A traditional Chinese room with a light beige wall and dark red wooden frame. A vertical scroll painting hangs on the wall, depicting a figure in a landscape. To the right, a window with a grid pattern is visible. In the foreground, a dark red wooden surface, likely a table, is partially shown. A speech bubble is overlaid on the scene.

"I actually made a big mistakes."

"It was when I discovered a new ability which allow me to take over someone."

"Only me wasn't...  
fun, so I created  
an other me."

"I gave him life and  
half of my power.  
However, I was wrong."

"My other version started to possess others and played with their body."

"I got bored of it  
because I feel that  
ability was dangerous."

"Moreover, if I  
didn't pleased him,  
others could get hurt."

"Then, I finally realized that..."

"...The greatest and most fearsome enemy was your own self in the mirror."

A character with long, light blue hair, wearing a blue robe, is shown from the chest up, looking towards the right. In the foreground, a white bowl filled with a steaming liquid sits on a wooden surface. The background features a traditional Japanese garden with a stone lantern, a waterfall, and a large tree with vibrant red autumn leaves. A building with a dark roof is visible in the distance.

"Many months  
passed as I started  
to get used to with this."

"I'm glad that everything  
still peaceful and quiet."

"Shuna slowly to  
forget about my  
possession ability..."

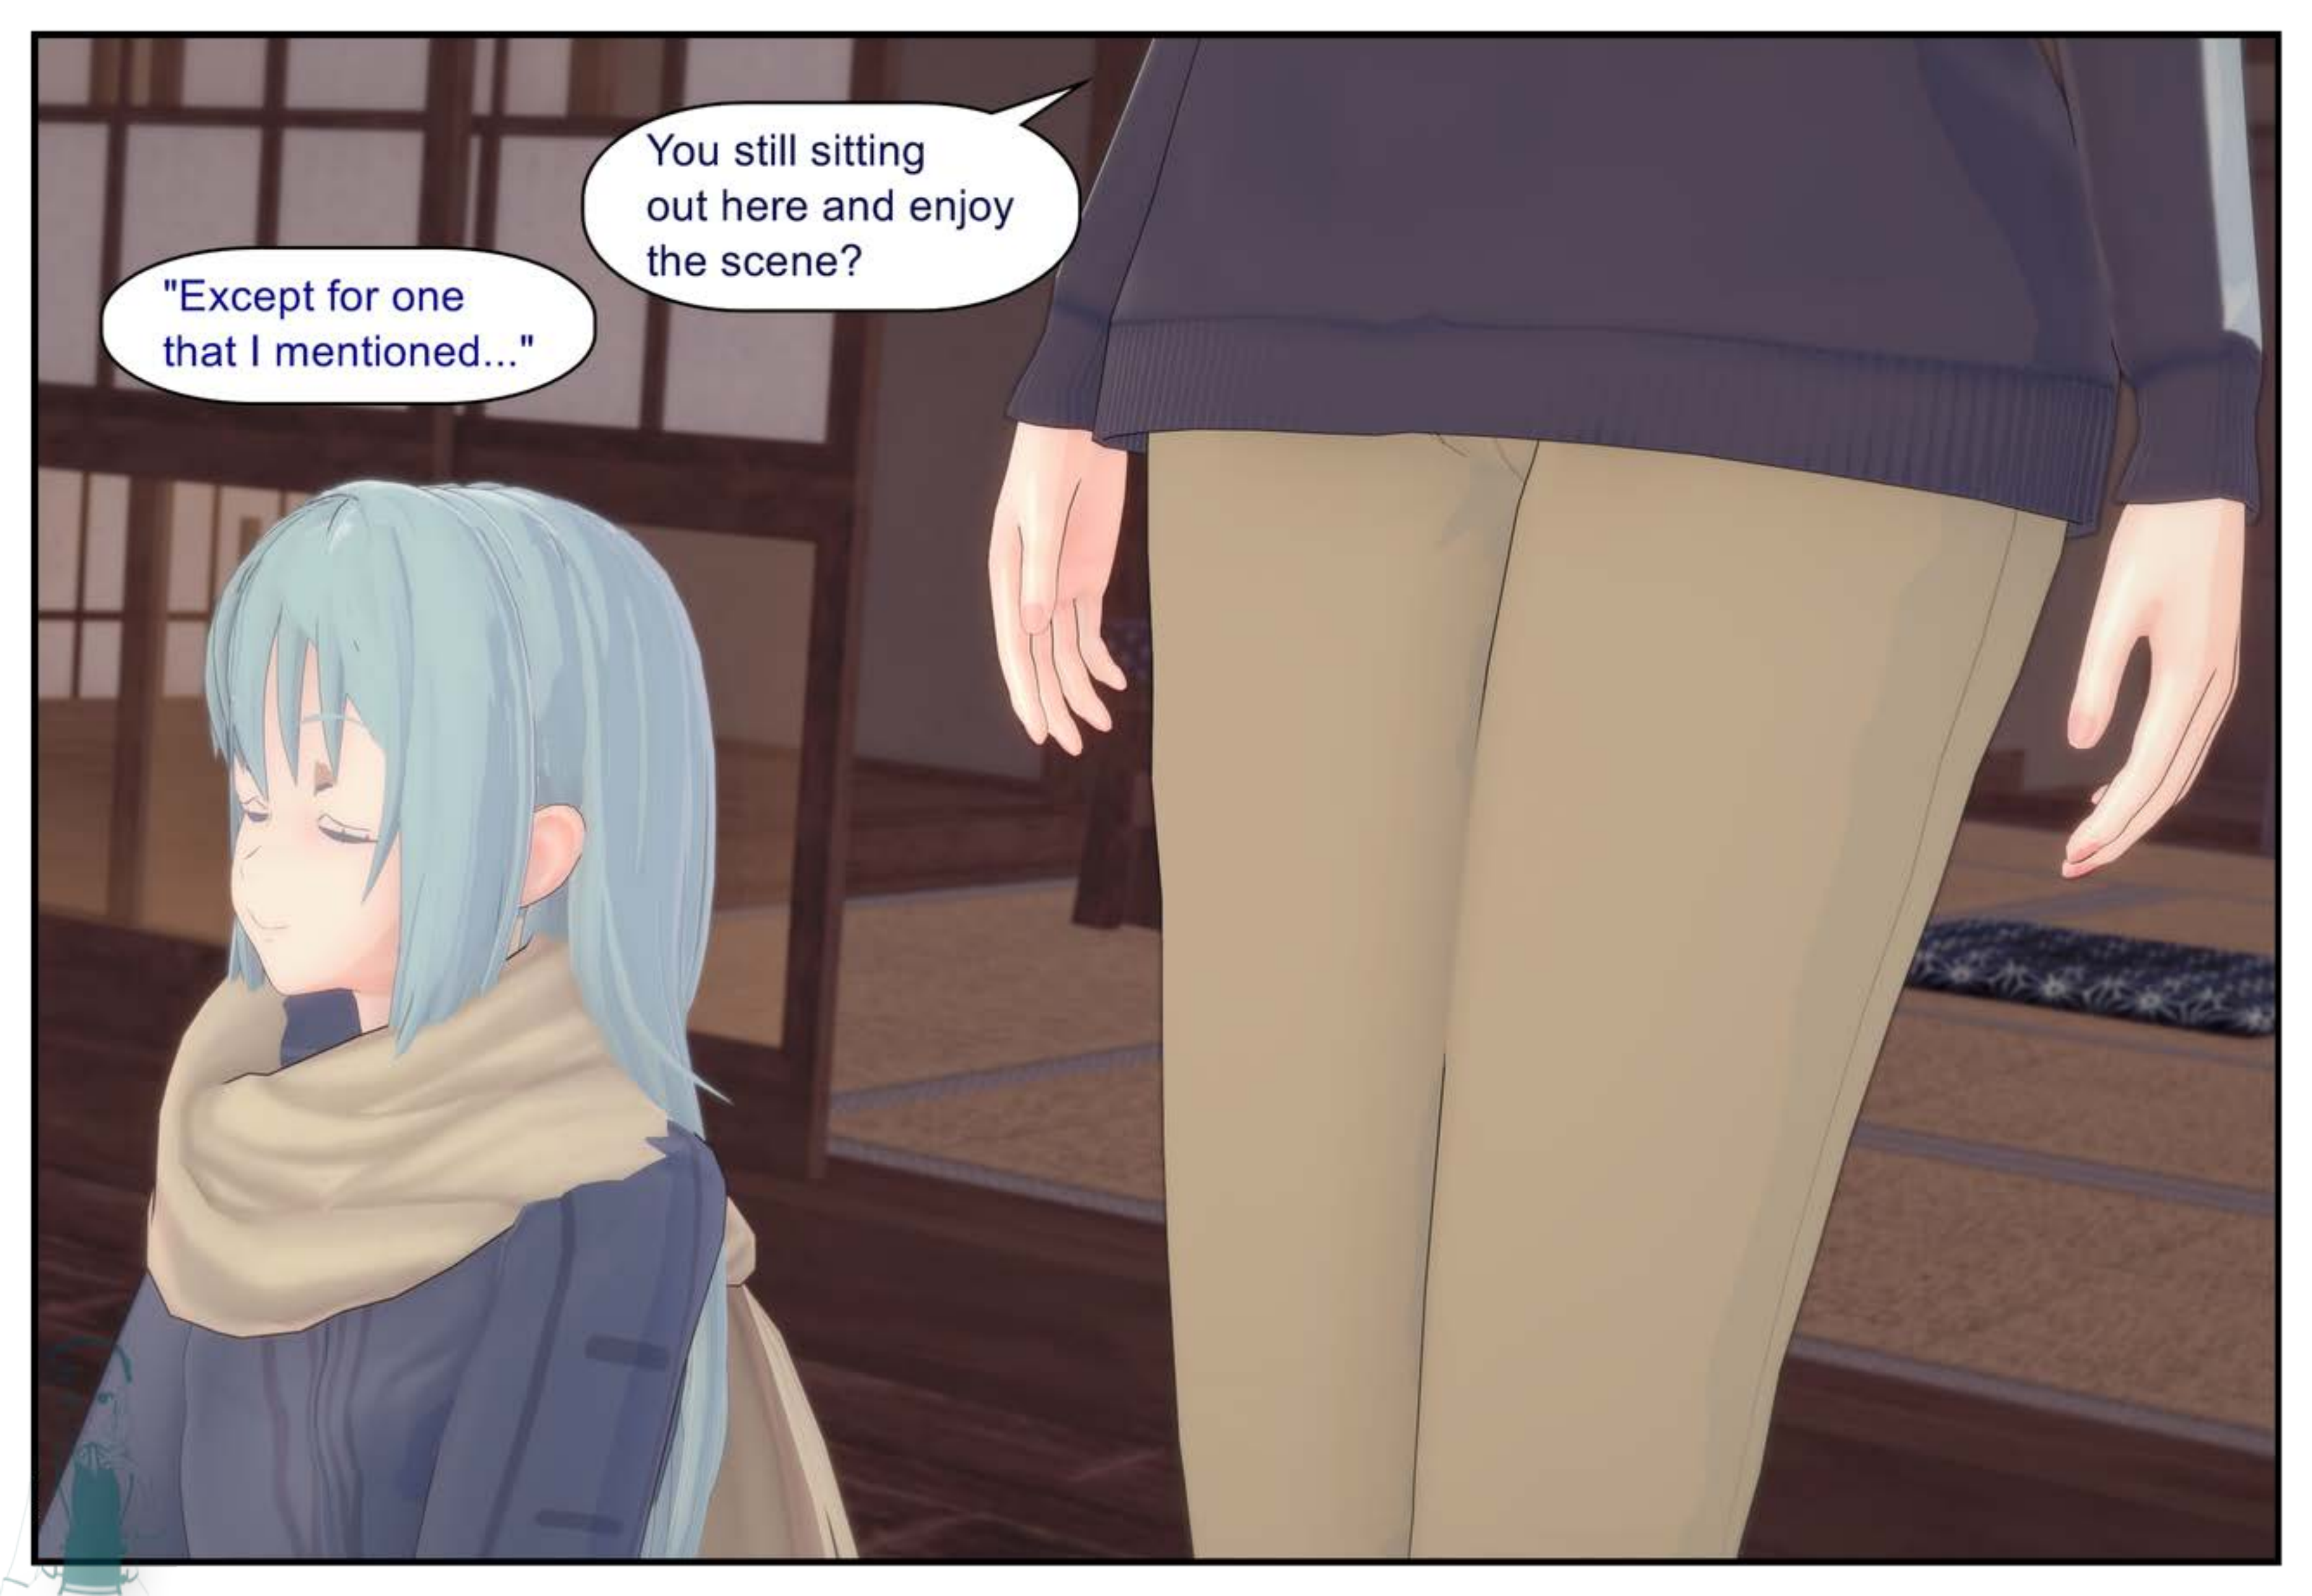

"And everything  
return to the start."

You still sitting  
out here and enjoy  
the scene?

"Except for one  
that I mentioned..."

Don't you feel it is very boring?

Not at all. Maybe you can go hunting with Shion?

Give me a break, I have been in her for too many times.

"Of course, I prevented you not to away from me for more than 2 meters."

I knew that I can't  
stay too far from you,  
Rimuru.

"Ack...!? He already  
realized it!?"

Ehem... Because we  
are the same, so in  
case you went out  
and cause trouble...

Ah...!!! So boring!  
Why are we like  
two drop of water?

Different personalities,  
though. You seem to  
be very disobey.

I got it! There is  
a way for others  
to distinguish us!

I remember when  
you first shape-shifted  
into human form...

Watch me.

"Oh? Now that  
remind me of my  
first time..."

"When I transformed  
into a human..."

A close-up illustration of a character's chest. The character has long, light blue hair. The right breast is highlighted with a bright yellow glow, while the left breast is a natural pinkish-red color. The character's right arm is extended to the left. The background is a dark, grid-patterned wall.

"...I could change my gender also."

Phew... It's not  
a complete form.

I think now everyone  
can see the differences.

Am I going to  
be free now?

Well, I have to  
say no with that...

Then, take me to  
someplace where  
I could have fun.

Not this again...  
I told you already...

Rimuru-sama!  
Lunch are ready!

For all of us,  
of course. Ahaha.

Although you tried  
to lock away that  
ability of mine...

...don't forget that  
I'm still you, Rimuru.

W-Wait...!!!

The other  
Rimuru-sama...?

Gulp... Gulp...

Gulp...!!!

I can handle myself too.

What do you say,  
Rimuru? Let's bother  
Shuna again?

Alright!!! I get your message! Anything you wanted.

Leave Shuna alone,  
and I will take you  
to this place.

There. If you agree on first sign, thing wouldn't be this way.

I simply just want to fill my pleasure meter. Anything where you see fit for that!

A moment later...

Why is the bar?

Why can't we go  
to the Demon's Lair  
or other interesting...

Because you let  
me chose, remember?

Ugh... You really like peaceful and quiet, huh?

Excuse me? I want to order drinks, bartender.

A woman with long, flowing pink hair is shown from the waist up, wearing a black, form-fitting corset with a white collar and white cuffs. She is standing in a dimly lit room with dark wood paneling and a red carpet. A speech bubble is positioned to her right, containing the text "Welcome our guest to the Elves's Night Club!".

Welcome our guest  
to the Elves's Night Club!

Uwoaaahhh!!!!

Hyyyaaaaa!!!!????

M-Millim!? You  
are a bartender!?

Rimuru!? You know  
this bar too!?

W-Well... What made  
a Demon Lord to...  
be in this?

Ahaha!!! I drank all  
the wine here without  
paying anything!

Then, Prey told me  
this was not polite,  
and force me to work  
for those drinks!

Ah... I understand  
the situation.

Hold on, which one is the real Rimuru?

M-Me... But it's a very long story.

Tell me all in the other day! Today is my treat! Muhaha!!

A Demon Lord, hm?  
She seem to be a  
suitable opponent.

"Give me a break...  
I can't imagine if  
you two compete..."

"Maybe... I could  
make him drunk,  
then take my chance."

Let's just... have a  
drink and leave, okay?

If it's not enough,  
I demand for more.

"But... Am I able  
to make him disappear?"

\*Sigh\*... I know.

I'm sorry for the wait!  
Two special drinks  
coming up!

It have been made  
with my passion  
and love!

Millim... Come  
in here with me.

A character with short, light blue hair and a white scarf is shown in a close-up, holding a glass of whisky. The character has a slight smile and is looking down at the glass. The background is a dark, ornate interior with a window showing a sunset or sunrise. There are three speech bubbles on the left side of the image.

"Isn't this... the most expensive whisky?"

Frey? I did a great job, right?

Did you realize that you just increased your debt to double!?

What's wrong? Is  
the drinks not suit you?

I actually have  
a question for you.

You seem to prefer  
the peaceful and  
order around. Why?

You probably saw  
my memories. Of  
course, not always  
we have this moment.

We have our own Kingdom.  
But still, we never let  
our guard down. If we  
do, there will be a disaster.

I saw that. It  
was a nightmare.

So... A moment of peaceful is precious to have.

I see.

Maybe... You have  
a different view with  
me. I understand that.

Well, could be.  
But now...

...I want to enjoy  
the drinks with you.

"This is not the first time I intended to eliminate my other self..."

Of course! Cheers!

"Somehow, I just can't do it."

"Probably two  
better than one? Or  
I'm just being too drunk."

A blue-haired anime girl with yellow eyes and a surprised expression is holding a round chocolate cake with white cream decorations. She is wearing a blue long-sleeved shirt. The background is a dimly lit casino with a red roulette table and dark wood paneling with gold accents.

"As time passed,  
we didn't know how  
much glasses we had."

They already have a lot, and it's closing time.

Ah... Hic... You  
two come to serve us?

Bring us more  
of this stuff, will you!?

"There are even  
two Rimuru..."

Um... You should  
go home and rest.  
We are closing now.

Hey, Rimuru. Do you think what I'm thinking?

Oh? You want to...  
Hic... Go on, I think  
today is exception.

Should we... call  
Shuna over?

If we have to...

Psst... I don't  
think you should...

W-What is...!?

Mia!?

A-A slime...!?  
Was it...?

R-Rimuru...?

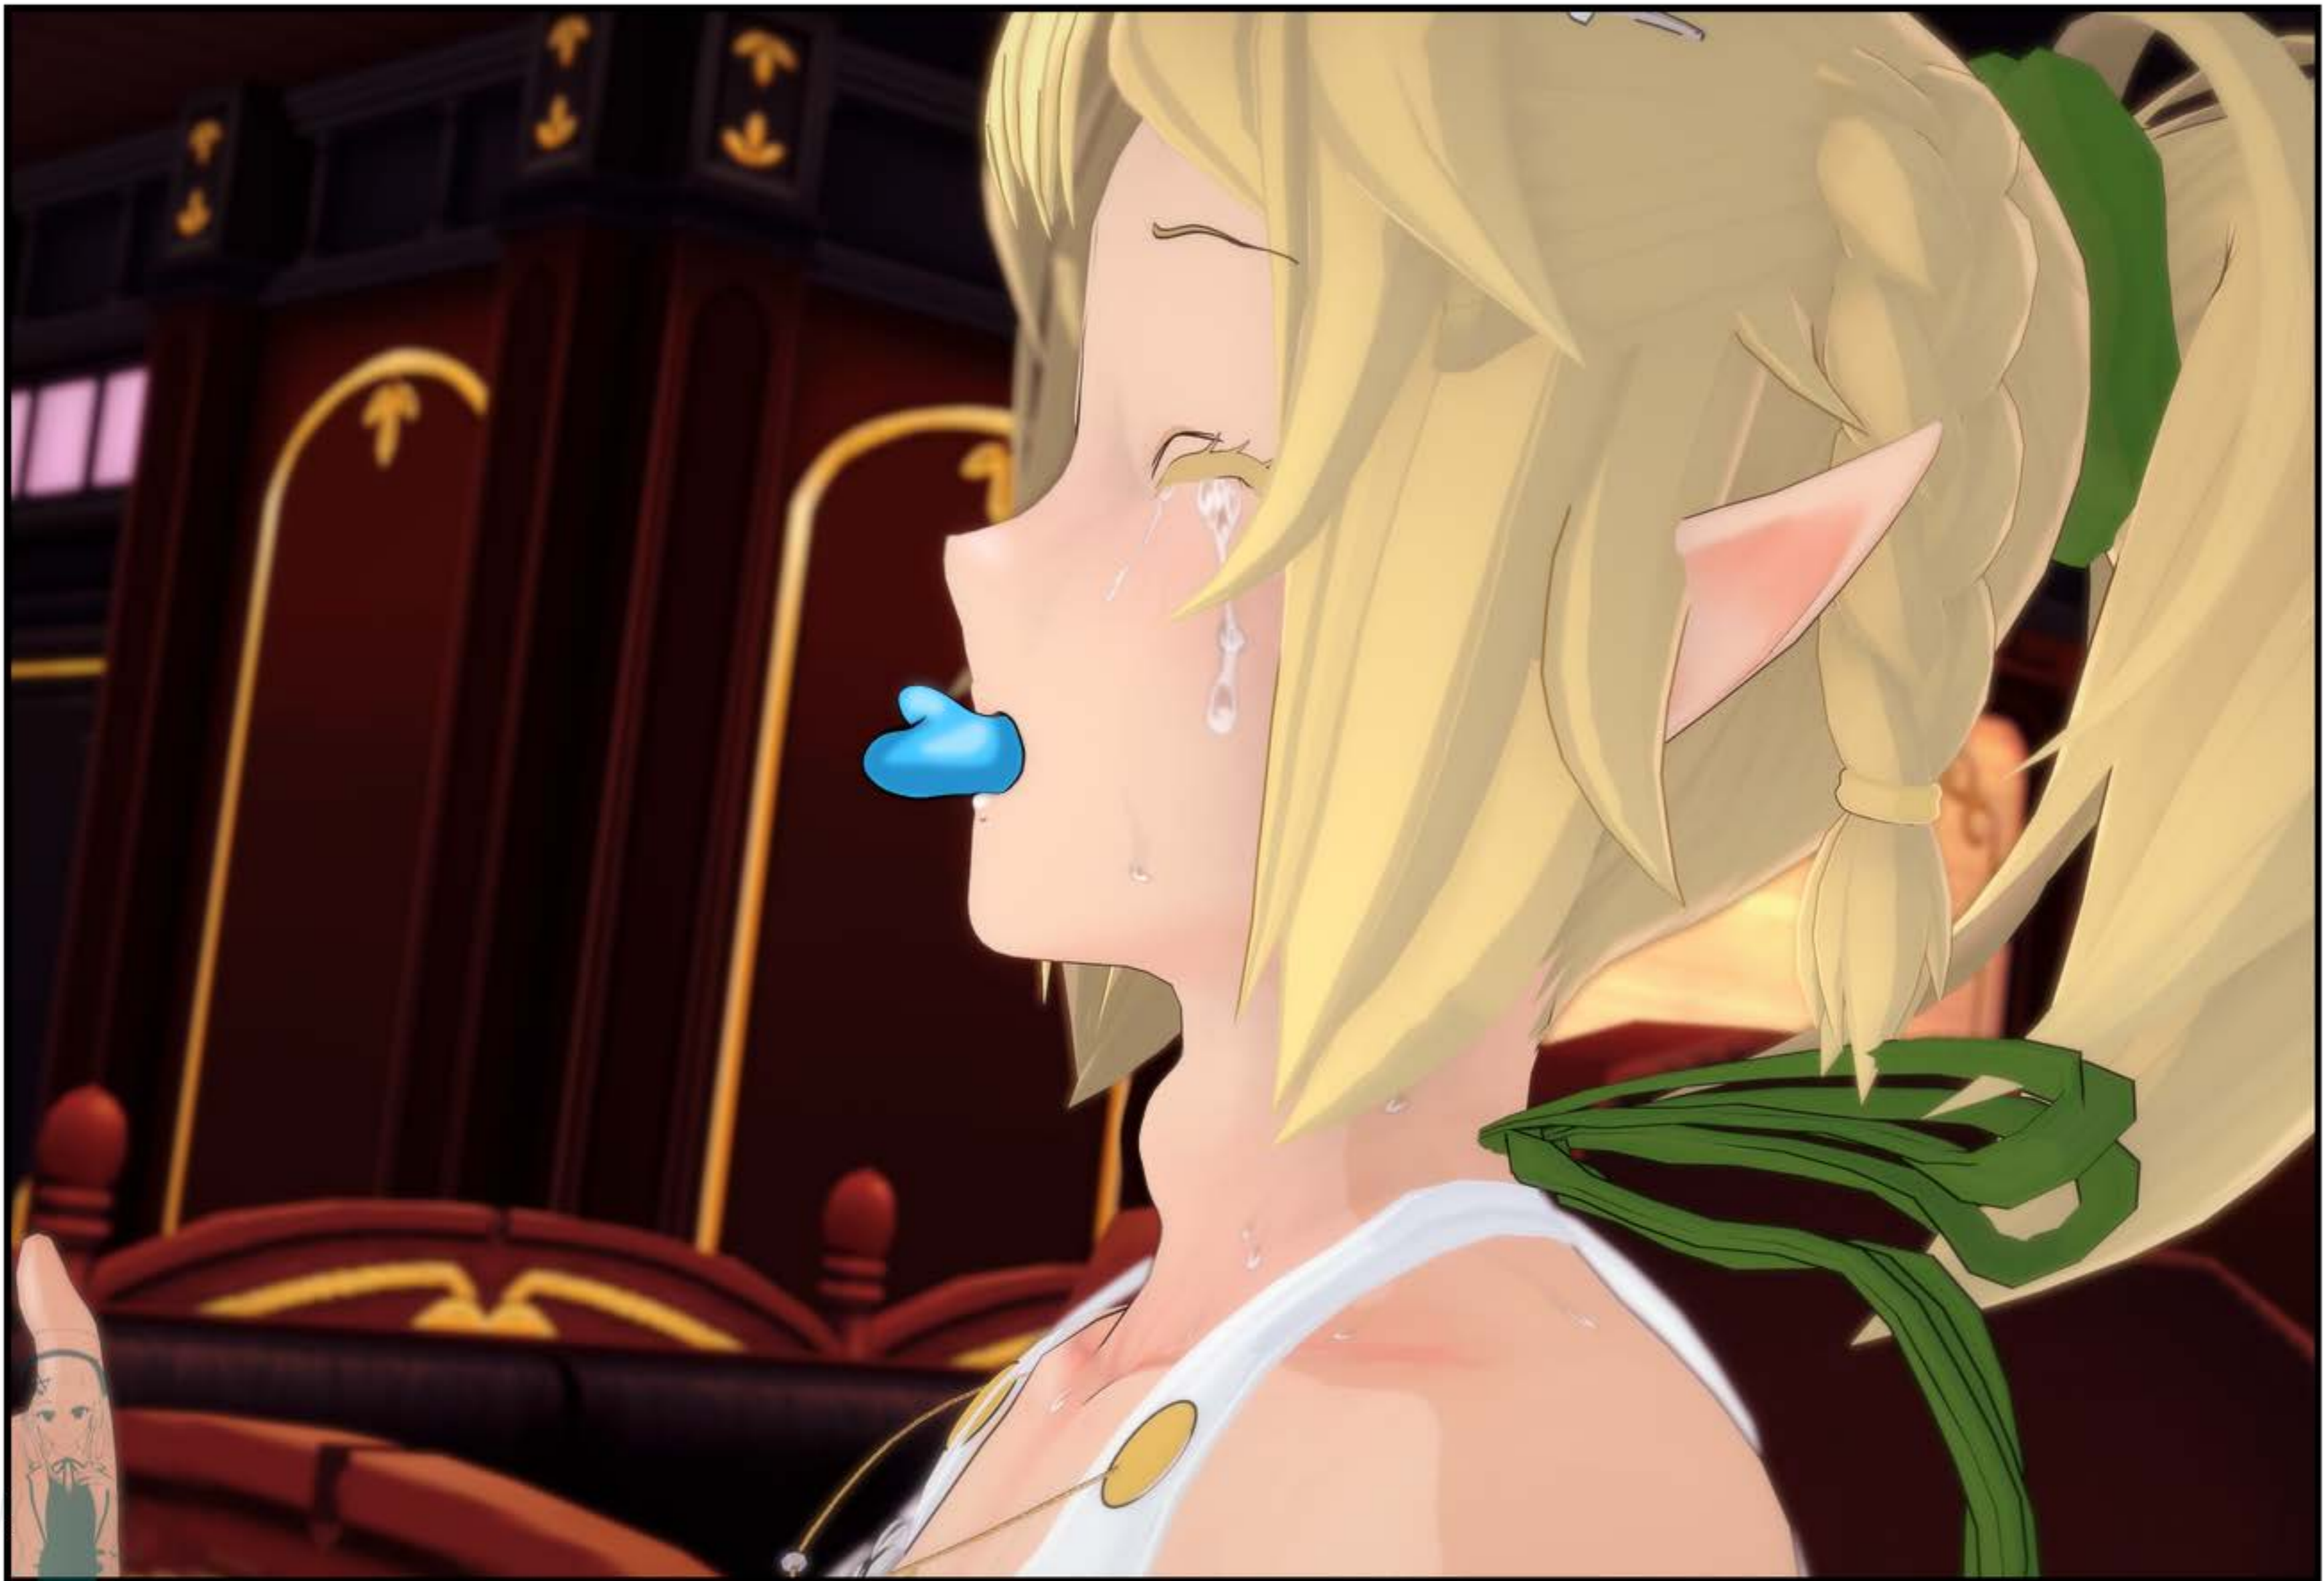

I'm in!

A blonde elf with blue eyes and a white dress, crying in a dimly lit room. She has a small white flower in her hair and a daisy tattoo on her chest. The background shows a room with red seats and a lamp.

Now you use this ability on the new body.

Well, just this time, alright?

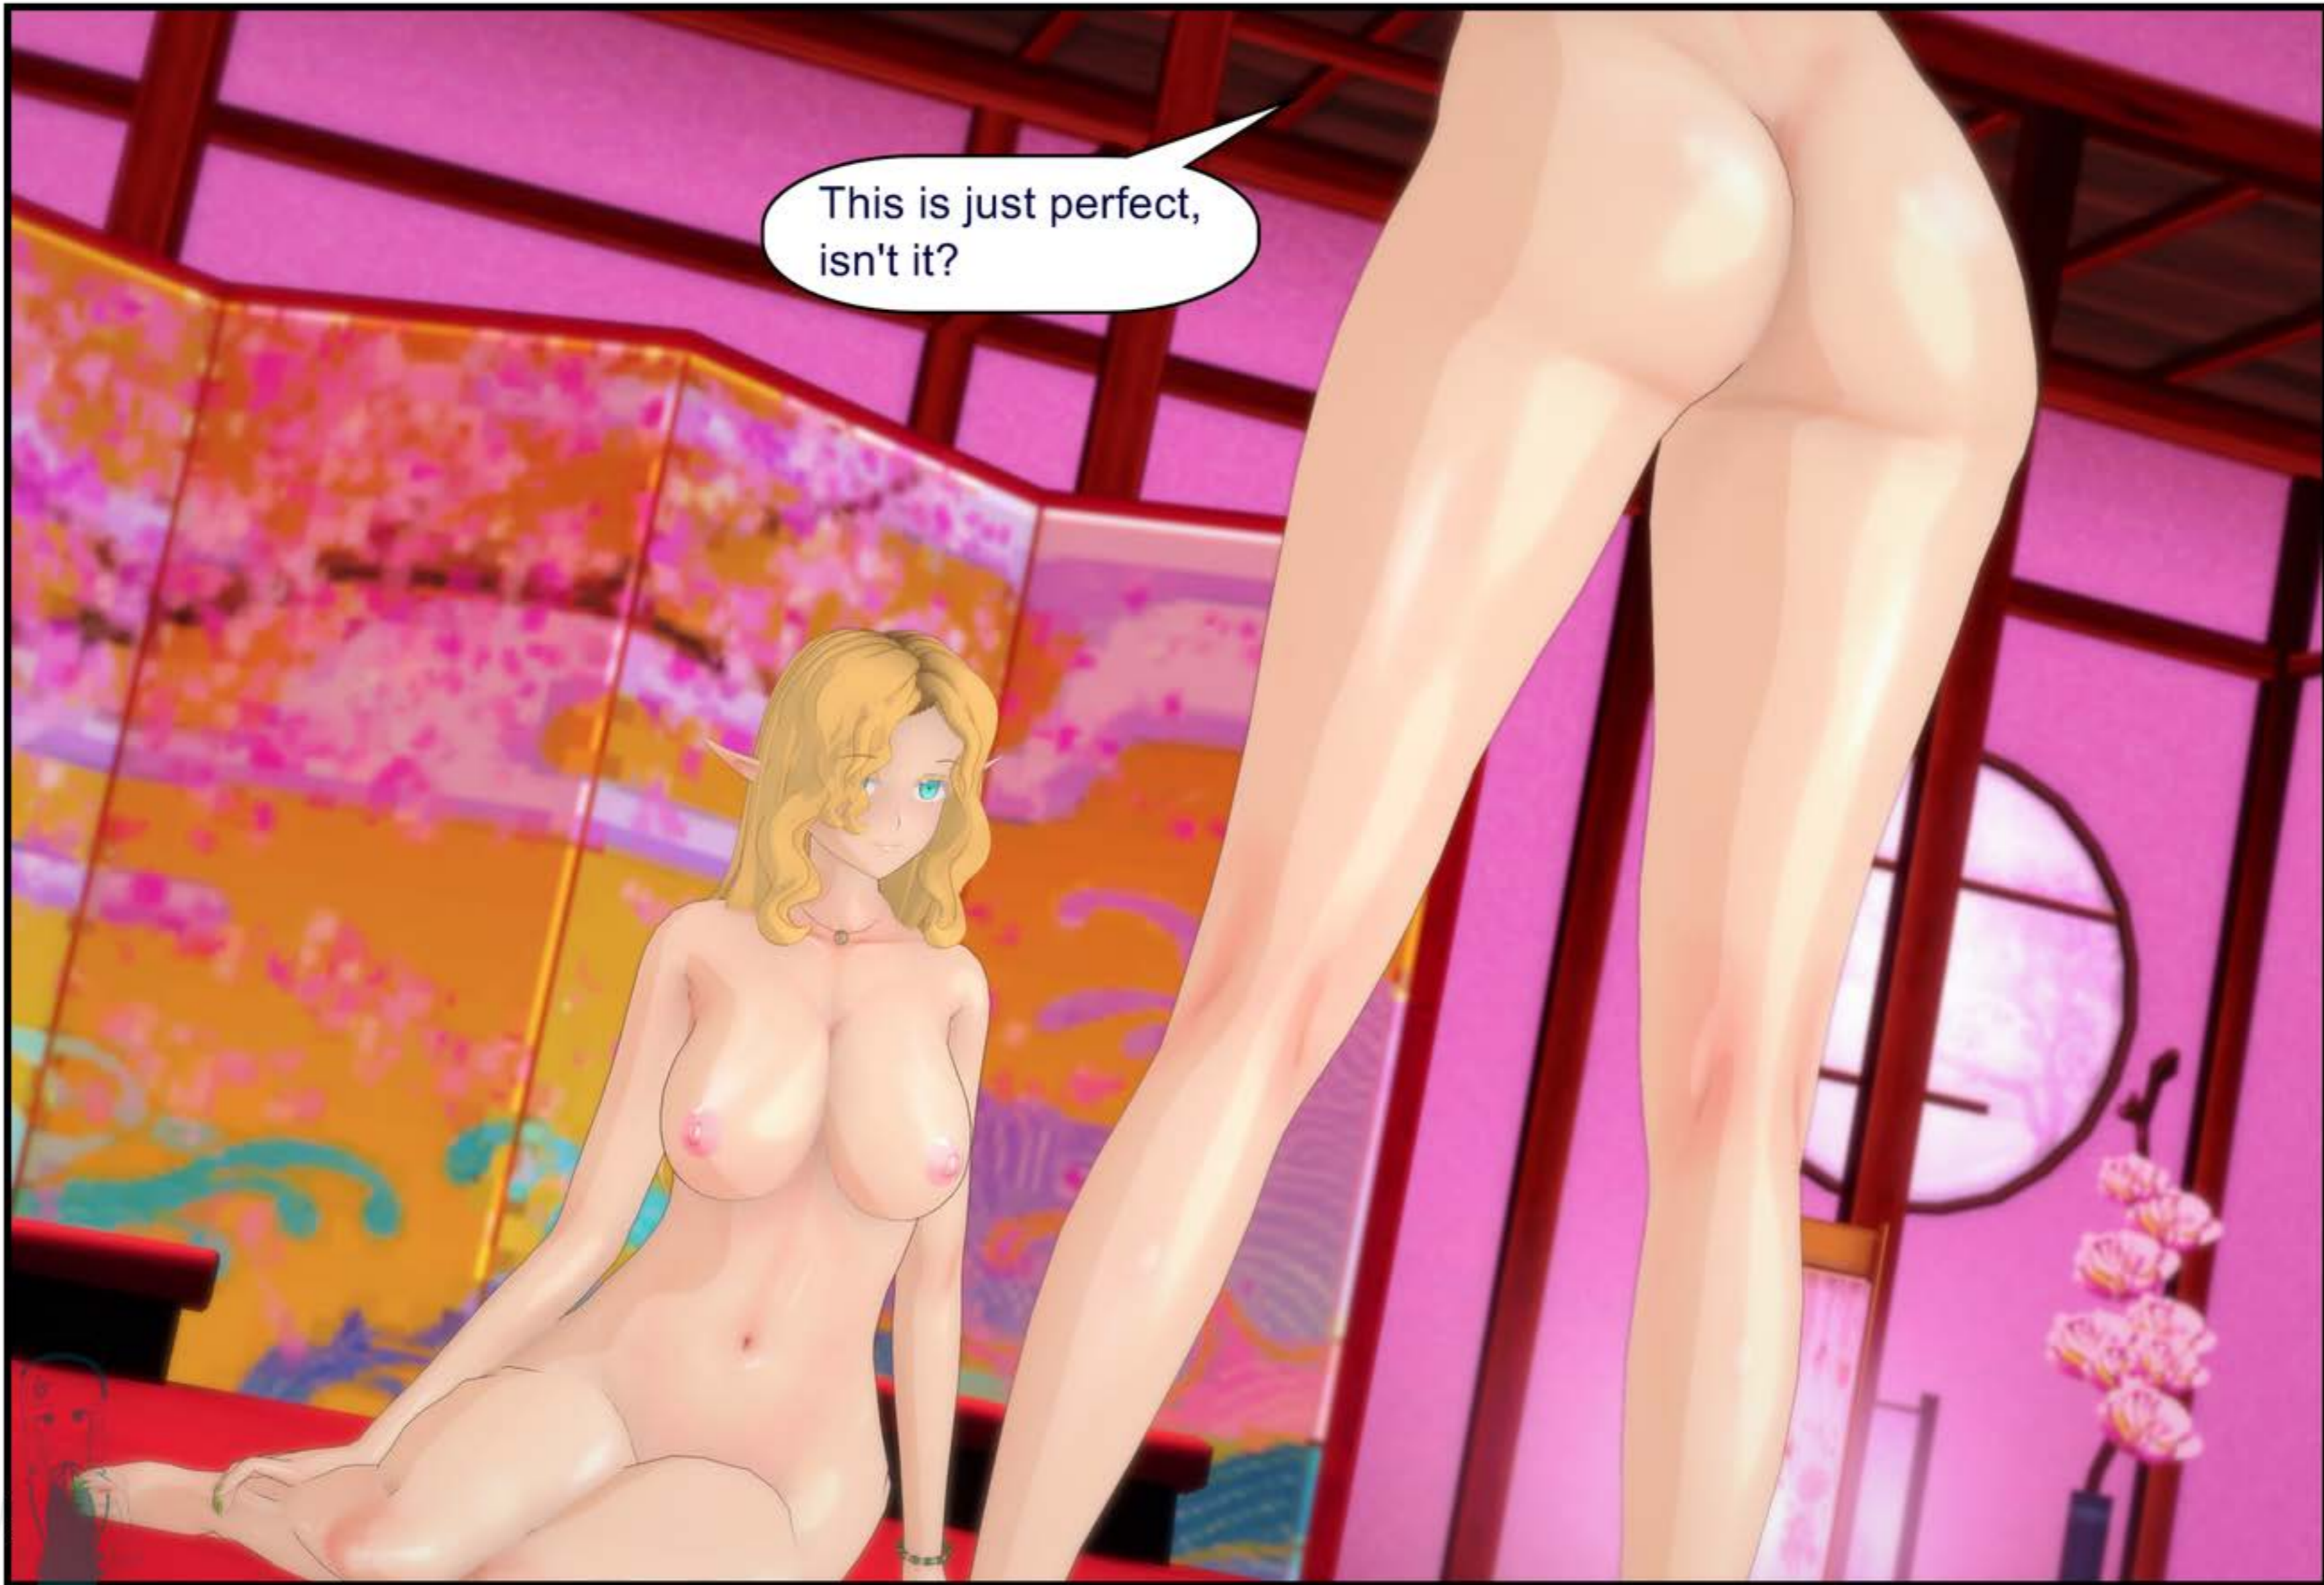

A traditional Japanese room with a sliding door on the left showing a colorful landscape painting. In the center is a circular window with a wooden frame. To the right of the window is a tall, cylindrical paper lantern with a floral pattern. In the foreground, there is a blue patterned object, possibly a drum or a box, with a pair of chopsticks resting on it. To the right of the drum is a blue vase containing a branch of pink flowers. The room has a warm, pinkish-purple glow.

"Ah... I never thought they have this room in the bar."

This is just perfect,  
isn't it?

Let's fill our  
pleasure meter...

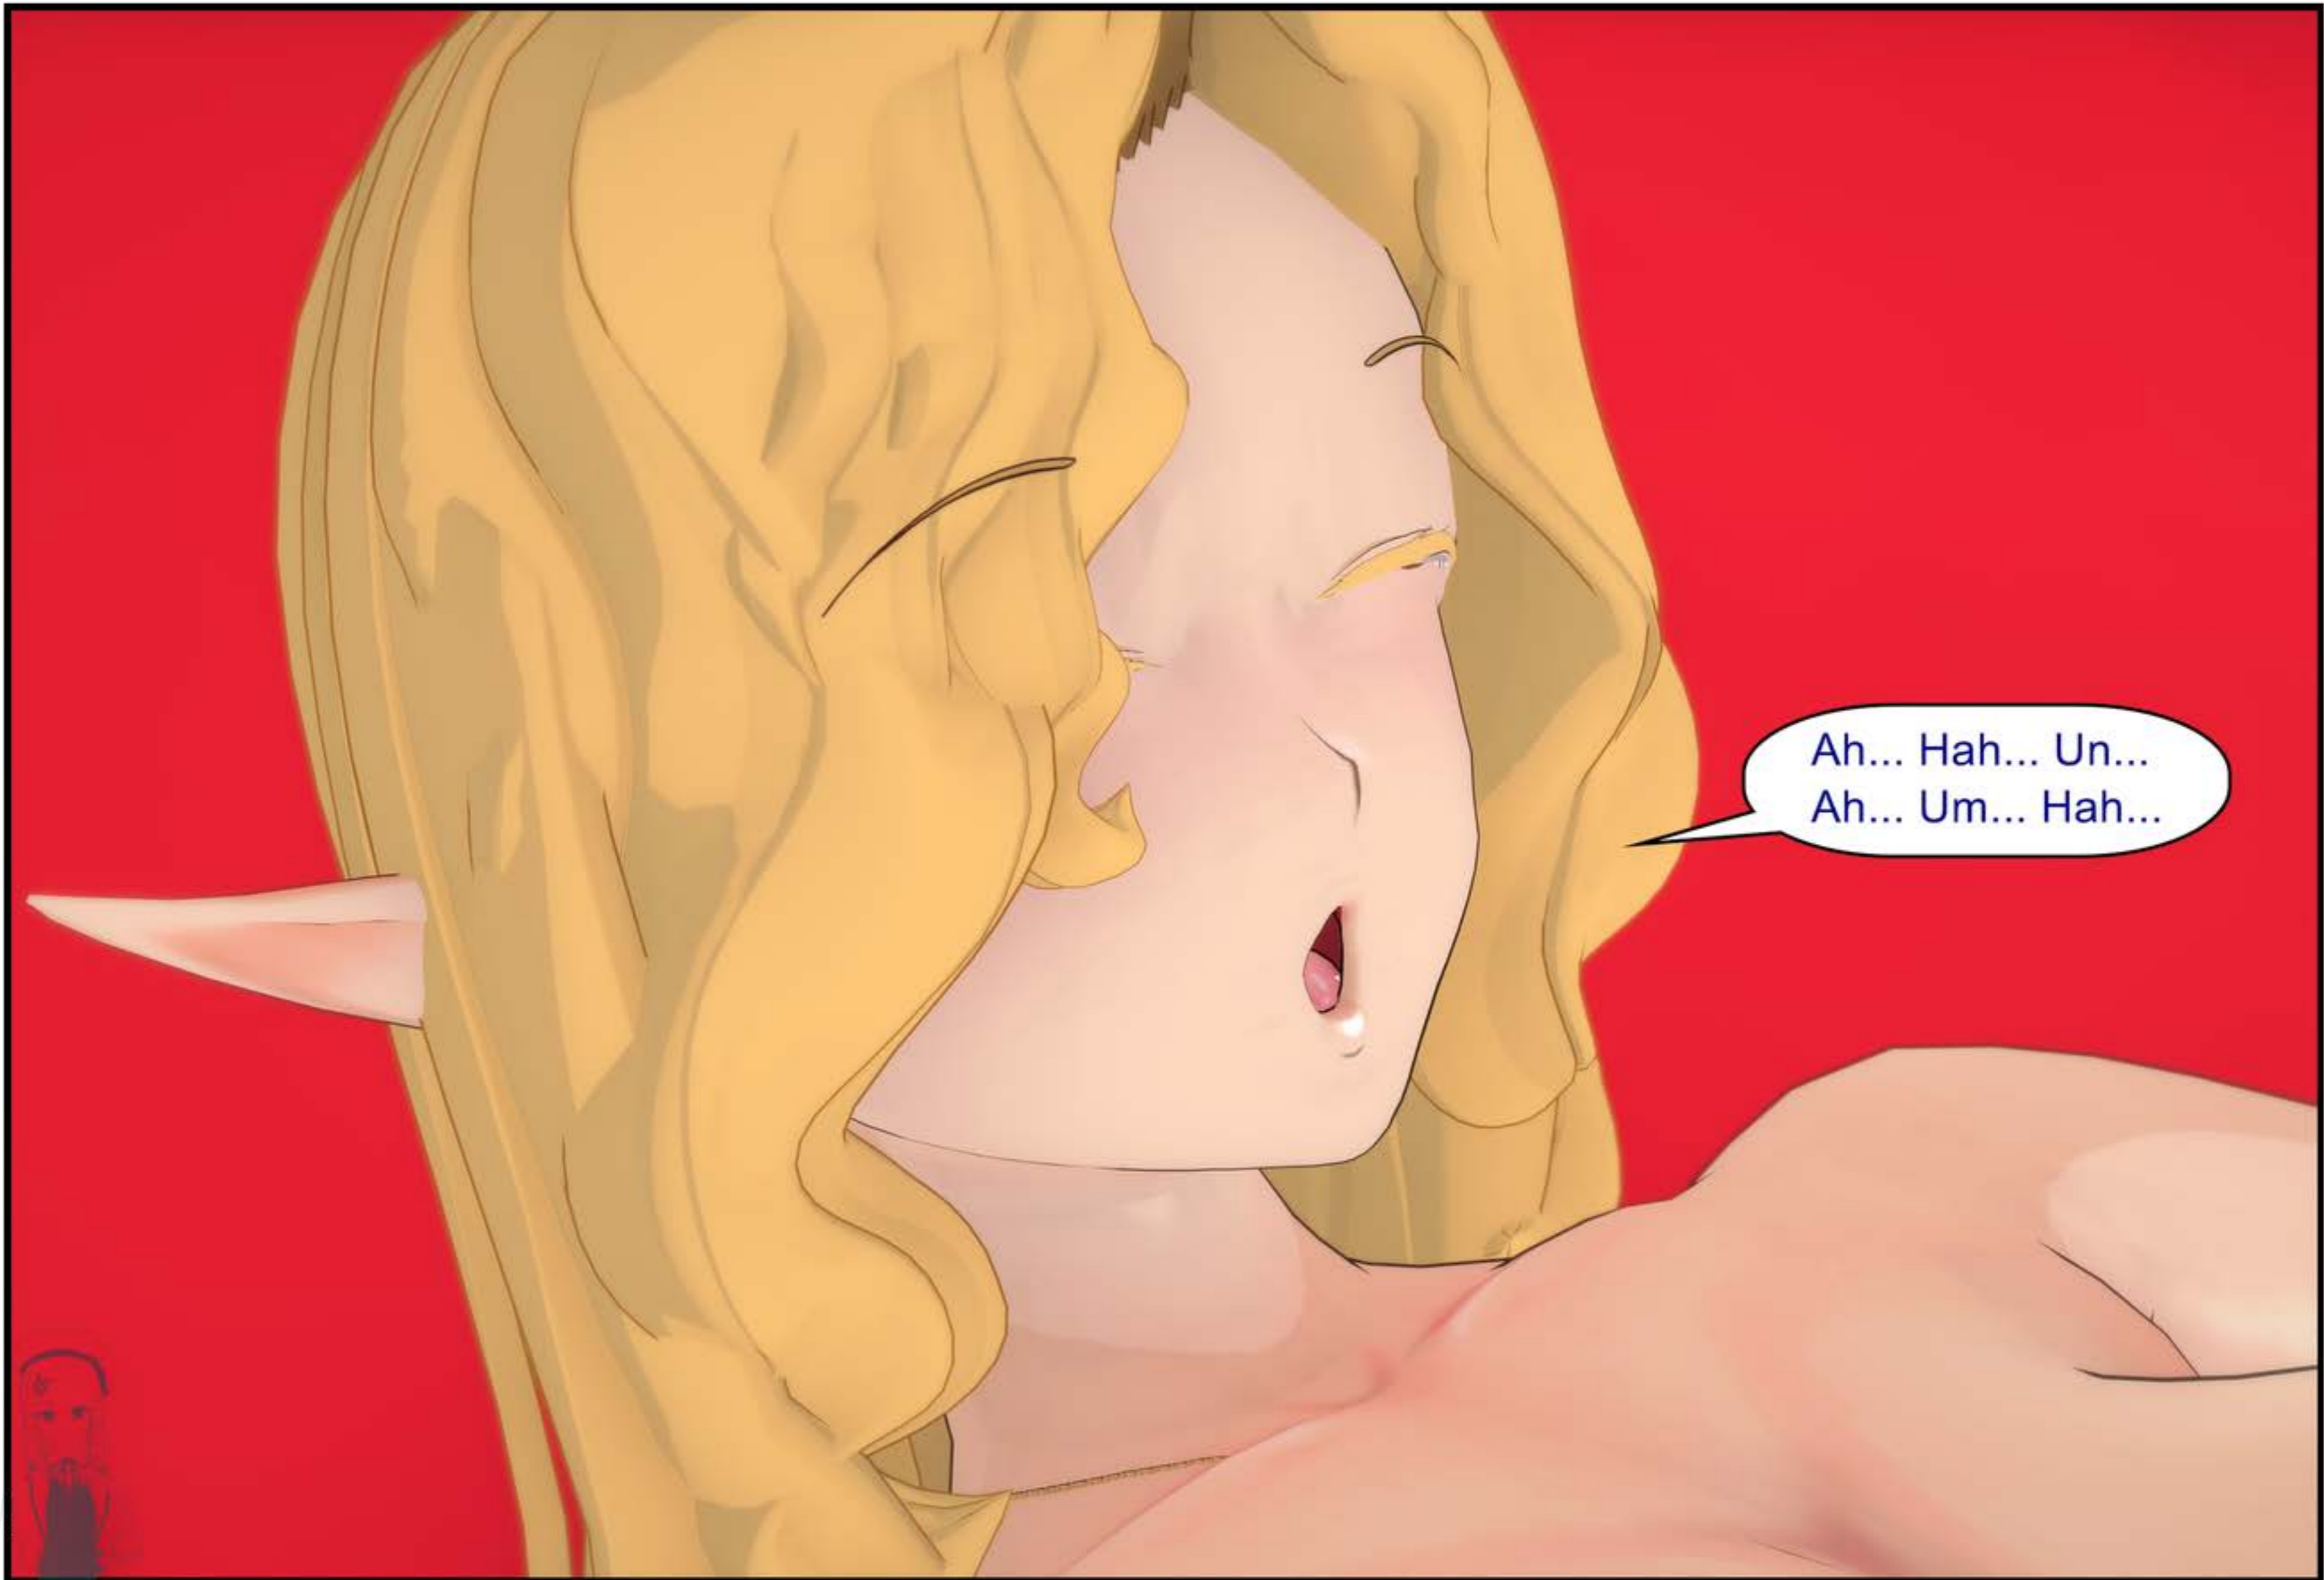

Ah... Hah... Un...  
Ah... Um... Hah...

Ah... Ah... Hah...  
Nn... Ah... Um...
