
A photograph of a woman's legs and a man's torso in a blue-lit room. The woman's legs are on the left, wearing a black and blue beaded bracelet. The man's torso is on the right, wearing black briefs. Two speech bubbles are overlaid on the image. The top speech bubble contains the text: "God you look *delicious!*  
Tell me you're ready for *round two!*" The bottom speech bubble contains the text: "Oh damn, I'm still hard!  
You're really something else aren't you!  
Phew, I'm exhausted but still so *horny* right  
now. Let me just lay down for a second!"

As he lay down, his body felt tired and exhausted and just a little empty, like he'd lost something important..

And despite his huge orgasm, he was still hard and could feel that familiar buzz of horniness still throbbing in his cock.

As Ness spoke to him, he felt her words effortlessly embed themselves within his brain.

He'd usually be ready to drift off to a content sleep after a fuck like that but not tonight.

Tonight he was still hungry.

Tonight he wanted more.

More pussy.

More pleasure.
