

# The Bimbo Next Door Three

Lusty Lana and Friends in The Quest for the Holy Kaboobaning

Chapter 50

Maybe we need  
a "clean" lab?

Story and  
art by  
Mr Phoenyx

Don't look behind you.

Right!

Damn, just look at these babies jiggle!

But how can we see if she is growing still?

Whoops!

Yep! They are still running...

It's safest to just assume that she is going to grow really huge.

...and Bambi is still growing!

The magic has gone completely out of control.

The former Spider Queen grows until she starts testing the limits of the massive room.

She  
might never  
stop actually, so  
we really need  
to get out of  
here.

And her milk, as well as her  
enormous rack, begin to fill it  
to absolute bursting.

Well that could be a real problem, but I think we can stop now.

I think we have made it far enough to be...

...safe?

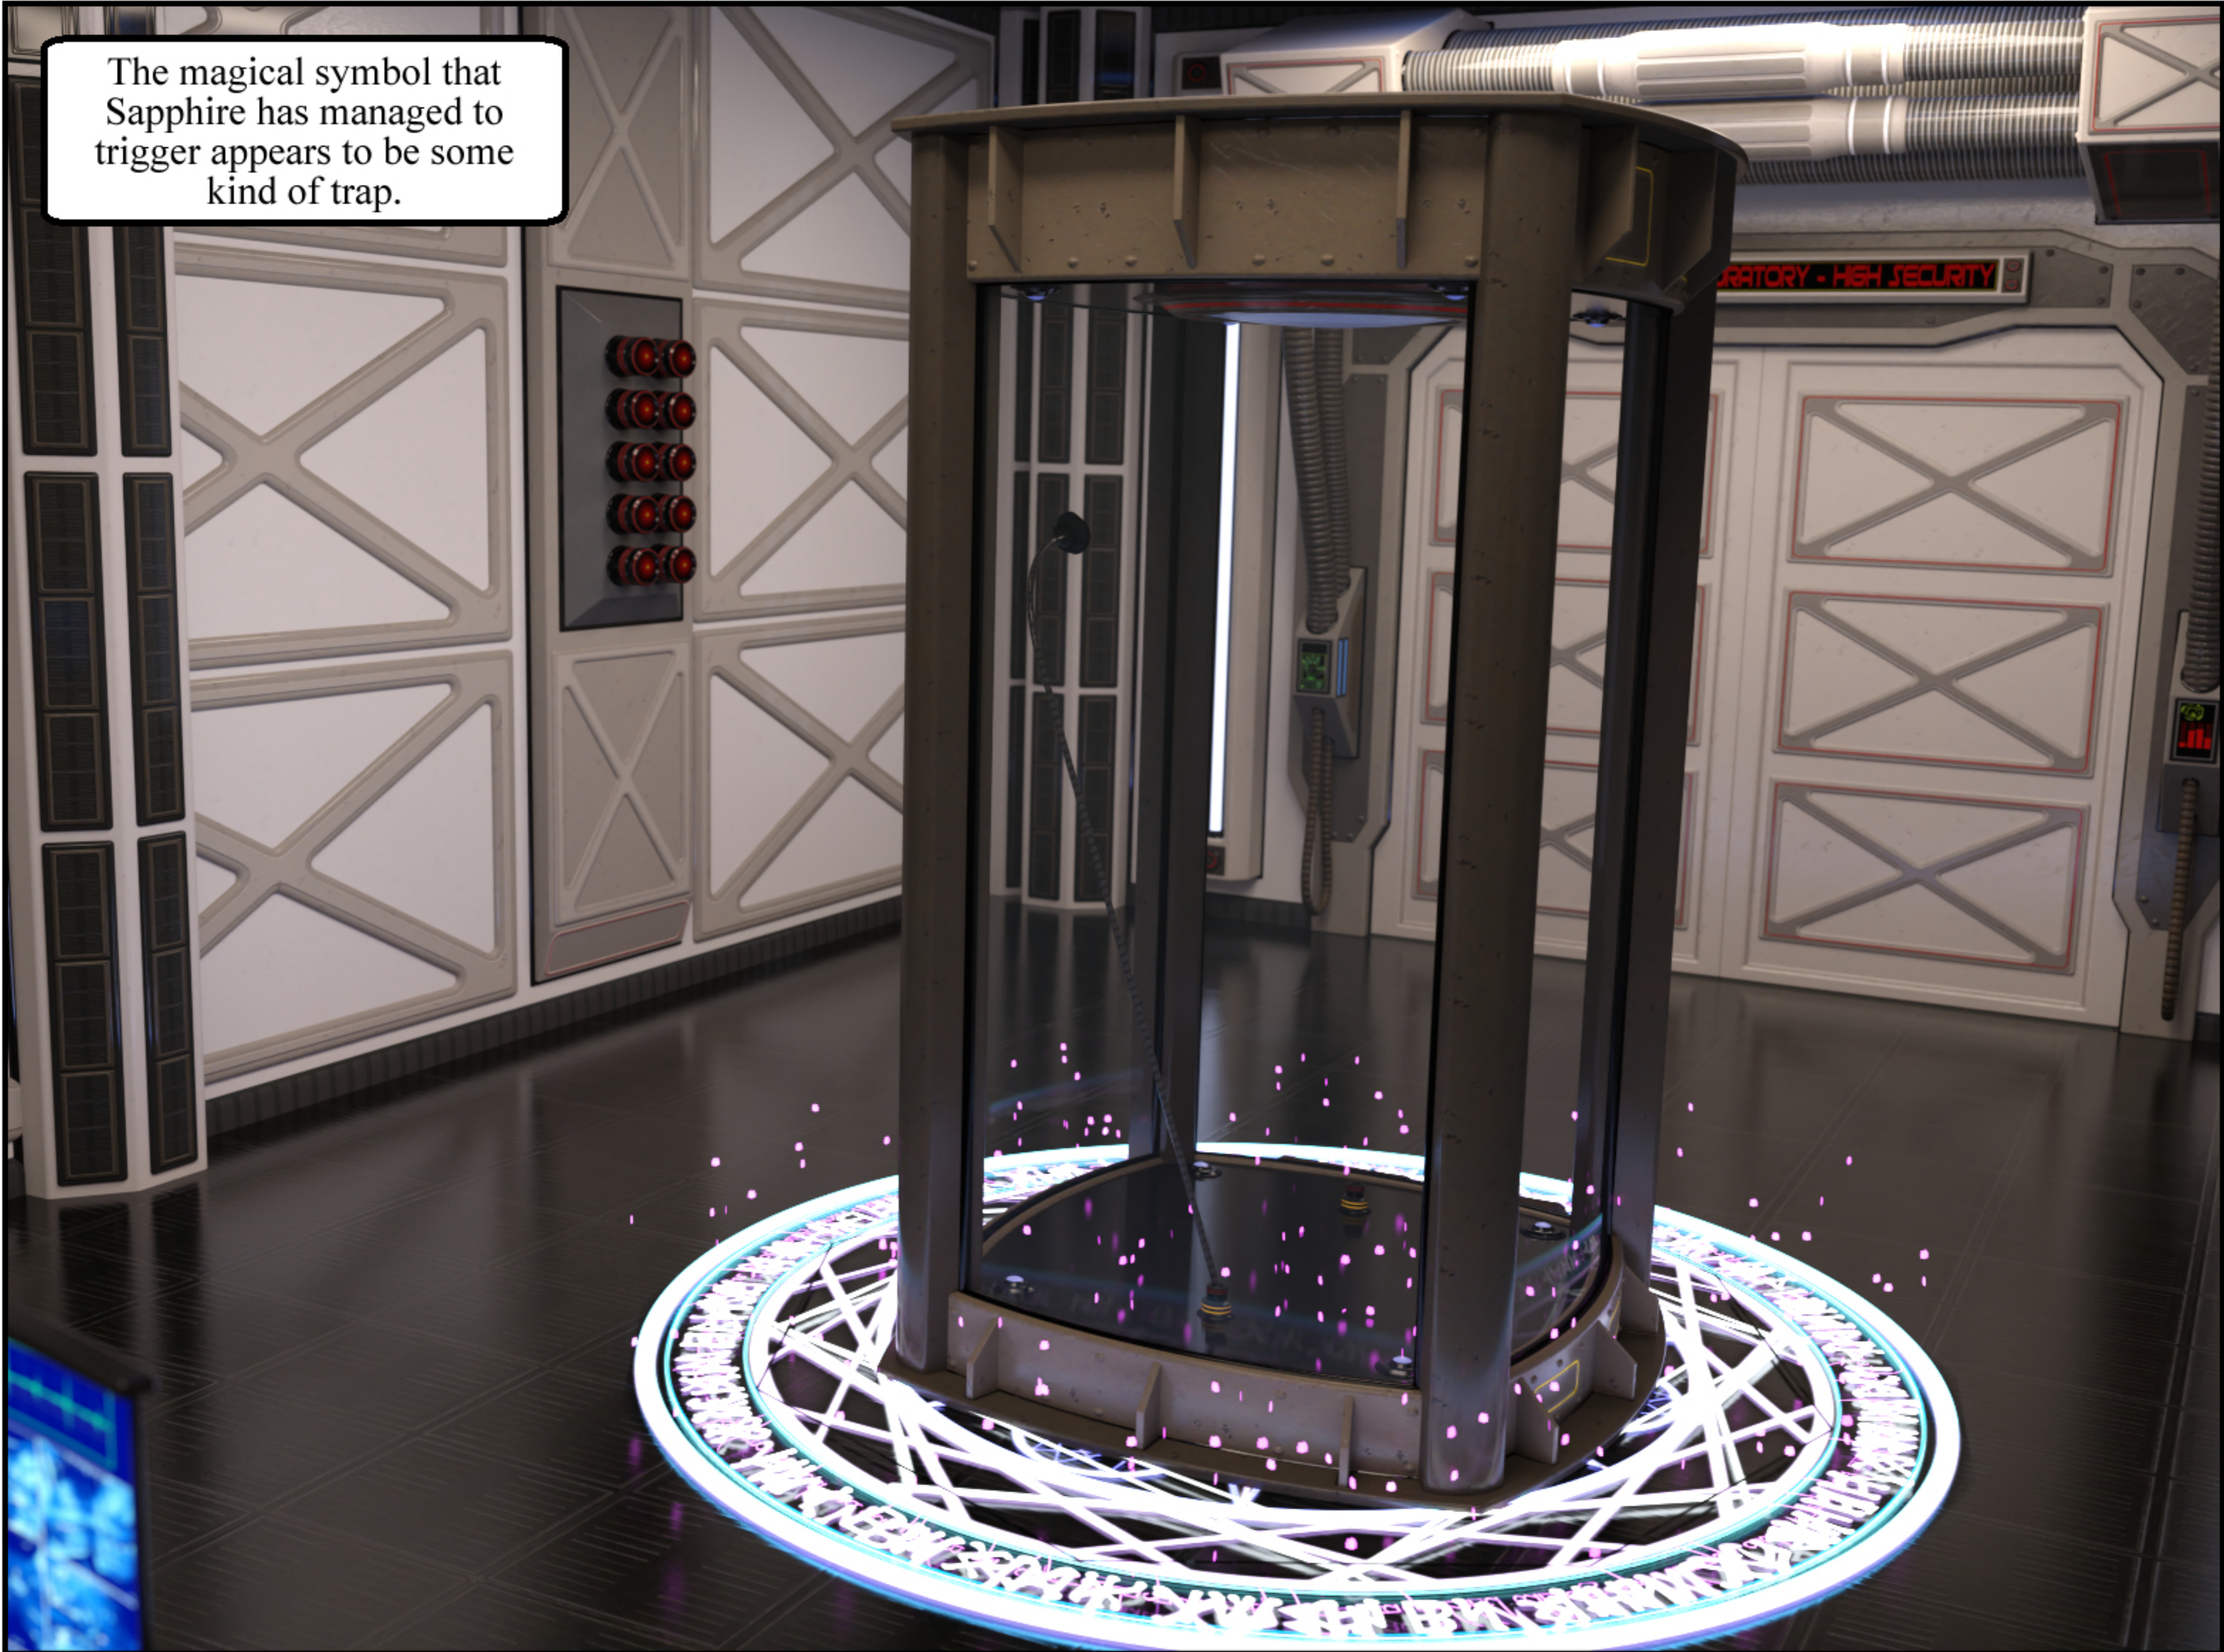

The group makes it through the grate and into the nearest hall, but they do not notice that they have lost a member.

The magical symbol that Sapphire has managed to trigger appears to be some kind of trap.

Which whisks her away to parts unknown. She has no clue if she's a few feet or a thousand miles from her former location.

What in the actual fuck?

**POP!**

LABORATORY - HIGH SECURITY

But she doesn't have time to think about that right now.

Hi,  
Bambi.  
Welcome to  
my lab.

But  
I'm not  
her?

I'm sure that you have a lot you want to ask, but you should really put on the mask.

Wait! I am trying to tell you--

You don't want to drown.

Fuck! Why won't you listen to me?

And I can't take the risk of you using magic.

What the hell are you doing to me?

Sapphire's protests fall silent as she inhales the sedative being pumped into the mask along with air to breathe.

Wow!  
These are  
some surprising  
readings,  
Bambi.

You  
are much  
more of a mess  
than I  
thought.

Drugs,  
magic, and  
technology all  
mixed up  
inside.

*VVVRRRRMMMMMM!*

I  
can't  
untangle this  
mess at  
all.

I'm going to have to drain it all out.

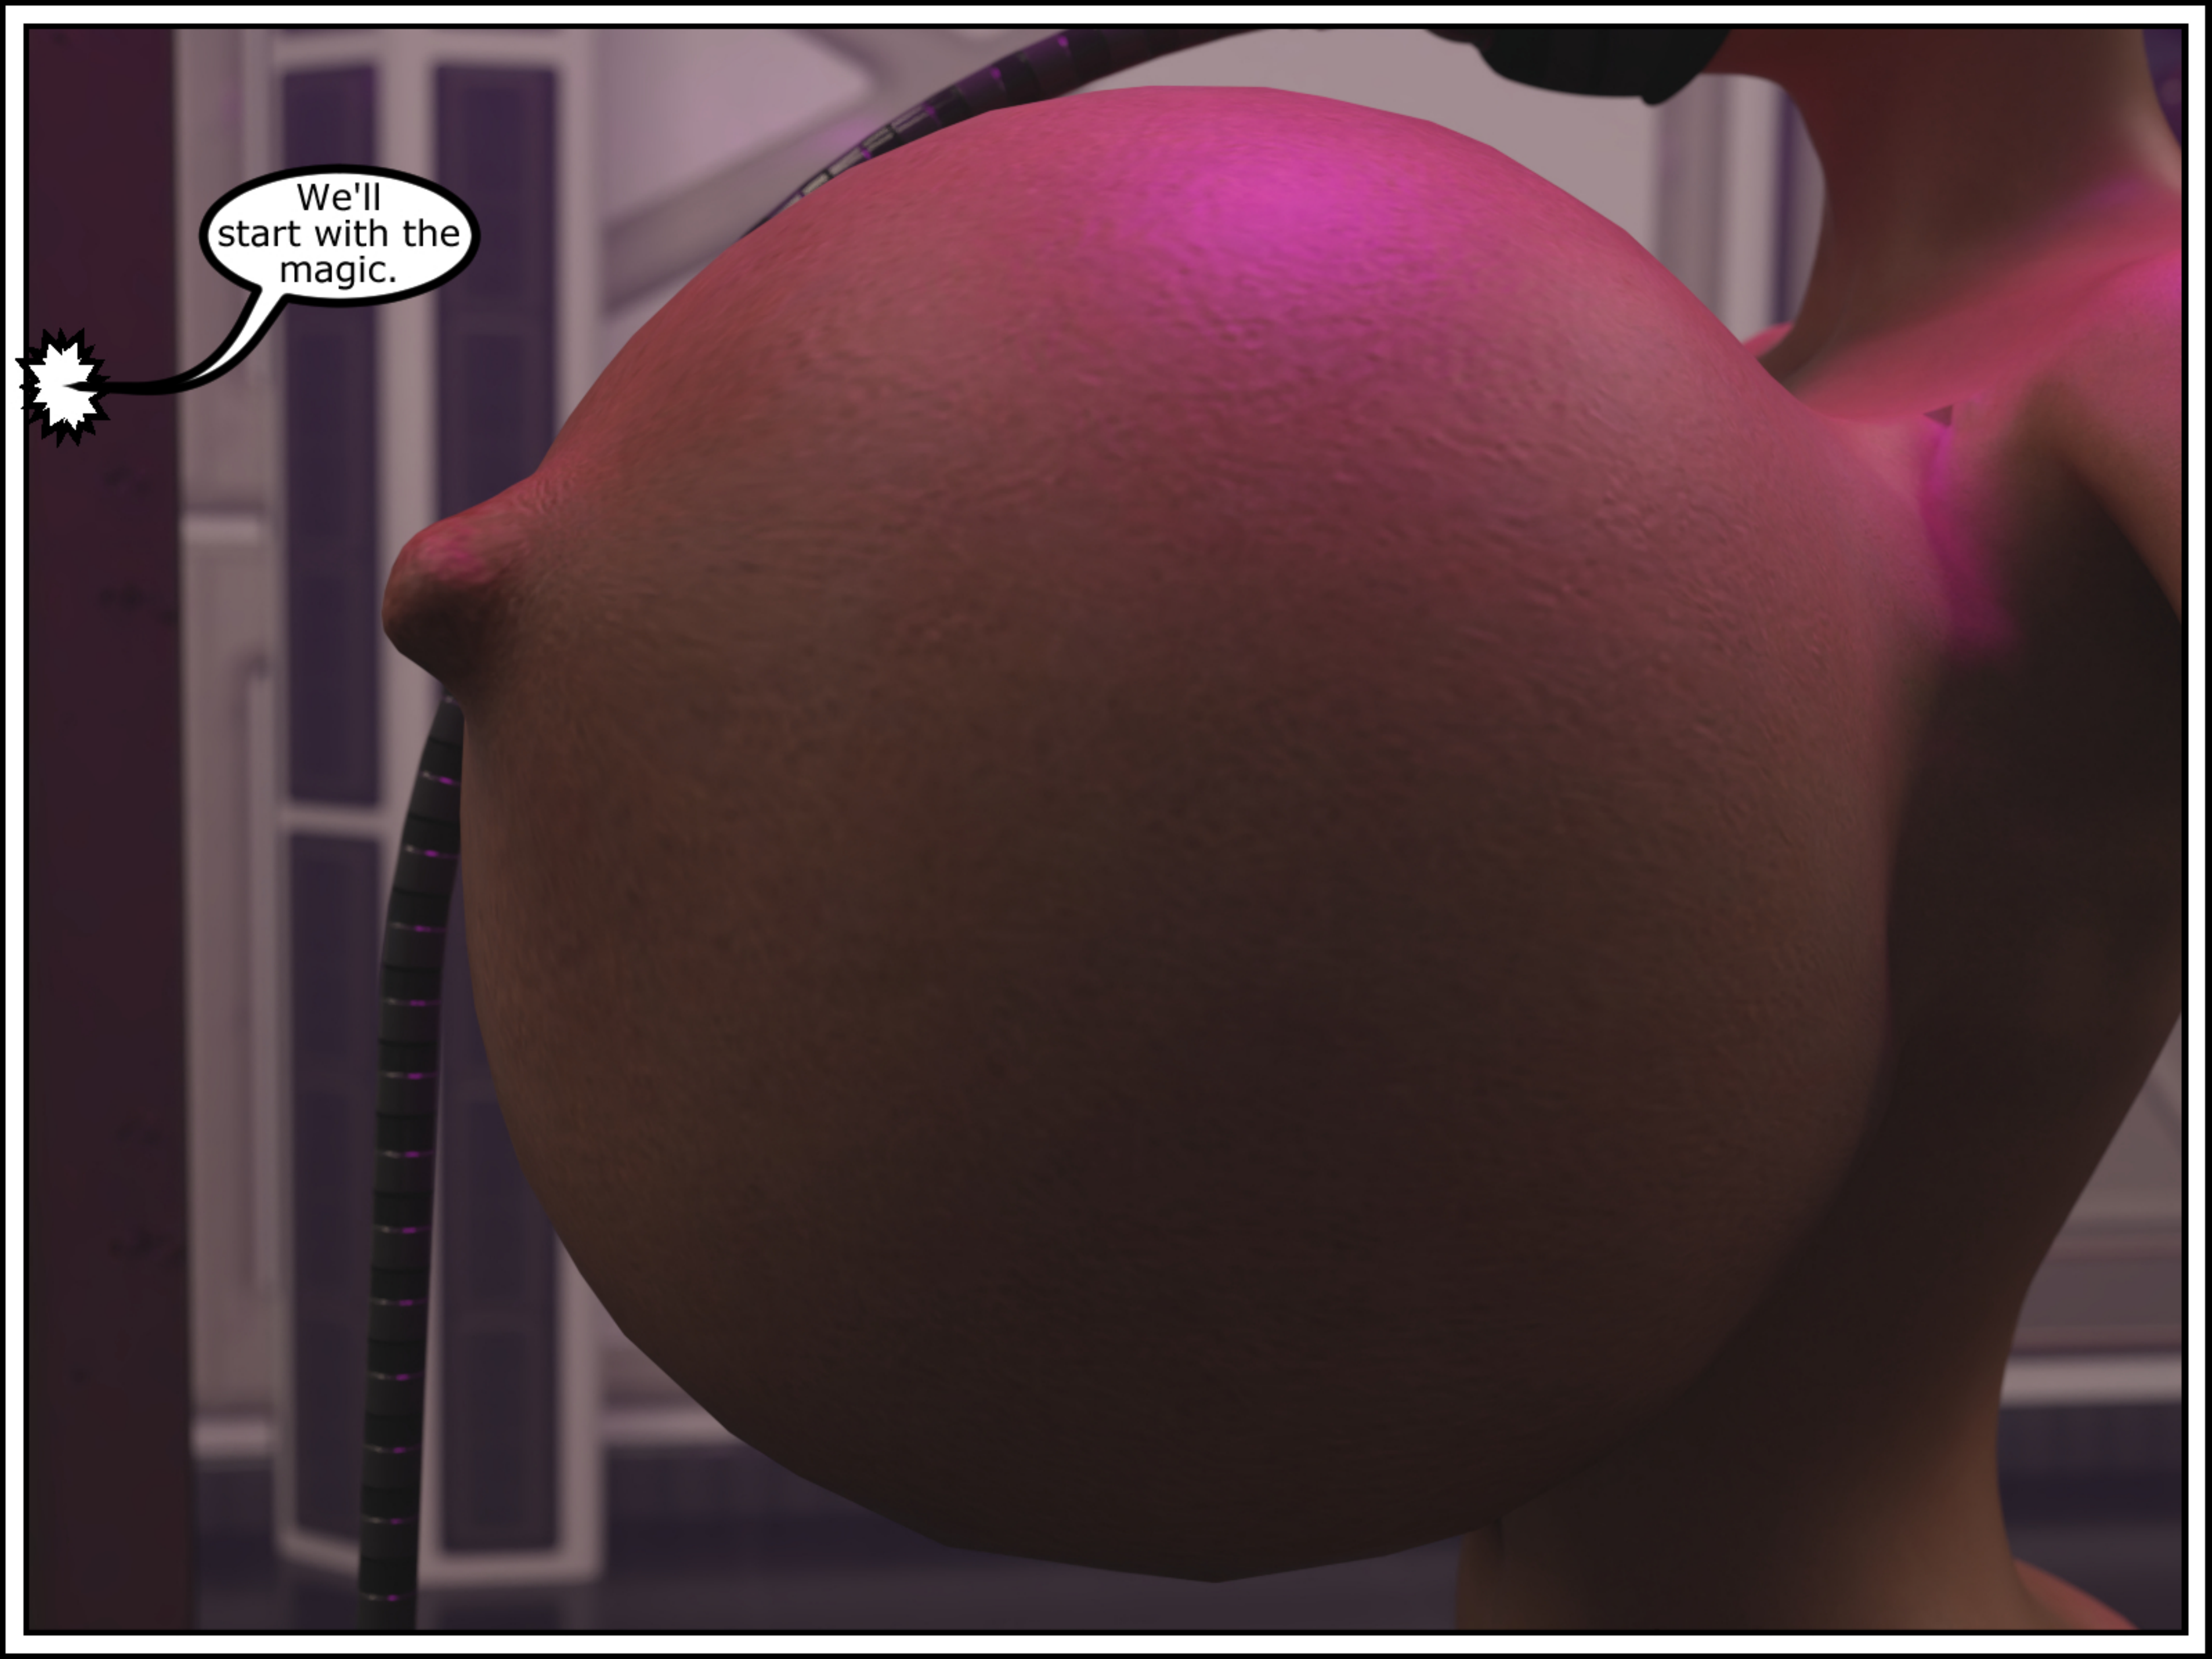

**DISSOLVE!**

A complete reset.

**LIQUEFY!**

A close-up, side-profile view of a character's face. The character has a large, rounded nose and is looking towards the left. The skin is a light, pinkish-tan color. The background is a blurred, dark blue and purple environment, possibly a futuristic or industrial setting. A speech bubble is positioned in the upper left corner, containing the text "We'll start with the magic." The speech bubble has a white starburst shape at its tail, which points towards the character's mouth.

We'll  
start with the  
magic.

**Reduce!**

**Decrease!**

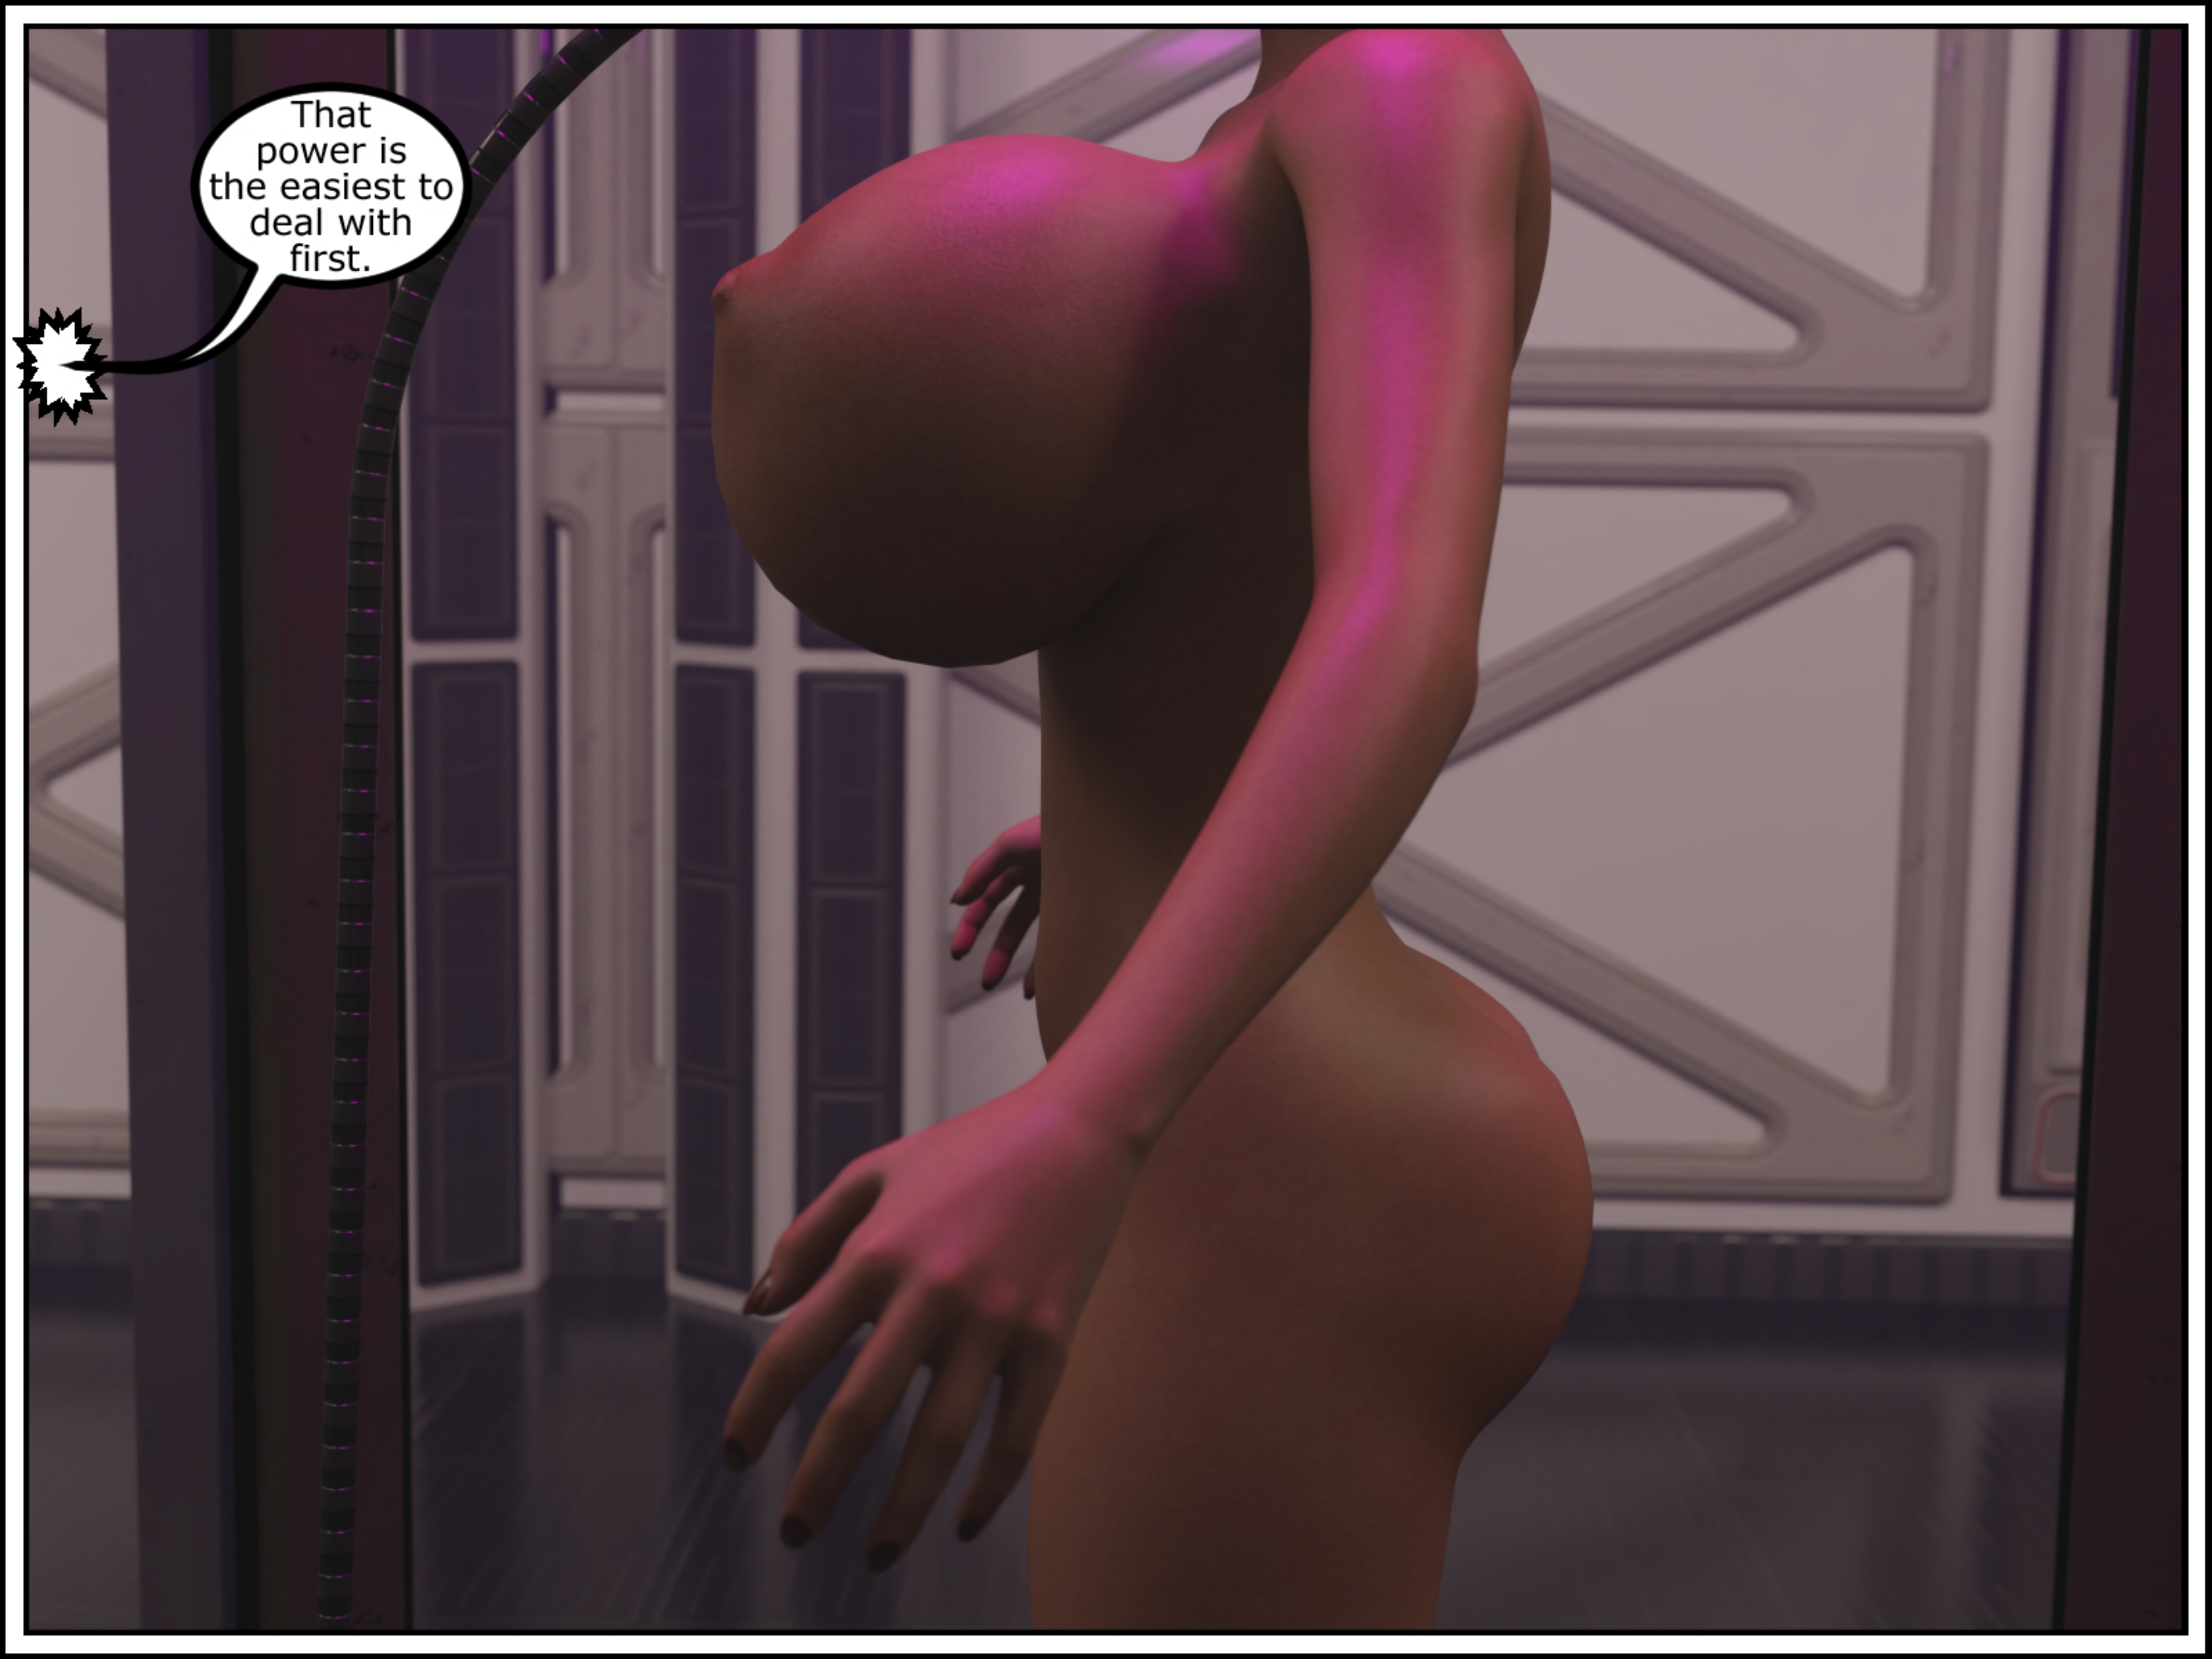

A 3D rendered scene showing a character's back and a glowing purple energy beam. A speech bubble contains the text 'Diminish!'.

**Diminish!**

**Minify!**

A 3D rendered female character with a smooth, pinkish-red skin tone is shown from the waist up, facing left. She has a large, rounded, featureless head. Her right arm is extended downwards, and her left hand is partially visible behind her back. The background consists of a futuristic, metallic environment with vertical panels and a grid-like pattern. A speech bubble is positioned in the upper left corner, containing the text "That power is the easiest to deal with first." A small, white, starburst-like icon is located to the left of the speech bubble's tail.

That power is the easiest to deal with first.

**Less Curvy!**

A 3D rendered female torso is shown in a futuristic, metallic environment. The torso is positioned vertically, with the head at the top and the waist at the bottom. The skin is a smooth, light brown color. The background consists of a grid of rectangular panels, some of which are illuminated with a blue light. A yellow text bubble with a black outline and a drop shadow is centered on the torso, containing the word "Straighter!". Two white, curved motion lines are positioned on either side of the torso, one near the head and one near the waist, suggesting movement or a specific pose.

**Straighter!**

A 3D rendered female figure is shown from the waist up, positioned in the center of the frame. She has a glowing pink aura around her body. Her right arm is extended downwards, and her left hand is partially visible behind her. The background consists of a futuristic, metallic environment with a grid-like pattern. Two white, curved motion lines are positioned around the figure, one above her head and one below her arm. The text "Flatter!" is written in a stylized, yellow font with a red outline, centered in the image.

**Flatter!**

A 3D rendered female character with a slender physique is shown from the waist up, facing left. She has a pale complexion and is wearing a dark, form-fitting top. Her right arm is extended forward, and her left hand is partially visible behind her. The background consists of a futuristic, metallic environment with a grid-like pattern and a large, curved structure on the left. A yellow speech bubble with a black outline and the text "Plainer!" is positioned near her chest. Two white, curved motion lines are visible: one above the speech bubble and one below the character's right arm.

**Plainer!**

The  
drugs are  
also easy enough  
to remove and  
drain.

A 3D rendered character's buttocks, shown from a rear perspective. The skin is a dark brown color. A bright red, glowing aura surrounds the central part of the buttocks. Four white, crescent-shaped marks are visible on the skin: two on the upper buttocks and two on the lower buttocks. The background is a dark, blurred environment.

**De-Curviy!**

A 3D rendered character's buttocks are shown from a rear perspective. The character has a dark brown skin tone. Four white, crescent-shaped marks are visible on the buttocks: two on the upper part and two on the lower part. The text "Un-Sexify!" is written in a stylized, yellow font with a black outline, positioned on the right side of the image.

**Un-Sexify!**

**De-Voluptify!**

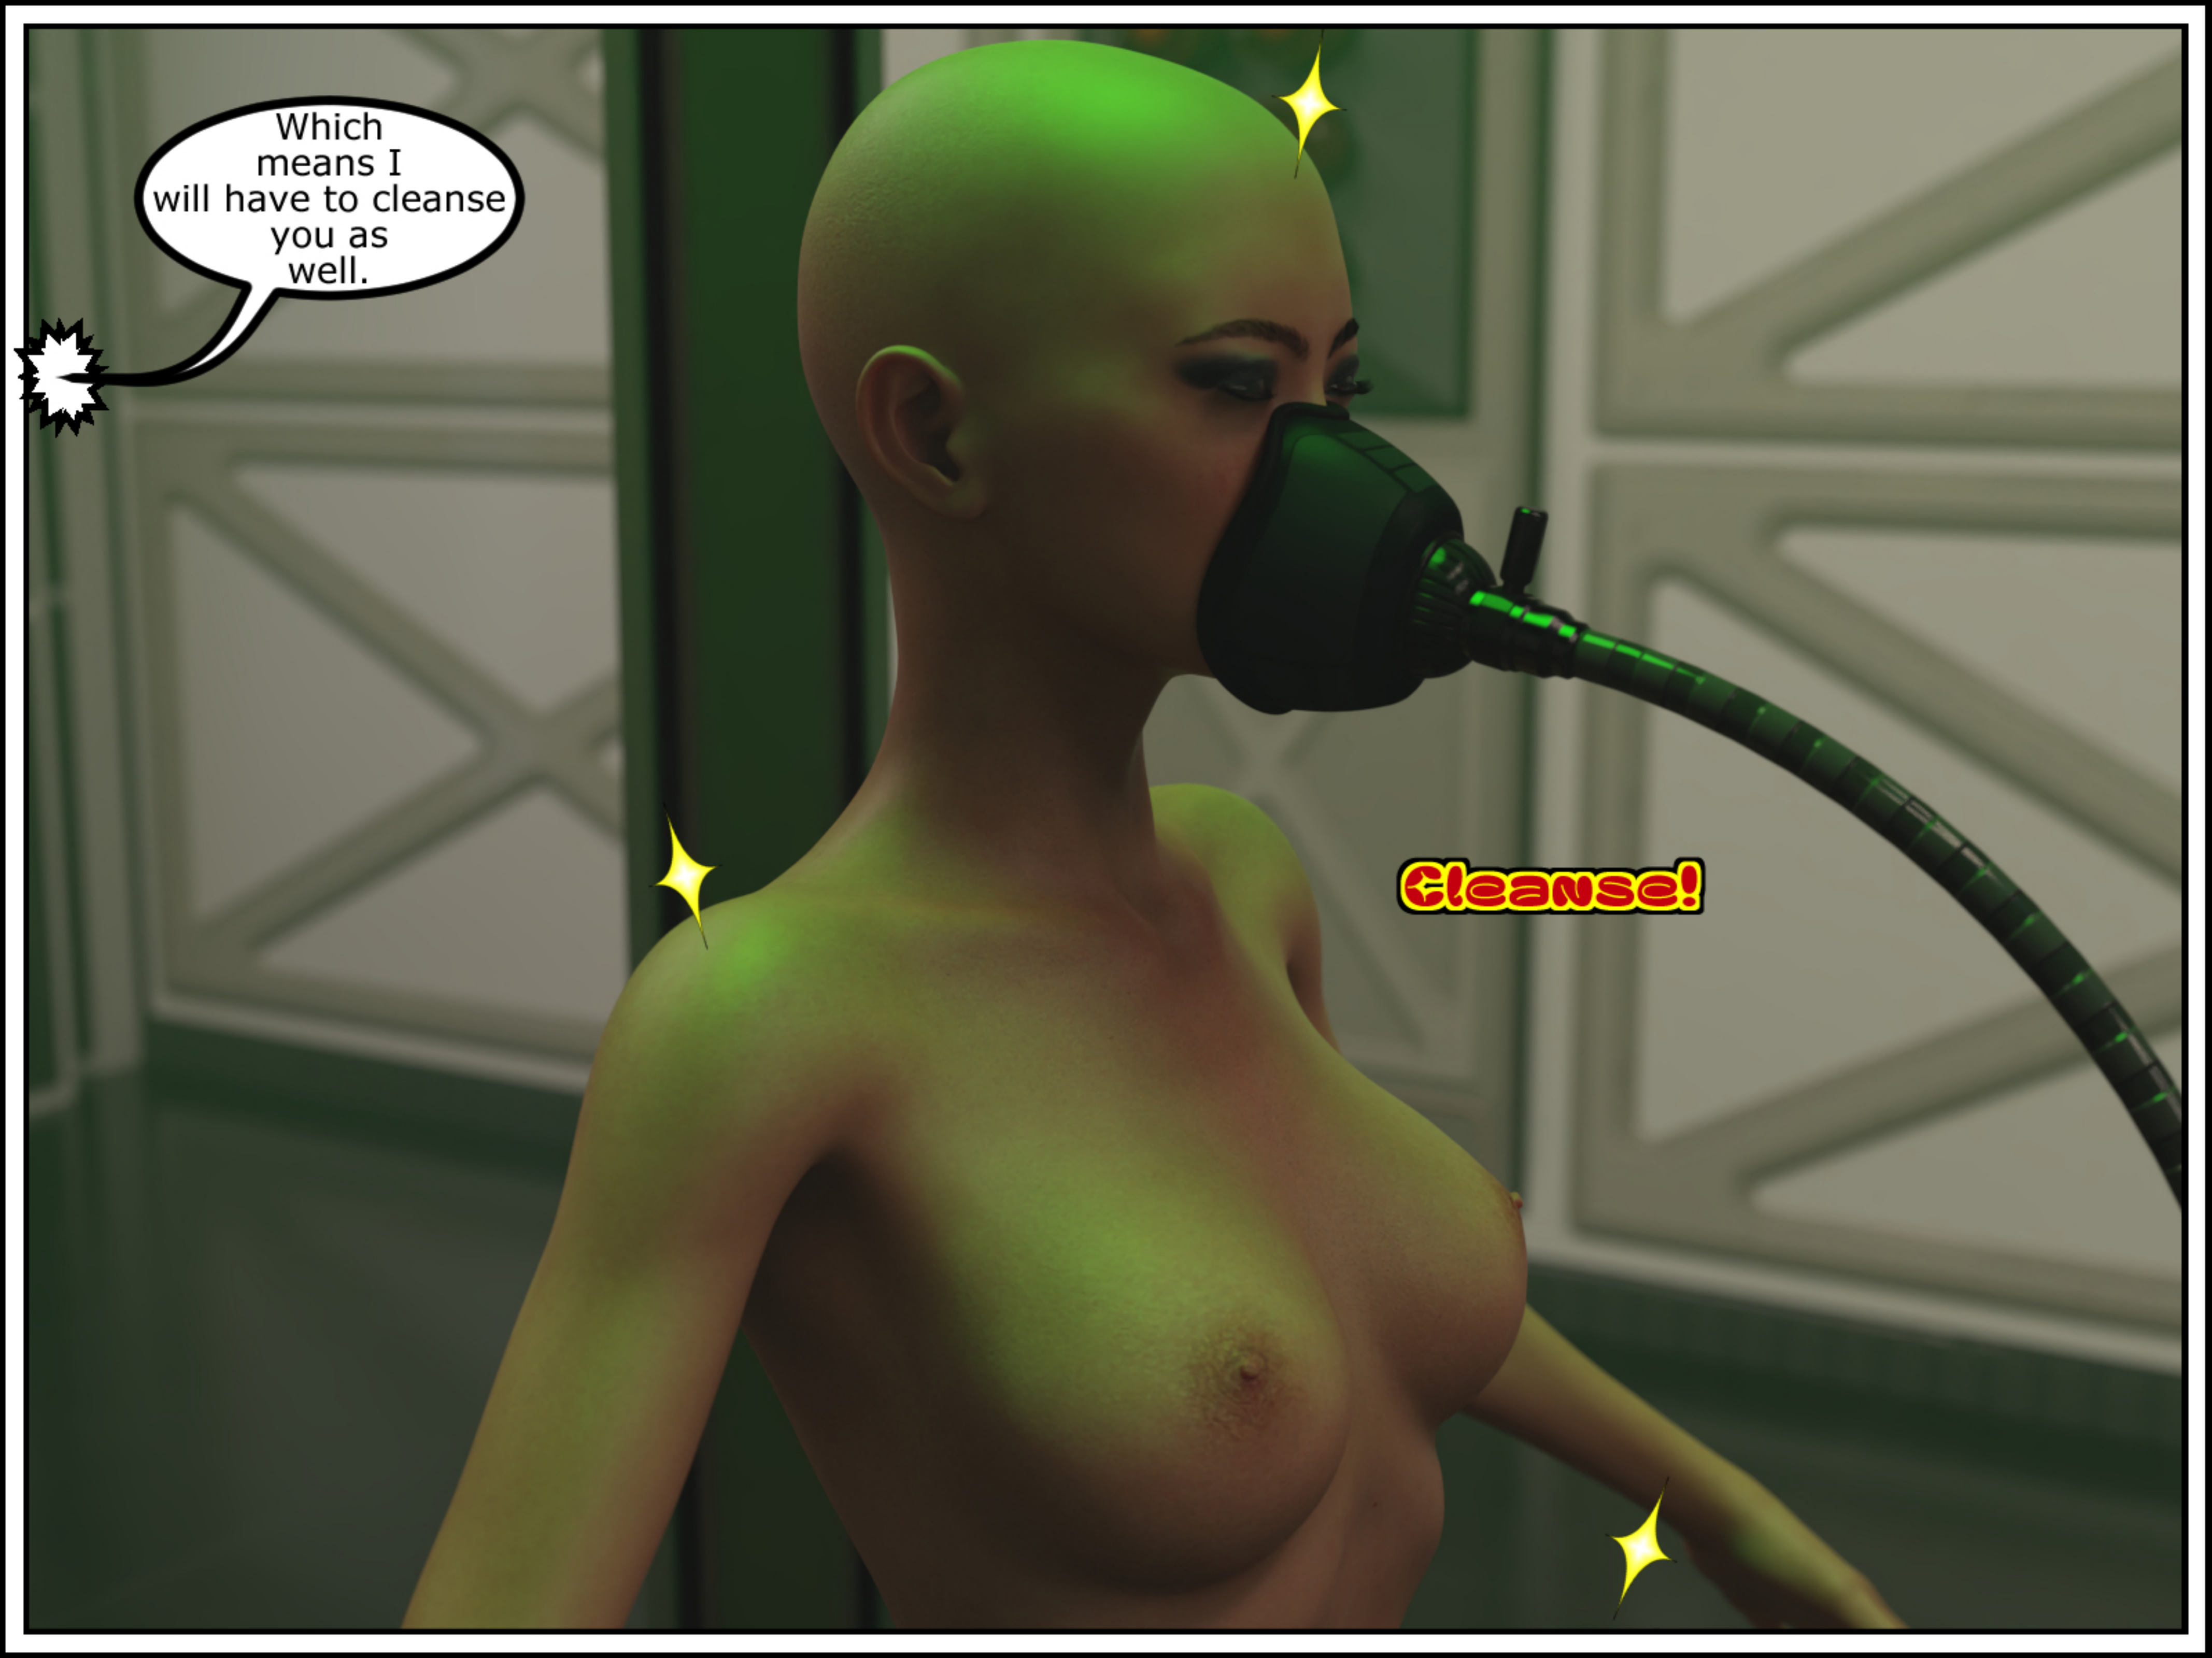

**Un-Shaplify!**

But  
this Tech...  
I am going to have  
to completely  
cleanse it.

Which means I will have to cleanse you as well.

**Cleanse!**

A 3D rendered female figure is shown from the back, standing in a laboratory or medical facility. She is nude. A dark, flexible tube with green glowing segments is positioned near her. A speech bubble originates from the tube, containing the text: "This part might have some unexpected side effects on you." The background features white metal railings and a tiled floor.

This part might have some unexpected side effects on you.

It could affect your makeup and even your skin.

**Savitize!**

A 3D rendered female figure stands in a futuristic body scanner. The scanner is a cylindrical structure with a central vertical pole and a circular base. The figure is positioned in the center, with her arms slightly away from her body. The scanner's interior is lit with a soft, greenish light. The background shows a grid-like pattern on the wall, suggesting a high-tech or laboratory environment. A speech bubble is located in the upper right corner of the image, containing the text: "Your figure will also likely shift some, my dear."

Your figure will also likely shift some, my dear.

That cannot be avoided.

**Purify!**

Hmmm.  
This readout  
says that you are  
painfully  
thin.

So  
I think  
the first thing  
we should do is put  
some meat  
on those  
bones.

**Swell!**

I just need to rebalance and modify the mixture of the elements first.

**Thicker!**

And then we can pump you back full of this yummy stuff.

**Healthier!**

It  
should do  
all sorts of really  
fun things to  
you.

**Grow!**

**Swell!!**

**Rounder!**

**Bulge!**

Mmmm,  
I bet it feels  
really good  
too!

**Curvier!**

**Sexier!**

**Shapelier!**

**Hourglass!**

A close-up, low-angle shot of a person's buttocks. The skin is a smooth, light brown color. The background is a dark, slightly blurred grey. A speech bubble originates from the right side of the frame, containing text.

Or  
it would  
if you were awake  
enough to truly  
enjoy  
it.

A 3D rendered image of a person's buttocks, showing the skin texture and shading. Four white, crescent-shaped highlights are placed on the skin to indicate its curvature and depth. The background is a dark, textured surface.

**Wider!**

**Fatter!**

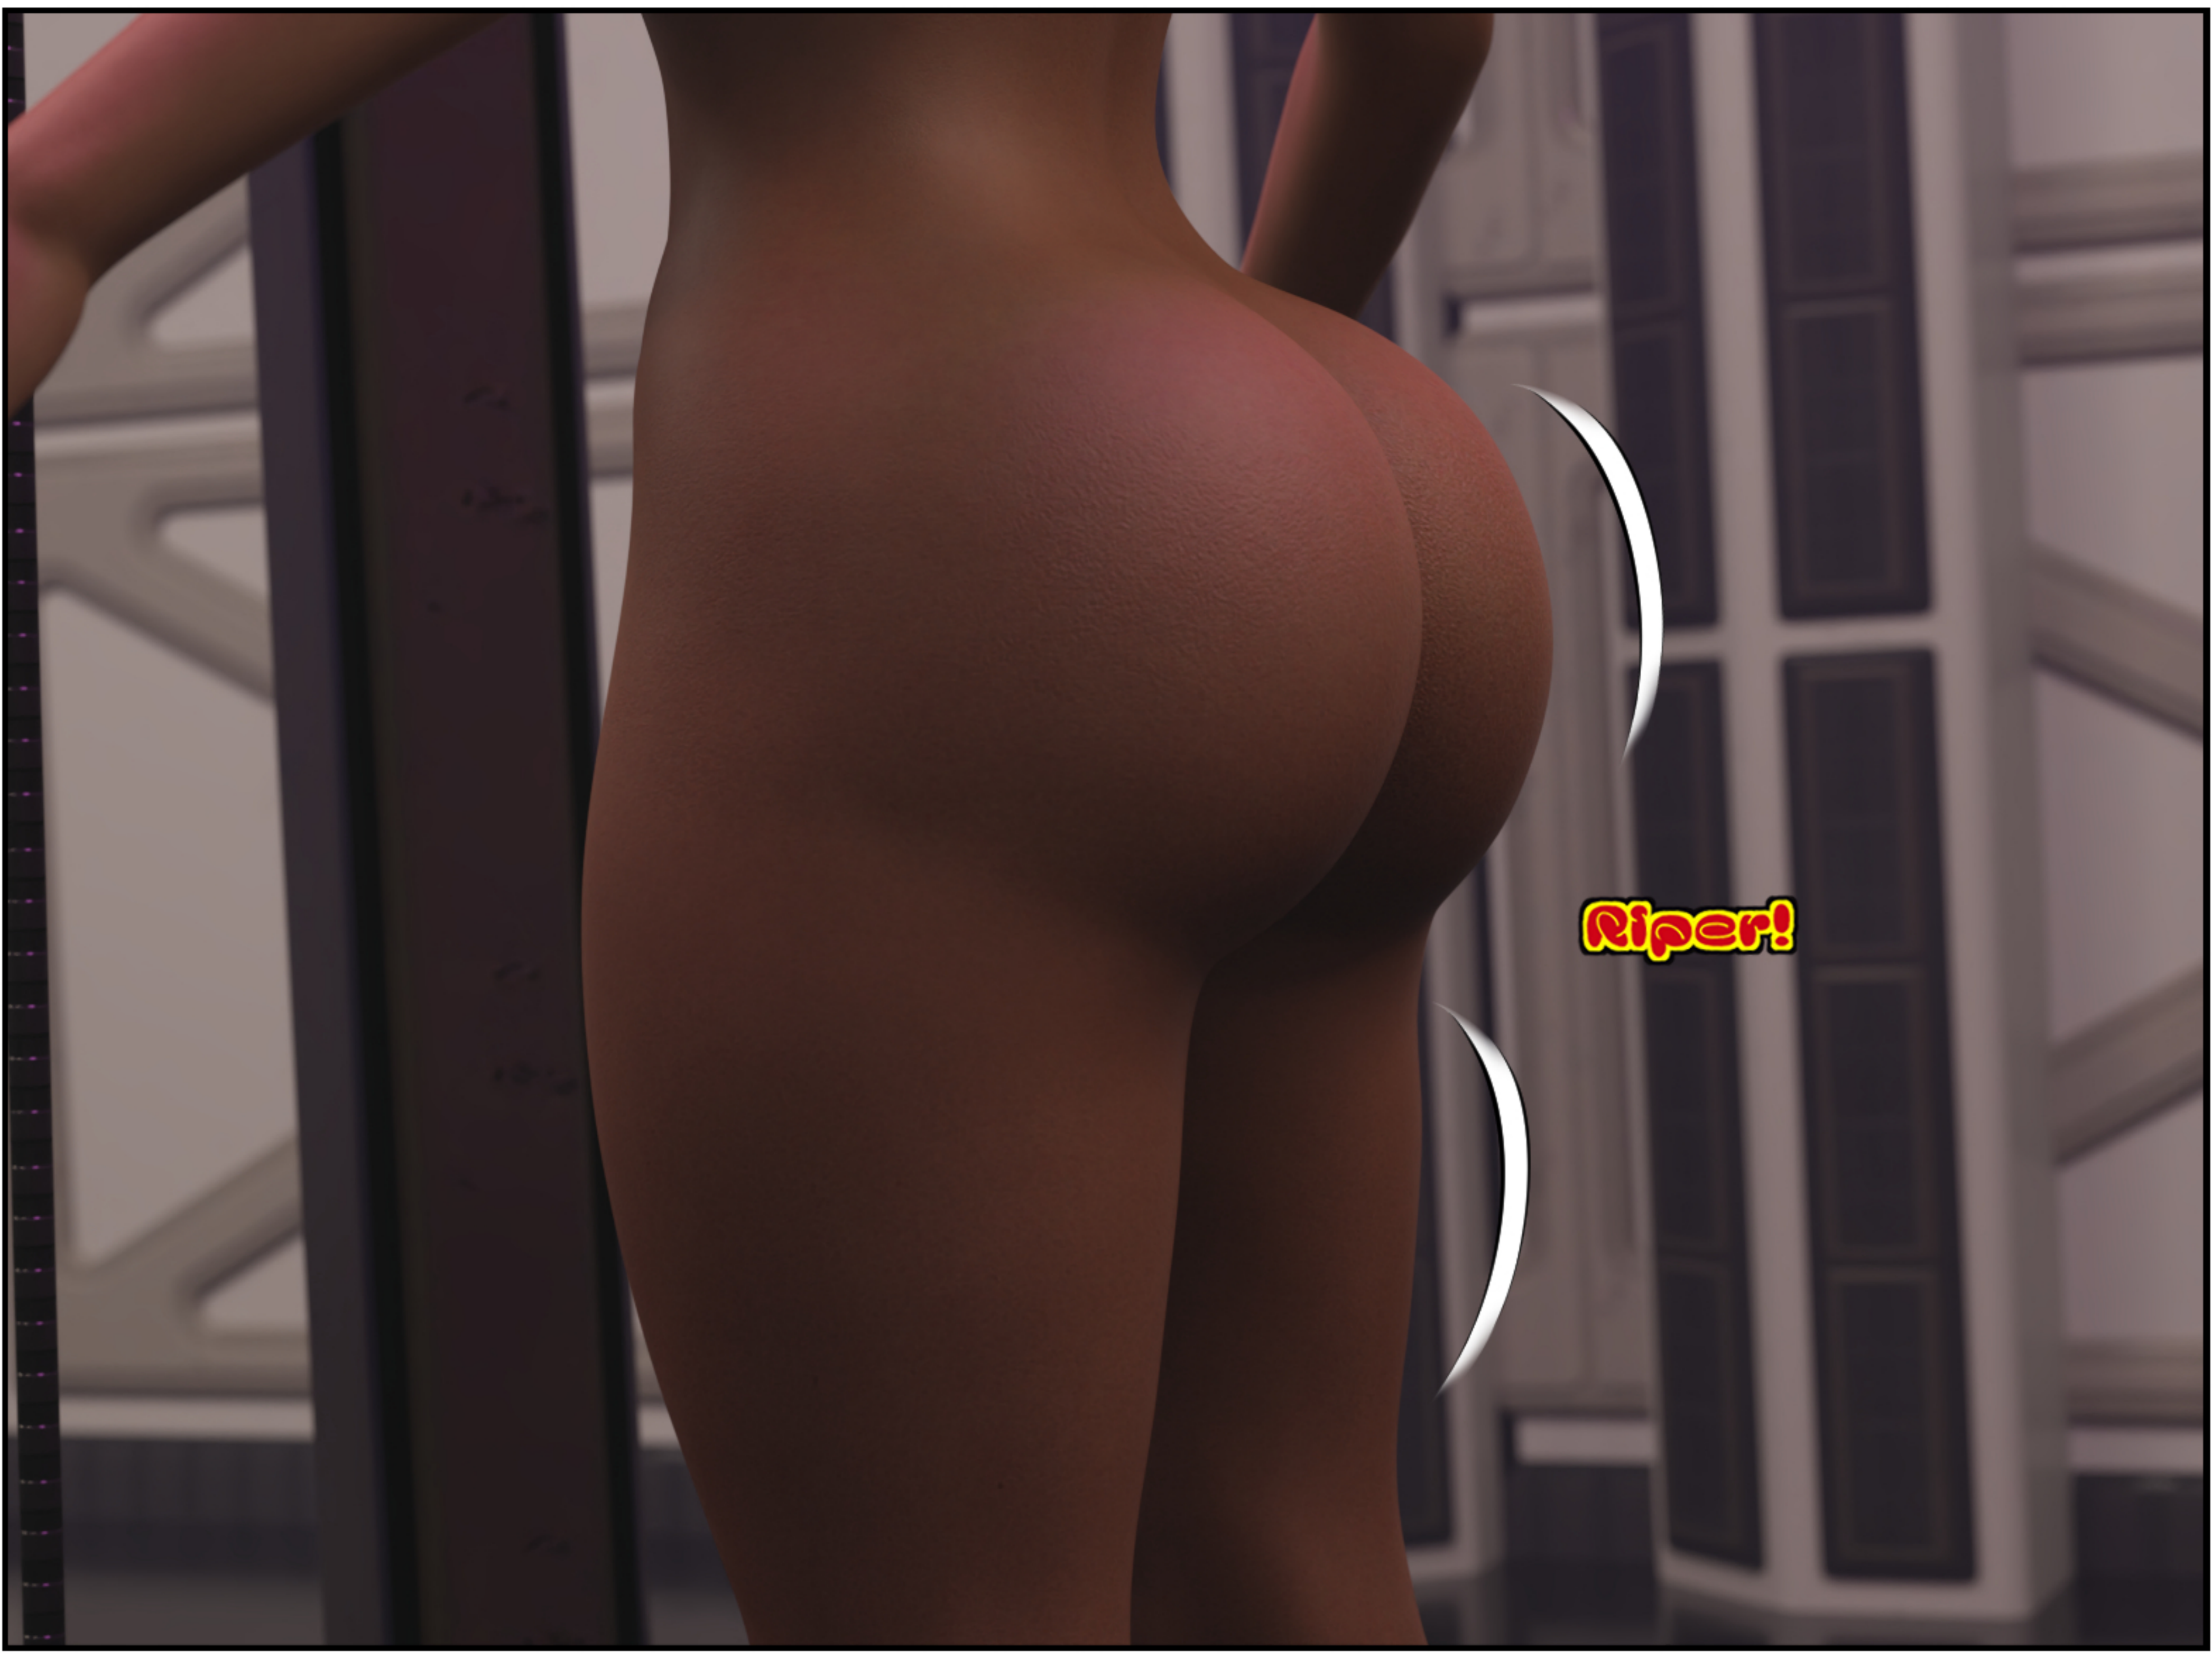

**Fuller!**

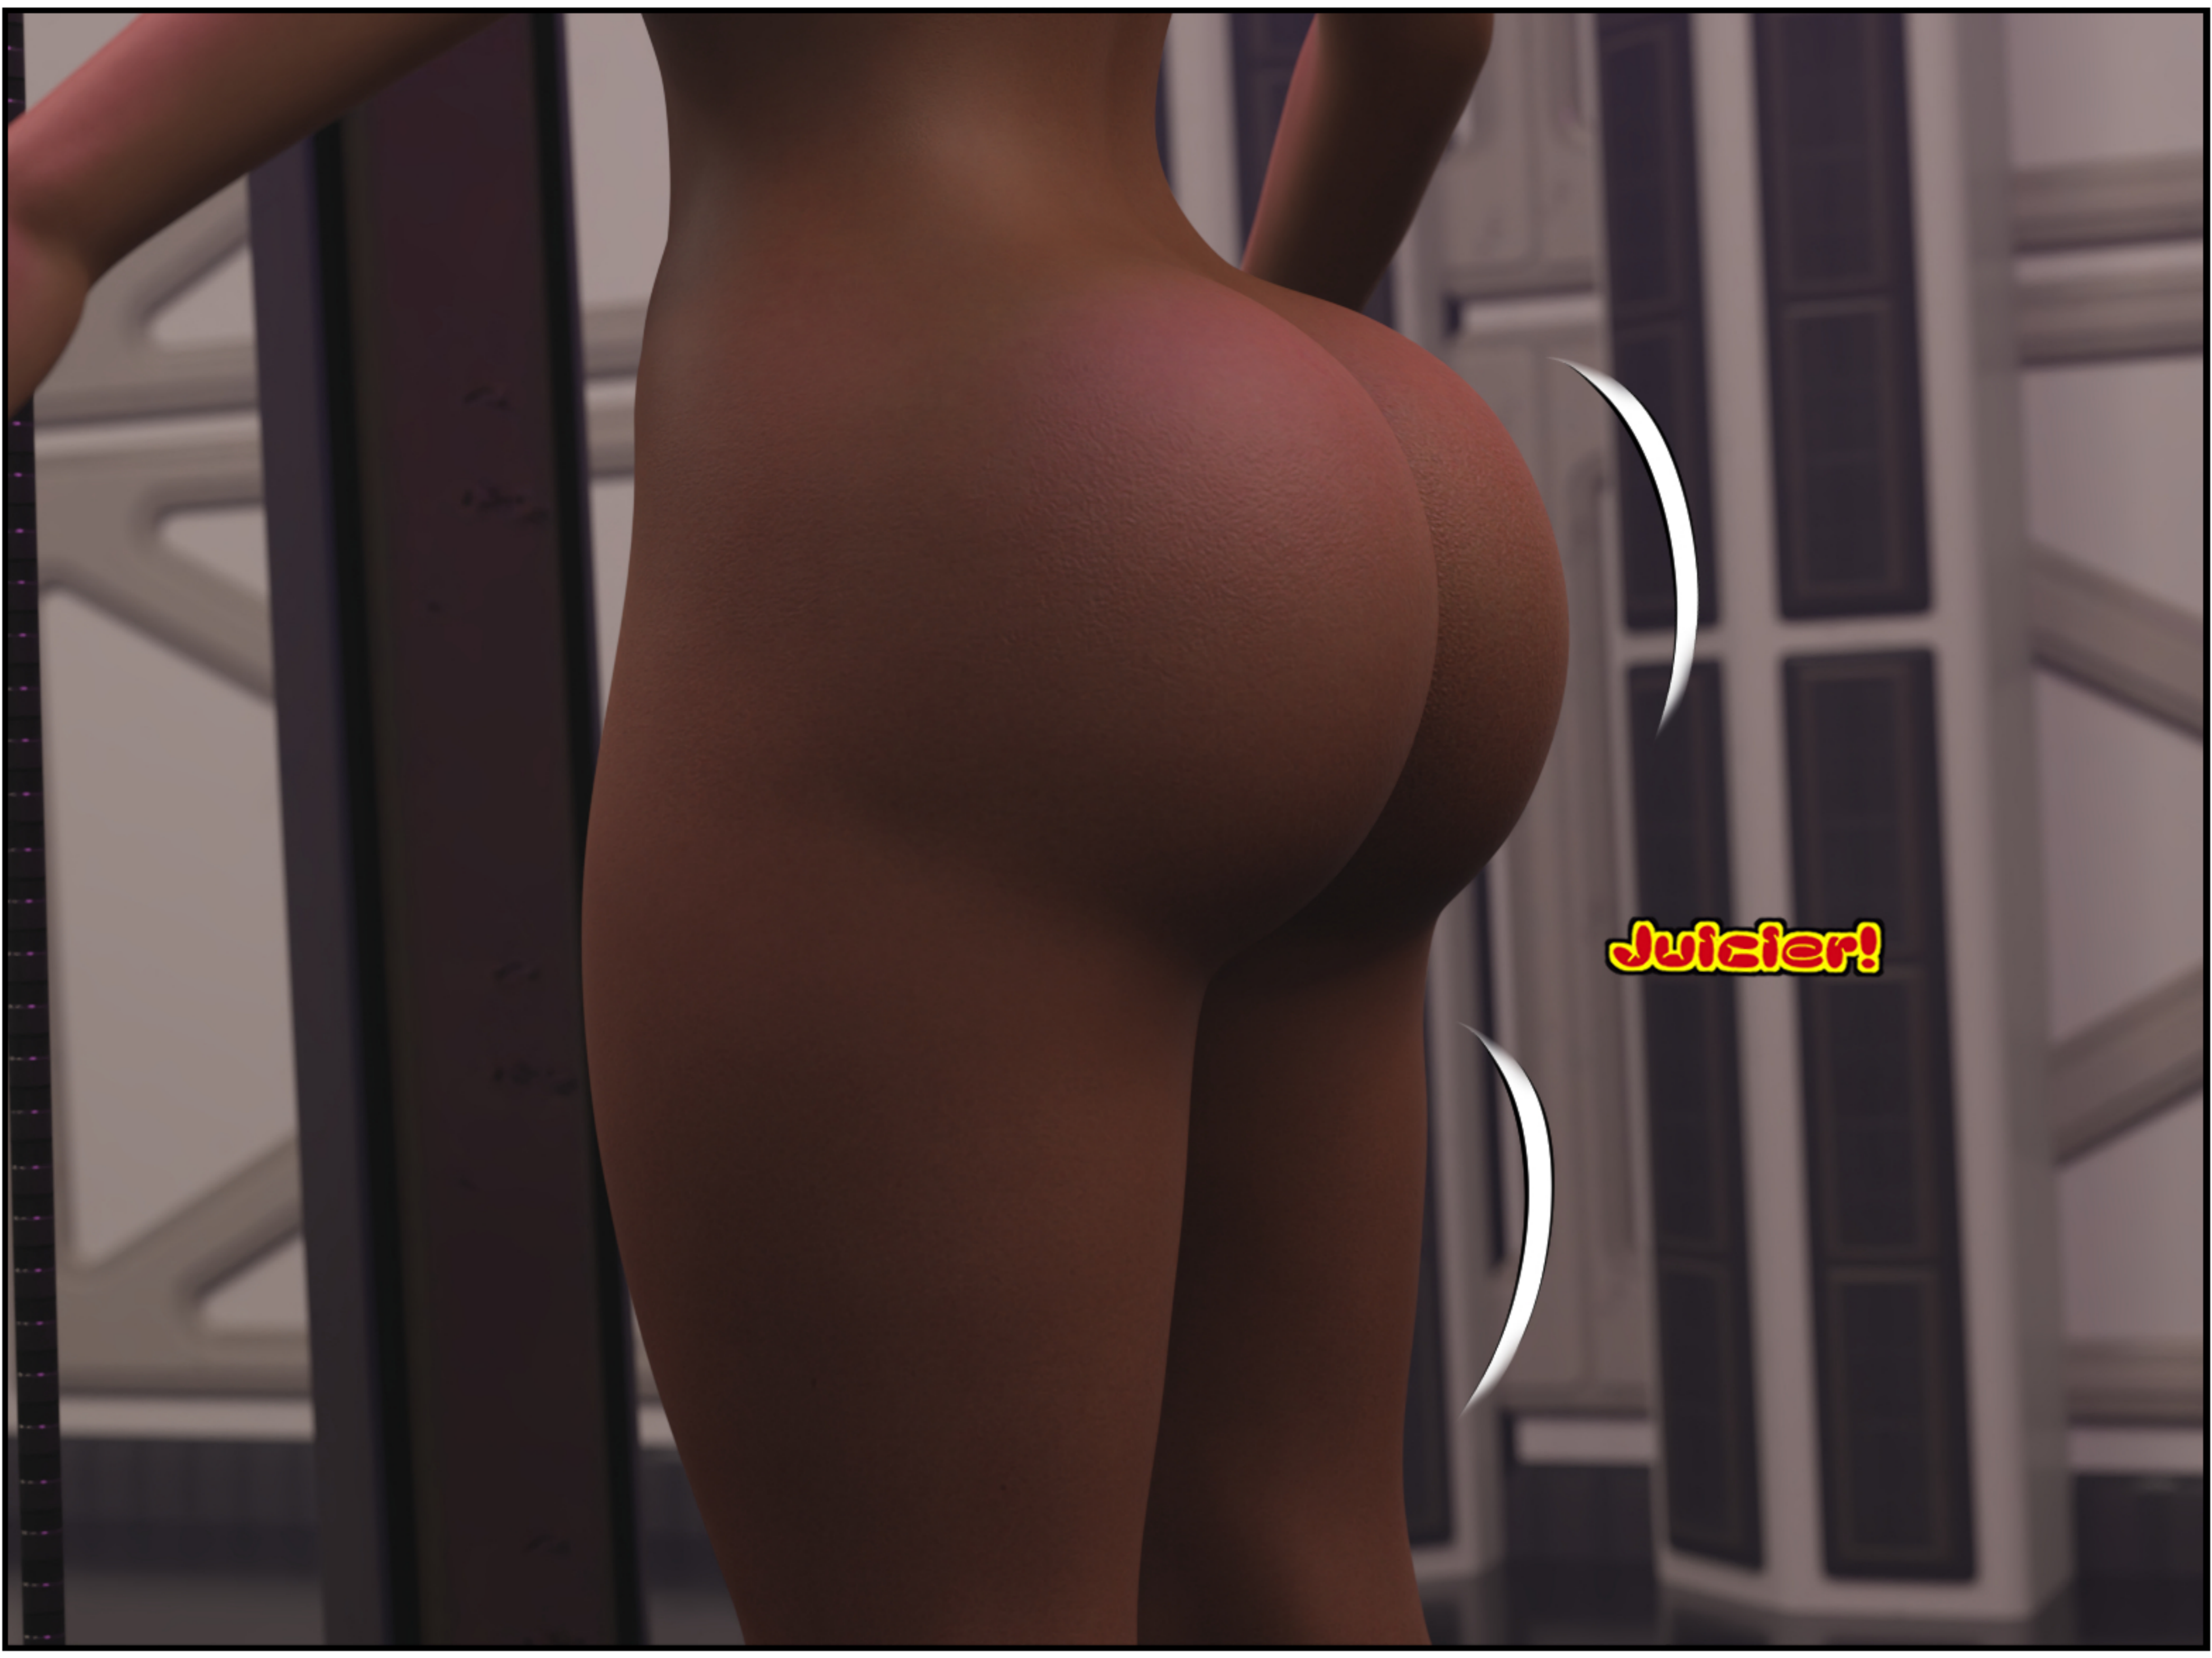

**Plumper!**

I'm surprised!  
This is quite the crazy amalgamation of compounds you had inside of you.

Riper!

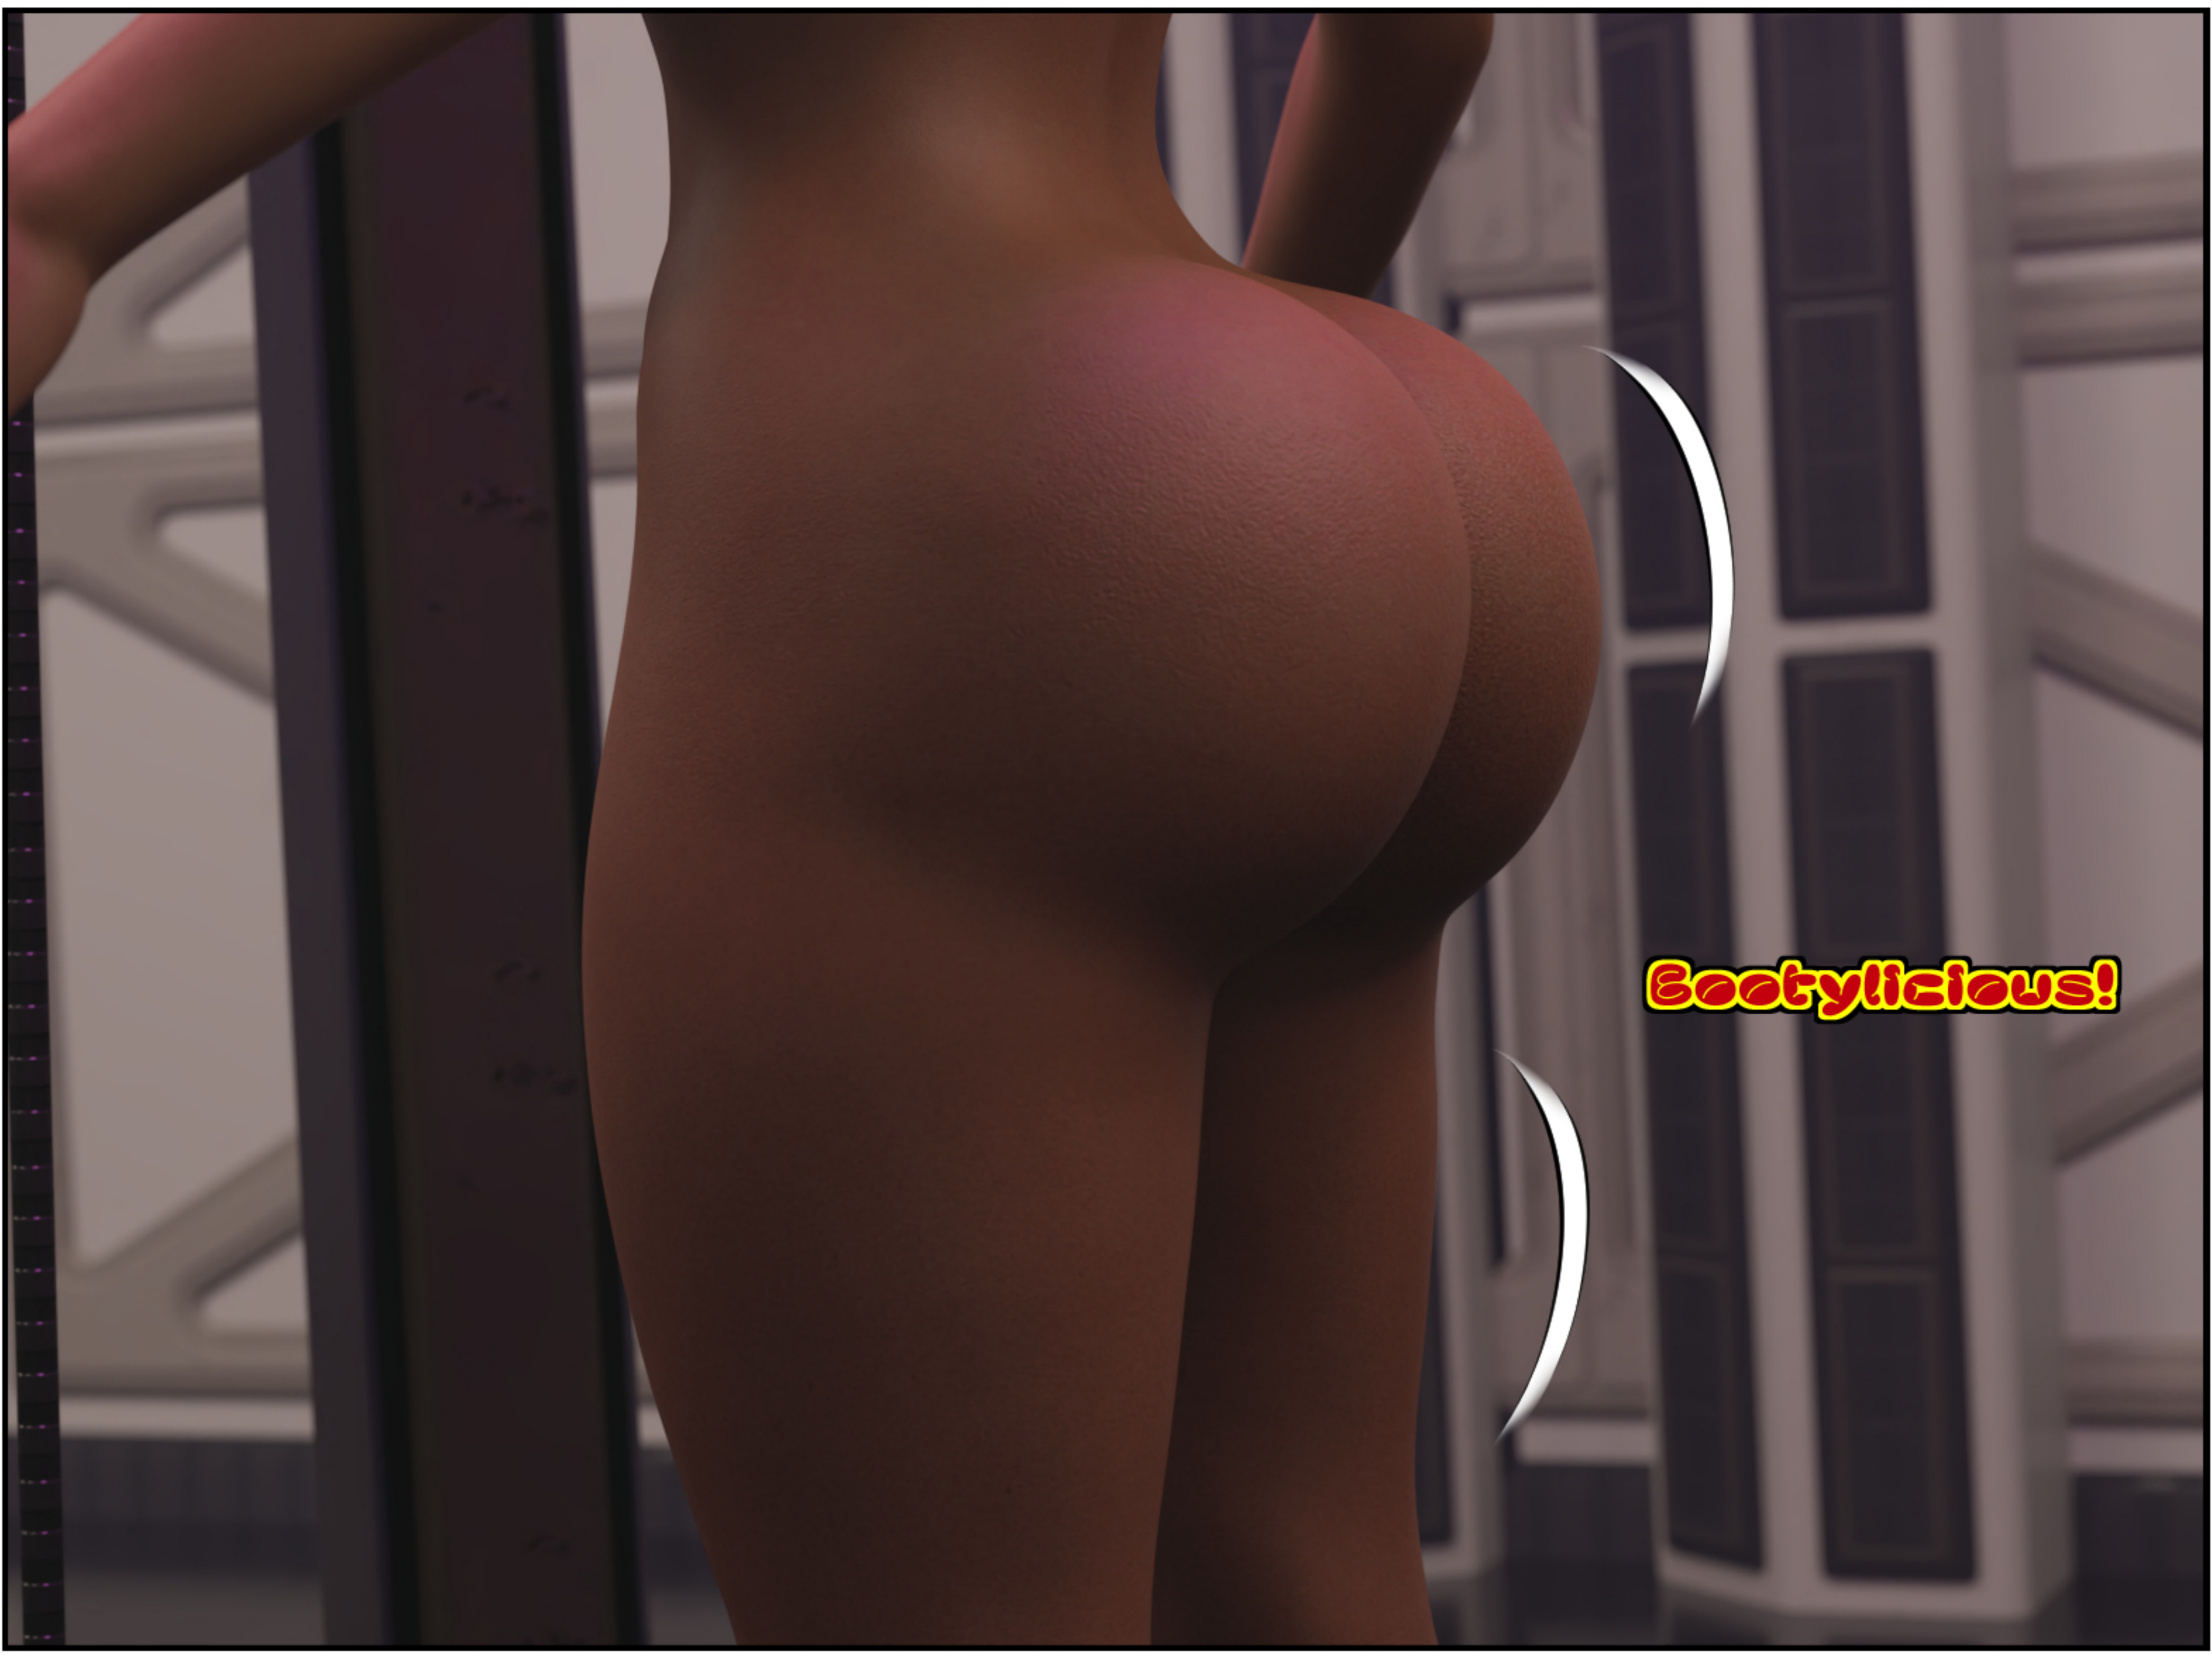

**Juicier!**

**Bubblier!**

**Bootylicious!**

I  
guess it'd  
get the job done,  
but your body was  
all out of whack.  
I fixed all of  
that for  
you.

A 3D rendered image of a female torso with exaggerated, large breasts. A black, segmented, curved tube or hose is positioned on the left side, curving around the upper part of the body. A white, crescent-shaped highlight is visible on the left breast. The background consists of a grey wall with a white geometric pattern of triangles and lines. The overall lighting is soft, highlighting the skin texture.

**Bloat!**

A 3D rendered image of a female torso with large, detailed breasts. A glowing white crescent moon is positioned near the breasts. A thick black cable with purple highlights curves across the top left. The background is a grey, geometric pattern.

**Expand!**

A 3D rendered scene showing a woman's chest and upper torso. A glowing white ring with a black outline is positioned around the breasts. A black, segmented probe or tube is visible on the left side, curving towards the chest. The background is a blurred, industrial-looking environment with white structural elements.

**Enlarge!**

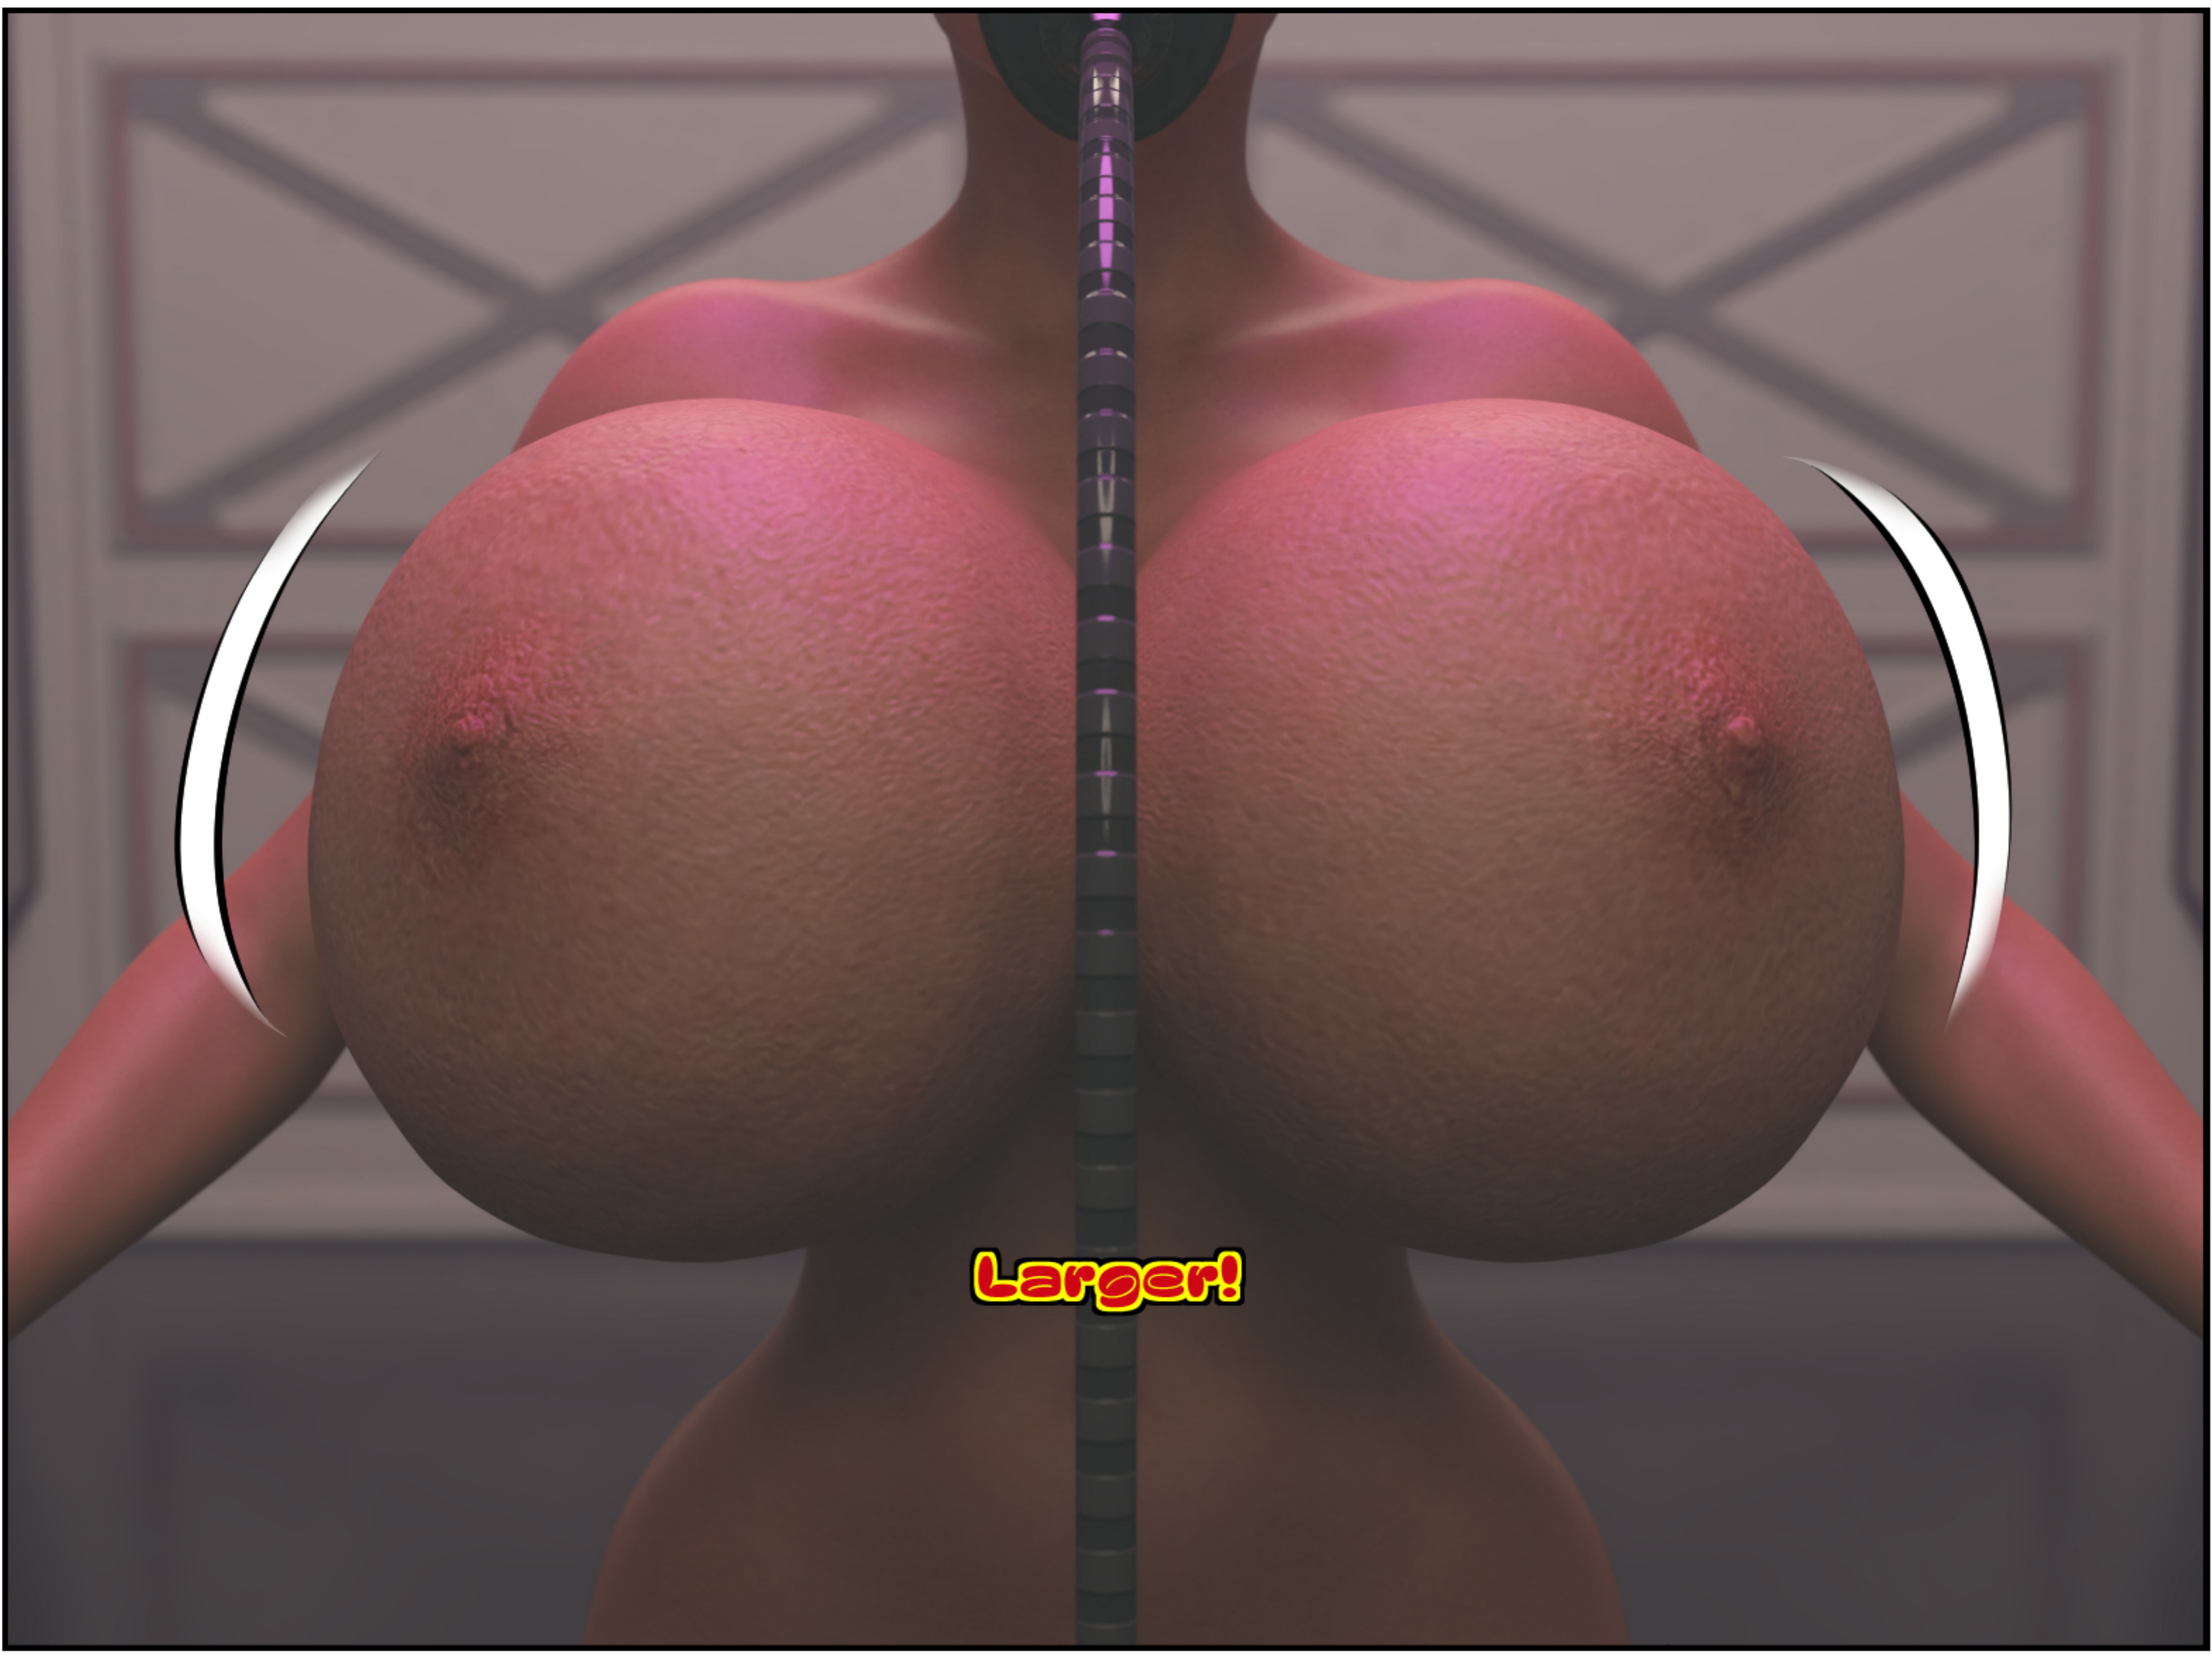

A 3D rendered scene showing a woman's torso. A large, inflated, reddish-brown balloon is attached to her chest, partially covering her breasts. A curved, silver blade is positioned near the balloon. A black, segmented tube or hose is visible on the left side of the frame. The background consists of a grey, metallic-looking structure with geometric patterns.

Balloon!

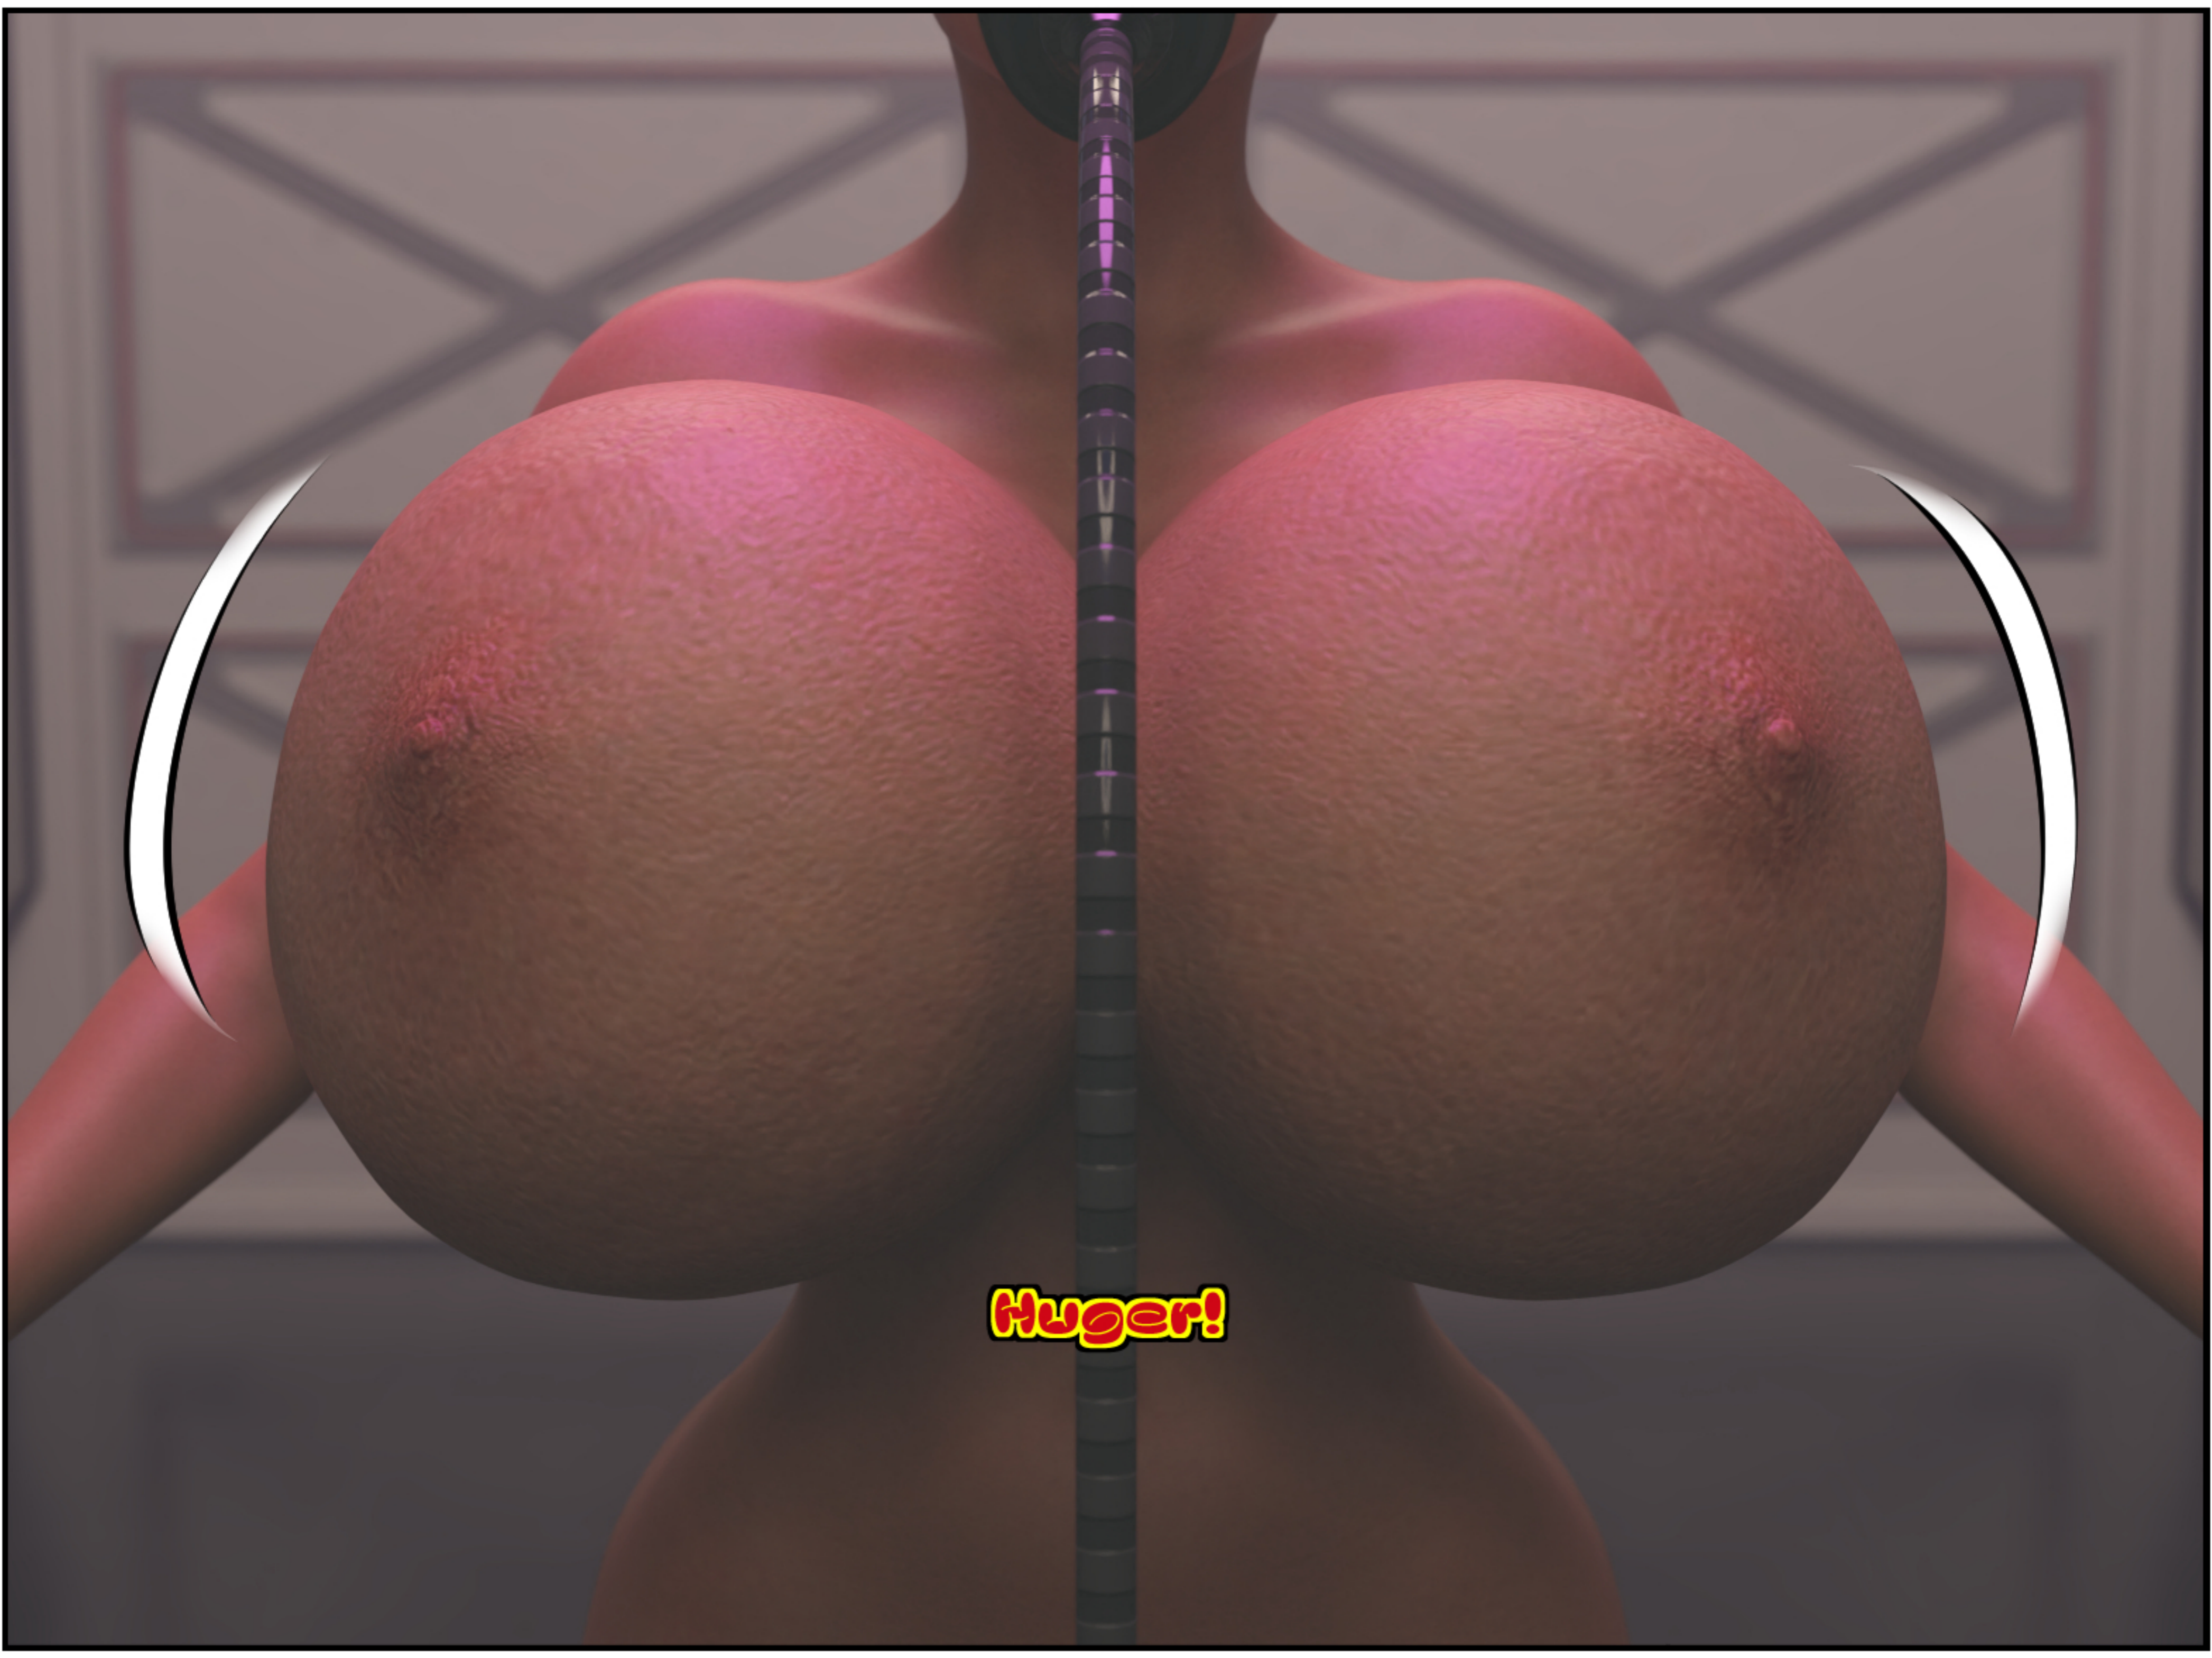

A 3D rendered image of a female torso, focusing on the chest and upper abdomen. The skin is a reddish-pink color. The breasts are large and rounded. A purple, segmented spinal column runs down the center of the back. The background is a grey wall with a grid pattern.

There appears to be a lot more of it than I would expect as well. I guess I'll just keep pumping you full then.

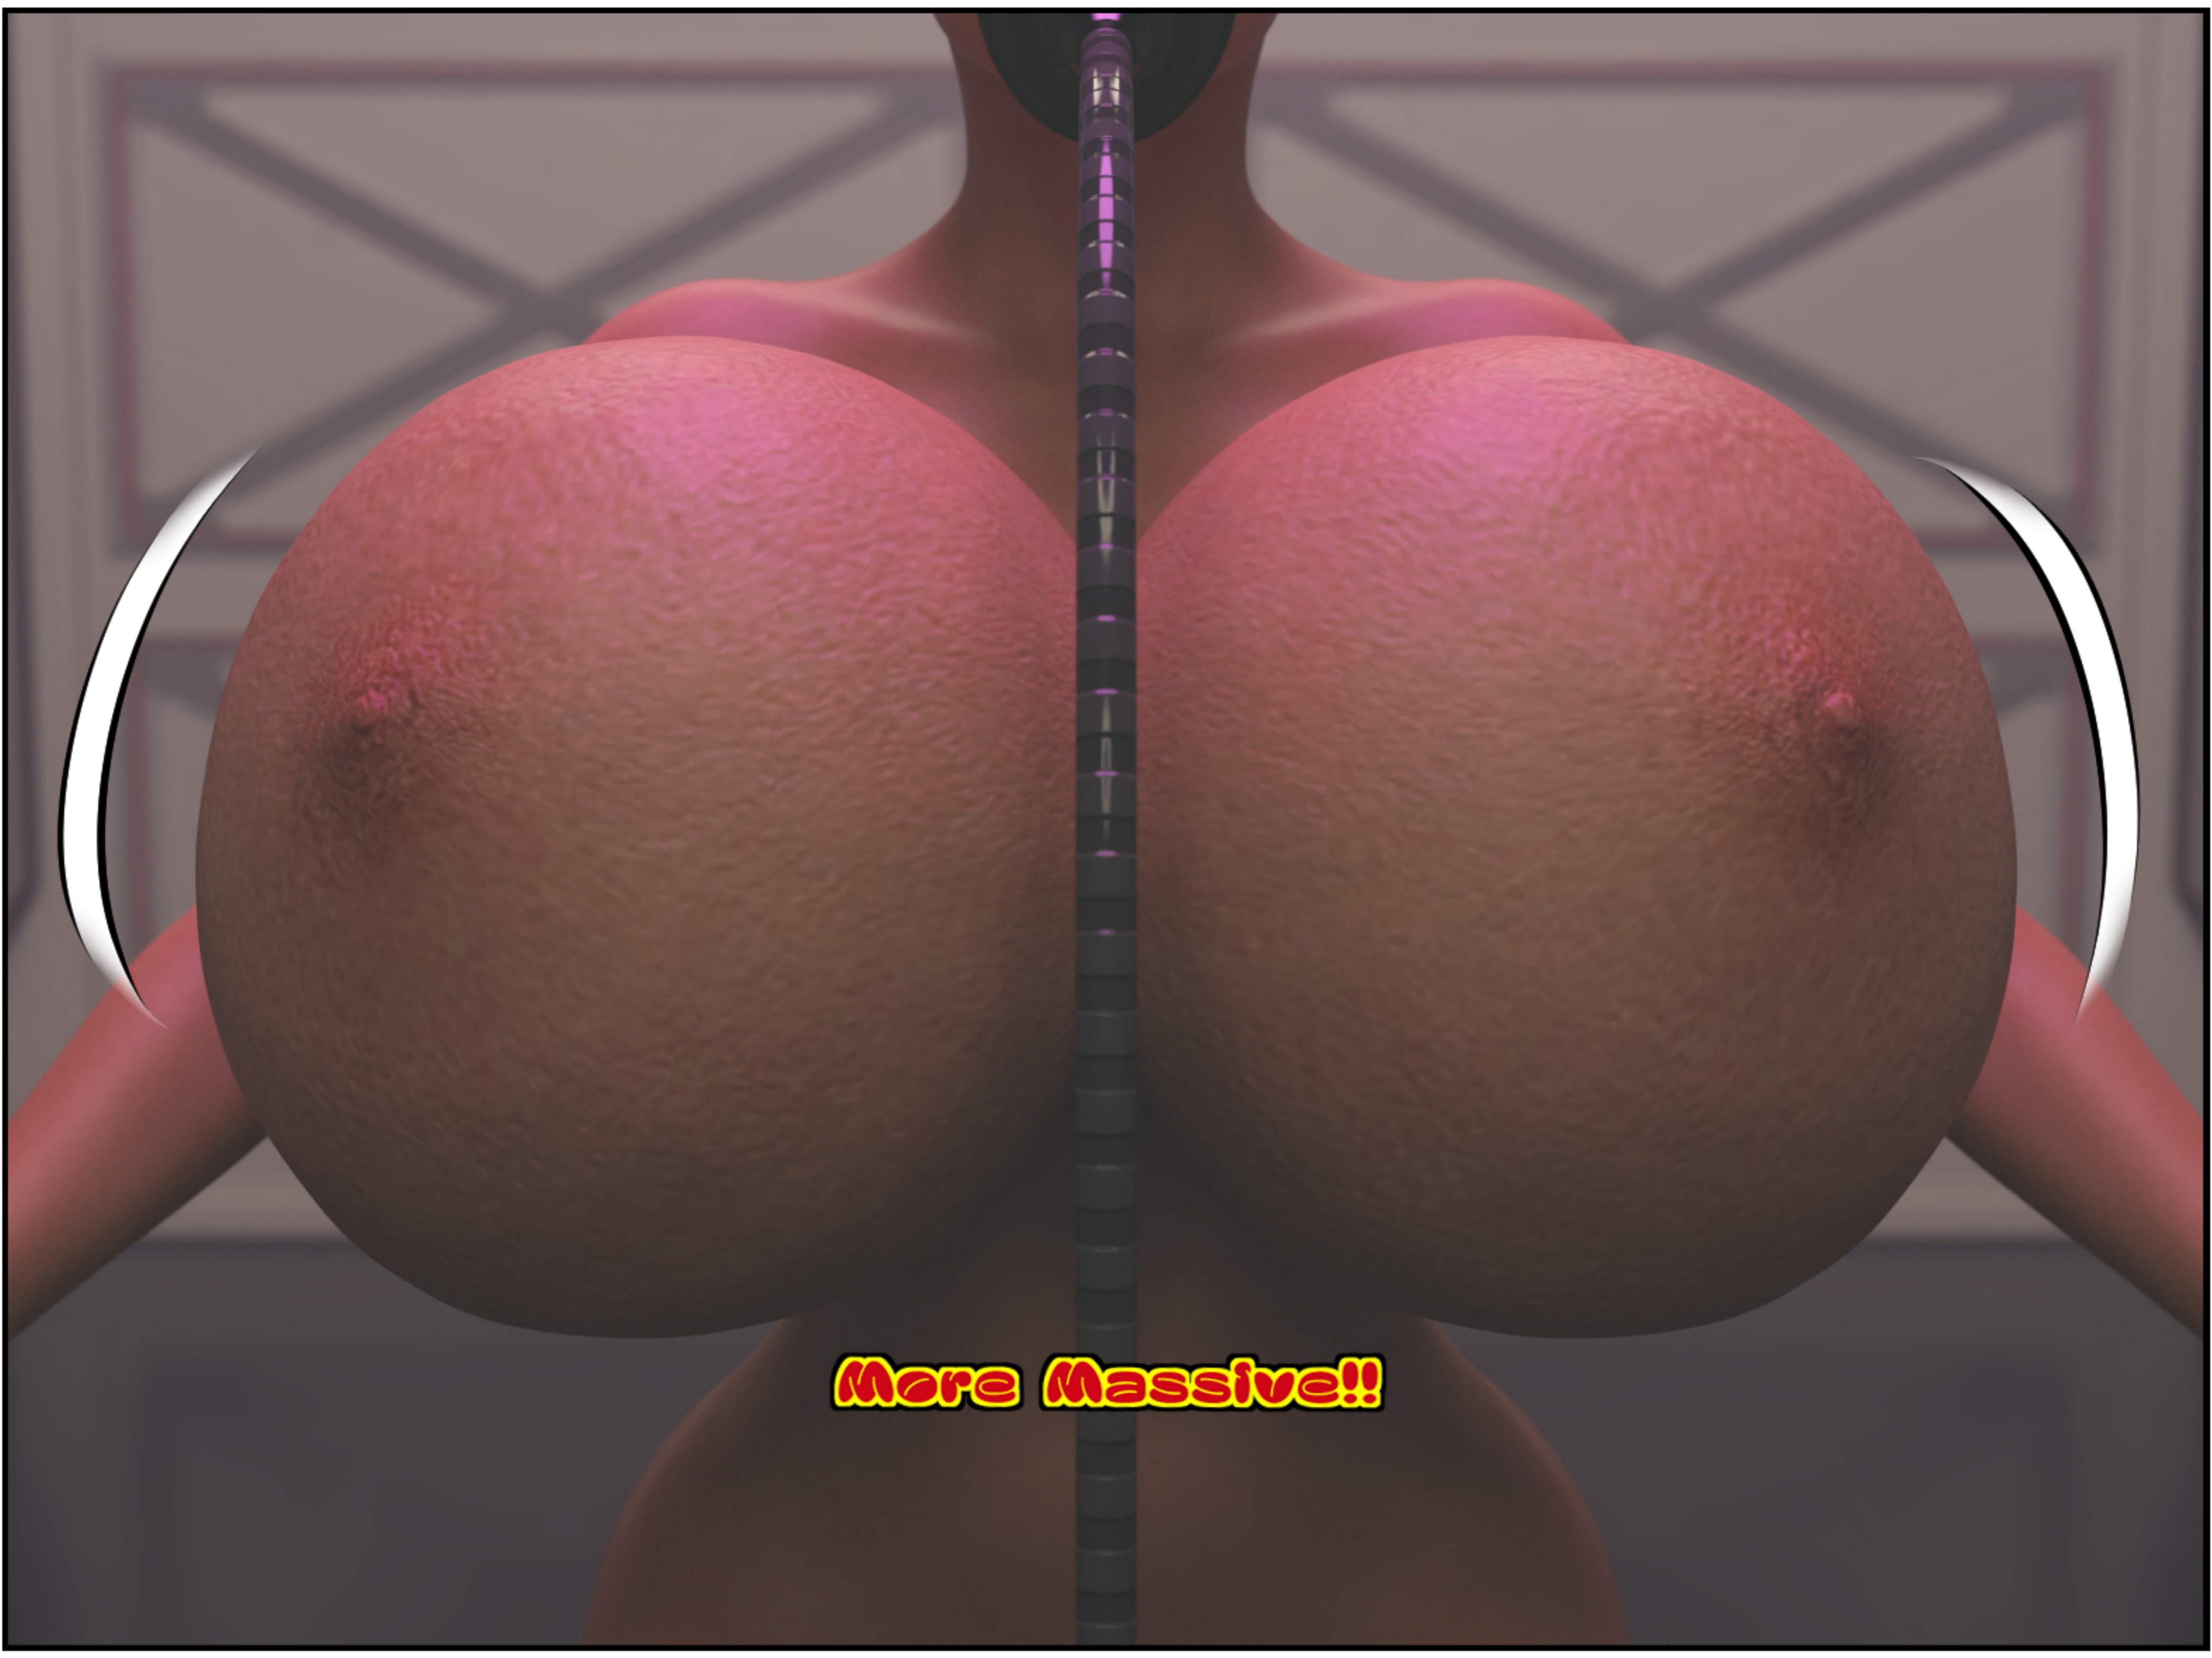

**Larger!**

**Huger!**

**More Massive!!**

**More Voluminous!!**

A close-up, 3D-rendered image of a person's back. The skin is a reddish-pink color with a detailed, pebbled texture. A black, segmented medical probe or sensor is attached to the skin, extending from the top right towards the center. The background is a blurred, light-colored surface with some geometric patterns.

Almost done. Just a few more drops.

A close-up 3D rendering of a character's chest, showing two breasts with a reddish-pink hue and a textured, skin-like surface. A black strap with purple highlights is visible across the chest. A yellow text bubble with a black outline and red shadow contains the word "Distend!".

**Distend!**

**Thicker!**

A close-up, 3D-rendered image of a character's chest. The skin is a reddish-pink color with a textured, slightly wrinkled appearance. Two prominent, fleshy nipples are visible. A thick, black, segmented cable or hose runs diagonally across the chest. The background is a blurred, light-colored wall with a geometric pattern.

**Engorge!**

**Turgid!**

A close-up photograph of a hand with dark red nail polish. The hand is positioned in the upper left quadrant of the frame, with fingers slightly spread. The background is a dark, out-of-focus surface, possibly a table or desk. The lighting is soft, highlighting the texture of the skin and the sheen of the nail polish.

There.  
That is the  
last of  
it.

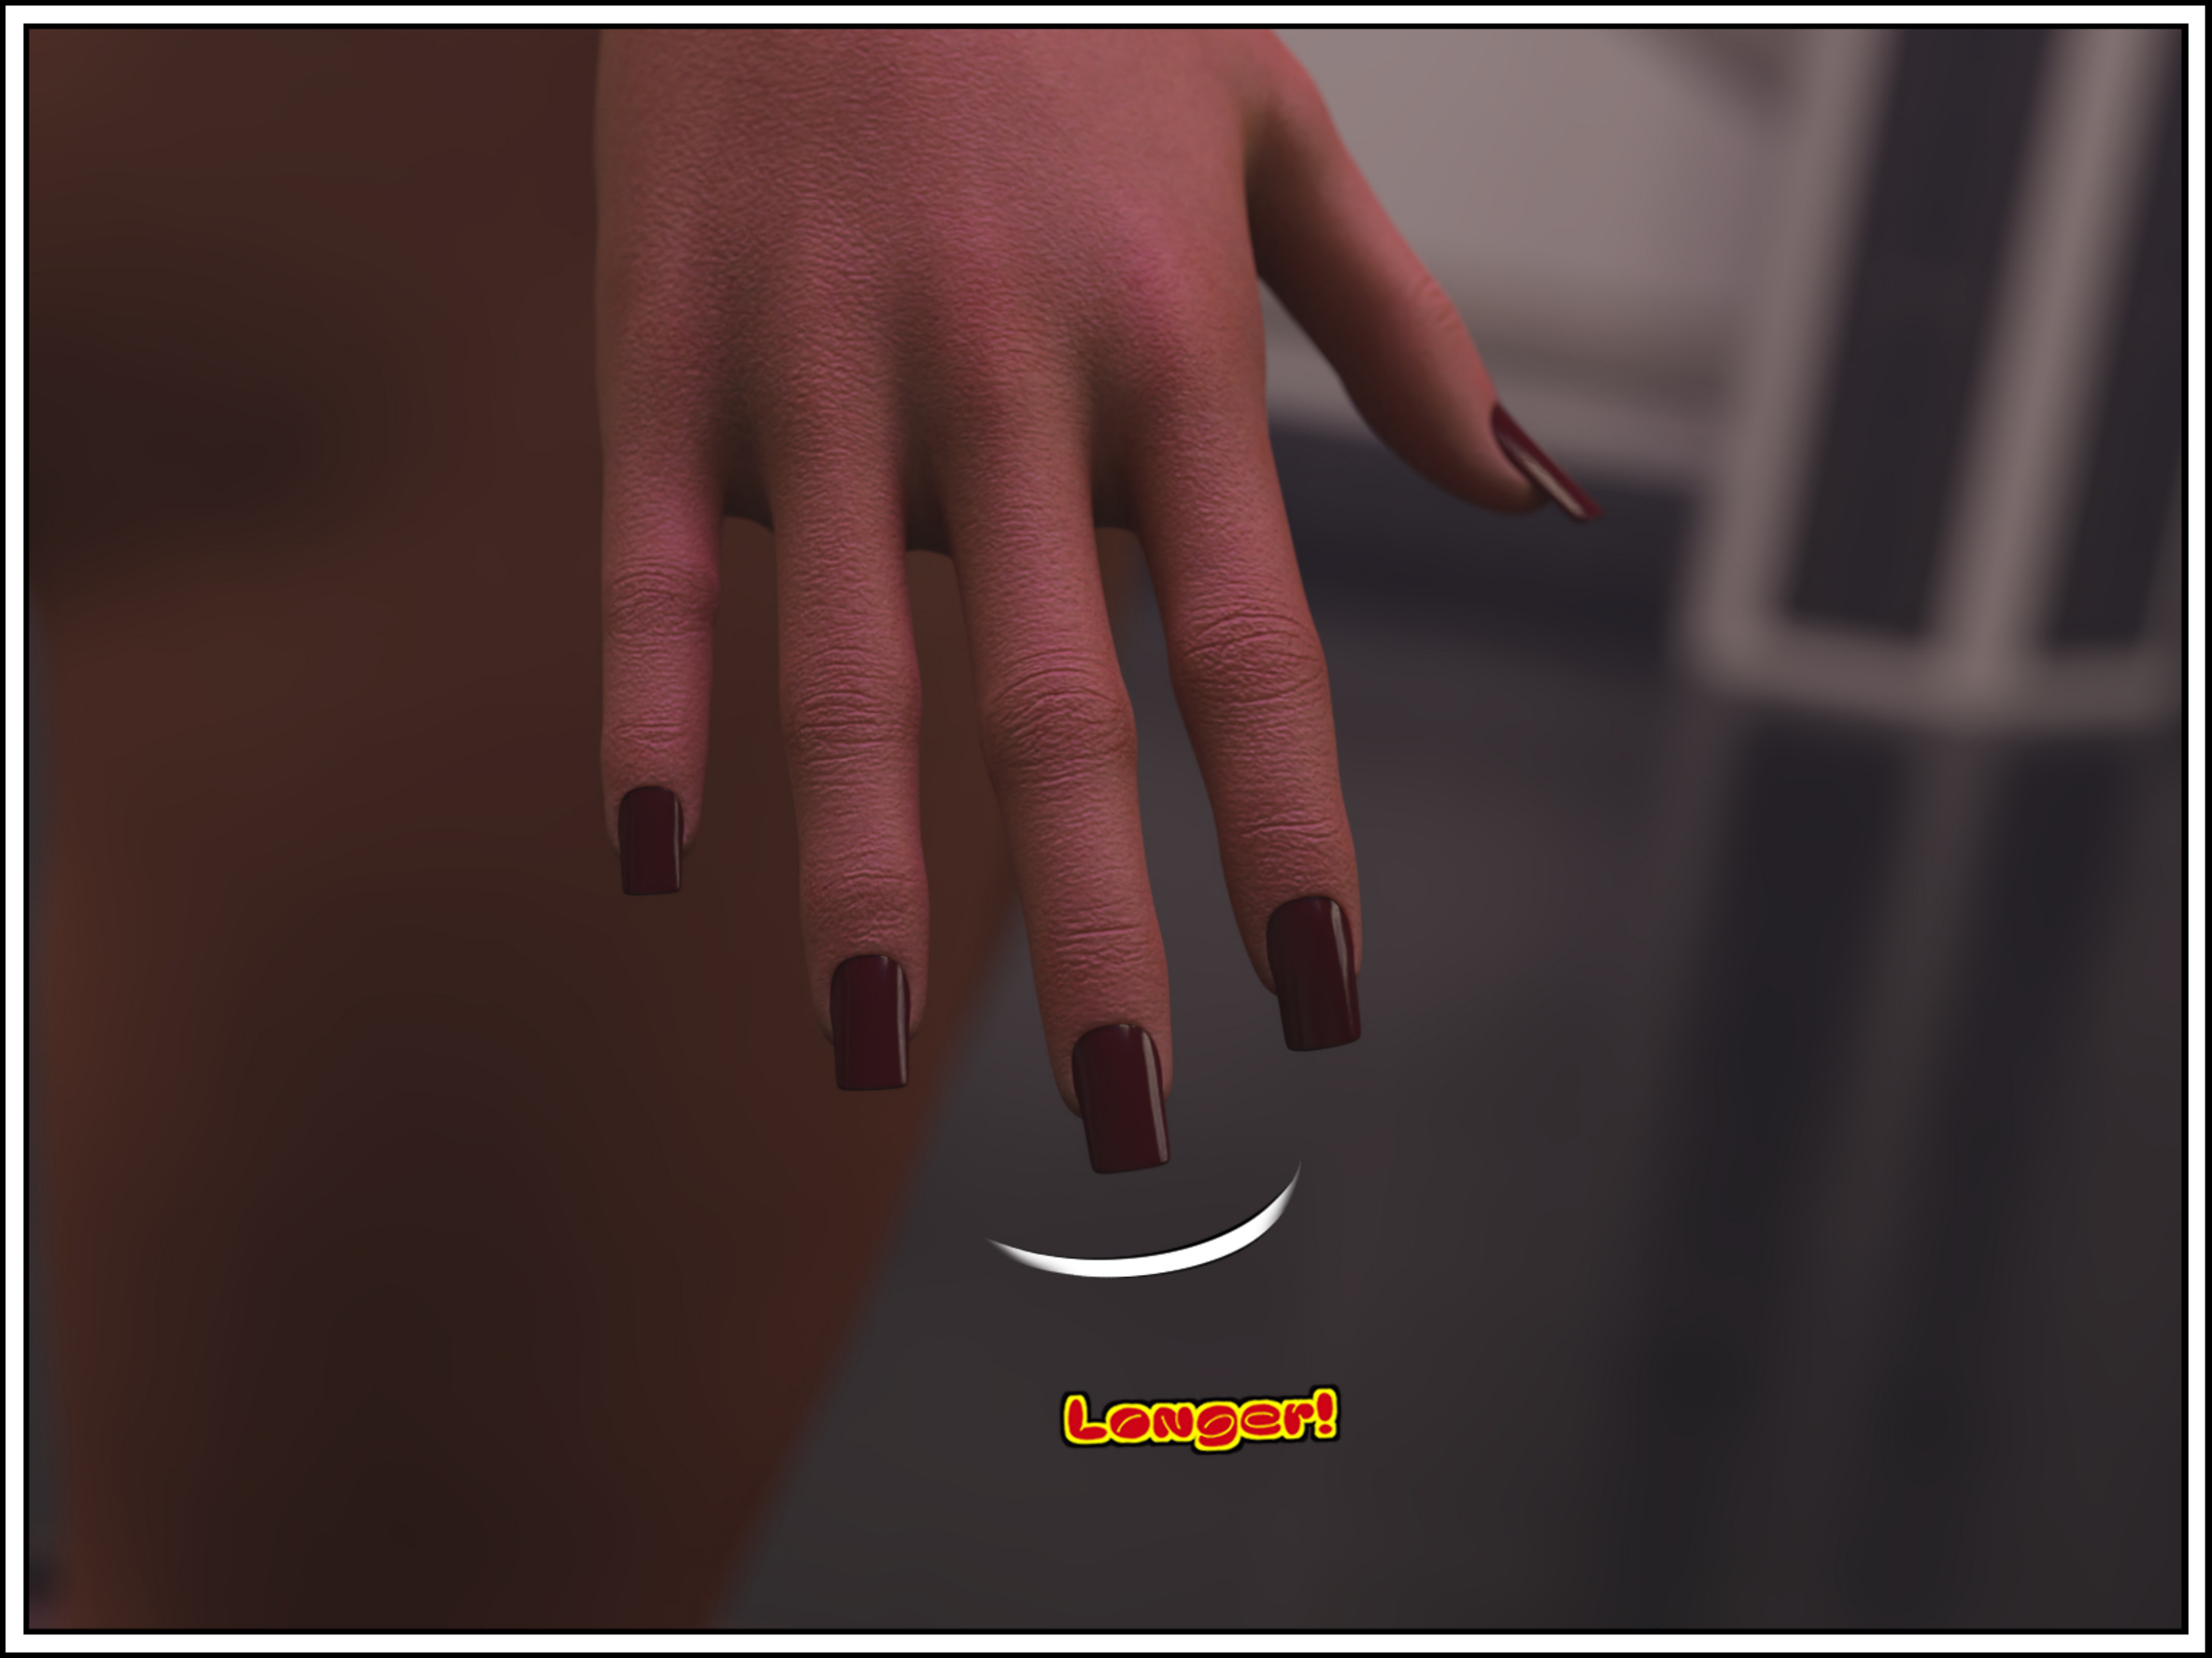

**Grow!**

**Enhance!**

**Extend!**

**Longer!**

Oopsie!  
I almost forgot  
to put your hair  
back.

Well  
I can fix  
that too, with  
just the push  
of a single  
button.

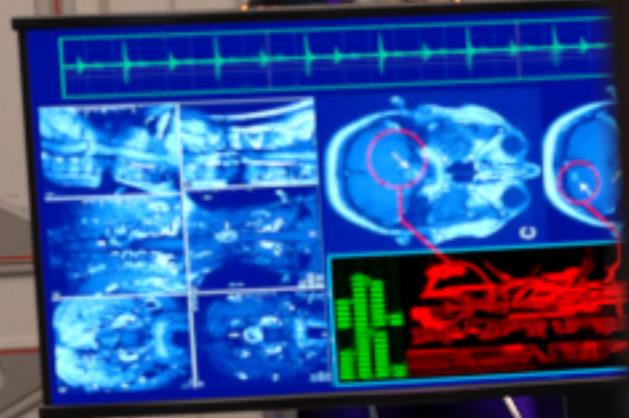

**Tumble!**

A 3D rendered female character with long, straight pink hair and extremely large, spherical breasts. She is standing in a futuristic, metallic environment with a grid-like pattern on the walls. She is wearing a black mask over her mouth, with a black tube extending from it. Her right arm is extended to the right. A speech bubble is positioned to the right of her head, containing text. The scene is lit with a cool, blueish-purple light.

And there we are. Right back to how you were when you arrived - just an optimized version.

Now that we've fixed all of your niggling problems, we can start the real work.

The figure of Dr. Stealz, still sporting the rack and figure she took from Sapphire and her friends, walks from behind the control panel and admires her subject's improved curves.

Wait!  
You're not  
Bambi!

Stay tuned!  
Our story will  
continue.
