Previously, some students
with teacher came to an
island for summer break...

However, among them has a student who was possessed by an entity...

Izumimoto Eimi...
a member of the Supernatural
Phenomenon Task Force.

Along with it is another naughty entity... who possessed Asuna.

Though this island
has much more...

...as a different entity
show up out of corner...

Swwhoosssshhhh

It took over body
of Ako, an officer of the
Disciplinary Committee.

What will happen
next in this chapter?

Yuka? What are you doing?

Ah, teacher!

I'm building a sand castle!

Oh, I see.

But it seem that you
no longer need help...

W-Why not? Of course I need some help to... balance it...

Teacher...

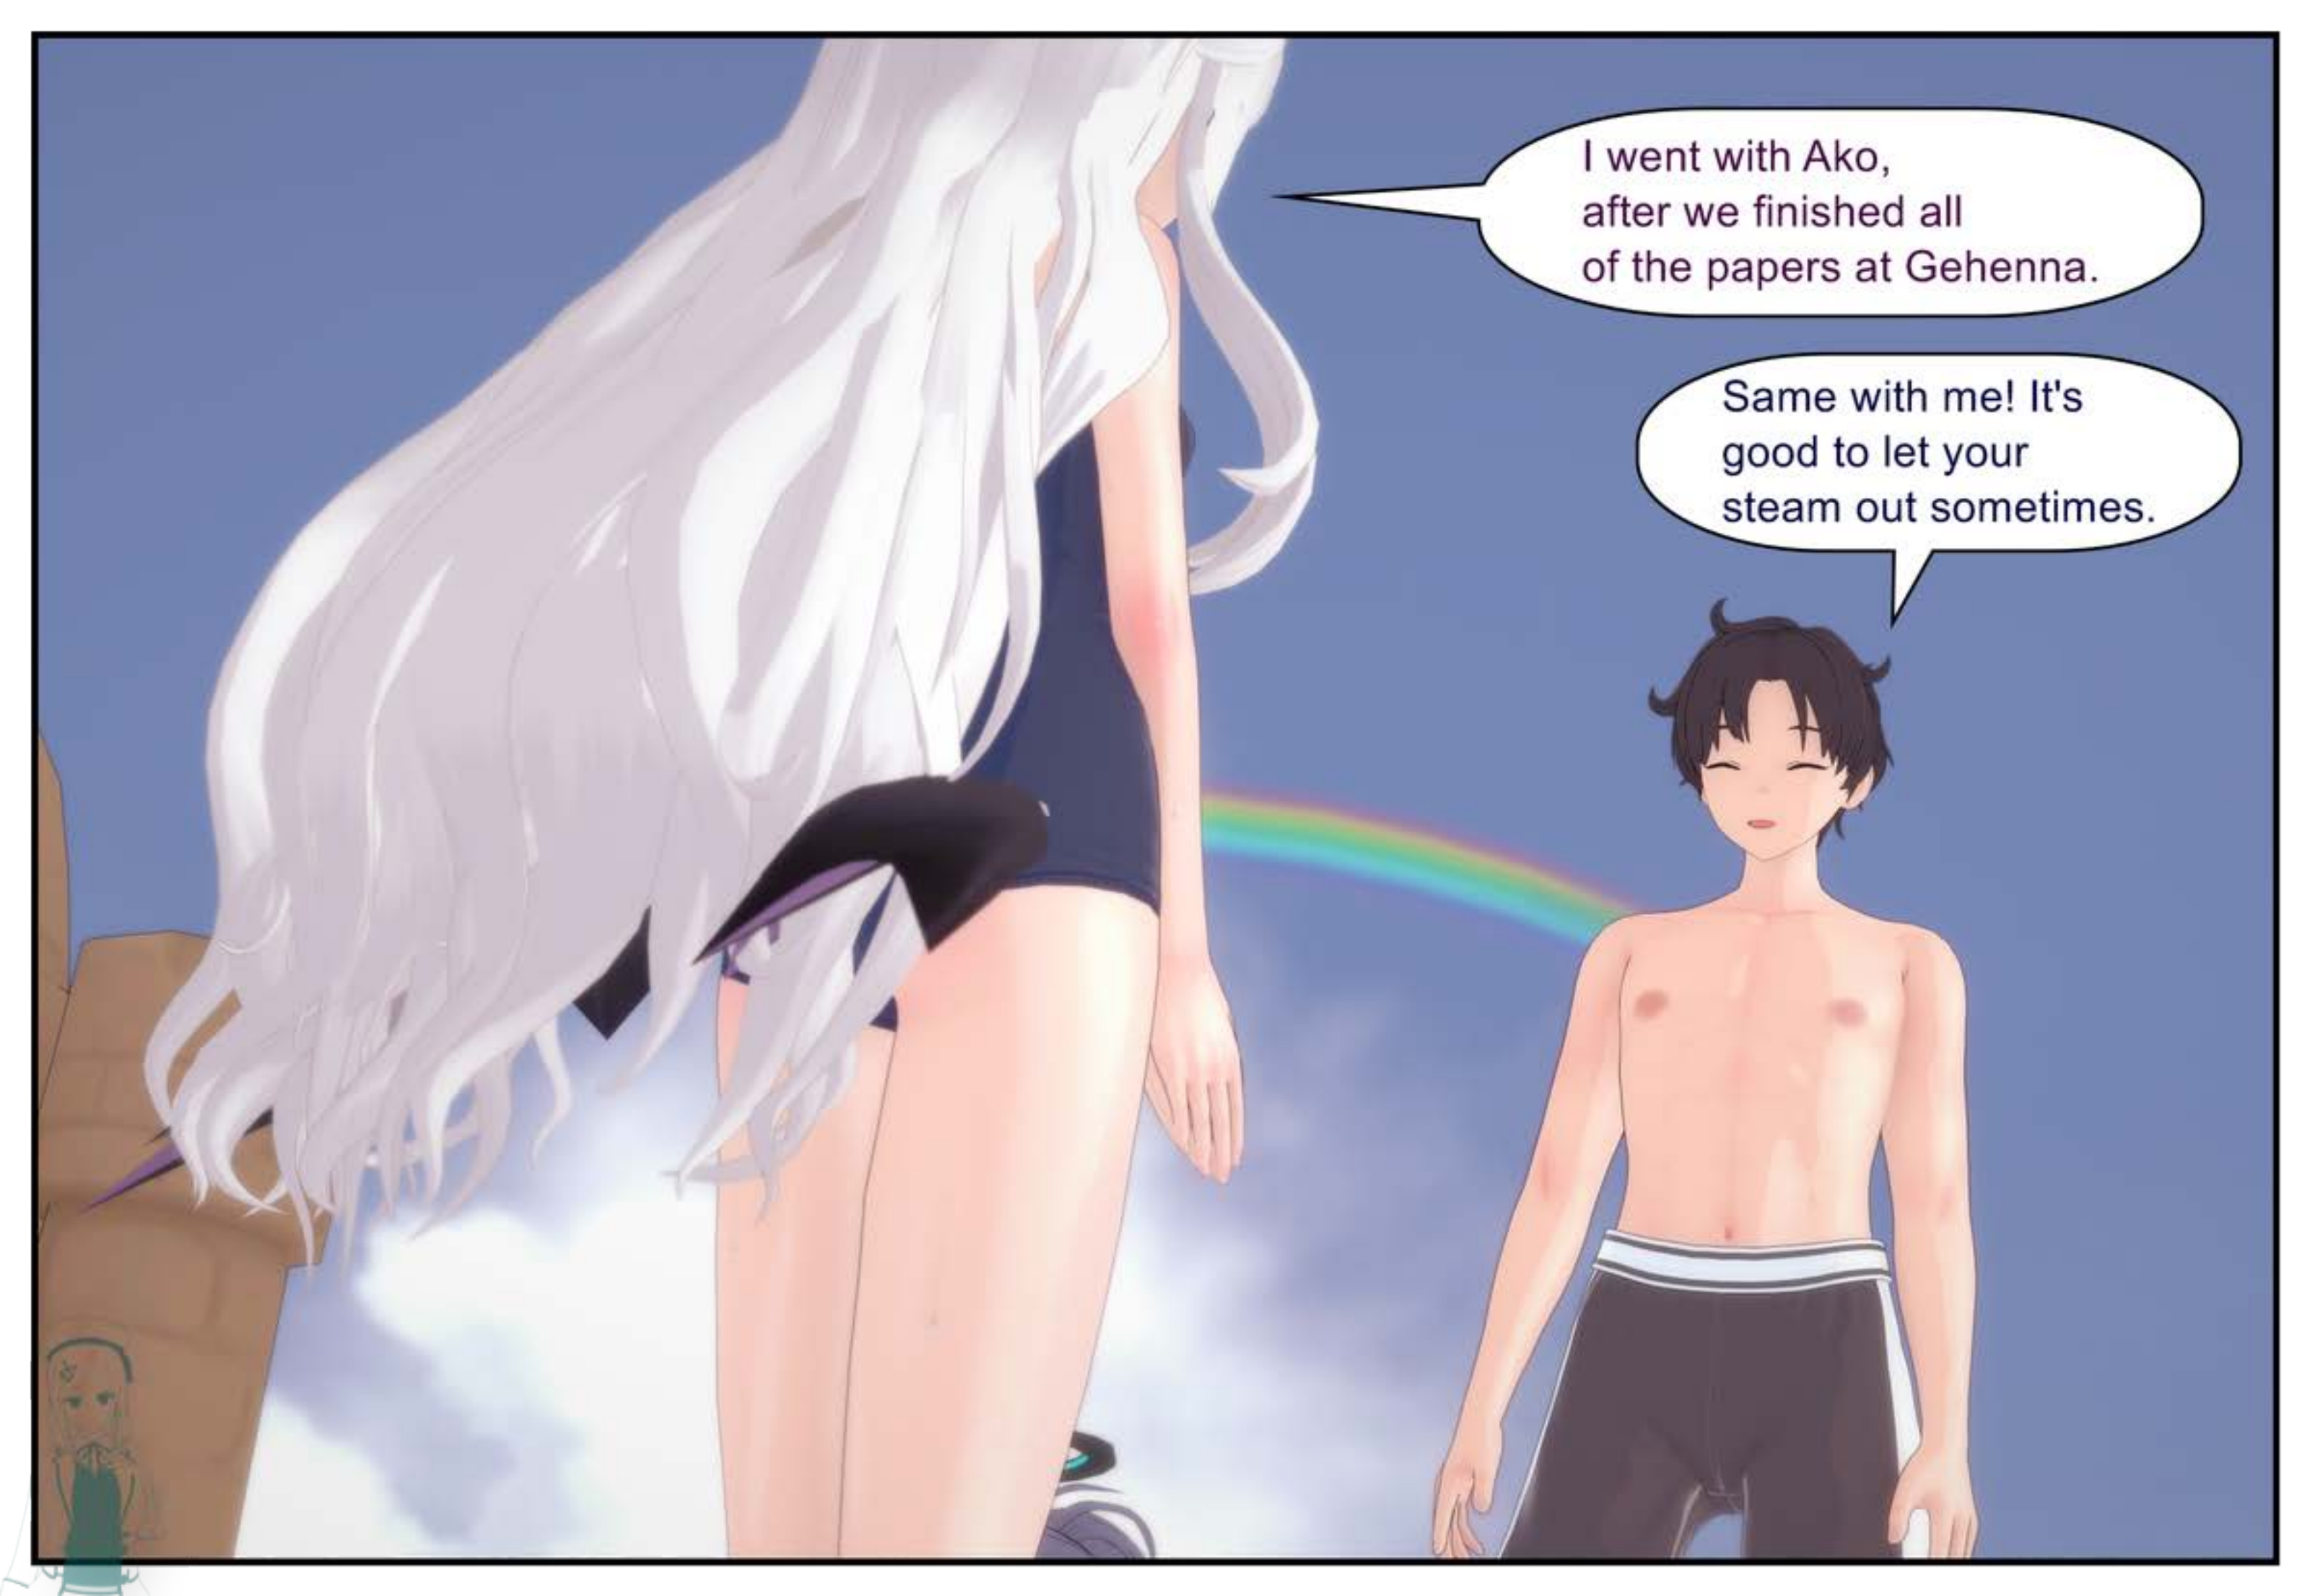

0x

G-Good morning.
It's great to see you.

H-Hina!? I didn't
know your would
be here, too.

I went with Ako,
after we finished all
of the papers at Gehenna.

Same with me! It's
good to let your
steam out sometimes.

U-Um...

Hm... Where's Asuna and Eimi? Toki also.

I haven't seen them for a while...

T-Toki...!?

What are you doing with your weapon!?

Activate... destructive mode.

Teacher! Stand behind
me!!! Stop it, Toki!
Don't you...

Water splash!
Peace. Peace.

It just a prank!?
You almost made my
heart jump!

Teacher!? What are
you smirking about?
Were you a part of this!?

Well... Spice the
day up a bit...

Peace...

"Hm...? I thought
Ako was behind me
all the time?"

In the other place...

Want to go for
another round?

Hm... Why not?

Before that, we shouldn't raise anymore suspicious.

Hmph... They are only normal human.

My feeling was right.

I can see that you
two have quite hot time.

I don't understand
what you are talking!

Hehe... You still haven't recognized.

We are from the same side.

I have an offer. Do you want to hear it?

"Summer at the beach is the best."

You stop it right there!!! Toki!!!!

Teacher!!!

Mika!?

I knew you would be here, teacher!

It's a nice island...

Not so crowded,
instead peaceful
and relaxing.

I met Mika along
the way so...

It's been a long
time, Ichika.

Hm... I have to answer this call.

Enjoy your summer,
you two.

Okay, see you later on, Ichika.

"Only me... and
teacher left..."

Um... So what are we doing now?

What do you want to do, Mika?

I... don't know...
Ahaha...

Is that a new
haircut?

"Un... I cut it myself
but it was failed..."

So... do you
want to talk?

Building a paradie...
what do you think?

Why should we trust you!?

Interesting...

What? Are you serious?

Don't worry, let's see what it has to offer.

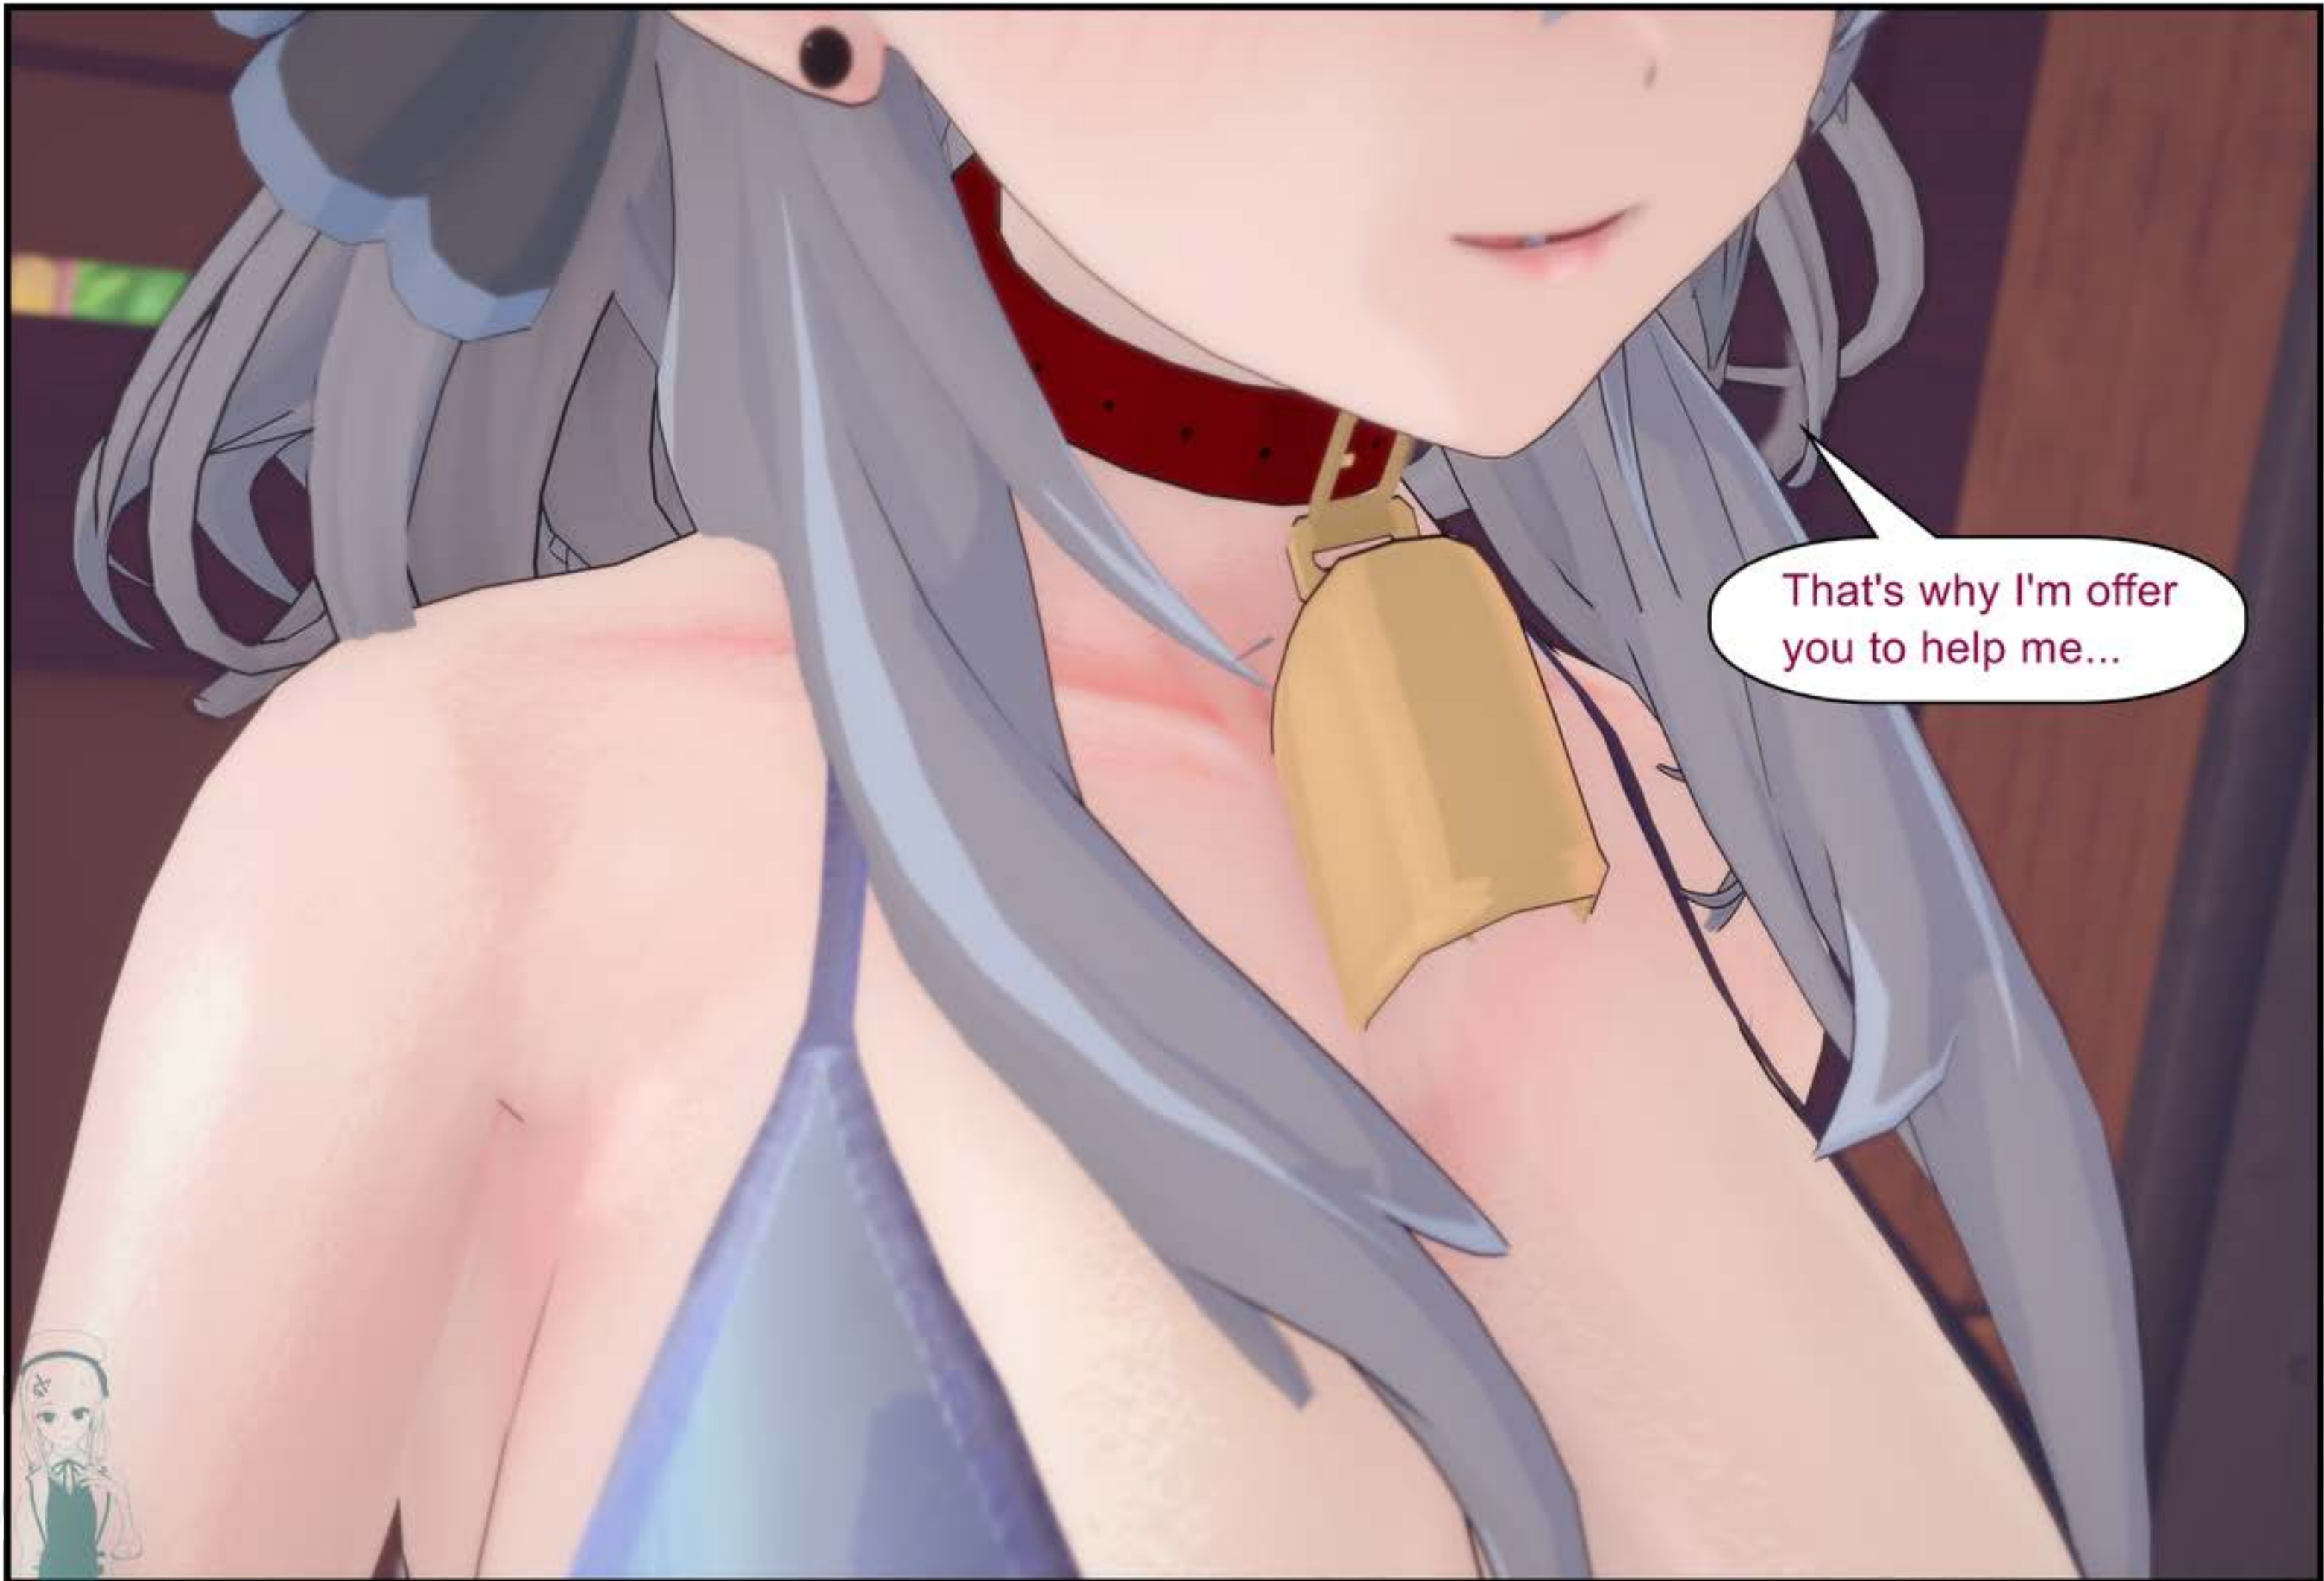

Hehehe... Of course...
You can either work
with me or refuse...

But soon... trouble
will come find you.

If it wasn't me who came in, what would you do?

That's why I'm offer
you to help me...

A character with short, layered grey hair and glowing purple eyes. She is wearing a blue bikini top and a red choker with a gold bell. Her right hand is extended to the side. The background is dark with horizontal lines.

...to build a paradise,
and lure more of these
hosts in for us.

It seem that you are all agreeing?

That was a good plan, I must say.

"Asuna...?"

But I prefer to enjoy
alone than it.

More bodies we have, more fun.

"Asuna, Ako and Eimi?
What are they doing in here?"

"From the look on
their face... Something
is not right."

Then... Tell us
more in detail.

Kreeekkkk

Who's there!?

We have been seen!!!
Get her!!!

Toki... I'm sorry...
Are you okay?

Oh? Maybe you misunderstood us.

I heard everything...
Don't you pretend...

We only talked about
our teacher.

I won't fall for that
cheap trick!

Hm... How sad...

I don't think you would believe...

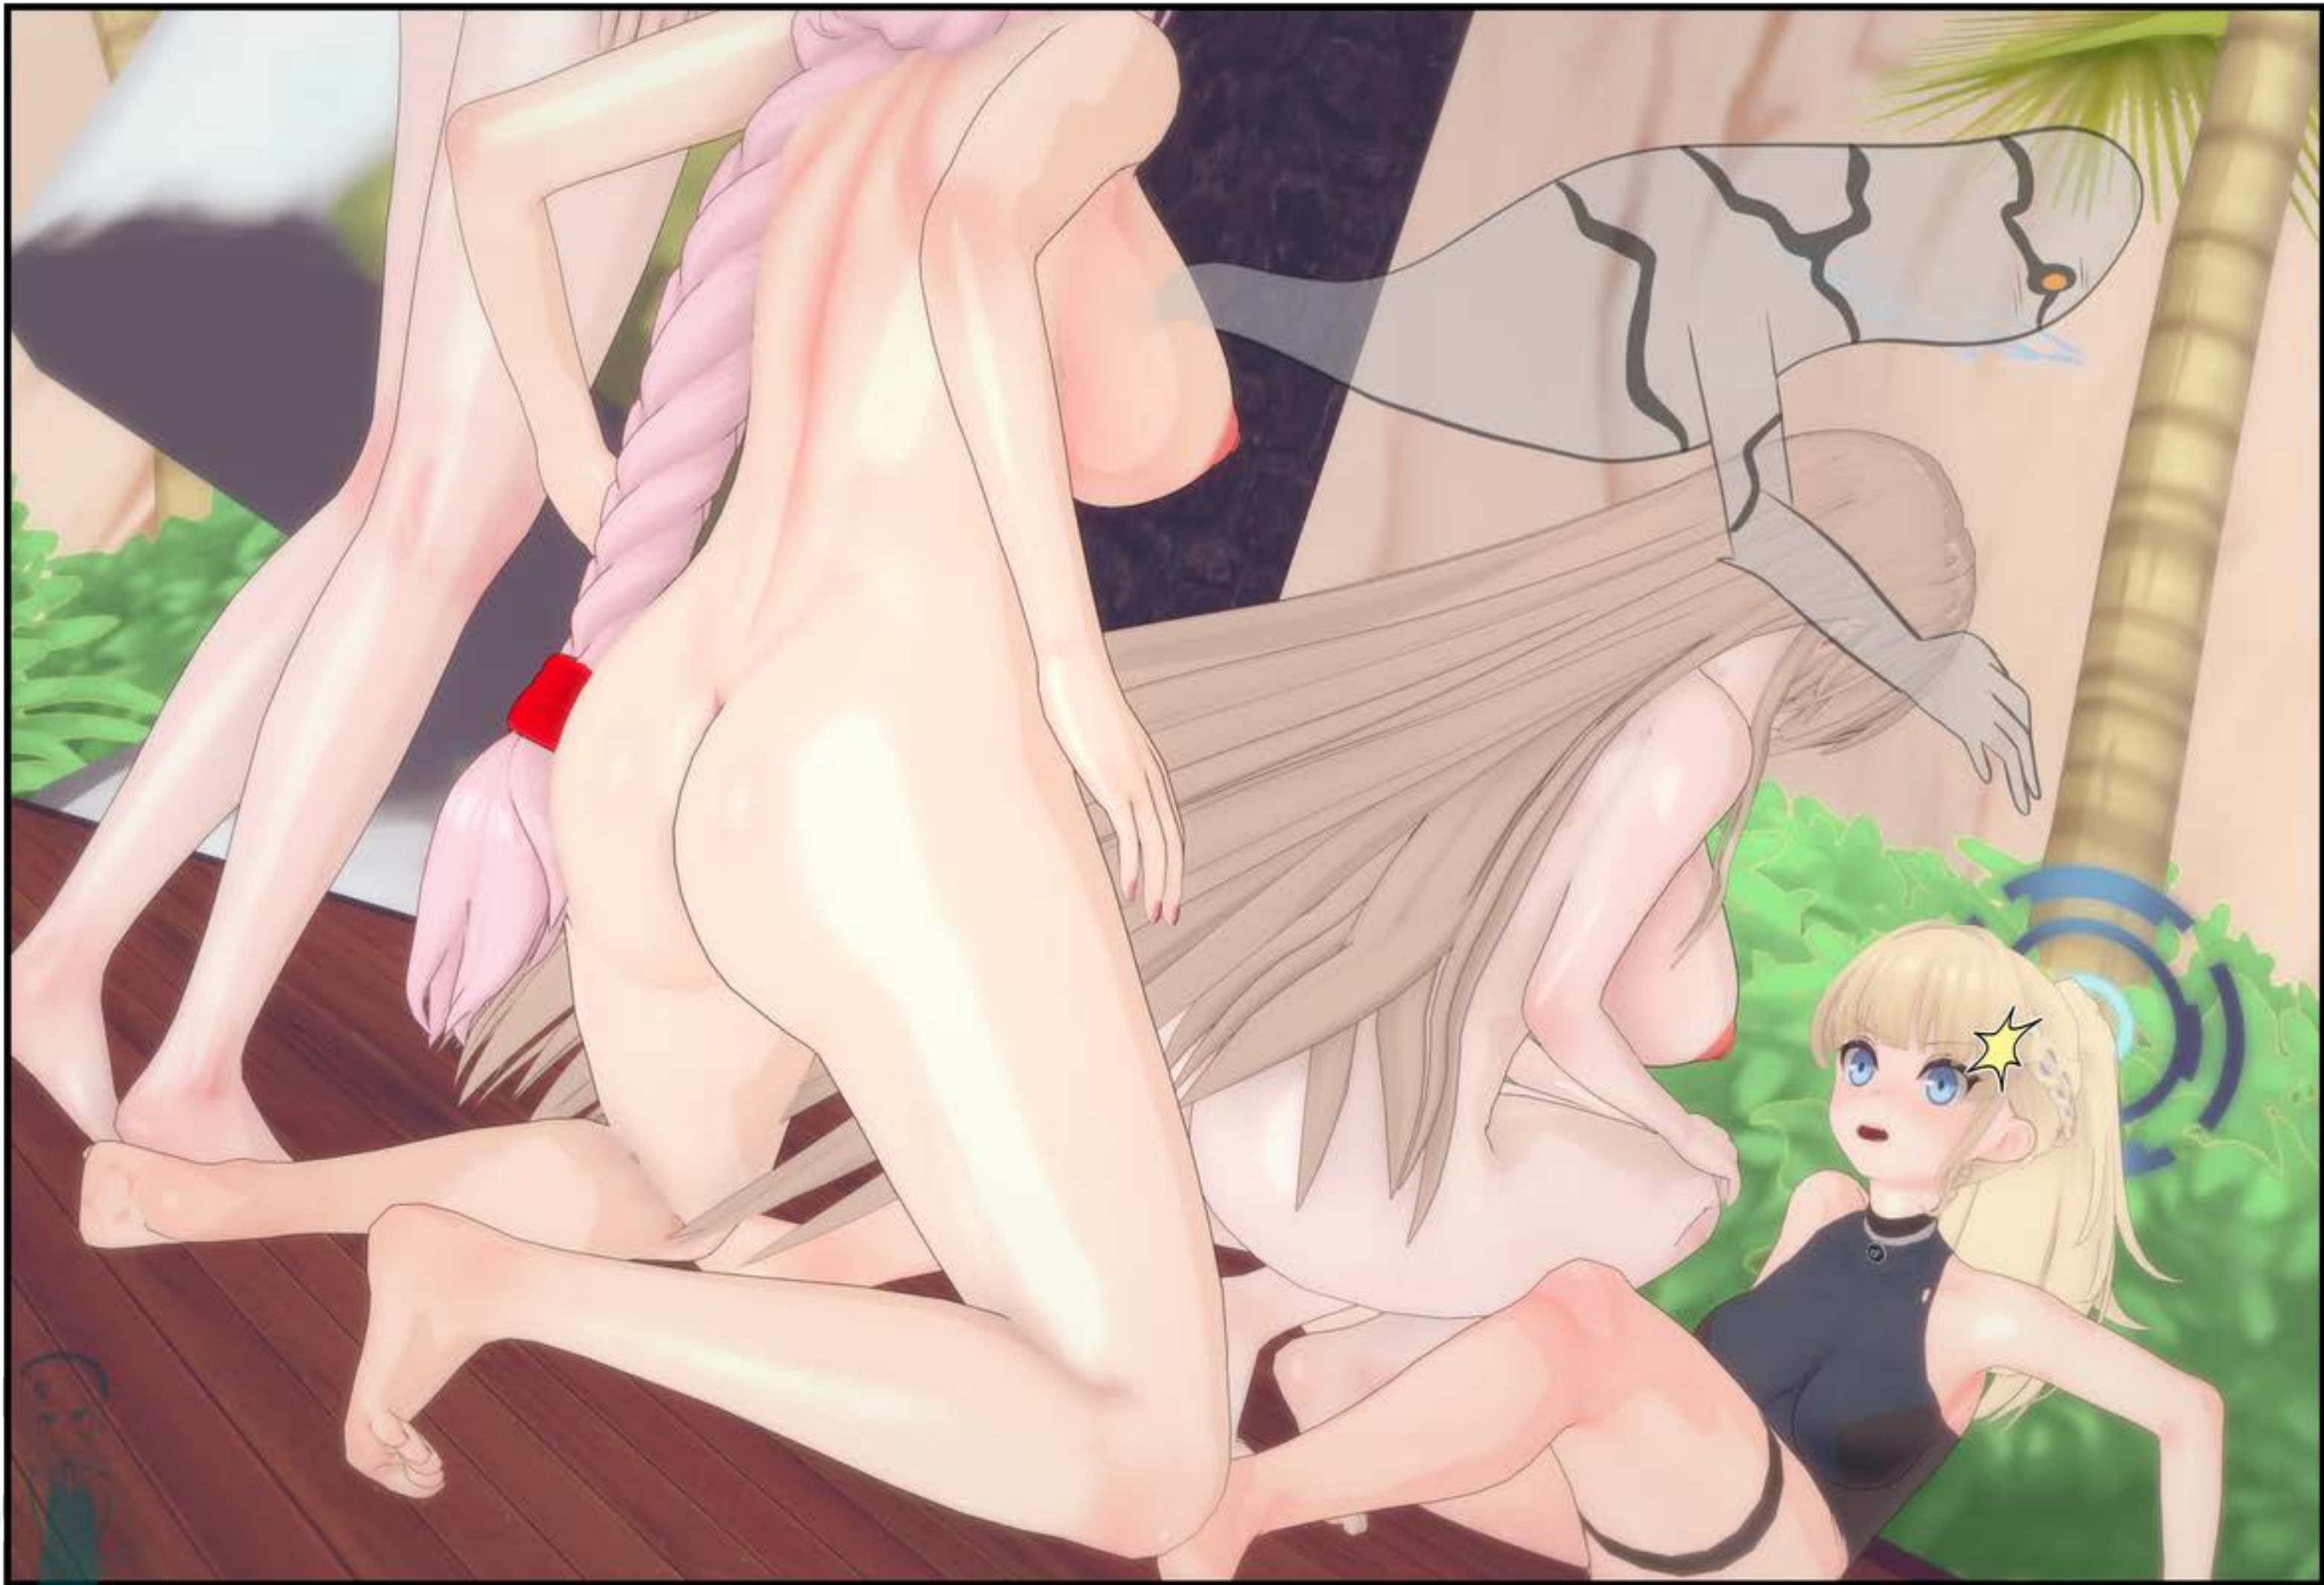

I want to save you
for later... But you
saw everything.

Mind you?

Heh... With pleasure.

W-What is...!?

Swwwoosshhhh

W-What's going on here!?

Kind of creature
are you!?

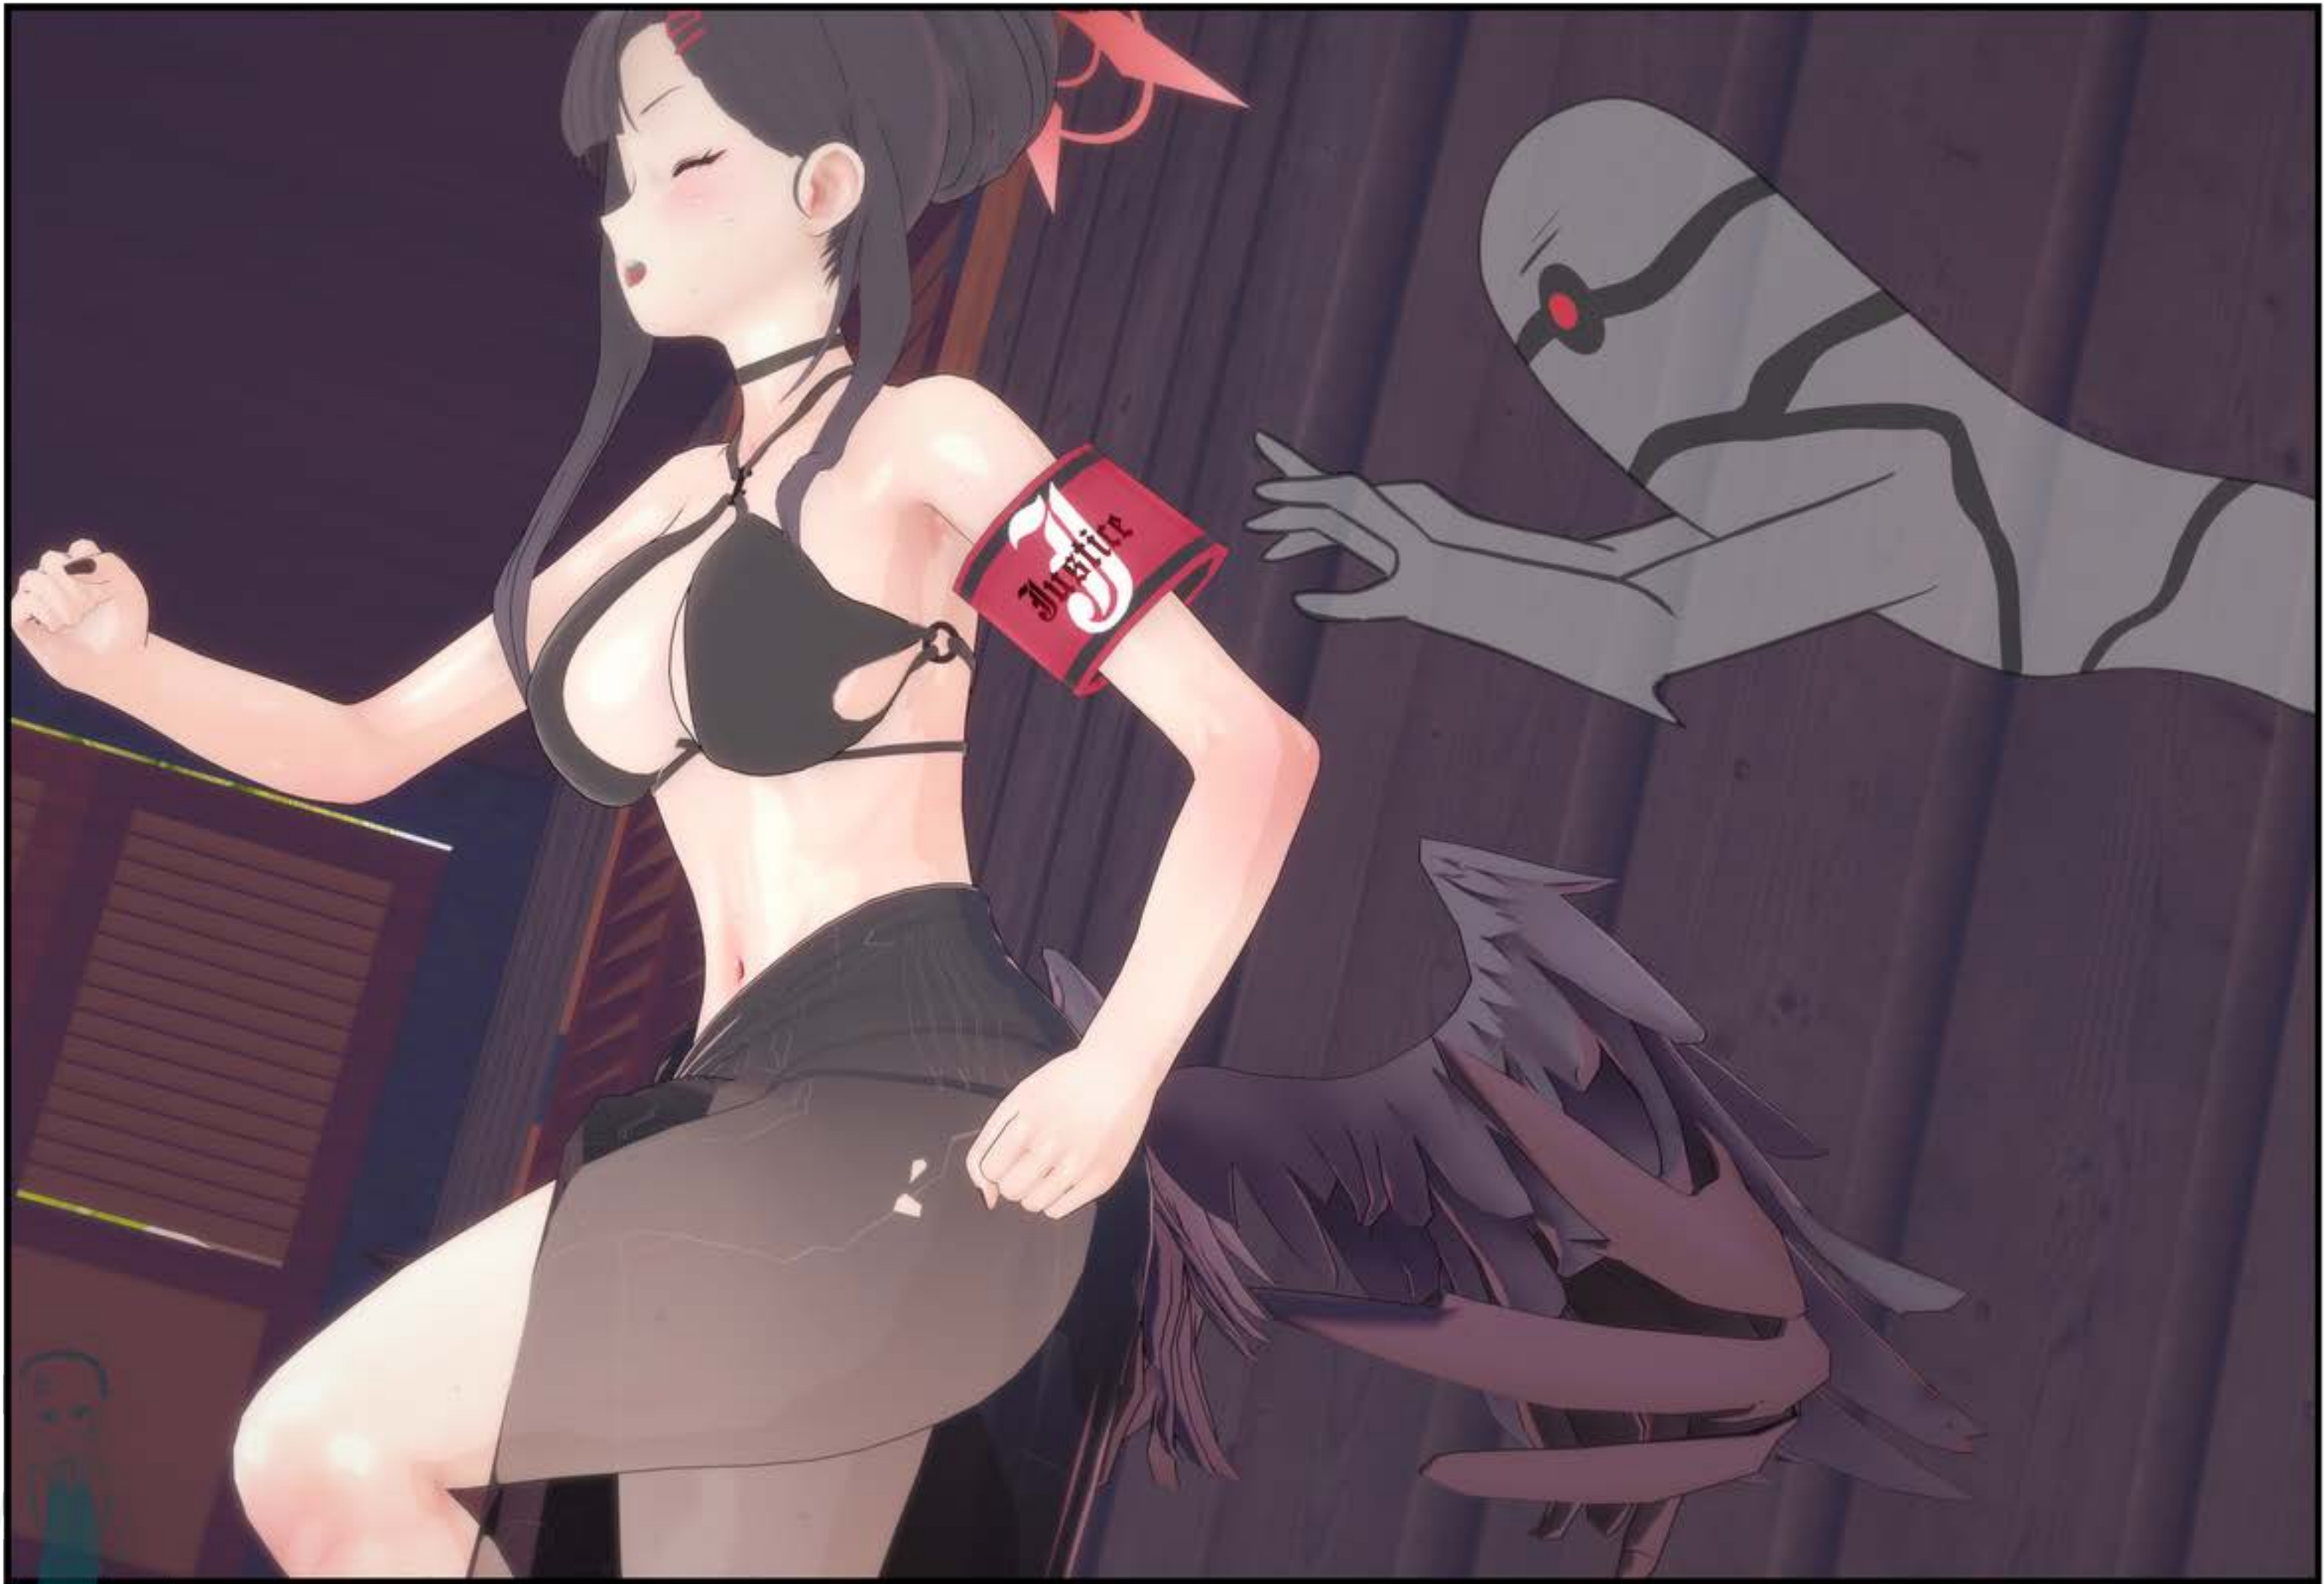

I have to tell
the others!

Hmph... This is
the problem that
I talked about.

Leave that one to me.

Hehe... Are you
still resisting my friend?

Why don't you let
your mind relax?

Submit... your body, Toki.

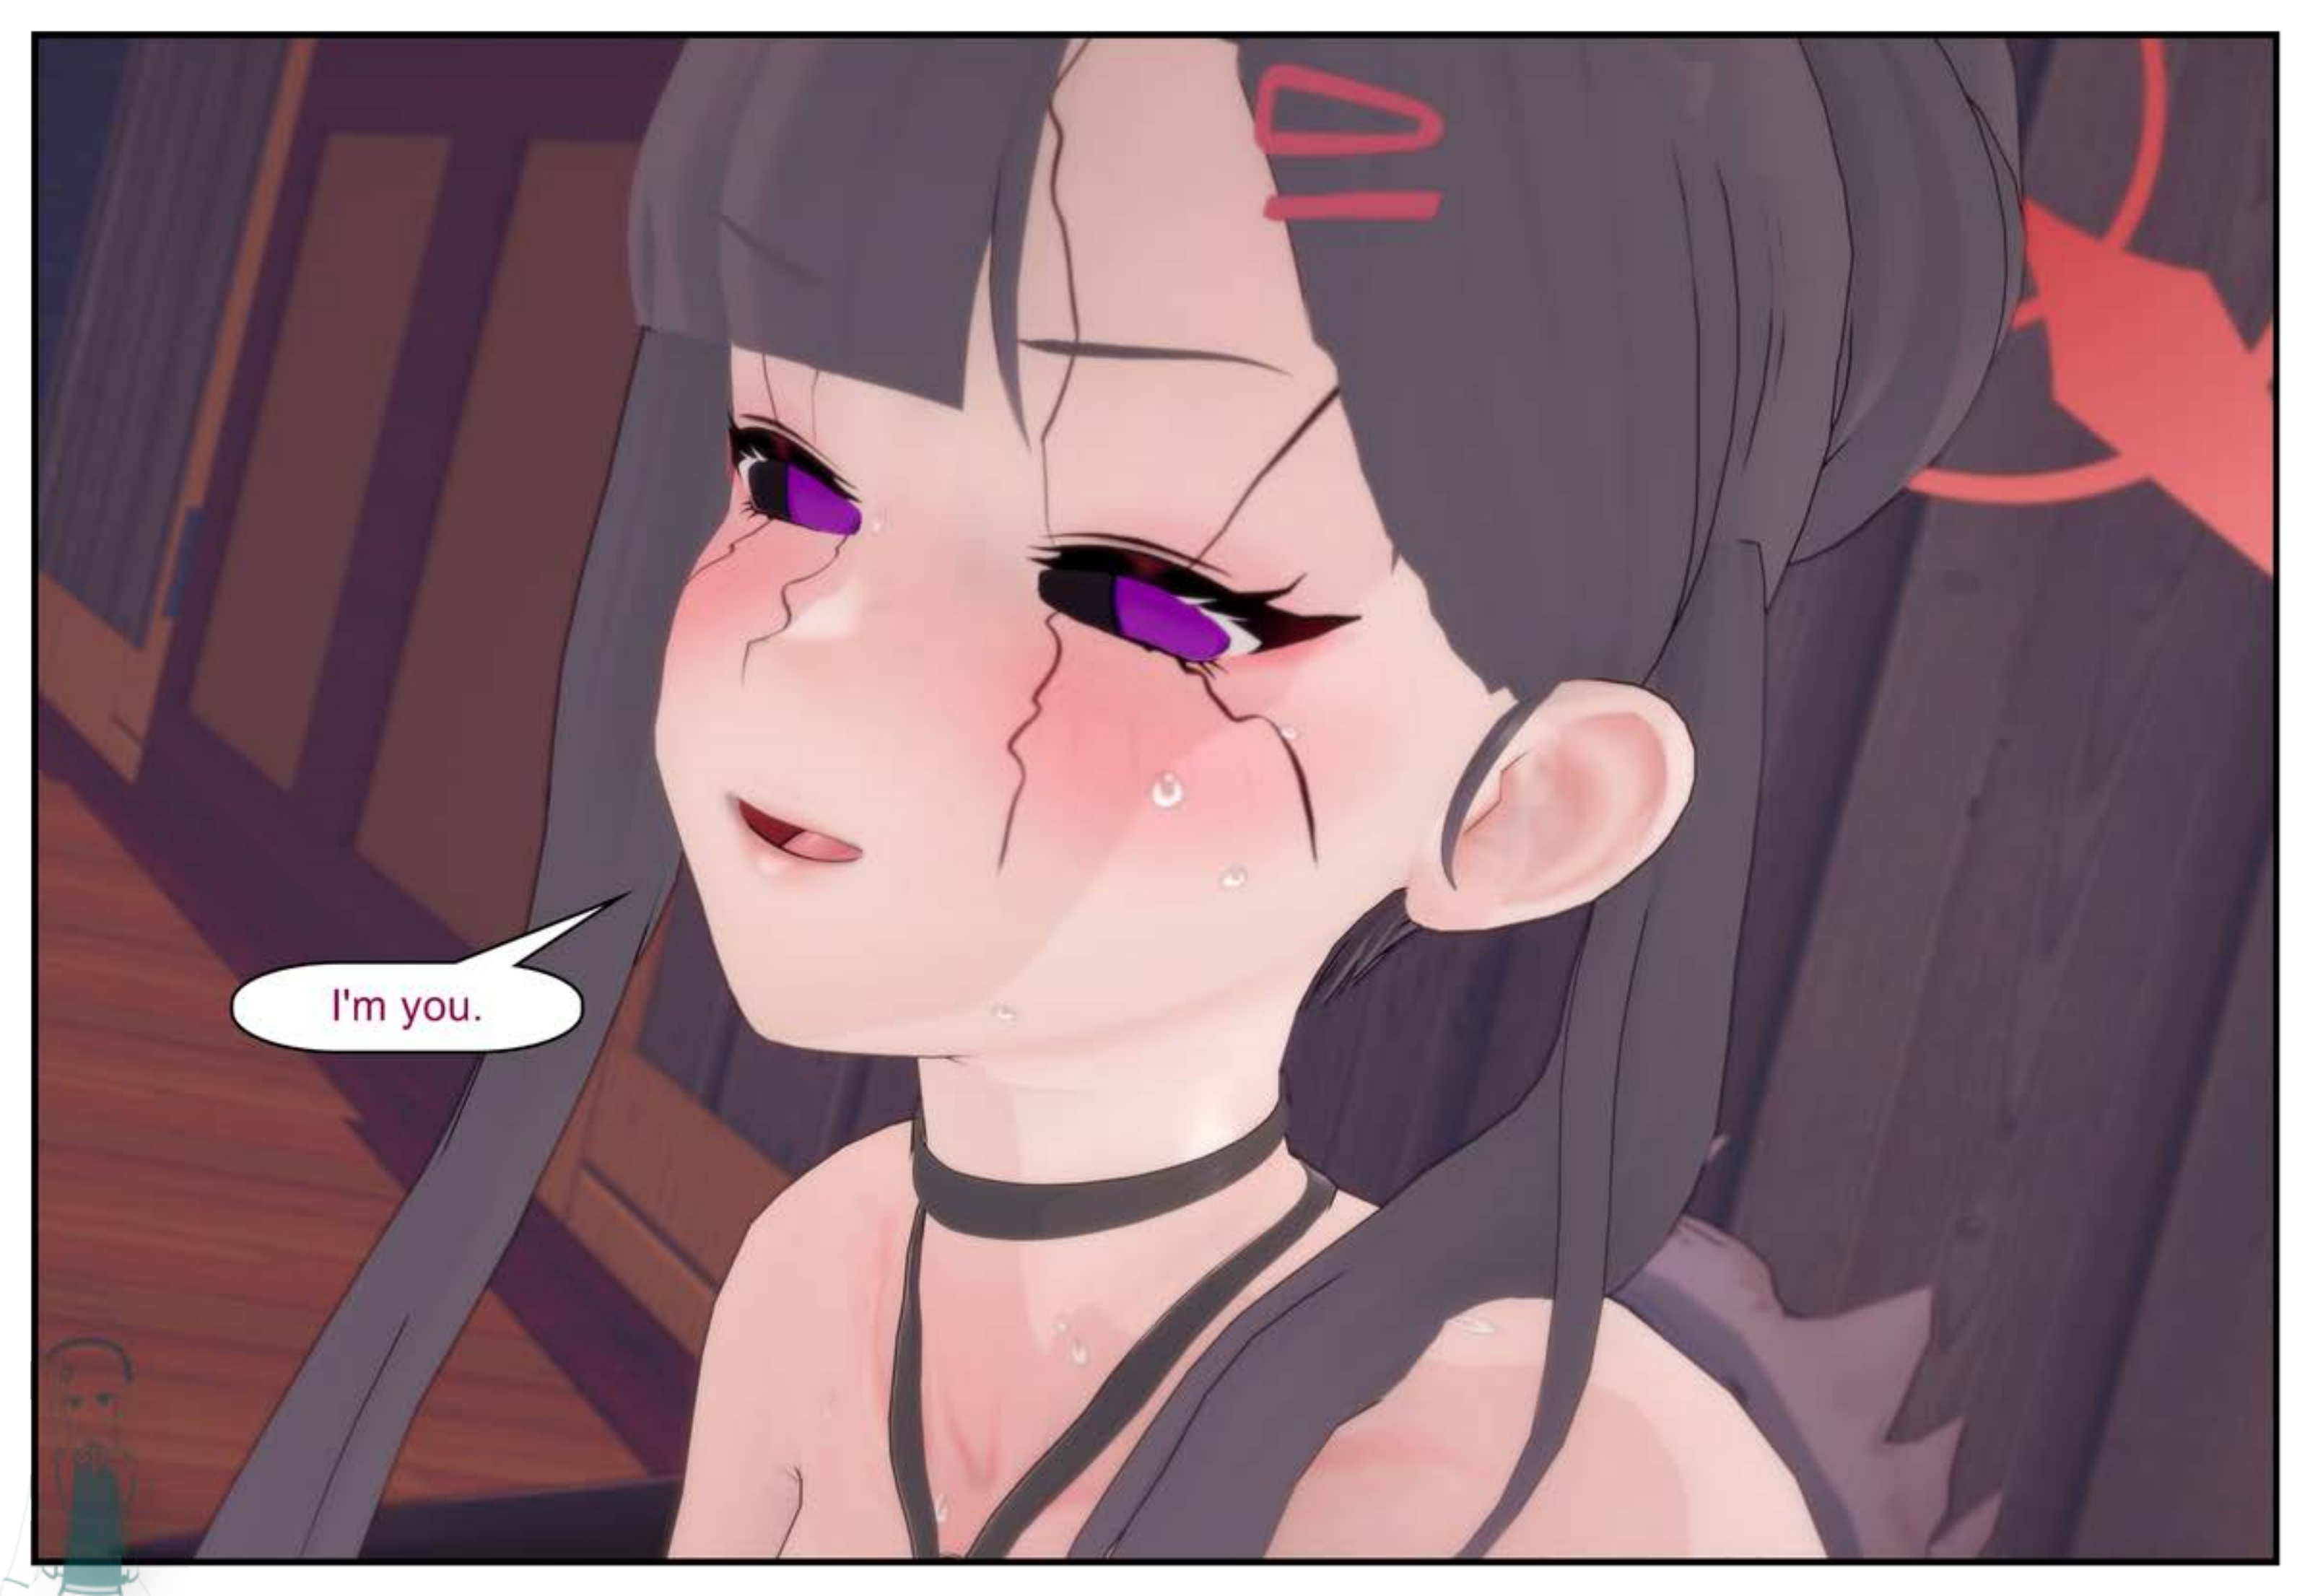

W-What are you...

I'm you.

Quick and simple.

Takeover successful.

You won't know when
this happen...

I don't want others to be alerted.

That's why we need to release more of ours.

How are we going to do that?

Justice

I will show you the place. We will meet up later on.

Don't raise any suspicious. I will clean up these one.

"They will serve as
a host for our fellow."

Ichika! I looked
for your everywhere!

A manga-style illustration. On the left, a young girl with long black hair and a black school uniform with a red sailor-style collar and a pleated skirt stands on a wooden floor. She has a black choker and is looking towards the right with a nervous expression. On the right, a massive, highly detailed leg of a person in a white, possibly latex or silk, outfit is shown from the knee down. The leg is extremely close to the girl, filling the right half of the frame. The background consists of dark wooden vertical slats. A speech bubble is positioned to the left of the girl.

U-Um... Are
you busy right now?

I will attend an important meeting later on. What is it?

It's nothing much...
I wanted to check-in.

Then go take a
break. You need it.

"Hehehe... Soon,
all of you..."

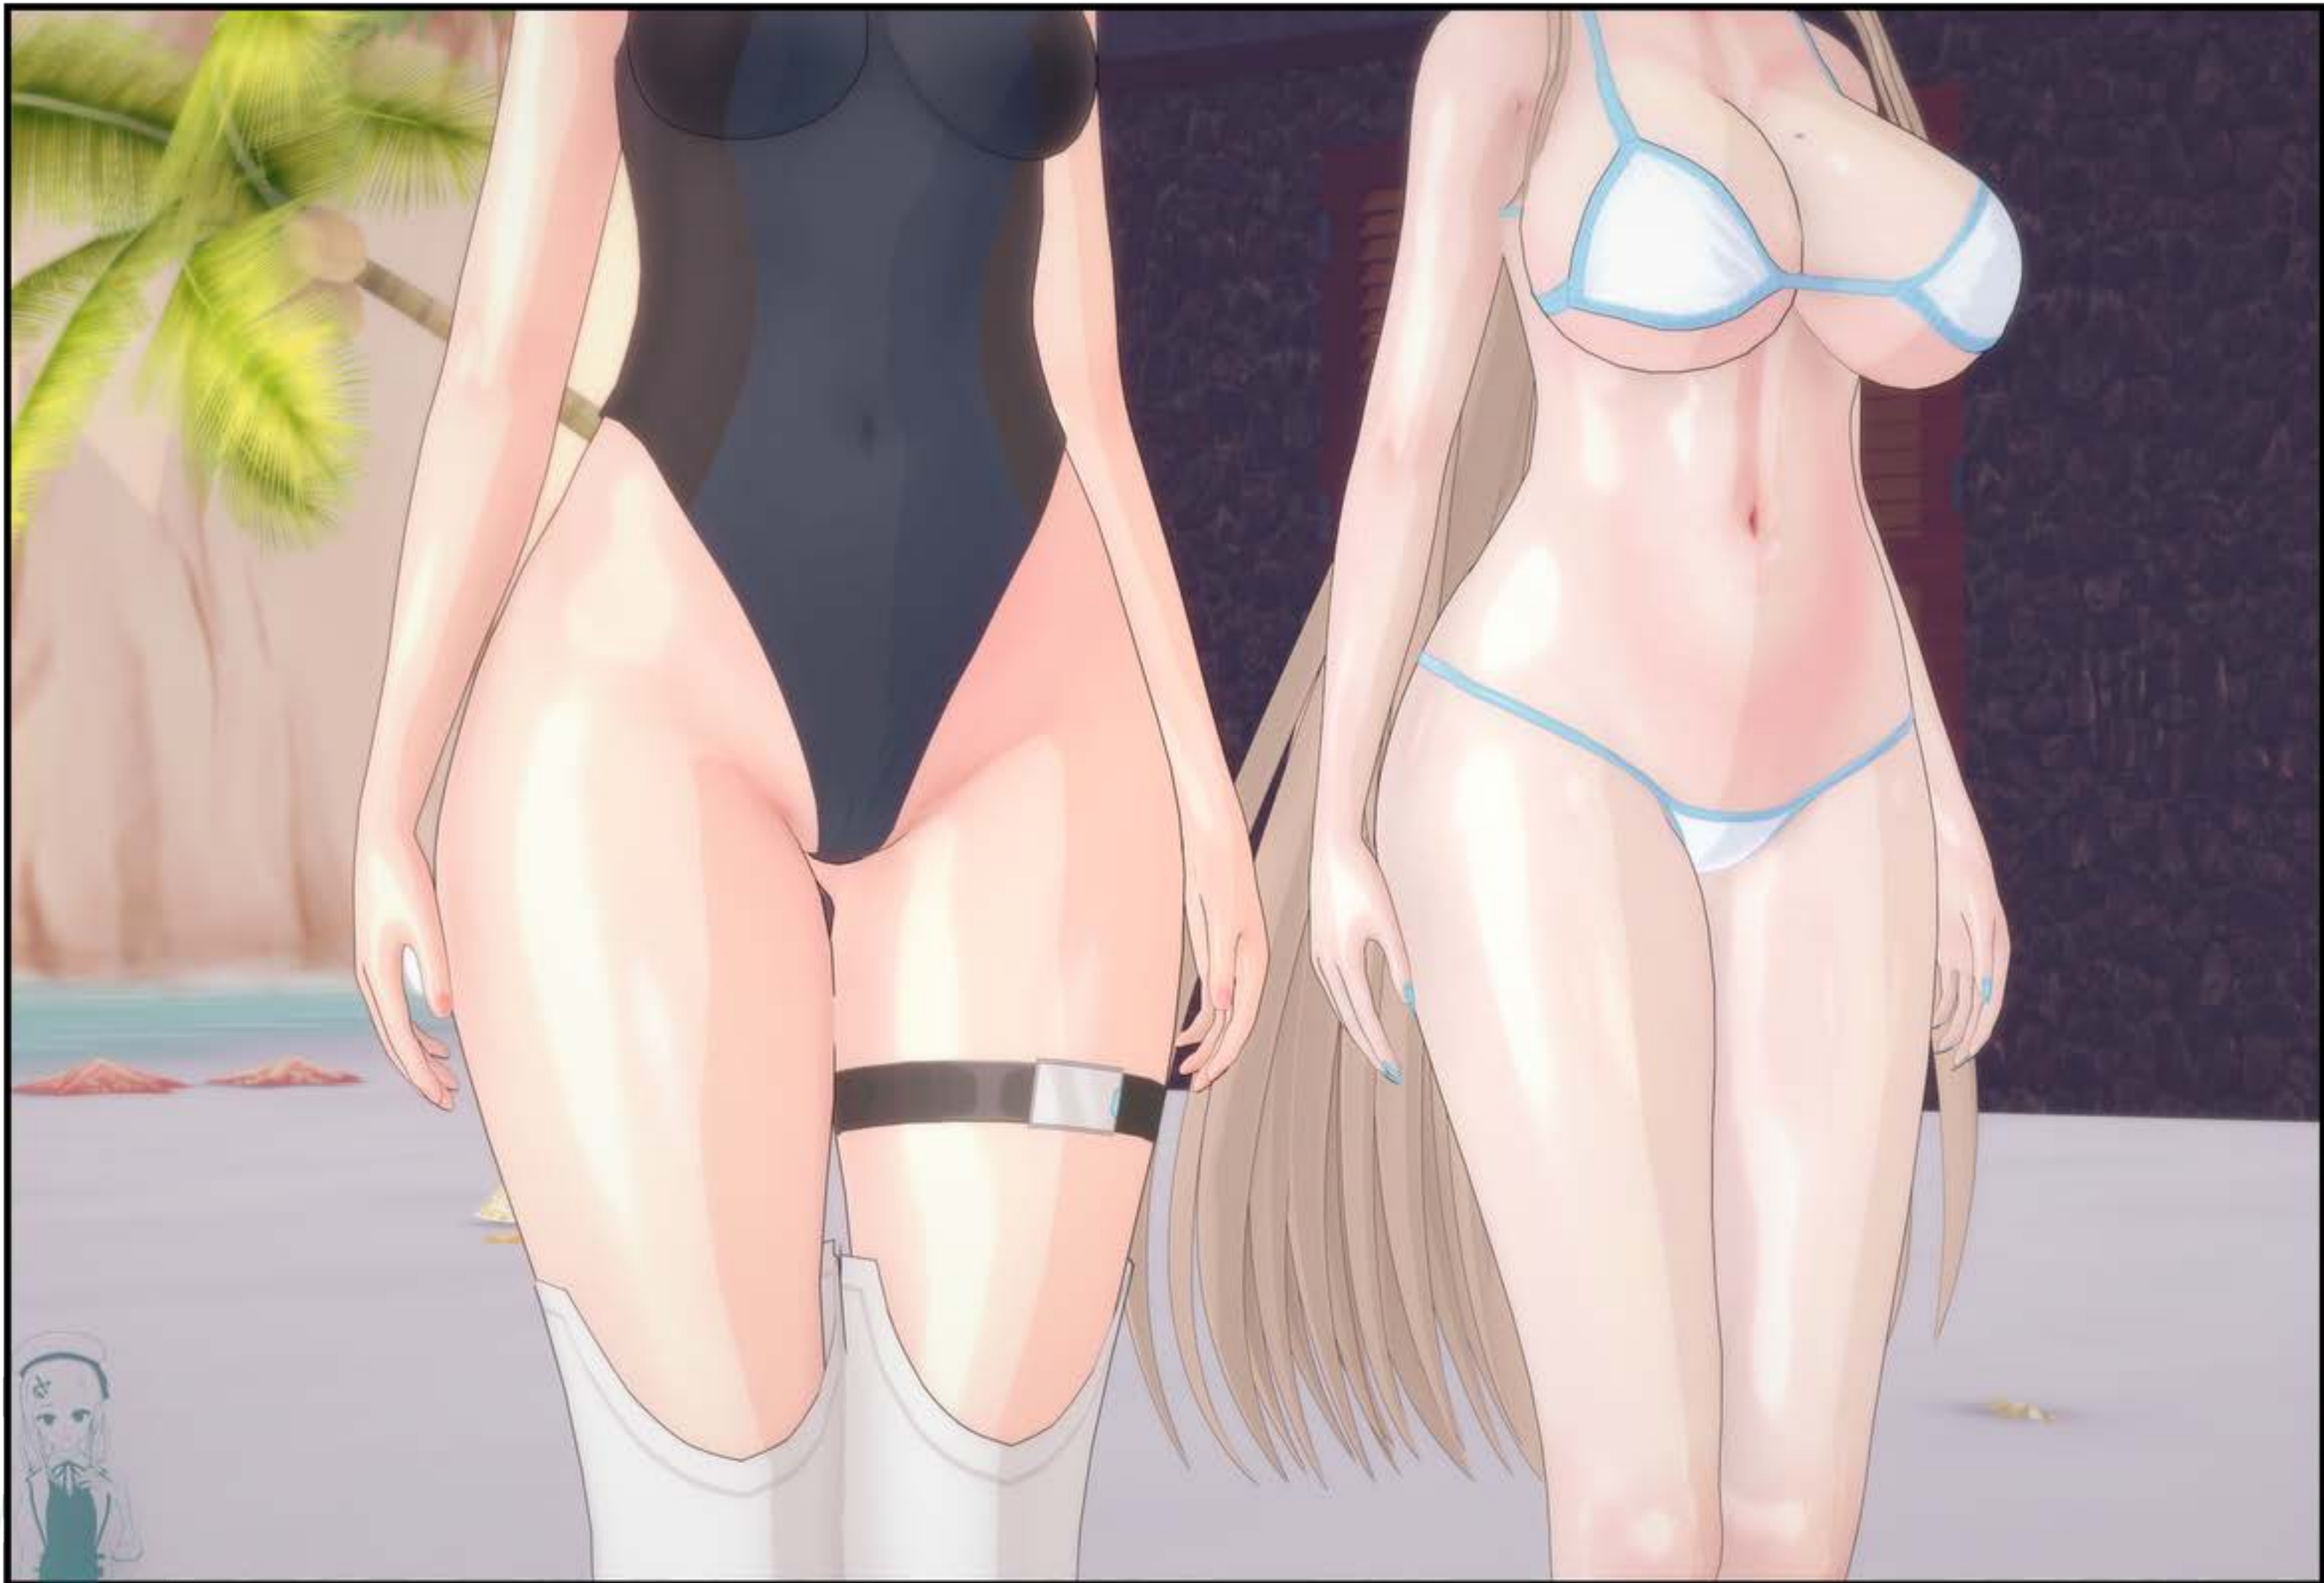

"...will be a part of my own paradise."

"I will need to
prepare everything first."

The ghost entity will bring darkness to this world!

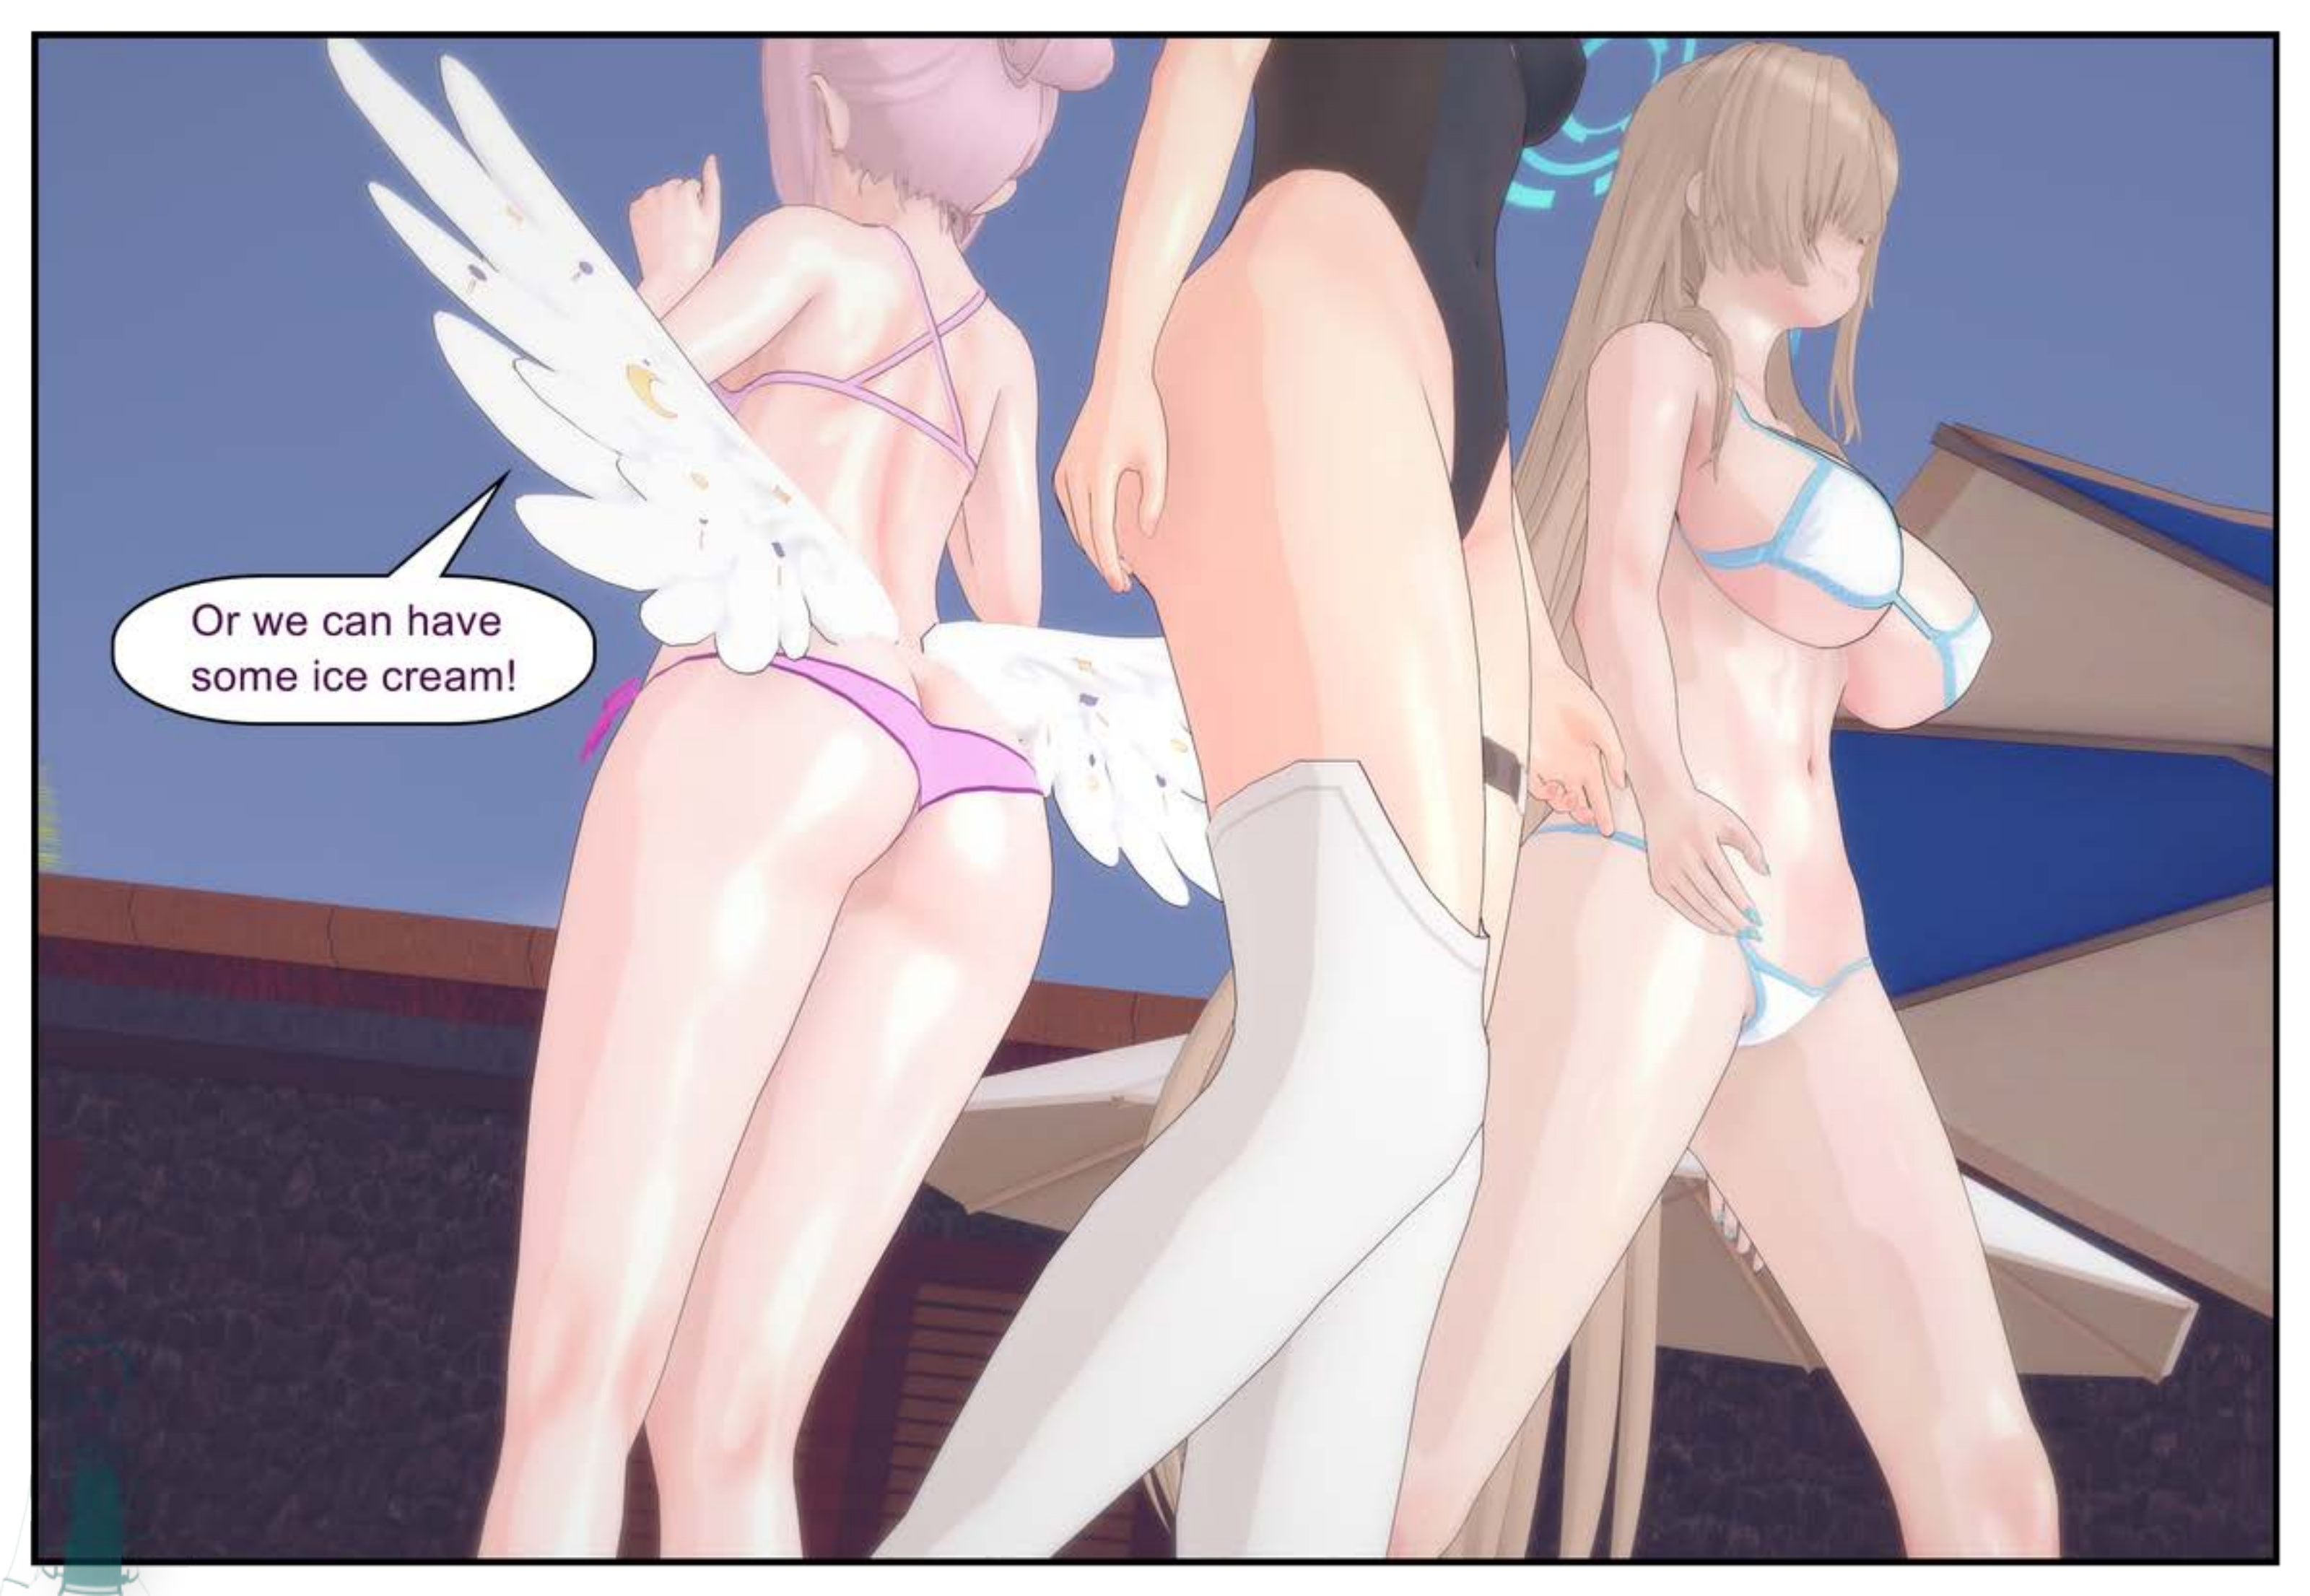

Hi, Asuna, Toki!
It's nice to see you!

What are you going to do now? Want to dive into the beach with me?

Or we can have
some ice cream!

Or... maybe not...

Mika? Is everything alright?

Nothing. Do you want some ice cream, teacher?

Okay. By the way,
we can call more
people to the beach!

"Strange... A moment ago, they were still energetic."

You came just
in time.

Are we going to
summon them here?

Yes, we will called
our fellow from
different dimensions...

The image depicts three anime-style female characters from behind, standing in a courtyard with stone buildings. On the left, a character with long, flowing light-brown hair is partially visible. In the center, a character with short blonde hair wears a black one-piece swimsuit with a high-cut back and a black waistband. On the right, a character with black hair in a bun, adorned with red horns, wears a black bikini with large black wings and a red armband. A speech bubble from the winged character contains the text: "...and they will go through that gate."

...and they will go through that gate.

Then how are we going to do it?

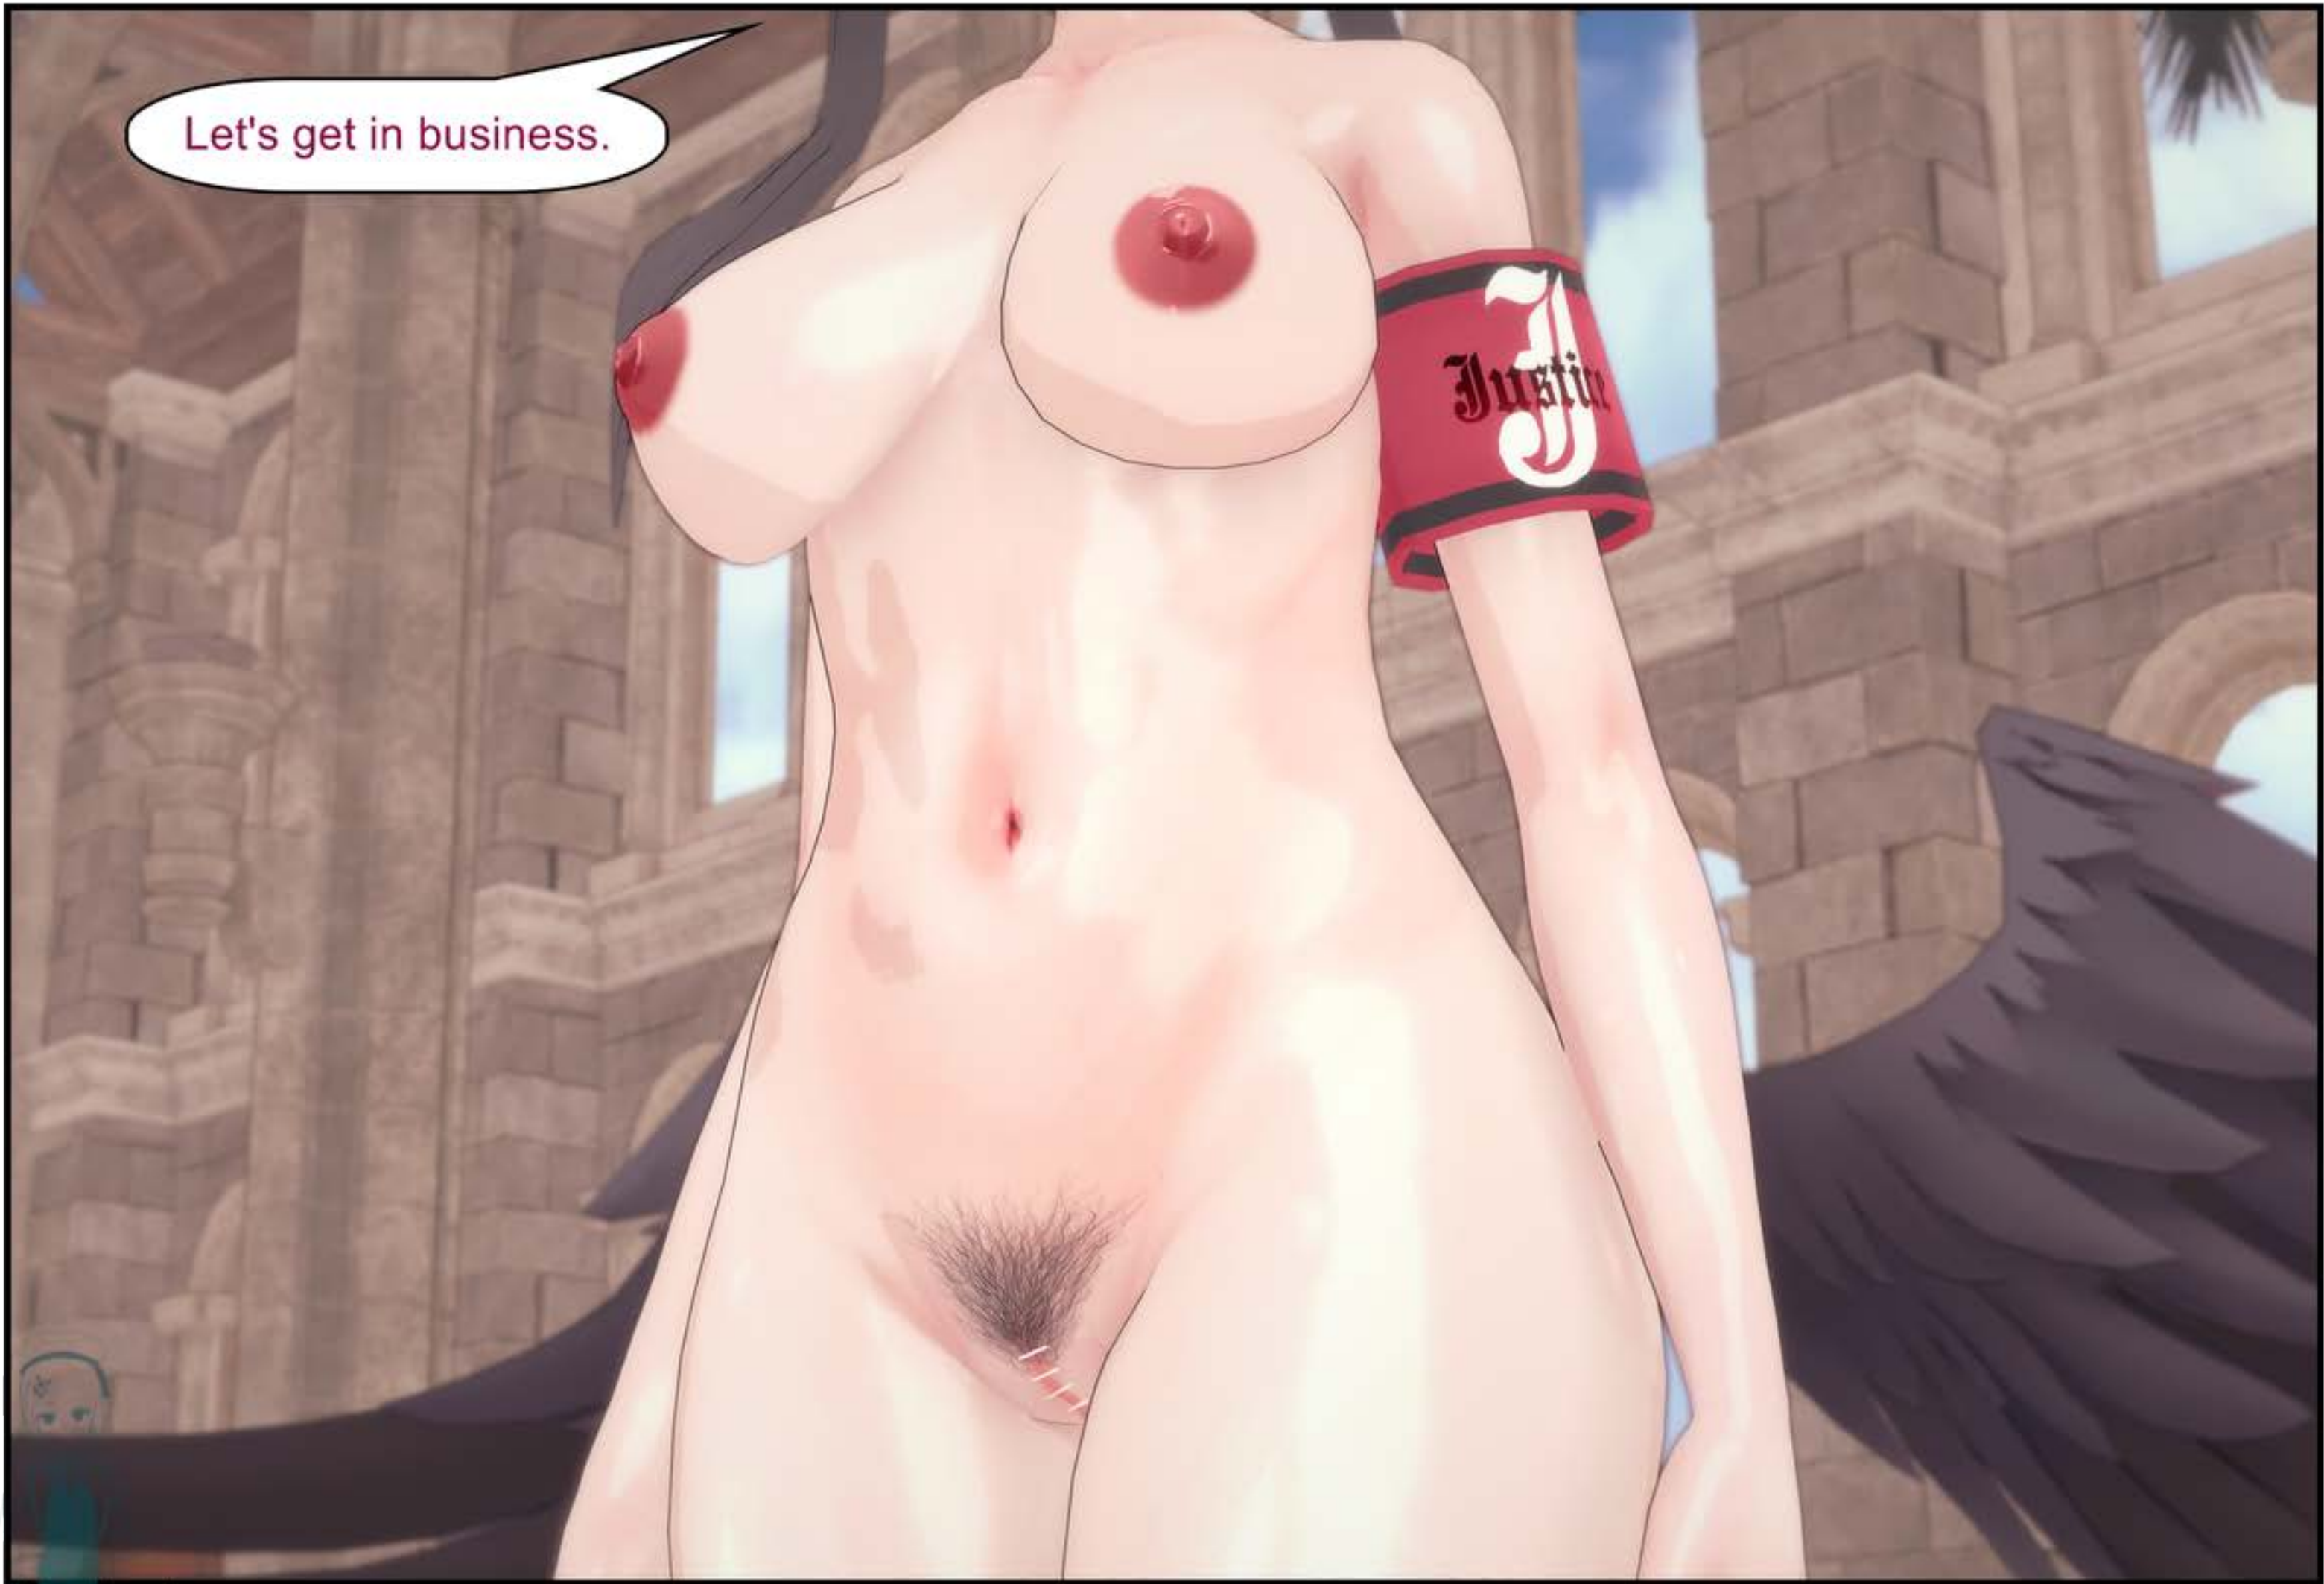

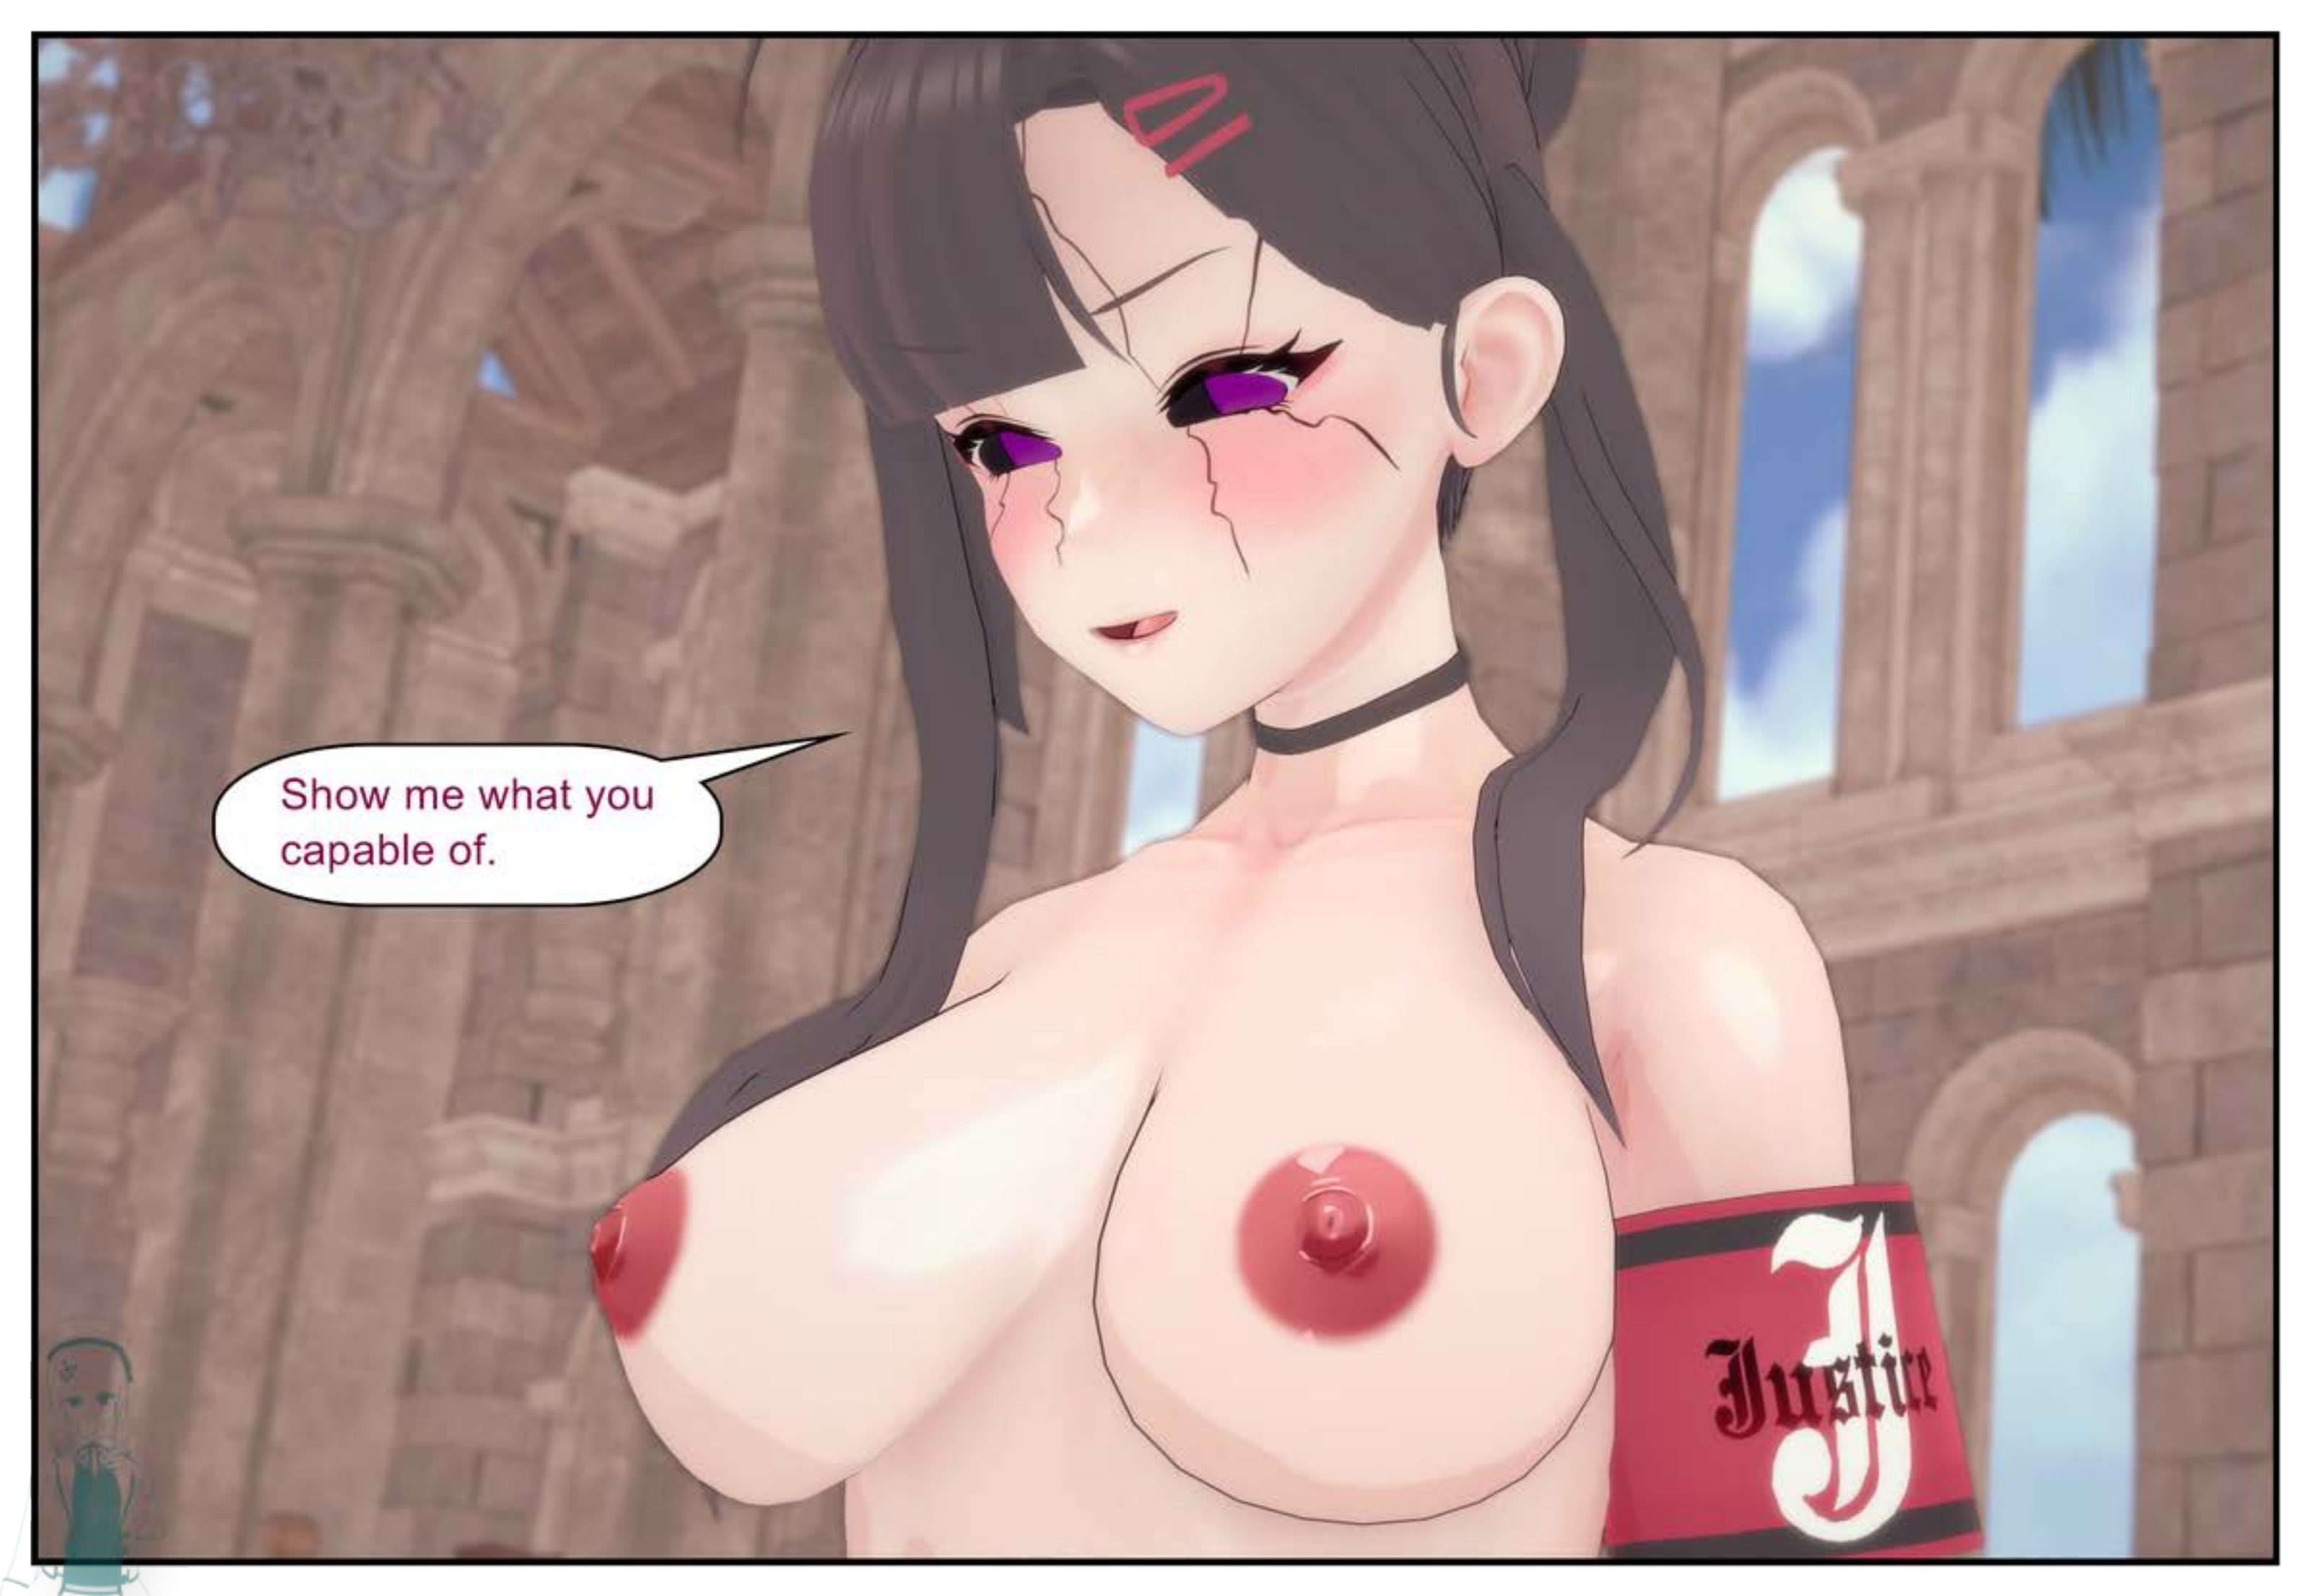

Hm? I thought you knew it better.

Of course, we knew some moves.

Let's get in business.

Show me what you
capable of.

Justice

Um... Nn... Slurp...

Hand-drawn red and blue scribbles, including heart shapes and stylized symbols, located on the left side of the image.

A manga-style illustration showing a close-up of a blonde girl with purple eyes. She has a slight smile and is looking towards a hand with black nail polish. The hand is holding a red object, possibly a pen or a small toy. The background is a wooden floor. A speech bubble is positioned above the girl's head.

That was great...

Hehe, indeed.

Um... Nn... Slurp...
Mm... Slurp... Nn...

Welcome the two

An anime-style illustration of three women with large breasts and purple eyes. The woman on the left has blonde hair and a small blue flower in it. The woman in the middle has black hair and a black choker. The woman on the right has long brown hair with a blue ribbon. They are standing in a stone building. A speech bubble from the woman in the middle says, "The sun can't reach here, still, be careful."

The sun can't reach here, still, be careful.

Follow my trail, and you will find what I left for you.

Mika! Over here!

I will take this one...

Possession... is fun.

We can have some fun now, but...

...we need to head back and bring more of our friends.

To be continue?
