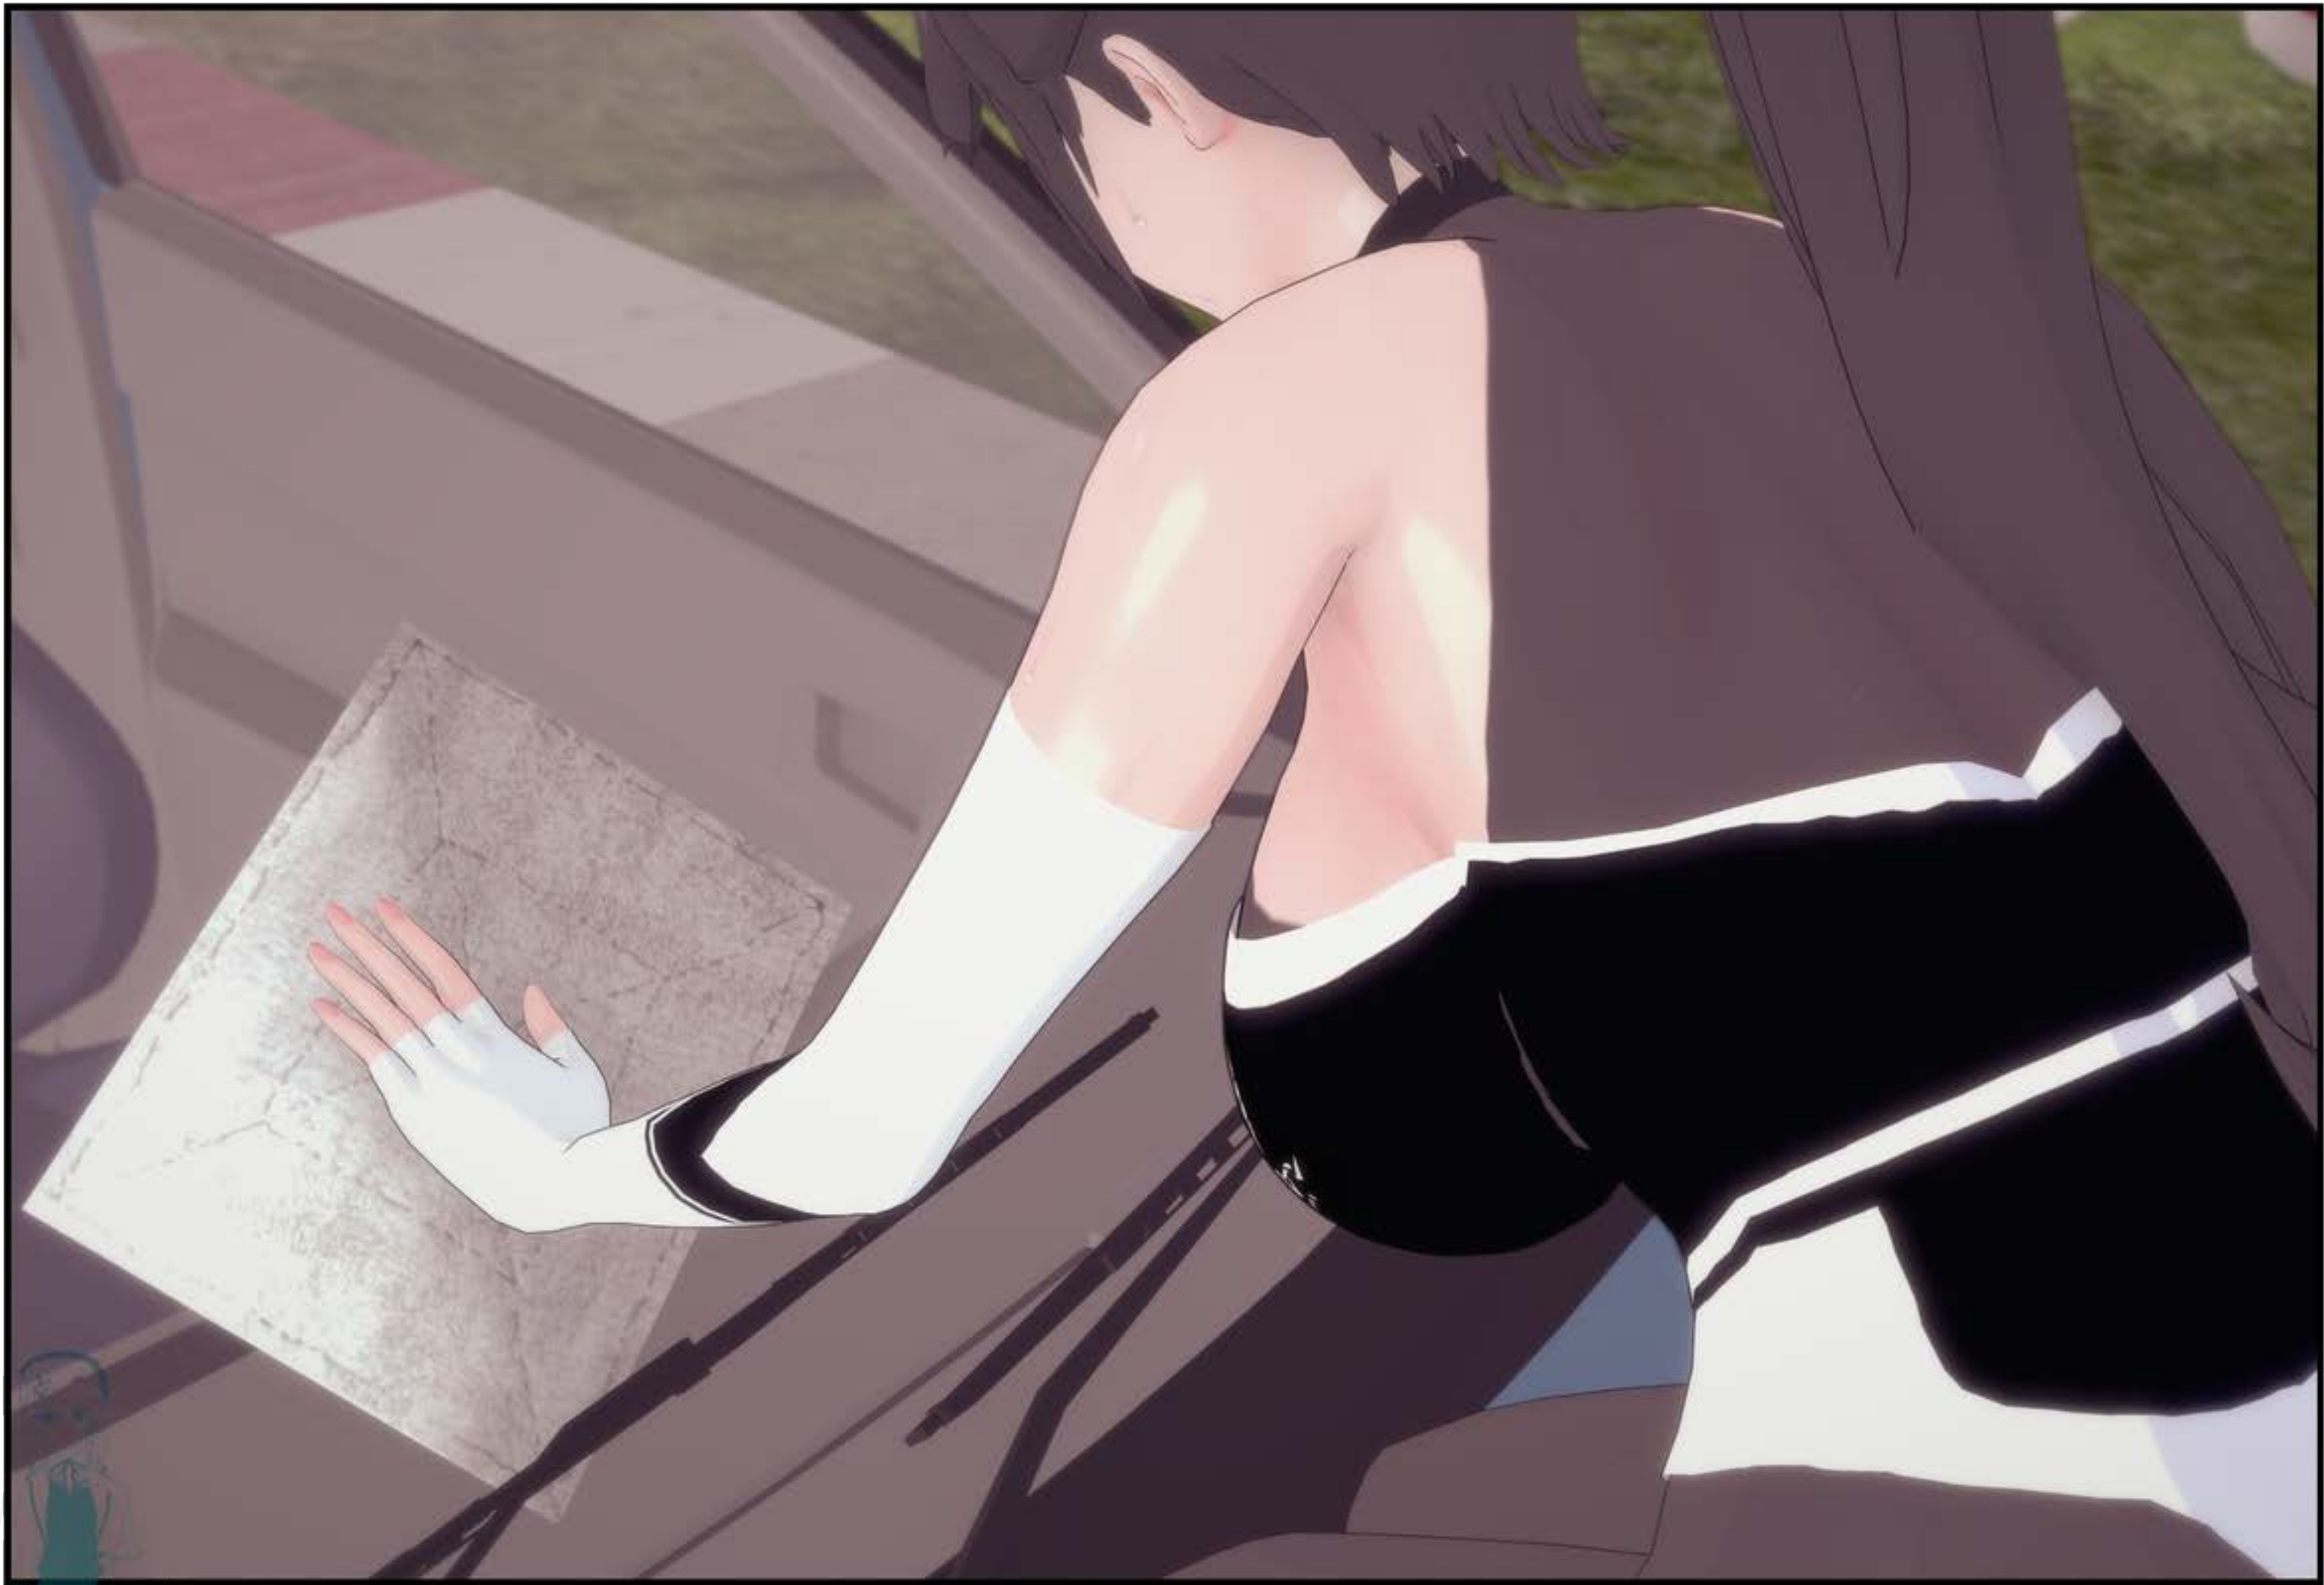

"Because... I used to be a leader of the Deep Sea!"

The next day...

How are things on your side, Atago?

Um. Finish right away.
