

Let's write
a few facts about
"Terry".

Terry's a naughty girl.

She's always
horny, thinking about
sex constantly.

Her pussy is
desperate for attention,
ready to be plowed any
time.

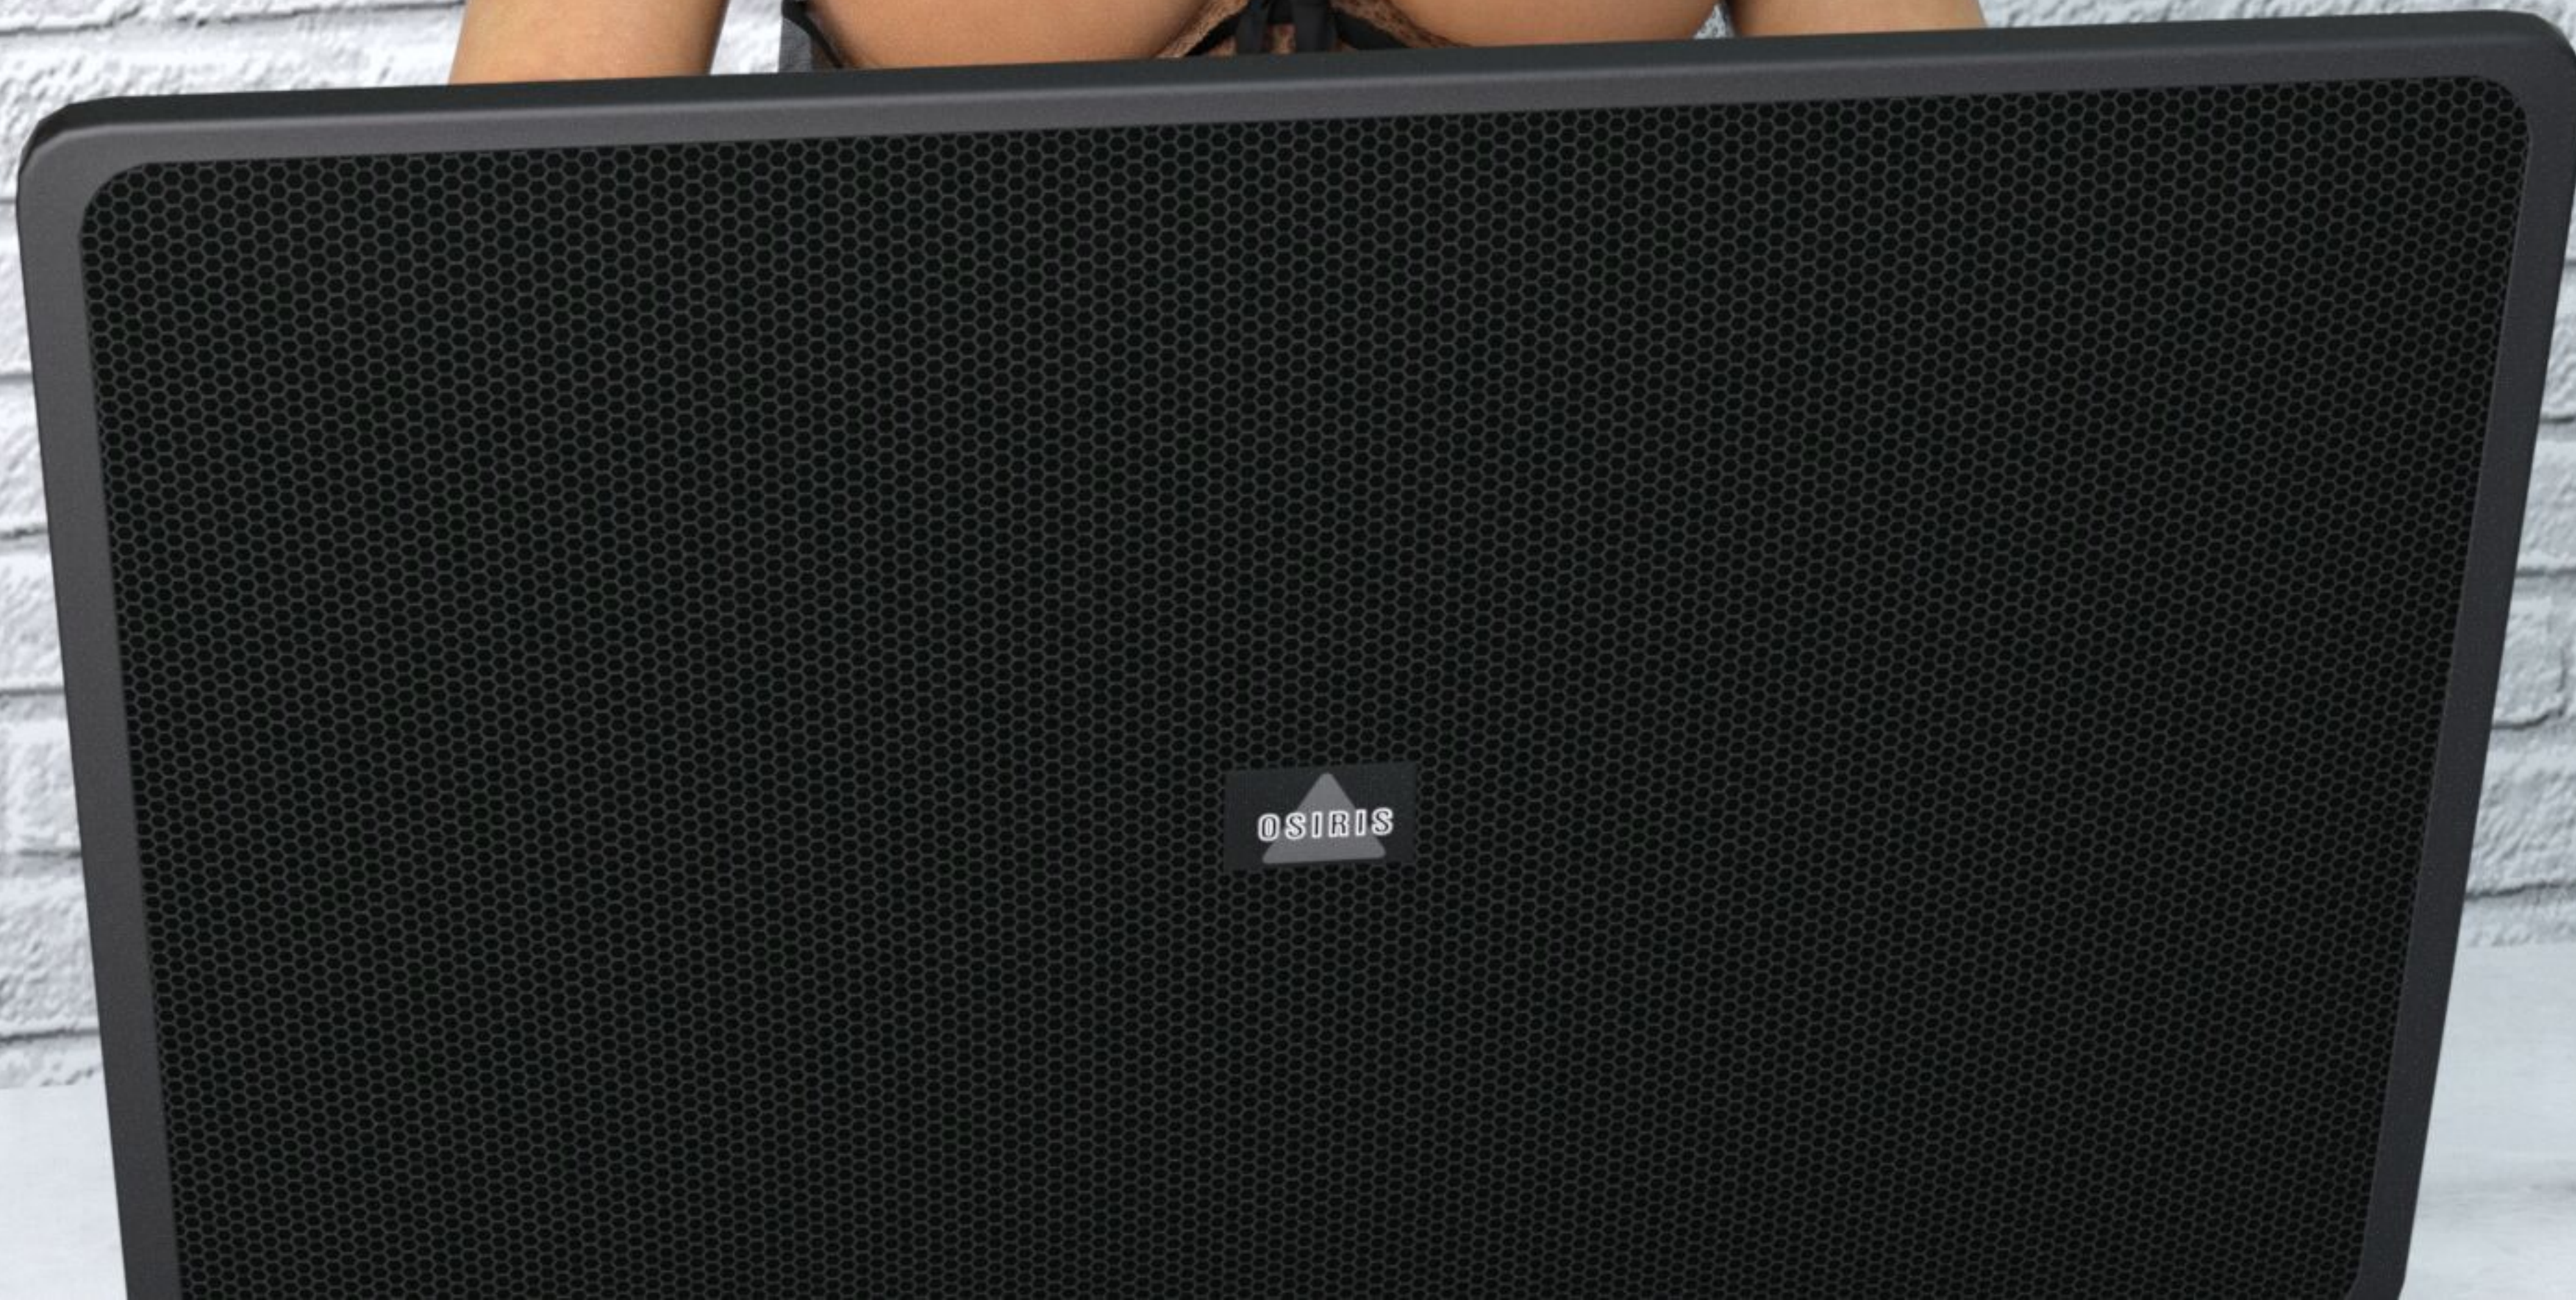

She only dresses as much as she has to.

A woman is shown from the waist up, sitting on a dark-colored bench outdoors. She is wearing a black lace bikini top with thin straps and bows. A large, thick black 'X' is drawn on her chest. The background consists of a white brick wall on the left and a brown brick wall on the right. A window with white blinds is visible in the upper left. A speech bubble is positioned in the upper right corner.

And it'll be
in the skimpiest
things possible.

She has
unquenchable desire
for cock.

Hard, long, juicy,
yummy cock.

NOAN

Oh, fuck.
Writing about this
horny bitch turns me
on.

Maybe I should rub one off real quick.

To be continued
