AN IMPORTANT NOTE ABOUT PRINTING

The four panels comprising this GM screen are absolutely crammed full of information. Because of this, each page's margins are wider than normal. If you experience printing problems, try one of these solutions:

Adobe Acrobat Pro: Chose "Custom Scale" in the print dialogue box and set the value to 95%.

Adobe Reader: Chose "Custom Scale" in the print dialogue box and set the value to 95%.

Apple Preview: Select either "Print Entire Image" under "Scale to Fit" in the print dialogue box or set the scale to 93%.

Alternatively, if your printer has a borderless printing option, selecting that option should solve any printing issues.

Finally, remember to print from the "print" version of this file and not the "screen" version for maximum print quality.

Product Identity: All trademarks, registered trademarks, proper names (characters, deities, artefacts, places and so on), dialogue, plots, storylines, language, incidents, locations, characters, artwork and trade dress are product identity as defined in the Open Game License version 1.0a, Section 1(e) and are not Open Content.
