A photograph of a window looking out onto a sunset. The sky is a deep orange-red, and there are several dark, silhouetted clouds. The window frame is visible on the left and right sides. In the bottom right corner, a portion of a building with a window is visible. A speech bubble is centered in the lower half of the image.

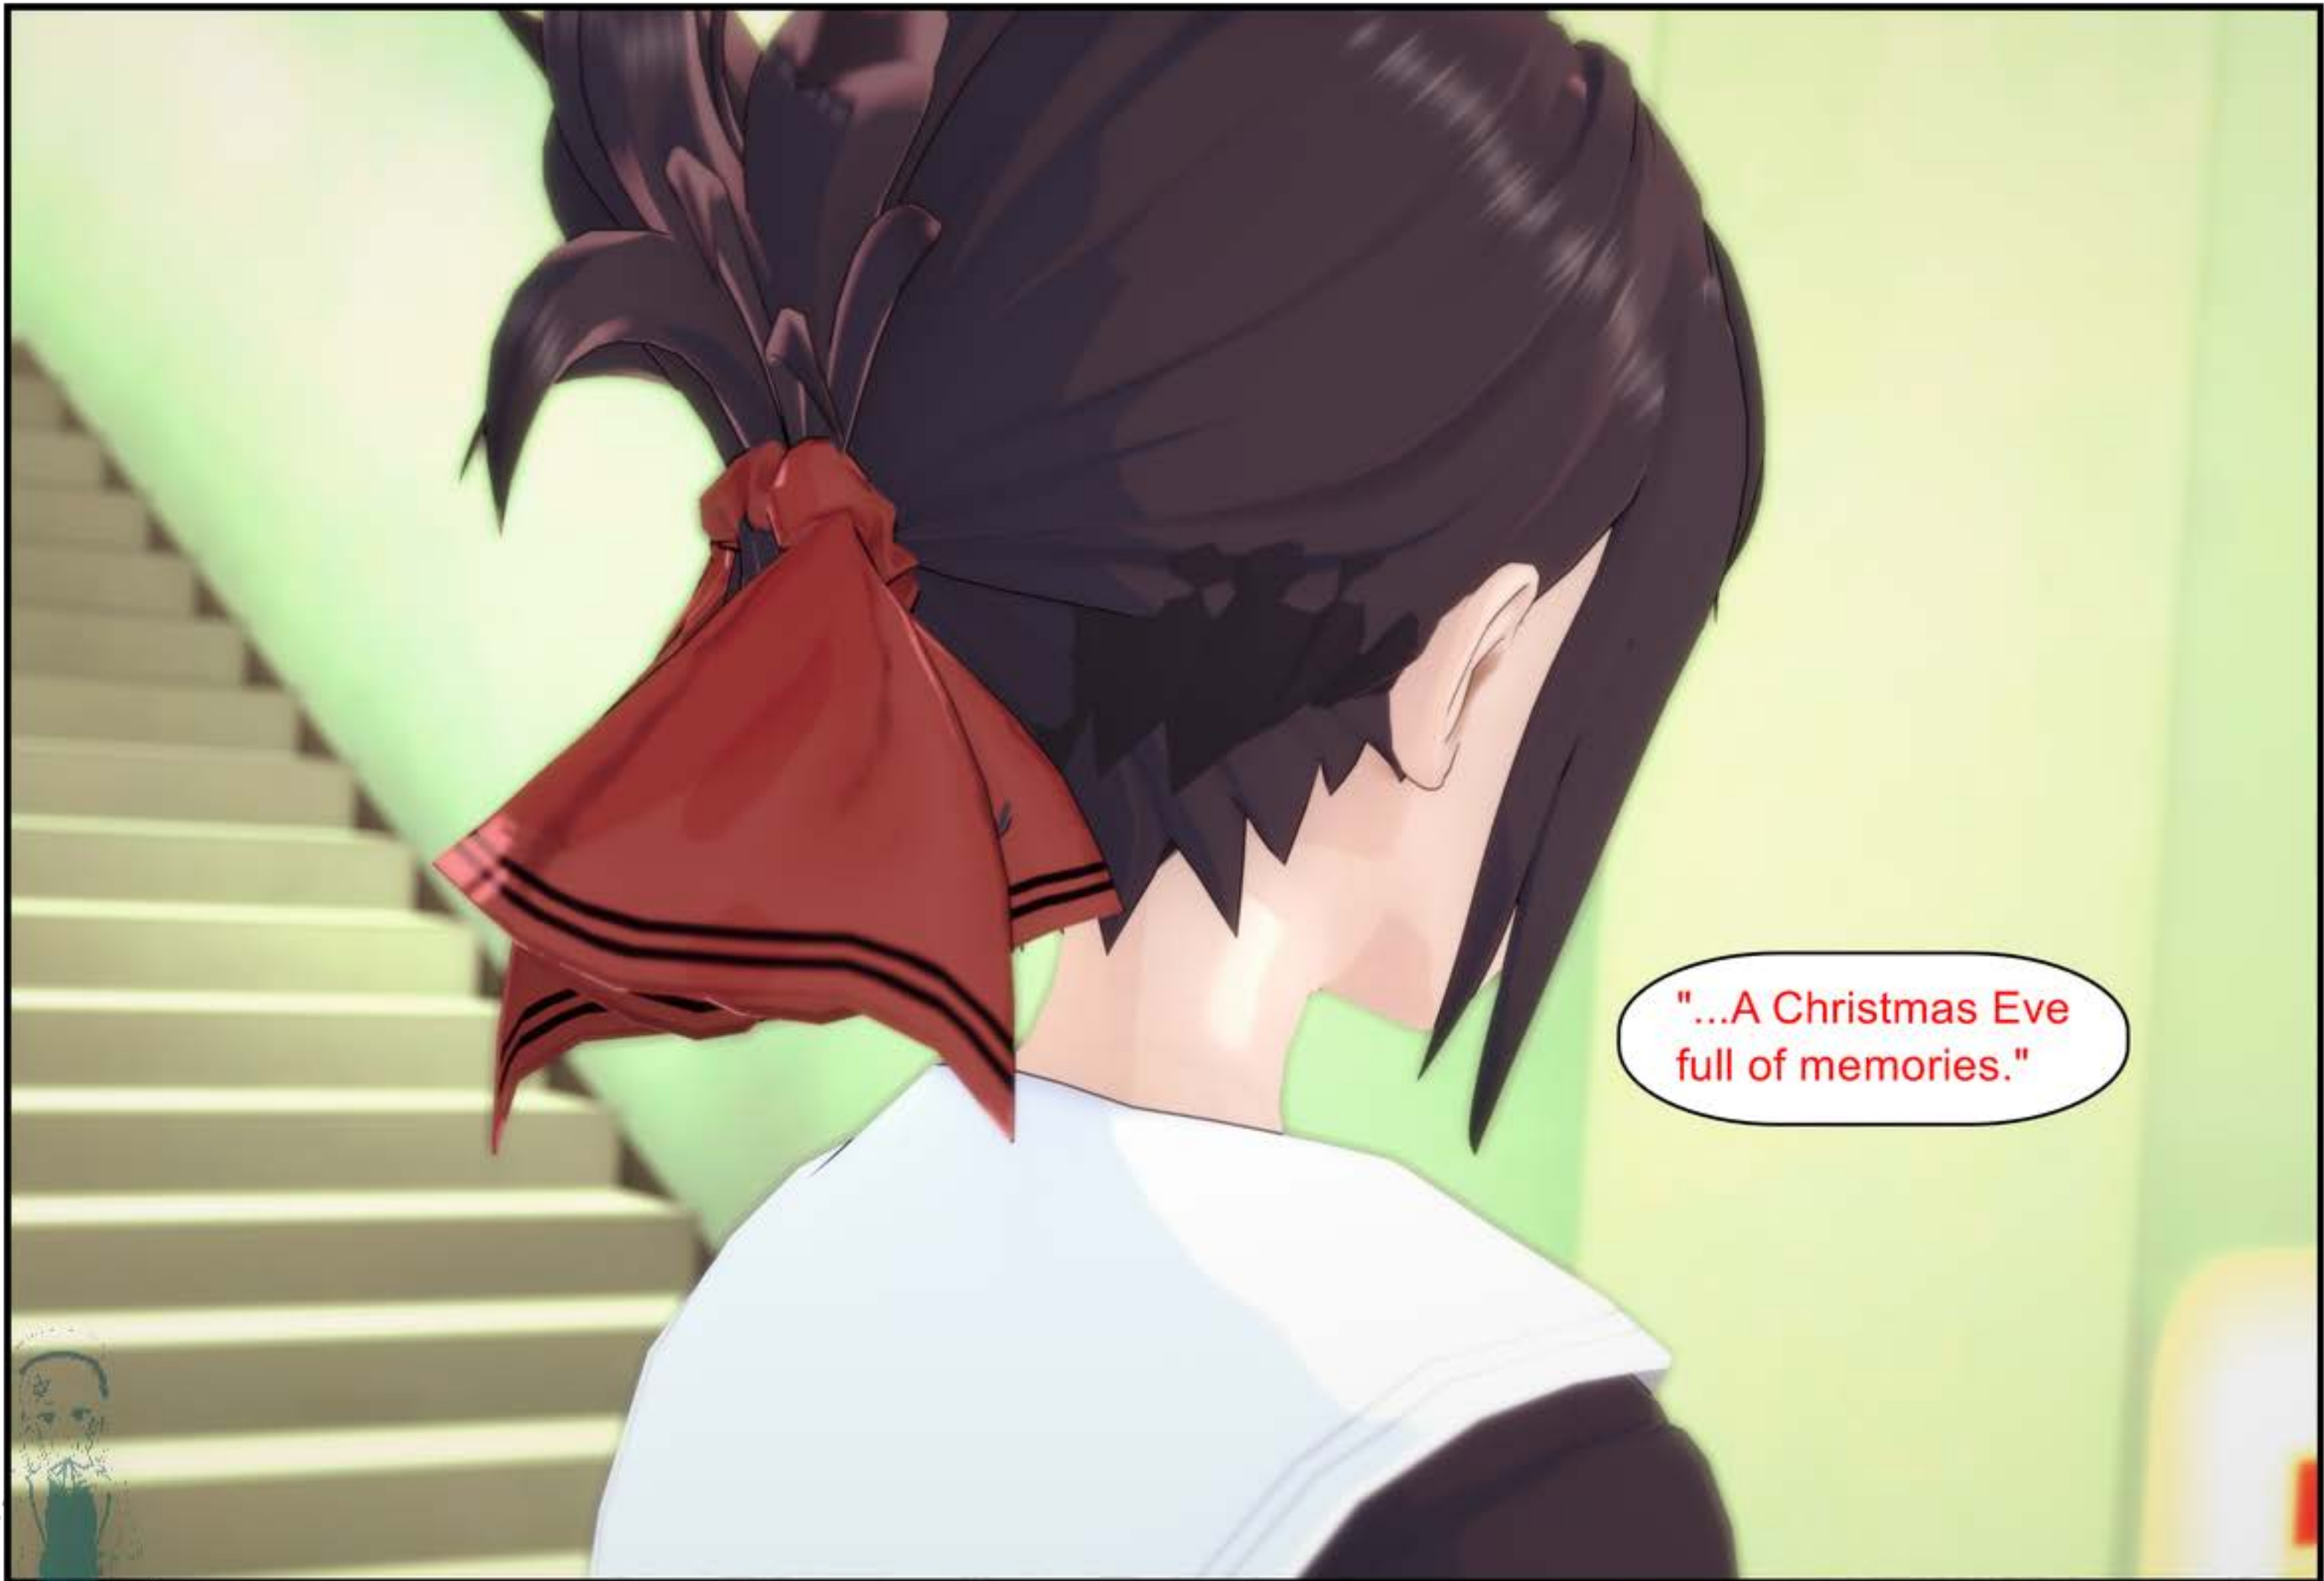

The weather is
turning cold...

"Also, a sign for the most awaited day of the year..."

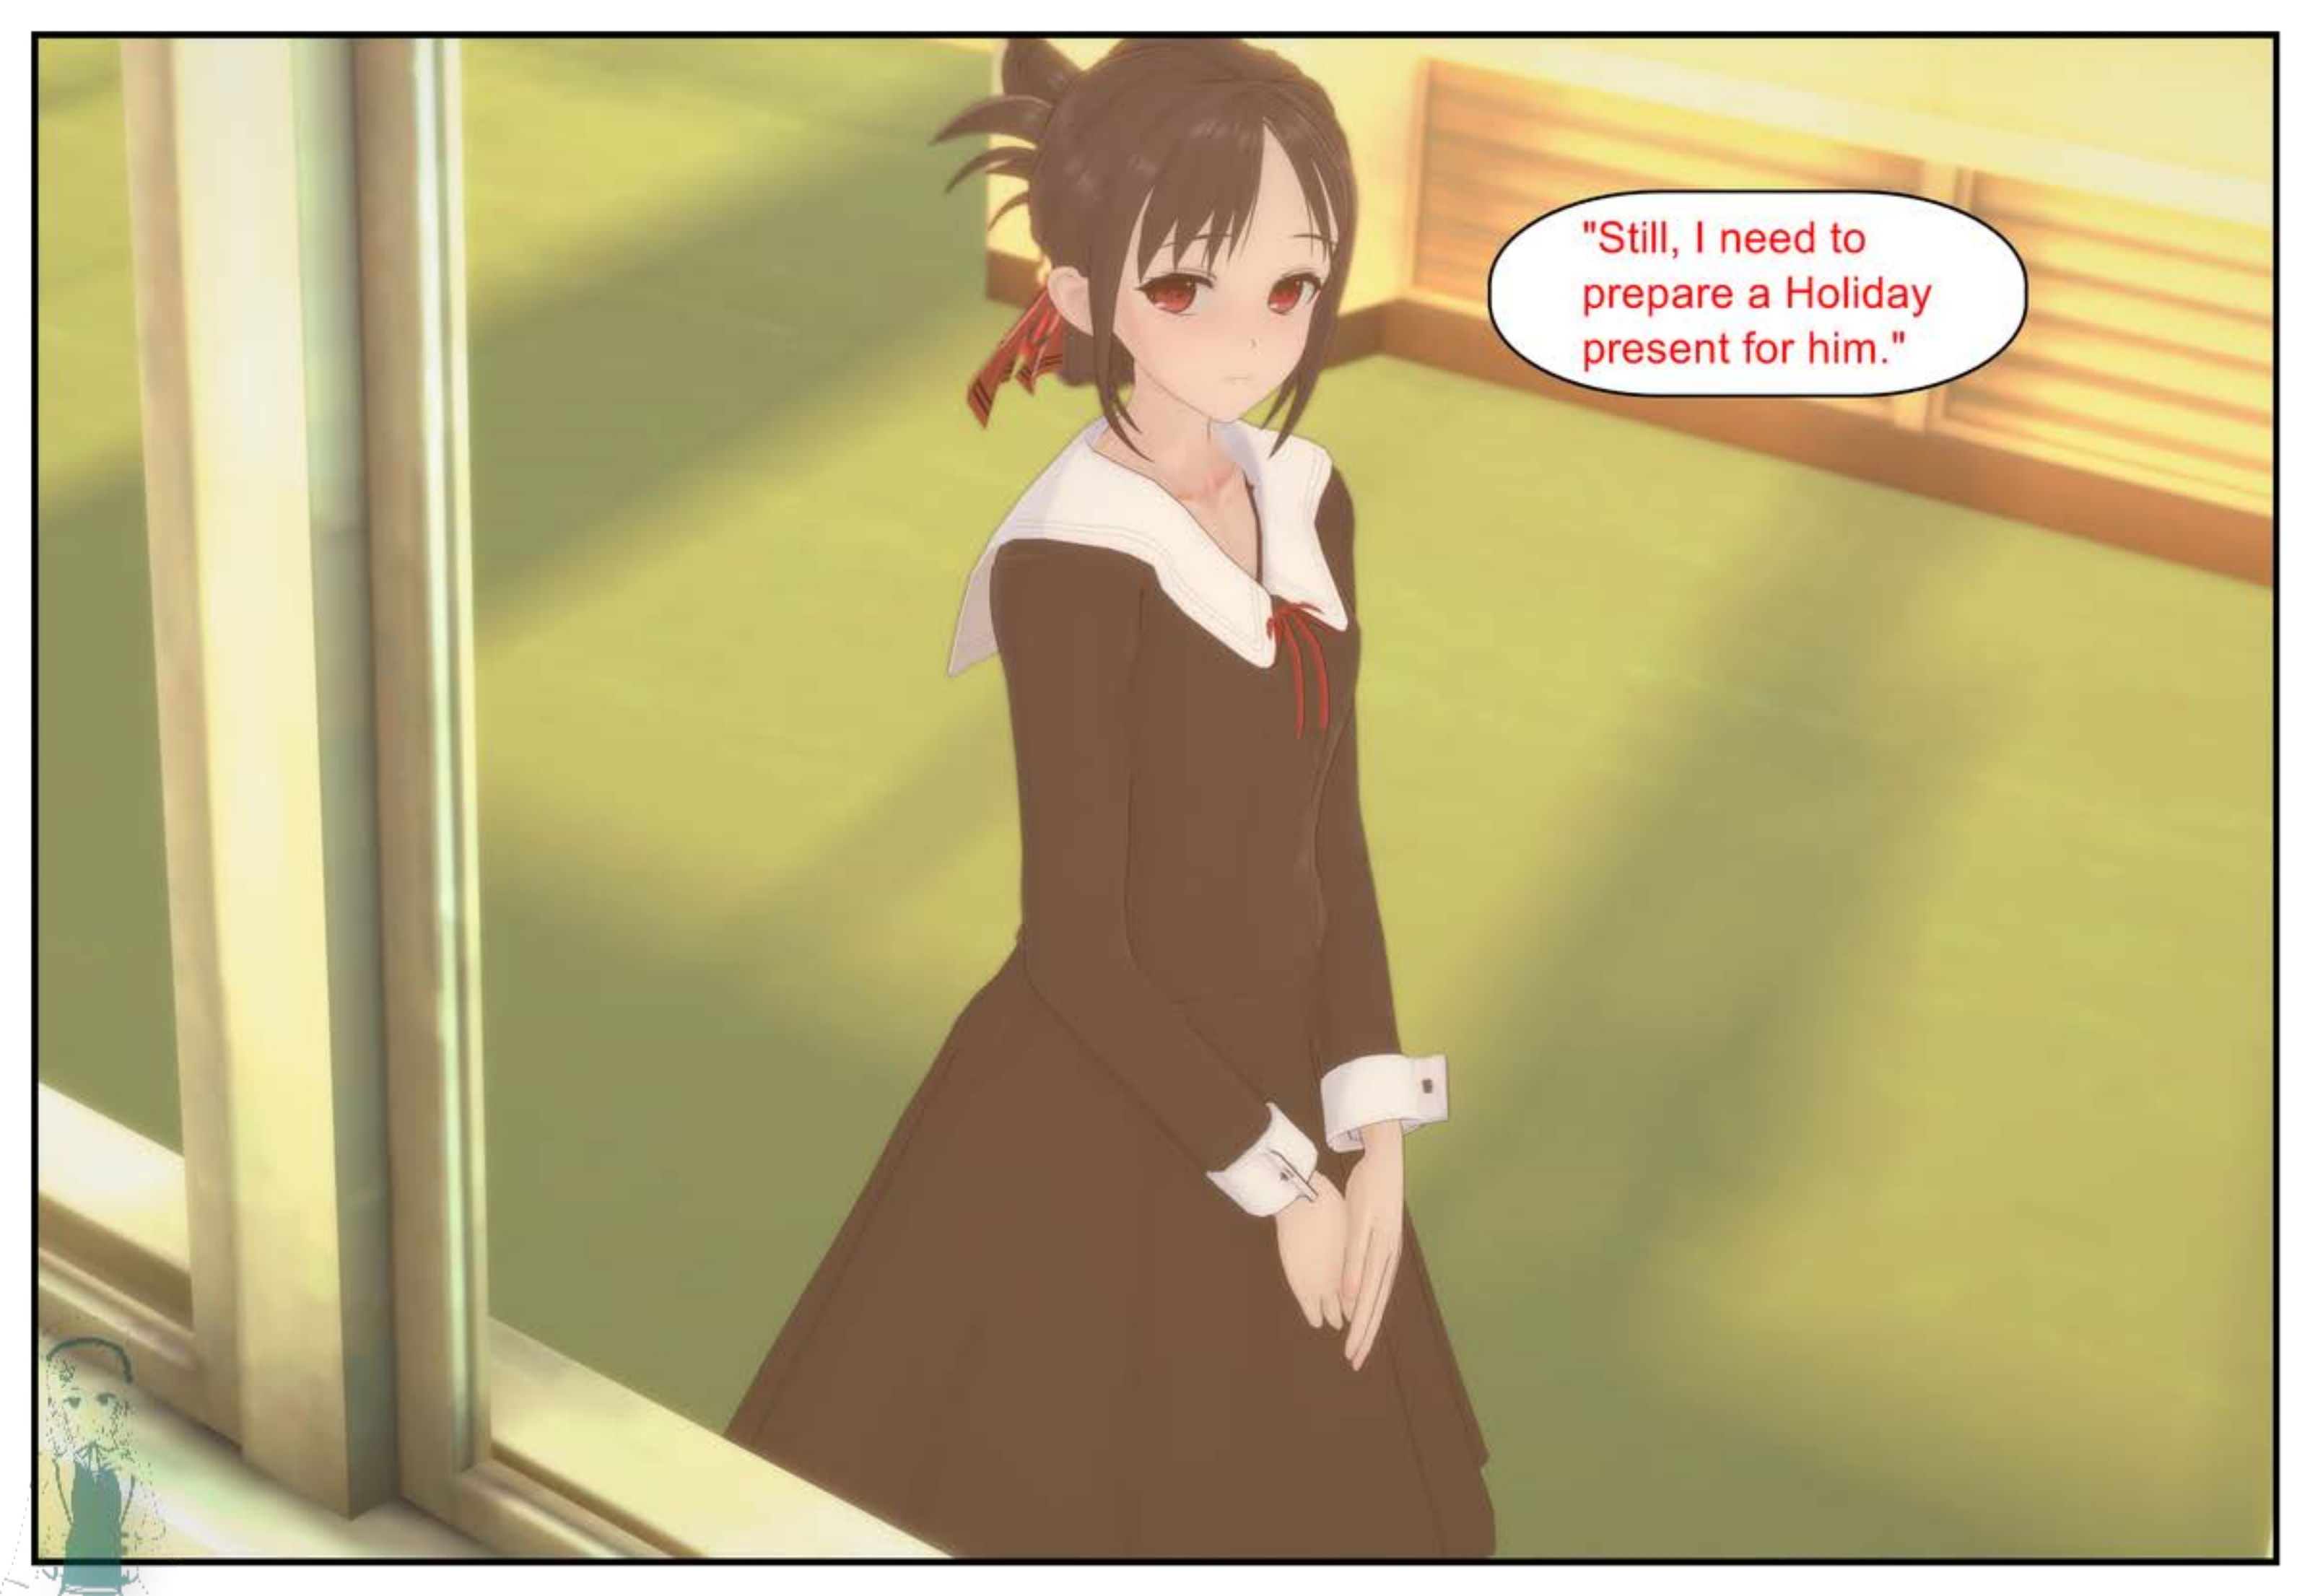

"...A Christmas Eve full of memories."

"I wonder what should I do with President Shirogane?"

"Still, I need to
prepare a Holiday
present for him."

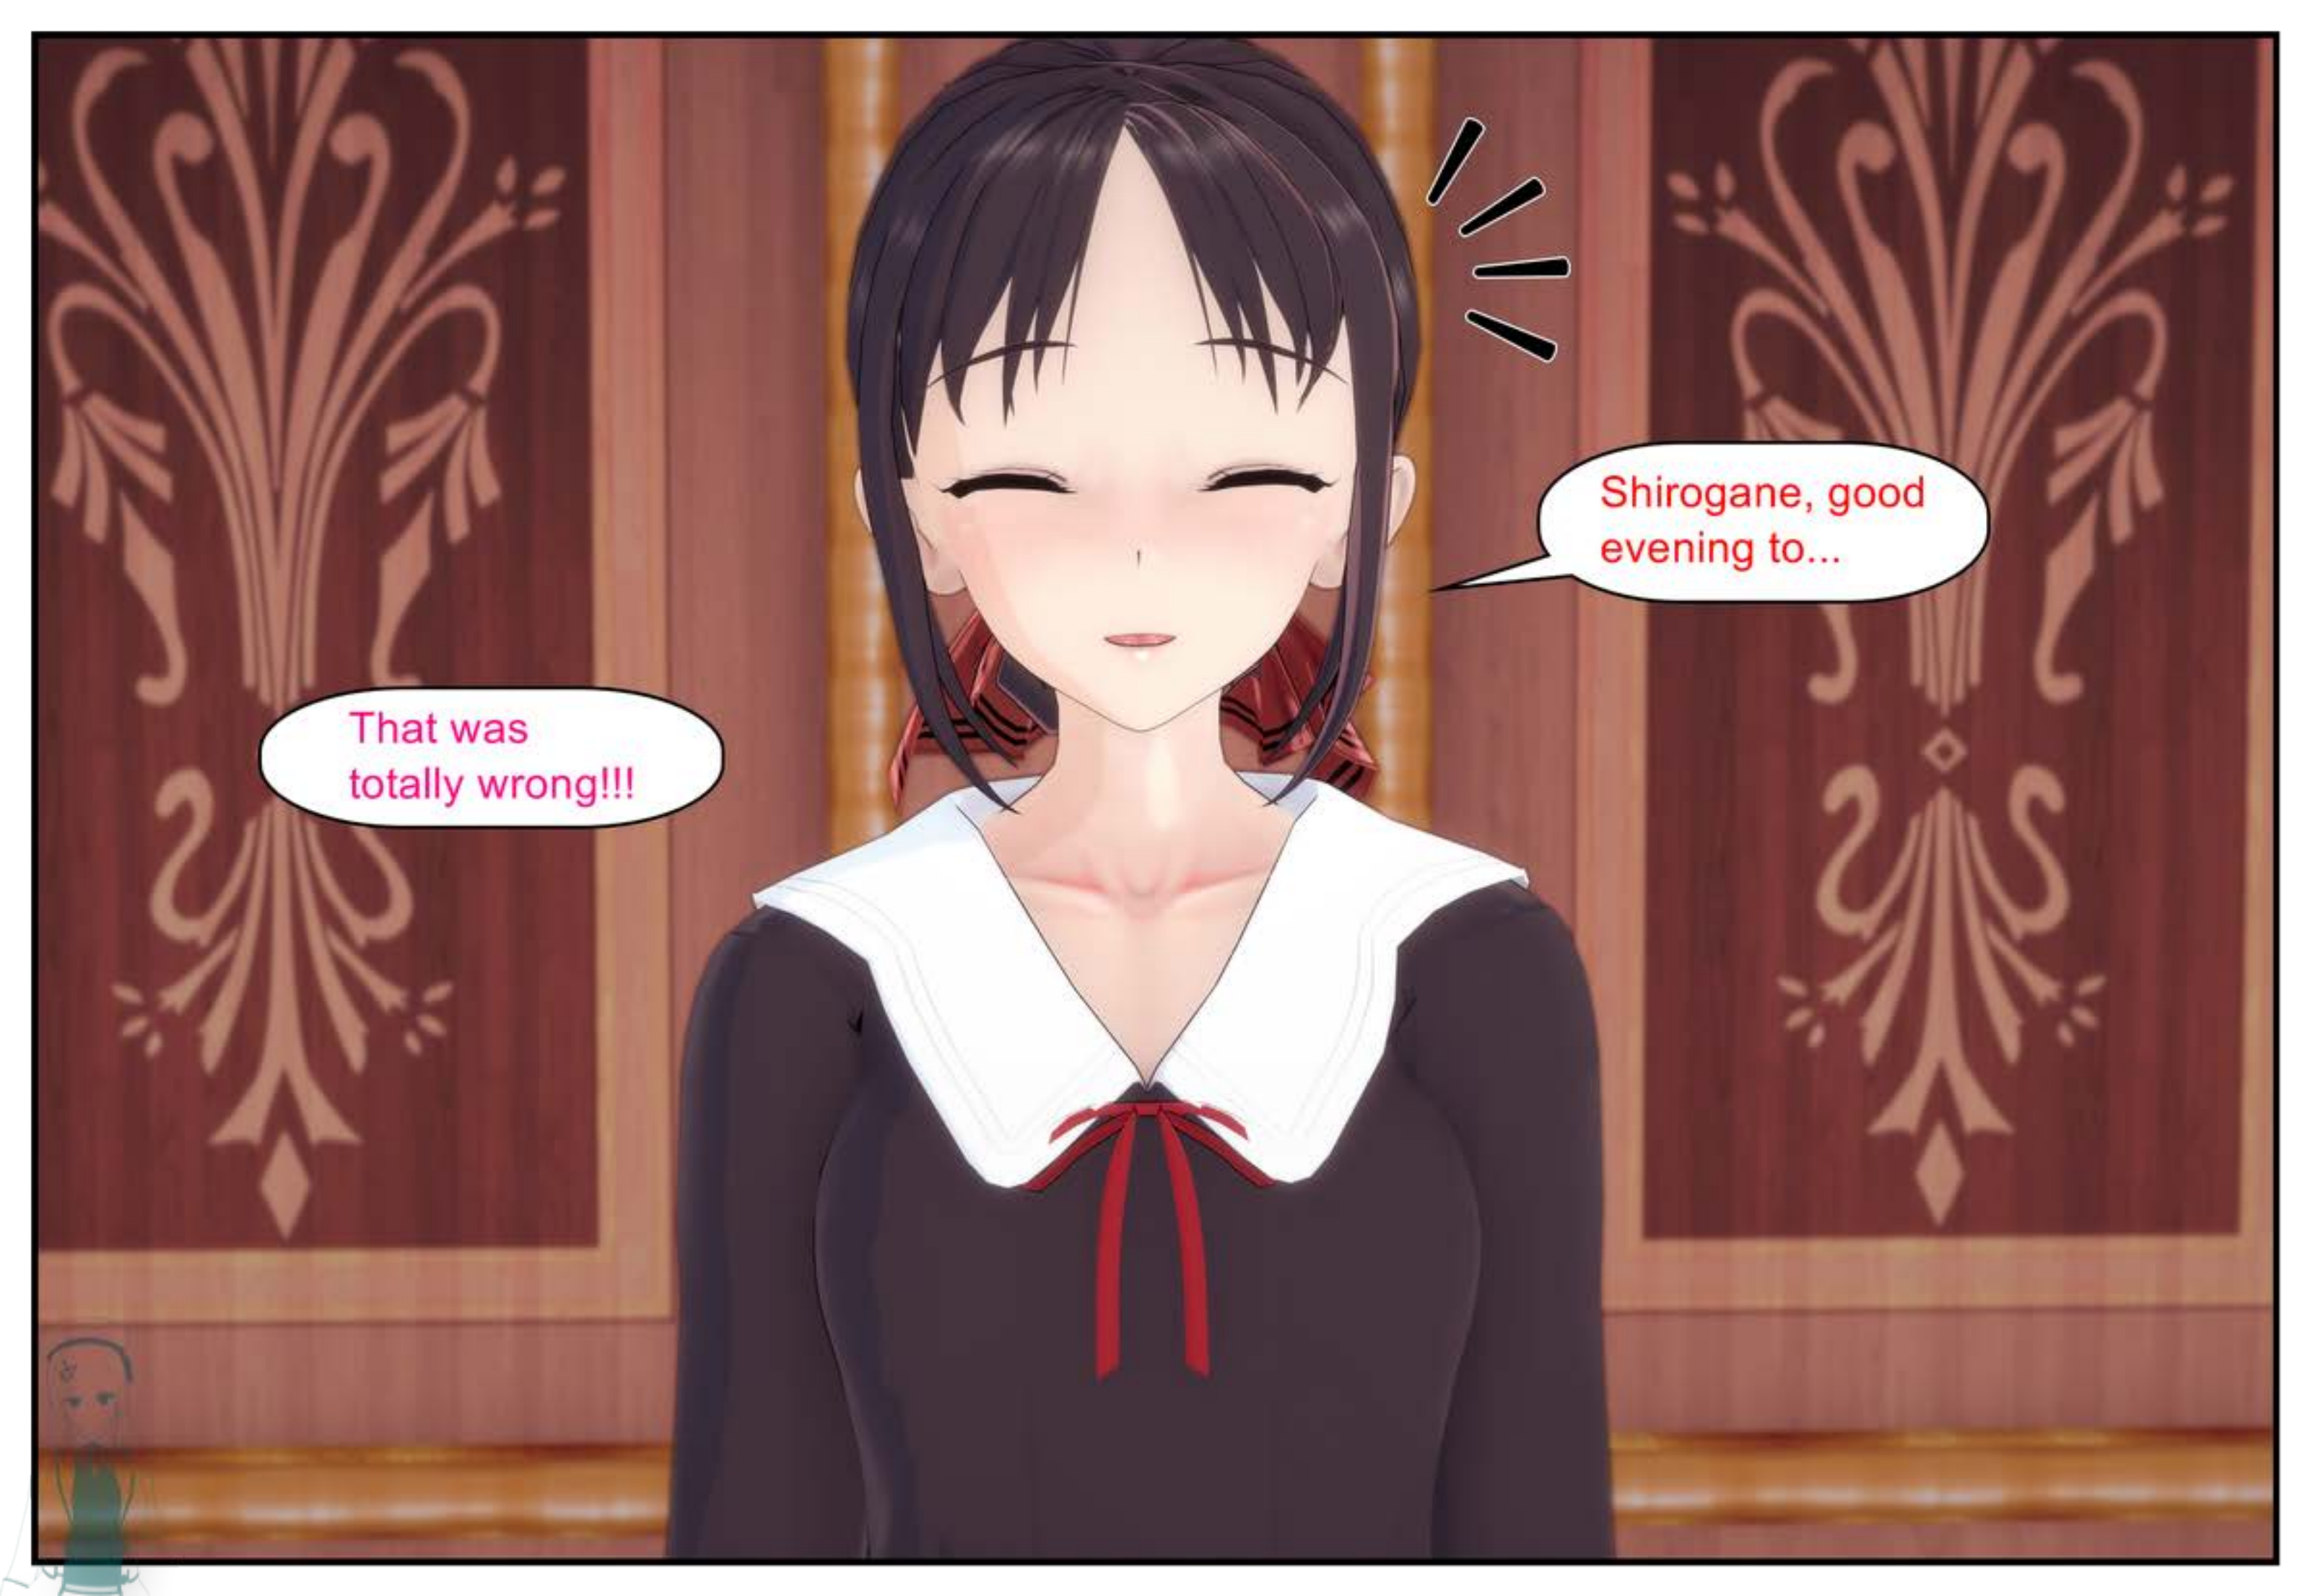

"What would he like... Something that not too luxury?"

"Maybe he still at the Student's Council Room, I will have him say it out himself."

That was
totally wrong!!!

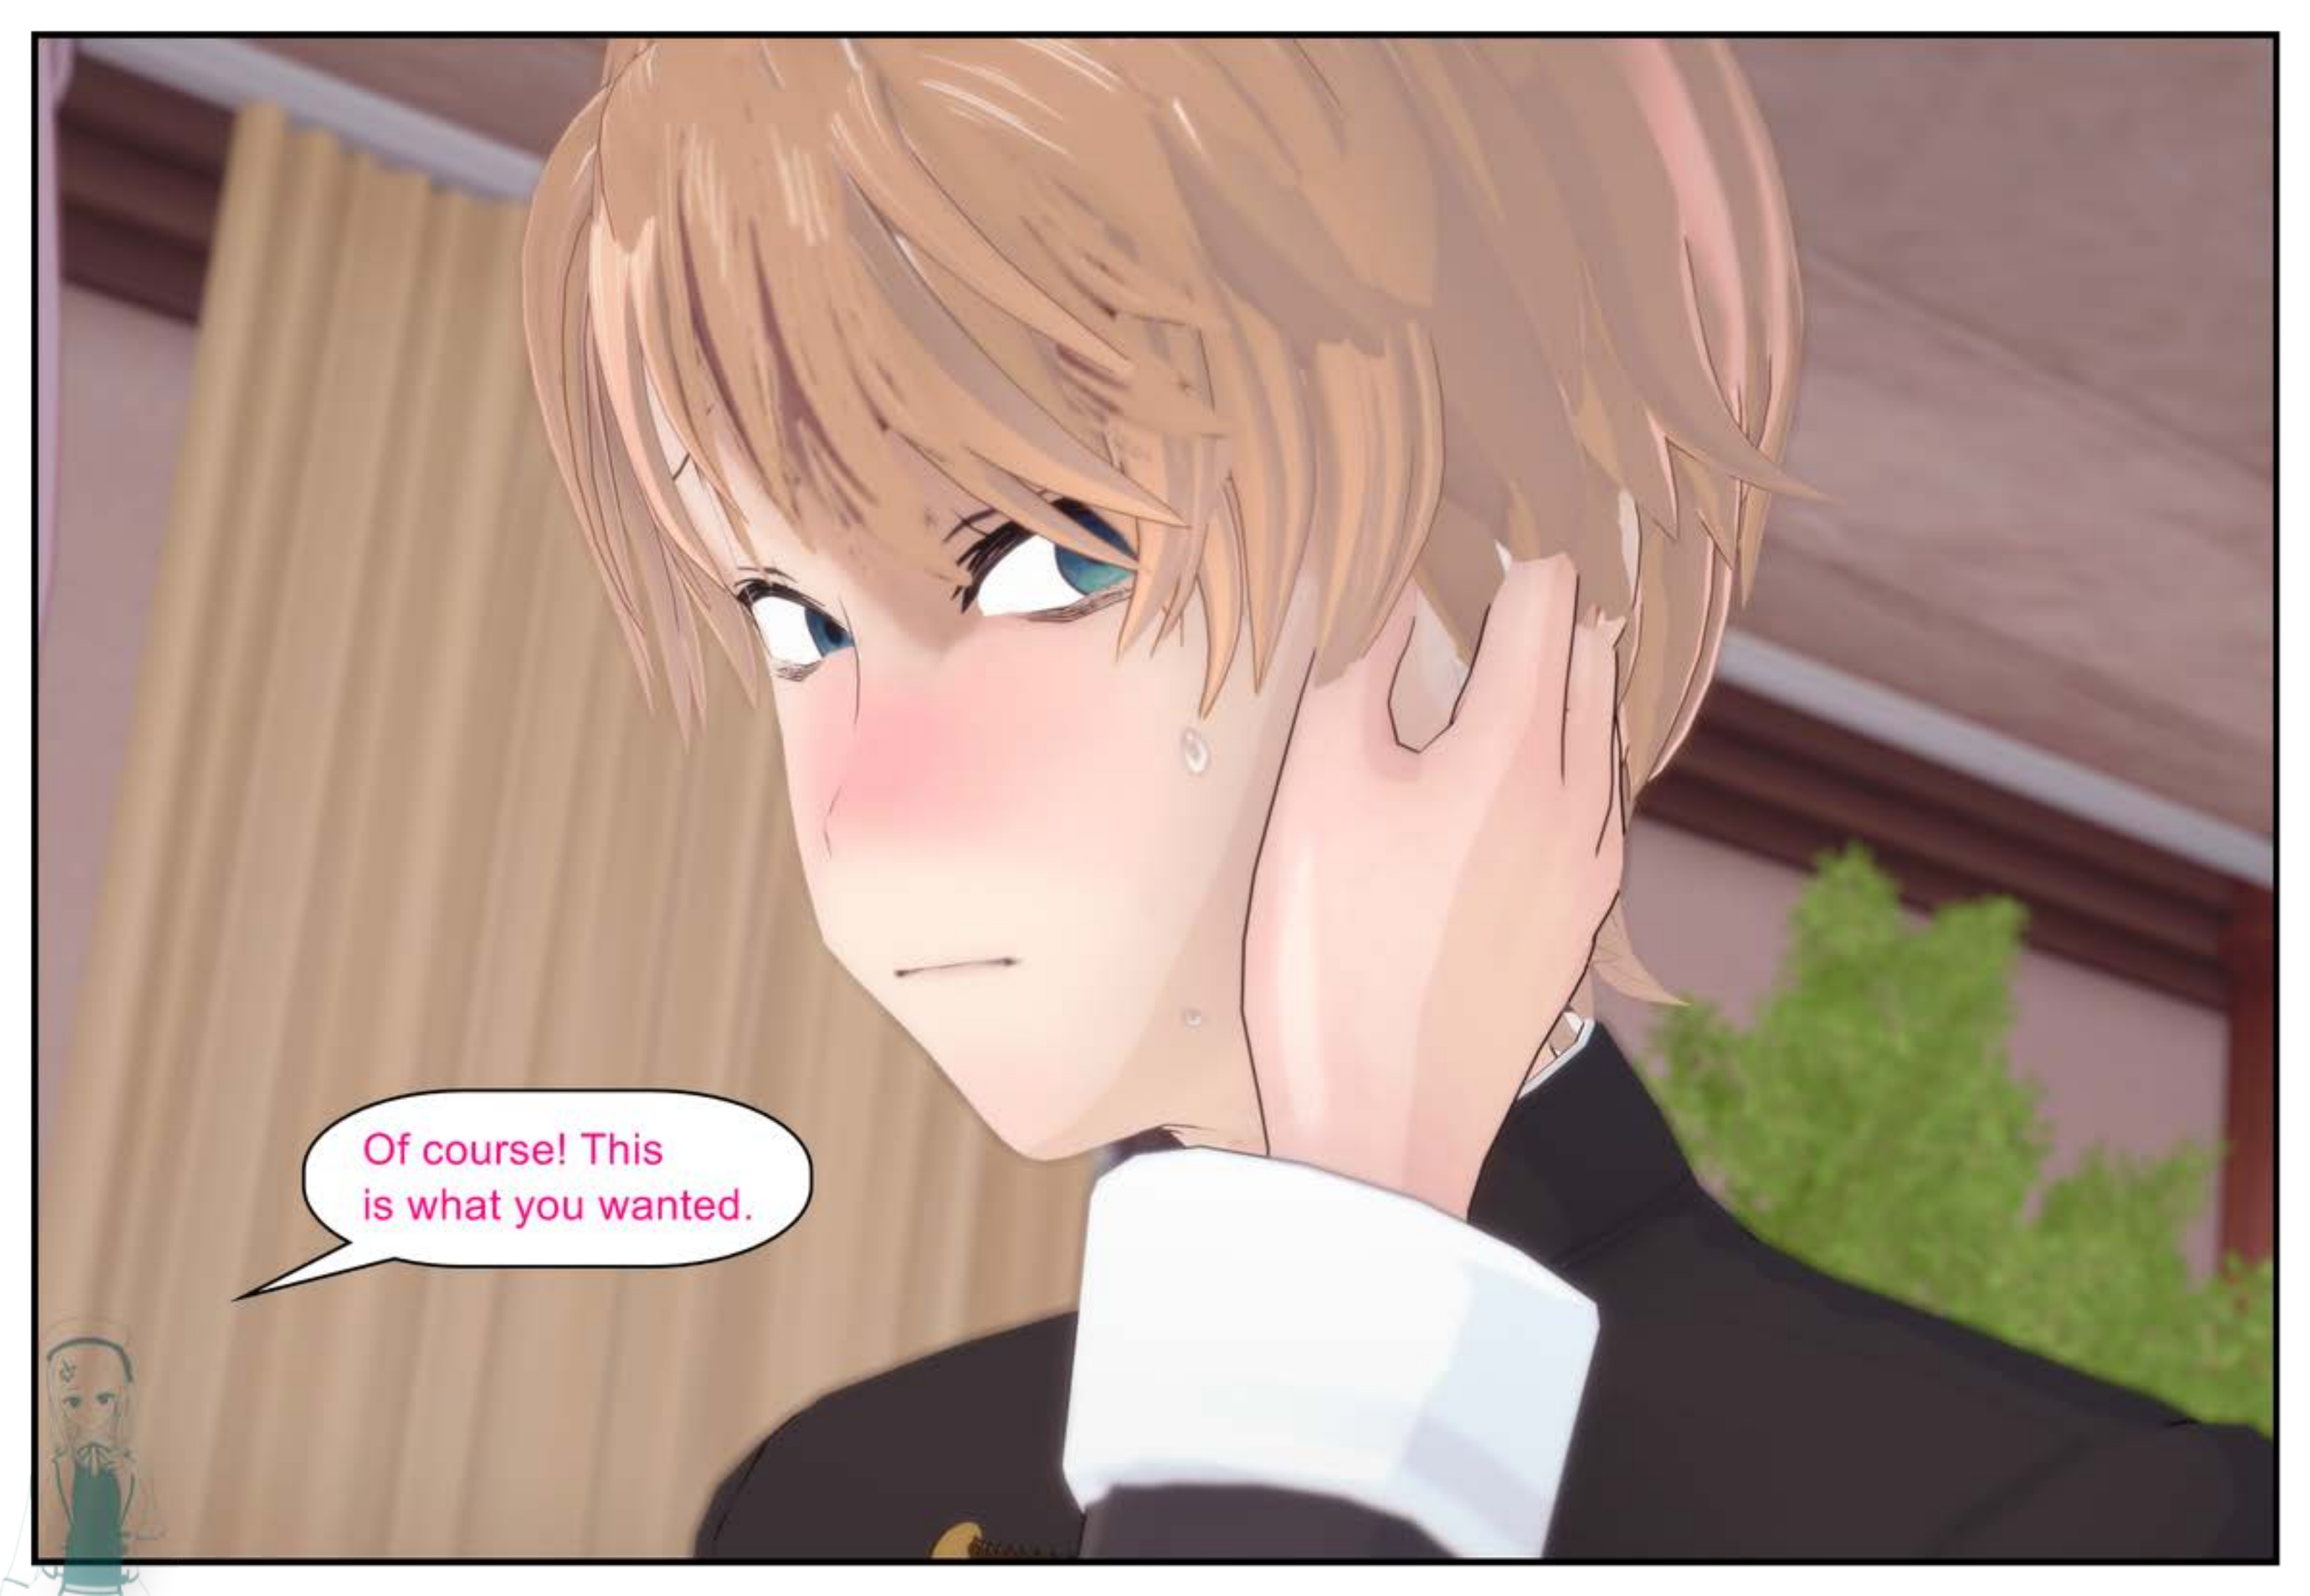

Shirogane, good
evening to...

Come here, closer
to me, President!

I-I don't know
either if this is
going to work, Fujiwara...

Of course! This is what you wanted.

Now, move in
closer to me...

Look directly into my eyes, President...

Hold still, and slowly close your eyes...

Ah... My heart almost skips a beat...

Time out! I really
can't do this, Fujiwara!

BANG!!!!

What was that?

Did someone was there before?

I don't think there was, President.

Now, back on
the track, you asked
me for love guidance...

And so, Fujiwara's
Hell Training starts...

...but it seem that
you need to learn
more about romantic,
President Shirogane.

"There's no
such thing..."

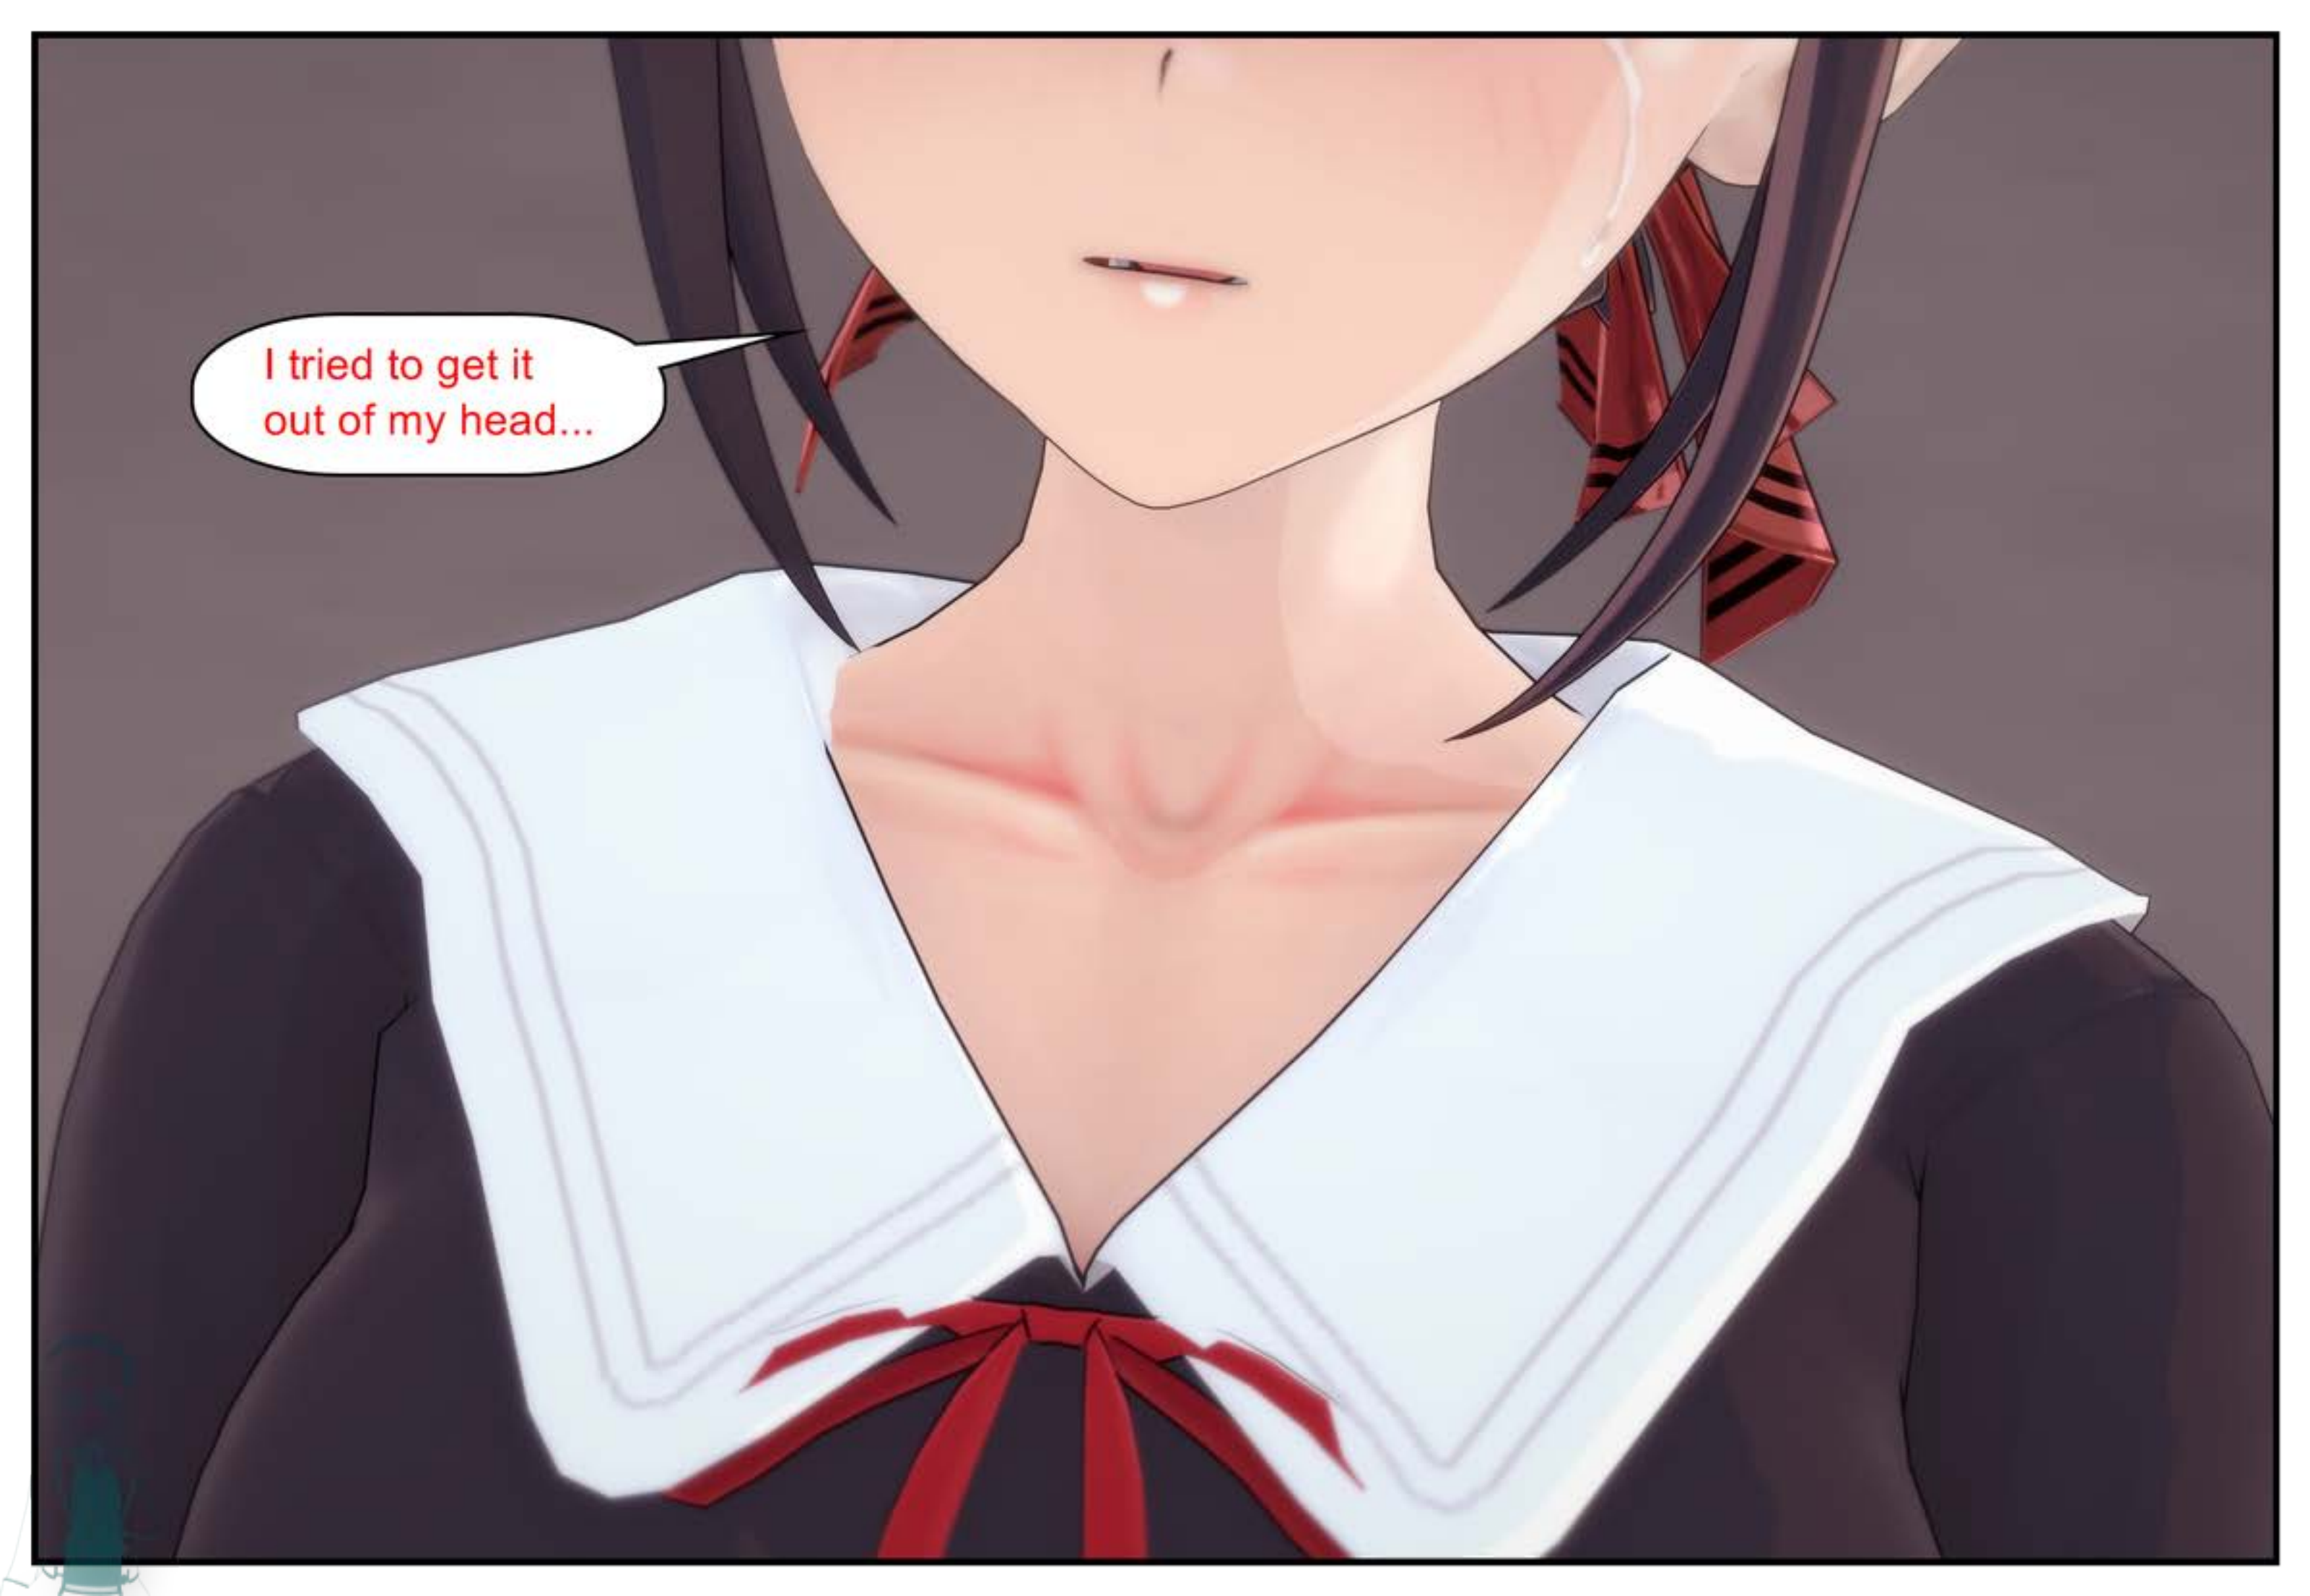

"...that President would do that to me, right?"

Hayasaka...

I tried to get it
out of my head...

...But there were so many possibilities... that President...

Miss. Kaguya, you
were thinking too
much lately... So
I don't think...

He already proposed
his love in the last
School Festival!

I can't get out of this, Hayasaka! I always thought he had another girl...

I actually love Miyuki!
And when I saw him
with Fujiwara...

"Ah... It seem that Miss. Kaguya is having self-emotion."

Why don't you find it out for yourself?

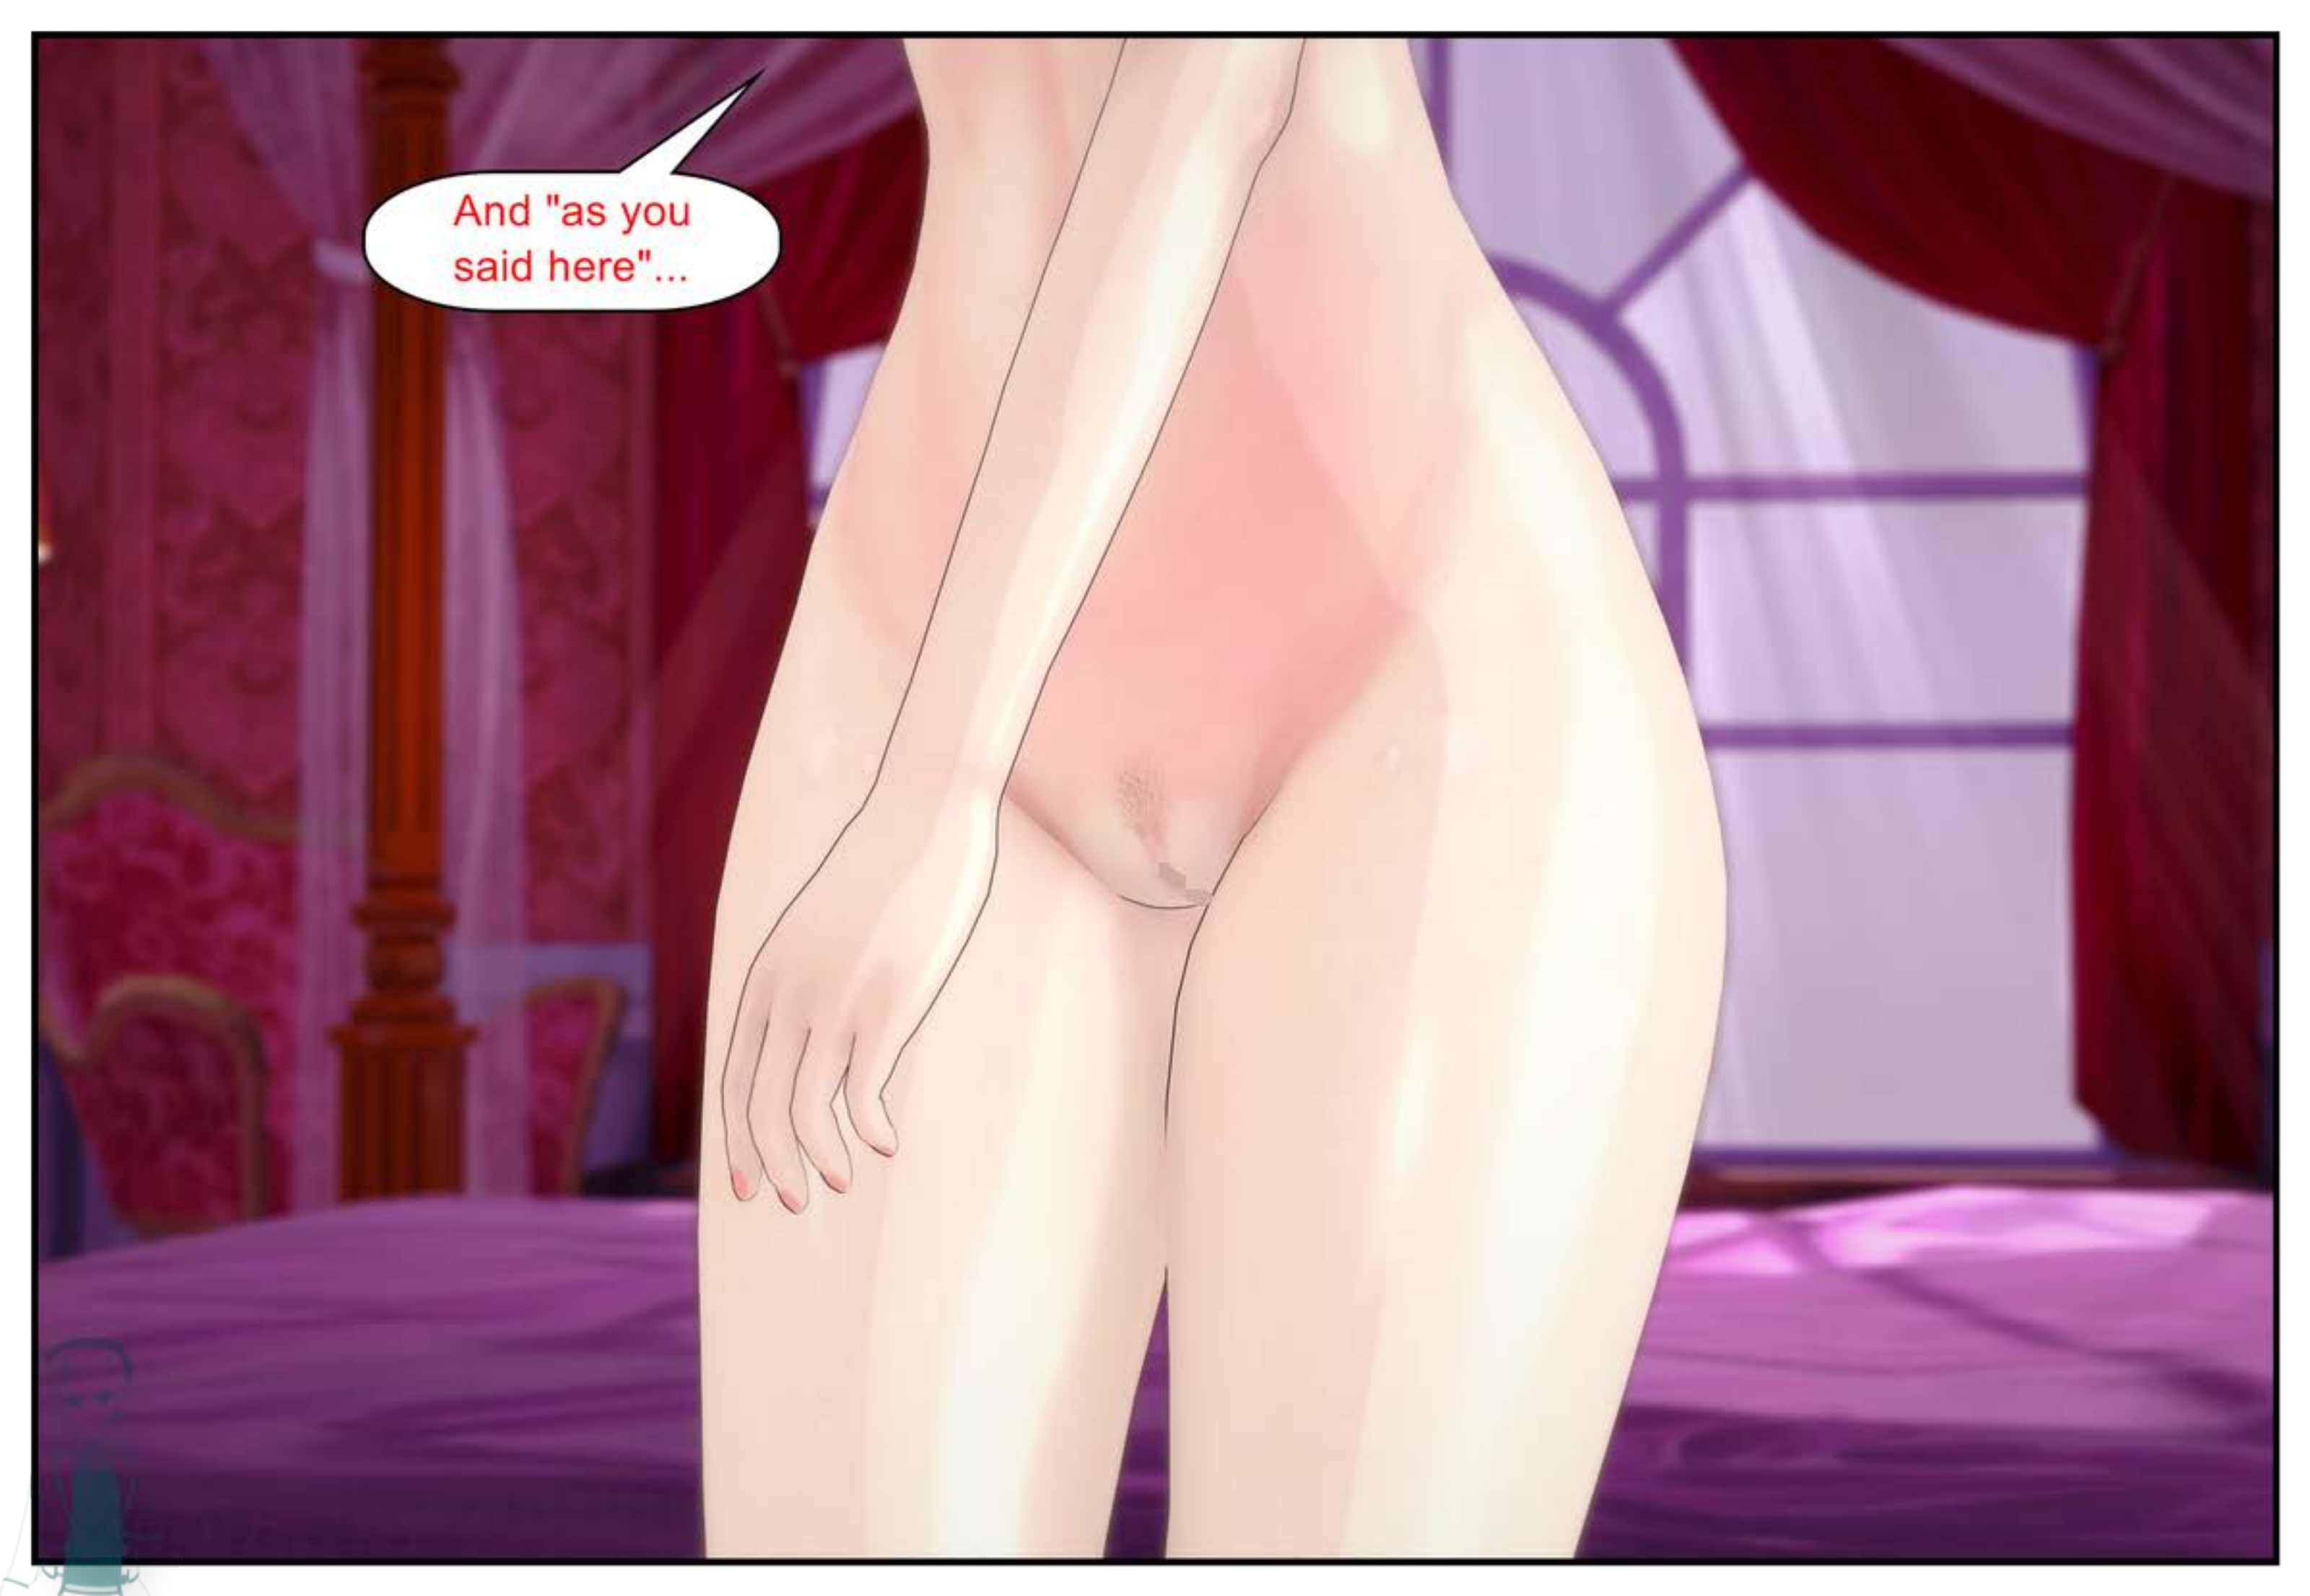

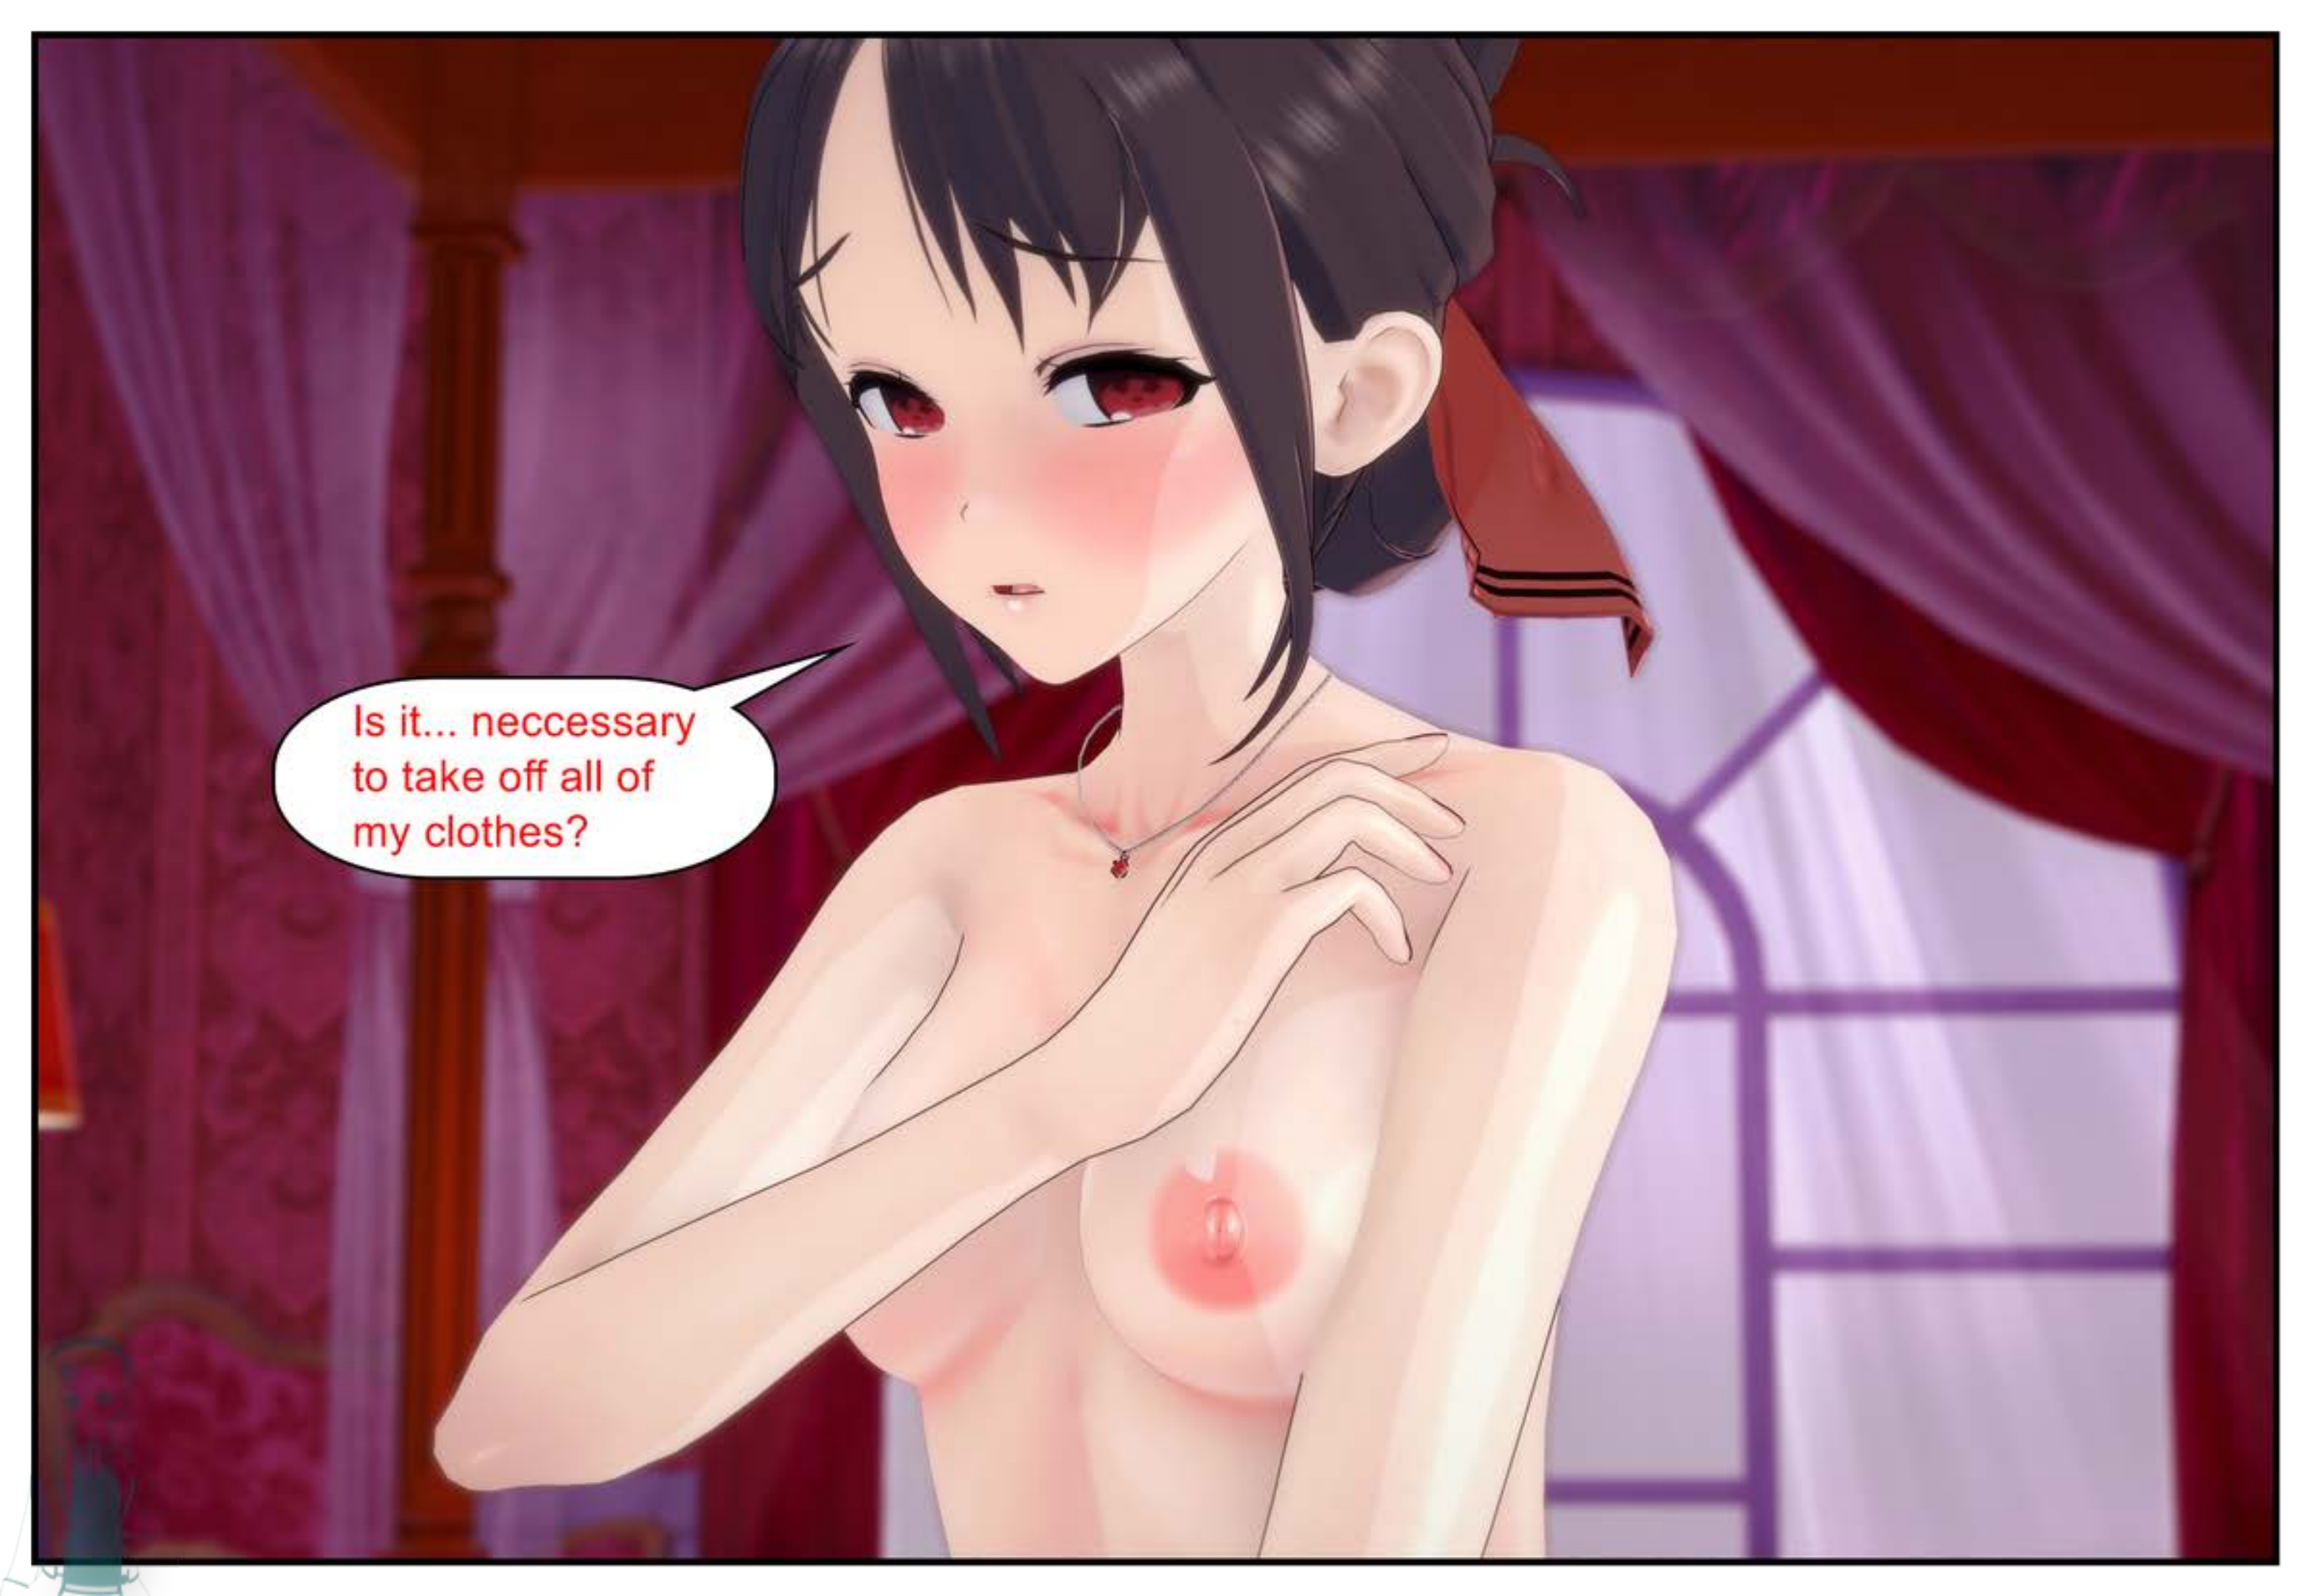

I have something
that might help you
to clear your mind
before Christmas.

But I suggest that
you will do everything
as I said.

And "as you
said here"...

Is it... necessary
to take off all of
my clothes?

Very crucial,
Miss Kaguya.

You are not going
to experiment me
with something?

A-Anyway, whatever you do, please make it quick. I'm freezing here, Hayasaka...

Um... Slurp... Nn...
Un... Um... Chu...

Slurp... Un... Mm...
Slurp... Nn... Nn...

Slurp... Nn...
Um... Nn... Slurp...

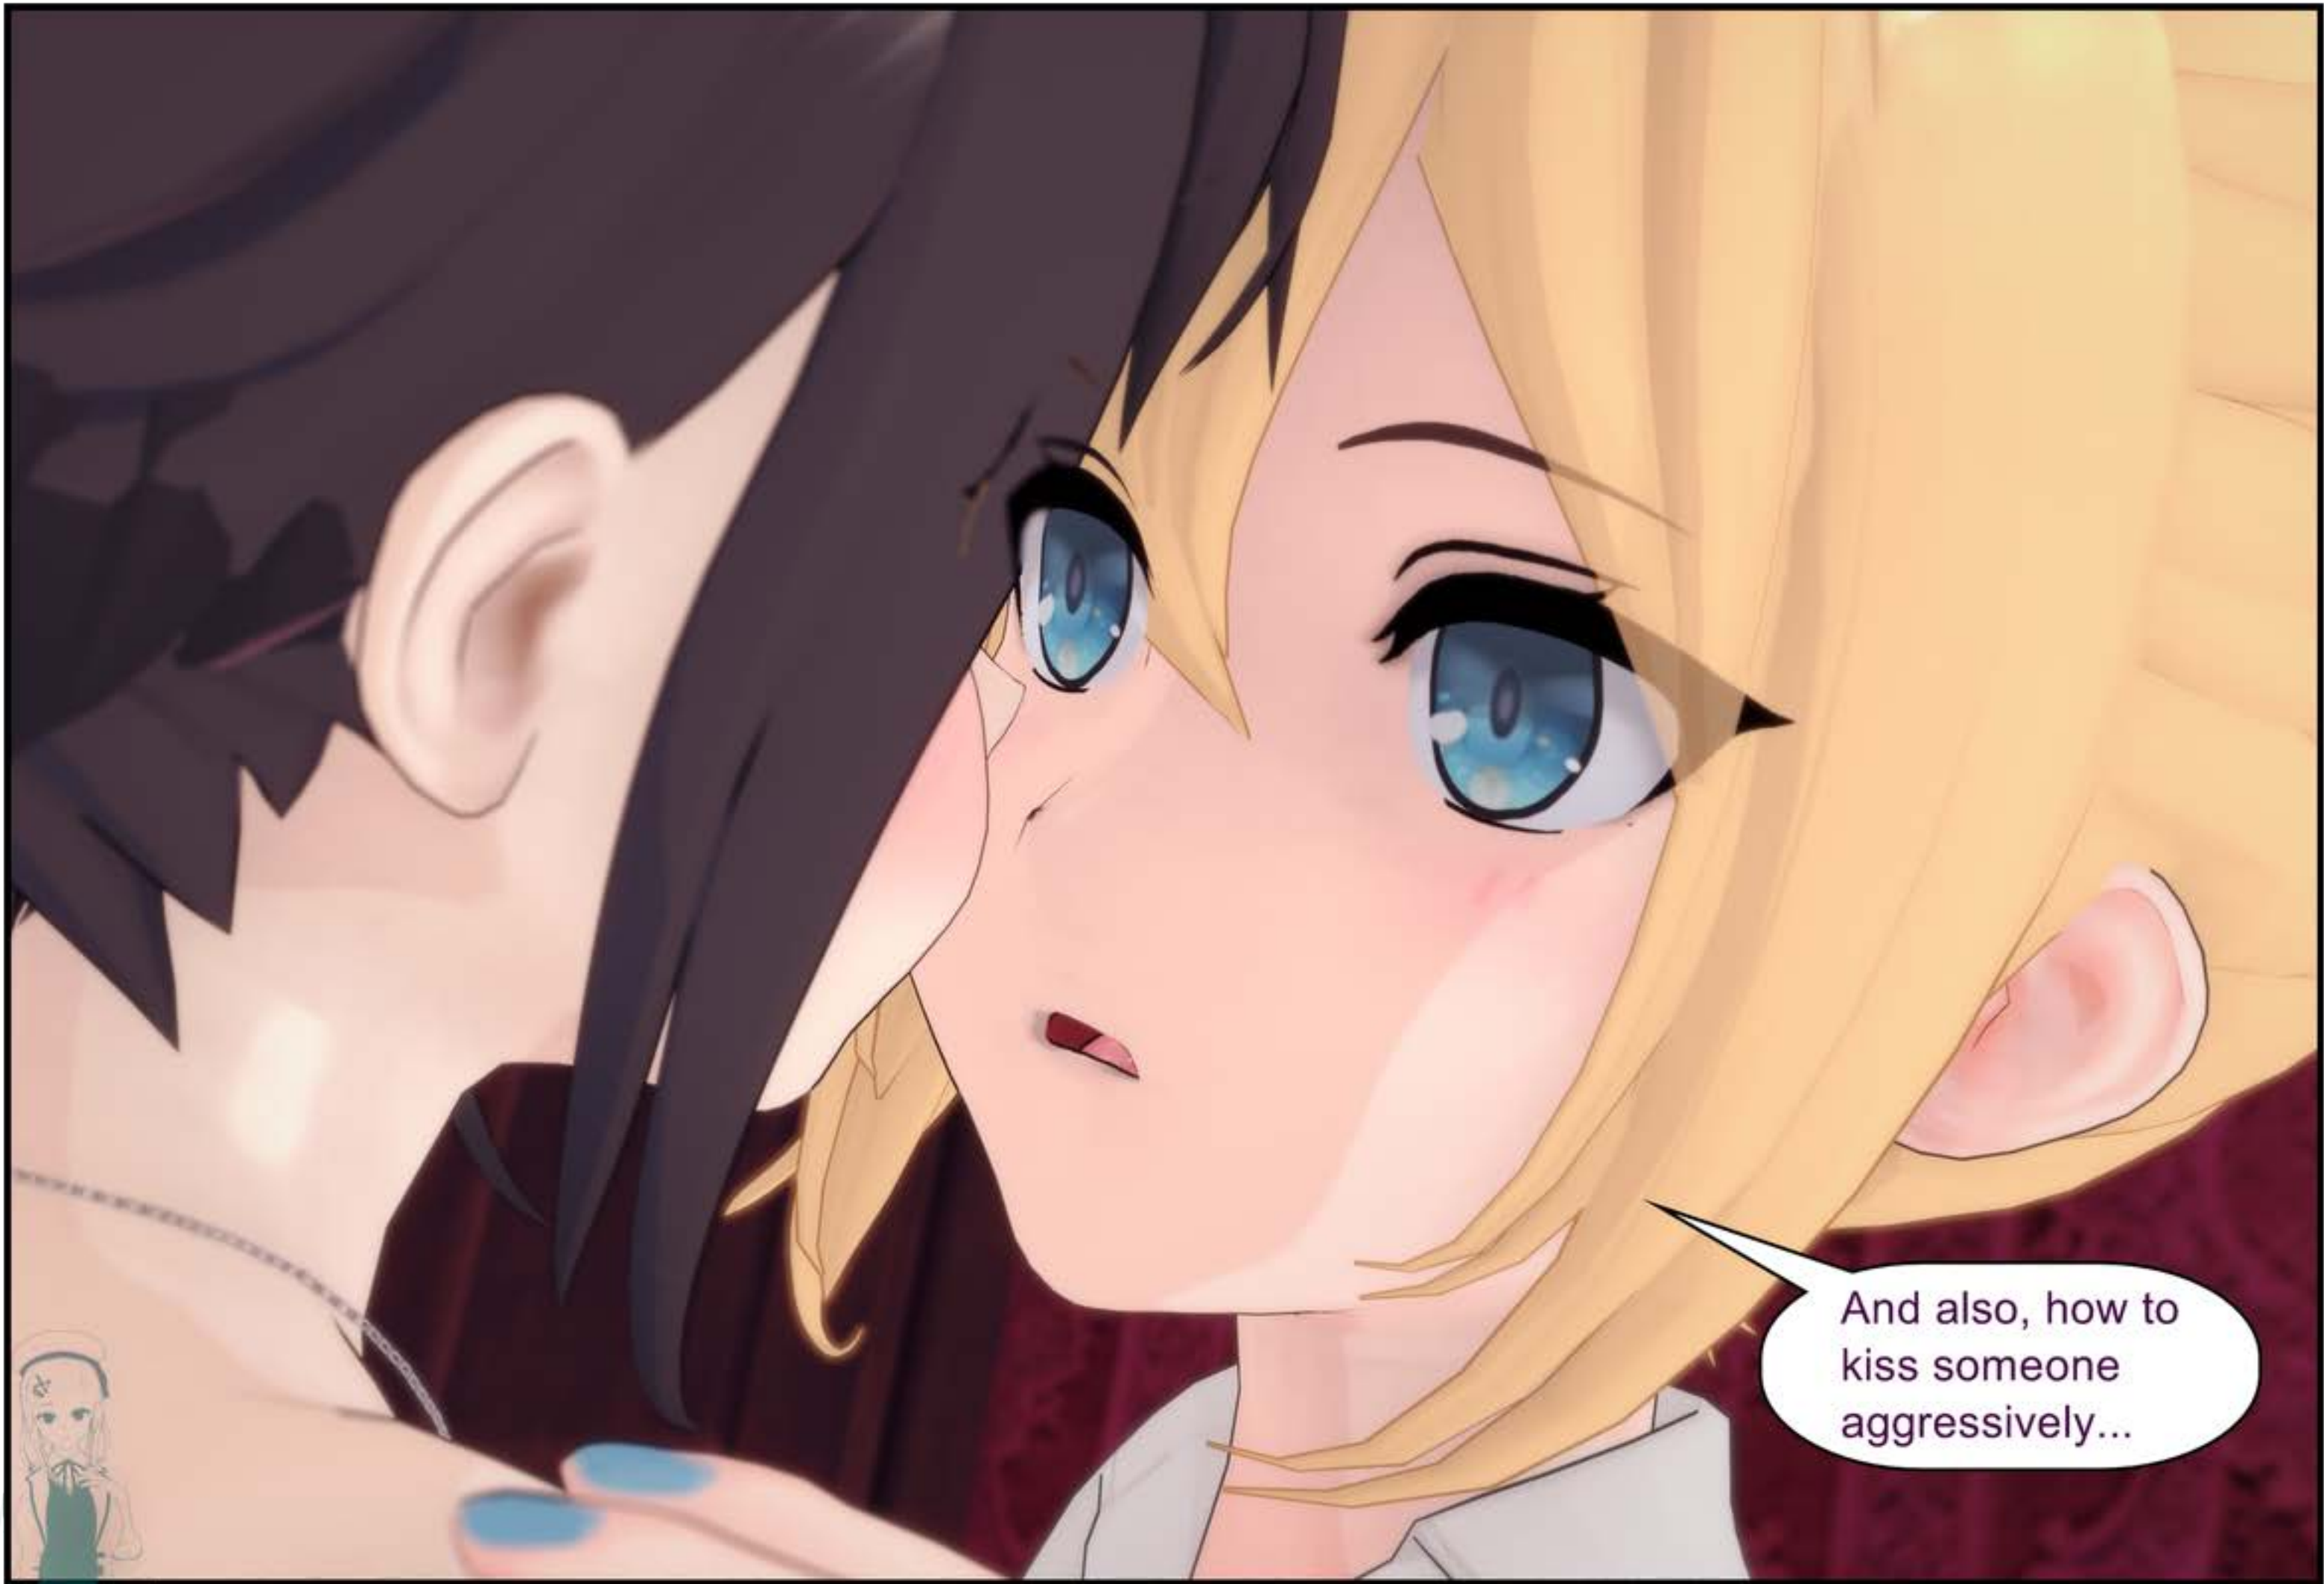

Hayasaka! You didn't say any about kissing!?

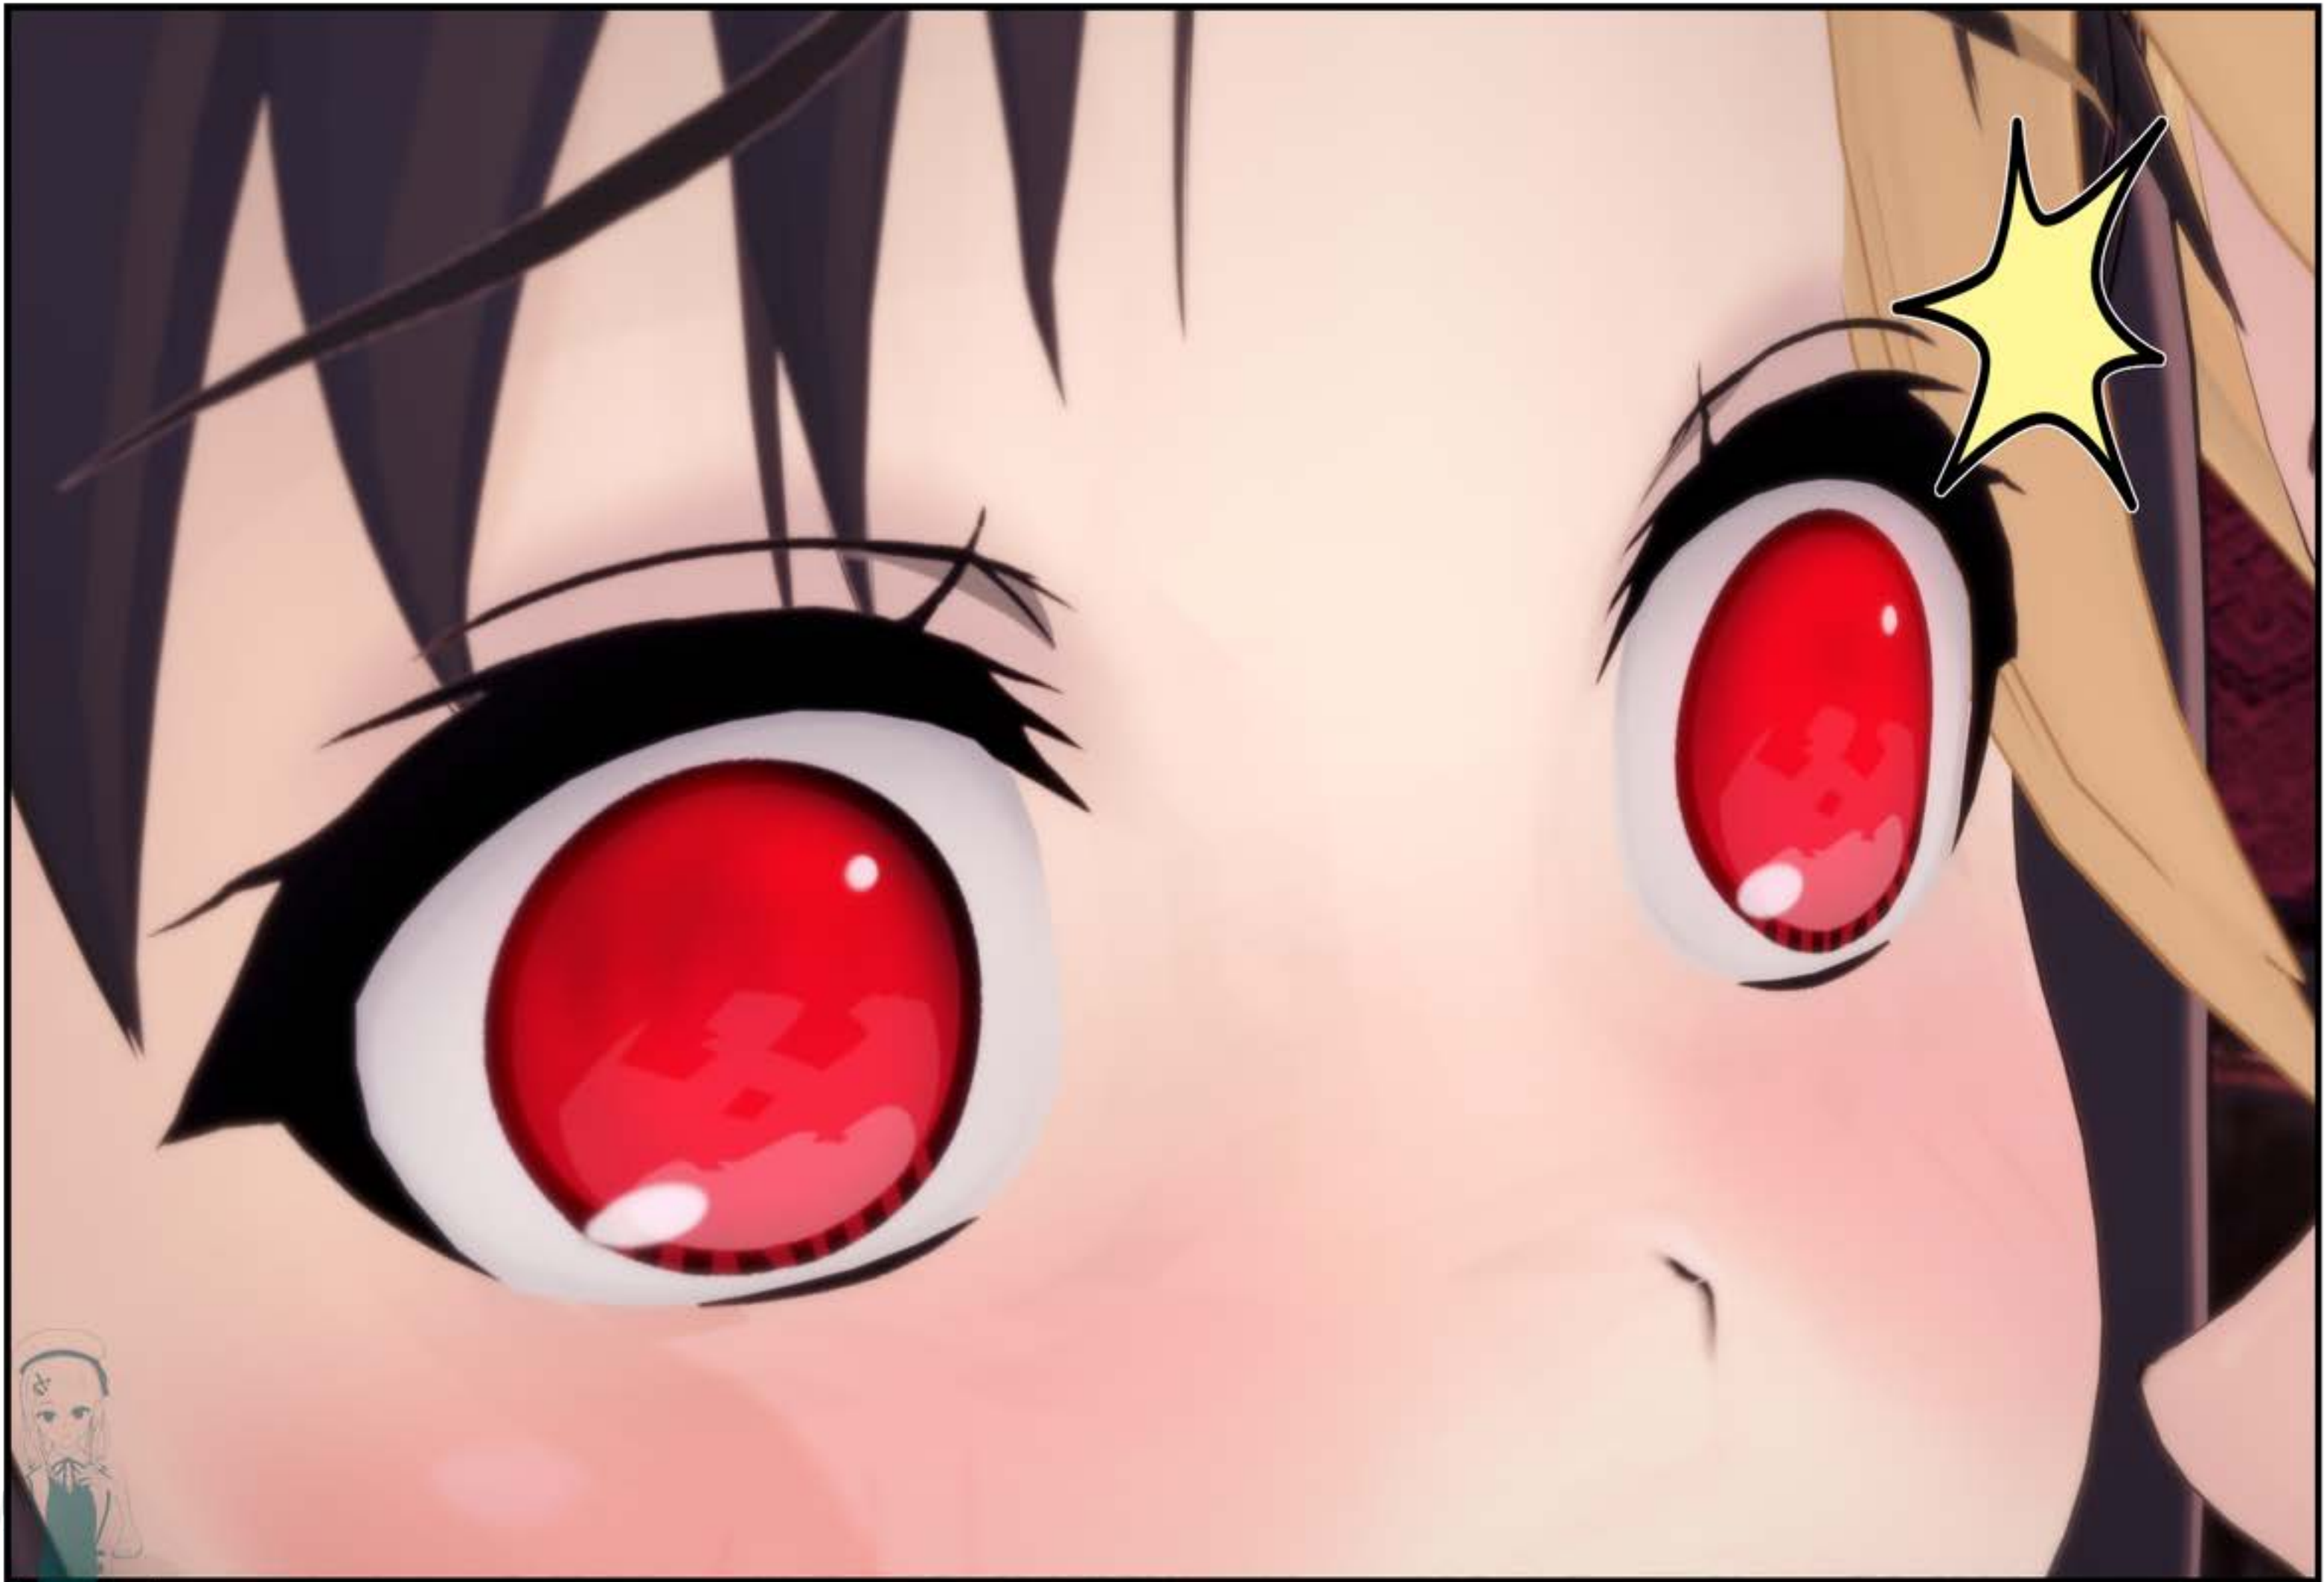

It is what needed for the spell to start, Miss Kaguya.

And also, how to
kiss someone
aggressively...

Ah... What are you talking...

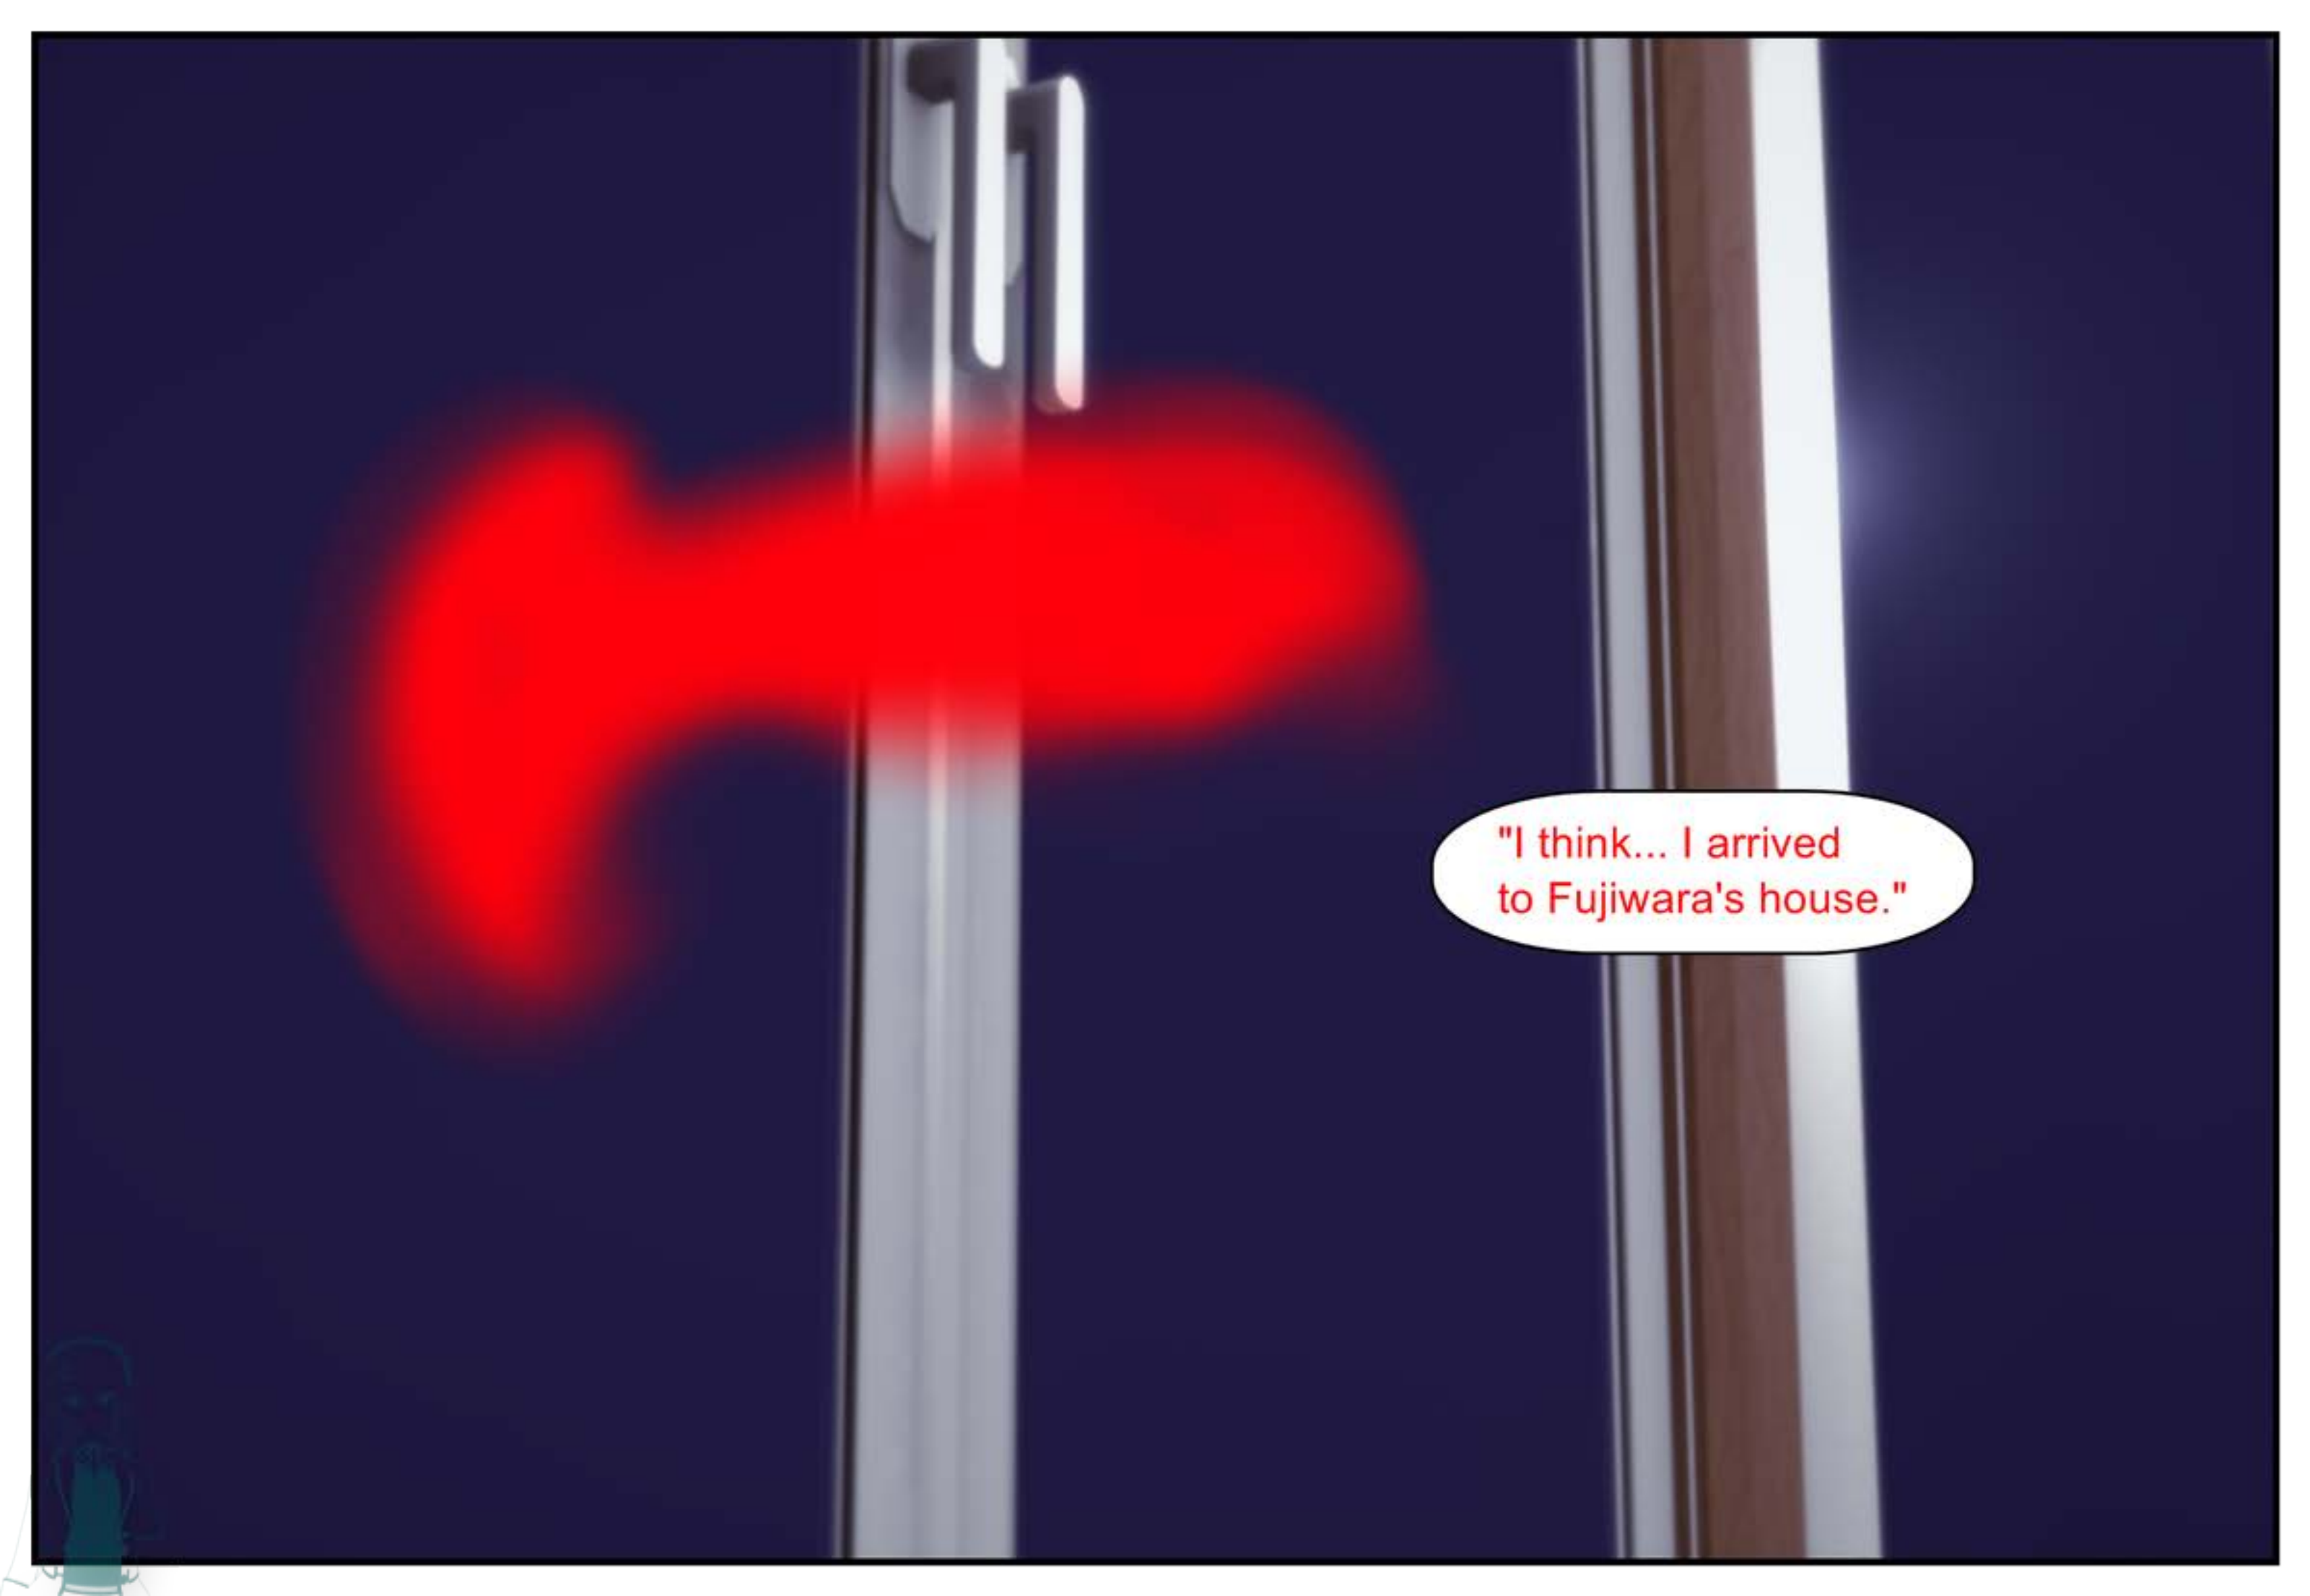

H-Hayasaka! I
can fly!!! Is that...
my body!?

Yes, now I will
explain to you
more about spirit.

"Until then, I need
to look after her
empty body."

A dark blue background with a blurry red light source in the center-left. A white door handle is visible at the top center. A white oval speech bubble is on the right side.

"I think... I arrived
to Fujiwara's house."

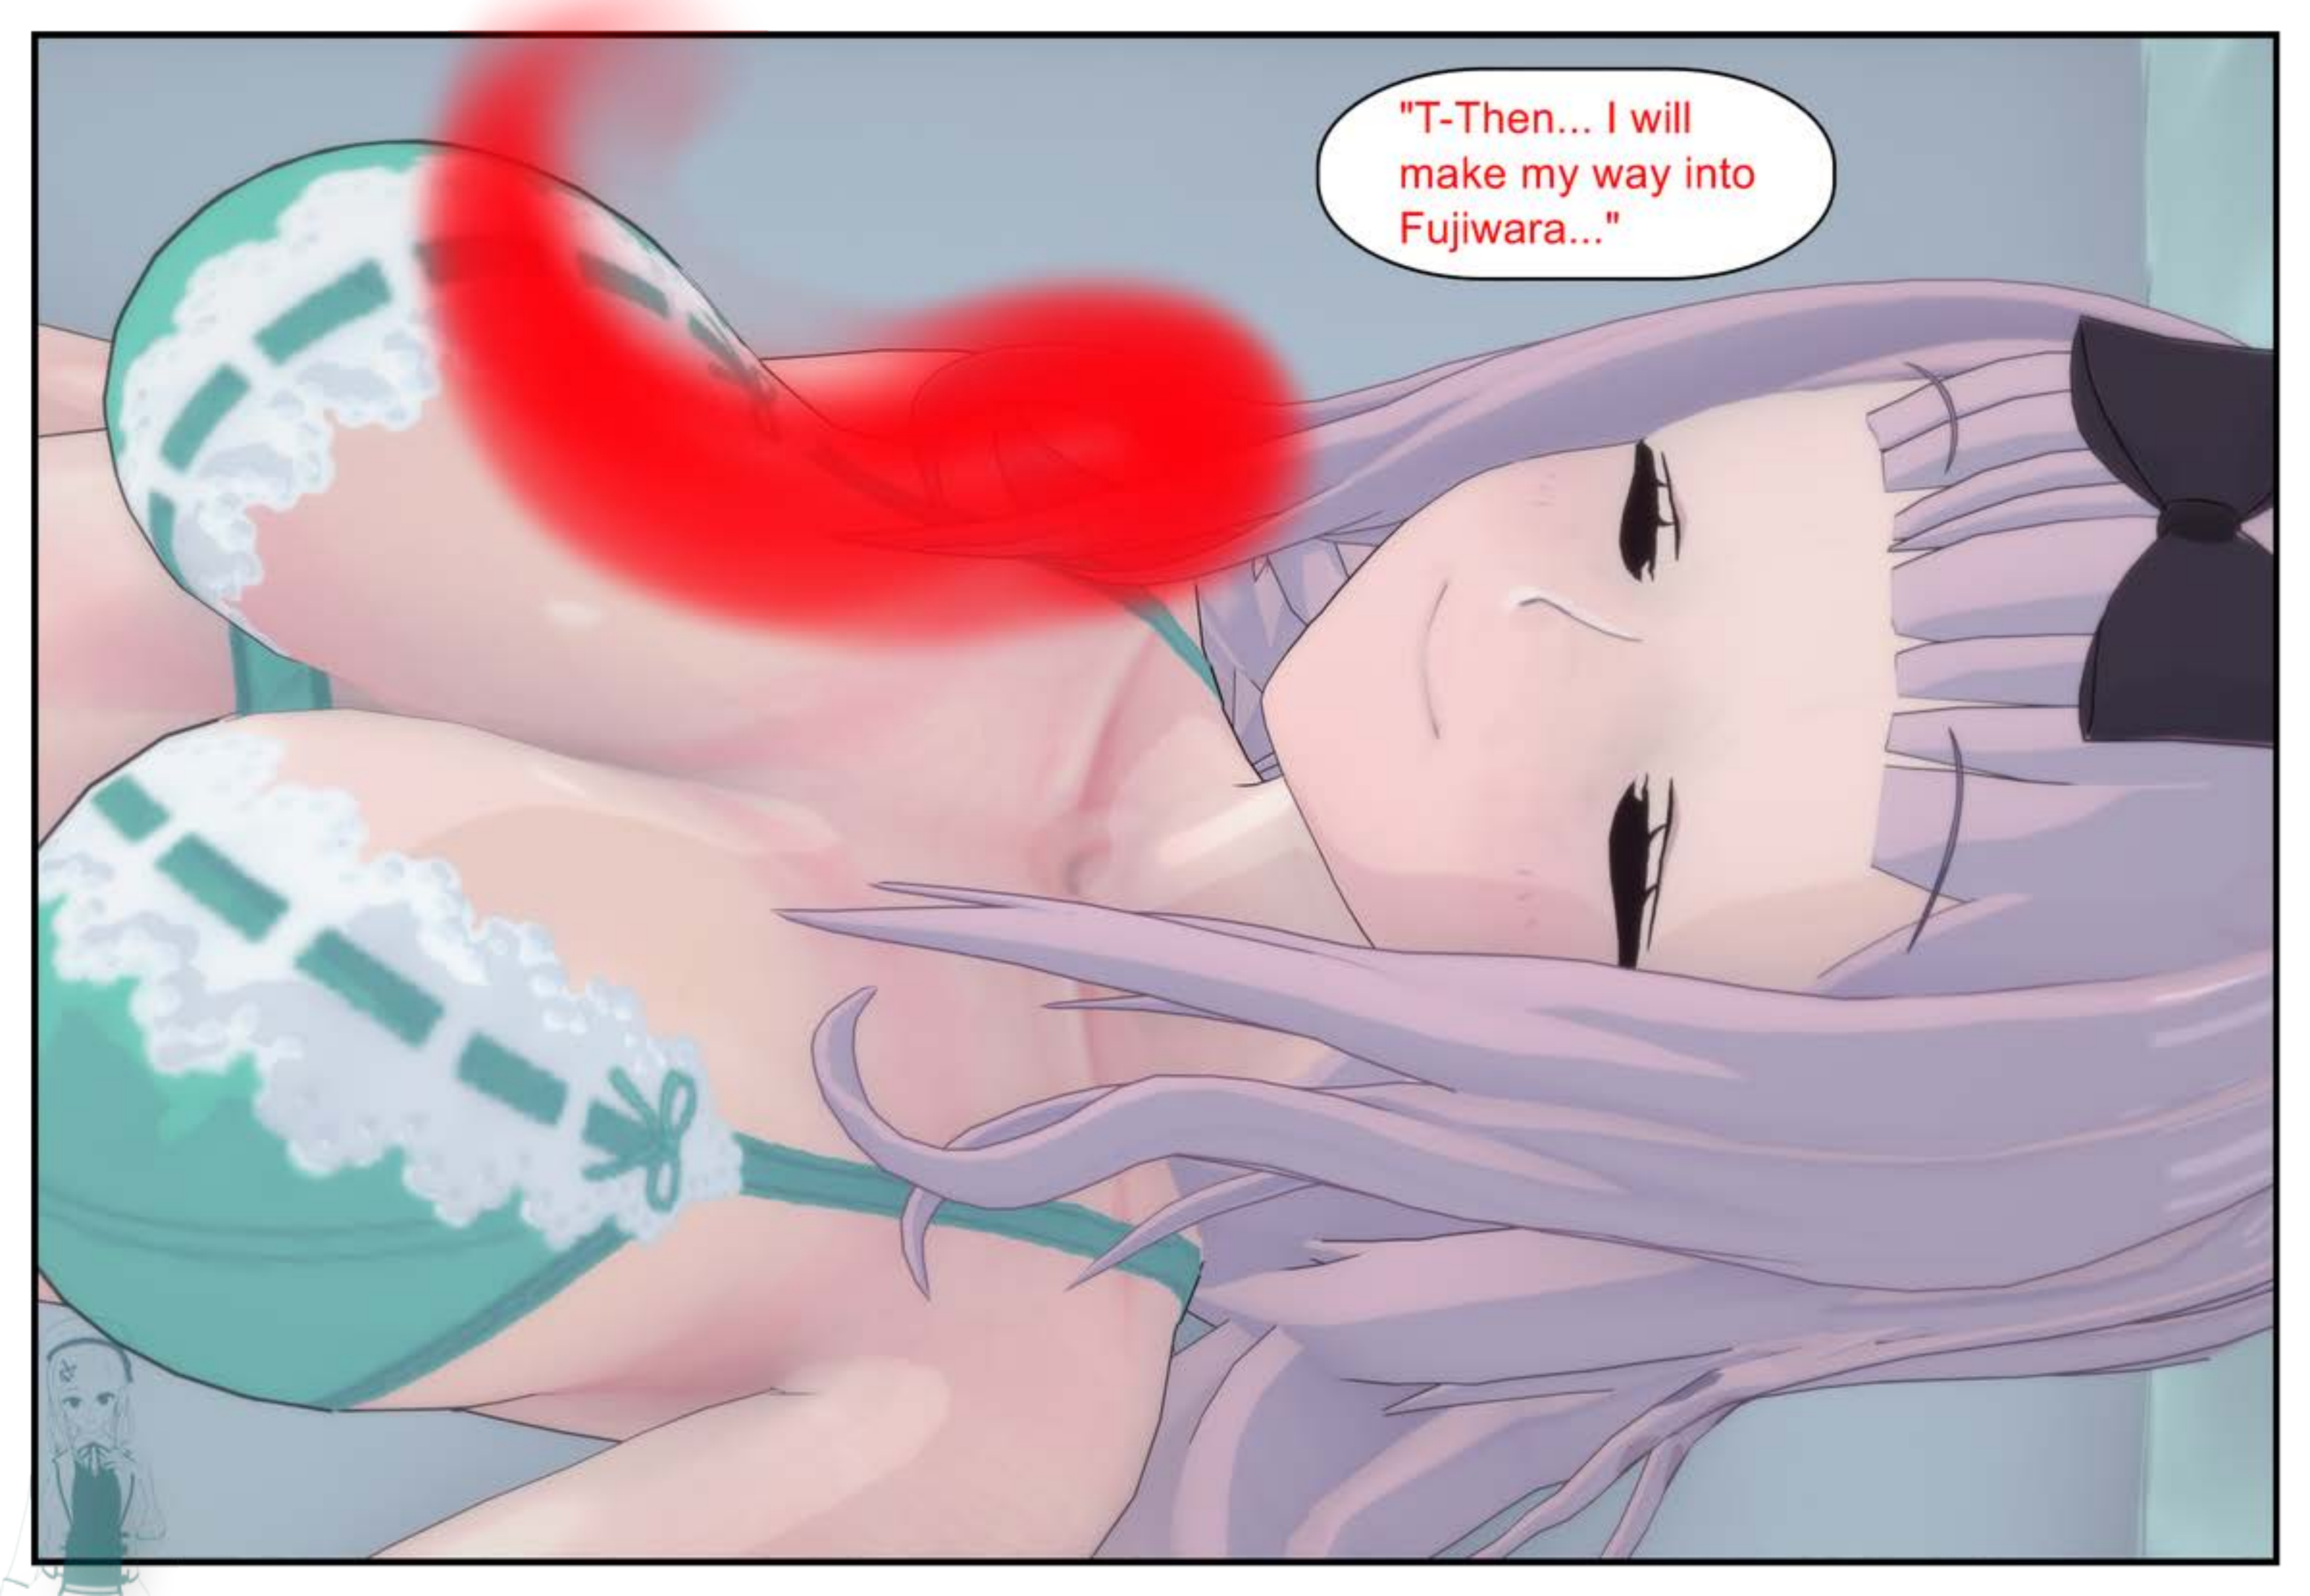

"It's not very good of me to intrude in someone's home..."

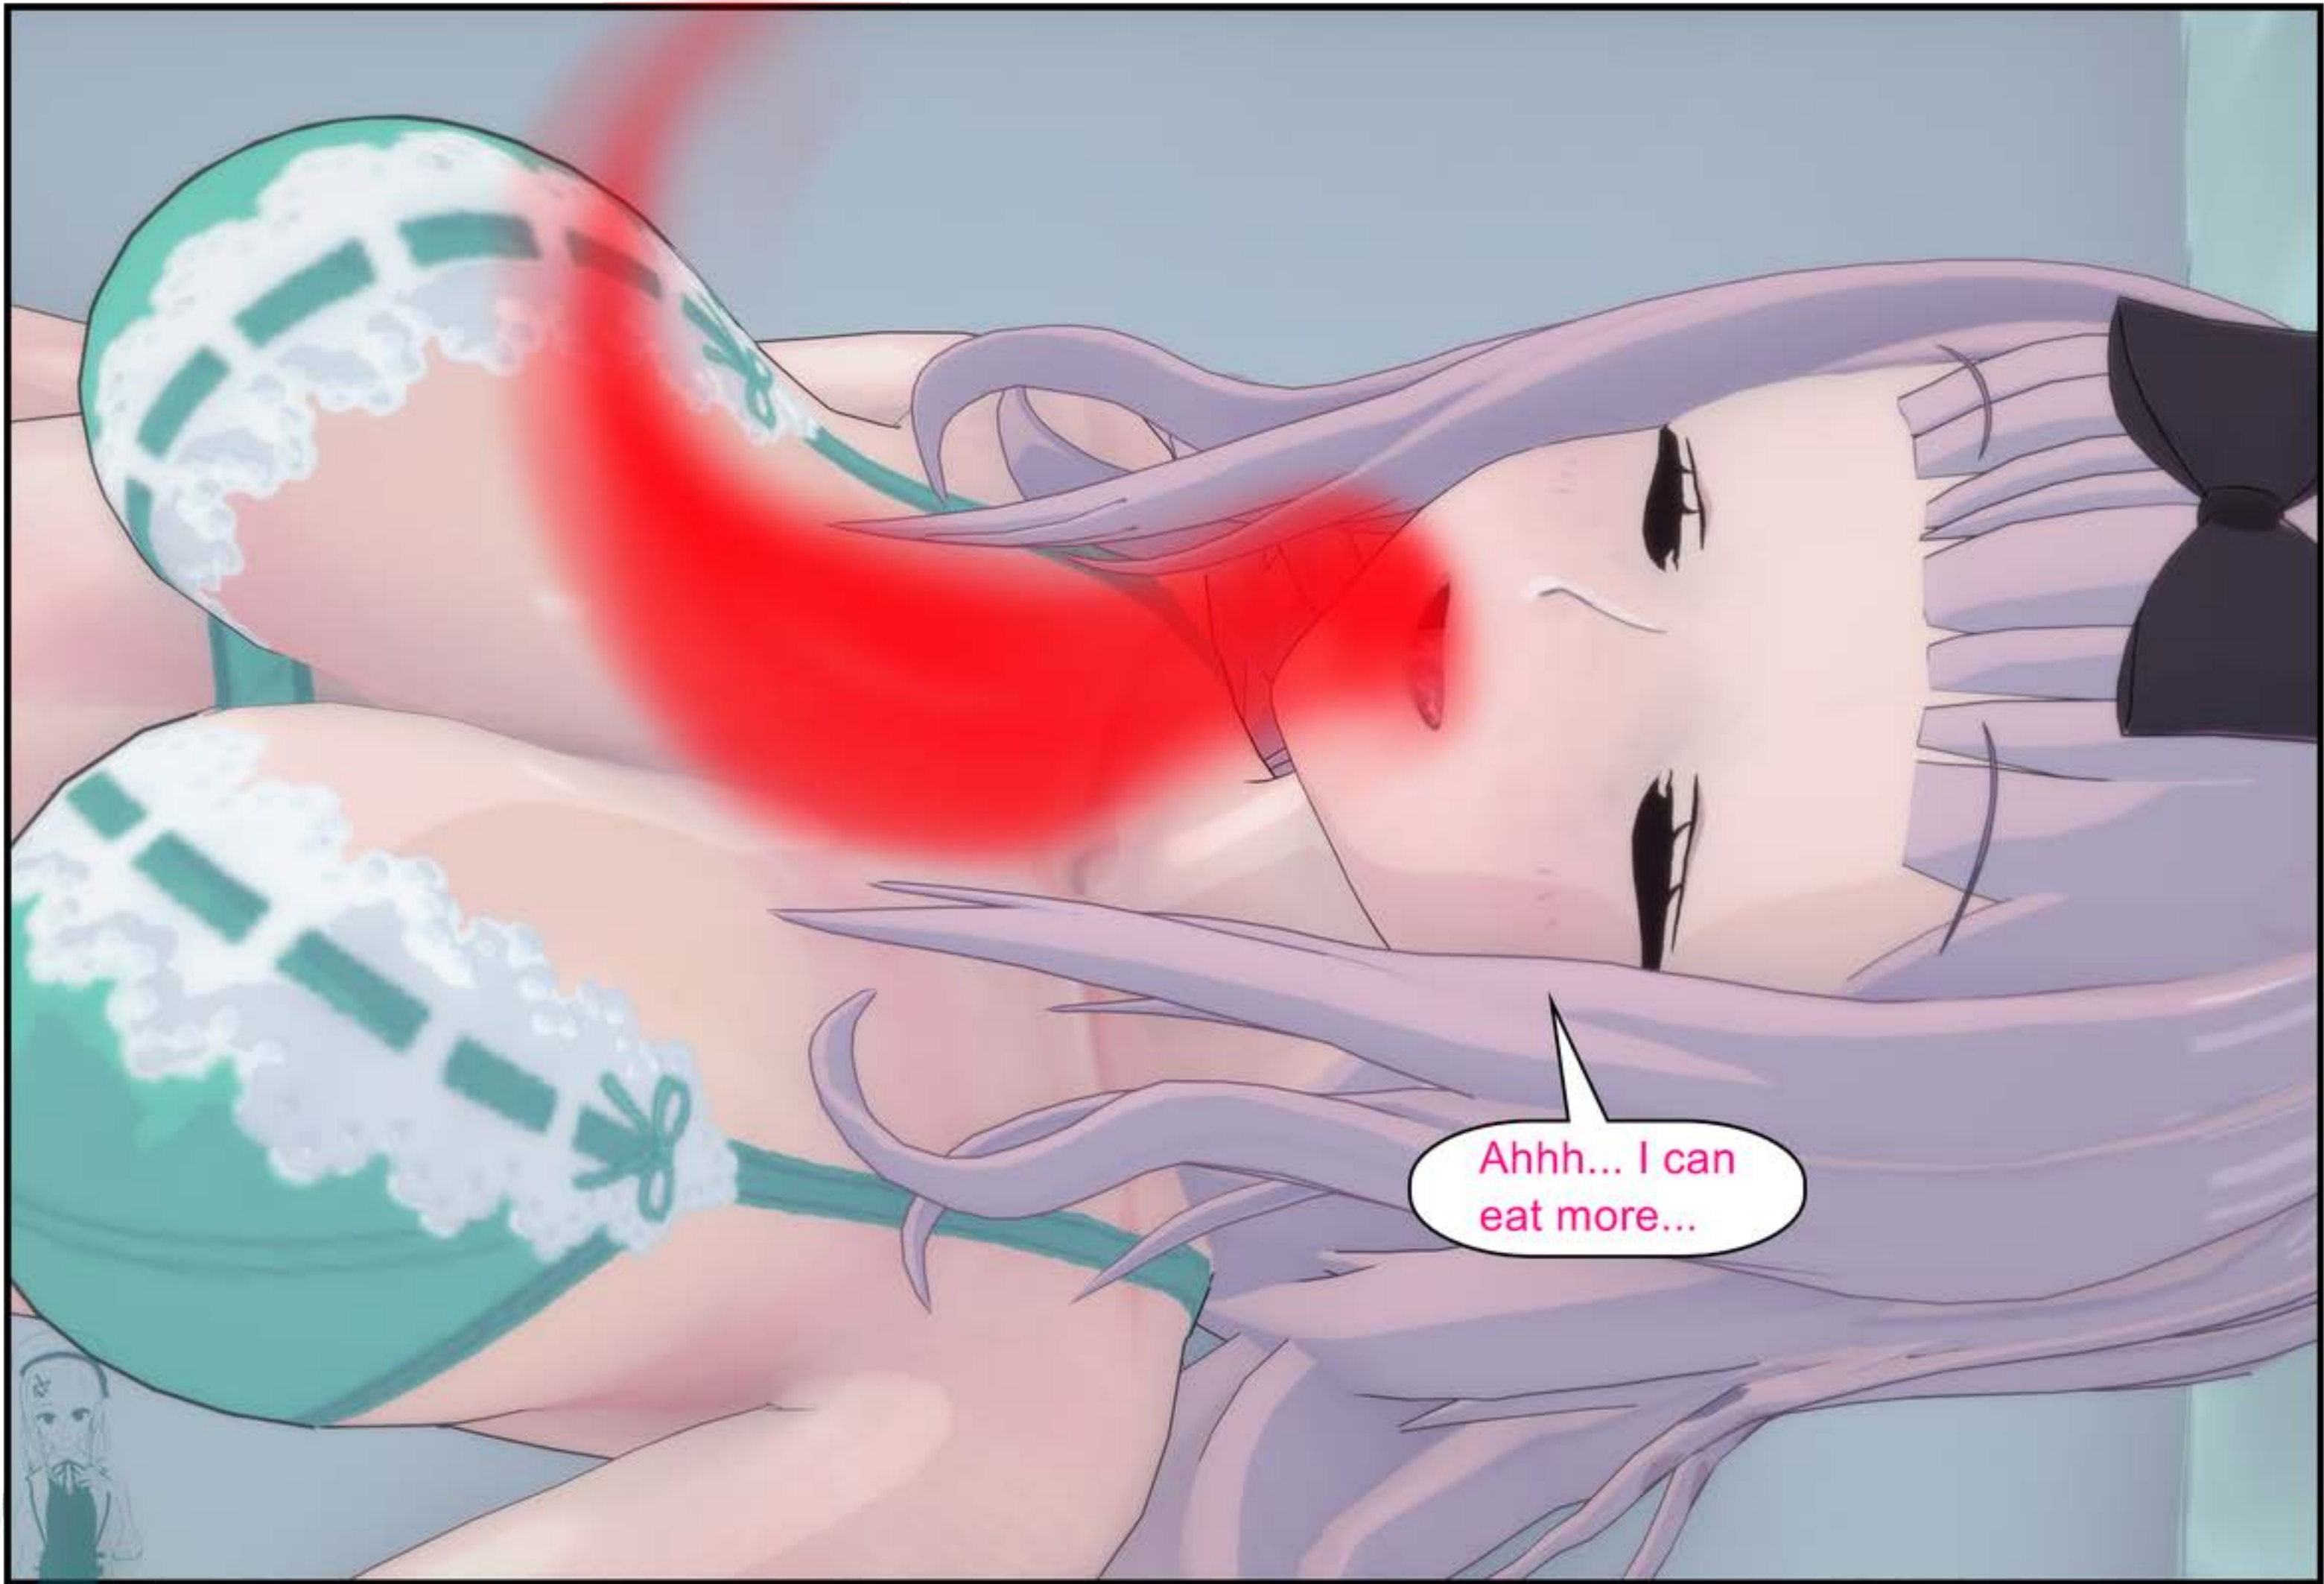

"If no one realize...
I should be fine. right?"

"T-Then... I will
make my way into
Fujiwara..."

Ahhh... I can eat more...

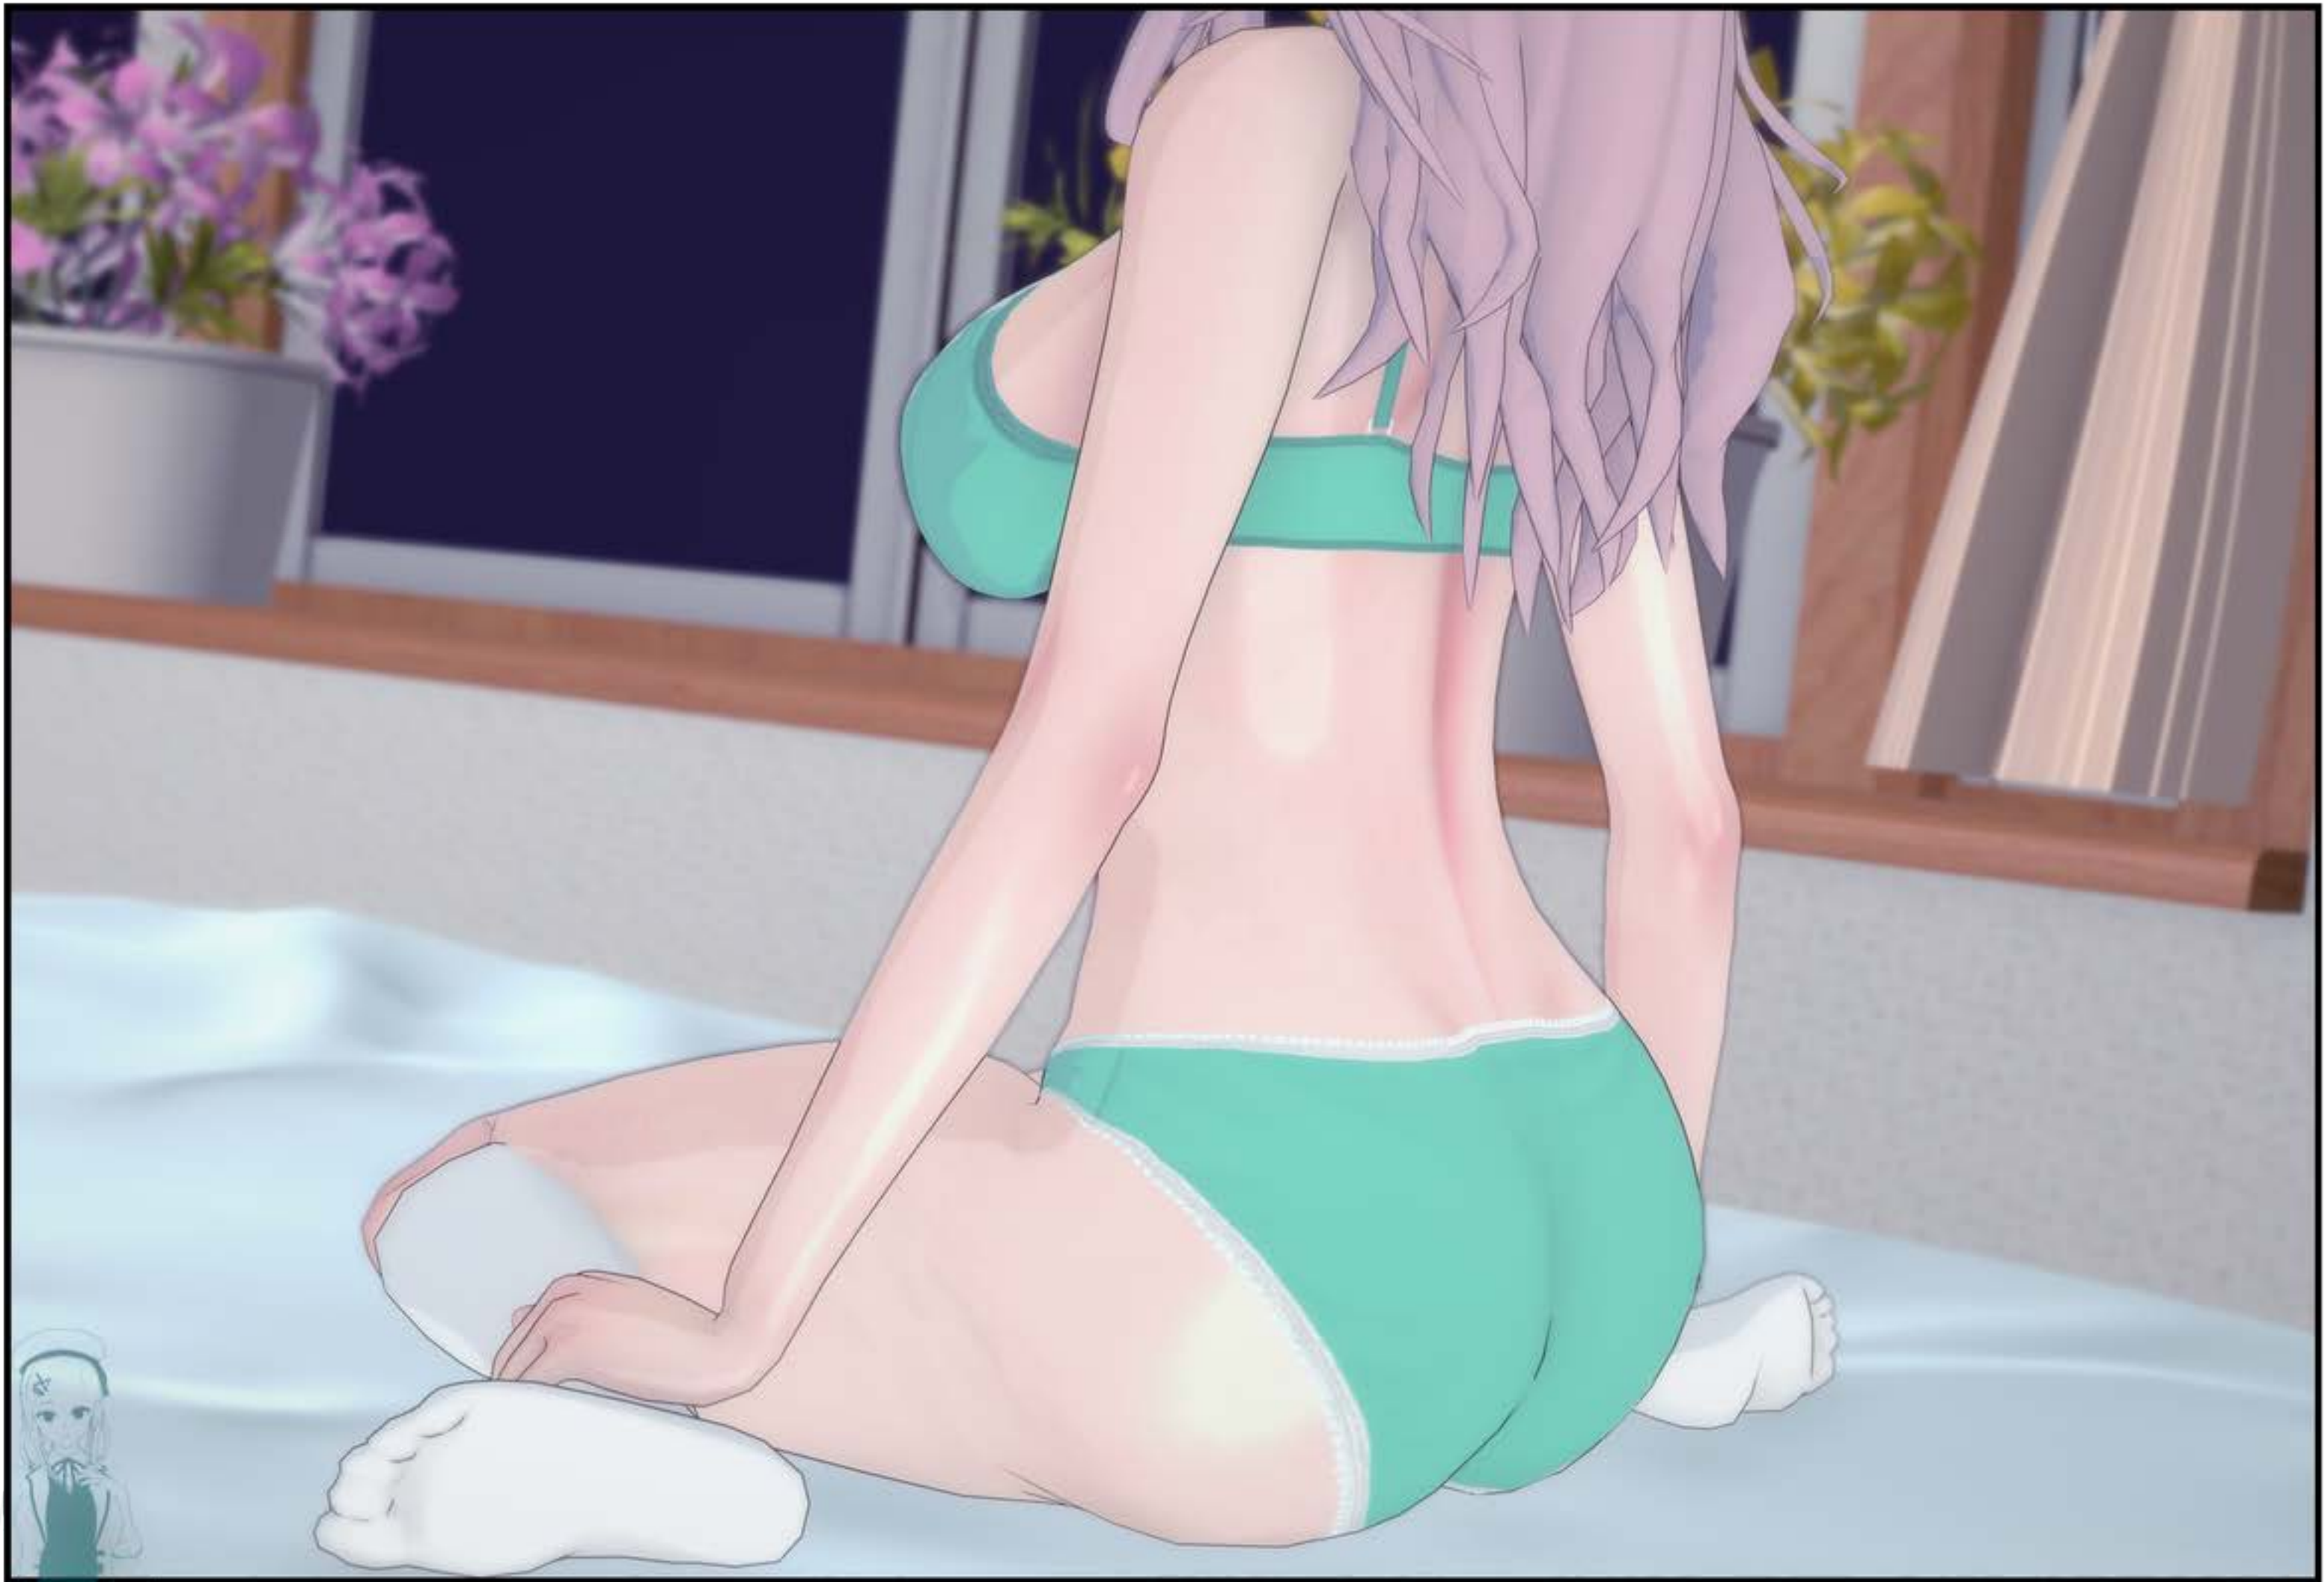

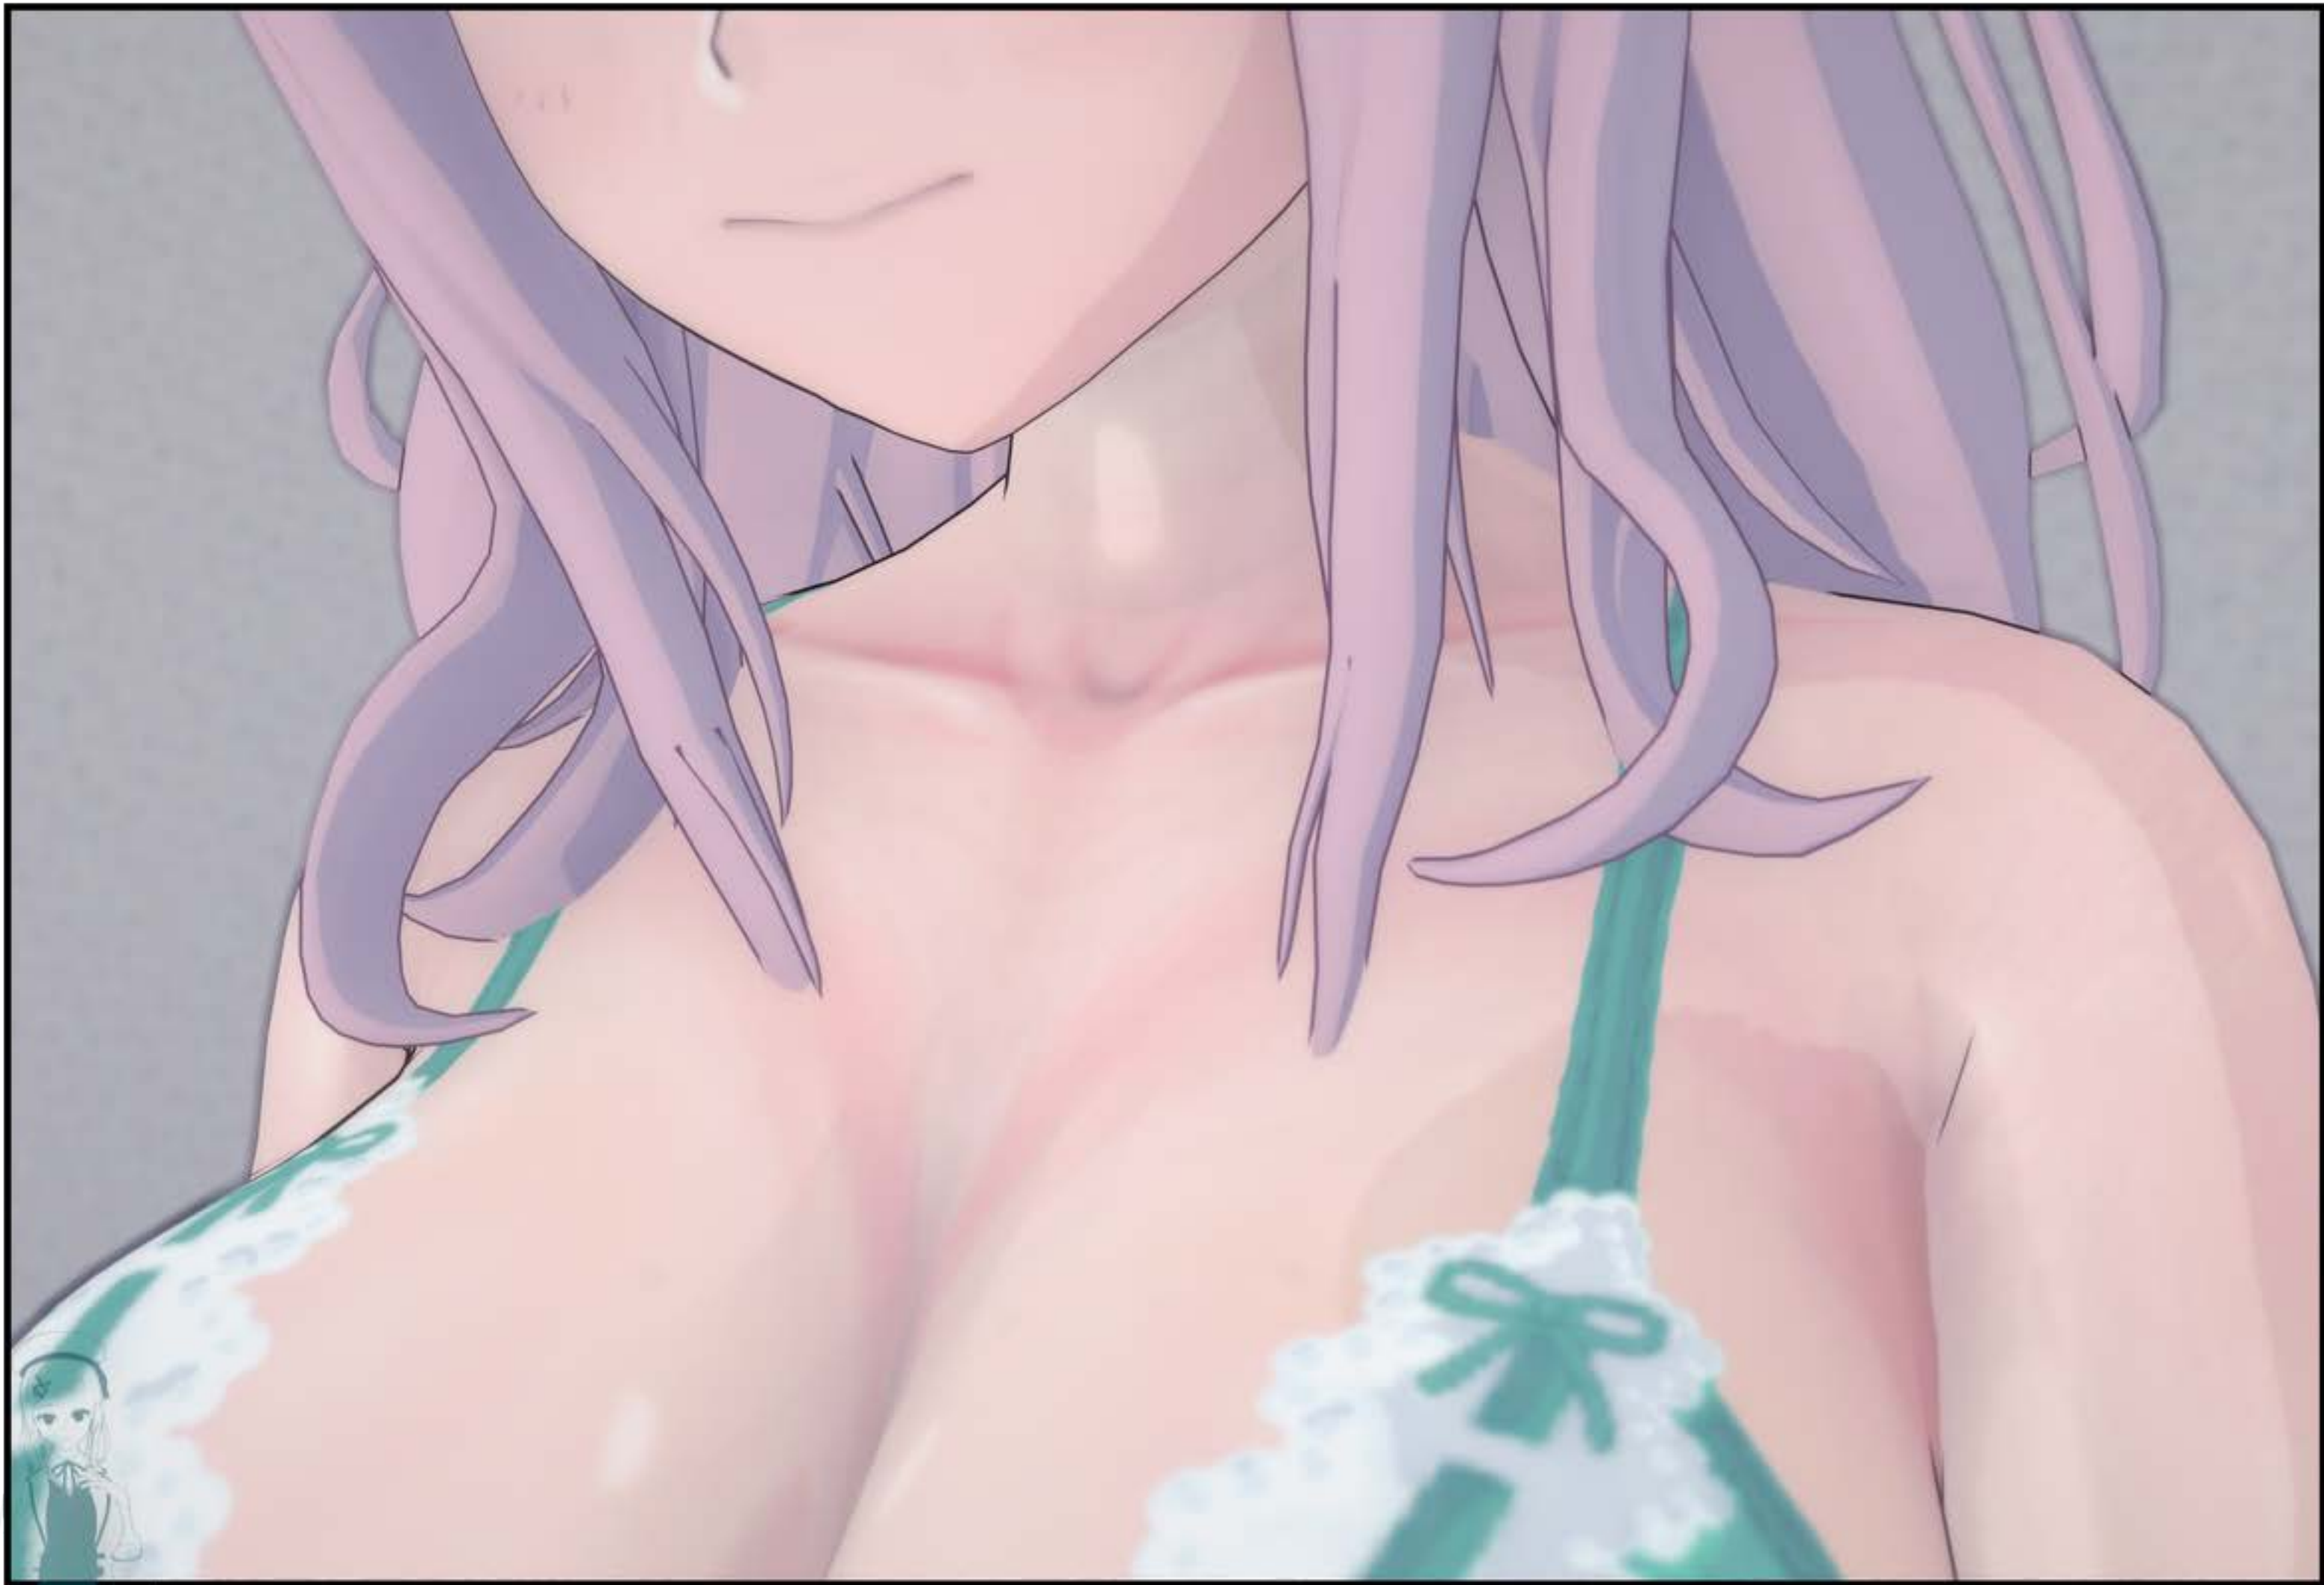

"I actually...
possessed Fujiwara's
body..."

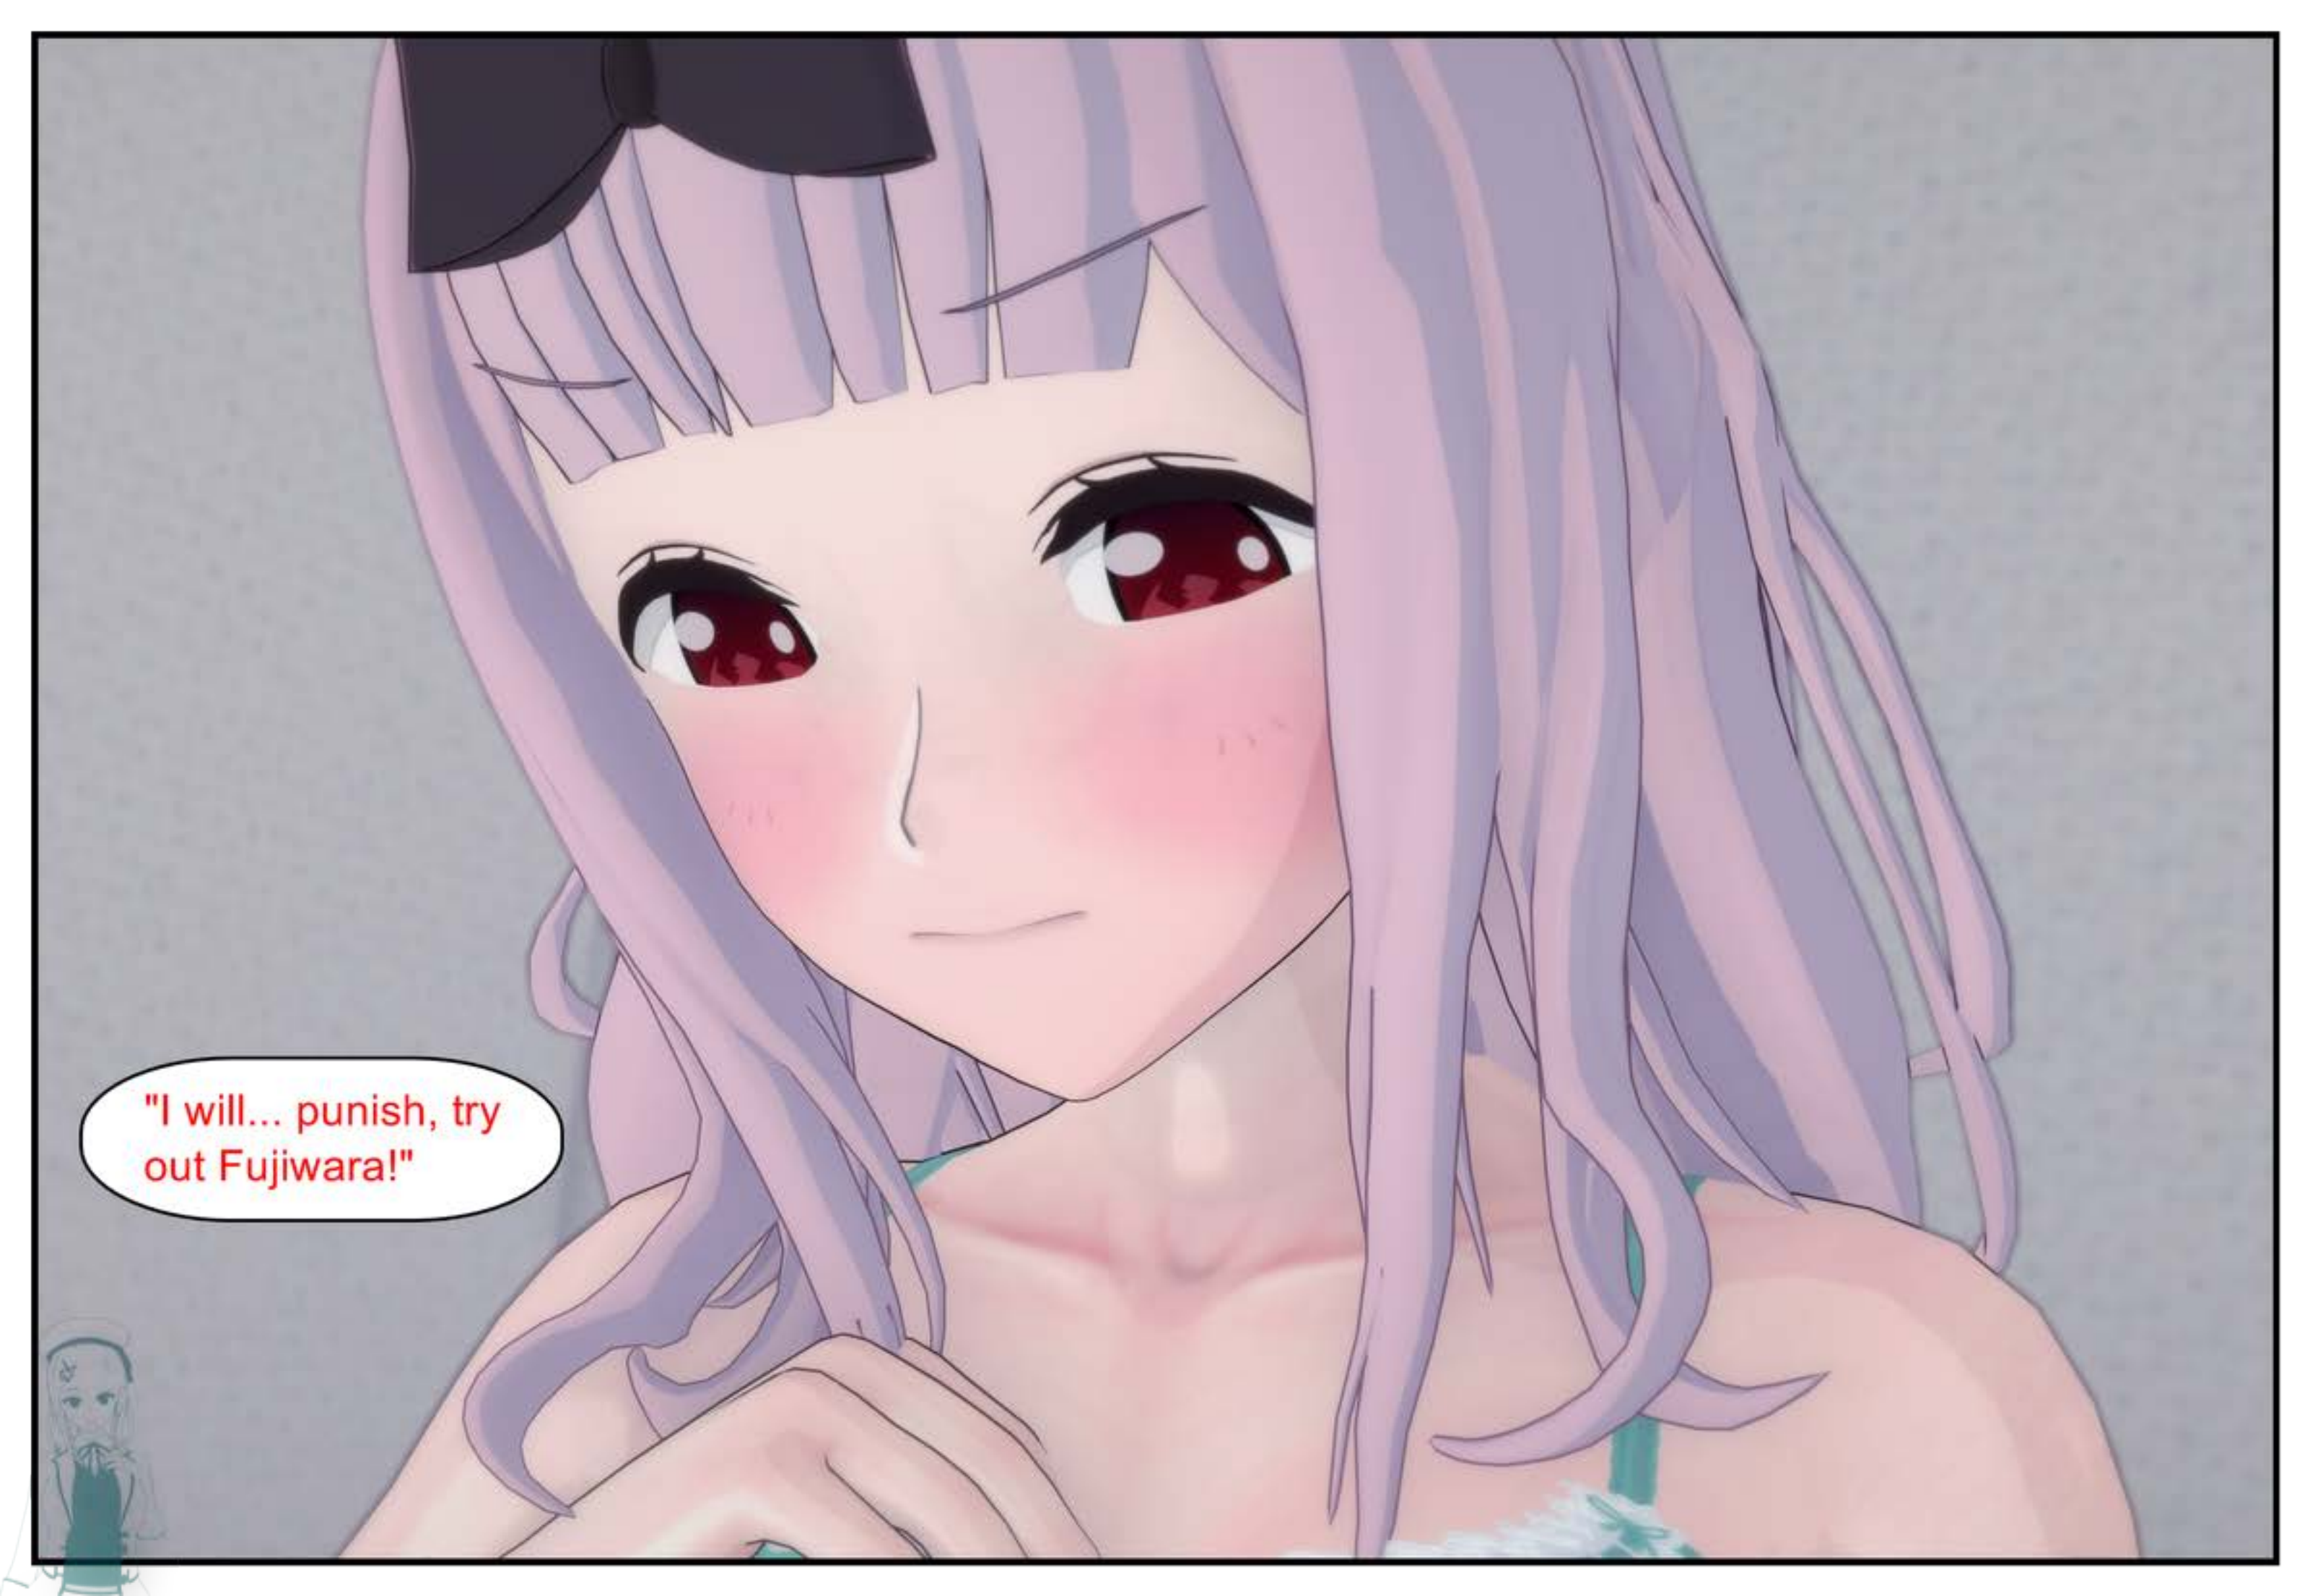

"But... what should I do now...?"

"I will... punish, try
out Fujiwara!"

"The pose that...
Hayasaka taught me..."

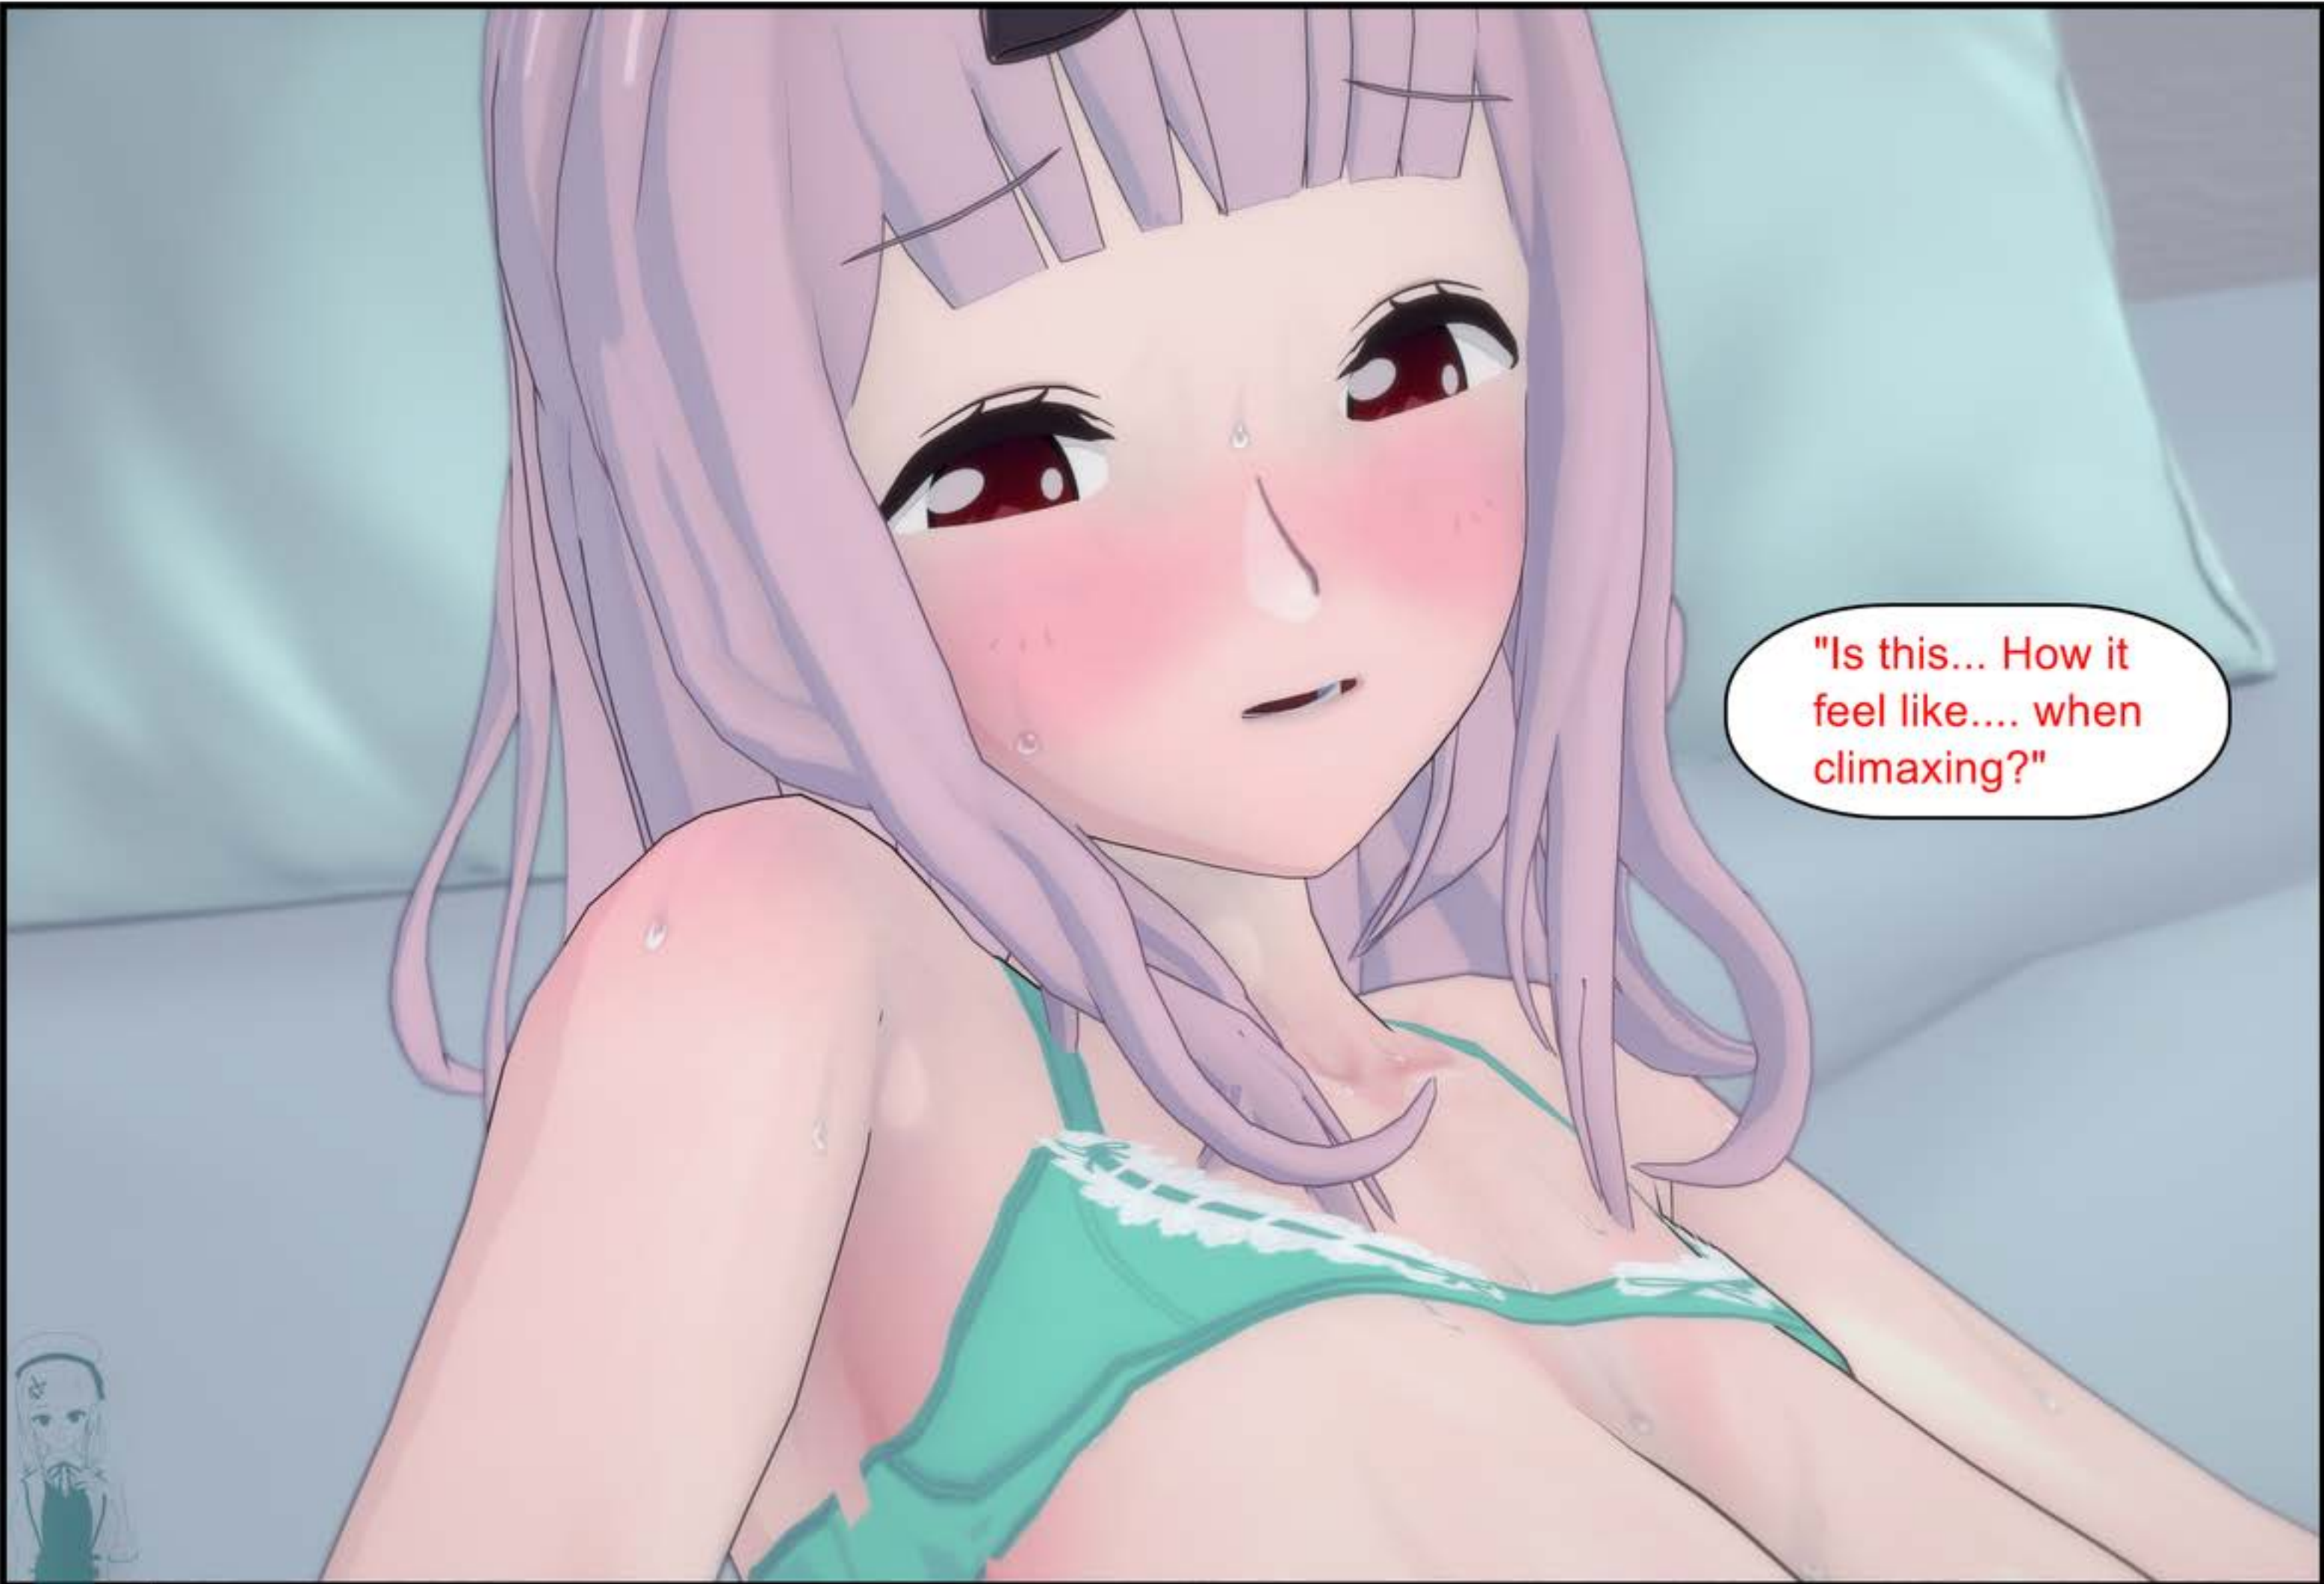

"Is this... How it
feel like.... when
climaxing?"

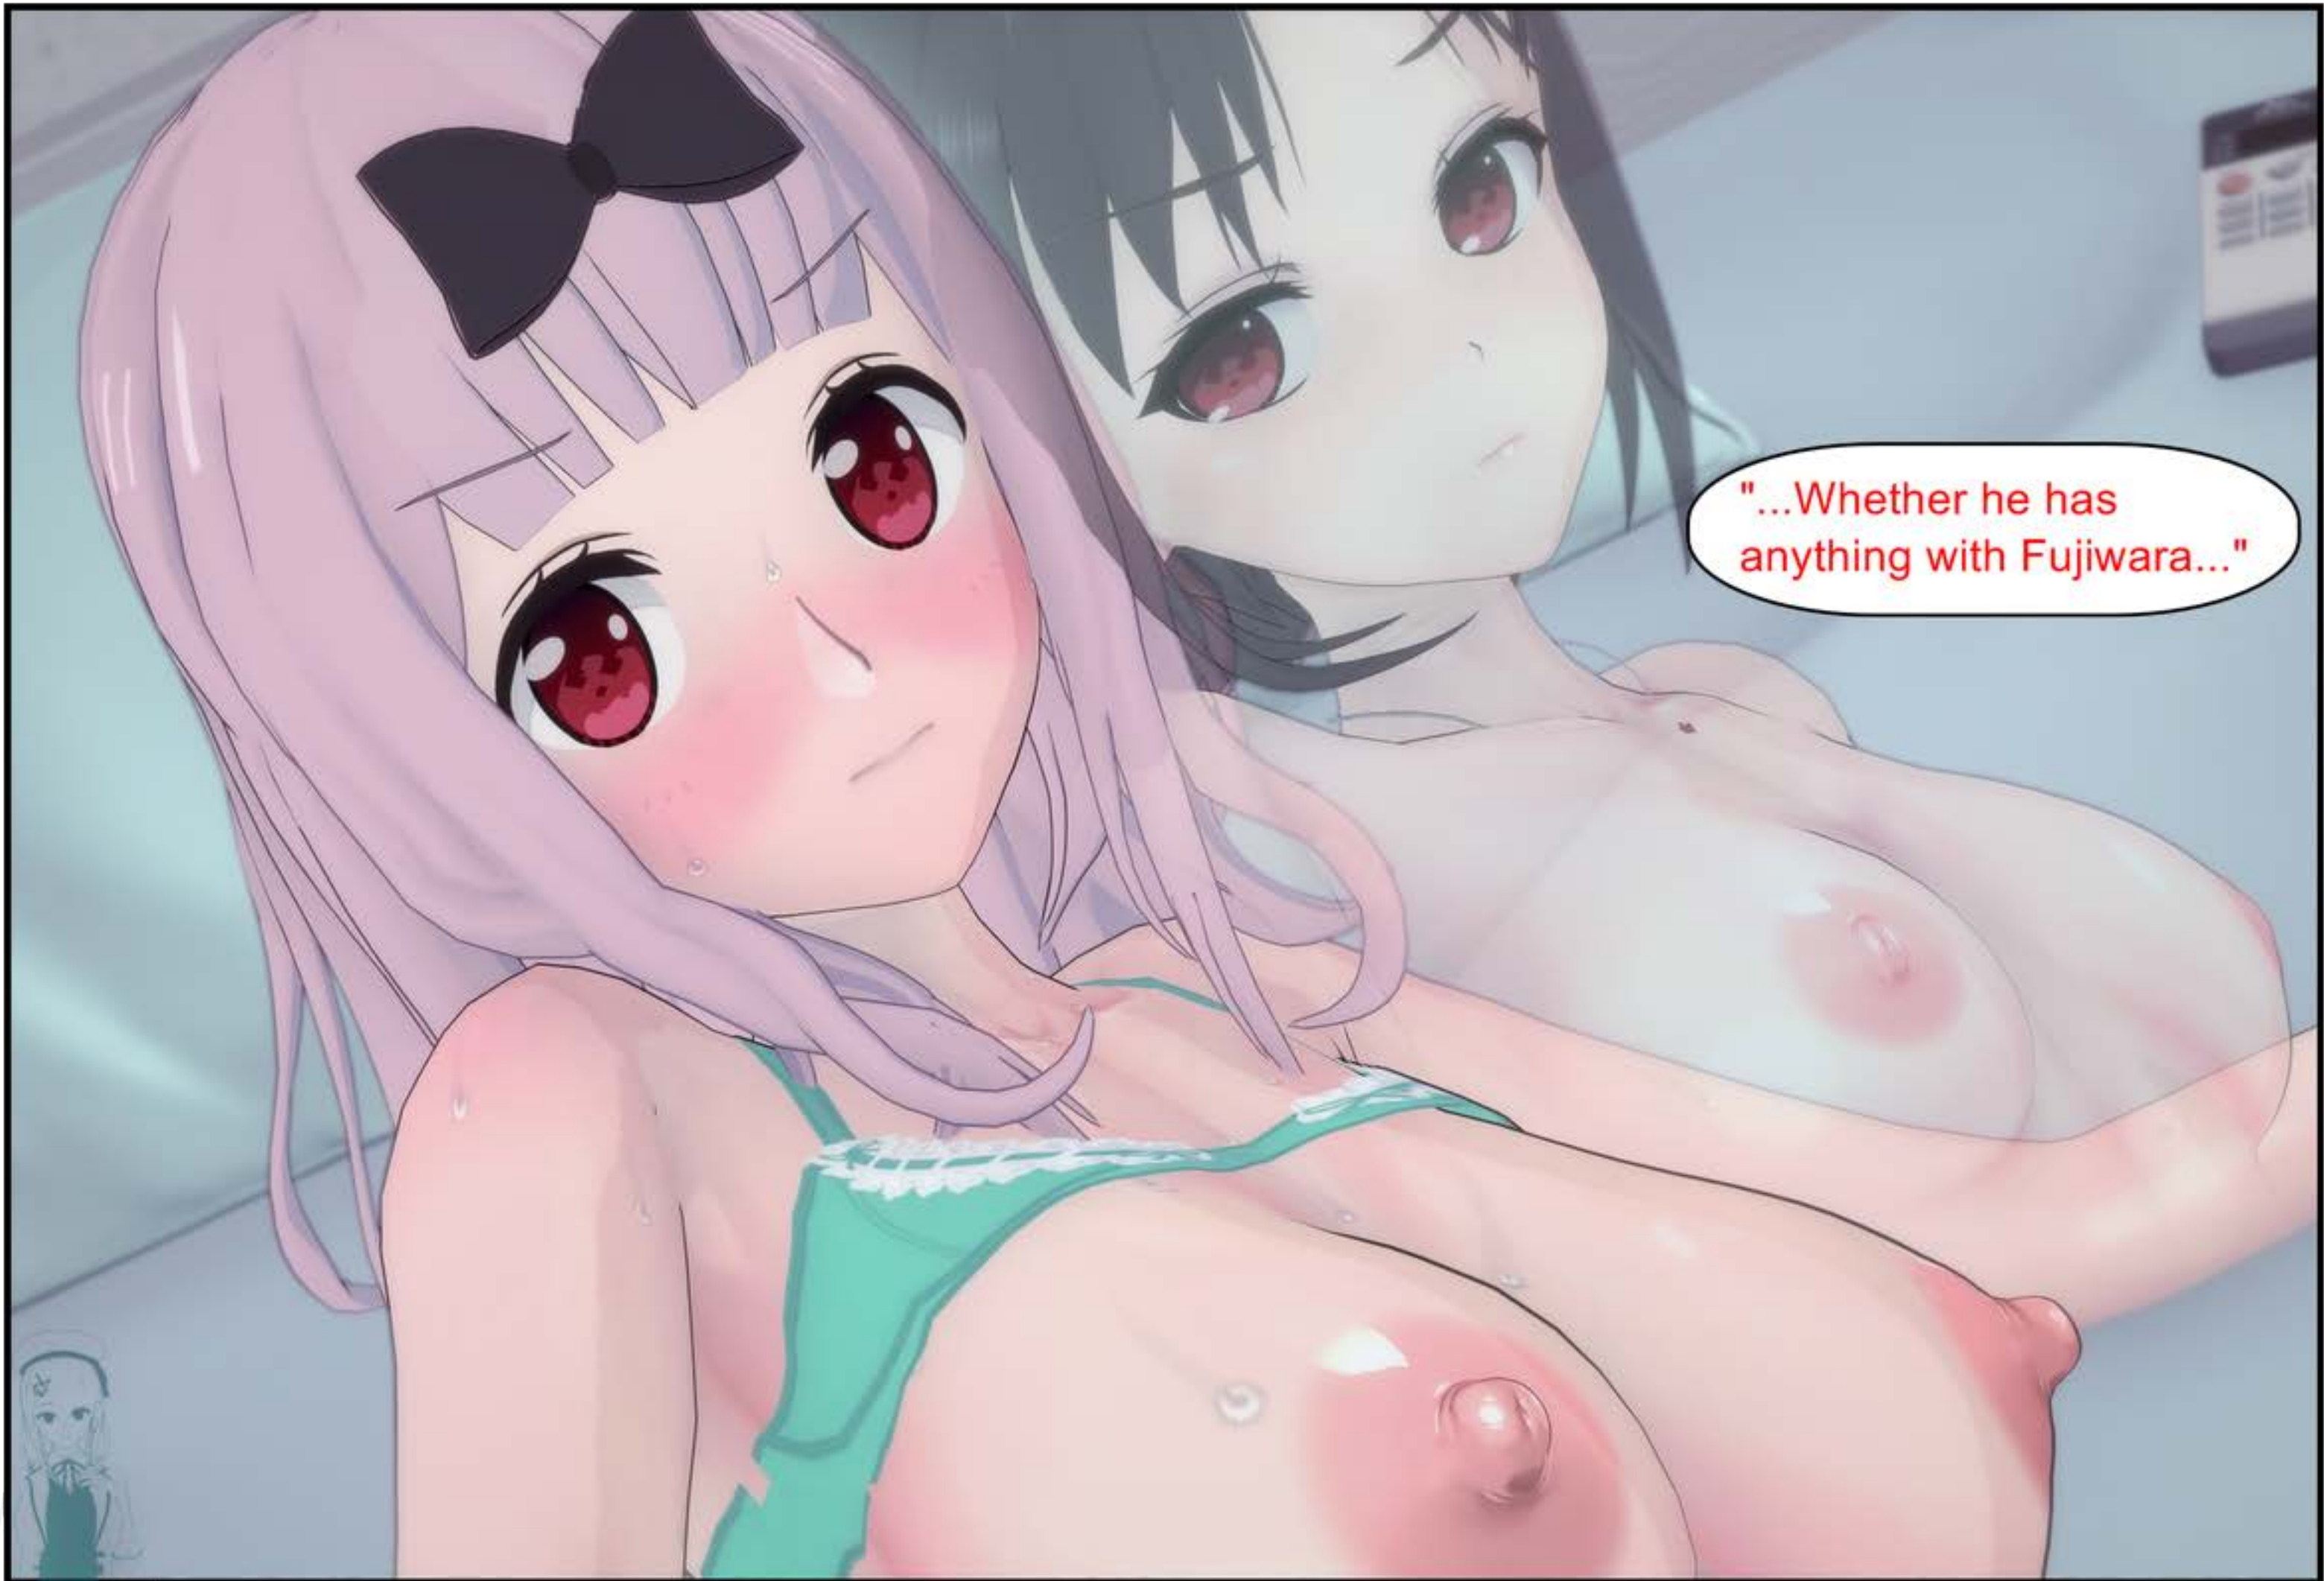

"Ah... Her body is twitching also..."

"Tomorrow is Christmas,
and I will come to see
Miyuki face to face..."

"...Whether he has anything with Fujiwara..."

Christmas Eve...

"Everyone seem to be very busy now..."

"What should I talk
to Miyuki if he was here?"

These are...

...Presents...?

Ah... Fujiwara, those are from the Principal of Shuuchin.

He bought those base
on the Student's Council
Members Hobby...

"How did that old
man know what
we wanted!?"

By the way, I think I got a hang of what you taught me yesterday.

"E-Eh...?"

A close-up illustration of a character's face, focusing on their wide, red eyes. The character has light skin and long, straight, light purple hair. The eyes are large and filled with a dark red color, with white highlights. The character's mouth is slightly open, and their expression is one of intense emotion or realization. Two speech bubbles are positioned to the right of the face.

I know that express
our love and give the
present to someone
on Christmas...

"Fujiwara... didn't...
with Miyuki..."

Okay, let's try it
one more time to
make sure, Fujiwara!

Fuji... wara...?

What should I do,
Hayasaka? I was
thinking too much...

M-Maybe... it was
my jealousy...

Ah... How shame of me... I even made fun out of Fujiwara...

I told you so...
You know President
better than anyone...

At first, I was shock
when heard you
said about this.

But seem like...
my instinct was right.

I think that Fujiwara
don't remember any
after being possessed...
So you still have chance.

I don't think I can...
I just... ran away from him.

Miss Kaguya! Stop
being nonsense and
look at my eyes!

If you actually love Shirogane, then you have to face him all by yourself!

Talk to him as nothing has happened. Can you do it?

Oh wait... My original body still at home, right?

So? You can tell him to meet elsewhere later on.

That wouldn't like
the usual Fujiwara
at all, Hayasaka...

M-Miss Kaguya...!?

"Fujiwara acted pretty weird... Also, I can't contact Shinomiya..."

Shirogane...

H-Hayasaka...?
What are you
doing here?

I would like to give
you Miss Kaguya's
message...

She said that...
she won't be here
this Christmas.

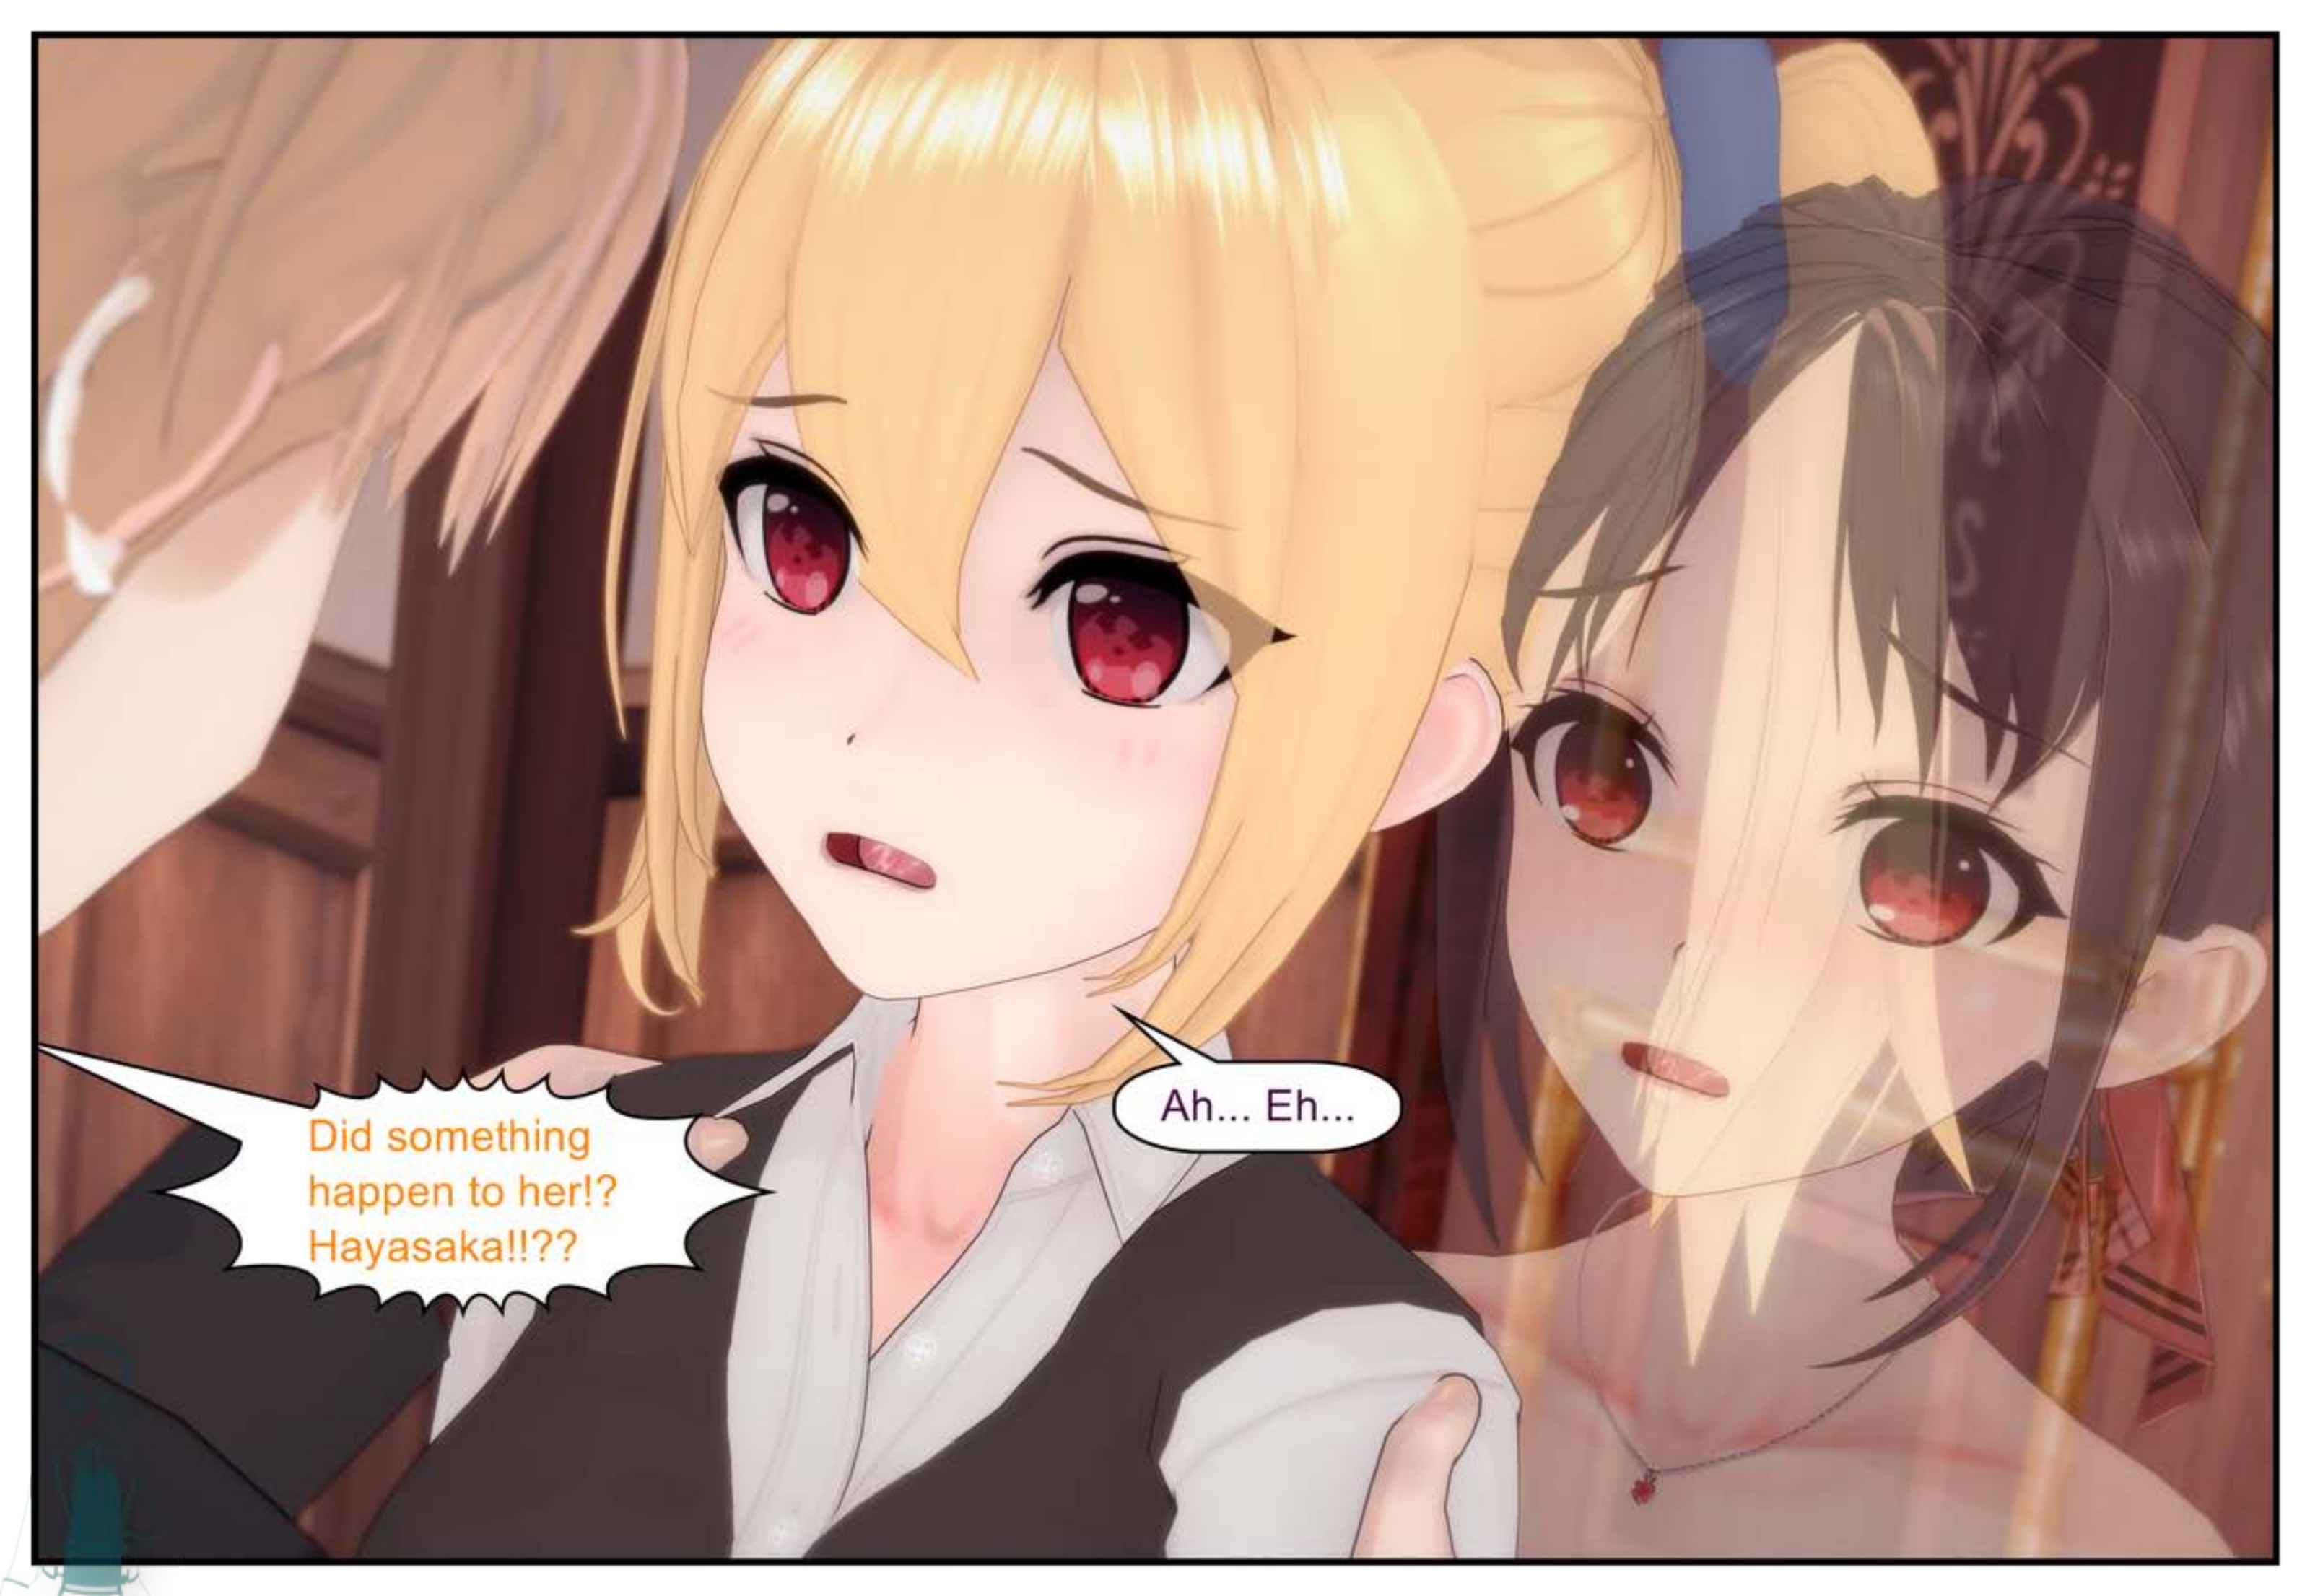

Also, she wished
you a...

Tell me, Hayasaka!
Where is Kaguya!?
Is she doing alright!?

Did something
happen to her!?
Hayasaka!!??

Ah... Eh...

Don't keep silent like that! Please... tell me where is Kaguya?

A-At... the park...

Kaguya wanted to
meet you at the
central park at midnight...

Thank you, Hayasaka!
Tell her to wait for me!

Is this the part
where "I told
you so"?

It because...
Miyuki was
too close...

Well, we better get going now, Miss. Kaguya.

Don't keep him waiting or seeing us like this...

What are you waiting for, Miss Kaguya?

Oh... okay. Don't rush me...

I will never let you
have that possession
spell again, Miss. Kaguya.

Ahaha... I was
just... borrowing
you a bit to...

That is not for you.
Since it made you became
depend on using others.

I'm sorry... about
the afternoon,
Hayasaka...

I'm really mad, but
I can't blame you.

We shouldn't talk about this anymore. I will prepare for you something nearby.

"Hayasaka seem to be very angry... It was all my fault..."

M-Miyuki!!!??

I'm sorry... for
letting you wait,
Kaguya.

I-It hasn't midnight yet so...

You made me worried a lot...

You didn't go to
the academy, or even
answered my calls.

I was afraid that...
something might have
happened to you.

If you have a problem,
you can share it to me
or anyone in the student
council, Kaguya.

Everyone was also
worried about you...

...So don't be quiet
anymore, Kaguya.
You have us.

I took a bit long...
because I made
this for you.

Fujiwara taught me
after all... I hope
you will like it, Kaguya.

Is it... a bit
too big for you?

No, not at all...

I feel... really warm.
Thank you, Miyuki.

So... do you want to stay here or allow me to take you home?

I want... us to stay here a bit longer...

I will be right back.
Please wait for me!

Uhm. I will.

"I didn't actually know what happened. But maybe everything is fine for now."

A short moment later...

"I'm glad that... Kaguya like my hand-made scarf for her present."

Miyuki... I apologize for making you waited.

It took me a bit...
to put these on.

Kaguya...!?

"I was surprised at first... Can't believe that Hayasaka prepared this for me."

This is nothing
to me, Miyuki...

This is not okay!
Although there's no
snow, it's in the middle
of Winter, Kaguya!

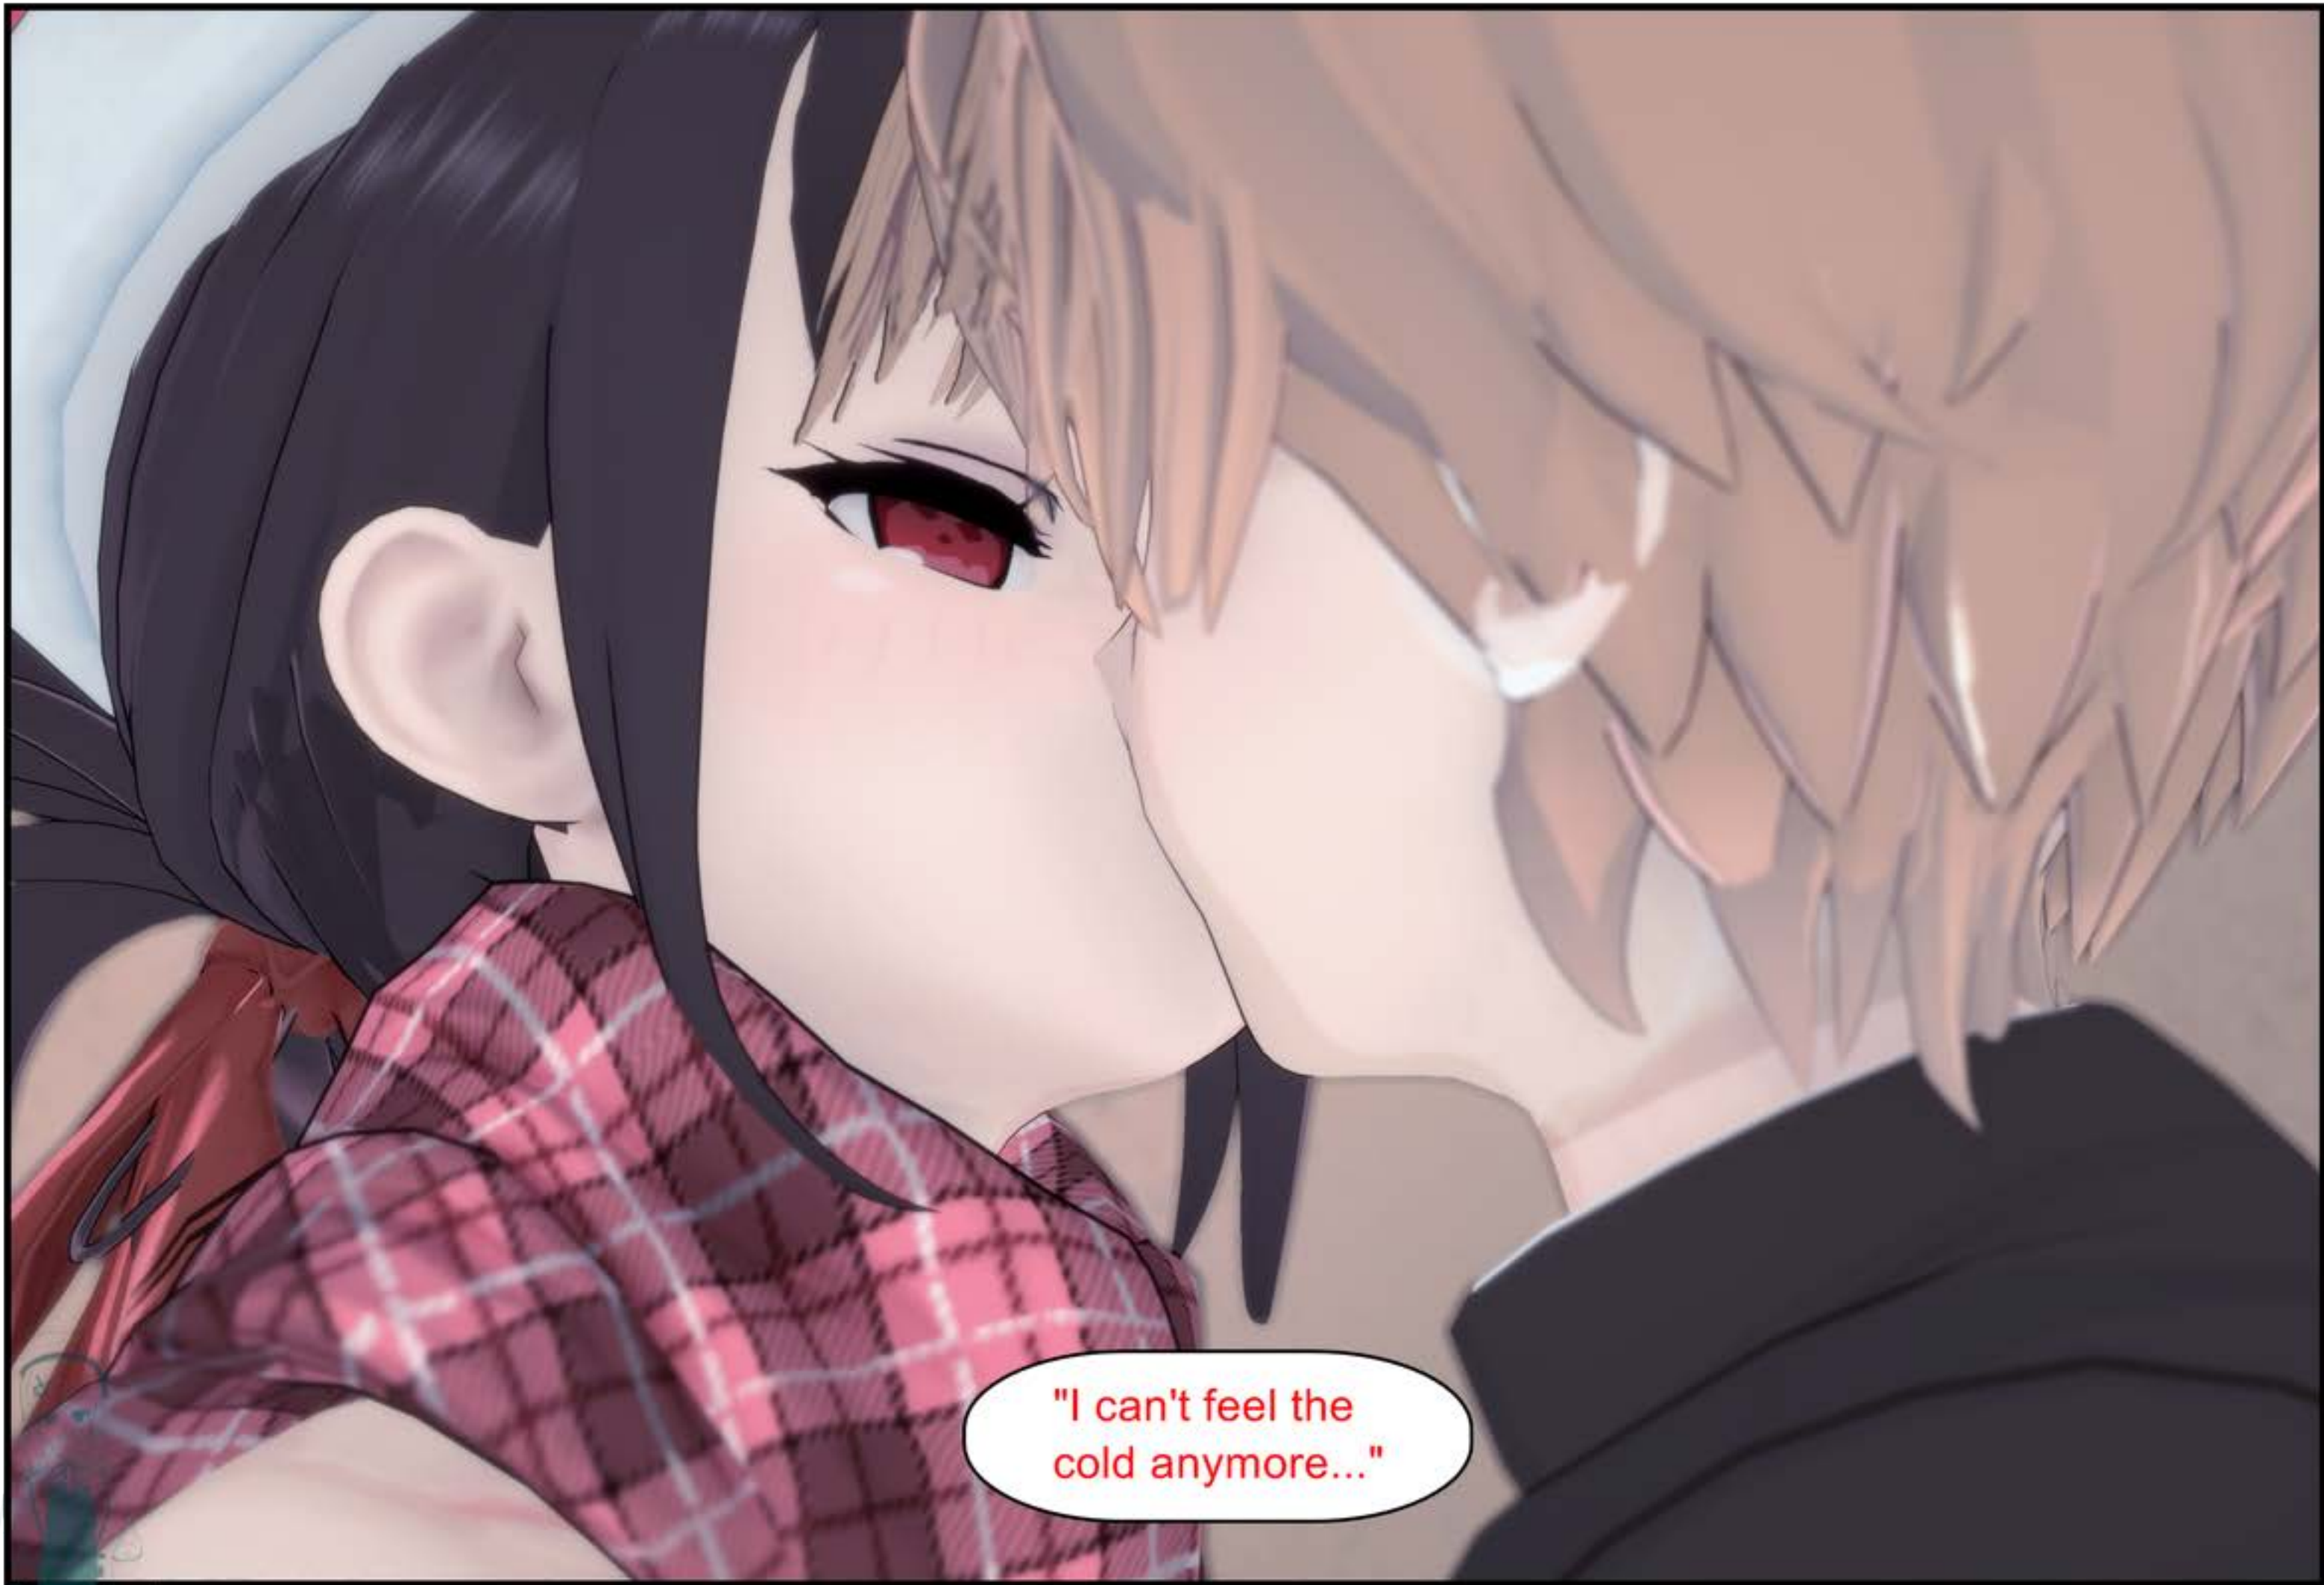

But...!!!

"I can't feel the cold anymore..."

"Because this is already enough... to warm me up."

"I love you, too.
Shirogane Miyuki."

Ah...

Christmas finally
arrives...

A character with dark hair in a red and white plaid scarf and a red and white Santa-style outfit is holding a large red gift bag. The character is shown from the chest up, with their face partially visible. The background is a dark outdoor setting with a brick wall and some foliage.

Yes, and no matter
what happen in future...

A 3D-rendered anime-style girl with short black hair and red eyes, wearing a white Santa hat with a red pom-pom, a red and white plaid scarf, and a red strapless top with white trim. She is holding a large red gift box with white ribbons. The background is a dark, snowy night scene with blurred lights and a building.

...I will always be
by your side, Miyuki.

Acchooo!!!

There... You are going to get fever...

A night scene featuring a modern building with a grid of windows, some of which are illuminated from within. The sky is dark blue with numerous white, glowing snowflakes falling. In the foreground, there are green bushes. Two speech bubbles are present: a larger white one with orange text and a smaller white one with red text. A small character is visible in the bottom left corner.

Get on, I will take
you back home.
Here, put my jacket
on, Kaguya.

T-Thank you...
Acchooo!!!

Merry Christmas~
