MICHELLE LE RAINBOW AKA RAINBOWSCRIBER

(Commissions Procedures and Payments Revised 2023)

GENERAL

SERVICES:

- Single illustration ideas/ OC or another single image idea
- Illustration of a Story/ Written work/ comic/ partials (custom quote)
- AI-generated images (if possible)

PROCEDURE:

1. IMAGE DESCRIPTION — You have to provide me with a very detailed, specific image description. You have to be very specific about POV, clothing, pose, setting you want, time of day, hair, colour, body type, etc. The more detail you can supply the better.
2. MOCK-UP — I'll then do you a preview mock-up of the scene.
3. FIRST PREVIEW — A low-res small preview shall be sent to you. You'll have a look and make any changes or tweaks as necessary.
4. CORRECTIONS — I'll correct and try to do what you want. (It is not always possible to do everything you can imagine!)
5. SECOND PREVIEW — You'll get a second preview WITH CHANGES as requested.
6. FINAL RENDER — I'll do a final render and upload it to you.

I usually give only two correction previews; otherwise, people will go on and on in wanting to change things. So, please keep this in mind. **I shall not be changing anything after the second preview.**

The final render will have the word "final" in it.

Then, we move on to the next image.

If for any reason you decide to re-do and change the image completely, it will count as an extra image to be done and paid for.

Client treatments are first come, first serve basis if there's no deadline set.

Priority will be given to commissions with a deadline or those already **PAID** for in full.

Turnaround time is usually within 7-14 days after confirmation of payment/beginning of process.

(PLEASE KEEP IN MIND I HAVE OTHER COMMISSIONS AS WELL!)

It may take longer to complete a full illustration piece, depending on complexity.

SUBJECT GUIDELINES

I shall illustrate most any idea, including NSFW you may have within reason but shall not do the following:

- Child or images with children connected to blatant pornographic content images
- Blatantly sexual things without a story or reason.
- Degrading sexual images of any kind.
- Bestiality
- Any masochistic \ sadistic, or similar graphic stuff.
- Anything inhumane or sick fetish images or similar.

In general, if unsure, you can ask if not sure, and I shall refuse a commission if I'm uncomfortable with it.

IMAGE SIZES AND FORMAT

Dimensions for illustrated work are as follows:

*ULTRA HIGH 2160 3840 X 2160

QUAD HIGH 1440P 2560 X 1440

FULL HD 1080P 1920 X 1080

*FOR ANY RENDERING HIGHER THAN
ULTRA HIGH ADDITIONAL RATES APPLY.

Preferences may differ depending on the type and purpose of the final image and are up to the client to specify if there shall be such a request. If there are no special requests in dimension, works are usually delivered in one of the dimensions as stated above size.

The final image format will be in jpeg unless other formats are requested.

RATES AND PAYMENTS

RATES:

(These are the basic charges for longer, larger commissions involving multiple images like illustrated stories, comics, etc. A custom quote can be done for the assignment as a whole)

\$30 — SINGLE IMAGE with **Single Character** in a particular setting. (No more than one character) E.g. A single female warrior sitting on a throne.

\$40 — SINGLE IMAGE with 2nd character as subject. (No more than two characters in image) E.g., Two lovers entwined in an embrace, or two characters fighting.

\$50 — SINGLE IMAGE with 3 – 4 main Characters. (No more than five characters in scene) E.g. A scene with a female gladiator battling three other characters in an arena.

(MY PRICES ARE BASED ON THE RENDERING TIMES AND PROCESSING NEEDED FOR IMAGES. BECAUSE OF THIS, I DO NOT ACCEPT IMAGES WITH MORE FULL MODELS IN THEM THAN THIS.)

Compilation images/ split screens/ frames, etc. shall still be done at **the same rates** as stated here. **EACH IMAGE** shall be charged separately.
