

In a quiet  
Japanese school ...

Why me  
again ?!

Relax, Rito,  
I'll fix it soon!

Just turn  
it off !!!

I can't, but take it  
easy, the batteries will  
run out soon.

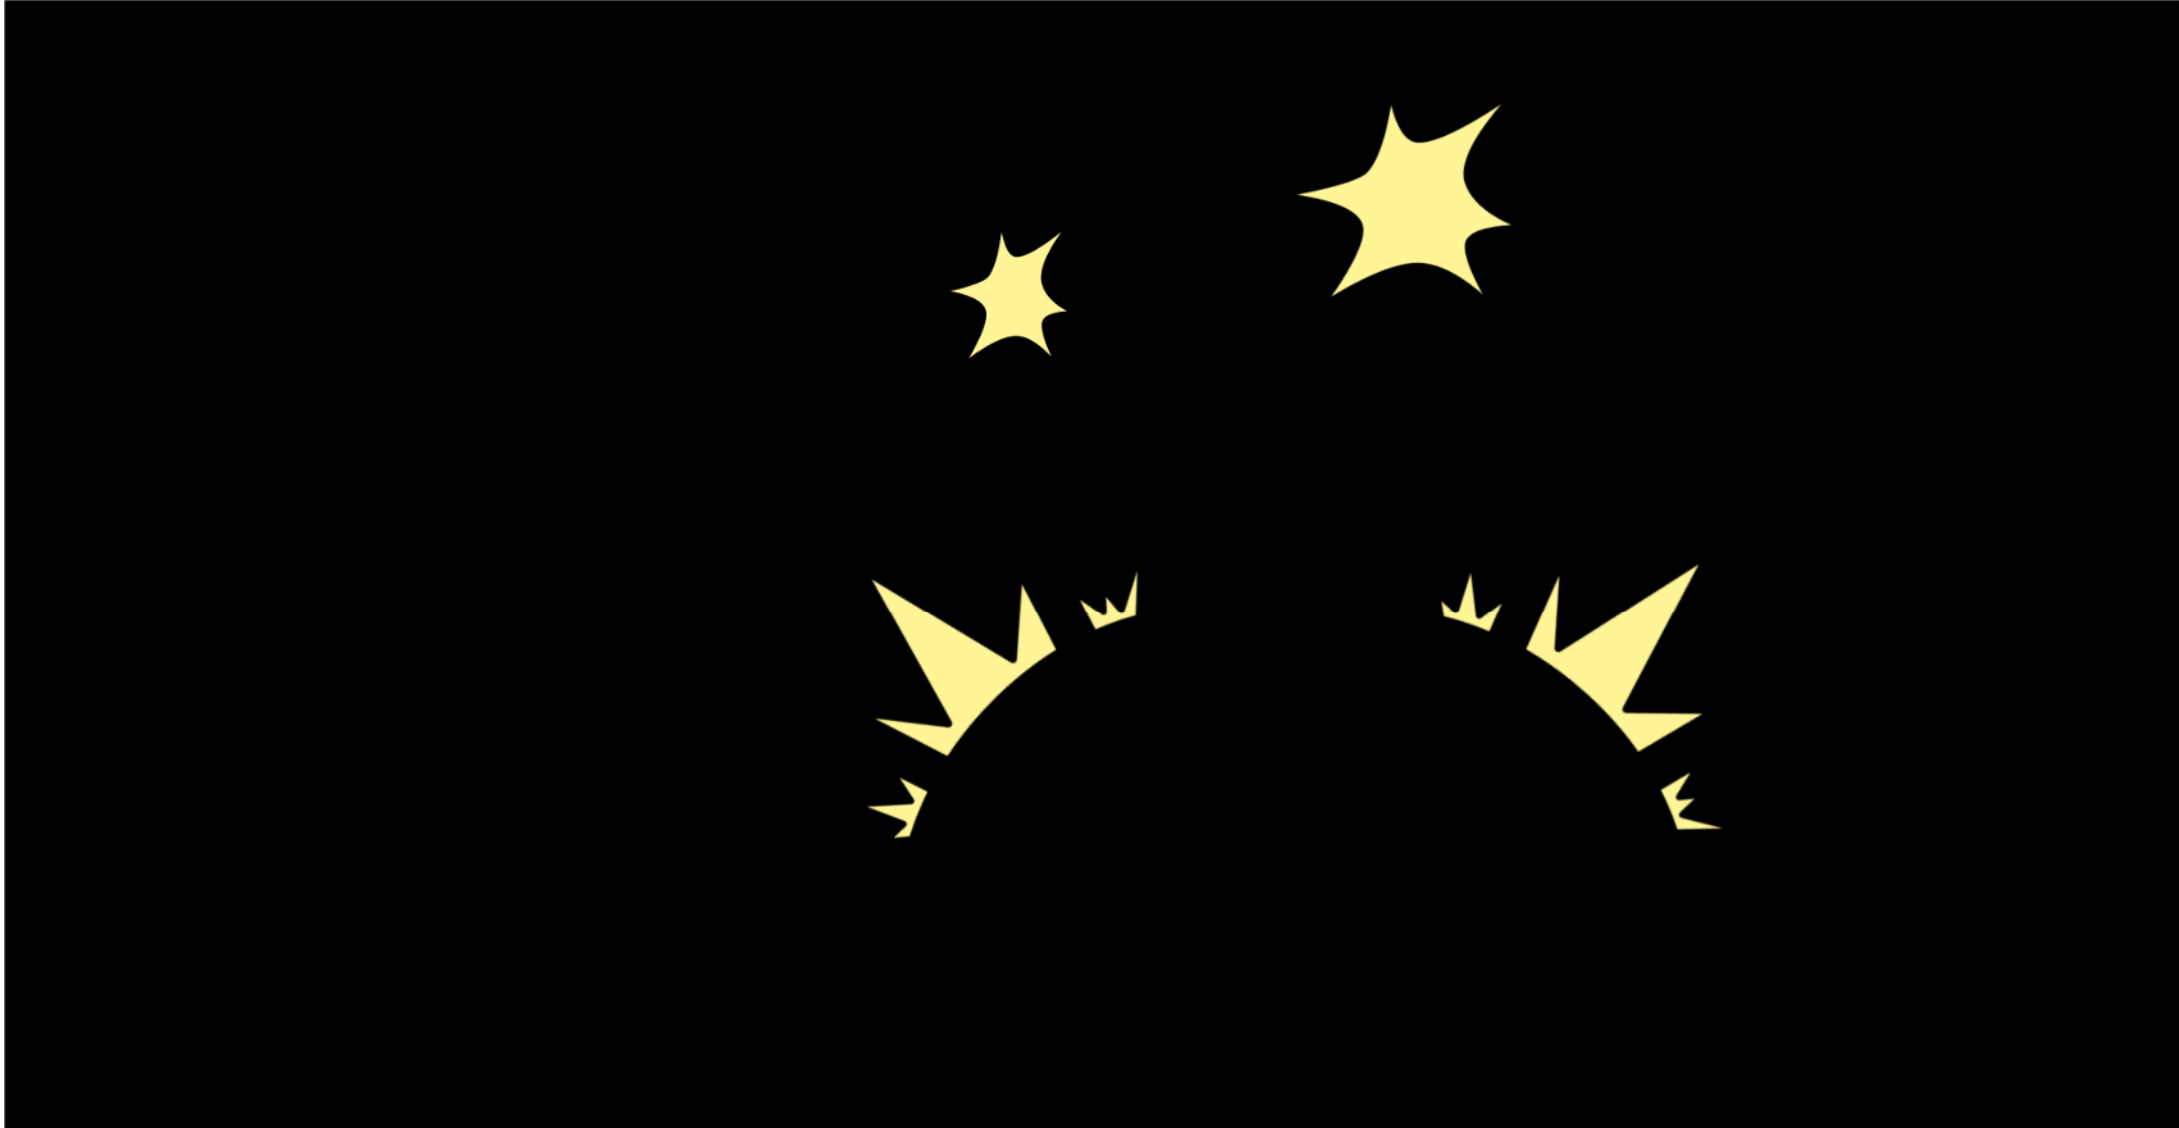

What?!

Just not that.

Yami !!!  
Watch out !!!

ummmm  
ummmm...

What was  
that?

He?

Yuuki Rito, Are there days when you don't do anything perverted?

I don't understand what you just said, but it doesn't matter anyway.

Ummmm..  
ummmm..  
ummm.

hmmm?

Because I'm gonna end this.

Now lie still.

Ummmmm!!!!

Sorry to interrupt your fun, but can I borrow Rito-san for a while?

Thanks for saving me, Momo.

You're welcome.

Err ... Could you let me go now. It is a bit embarrassing?

Not yet.

Hmmm .. Maybe replacing the battery would help?

First we need to talk about something.

Can you at least tell me what's going on?

You'll find out in good time, hehe.

I just hope it's nothing serious.

Moments later at the back of the school ...

Yes, you see, I recently noticed that you are not making any progress.

This is not the progress I mean. I mean your progress as the future ruler of the galaxy.

What, do you want me to go to a special training session with you?

What, but my grades are pretty good.

But I've already said that I don't want to be the next ruler of the galaxy.

So who will  
be the next ruler  
of the galaxy?

Rito-san, whether  
you like it or not, as long as you are  
Onee-sama's fiancé, you will become  
the next ruler of the galaxy.

That's why  
I want to take you to a  
special training

Eeeee...

I know, but  
I'm not good  
for it.

You don't have to worry about that, I would enroll us in a local school.

In addition, temporary school changes are also part of your training.

I don't know, what about school?

But do I really need it?

Rito-san, you know what our father did when he was younger than you?

And do you know what he was doing when he was already your age?

He built his position in the galaxy until he became its ruler.

*\*Gulp\**

Lala said that he trained on a certain dangerous planet to become stronger.

But what can I do, I'm not as strong as he is?

It's easy.  
Get stronger.

Come with me  
to this training and  
I will help you with all  
your weaknesses.

I promise that if you join  
this training, I will help you  
with your weaknesses.

What, but how?

You will help me  
become stronger.

hmmm ... I have to  
think about it.

Don't worry Rito-san,  
I'll show you how weak  
you are.

And when you  
accept my help, I will  
do as I promised.

I'll help you with  
all your weaknesses...  
for women, hehe.

Next morning...

Everything as planned, hehe.

Aaaaaa...

Lala's inventions will kill me one day.

Good morning,  
Rito-san!

Good morning.

Where are  
Lala and Nana?

Onee-sama is still  
asleep and Nana has gone  
on a diplomatic mission.

I forgot, she said  
she would be gone for  
a while.

By the way, I wanted to ask what are you drinking? Smells good?

This? It's fruit tea, you want to try.

No thanks.

Do not worry. I'll make myself a second.

ymmm ...  
If you insist?

Yeah, drink  
all, hehe.

This should convince  
you that you need my  
help.

Later during the PE lesson ...

Tell Momo, is your offer still valid?

Because you were right, I could use some extra training.

Of course, why are you asking?

I told you.

It went easier than I thought.

This muscle relaxation remedy was a good idea, though.

Now it's time for the second part of my plan.

Next day...

You're  
welcome.

Thanks again for agreeing  
to look after this apartment  
for me.

I was going  
to sell them.

But it's a lot of preparation  
and I don't have time to deal with it.  
Especially since I also have to leave  
for a while.

I decided it's time to work on myself.

Really?

By the way, what's this training Momo-chan was talking about?

Now I understand, that's why Momo-chan asked me for all these vitamins.

Yes

I never thought Momo would be so worried about me.

I will have to try not to disappoint her.

Some time later...

And we are there.

As I said, I left you money for food, but I will pay the fees remotely.

I just want you to keep order, and I will try to come back as soon as possible.

And I forgot to tell you Yami will also be coming in a few days.

Not good. I was hoping we would be alone.

There is no need, we can do it ourselves.

But I'd rather not leave you alone for too long.

She guessed that I was planning something.

Besides, make yourself at home, unfortunately it's time for me.

And good luck with your training, Rito.

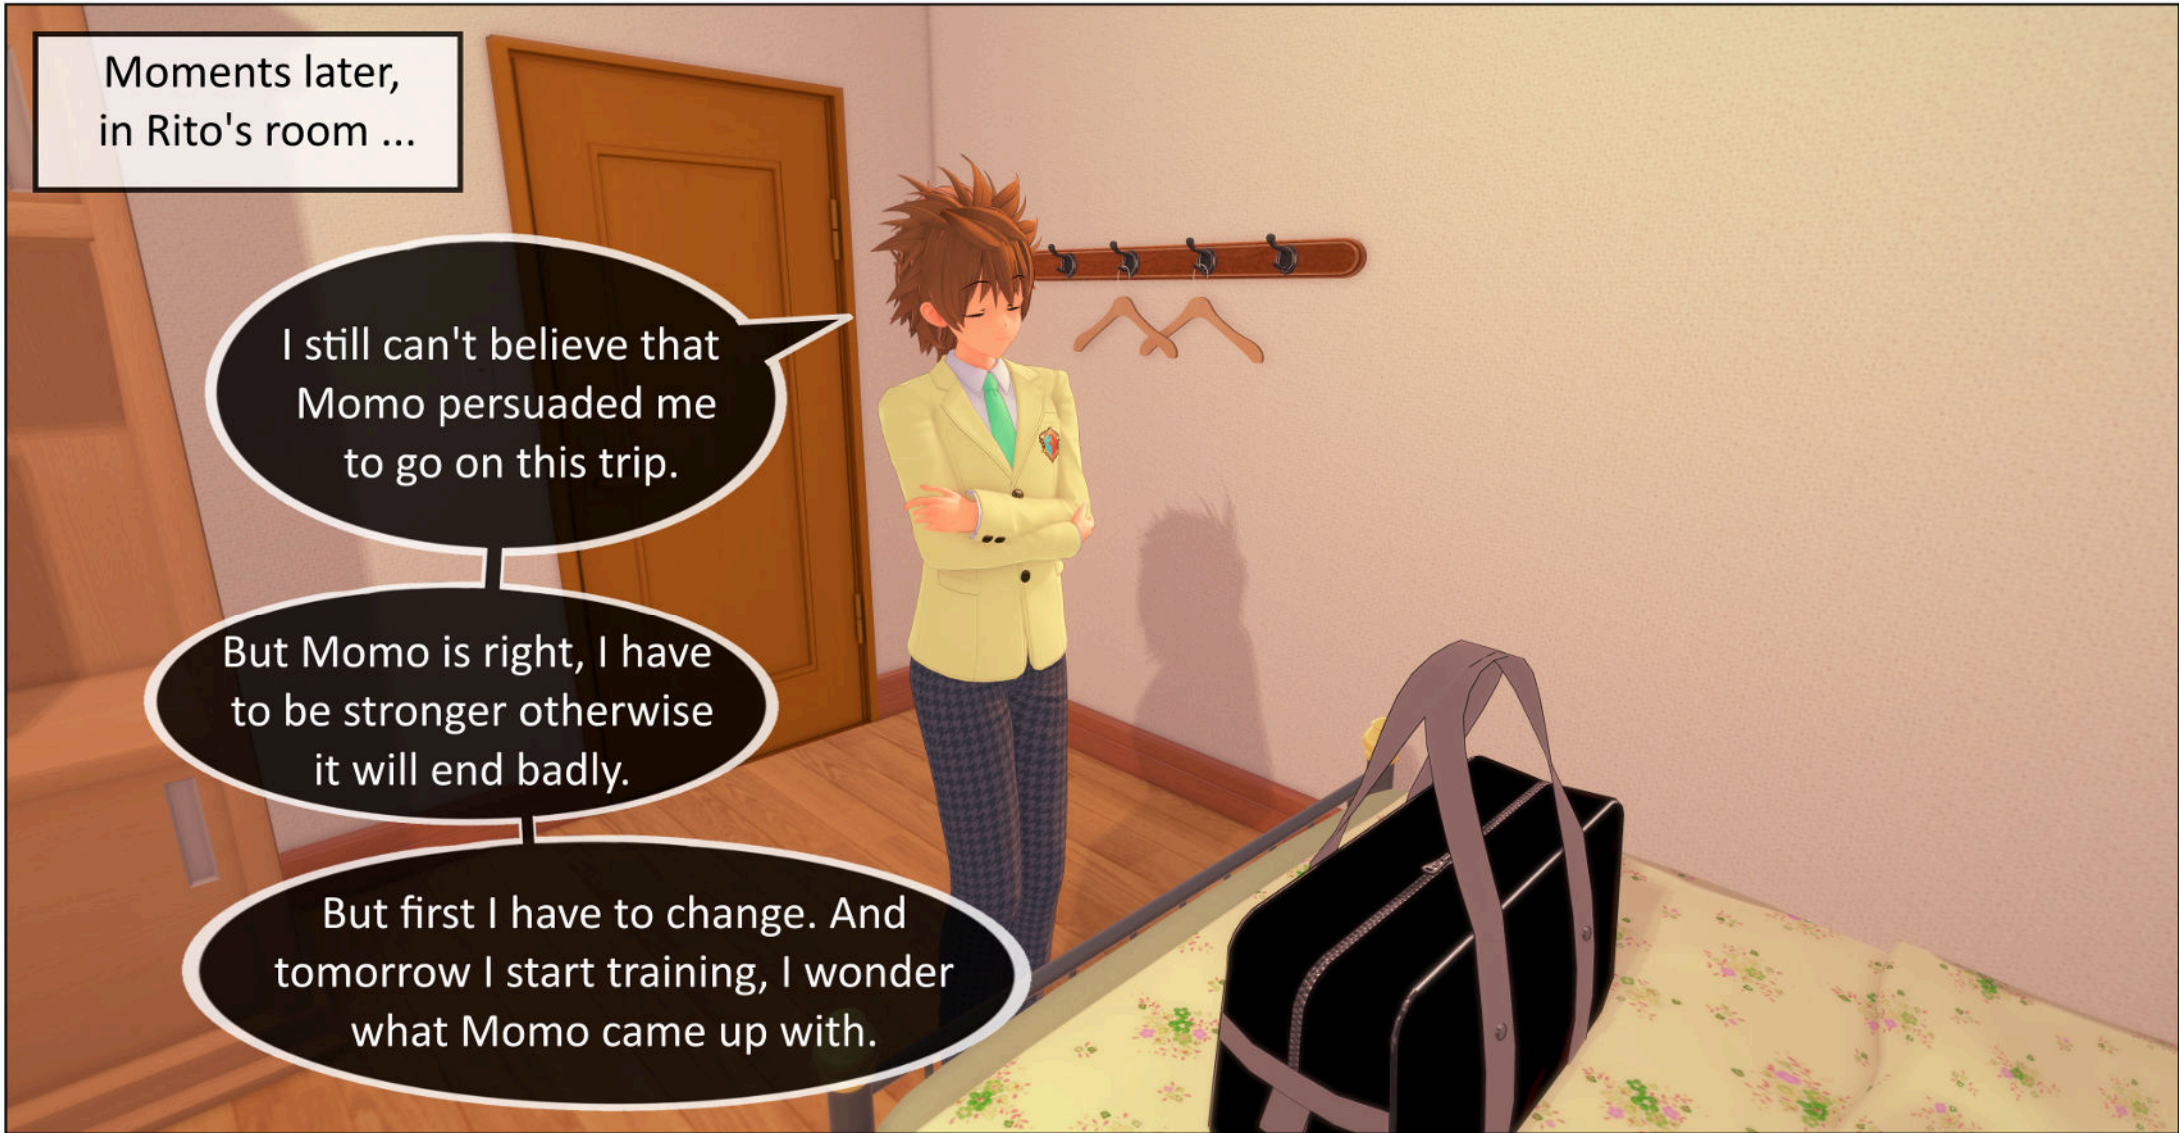

Thank, I'll do my best

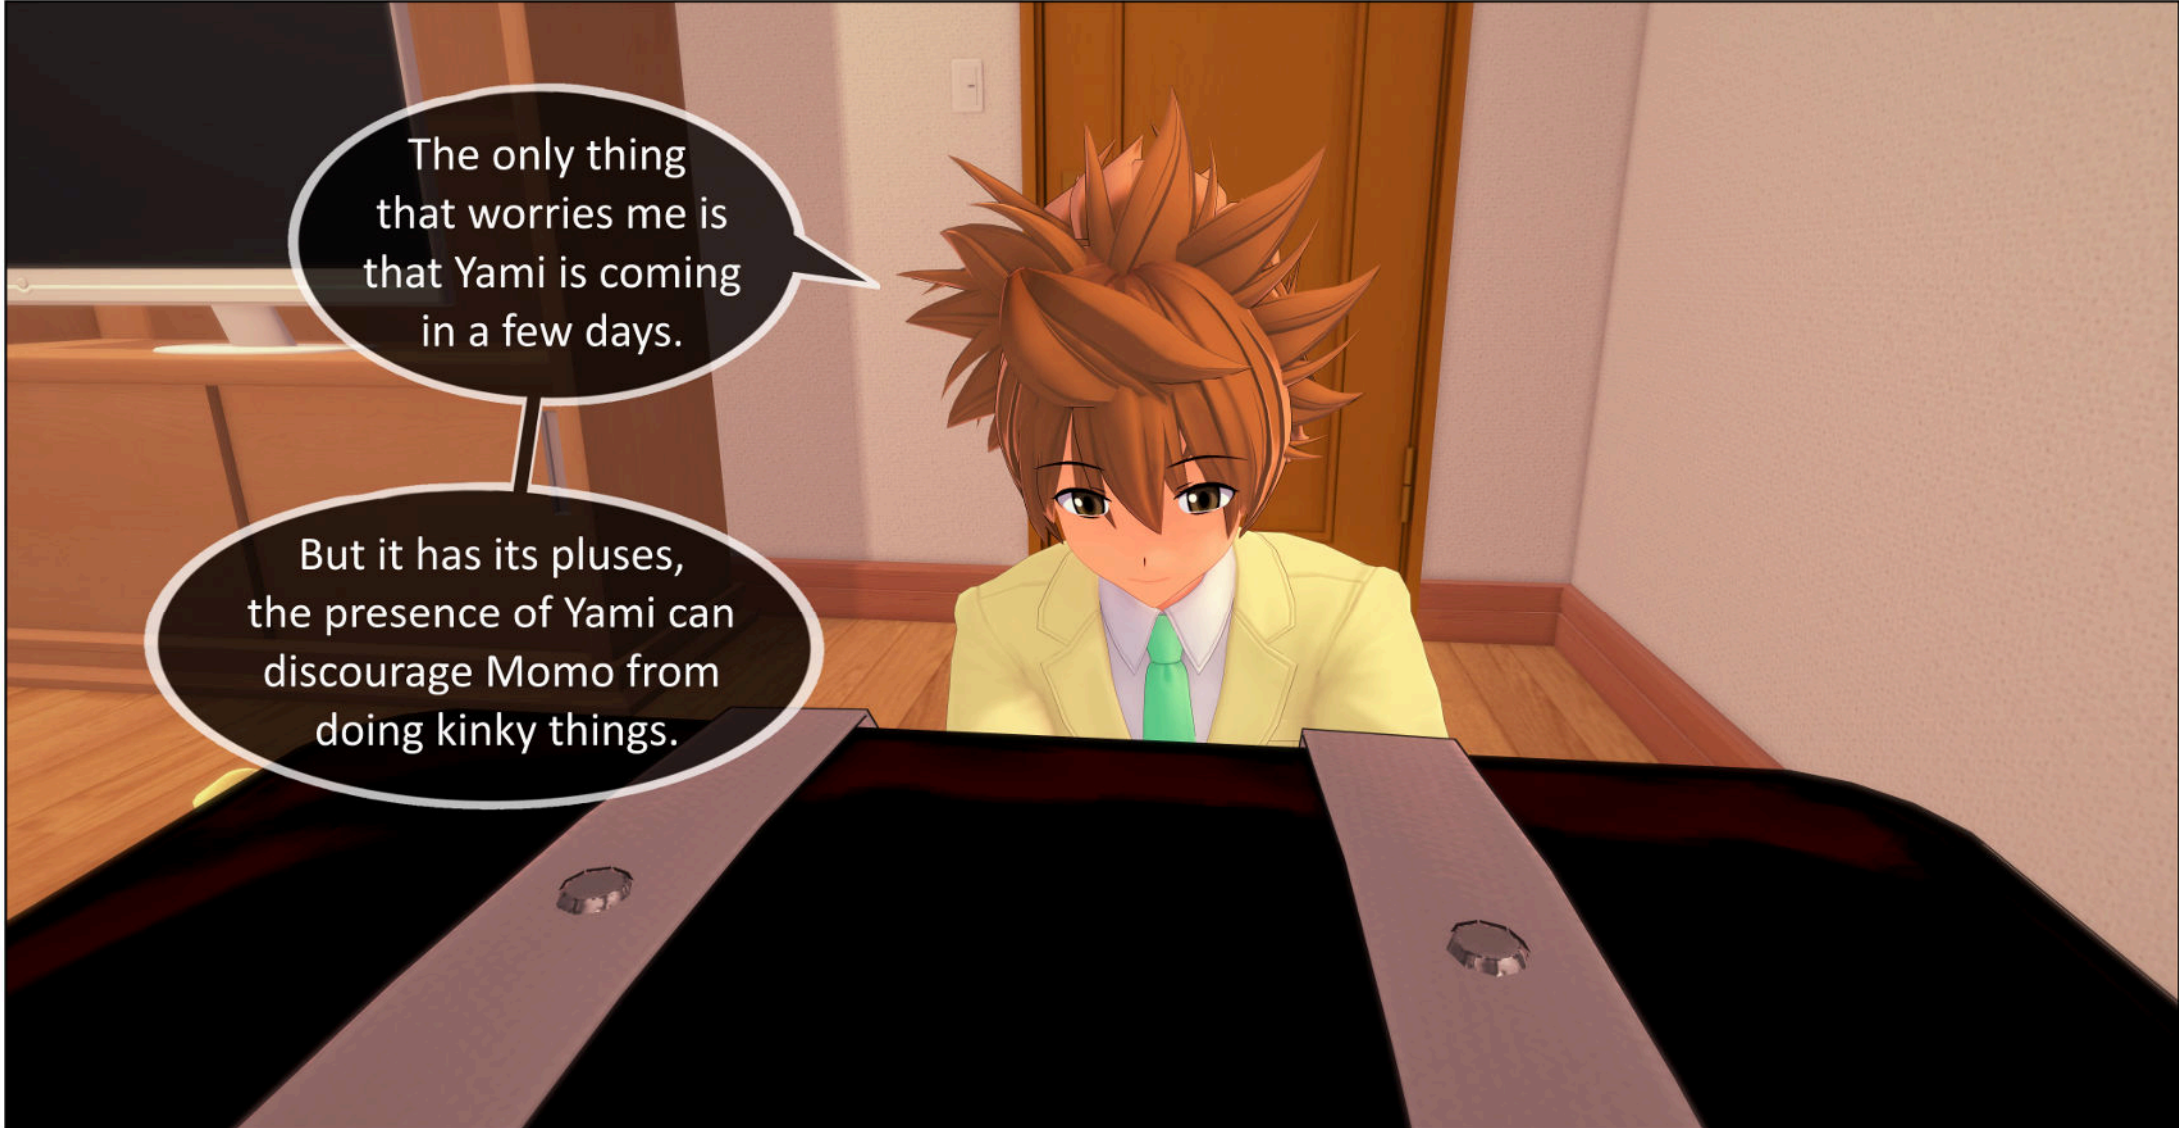

Moments later,  
in Rito's room ...

I still can't believe that  
Momo persuaded me  
to go on this trip.

But Momo is right, I have  
to be stronger otherwise  
it will end badly.

But first I have to change. And  
tomorrow I start training, I wonder  
what Momo came up with.

The only thing  
that worries me is  
that Yami is coming  
in a few days.

But it has its pluses,  
the presence of Yami can  
discourage Momo from  
doing kinky things.
