

April O'Neil - Her Biggest Fan

April O'Neill is proud of being a fearless reporter. But a popular online streamer sees her somewhat differently. The young woman is named Emiko, and April is her favourite damsel in distress. Emiko is determined to make the world see April the same way she does. Luckily April has been recently tied up and gagged whilst on an investigation, and this time there's video evidence! Emiko plans to use this footage to destroy April's old life, and rebuild her as an obedient bondage slave!

F/F. Bondage, chloroform, sexual scenes, mental manipulation, enslavement.

Bioshock - The Caged Bird

Jack ran away from an orphanage at the age of thirteen. Now, five years later, he does whatever it takes to survive on the streets on Paris. He's become an accomplished thief, his favourite target being rich women who he can easily overpower. One day two strange men make him an offer. Capture a young woman named Elizabeth, and he'll be paid enough money to start a new life. But when he has Elizabeth in his clutches, he'll find out she's far more valuable than he could ever imagine.

M/F. Bondage, chloroform, sleepy peril, physical domination, variety of knockout scenes.

Horizon - Queen of the Wasteland

The world is in peril, and once again Aloy has set out on her own to save it. She travels to the Southern Wastelands to recruit tribes for her cause. But in this new unexplored area she finds dangers she's never fought before. There are machines, designed to capture hunters like her. She's swiftly defeated and humiliated, then she's brought to the feet of the queen of this land. Aloy has always been a seeker of knowledge, but in the clutches of the queen she will become little more than a mindless slave.

F/F. Bondage, robot vore, physical domination, training, brainwashing, enslavement.

Jurassic World - Hunted

Maisie Lockwood has returned home with Owen and Claire. They live a peaceful life in the mountains of Nevada. But unfortunately Maisie's DNA is still incredibly valuable, and a world renowned hunter is tasked with capturing the young woman. Claire has spent years trying to outsmart hunters and free captured dinosaurs. But this time she might have met her match. Sophia Bancroft comes from a long line of hunters, and she has many methods to ensnare her prey...

F/F. Hypnosis, injections, scientific experimentation, chloroform, bondage.

Katniss - Revenge of the Capitol

Katniss thought she could escape her past and the horrors of the Hunger Games. But the Capitol never forgets. A secret organisation is formed amongst those who still hold a grudge against Katniss. She's taken away from her peaceful life and forced into another game for survival. Her captors don't want to kill her, failing this game will lead to a lifetime of enslavement and humiliation.

F/F. Chloroform, bondage, physical domination, enslavement, traps, forced humiliation.

King of The Mushroom Kingdom

Danny's world has always been bleak. He's worked for the mob since he was a teenager. As an adult he specialises in kidnapping women and holding them to ransom. One day he's caught in the middle of another kidnapping. He flees from the police and hides in the sewers. Taking a wrong turn down a mysterious pipe he ends up in a whole new world. This world is ruled over by a beautiful princess, and she has no way of protecting herself from a man like him.

M/F. Bondage, chloroform, kidnapping, physical domination, enslavement.

Mortal Kombat - Flawless Defeat

The heroes of Earthrealm have returned home after winning the tournament. But Outworld has descended into a civil war, with every side trying to amass the strongest forces. Sindel has her own scheme, to capture and enslave the greatest female warriors across all the realms. She cannot travel to Earthrealm, but she can enlist the aid of a cocky kickboxer. He will finally get the challenge he's always wanted, and each defeated opponent will only make him more arrogant and eager for the next.

M/F. Extended fight scenes, physical domination, variety of knockouts, spanking, hypnosis.

Resident Evil - The Enslavement Experiment

A former Umbrella scientist has her sights set on Ashley Graham. She believes Ashley's experience with Las Plagas has altered her DNA. She plans to experiment on Ashley and use her to create a new form of mind controlling virus. She first will enlist the services of Ada Wong, using any means necessary. Then she will have to defeat the two female agents who are sent to retrieve Ashley. Their names are Claire Redfield, and Jill Valentine.

F/F. Injections, chloroform, medical experimentation, brainwashing, kidnapping.

Rey - Blissful Surrender

Rey has finally defeated the Sith and fulfilled her destiny. Now it's time for her to rebuild the Jedi Order. She's naturally skilled in many things, but she finally finds an obstacle she can't effortlessly overcome. Bureaucracy. She becomes overwhelmed with paperwork whilst trying to open a school and recruit children to train. Luckily for her there's a drug called 'Bliss' which can keep her alert and energised at all times. Her colleague in the New Republic is happy to supply her with this drug... for a price.

M/F. Drugged with aphrodisiac, forced humiliation, brainwashing, enslavement.

Slaves of Narnia

Harry had a strange dream thirty years ago. He was in a mystical land, with talking animals and beautiful witches. The Ice Queen told him he had a great purpose. That one day she might fall in battle, and that it was his duty to revive her. Now he owns a factory in London, and that dream has all but faded from his mind. Until one day his queen speaks to him again, reaching out from beyond the grave. The daughters of Eve have returned. He will bring them back to the kingdom they once ruled over, as his slaves.

M/F. Hypnosis, bondage, kidnapping, chloroform, enslavement.
