Why didn't you get a stamp?

You knew that if you didn't, you get spanked by a teacher,

Were you being bullied?

うる
うる..

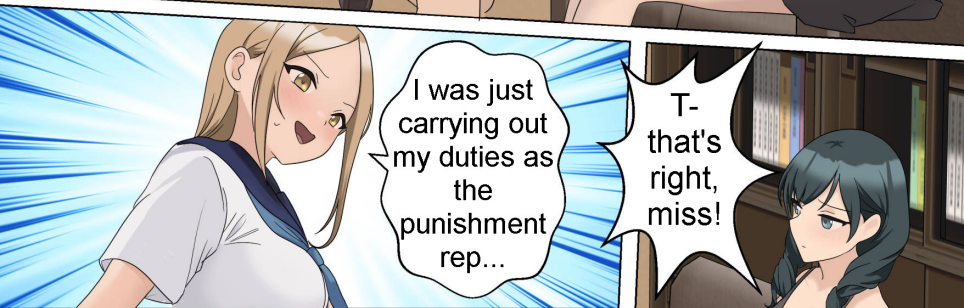

If he doesn't say anything, I can't do anything as a teacher...

and that a teacher's spanking hurts a lot, don't you?

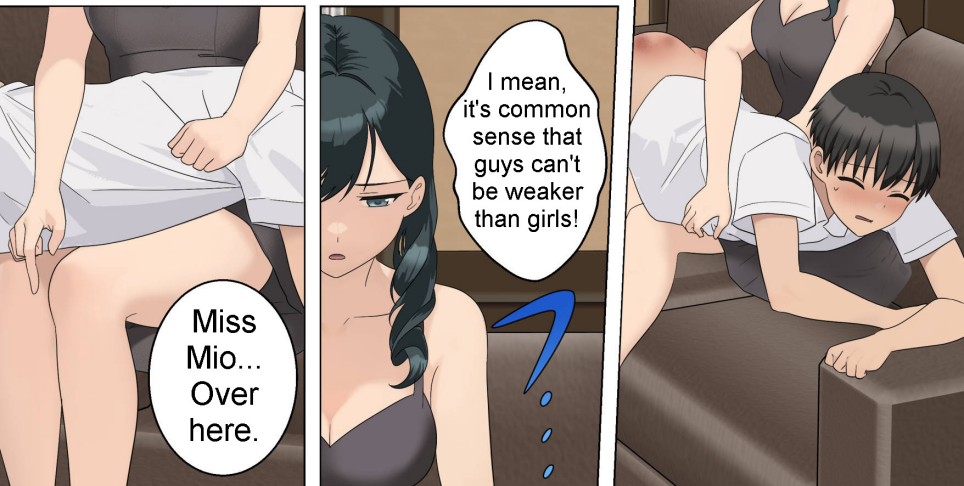

Come on,
over my
lap.

If you can't
protect
yourself at
19, you're
also at fault.

I was just
carrying out
my duties as
the
punishment
rep...

T-
that's
right,
miss!

Miss
Mio...
Over
here.

I mean,
it's common
sense that
guys can't
be weaker
than girls!

ぽか〜ん

Huh?
You
serious,
teach?

Did you think
I didn't know
about your
bullying other
kids up till
now, Miss
Mio?

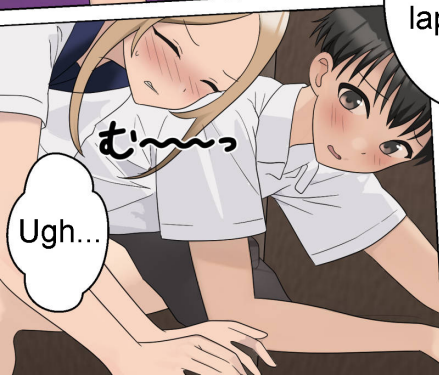

すん

Then
would you
rather this
boy
spanks
you?

That's
...!

I'll pick him as
the punishment
rep specifically.

Over my
lap. Now.

Ugh...

Make sure to apologize when you're spanked, okay?

Now then, I'm going to lift your skirt and lower your panties.

But he's right there...!

Here we go.

Embarrassment can't be avoided in a punishment, right?

I-I'm sorry...

And you,
Miss Mio?

... Looks
like you're
not going
to reflect
yet.

But
ma'am
!!!

Miss Mio, hold his
hand and apologize
while you're being
spanked.

Why do I
have to,
with a
guy like
that...

きゅっ

O-Oww!

Understand?

I'm going to keep spanking until you apologize!

バキッ

バキッ

バキッ

... I'm sorry, I was wrong.

ひんひん...

ひんひんひん

I won't do it again! So...

Please stop! I already apologized!

ひんひんひん

ひんひんひん

Both of you, hold hands again!

Ma'am ~!!

ひんひん

ひんひん

ひんひん

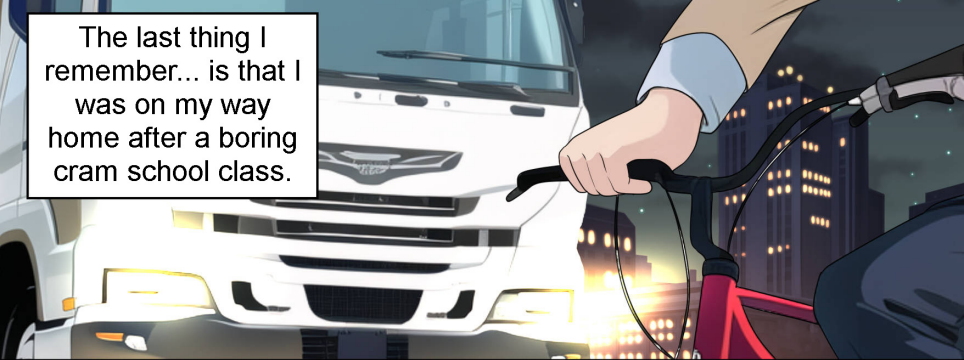

If you let go, we're starting over!

Hold hands and reflect like that for 1 hour.

フワッ

... No way...

The last thing I remember... is that I was on my way home after a boring cram school class.

I saw a rather

As I woke up after passing out,

Are you alright?

Master ...!

different world.

ガーン

Yes master?

You over there...

For example, the long-eared people working here wear clothes that expose their bare bottoms.

There are no language difficulties here and it's a beautiful place, but

there are many things I don't understand.

If the earl knew, he'd send him to a mental hospital thinking he was possessed or something...

Master feels like a different person somehow.

He doesn't seem as strict now? That's good for us but it's weird...

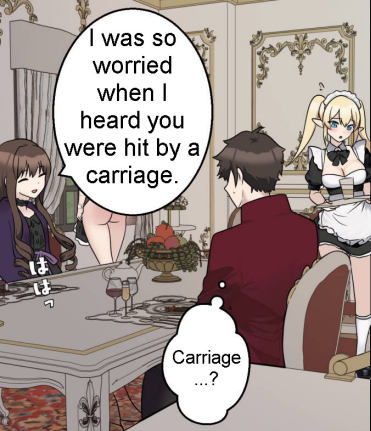

ガッガッ...

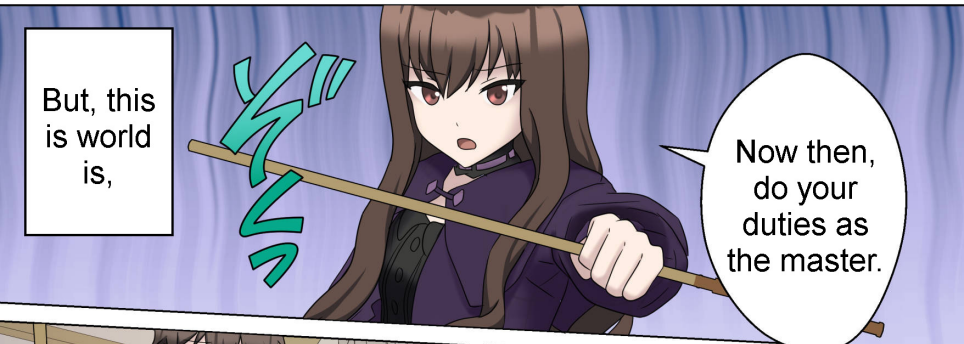

No... It's nothing.

One thing's for certain.

For my own safety, I have to act according to this world's sense of normality.

Sorry...!

So that's why the elves are wearing outfits that reveal their butts!

a world with a vastly different sense of normality.

So they can be spanked at any time...

Thank you very much, sir!

Haha, you're truly a master of elves! Deal!

Well, elves will behave once you spank them enough so it's fine.

Hey you, we had a lot of trouble training this one. You sure you're alright with her?

ドキッ

I wonder

I really said some villain-like things there.

じへっ

if I will really be able to adapt to this world.

Where is it? The present.

You sure grew up fast~

Congrats on your 18th birthday~

Well, come here~

As your big sisters, we've prepared a special present♡

P-present?

Whoa!

Both cheeks together, okay?
Hmm~ That's a total of 36 slaps.

Too bad~ Big sis' present is a spanking~☆

No way!
How is this a present...!

B-big sis?!

No way...!

I mean, you've been a bad kid these past 18 years~

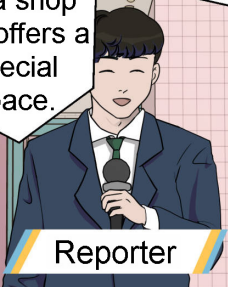

It'll be 38 next year, so brace yourself~

Owww!
No mooree !!

Yes, I'm currently in the downtown area.

There seems to be a shop that offers a special space.

Reporter

It's been 6 months since the punishment qualification system was implemented.

There's been some trial and error, but society has changed quite a bit.

Amongst the affected shops is this one, which is popular lately. Let us introduce you.

NWES

It's right here.

Anyone with the qualifications can use this unmanned shop, but

let's ask the citizens why they're visiting.

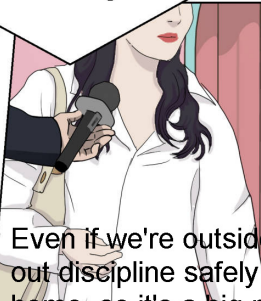

Let us see inside ~

Geez, why do you want to see that?

まはは

Hey, I can hear sounds from within.

Even if we're outside, I can dish out discipline safely as though we're home, so it's a big plus.

Of course, we received the guardian's permission to film.

Please excuse us~

Eh? They're really letting us see?

What is your relationship with each other?

Mother and college-going daughter.

Whoa! She's a big girl!

How did you misbehave?

This is embarrassing so please don't film!

Oww...

ズキッ!

Hrk...!

ヒキッ

ヒキッ

Ma'am ...?

ヒキッ!

Come, whack me!

The reason you're all bad kids!

Is because I didn't teach you properly as your teacher!

Ugh!

Eek!

-Student Guidance Counsellor

At the staircase of every floor is a designated "Corner Time Area".

You have to maintain the proper posture during punishment, so it's extremely difficult during the 10 minutes of break time.

She's really holding on~

Hehe.

Many platforms were built in the downtown area for public punishments.

Forcing your head up is dangerous.

Poor thing~

What'll you do if I got punished like that?

Hmm ...

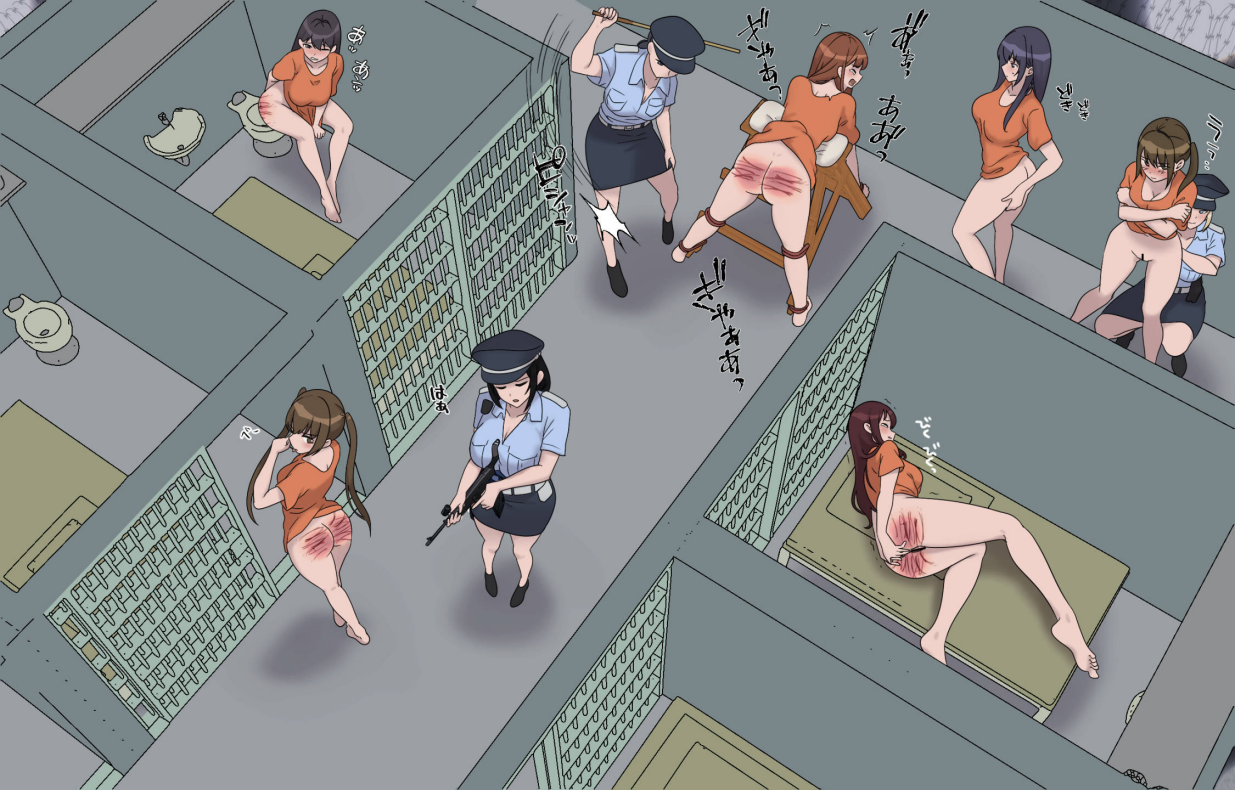

The girls softball club lost to the boys baseball club!

This is payback for last time!

A look at
lights out
time at
the
facility:

After the punishment,
what awaits them as
they return obediently
to their rooms, is
reflection time as
they rub their sore
bottoms.

Before lights
out, all inmates
must receive
corporal
punishment.
The amount is
the same for all
of them: 20
strokes per day.

At this facility,
inmates are not
allowed to wear
underwear so they
cannot hide
contraband on them,
and body checks are
frequently conducted.

I'll return your camera after you pay the price for your little stunt.
