A 3D rendered scene from a video game. A woman with short brown hair, wearing a grey uniform with a dark collar and buttons, is looking towards the right. She has a speech bubble above her head. In the foreground, a man's torso is visible, showing his bare chest and a large, protruding penis. He is wearing a white shirt with a decorative gold and black patterned collar. The background is a plain, light-colored floor.

Fuck, His dick got out of  
the suit !

Ahhh it's really hot  
down there ..

The End.
