

Feetish

There is nothing more sensual than slowly stripping your lover bare, exposing their beautiful feet and sensitive soles for your worship and admiration. From heel to toe, in boots or barefoot, you know that you crave to desire every inch of your lover's perfect feet.

In this subliminal, I gently guide you with reminders and suggestions to fully form your foot fetish and have you pleasing your dominant partner in no time flat. Learn to start off steamy submissive sex sessions by sensually massaging your partner's feet, begin craving the feeling of your partner's toes pressed up against you, and dream of shoes, socks, stockings and perfectly pedicured feet whenever you close your eyes. Find pleasure within yourself whenever you think of your lover's feet, and start finding it more and more difficult to become aroused without your lover's foot stimulating you in some way.

Every area of your lover deserves to be admired and worshipped. Take your foot fetish to new, pleasurable levels with *Feetish*.
