

THE WAITER HERE IS REALLY HOT

WAITER is the waiter at a restaurant known for its amazing service. He is attentive to the customer's needs and puts forward a genuine personality at all times. He is classy but friendly, not snobby or unintentionally rude. Except for the moment he fiercely shoots his load onto the customers' pizza at their request. He has good Italian pronunciation.

PATRON A is a young foodie, outwardly mature, but sleazy customer.

PATRON B is slightly younger than PATRON A, and is a little more unrestrained in his hunger and lust.

WAITER

Here is your prosciutto e funghi pizza, gentlemen. Would you like any freshly ground black pepper, grated parmigianno-reggiano, or extra-virgin olive oil for your pizza?

PATRON A looks down at the pizza and then looks up slyly at the WAITER. In a dirty sleazy voice (accentuating on "special")...

PATRON A

Hehe... Well waiter, we'd really love some *special* sauce...

PATRON B is in on the idea, and salivates mischievously...

PATRON B

Mmm... special sauce...

PATRON A

*Your* special sauce, *all over* our pizza...

PATRON B

Yeeahhh... hehe

WAITER knows exactly what the customers want. After a brief pause, he smiles and says in a cordial voice:

WAITER

It would be my pleasure.

WAITER reveals his cock at the table. The customers are excited and salivating maniacally.

PATRON A / PATRON B / WAITER

\*refer to walla notes below.

After WAITER shoots his load and calms down, he quietly re-collects his composure.

WAITER

\*ahem\* Oh excuse me.

WAITER does his trousers up again, and having fully composed himself, he says with a very big jovial smile:

WAITER

Buon appetito!

WALLA:

WAITER:

-(30 secs) He is masturbating himself and feeling pleased, sighing and panting in a nice composed way, building up in intensity.

-(10) He is building up and slightly losing his composure, his breathing heavier and shaking with excitement, and moaning more audibly...

-(15) He crosses a point where, completely contrary to his previously mild-mannered demeanour, he slams the table with his hand (sound effects will be taken care of), clutching the tablecloth, as he intensely shoots his load onto the pizza. His grunting is loud and animalistic, as if he is trying to say "Yeah you want that special sauce! Here you go, fuckers! Eat this!!!"

-(10) Gradually ramping down from his orgasm, he slows down his panting, then ends with a deep sigh.

PATRON A / PATRON B:

-(2 takes each)

-On seeing the cock for the first time, as if looking at a marvelous display of food and salivating (see scene 06):

-whoaaahh!

-whoaaahho ho ho! (with a laugh)

-aaahhh...!

-On watching the waiter wank, as if in awe and amazement, in audible sexual excitement, eyes glistening (see scenes 08 and 09):

-ohhhh....

-yeahhhhh....

-After the WAITER says "buon appetito", while they clap (sound effects will be taken care of), as if having witnessed a really cool trick (see scene 15):

-ahhh hahaha

-yeahhhh

-Possible post-credits, eating the pizza and having a really good foodgasm:

-mmmmmm!
