

Unbelievable  
is the first time I do  
it with a girl.

You mean a  
boy, I guess?

It's because  
of those stupid hair  
extensions.

For me it's also  
the first time I do it  
with a girl .

Er... Yes, although  
as you said yourself,  
you look more like a girl  
than a boy now.

Are you  
sure?

Hey,  
what are you  
doing?

Hmiiuuuu

I think it's  
something more.  
hehe

**\*Squeeze\***

I want you  
to feel se really good,  
Hina-chan.

**\*Squeeze\***

What a  
sweet squeak.  
hehe

I don't.

From what I feel you really like it.

You can't fool me I feel you are already at your limit.

Go ahead and do it.

It doesn't matter if you're a girl or a boy or a girl I love you anyway.

*\*happy\**

Although as a girl I like you more.

Maybe. hehe

Yes, but first I need to rest for a while.

You are joking, right?

Saki, *\*sigh\**. So what do we do now, go on this date?

Great plan.

A few hours later...

*\*Knock on door\**

*\*Knock on door\**

Hina-chan,  
someone knocks  
on the door.

It's probably just  
Aunt Sora. She must have  
forgotten her keys.

What,  
Sora-san?

How  
long did we  
sleep?

But she  
was supposed to  
be back in a few  
hours.

*\*Shocked\**

*\*Shocked\**

Don't panic, we'll say we just got back and had to wash up afterwards.

I don't know, but do you have any better idea?

Oh no, if Auntie sees us like this she will surely guess everything.

Do you think she'll believe us?

No, gee what's with this t-shirt?

Er... Wait a minute, they're not my clothes

I thought they were mine, sorry.

I'll take it off right away.

Why did you wear my clothes?

*\*Knock on door\**

There is no time, put on your shoes and go open your aunt's door at last.

By the way, you look great. hehe

If your aunt asks why you're dressed like that, say we were playing a little dress-up.

Okay. Why are you put on high heels put on ordinary slippers and run.

Really always? Wow.

You will have to go commando. hehe

Sure, and you choose something from my closet instead.

Auntie said I always wear them.

Now I remembered that I forgot my bra.

Very funny.

In the corridor...

Just a moment,  
I'm coming.

I just hope  
Aunt Sora won't  
laugh too much  
at my look.

I also hope  
she won't be angry that I  
made her wait so long.

\*Klik\*

\*Klik\*

Although I think  
she'll burst out laughing sooner  
when she sees me.

\*Knock on door\*

\*Knock on door\*

**\*Shocked\***

Goro?  
What are you  
doing here?

I... I... Eee...

Oh no, he  
probably guessed  
it is me.

Good morning is  
Hiro-kun home?

I came to see  
what's up with Hiro-kun.  
By the way, how do you  
know my name.

**\*Surprised\***

Wait a  
minute...

Oh no, just not that. Why now?

What should I do? Goro is about to find out that I'm not really my cousin.

I have to think of something quickly.

But since he's not here, I'll come some other time.

And when will he come back?

Maybe I'll wait for him.

Gosh, Hiro, why didn't you ever say you had such a hot cousin?

A moment later...

So you are a friend of Hi... Hiro-kun from his previous school.

Nothing happened.

And what did you want from him?

I'm sorry to say this, but Hiro is at school at the moment and is unlikely to return until the evening, he has some club work or something.

Yes, I'm sorry I came so unannounced but I couldn't reach Hiro to tell him about it.

Nothing special, I just wanted to visit him and see how he was doing.

It's okay, maybe next time I'll meet him.

Please mom  
your coffee.

*\*embarrassed\**

Yes  
mom.

Hehe

Thank you  
honey, later we will talk  
about some important  
matter.

Basically, Ichigo  
asked me to find  
out what was going  
on with Hiro.

To  
be honest I didn't  
really want to agree  
but I was very curious  
who is Hiro's cousin.

And I have to admit  
she looks an awful lot like  
him, although what's surprising  
about that after all they  
are family.

Besides, Hiro-kun probably didn't suddenly decide to start dressing like a girl.

And even though they are similar she has a bit different face.

Yes he has always been quite short for a boy.

Not to mention that Hina-chan is definitely skinnier than him.

As for Hiro, I doubt he would suddenly go for plastic surgery.

But I've never seen him wear at least something pink let alone something like this.

No, I was just a little tight and thought nothing would happen if I took it off for a while.

I can't let Aunt Sora find out what really happened.

Hina-chan, now I've noticed. Why you didn't wear a bra?

Have you forgotten?

Maybe it's time for a new one?

Don't forget that at your age your breasts are still growing.

Saki can you finally stop looking at my breasts like that?

It's not my fault that they suddenly got so big.

Hmm...

Hina-chan with big breasts?

I'm already looking forward to it.

Some time later...

Did I understand that correctly?

You said to your friend from your old school that you were my daughter, so that he wouldn't discover who you were?

Well, nothing happened, the main thing is that he didn't notice anything.

*\*embarrassed\**

Sorry Mom, I mean auntie.

You are not mad at me?

No, to be honest it was even funny. Just know that now you will have to pretend every time you meet him that you are my daughter?

Because he will immediately notice that you were lying. Besides, from now on you have to pretend to be my daughter in front of all your friends from your previous school.

You did.

What, why?

Oh dear, I think I made quite a mess.

So now I'll have to pretend at school that I'm your niece, and at meetings with friends that I'm your daughter.

Oh no, and what happens if I make a mistake?

If I call you mom at school or aunt in front of friends.

Then I'm sure everyone will guess.

At school it wouldn't be so bad, at most you would have a reason to be ashamed.

But your friends would definitely guess what's up.

That's why I think it would be better if you were my daughter from now on.

Er... Can you repeat that?

I don't think you're serious, I can't be your daughter.

Yes, but I already have parents.

Wait a minute, because I don't understand it anymore.

*\*Shocked\**

I want you to be my daughter from today.

Why not, after all it would solve the problem you just created?

You mean Daichi and Kasumi, but they are Hiro's parents after all, and you are his cousin, so it comes out that you are my daughter.

It's simple, from the beginning you have to pretend that you are your own cousin.

Now you even have to pretend in front of your friends that you are her.

That's why I think it would be much easier if from today you pretended in front of everyone that you are my daughter.

Which already means that you would have to be my daughter.

But if you start pretending to be my niece at school and my daughter in front of your friends you will finally make a mistake and there will be problems.

At school already all the teachers think you are my daughter anyway so there would be no problem.

If so, then fine. If it doesn't bother you.

Unbelievable that I actually agreed to this, how embarrassing that I have to call my own aunt my mom.

But I'd rather that than have someone discover that I'm a guy.

Of course it doesn't. It even solves a few problems for me when it comes to your visits to the doctor.

Well , now that we have that behind us we now need to have a serious mother-daughter talk.

Hehe. Eee...  
I think I better go  
home now.

Do you  
remember those  
articles for the  
school newspaper  
that I asked  
you for?

*\*Angry\**

They suck,  
they look like  
random information  
from the Internet.  
In addition, they  
are old or with  
mistakes.

What happened?

Yes, what  
about them?

It's not  
my fault, I don't  
know much about  
idols.

Later at work...

Yes, she said I would either do it or she will abolish the idol research club.

Do you think she was serious?

But I don't know anything about idols, I only know that they sing and run around in some weird outfits.

So your aunt, I mean mom, told you to correct the articles for the school newspaper?

I think she was.

It would be a shame if we lost our club.

Really?

That's great, if I did an interview with her I'm sure I'd learn something interesting for the school newspaper.

And who exactly is 05?

If you want I can help you.

Yes, from what I remember 05 has a friend who is an idol.

Probably yes.

Well.

The next day  
at school...

A idol?

*\*Surprised\**

Sure, I can help Hina-chan  
become an idol.

I know some  
people in the industry,  
I'm sure I can organize  
something.

Just please  
don't call me 05  
all the time, I feel  
weird about it.

食器返却口

食べ終わったら  
食器を返却口に！

I always  
thought you  
liked being called  
that.

Anyway,  
thanks.

Just before I forget,  
Hina-chan is a little weak  
in singing, can something  
be done about it.

What I don't want  
to be any idol.

Er... Zero two,  
I think we got along a  
little differently.

**\*Shocked\***

Oh no,  
I must somehow warn  
Naomi not to use any  
magic on him.

But how, mom  
forbade me to tell  
anyone that Hina-chan  
is a guy.

Oh no, I smell  
trouble.

Sure.

Give me a  
month and I'll  
make her the  
perfect idol.

To be continued....
