

## Cold Air

When it's cold the best thing to do is to stay cozied up and keep warm, Kevin takes it a step further.

-X-

Ben was cold, very cold. The heat had gone out at his house and he was freezing. 'When is dad gonna fix the heater already.' He was wearing a green T-shirt, sweats, thermal underwear, and socks and he was still cold under his blankets. He tightened the blankets around him hoping to get warm fast. He could have gone alien, but with the time out and cool down feature it wasn't a long lasting fix.

What he didn't expect was to have his blankets ripped from him. "Gah!" he cried out. His head whipped around and he glared at the one who took his main source of heat away. "Kevin what in the hell!?" he gasped.

Kevin grinned at the young hero. "Hey Tennyson sure is cold isn't it?" Ben glared at the shirtless teen, he was wearing loose sweats and no underwear, judging from the outline of Kevin's penis from the garment.

"Yes it is so give me back my blanket, and put on a shirt." Ben says looking at Kevin's torso a bit too long. "What are you doing here?" Ben says snatching his blanket away from

Kevin, blushing as he felt his heart race. The raven was sexy and what's worse he knew it. Kevin smirked at Ben's blushing face.

Kevin removed his shoes. "My apartment sucks in winter, so I was thinking we could keep warm together." He wiggled his brows. 'He drove here like that?'

"How did you even get in here?" Kevin chuckled. Ben looked behind him, and saw his busted window. "You! Now it's gonna be even colder in here."

"Then good thing I'm here. To keep you warm." he slipped into Ben's bed. The brunette gasped.

"You're freezing cold." Ben snapped and tried to push him away. Kevin caught his hands and kissed them, giving a kiss to each cold finger. Ben felt his face heat up. "Then warm me up, and I'll do the same for you." Kevin said kissing Ben's the palm of Ben's hand.

Ben used his feet to push Kevin back, scrambling to pull his blanket around him as a shield. Kevin took this chance to remove Ben's socks. "You have such cute feet Ben." he says and kisses the soles.

"Pervert stop." Ben laughed, feeling ticklish. Kevin continued, kissing each toe, and licking the sole. "Ohh!" Ben's moan made Kevin's heart race. 'That's what I'm

talking about.’ Kevin was feeling warmed up already. His blood was pumping faster with his quickened heart rate, and his manhood hardened.

He had some fun with Ben’s feet, licking them, kissing them, even getting a good whiff. The soccer player had such nice feet. His actions were having an effect on Ben to.

Using the pleasure as a distraction he climbed up Ben’s body tossing the blanket out of Ben’s reach. “Cold!” The boy cried out. Kevin’s feet brushed against his. “Not for long.” Kevin rubbed his feet against Ben’s using the friction to heat them up.

Ben shivered at the game of footsie Kevin had started. The raven made quick work of Ben’s shirt pulling it over the boy’s head. Ben gasped, shivering as the cold air swept in and caressed his body. His nipples hardened from the cold perking up, the combo of the cold and arousal.

Kevin pressed his body against Ben’s back, drawing in his warmth, along with sharing his own. Ben gasped once more. “Kevin!” he moaned feeling the other’s perky nipples press against his back. The raven was surprisingly warm, he wrapped his arms around Ben’s body and began to kiss his neck. Ben shivered for a new reason and his face got red. “Kevin ahh!” the raven slipped his arm under him and began feeling him up, chasing away the cold.

“Your nipples are erect and you call me a pervert.” Kevin says his hands roaming to pinch and tease Ben’s nipples. The perky nubs were perfect for playing with. He rolled the hard nubs between the thumb and pointer finger. Ben shuddered and rolled his hips, feeling his cock harden and push desperately at the thick fabric of the thermal underwear.

Kevin loved the little noises he was making and continued to play. He flicked the perky buds, making Ben shudder in delight. “It’s because it’s cold you idiot. Yours are hard too.” Ben says, he turns around to face him, his hands finding Kevin’s erect nipples. He brushed them with his thumbs and Kevin moaned. ‘Sure it is, but that’s not the only reason.’

He tosses his head back and moans in delight. Ben gets some payback, giving Kevin’s nips a hard tug that makes him howl in pleasure. Not just up top but down below, Ben plays with Kevin’s feet with his own. Kevin bucks his hips.

“That’s not the only thing hard.” Kevin says, rubbing his arousal against Ben’s leg. Ben blushed from ear to ear. “Pervert!”

“Oh yeah?” Kevin’s leg brushed against Ben’s growing arousal. Ben gasped and then groaned, rocking his hips to continue the friction. “This is what you do to me, you get me so hot.” Kevin does the same humping against Ben’s leg like an excited puppy. “Fuck Kevin!” Ben gasped out.

Kevin smirked. “I thought you would never ask.” Kevin says and yanked down Ben’s pajama pants and boxers down in you go. He tosses them over his shoulder, as Ben’s hard 10 incher sprang up. Ben gasped as cold air assaulted his body and his hard manhood. “Kevin,” Ben whimpered as his body shivered in the cold, his cock was already leaking pre.

The sight made Kevin lick his lips. The boy reached out to him needing warmth. Warmth he got!

Kevin’s hands roamed Ben’s body, the pleasure made Ben heat up. He writhed as Kevin’s lips, hands, and even feet moved to generate heat and pleasure for the hero. He kissed Ben’s chest, hands feeling up the male’s muscles.

‘He smells so good, feels so good, tastes so good,’ he licks Ben’s nipple making Ben cry out. ‘He even sounds super sexy.’ He had his way with Ben, one hand dropping to pump his aching cock, while the other played with Ben’s nipple. Letting the pleasure and his body heat sink into him.

Just when Ben thought his climax was about to hit Kevin stopped. He pulled back, making the brunette whine at the loss. Cold air brushed across him, his wet dick twitching. Kevin pulled off his sweats allowing his thick 11 incher to snap up.

“Kevin you jerk its cold.” Ben says and tries to reach for his blanket, though he was more miffed that his orgasm was denied. “You are so cute.” Kevin says and pulls Ben close. This caused their arousals to brush against each other. “Ahh Kevin stop it, ohhhh!”

He bucks against Kevin’s fat cock, the heat between their hard manhoods was exciting. Kevin couldn’t help but agree, and rock his hips forward.

“You want me to stop? Really?” Kevin reached down to stroke their cocks. Ben groaned and he panted. “Cause it feels like you want more.” Ben’s pre spills and helps coat Kevin’s manhood.

The two buck and gasp. “Ahhh ah ah ah Kev, Kevin!” The raven seals his lips over Ben’s kissing him hungrily. He rocks into his fast, and devours Ben’s moans. Ben’s climax explodes and shoots all over his toned stomach and pecs.

Kevin breaks the kiss, leaving Ben breathless. Kevin keeps frothing with Ben, his release still far away. The friction against Ben’s sensitive dick stirred his loins, keeping him hard. He leans down and starts licking the cum off Ben.

Ben did his best to glare, it was so hard as he watched Kevin shamelessly lick up his seed. He groans as his dick was solid and ready for action. “Perverted, horny ass, fucker.” Kevin

smirked. 'I love it when he talks like this.' He flipped Ben onto his stomach and raised his hips. 'Such a fine ass to boot.' He gropes Ben's ass cheeks, fondling the plump cheeks. "I may be perverted, I may be horny, but you're the only ass I fuck." he blew on Ben's exposed hole making the boy cry out. Kevin kissed his hole and started lapping at his entrance.

Ben buried his face in his pillow and moaned.

"Mmmhhmmm," Kevin licks his ass, tonguing the boy's hole open. Not their first rodeo, certainly not the last. Kevin groped Ben's ass as he tongue fucked him. 'Yeah you like my tongue in your ass Ben, makes you so hot don't it!'

His skin was flushed, heart racing, his lust was so high he thought he wouldn't notice the passing breeze, he did. He shivered and gasped.

"I got you Ben," Kevin says pinning Ben's body with his own. Ben groaned feeling Kevin's hard cock slid along the crack of his ass. He rocks his hips, hot dogging the boy's ass. The friction rubs against his tight pucker. His naked body clings to Ben, the raven's heat licking Ben's skin.

Still as hot as this was Ben didn't like to get pinned down.

"Kevin get off." Ben says blushing, his arousal disagreed.

"Don't worry we both will." Kevin says reached around to stroke Ben's leaking erection. Ben moaned unable to shake

Kevin off, not that he really wanted too. His bucking back only created more friction. “Your ass really is the best Ben!”

His thrusts continued, his balls smacking Ben’s taint. Kevin’s balls tighten and he cums hard spraying his seed over Ben’s back. “Kevin!” Ben gasps feeling each spurt splash onto his skin. “Have I ever told you how hot you look in cum?”

Kevin continued to grind his manhood against Ben’s tight ass, as he stroked Ben’s weeping arousal. The boys had stamina to burn, coming from their many encounters together, and long hours of alien butt kicking. “Kevin, I’m going to cum again!” Ben moaned. Kevin increased his pace on Ben’s cock and brought his other hand back up to tease Ben’s erect nipple. “Cum for me Ben!”

Ben arched his back moaning Kevin’s name as he came. The raven moved fast catching most of Ben’s cum before it could ruin the sheets. Kevin collected some of his seed and used it to lube his cock. The mix of their cum made his dick nice and slick.

He then brought his sticky fingers to Ben’s hole and began to prep him. The fresh baby batter was warm, and Ben moaned in pleasure. “For someone complaining about the cold you are so hot inside.” Kevin said and Ben growled. “Smart ass!”

One finger worked his hole faster and faster, curling and smearing the cocktail of cum in Ben's insides. Being a mechanic meant Kevin was good with his hands, and he was good at finding what he needed. Proving this he found Ben's sweet spot and rubbed it.

Ben howled in pleasure, his cock throbbing, rising back to full attention. Once Ben was hard again Kevin added another finger. Twin digits twisted and curled, before thrusting back and forth in Ben's ass. "Mmm ahhh!" Ben fisted his sheets.

Two fingers became three, and Kevin really went to town. Finger Ben hard and fast, aiming for his prostate with each pass. Ben's inner walls tightened around the thrusting digits. Friction lit a fire that spread through Ben's veins.

Three fingers eventually became four. Ben was about to lose his mind. Kevin loved the slow prep, making sure that Ben was not only prepped by high on the pleasure. He stretched his fingers wide, loving how Ben's hole opened up for him.

"Kevin no more take me!" Ben moaned as his lust was driving him crazy. "I thought you'd never ask." Ben hit him with his pillow. Kevin wasted no time he removed his fingers and positioned his cock. The tip rubbed against Ben's open entrance, smearing more pre around the rim.

Ben was prepped enough so Kevin thrust home burying his cock in one thrust. “Hot damn, you are so revved up I was able to bury the full thing into your tight ass.” They moaned in pleasure.

The boy was drooling, Kevin kissed his neck, hands coming round to play with his nips. He used the wonderful pleasure of nipple play to rev Ben higher.

Kevin stilled inside Ben and enjoyed being inside him. Teasing the boy’s nips made his inner was flux, hugging and massaging his fat dick. “Kevin move please.” Ben moaned.

He smirked. “What did you say didn’t hear you?”

“Damn it Kevin fuck me now!” He bucks back, grinding his ass into Kevin’s pelvis. He loved how Kevin’s fat dick massaged his insides.

Kevin moved and shot off with a quick pace, he pulled back leaving a great void inside Ben. He thrusts forward and the two moan. Kevin’s dick was so cold before now it had Ben’s hot inner walls to keep him warm. In and out, in and out such friction they felt it was heaven.

Ben’s moans and Kevin’s groans and the sound of their hips coming together, was the only thing heard. The heavy clap clap of skin striking skin, accompanied their lovely moans.

The two fucked, Ben's cock whipping back and forth from the raven's powerful thrusts. "Fuck Ben, Love you, love you so much!" Kevin kissed Ben's neck as he pounded into the young hero. "Kevin gonna cum!"

"Do it Ben cum, and I will too." Kevin says increasing his pace. "Kevin!" he moaned his name as he came, his body tightened up in his release. Kevin moaned in pleasure and gave one final hard deep thrust and came. "Oh fuck Ben." Kevin moaned as he spilled his seed deep inside Ben.

Three orgasms for Ben, two for Kevin was their final score. Ben's insides were drenched in semen, plugged by Kevin's fat cock.

The two shuddered in bliss and Kevin collapsed on top of Ben. "You're heavy get off." Ben grumbled. "No way gotta keep my little Ben warm." the boy readied his omnitrix. "Okay, okay." Kevin smiled, and rolled them over away from the mess Ben made in his sheets.

Kevin said snuggling up to Ben who groaned in pleasure. "Staying inside you though." Kevin pulled the blanket over them. Ben was too tired to argue and Kevin was too big a pervert. Though he would admit he was warm. He leaned back against Kevin and drifted off to sleep, no amount of cold air could ruin this for them.
