Name:	Spoon of Devil's Favor	
Rare (one of a kind)	Worth: 500 GP	
	<p>This spoon was forged by master craftsmen who specialized in enchanted spoons. This spoon is one of a kind in a set that has been scattered across the lands by treasure hunters and collectors.</p> <p>This spoon resembles a nude imp smiling deviously at the wielder. By scraping the spoon along the entire length of the user's tongue, they will automatically pass the first persuasion, deception, or speech based intimidation check they make for the rest of the day. However, if this ability is used, the user will taste nothing but incredibly strong flavored Mint for three hours straight. In addition, this causes them to fail any checks that use taste and makes it impossible to rest till the time has passed. The effects cannot be undone by magical means.</p>
