

## *Compulsion - Painted*

Learn what every woman has always known. That painting your face and nails in a pretty feminine style is fantastic at enhancing your girly self-esteem! Remember how aroused you get whenever you cover your pretty feminine nails in glittery polish. Learn how much confidence makeup gives you as you go about your day. Enjoy the effects glitter and sparkles have on your pretty sissy face as you interact with your friends and family. Feel naked and unconfident without makeup to help cover up any icky manliness. Learn to love each step of painting your face as girly as possible, while remembering that doing so has an almost hypnotic effect at leading strangers into fucking your constantly horny sissy ass. Listen daily to help assure you'll be a made-up, glitter covered girly slut permanently.

- ✧ Feeling ugly without makeup on my smooth, feminine face.
- ✧ Constantly trying to perfect my new look.
- ✧ Watching tutorials on makeup each and every day so that I can feel the most confident with my makeup look.
- ✧ Noticing the makeup on the beautiful women around me.
- ✧ Spreading lipstick all over my plump, kissable lips.
- ✧ Knowing that I will never be comfortable without makeup on my pretty, feminine face.
- ✧ Covering my lips in sexy lip gloss.
- ✧ Making sure to cover up any icky and embarrassing facial hair with my foundation.
- ✧ Making sure to outline the feminine facial features that I desire for others to focus on whenever I am applying my makeup.
- ✧ Craving to try out different makeup looks in order to find the perfect me.
- ✧ Emulating slutty women and asking for their advice for makeup tips.
- ✧ Using slutty makeup to entice others into fucking me.
- ✧ Feeling cute and delicate in my sexy, feminine makeup.
- ✧ Loving how I look in the mirror whenever I wear my makeup.
- ✧ Asking my female friends to put makeup on my face for me.
- ✧ Becoming proud and confident and aroused whenever I am wearing makeup in public.
- ✧ Feeling comfortable and natural and sexy with lipstick on.
- ✧ Knowing that I need to wear a little bit of blush in order to help my cheeks look their best.
- ✧ Outlining my eyes in sexy eyeliner.
- ✧ Using my eyeshadow colors to compliment my cute, feminine outfits.
- ✧ Knowing that I need to use eyeshadow on my eyes each and every day.
- ✧ Loving how glitter makes my face look cuter and more feminine.

- ✧ Fantasizing about my next new makeup look.
- ✧ Painting my fingernails a pretty pink, feminine color.
- ✧ Looking up fun new designs for painting my pretty fingernails.
- ✧ Wearing open toed shoes so that others can see my pretty toe nails wherever I may choose to walk.
- ✧ Making sure that my toenails are painted a pretty feminine color at all times.
- ✧ Remembering that my perfectly manicured fingernails always need to be painted a pretty feminine color.
- ✧ Showing my pretty painted nails to everyone that I meet.
- ✧ Needing to match my pretty eyeshadow with my sexy painted nails.
- ✧ Knowing I turn into a sobbing, quivering mess, if I sm ever seen outside without my beautiful makeup on.
- ✧ More confident and comfortable with makeup on.
- ✧ Needing others to complement my makeup in order to feel confident as I go about my day.
- ✧ Always putting lip gloss on my plump, kissable lips.
- ✧ Plucking my eyebrows into thin, feminine arches.
- ✧ Keeping my eyebrows thin and feminine and arched at all times.
- ✧ Understanding the need to be pretty and feminine each and every day.
- ✧ Confident in public with my makeup on.
- ✧ Seducing my lovers with my makeup on.
- ✧ A seductive mistress. Using her makeup skills to satisfy her client's every fantasy.
- ✧ Checking my makeup whenever I pass by a mirror.
