A manga-style illustration showing a girl with long, straight white hair and large blue tears falling from her eyes. She is wearing a light blue, long-sleeved, patterned dress with a white sash. She stands in the center, facing two boys whose backs are to the viewer. The boy on the left has long black hair, and the boy on the right has spiky blonde hair. They are outdoors at night, with a dark sky filled with stars and green foliage in the background. A speech bubble from the girl contains the text: "Hey! What about we come to Hana's house? We could do something."

Hey! What about we come to Hana's house? We could do something.

Make her know
your existence
than just standing
here do nothing.

Ah right.. Why didn't I think about that sooner?

Huh.. Quite genius are you.

Well, you two go.
I'll stay, let's
see how will you
do it.

For all of my career, this is the first time..

must be rules,

We did our best.
Same with Keichi.

Keichi.. Rest..

A young woman with brown hair in a ponytail, wearing a white sailor-style school uniform with a red tie and a dark blue skirt, stands on a balcony. She is looking out over a cityscape through a metal mesh railing. Her right hand is resting on the railing. In the foreground, there is a brick planter box filled with colorful flowers. A dark metal trash can is visible in the bottom right corner. The sky is bright and hazy, suggesting a sunny day. A speech bubble is positioned above her, containing text.

We wish.. to see
each other again
in after life..

"Rest in peace,
Keichi."

It's nothing..
I stripped and..

Hana.. Woah!?!
What happened
to you!?

Come on! Let's go to the nurse's station, Hana!

Oh, yes, Toko?

Yesterday, I

inside you..

Uhm.. I don't

are talking about?

sign.. Watch
your step next time.

Ahaha! It's
nothing! Oh..
my legs really hurt!!

And Toko? Let's go to Keichi's house after school.

Alright. Fix your wound first, Hana.
