

Quarterback Queen

Find yourself being drawn into a completely new and erotic fantasy as you are controlled and dominated by a team of masculine hunks as you find yourself begging in arousal for them to have their way with you. Learn all of the fun and exciting ways in which men love to be pleased and discover yourself begging the hunks of your fantasies to let you practice on them. There is more to motivating a sports team than just cheerleading, and you are intent on figuring out how to please each and every member of the team personally.

1. New Assistant

Join your school's sports team as the new team assistant. Remember that being a part of a group means that you are willing to do everything that you possibly can in order to be invested in that group's success.

2. The Team

Meet the football team. Find that the hunky men around you are staring at you in a completely sexual way and remember to feel flattered and turned on at the idea of being good looking enough to arouse such hunky and attractive men.

3. Practice

Find yourself staring at the cute butts and well outlined cocks of the men as they practice on the field. Discover yourself daydreaming about being naked in front of the quarterback as you hike the ball into his rough, manly hands.

4. Showers

Follow the team into the locker room after practice. Find yourself getting turned on by the hunky team's naked, masculine bodies as they shower in front of you, and find yourself wishing that you could discover a way in which to motivate the team that would involve you touching as many hunky men as possible at the same time.

5. Physical Therapy

The team's coach approaches you and lets you know that the quarterback is still a little tense from practice. Find yourself becoming turned on as you fantasize about new and exciting ways in which to get hunky men to relieve their stress so that they can feel less tense as they go about their day.

6. Massage (Slut Exclusive)

Feel every inch of the quarterback's hunky, masculine body as you work to relieve all of his uncomfortable stress. Know that you are always the most comfortable whenever you are touching men and that you need to wrap your arms around a strong man each and every day in order to be the happiest in your future

7. **Teamwork (Slut Exclusive)**

Find yourself excited by how relieved and relaxed the quarterback is from your massage. Listen and learn as the quarterback teaches you other fun ways to relieve a man's stress.

8. **Lifelong Queen**

Giggle as you are complemented by the quarterback on a job well done. Find yourself begging your hunky new friend to invite his teammates into the locker room so that you can personally relieve their uncomfortable stresses. Know that nothing makes you happier than pleasing as many men as you can sexually.

You don't have to be royalty to become a quarterback queen.

❖ **New Assistant**

You can find yourself feeling happy and comfortable and relaxed as you drift deeper and deeper into a soothing and relaxing hypnotic trance. Yes. And as you slowly start to become aware of your surroundings, you can discover the scent of freshly cut grass reaching up through your nostrils as you breathe in deeply to feel the crisp autumn air around you. The bright afternoon sun comfortably warms your face as you find yourself standing on the sidelines of your school's football field, hearing the distant sound of cheerleaders practicing their excited chants in the distance. Peaceful. Happy. Excitement. And as you continue to drift deeper and deeper with the hypnotic and mesmerizing cheering in the distance, you can notice a tall and muscular older man standing in front of you, a clipboard tucked under one arm and a whistle hanging from his neck as he holds his hand out for you to take into your own. Yes. He shakes your hand firmly, welcoming you to the team before handing you a zippered jacket in your school's vibrant colors with the words assistant, emblazoned on the back in bold white letters. Loved. Confident. Excitement. You can find yourself unfolding the team's jacket and slipping your arms through the sleeves, the fleece inside of the jacket warming and relaxing and soothing you as you zip up the comfortable and fashionable uniform. Yes. You can see that the coach is wearing the same fashionable jacket as you are, but with the words coach, written on the back in big, bold letters, and you can find yourself feeling happy and accepted and proud to be a part of such an exciting team. Yes. You can think to yourself just how confident and proud and accomplished you feel for being good enough to get onto such an exciting group as the assistant at all and you know that you crave to do the best job that you possibly can in order to make all of the players and

coaches happy with your enthusiastic performance. Happy. Loved. Pleasure. You find yourself intuitively knowing that the better that you perform in this new role, the more that the team will love and appreciate and value and accept you into the group as one of their own. Yes. You are naturally feeling excited and happy and loved as you begin fantasizing about how popular and loved and accepted you will feel in your future once all of the most popular guys from the sports team greet you in the hallways between classes and sit around you at lunch, joking around and laughing as they retell funny stories and shared experiences between you and the rest of the guys. Loved. Confident. Desire. And as you begin to pleurably imagine yourself as an integral part of the team, you can realize that the success of any sports group is just as dependent on winning the game as the friendship and love between teammates and that the only way to win as many games as possible is for your team to be supported by you so that they can focus all of their attention on the game whenever they practice or play against another school. Yes. You happily look up at the coach, now joined by a few more assistant coaches wearing matching jackets and whistles, and can see him flipping through pages on his clipboard, making notes and sighing loudly. Anxiety. Uncomfortable. Stress. You can find yourself asking the good looking man what is bothering him and he looks up from his clipboard and tells you that the team has lost a few games in the past and that all of the players have been feeling stressed and unmotivated lately and that he thinks that you are the perfect person to help them get back on track. Yes. You can find yourself pleurably and excitedly nodding your head in response, intuitively knowing that you would do anything you were asked to do in order to make the team happy and successful and stress-free in their future. Happy. Loved. Deeper. You can find yourself feeling comfortable and relaxed and soothed with the sound of my voice as you float deeper and deeper on the gentle and pleurable waves of trance.

❖ **The Team**

You can discover yourself feeling even more happy and satisfied and receptive as you fall deeper and deeper into a soothing hypnotic trance. Yes. The hunky and handsome coach stands in front of you and smiles at your answer, telling you that he is happy to finally have found an assistant who has the best interests of the entire team in mind and tells you that you are shaping up to be the best motivator the team has ever had. Pleasure. Loved. Happy. You can find yourself craving the feeling of being able to motivate the team enough to win the next game and prove to your coach that the success of the team has been the direct effect of all of your hard work. Yes. You can discover yourself pleurably fantasizing about the experience of winning the big game in your future, as the players lift you up onto their shoulders in celebration and

excitement and gratefulness for helping them beat their losing streak, leaving you feeling proud and accomplished and fulfilled for all of your hard work. Excitement. Desire. Confident. You can find yourself craving the pleasure that naturally comes to you whenever you accomplish any task that is asked of you and you can become more excited and aroused at the prospect of creating the perfect environment in which the whole team can succeed and win. Yes. You intuitively know that you crave to anticipate the needs of the team in order to best serve them so that they can focus on winning more games and be the best players they could possibly be. Pleasure. Happy. Loved. You intuitively know that being a team player means obeying whatever commands that the players give to you and you know that there is absolutely no pleasurable task that a man can ask of you that you would refuse to do. Yes. You desire to be depended on and relied on and needed for the future success of the team and it's players and you can discover yourself remembering that every part of the team, including the assistant and the coaches, are all integral parts of the group's success. Desire. Masculine. Excitement. You can find yourself naturally feeling proud and accomplished and fulfilled for being able to discover how you fit into the group of hunky and attractive men that you desire to serve in any way that you can. Yes. And as you are thinking about how much you love and desire your new position in life, you can hear the sound of a double door latch being pushed and you can look to see a few players begin to trickle onto the field, their thick and heavy pads covered by jerseys that match the colors of your own brand new team jacket. Yes. The men walk onto the field, stopping in front of you and the coach, before taking a seat on the grass, their helmets placed on the ground beside them. And as the men pass by where you are sitting, you can feel them staring at you, and can feel yourself becoming excited and aroused and turned on by all of the hunky and physically fit and muscular men looking at you and fantasizing about how you might be able to help them in your future. Happy. Excitement. Confident. You can find yourself making eye contact with a few of the better looking men, and even catching some staring at your body or whistling at you and you can find yourself beginning to feel seductive and erotic and desirable for al of the sexy and large and dominant men staring at you in their bulky padded outfits. Yes. You are imagining the pleasurable image of what each man's muscular body looks like under his thick padding and uniform and you can discover yourself feeling aroused and turned on and horny as they look back at you lustfully. Desire. Pleasure. Loved. The head coach blows his whistle, diverting the attention of the team as the remaining players leaving the locker room begin to jog over. Yes. The coach begins his announcements by introducing you to the team as the new assistant that they can depend on for anything that they might need to motivate them to win the next big game, and that he is confident that the new addition to the team will help get them out of

their funk. Happy. Excitement. Confident. The team cheers in greeting and you can find yourself feeling excited and proud and energized by the friendly and welcoming and erotic atmosphere. Yes. And as you are thinking about how much you love assisting all of these men in your new pleasurable role, you can discover yourself feeling calm and relaxed and happy as you fall deeper and deeper into a soothing and obedient trance.

✧ **Practice**

Discover yourself feeling comfortable and relaxed and calm as you drift deeper and deeper into a soothing and obedient hypnotic trance. Yes. You can find yourself feeling excited and happy and confident as you discover yourself staring back at the hunky and dominant and good-looking men on the sports team that you have just joined. You are naturally and confidently glancing at the men standing in front of you, their leg muscles clearly defined beneath the tight, uniformed compression shorts and you can become aroused and turned on and excited as you begin to pleasantly imagine them undressing in front of you in the locker room. Desire. Pleasure. Excitement. The cute coach finishes his important announcements and splits the large team into smaller practice groups, sending each group off to do their warm up routine and drills before leading you over to your area of work, a small windowed room between the field and locker room with a small massage table and an ice machine. Yes. The coach apologizes for how rough the space looks and admits that the team has not had good luck with assistants and that they could use some help. Confident. Control. Safe. The coach explains what needs to be done and you can naturally find yourself nodding and agreeing in understanding, eager to claim the prized place of best team assistant as your own. Yes. The large and hunky man leaves the room and you can feel confidence and pleasure and arousal as you watch his toned and squeezable ass as he jogs back onto the field, joining the other assistant coaches who blow their whistles at their training group, each group practicing specific drills. Masculine. Pleasure. Desire. You can find yourself aroused and turned on and excited by each man's movement and bodies, every player completely in sync with his team as they rehearse on the field. Yes. One particular set of men catch your eye as they practice throwing the ball to each other, and you can realize that these cute men staring at you are the quarterback and his best friends. Happy. Masculine. Desire. You cannot help yourself from becoming even more aroused and turned on and horny as you begin to imagine what the muscles must look like on their lean bodies, rippling under the bright sun as they practice. Yes. You take frequent breaks to watch the team practice and start to fantasize about how erotic it would feel to be pressed up against any of the muscular men on the field. Loved. Pleasure. Adorable. The coach calls you over and tells you that the team is thirsty, and you can find yourself immediately running into the

assistant room to fulfill your duty as the best and most helpful assistant the team has ever had. Yes. And as you walk through the doors of your personal room, you can see a comfortable massage table, an ice machine, and a sink and you can naturally find yourself fantasizing about how pleasurable and erotic and arousing it would be have this private space all to yourself in order to pleasure any of the cute and hunky and masculine team members whenever they desire. Happy. Desire. Masculine. You smile to yourself at your completely natural and appropriate fantasies and can fill up a few of the large coolers with ice and different flavors of mixed sports drink before loading them onto a small hand cart and wheeling everything out of your room and onto the field. Yes. And as you walk up, you can see the men on the team becoming even more distracted by your helpfulness, excited to see what you have planned as they practice, masculine sweat running down their chiseled faces as they rub up against each other on the field. Masculine. Pleasure. Comfort. You begin to line a bench with the coolers and fresh hand towels, and can feel the eyes of the sexy and attractive and aroused team of men staring at you. Yes. The coaches walk over to the coolers, sampling each flavor before filling their cups and complimenting you on a job well done. You can find yourself swelling with pride and excitement and happiness at having obeyed and followed instructions from such a sexy and attractive man as the head coach blows his whistle and calls the men over for a break. Happy. Excitement. Relaxed. The cute boys jog over to the benches, grabbing their bottles and dousing themselves with water before coming over to you and quenching their thirst with the drinks that you created. Each sexy man compliments and thanks you as you hand them fresh towels in order to wipe away their sweat and you can notice a few particularly good looking guys glancing at your crotch before returning to their practice. Yes. Almost as if putting on a show for you, the men practice energetically and enthusiastically and eagerly, as you stare at their cute butts and delicious cocks through the fabric of their tight compression shorts. Masculine. Pleasure. Desire. You can watch the hunky men from the side lines as they run back and forth across the field, imagining how their chiseled bodies would look naked as they run, their large and hard and thick cocks bouncing with every movement. Yes. You can discover yourself feeling happy and aroused and turned on as you continue to fantasize, feeling even more relaxed and calm and comfortable and you fall deeper and deeper into a soothing and relaxing hypnotic trance with the sound of my voice.

❖ **Showers**

You are feeling happy and calm and at peace as you gently fall deeper and deeper into a comfortable and relaxing trance with the sound of my voice. You can feel the warmth of the hot summer sun against your face and the smell of dirt and grass comforting you as

you slowly start to become aware of your surroundings. Yes. You can find yourself on the sidelines of the football field, the head coach blows his whistle to signal the end of practice and the team instantly stops their drills, each man panting from their own exertion as they make their way towards you and the coach. Masculine. Confident. Happy. Some of the men gather around the drink coolers and others sit down, tired from the physical exertion of the team's practice. You can find yourself taking this as a cue to get the showers ready and you slip away, feeling the eyes of the team following the seductive sway of your fuckable butt as you saunter back into the locker rooms. Desire. Pleasure. Confident. Just as you finish stacking fresh and clean towels in the communal showers, you can hear the men start to file into the locker room, the hum of their tired voices getting louder as they approach. Yes. You find yourself standing behind a large laundry bin, next to the entrance of the locker room greeting each player as they walk in with a smile. The team tosses their sweaty jerseys into the laundry bin next to you, and begins to strip down before getting into the hot shower. Excitement. Comfort. Relax. A large and muscular man that you recognize as one of the influential members of the team approaches you and asks for help removing some of his bulky pads. Yes. He holds his arms out for you to have better access to the adjustable straps and you release them before reaching up and extending yourself onto your tiptoes and pressing your excited chest against his chiseled torso in order to lift his equipment over his head. You can find yourself standing on your tiptoes as you try to maneuver around such a hunky and masculine and dominant man, and you can naturally gasp out in arousal and lust as he grabs your waist with both of his large and manly and masculine hands, steadying you as you help him with whatever he may desire. Loved. Masculine. Pleasure. You can feel your cheeks burning with lust and arousal as you blush at his touch, and he smiles kindly before thanking you and returning to his locker. Yes. A few other men line up in front of you for help removing various parts of their clothing and you can find yourself feeling excited and turned on and aroused that so many sexy and attractive men desire that you touch them and help them undress and motivate them to be the best players they can possibly be. Desire. Excitement. Happy. You are fantasizing about how pleasurable and erotic and exciting it would be to be naked in the showers with them, scrubbing their sore and tired backs and agreeing to anything that they may ask of you in order to help relieve their stresses. Yes. You find yourself naturally imagining what each and every one of their hard cocks look like while they slowly rub every part themselves with soap and can discover yourself wondering if they ever touch and bathe and play with each other in the showers in real life like they do in every one of your kinky fantasies. Loved. Masculine. Pleasure. You are wondering how you can put yourself in the position in order to be depended on so that you can jerk each member of the team off in the shower

yourself so that they can concentrate on winning the big game, and you find yourself imagining how hot and arousing and erotic it would be to suck each and every one of their tasty and delicious hard cocks until you have satisfied all of the team completely. Yes. You can naturally fantasize about being the last out of the shower room, cleaning up your used holes and making yourself presentable and fuckable as each football player leaves the showers satisfied. Happy. Comfort. Desire. You are getting even more lost in your own erotic fantasies as you find yourself falling deeper and deeper into a calming and soothing trance with the sound of my voice.

✧ **Physical Therapy**

You can find yourself feeling happy and calm and receptive as you drift deeper and deeper into a soothing and relaxing trance. Yes. The clean smell of soap from the showers helps to comfort you and remind you of how happy and excited and aroused you are as you slowly start to become aware of your surroundings and find yourself in the team's locker room, the players tossing their dirty towels into the laundry bin in front of you. Soothing. Relax. Comfort. The coach walks up to you and mentions that he noticed a massage table in your assistant's work space and asks if you can help the quarterback with some physical therapy. Yes. You find yourself immediately agreeing, willing to do anything that these hunky men require in order to be in top shape for the next game and secretly excited and aroused and turned on by the idea of being in a private room with the sexiest man on the team. Masculine. Desire. Pleasure. You can discover yourself standing in front of the closed door of your room and you knock gently, waiting for a reply before you open the door and slip in, locking it behind you. Sitting on the massage table in nothing but a towel, the quarterback greets you and thanks you for helping him. Yes. You are happily nodding in response and asking him what the issue is as you prepare an ice pack for his comfort. Desire. Masculine. Pleasure. He tells you that he twisted a muscle in his shoulder and asks if you can help him touch his body so that he can stretch and relieve the pressure. Yes. You gladly take a look at his bare back and run your hands along his shoulder, finding a tense spot and kneading the point with the base of your hand, causing him to sigh in relief. You apply the cold pack to the spot and he thanks you, telling you that he has not felt that good in a long time. Pleasure. Masculine. Confident. You smile back at him and ask if there is anywhere else that he has been having issues with and that you would be glad to assist him with any need that he may have. Yes. He points to a few different areas on his body and you find yourself pleausrably grabbing his limbs and pushing and pulling against him to stretch his sore muscles and crack his aching joints to relieve him of any strains and aches and pressures that he may have as a result of his stressful practice. Soothing. Happy. Relax.

And as you continue to move your hands around his chiseled, masculine body, you can find yourself fantasizing about how erotic and pleasurable and arousing it would be to catch a glimpse of what is under the thin towel wrapped around his well-defined waist. Yes. You can naturally find yourself feeling aroused and horny and turned on as you imagine leaning in and kissing his lips as you run your hands over his hard abs and hairy, manly chest. Masculine. Desire. Excitement. You imagine how hot and erotic it would be to beg him to run his masculine hands down your body, kissing you along your jaw and neck as he goes, his hands catching the waistband of your pants as he grabs your ass, pulling you even closer to him. Yes. And each time that you feel the quarterback's joints crack and muscles relax, you can hear him let out a sexy moan of pleasure and you can naturally find yourself imagining other ways in which you can entice him into creating that erotic sound. Pleasure. Loved. Happy. You can see the growing bulge that his large cock creates under the towel, and you tell him that you will help him stretch his strained hamstrings as you lean in with his leg over your shoulder, your face inching closer and closer to his cock until he moans in relief. Yes. You notice his big, delicious dick twitch in your face, and the temptation to part your lips and take his masculine rod into your mouth begins to overwhelm you. Happy. Loved. Pleasure. And as you think about how much you would be willing to give anything for just a little taste of the erotic cock in front of your face, you can find yourself feeling happy and relaxed and comfortable as you fall deeper and deeper into an obedient and receptive trance.

❖ **Massage (Slut Exclusive)**

Discover yourself feeling soothed and relaxed and at peace as you drift deeper and deeper into a comfortable hypnotic trance. Yes. You can find yourself hovering over the sexy quarterback, your hands pushing against his stiff tendons as you begin to feel even more turned on and aroused and horny knowing that nothing but a thin towel separates his dominant and sexy and masculine body from your aroused and willing holes. Pleasure. Excitement. Desire. You find yourself admiring his confidence while wearing so little and you hungrily glance down at his chest and torso, fantasizing about what it would feel like to touch and caress his muscles. Yes. You are fantasizing about running your fingers through his thick hair and down his body, feeling his chest hair and the ridges of his defined muscles as you work your way towards the ultimate goal between his masculine legs. Masculine. Loved. Happy. As if reading your mind, the quarterback asks if you could help massage his back. Yes. He rolls over and positions himself face down on the massage table, as you retrieve a bottle of massage oil from the shelf. Desire. Pleasure. Excitement. You warm the oil between your hands before kneading it into the quarterback's shoulders and pressing with the base of your hands in circular motions as

you apply pressure against his tense and sore muscles. Yes. And with every movement that you make, you can hear the man underneath you moaning in relief and you find yourself becoming turned on and aroused and excited by the deep sounds of pleasure and masculine arousal coming from his mouth. Desire. Soothing. Peaceful. You continue to massage his body, taking your time to squeeze and pinch and caress every inch of the muscular man, determined to do a good job so that he comes back for a massage after each and every practice. Yes. And as you relieve the tension from his chiseled, masculine body one muscle at a time, you can realize how comfortable and natural and appropriate it feels to touch a man's body. Pleasure. Desire. Comfort. And the more you massage the muscular man the more you can find yourself imagining how erotic and pleasurable and arousing it would be to be held and caressed by the man in front of you and how happy and comfortable and loved you will feel once it happens. Yes. You remember that you have always been the most comfortable in your past whenever you are touching men and that you desire to be wrapped up in a strong and masculine and hairy man's arms each and every day in order to achieve the happy life that you have always desired. Loved. Masculine. Comfort. You intuitively know that touching men always helps you feel comfortable and happy and loved and that you can find yourself craving attention from the quarterback and the rest of the football team and every other good-looking man in your life in anticipation of them eventually learning how much you desire to be used as a personal slut for their pleasure and erotic fantasies. Yes. And with his back fully massaged, the quarterback repositions himself lying face up on the massage table and you begin to massage his chest, finding yourself moving your hands closer to his crotch as his dick begins to twitch anticipation and rise, his involuntary moans encouraging your horny hands causing his growing erection to push the thin towel aside and reveal his large, erect dick. Desire. Excitement. Pleasure. You find yourself fantasizing about how his cock would feel in your hands as he moans reassuringly and you begin to work his dick with your massage oiled hands before slipping a finger between his butt cheeks and teasing the outside of his asshole. Yes. You are erotically imagining him leaping off the table and grabbing you, unable to control his lust as he has his way with your slutty and willing body. Masculine. Desire. Excitement. You can find yourself feeling happy and relaxed and comfortable as you fall deeper and deeper into a soothing and calming hypnotic trance.

❖ **Teamwork (Slut Exclusive)**

Discover how comfortable and receptive and obedient you feel as you float deeper and deeper on the gentle waves of your own trance. Yes. And as you slowly start to become aware of your surroundings you can find yourself standing beside your massage table,

the quarterback looking up at you with lust. Relaxed. Soothing. Peaceful. He sits up and stretches briefly before complimenting your massage skills and asking you if you would like to learn some other ways in which you can relieve a sexy man's stresses. Yes. You can find yourself nodding enthusiastically and licking your lips as you glance down at his groin as he pushes his towel aside and exposes his large semi hard dick. Pleasure. Arousal. Lust. You grab his cock in both hands, taking a moment to add more massage oil before you start to stroke him, making him more aroused and erect with each movement. Yes. He reaches out to grab you, hooking his fingers into the waistband of your tight pants before pulling you closer and running his rough and calloused and masculine hand under your shirt and up and down your side. Horny. Desire. Masculine. With both his hands on your waist, he grabs you and moves you onto the massage table beside him and squirts some of the oil onto his hand before he plunges it down the front of your pants, easily finding your sex and turning you on as he keeps pace with your movements. Masculine. Desire. Excitement. You can find yourself moaning at this fantasy come to life and he stops you halfway through with a kiss, swirling his tongue against yours in a fit of passion. Yes. He asks you if you are ready to learn another way in which to help a man relieve his stress and you find yourself happily nodding as you kneel and open your mouth in pleasurable anticipation to accept his delicious, masculine cock. Loved. Pleasure. Masculine. You find yourself swirling your tongue over the head of his hard dick as he runs a hand through your hair, moaning lowly as you take more and more of him into your willing mouth, feeling determined to pleasure the hunky man before you more thoroughly than he has ever been pleased before. Yes. You can feel his erection in your mouth as you greedily swallow his manhood, gently cupping his balls with one hand as you stroke yourself with the other. Desire. Excitement. Pleasure. The quarterback pulls himself out of your mouth and easily lifts you to your feet before pushing you back onto the massage table and ripping your pants and underwear off in one swift motion. Desire. Excitement. Pleasure. He kisses you as he parts your legs, exposing your horny and willing asshole to him as he positions his body and slowly eases himself into you. Yes. You gasp in arousal and pleasure as he gives you the time to acclimate to his large, throbbing cock in your tight asshole, but soon works his way deep inside of you, causing you to twitch and moan in erotic pleasure. Yes. And as he continues to fuck your tight and horny and willing hole, you can discover yourself remembering how much you love to be fucked by hunky and muscular and athletic men each and every day of your life. Yes. You can find yourself remembering that being fucked and used like a dirty little slut is the most enjoyable way to contribute to the success of the team and the world around you, and you can discover yourself filling with an intense, erotic desire to fuck each end every team member and man that you come

into contact with, knowing that being sexually satisfied will help them focus on being the best that they can possibly be. Happy. Loved. Desire. You can find yourself fantasizing about offering up all of your horny and willing holes to be fucked and used for the sexual gratification of the men around you, and know that men will always be more stress-free and satisfied and motivated whenever they have allowed you to assist them in every way that they might desire. Yes. The hunky man behind you picks up his pace, panting into your ear as you grip his back, steadying yourself as he pumps his hard cock into you faster, getting closer to release. Masculine. Pleasure. Excitement. You discover yourself reaching your own orgasm as he tells you that he is coming and you both erupt in pleasure together, his delicious cock filling your ass with his sexy, masculine come. Yes. You are feeling happy and euphoric and relaxed as you enjoy your own personal satisfaction that comes to you naturally whenever you satisfy a man completely. Yes. You crave to be fucked by a sexy and hunky and masculine man each and every day of your life in order to be satisfied in your perfect future. Happy Desire. Pleasure. Float deeper and deeper now with the sound of my voice, feeling more obedient and receptive and relaxed with every word that I speak.

And as the next man comes onto your face with a sigh of erotic bliss, you can remember that you crave to be a complete slut for hunky men for the rest of your life and that you will always desire to be fucked by multiple muscular and manly men each and every day in order to live the fantasy that you have always envisioned for your future. Yes. And as you think about how much you love serving hunky and masculine men in every way that you possibly can, you can find yourself falling deeper and deeper into a calm and soothing and obedient trance, feeling more comfortable and relaxed and receptive to my every word.
