

Chapter 21

Between Connection and Jealousy

Moments later...

Unbelievable, it's just impossible.

She kept her word.

happy

Finally some men's clothes.

This is the happiest day of my life.

I'm already looking forward to trying it all out.

But first, precautions.

I don't need anyone to bother me.

Moments later...

Well, yes, I should have expected this.

It doesn't fit, it's way too big on me.

But even so, because of my breasts, I am unable to fasten the last few buttons.

Moments later...

I know I've recently started eating more sweets.

But that my ass got so fat right away.

Mad

Strange, have I always had such wide hips?

I think I really need to diet.

Although it's not that bad.

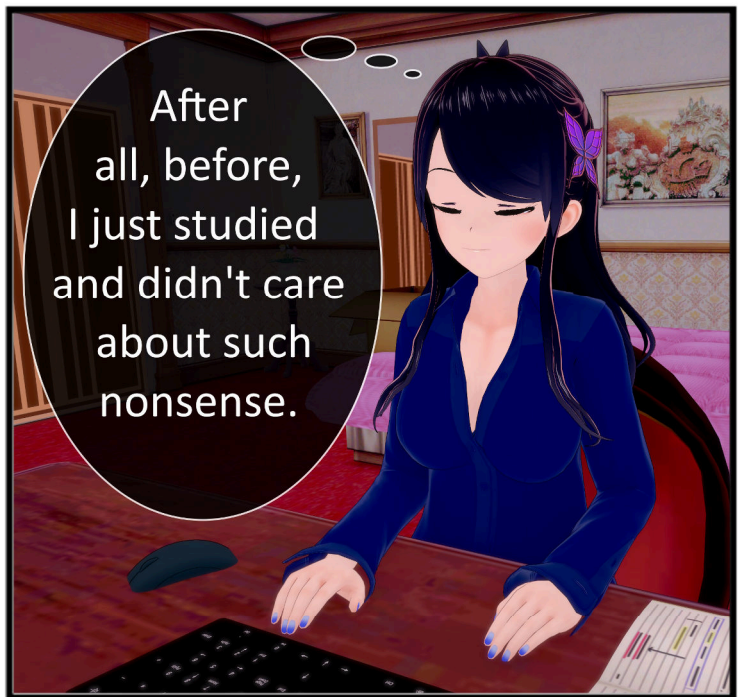

I think a good diet will solve most of my problems.

....?

Maybe even my breasts will shrink a bit.

I better wait with this diet surely there are other ways to be more manly.

Moments later...

I've seen myself naked many times before.

But it is still strange to me how it looks now.

Especially the fact that I now have breasts.

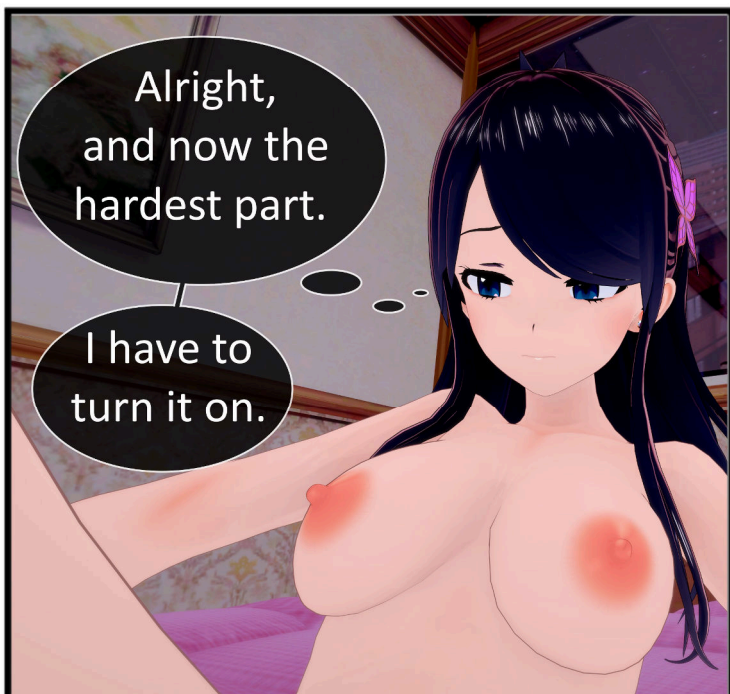

Although I'm slowly getting used to it.

And that's what worries me.

Even though I lack the essence of feminine feelings.

Hmm...
I wonder what
would happen if
I did two at
once?

embarrassed

Hmn!

Oh no,
I have to be
a little quieter
because they
will hear
me.

But I'm not able
to do anything it's
just too pleasant.

Just a little
more!

AH

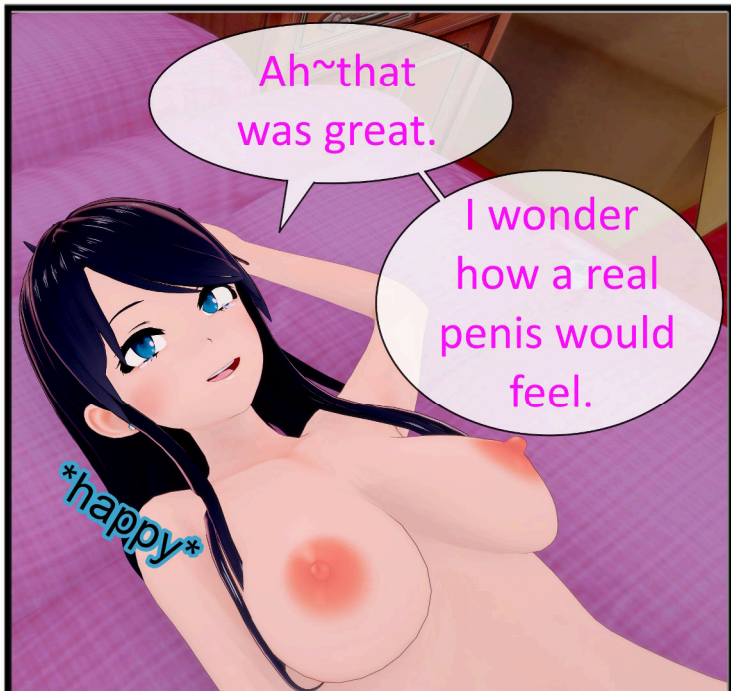

AH

I'm coming!

Yes, yes.

Finally.

Ah~that was great.

I wonder how a real penis would feel.

happy

What am I thinking about again!

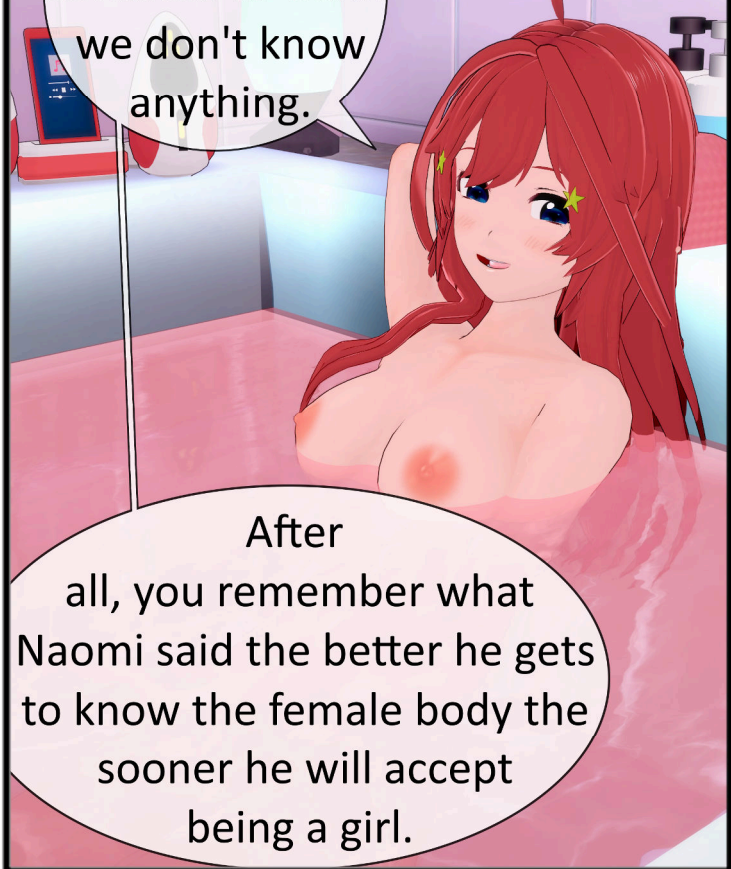

Shocked

Meanwhile, in the bathroom.

Ey,
Itsuki maybe we
should finally say for
Mutsumi-chan that we
hear him moaning
as he does it.

Better
not, let him
continue to think
we don't know
anything.

After
all, you remember what
Naomi said the better he gets
to know the female body the
sooner he will accept
being a girl.

I remember, but
if it goes on like this,
the neighbors will start
complaining.

And the worst
thing is that he
does it without
me!

Yes. I understand
that he is one of us now
but he should control
himself a bit with the
whining.

Besides,
what will happen
if his dad finally
catches him.

Alright
I'll talk to
him later.
Okay?

Although, on the other hand, I've already heard strange sounds from your room a few times too.

embarrassed

This . I hit my big toe

Why are you bugging me?

Should I say what you were doing?

What am I doing?

What?

Surprised

Why did you wear Mutsumi-chan's bra?

Don't you see that it's too big on you?

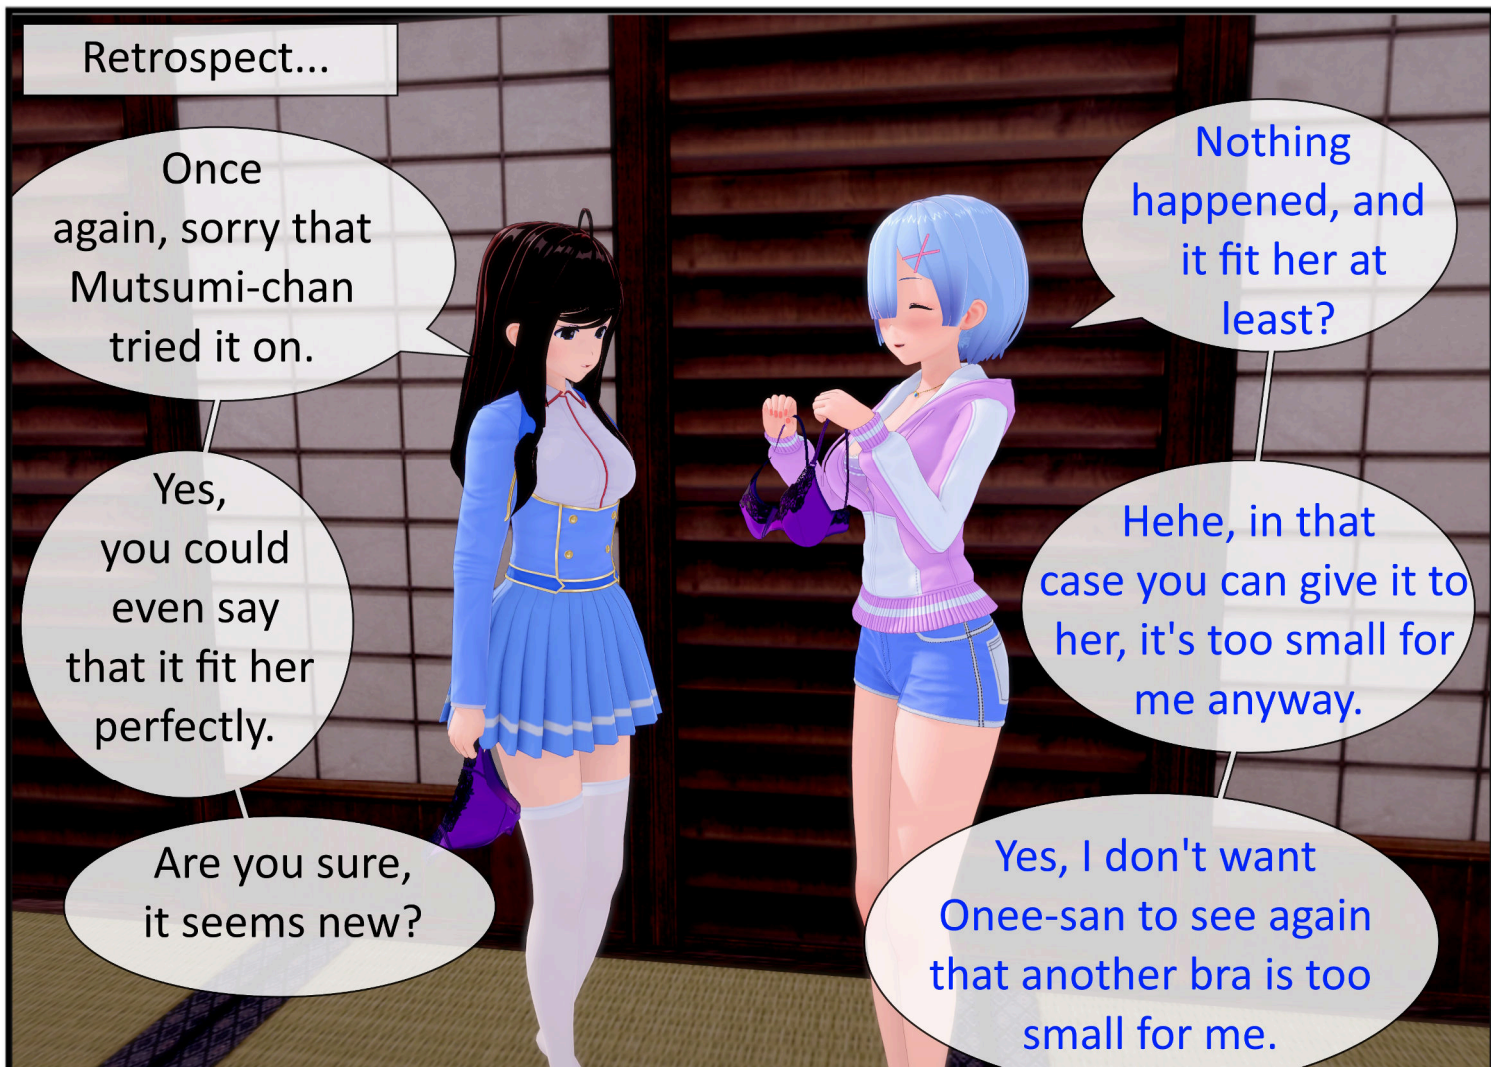

I don't know it's probably because she wore that bra at the time.

Couldn't she wear one of us bras at the time, whose bra was it anyway?

I have no idea.

If I'm honest, I'm a little jealous of Mutsumi-chan myself.

jealous
Unbelievably, I'm jealous of the fact that a boy has bigger breasts than me.

Retrospect...

Once again, sorry that Mutsumi-chan tried it on.

Yes, you could even say that it fit her perfectly.

Are you sure, it seems new?

Nothing happened, and it fit her at least?

Hehe, in that case you can give it to her, it's too small for me anyway.

Yes, I don't want Onee-san to see again that another bra is too small for me.

The next day at school...

Why? I'm sure they would give you some advice.

Just remember not a word to my sisters.

No thanks, I don't want them to know about it.

What should we not know about?

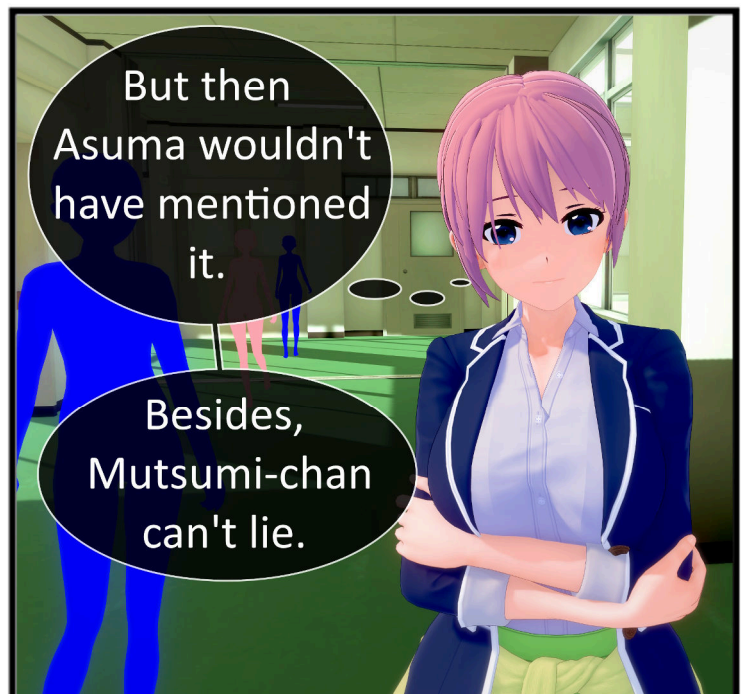

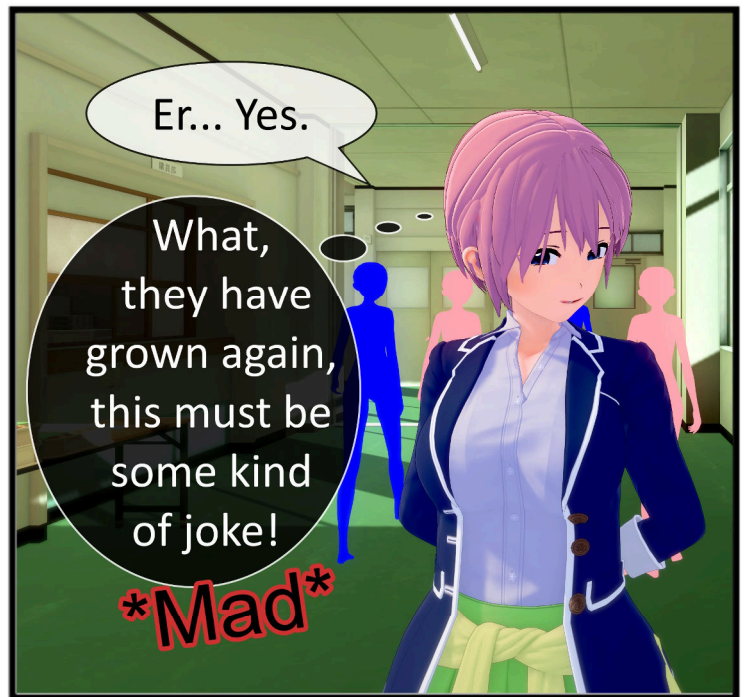

You know very well that sisters shouldn't keep secrets from each other.

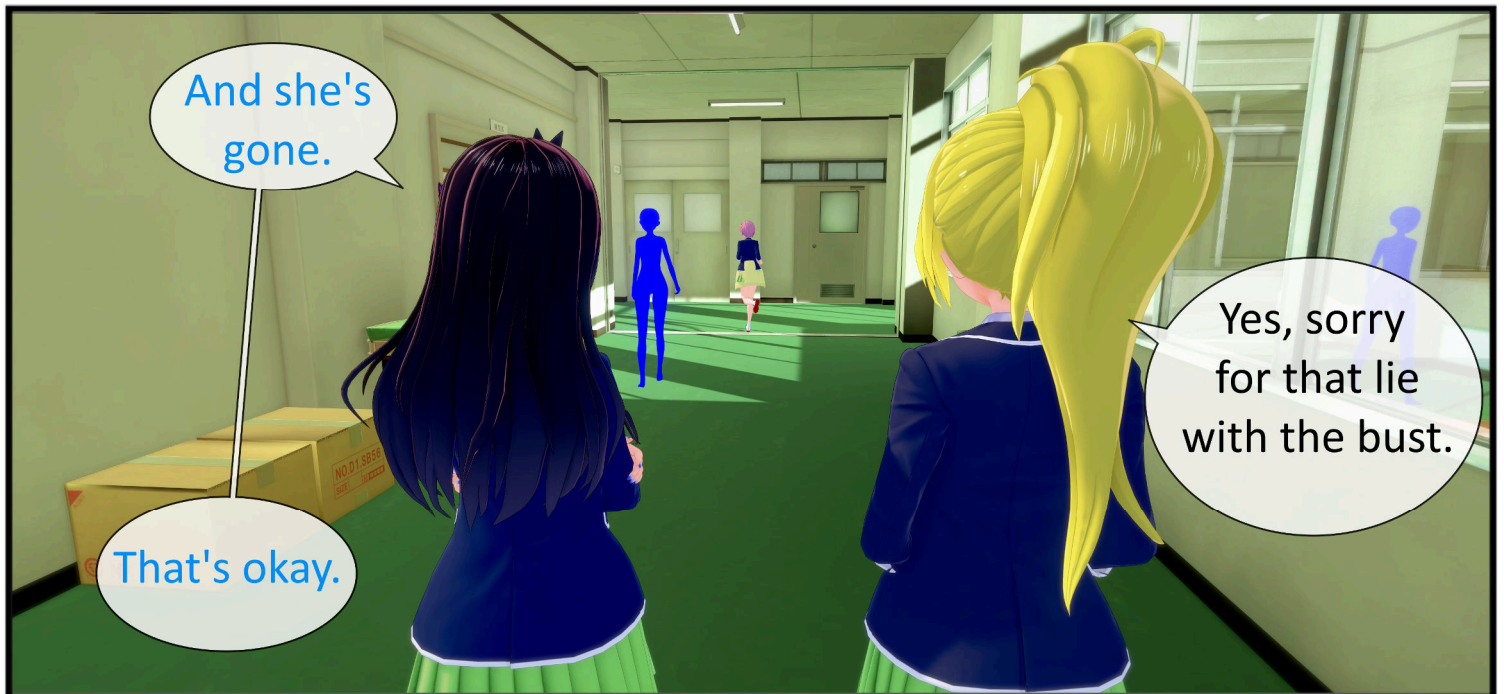

That Mutsumi-chan's bust has grown recently.

I'm sorry Mutsumi-chan but you shouldn't hide such things from your sisters.

What, but my breasts have not...

Oh, I see.

He hates Zian.

embarrassed

I'm sure he'll be furious when he finds out I'm going out to a restaurant with him.

Wow, true forbidden love.

Excited

Sure, I'll keep quiet as the grave.

No problem, after all, that's what friends are for.

I'll make sure your date goes perfectly.

It's better for him not to even try it.

Thanks.

I already told you it's not a date. Besides, he can still cancel it.

A few hours later...

Hmm... Strange,
is this surely the
right address?

Asuna,
you're finally
here.

I was
afraid you
were lost.

Mutsumi-chan,
do you live here?

Er... Yes, is that
a problem?

Because
I'm not.

No, just...
You never said you
were rich.

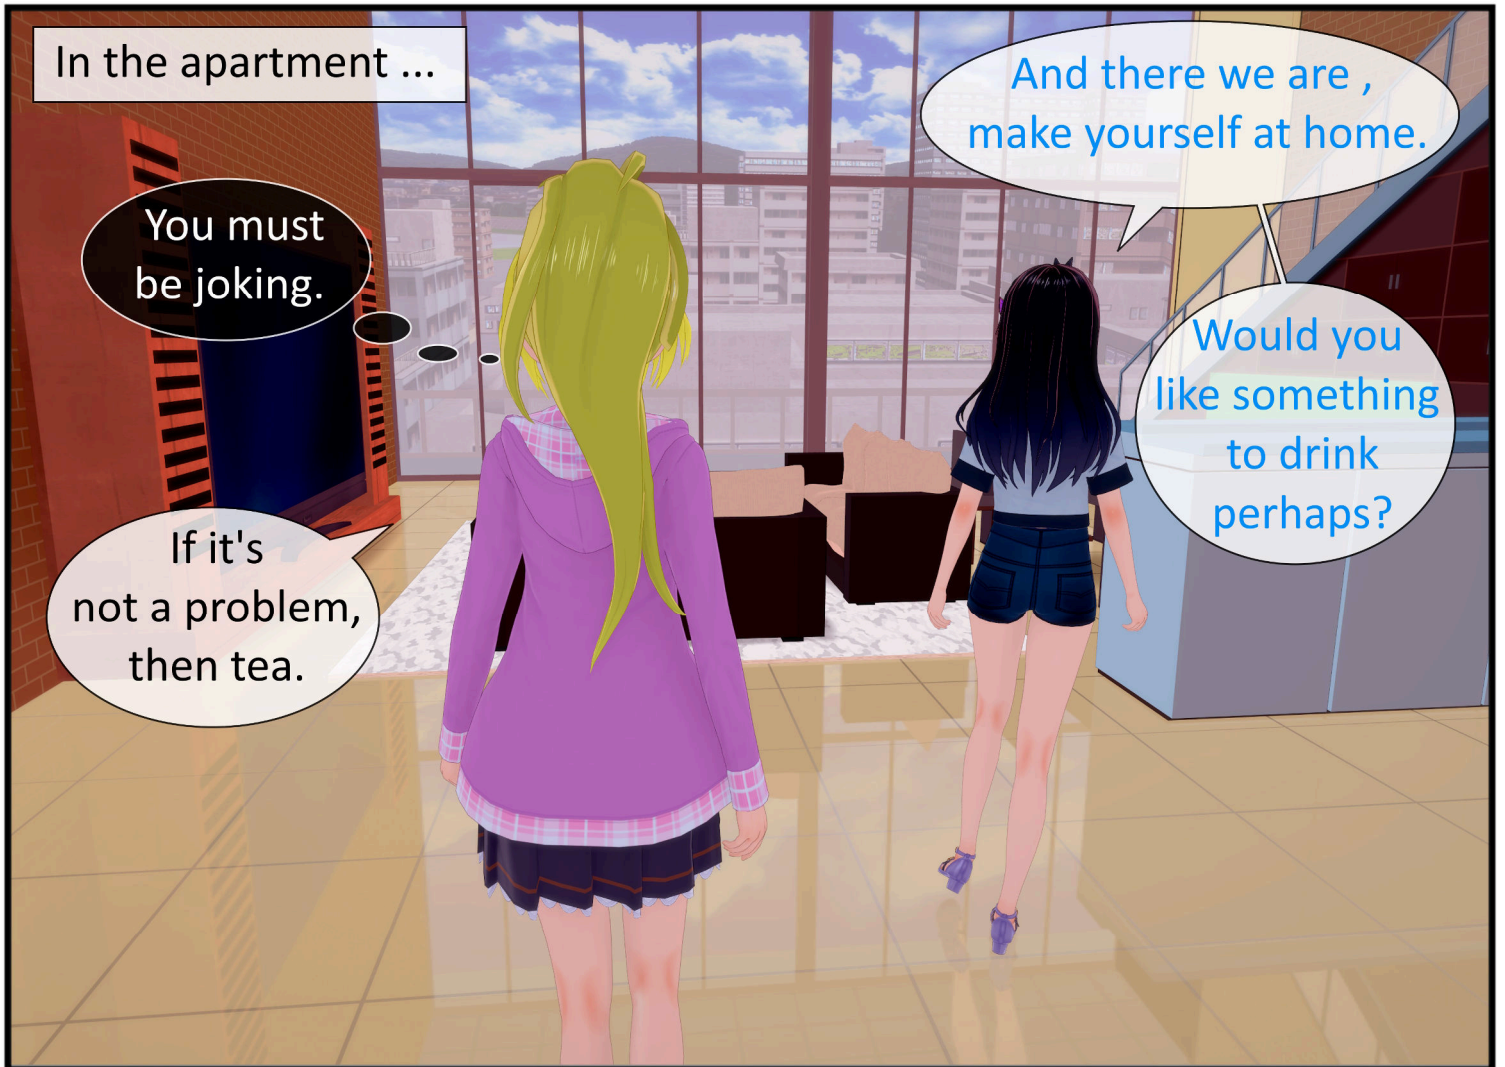

In the apartment ...

You must be joking.

If it's not a problem, then tea.

And there we are , make yourself at home.

Would you like something to drink perhaps?

Ymmm...
Ymmm...

Who gave the tea so high again?

I hate being short.

You know what, however, I don't want to drink.

Let's go to your room better right away.

Hi Asuna.

But today we can go to study with you.

Me too.

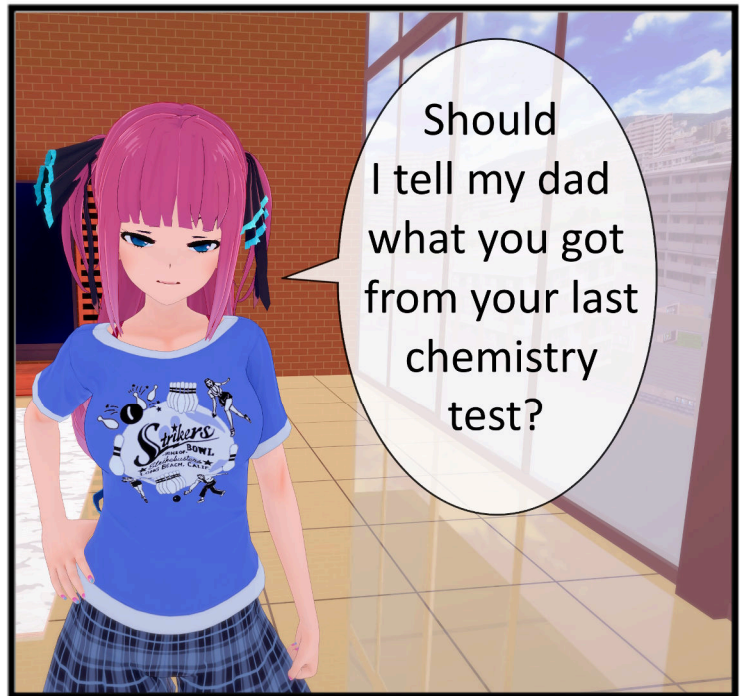

Sorry Nino but today I really can't make it, I have some important things to do.

Ichika, it's great that you're here, you'll go to study together with Mutsumi-chan.

Sorry but I already have plans for the evening.

Should I tell my dad what you got from your last chemistry test?
