W.T.F.B.A. LIGHTWEIGHT CHAMPIONSHIP TOURNAMENT

And our first fight in this tournament pits Iris "Ice-Cold" Carter up against Lena "The Lynx" Falk!

Ice-Cold has a **big** edge in experience, but she's up against a younger girl who's also the **tallest** fighter in the entire league. That gives Falk a **huge** reach advantage!

# W.T.F.B.A LIGHTWEIGHT CHAMPIONSHIP TOURNAMENT FIRST ROUND MATCH

IRIS "ICE-COLD" CARTER  
30 YEARS OLD  
H: 5' 11" W: 146 LBS.  
M: 41"-27"-38"  
R: 28-4-0(27KO)

**VS.**

LENA "THE LYNX" FALK  
25 YEARS OLD  
H: 6' 2" W: 143 LBS.  
M: 41"-26"-38"  
R: 10-3-0(10KO)

FITTA.\*

BITCH.

And Falk took **full** advantage of her reach in the opening rounds, keeping Carter back with jabs and long, straight right hands!

Yeah, Sue, ol' Iris was just getting **drilled** at the start of this fight!

\* "cunt" in Swedish.

And she **worked** that style to **perfection**, Sue! Slipping, bobbing, weaving; Iris made Lena **miss--**

Then Iris showed her experience as she made adjustments in round 3, switching to the same "peek-a-boo" style you trained me in, Sylvia!

--then made her **PAY!**

Boy, did she!

Not that Falk wasn't still able to land some hits herself!

No, Carter was still taking some shots, but now she was close enough to land bombs of her own!

Carter also tied up at the end of the exchanges, not letting Falk re-establish her range, and trading punches in the clinch where her shorter arms gave her an edge!

The fight kept going back and forth: Just when you thought one fighter was taking control, The other would land a **massive** shot to turn things around!

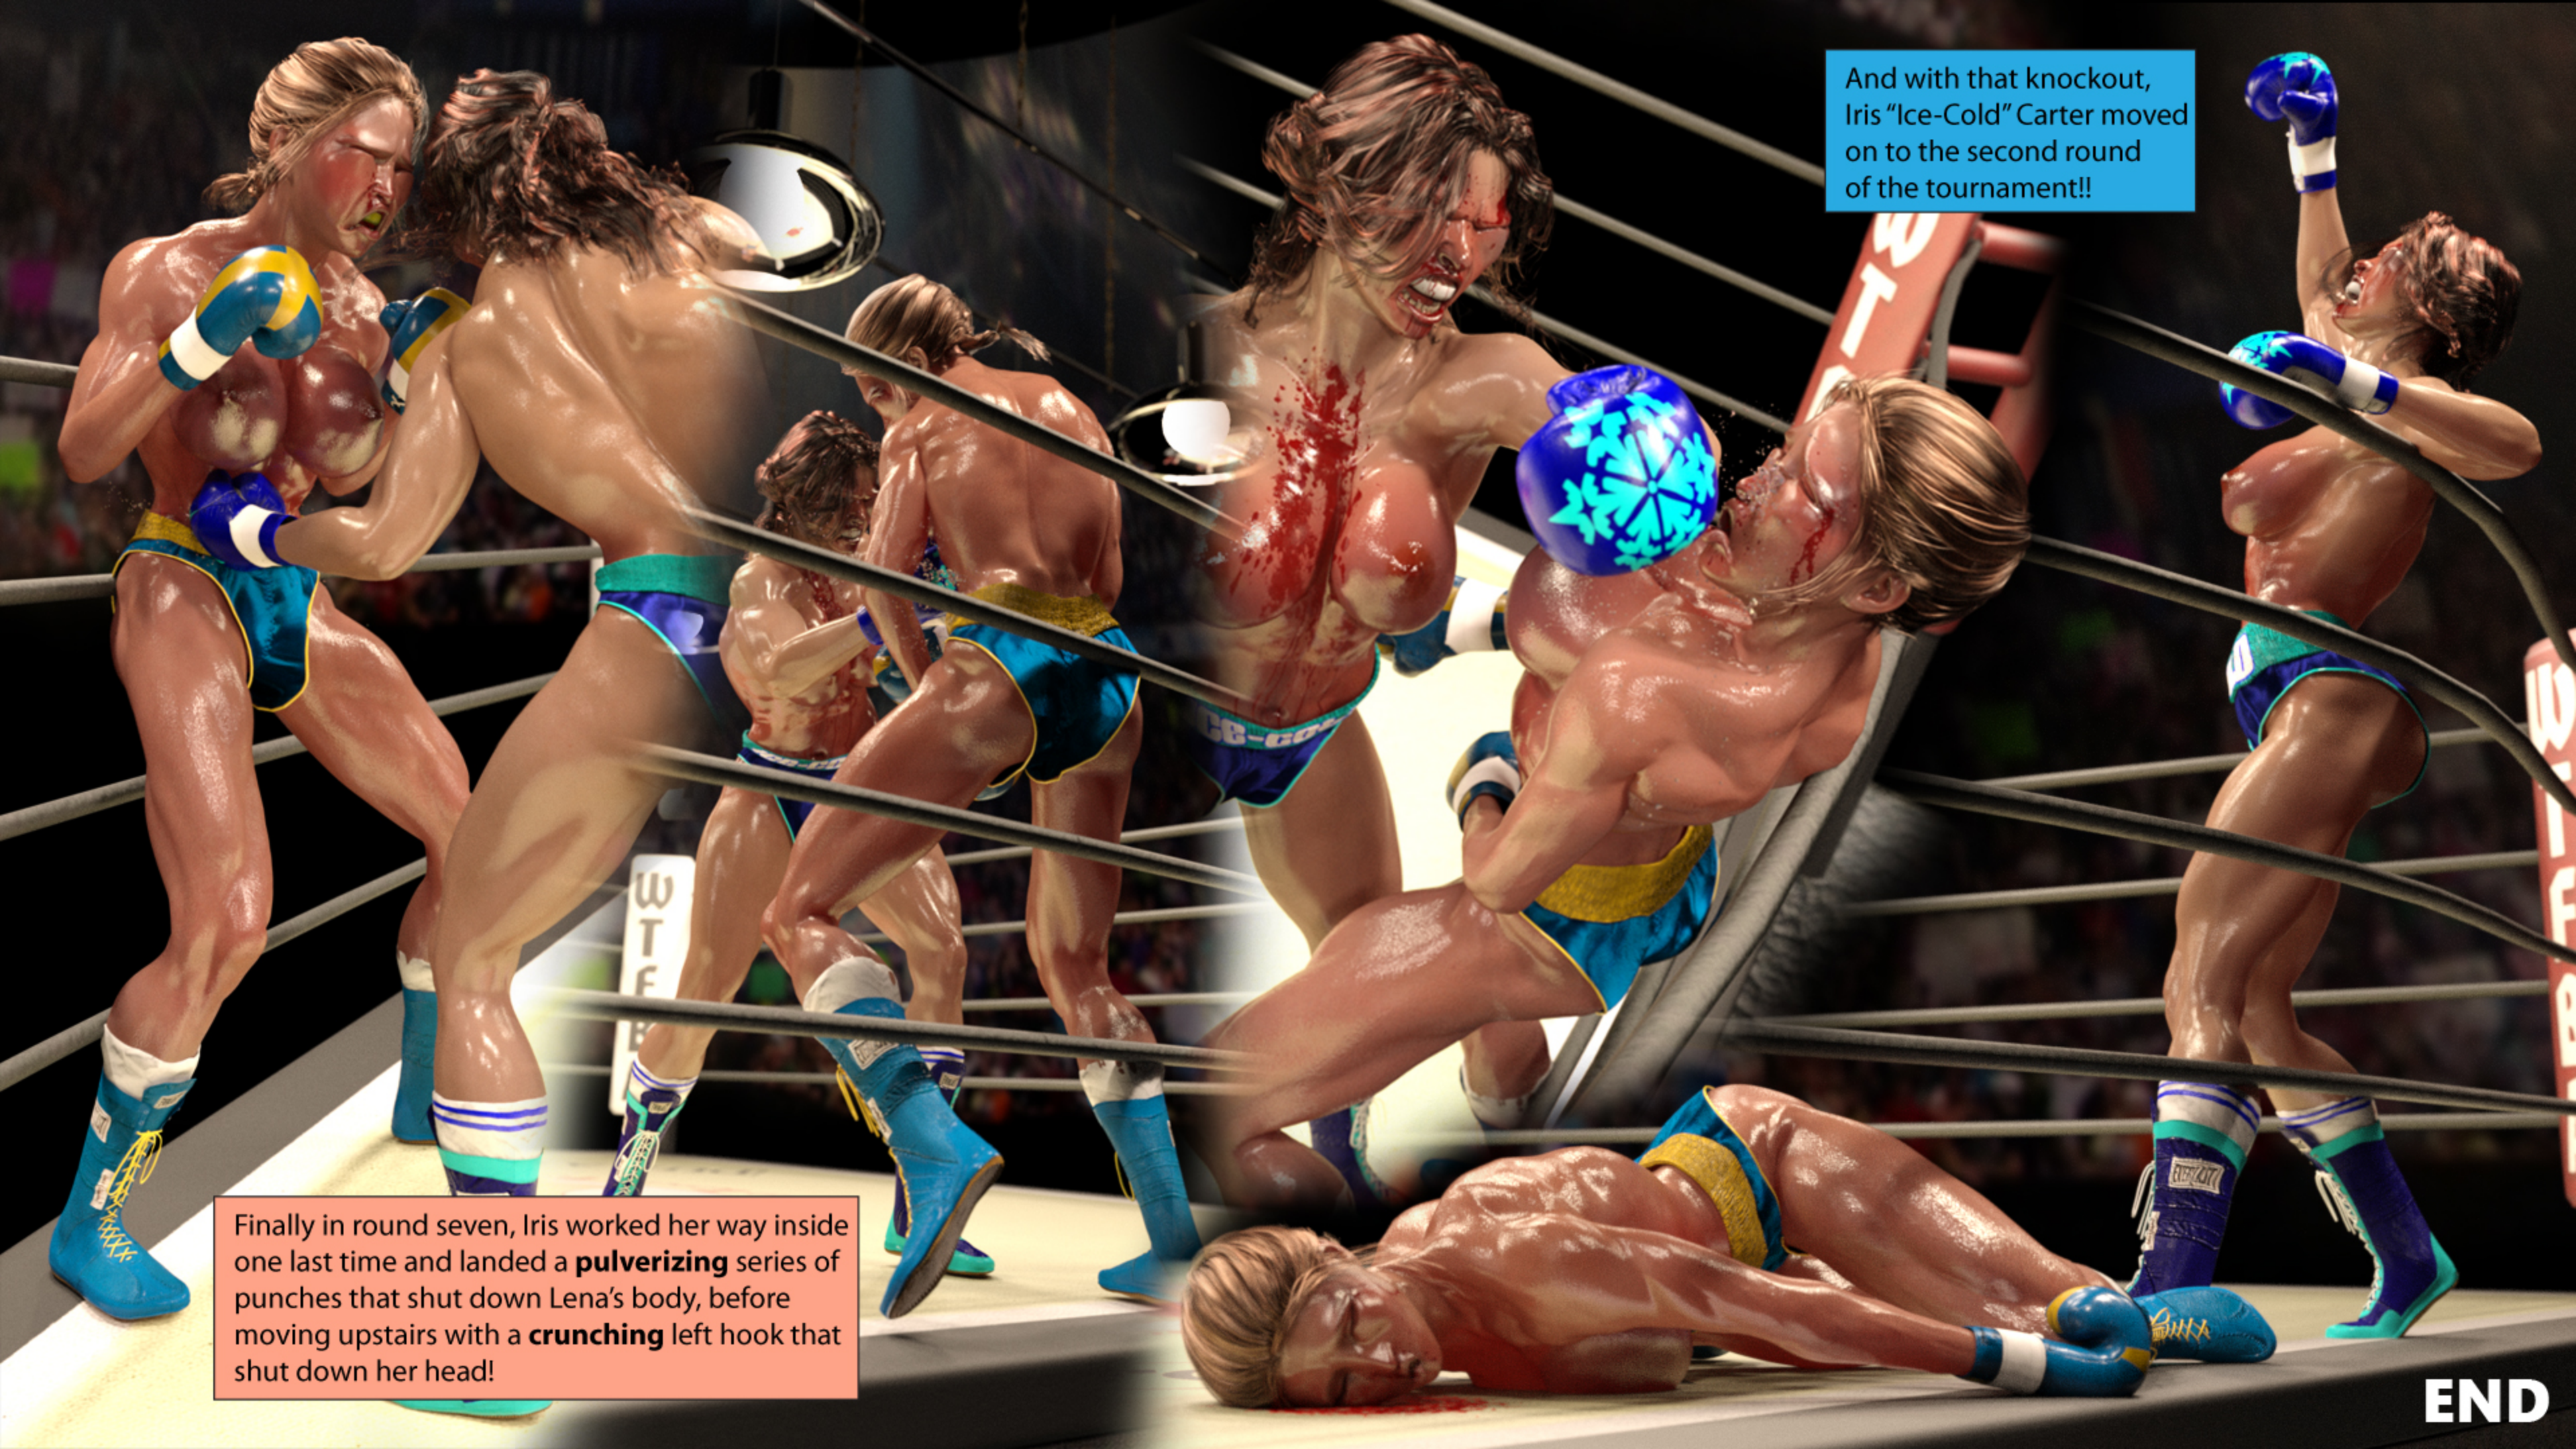

ROUND 05

ROUND 06

But by the end of the sixth, you could see the effect of Carter's bodywork as Lena's tits and torso had turned a deep shade of purple!

And with that knockout, Iris "Ice-Cold" Carter moved on to the second round of the tournament!!

Finally in round seven, Iris worked her way inside one last time and landed a **pulverizing** series of punches that shut down Lena's body, before moving upstairs with a **crunching** left hook that shut down her head!

END

Moving on to the next fight in the tournament, we have Katsumi "Kitsune" Sato facing Alexandra "Cobra" Clarkson!

Once again we have a **big** gap in experience between the fighters, but Sato's moving back down to lightweight after a series of fights in the heavyweight division, and her... *unique* style of infighting may work better when she's the heavier girl in the ring!

# W.T.F.B.A LIGHTWEIGHT CHAMPIONSHIP TOURNAMENT FIRST ROUND MATCH

KATSUMI "KITSUNE" SATO  
23 YEARS OLD  
H: 5' 7<sup>1/2</sup>" W: 149 LBS.  
M: 43"-28"-40"  
R: 13-2-0(13KO)

**VS.**

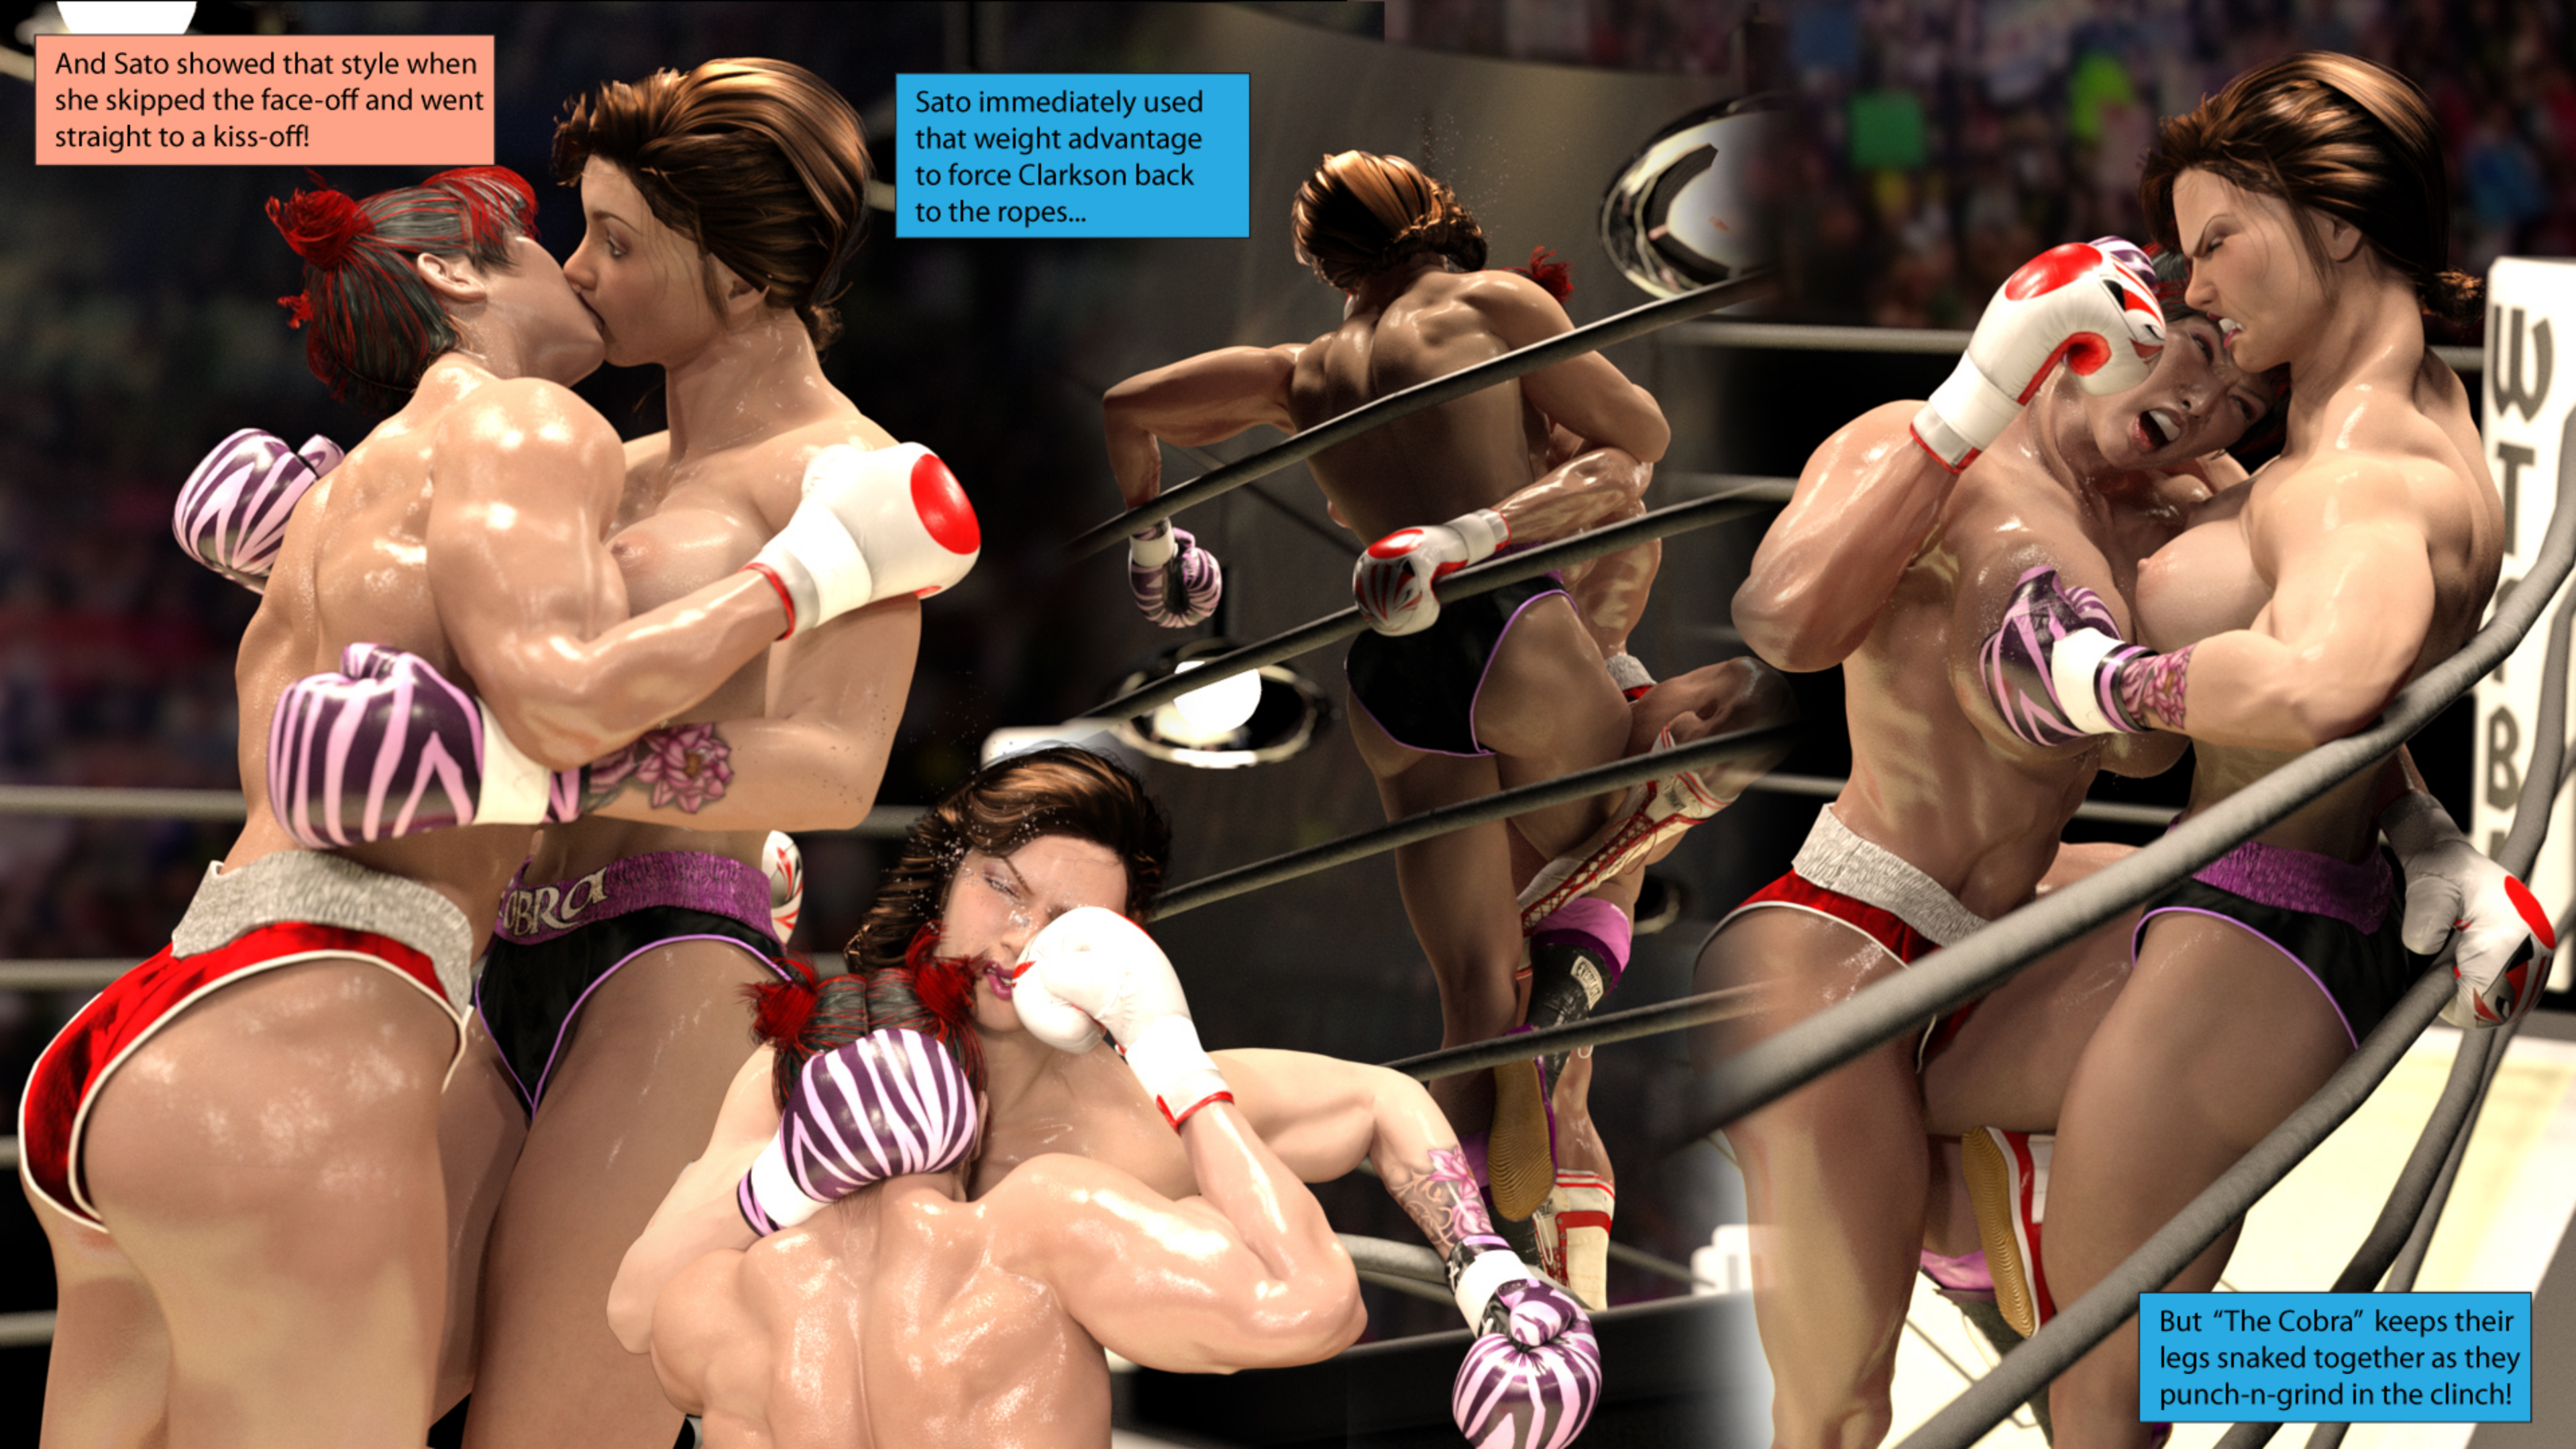

ALEXANDRA "COBRA" CLARKSON  
33 YEARS OLD  
H: 5' 11" W: 142 LBS.  
M: 40"-26"-39"  
R: 25-3-2(23KO)

And Sato showed that style when she skipped the face-off and went straight to a kiss-off!

Sato immediately used that weight advantage to force Clarkson back to the ropes...

But "The Cobra" keeps their legs snaked together as they punch-n-grind in the clinch!

Then Clarkson clubs Sato into the ropes and starts *groping* her like a **drunken prom king!**

YOU THINK YOU'RE THE ONLY ONE WHO KNOWS HOW TO **SLUT-N-SLUG?** I'VE FOUGHT AND LEARNED FROM SOME OF THE **SLEAZIEST** GIRLS TO EVER GET IN THE RING!

THEN BRING IT, BITCH.

And that exchange set the tone for the whole fight, where each girl'd take turns putting the other in some perverted position that they could then please and punish her with! Alex struck first with a fondle from behind then slammed Sato tits-first into the corner and went after her back and kidneys!

And things went downhill from there. I don't even **know** how Sato got Clarkson tied up in the ropes the way she did in round 4!

I don't either, but I know those **breast-busters** from behind **HAD** to hurt!

And what do you call the hold Clarkson used in Round 7?

It's a **standing tit-lock!** Usually you only see heavyweights pulling off this attack, because they have breasts **big** enough to cinch an arm around, but it looks like Sato's have **swollen** up enough to work!

And it's just **brutal** how Clarkson uses that hold to **slam** Sato's face into the corner pad!

In round 9, Alex used her **tongue** to drive Sato back into the corner...

...And somehow managed to get both arms **and a leg** tied up in the ropes before pounding her senseless!

That last combo finally shut Sato down, and moved Clarkson on to the next round!

Moving on to our third fight in the tournament, we have "Bubblemum" Buffy Stewart facing Toni "The Tiger" Morgan!

Toni has a few more fights under her belt, and a much better win-loss ratio, but Buffy's losses have come against a much higher level of opposition so they should be pretty evenly matched.

# W.T.F.B.A LIGHTWEIGHT CHAMPIONSHIP TOURNAMENT FIRST ROUND MATCH

**"BUBBLEGUM" BUFFY STEWART**  
26 YEARS OLD  
H: 5' 11" W: 149.5 LBS.  
M: 46"-28"-41"  
R: 4-11-0(3KO)

**VS.**

**TONI "THE TIGER" MORGAN**  
27 YEARS OLD  
H: 5' 11" W: 142 LBS.  
M: 39"-27"-38"  
R: 15-4-0(14KO)

These two look ready to get to work as they face off before the bell...

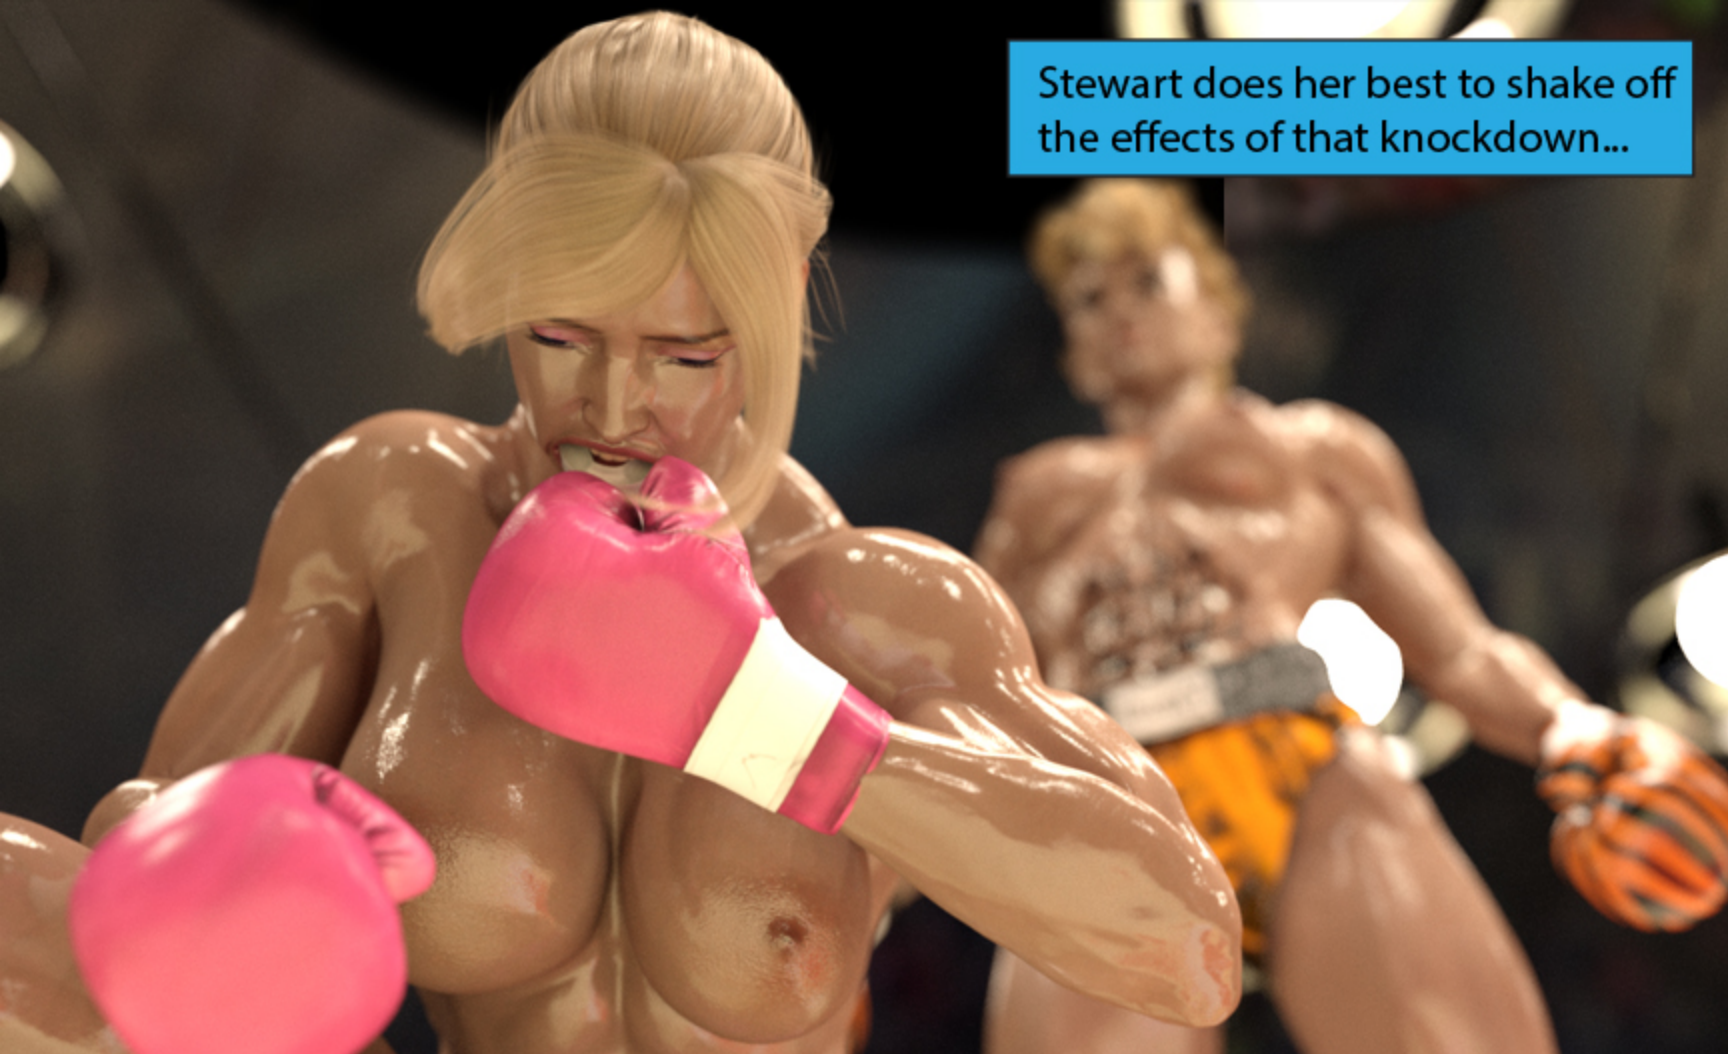

And they tear into each other as the bell rings! They're trading against the ropes, but Stewart gets caught--

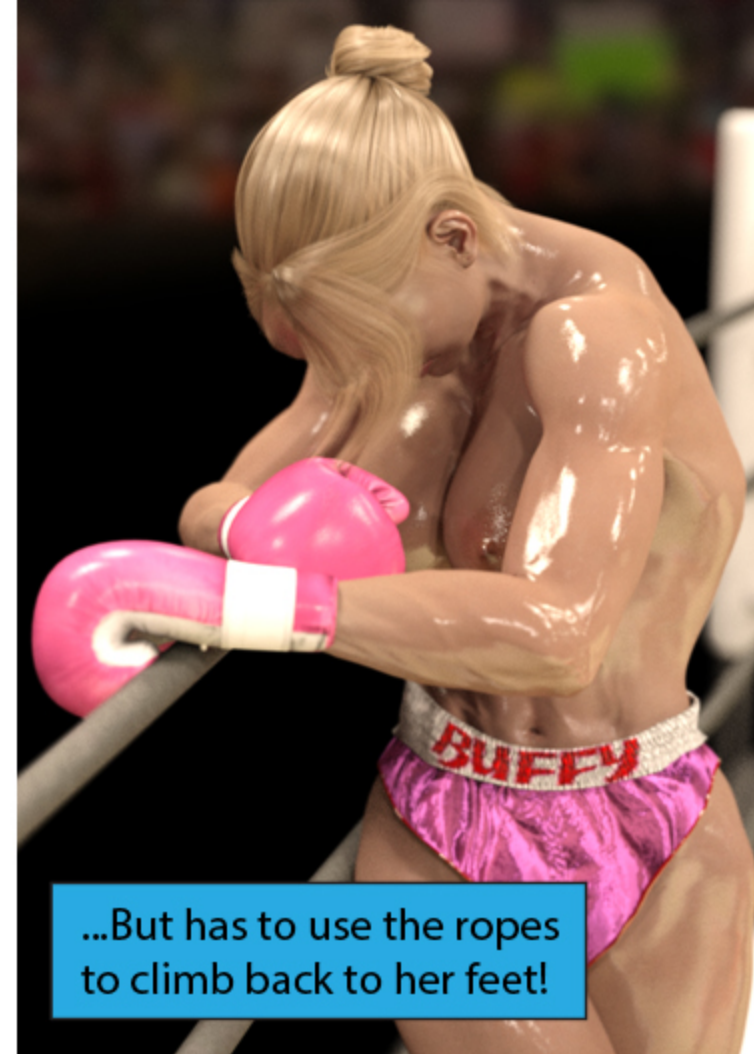

--And goes down HARD!

Stewart does her best to shake off the effects of that knockdown...

...But has to use the ropes to climb back to her feet!

Buffy's still out of it, but her guard is up. All she has to do now...

...is survive the rest of the round!

Halfway through round 2,  
Stewart gets rocked *again*--

--and gets **DROPPED**  
on to her shapely ass!

And, again, Buffy  
makes it to her feet...

...Only to take more  
punishment!

Buffy's corner is doing their best to revive her  
between rounds, but it doesn't look good!

Toni Morgan has managed to cram nine rounds worth of punishment into just three, and she catches a groggy Stewart with yet another hard shot--

--and drops her!

I don't know how, but...

...Stewart gets back up again...

...And shocks Morgan with a right that started from the floor!

That may have been a mistake, Syl...

...because it looks like "The Tiger" is pissed off and ready to pounce!

God-DAMN...

...That has got to have been one of the worst beatings I've ever seen...

Wow...yeah...

So... Um... Toni Morgan advances to the next round of the tournament...

Let's move on to our final match for this evening, with "Dangerous" Danielle Reynolds up against "Berzerker" Brigid Wagner!

Dan is one of the best counter-punchers in the league, Sue, while Wagner is, well... kind of a crazy bitch. Her all-out style of offense may not serve her well against Reynolds tonight!

# W.T.F.B.A LIGHTWEIGHT CHAMPIONSHIP TOURNAMENT FIRST ROUND MATCH

**"DANGEROUS" DANIELLE REYNOLDS**  
32 YEARS OLD  
H: 5' 11" W: 149 LBS.  
M: 43"-29"-40"  
R: 31-8-0(25KO)

**VS.**

**"BERZERKER" BRIGID WAGNER**  
29 YEARS OLD  
H: 5' 11" W: 149 LBS.  
M: 42"-27"-39"  
R: 26-7-2(25KO)

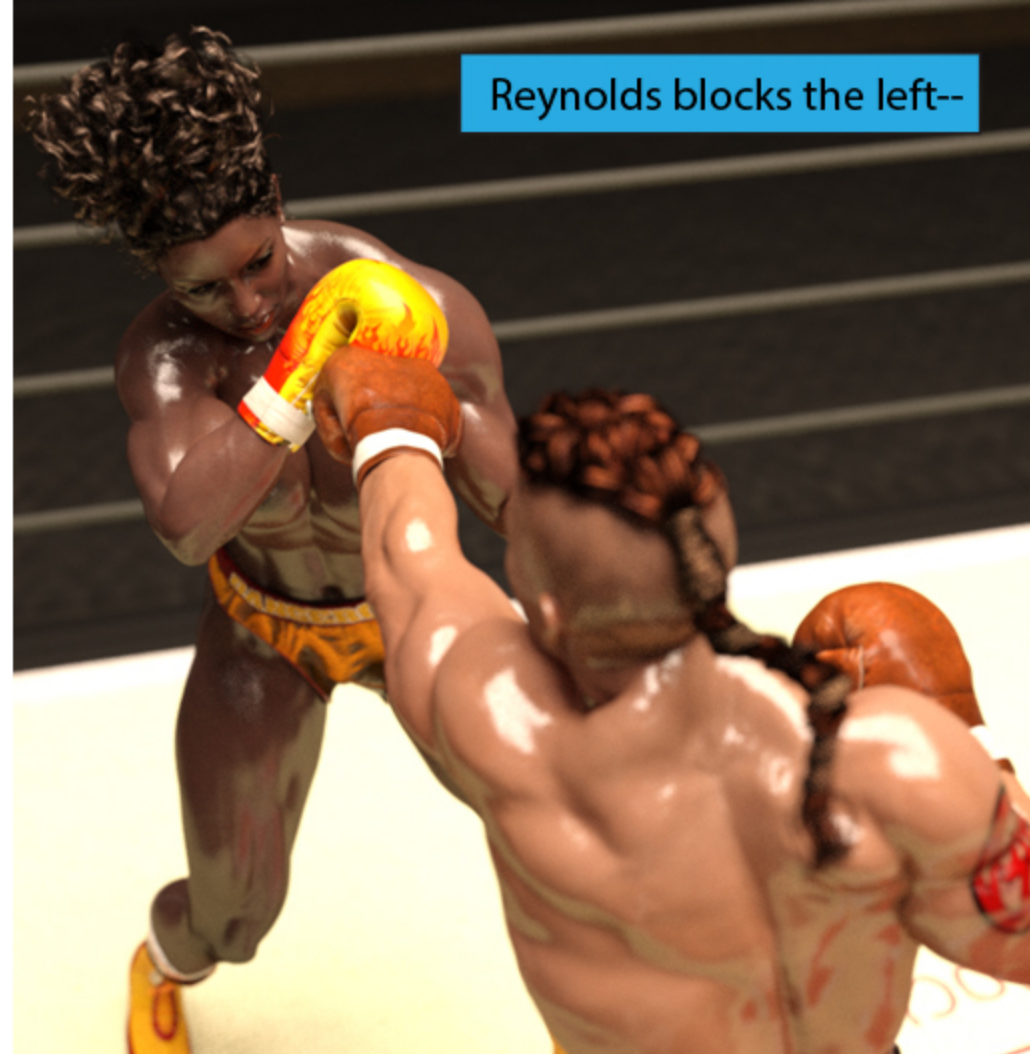

Right from the bell, Wagner charges out of the corner straight to Reynolds!

Reynolds blocks the left--

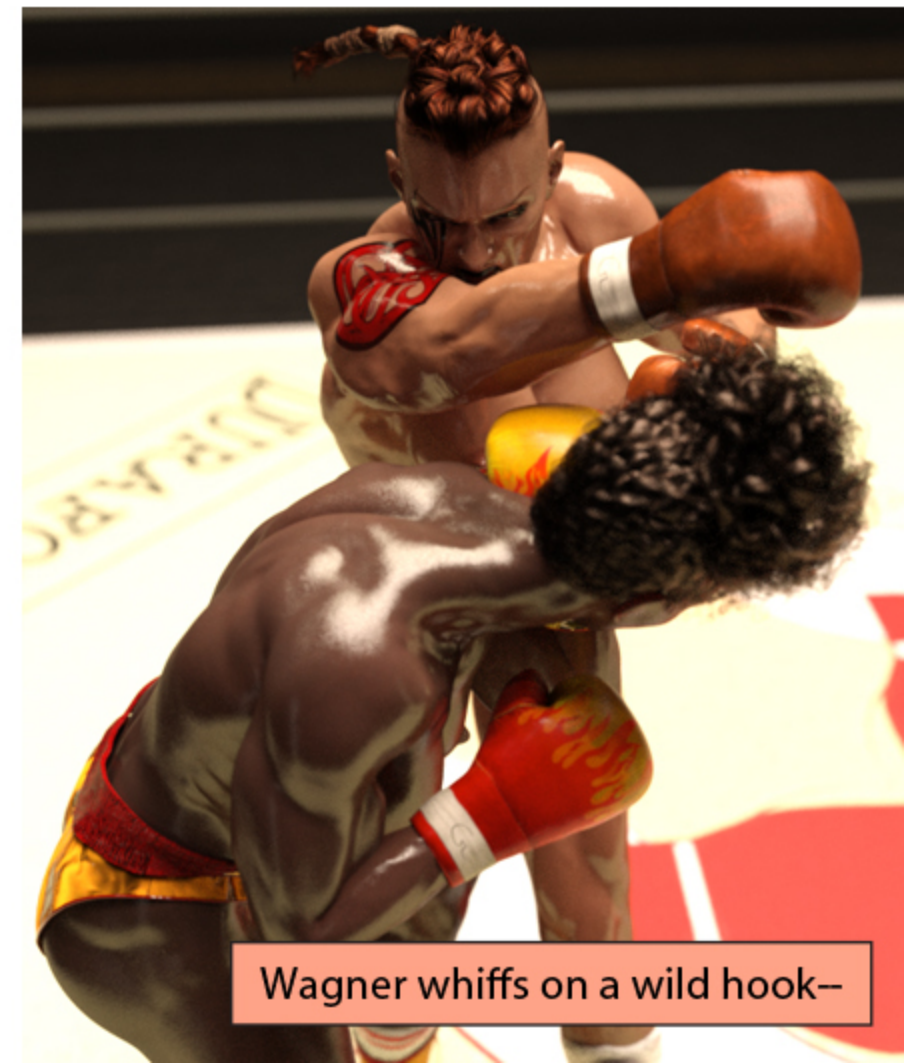

--Blocks the Right--

--And SLAMS home a counter-right hand!

Wagner whiffs on a wild hook--

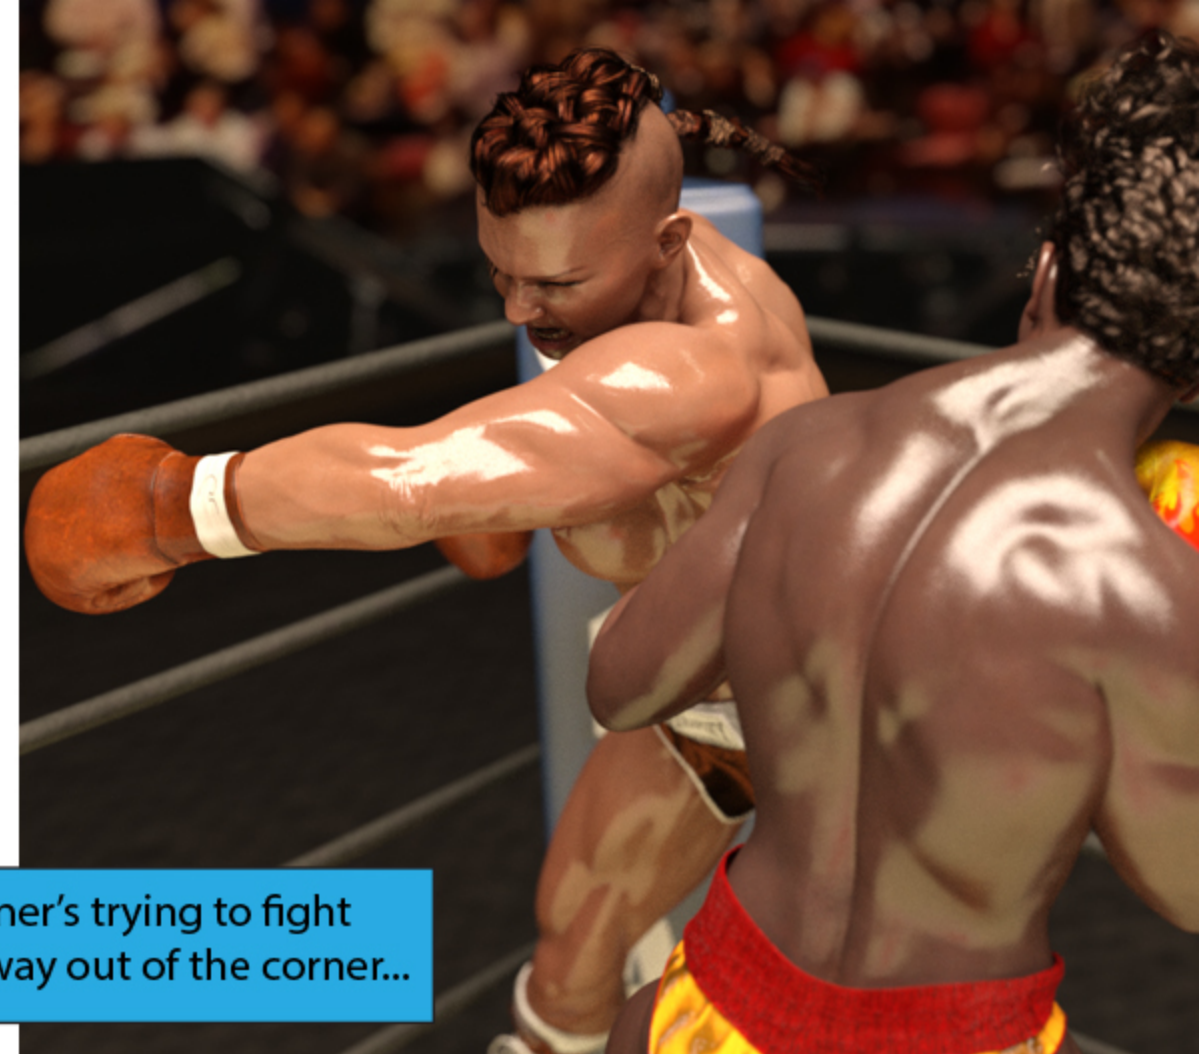

Wagner's trying to fight her way out of the corner...

But Reynolds keeps up the pressure, chasing her along the ropes!

Brigid's getting taken apart in there!

Wagner's hanging on to the ropes for dear life, and Reynolds is just waiting for her to turn around so she can pounce!

Dan dips under Brigid's guard, then pries her arms up--

--DIGS into that belly--

--LAUNCHES an uppercut--

--And closes the show with a DEVASTATING left hook!

And Danielle Reynolds moves on to the tournament quarterfinals with a breathtaking first-round K.O.!
