

A day in the life of Rogue**FMG**...

**Like any other 1st of the month,
Rogue was hard at work getting
his announcements and
offerings updated.**

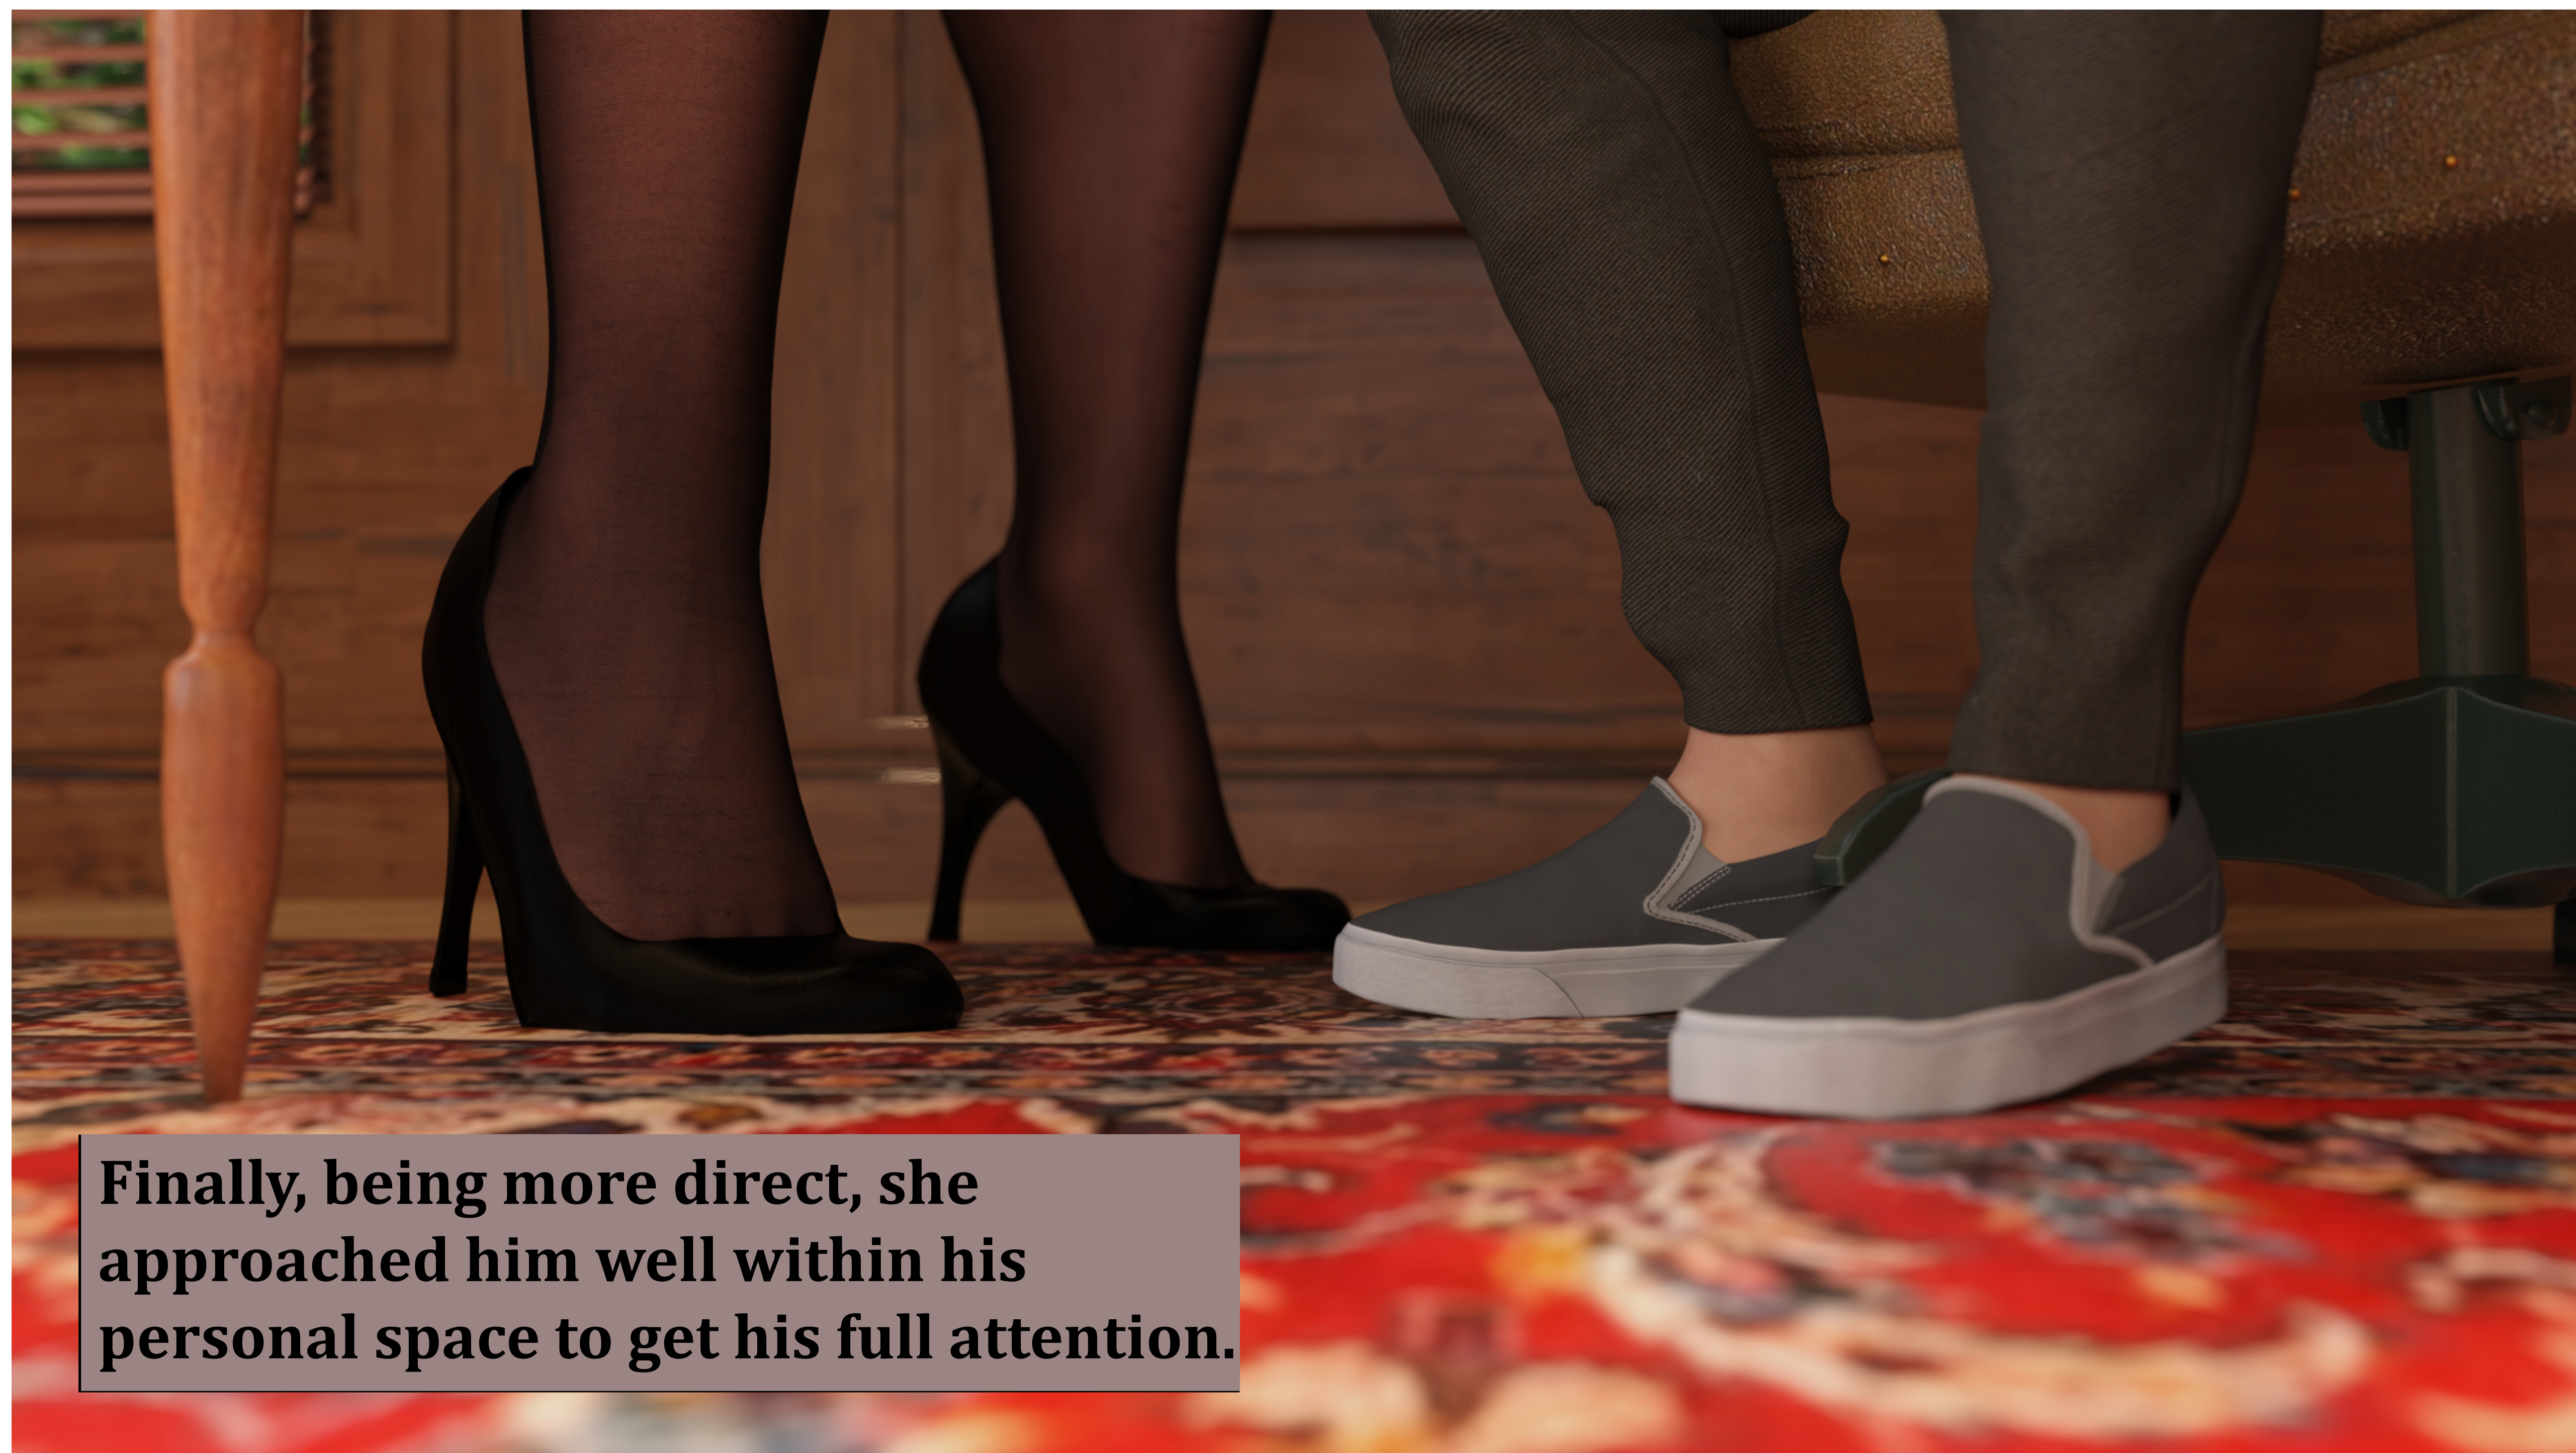

His lovely assistant, who knew better than to bother him brought in his latest flyer showing off his wonderful offerings on Gumroad.

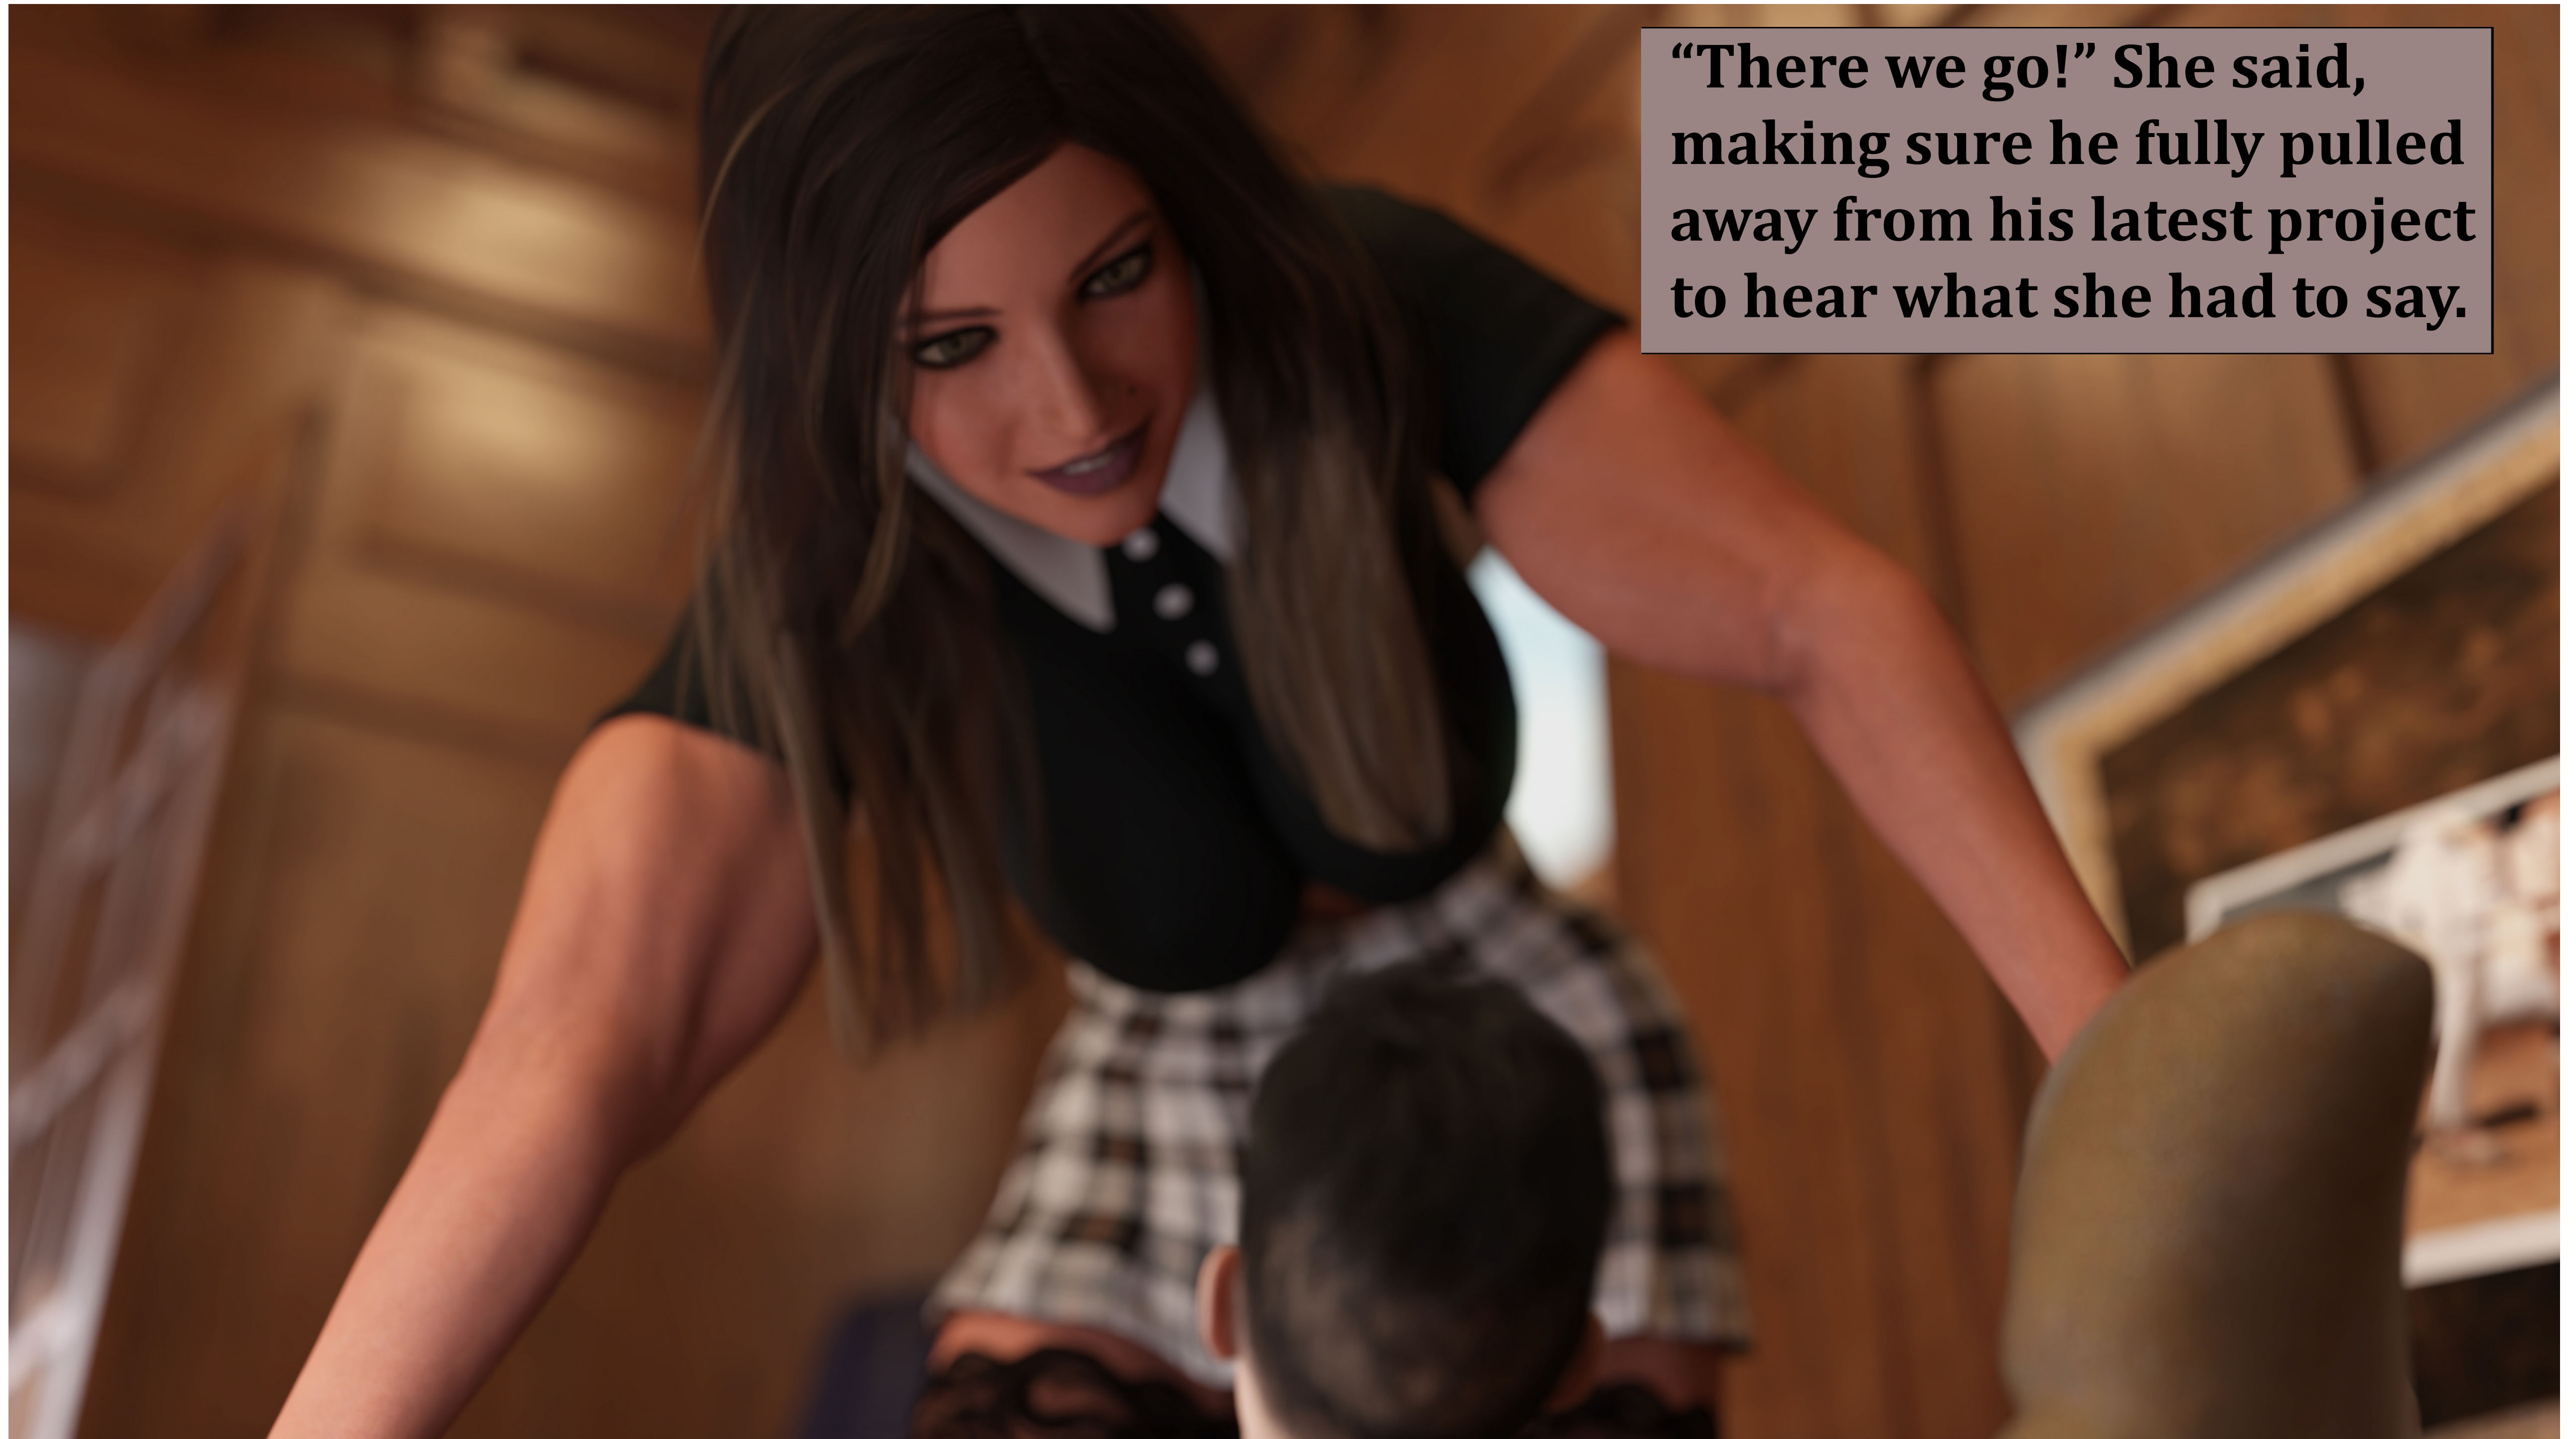

Ensuring it was smooth,
she did linger a bit to try
and get his attention...

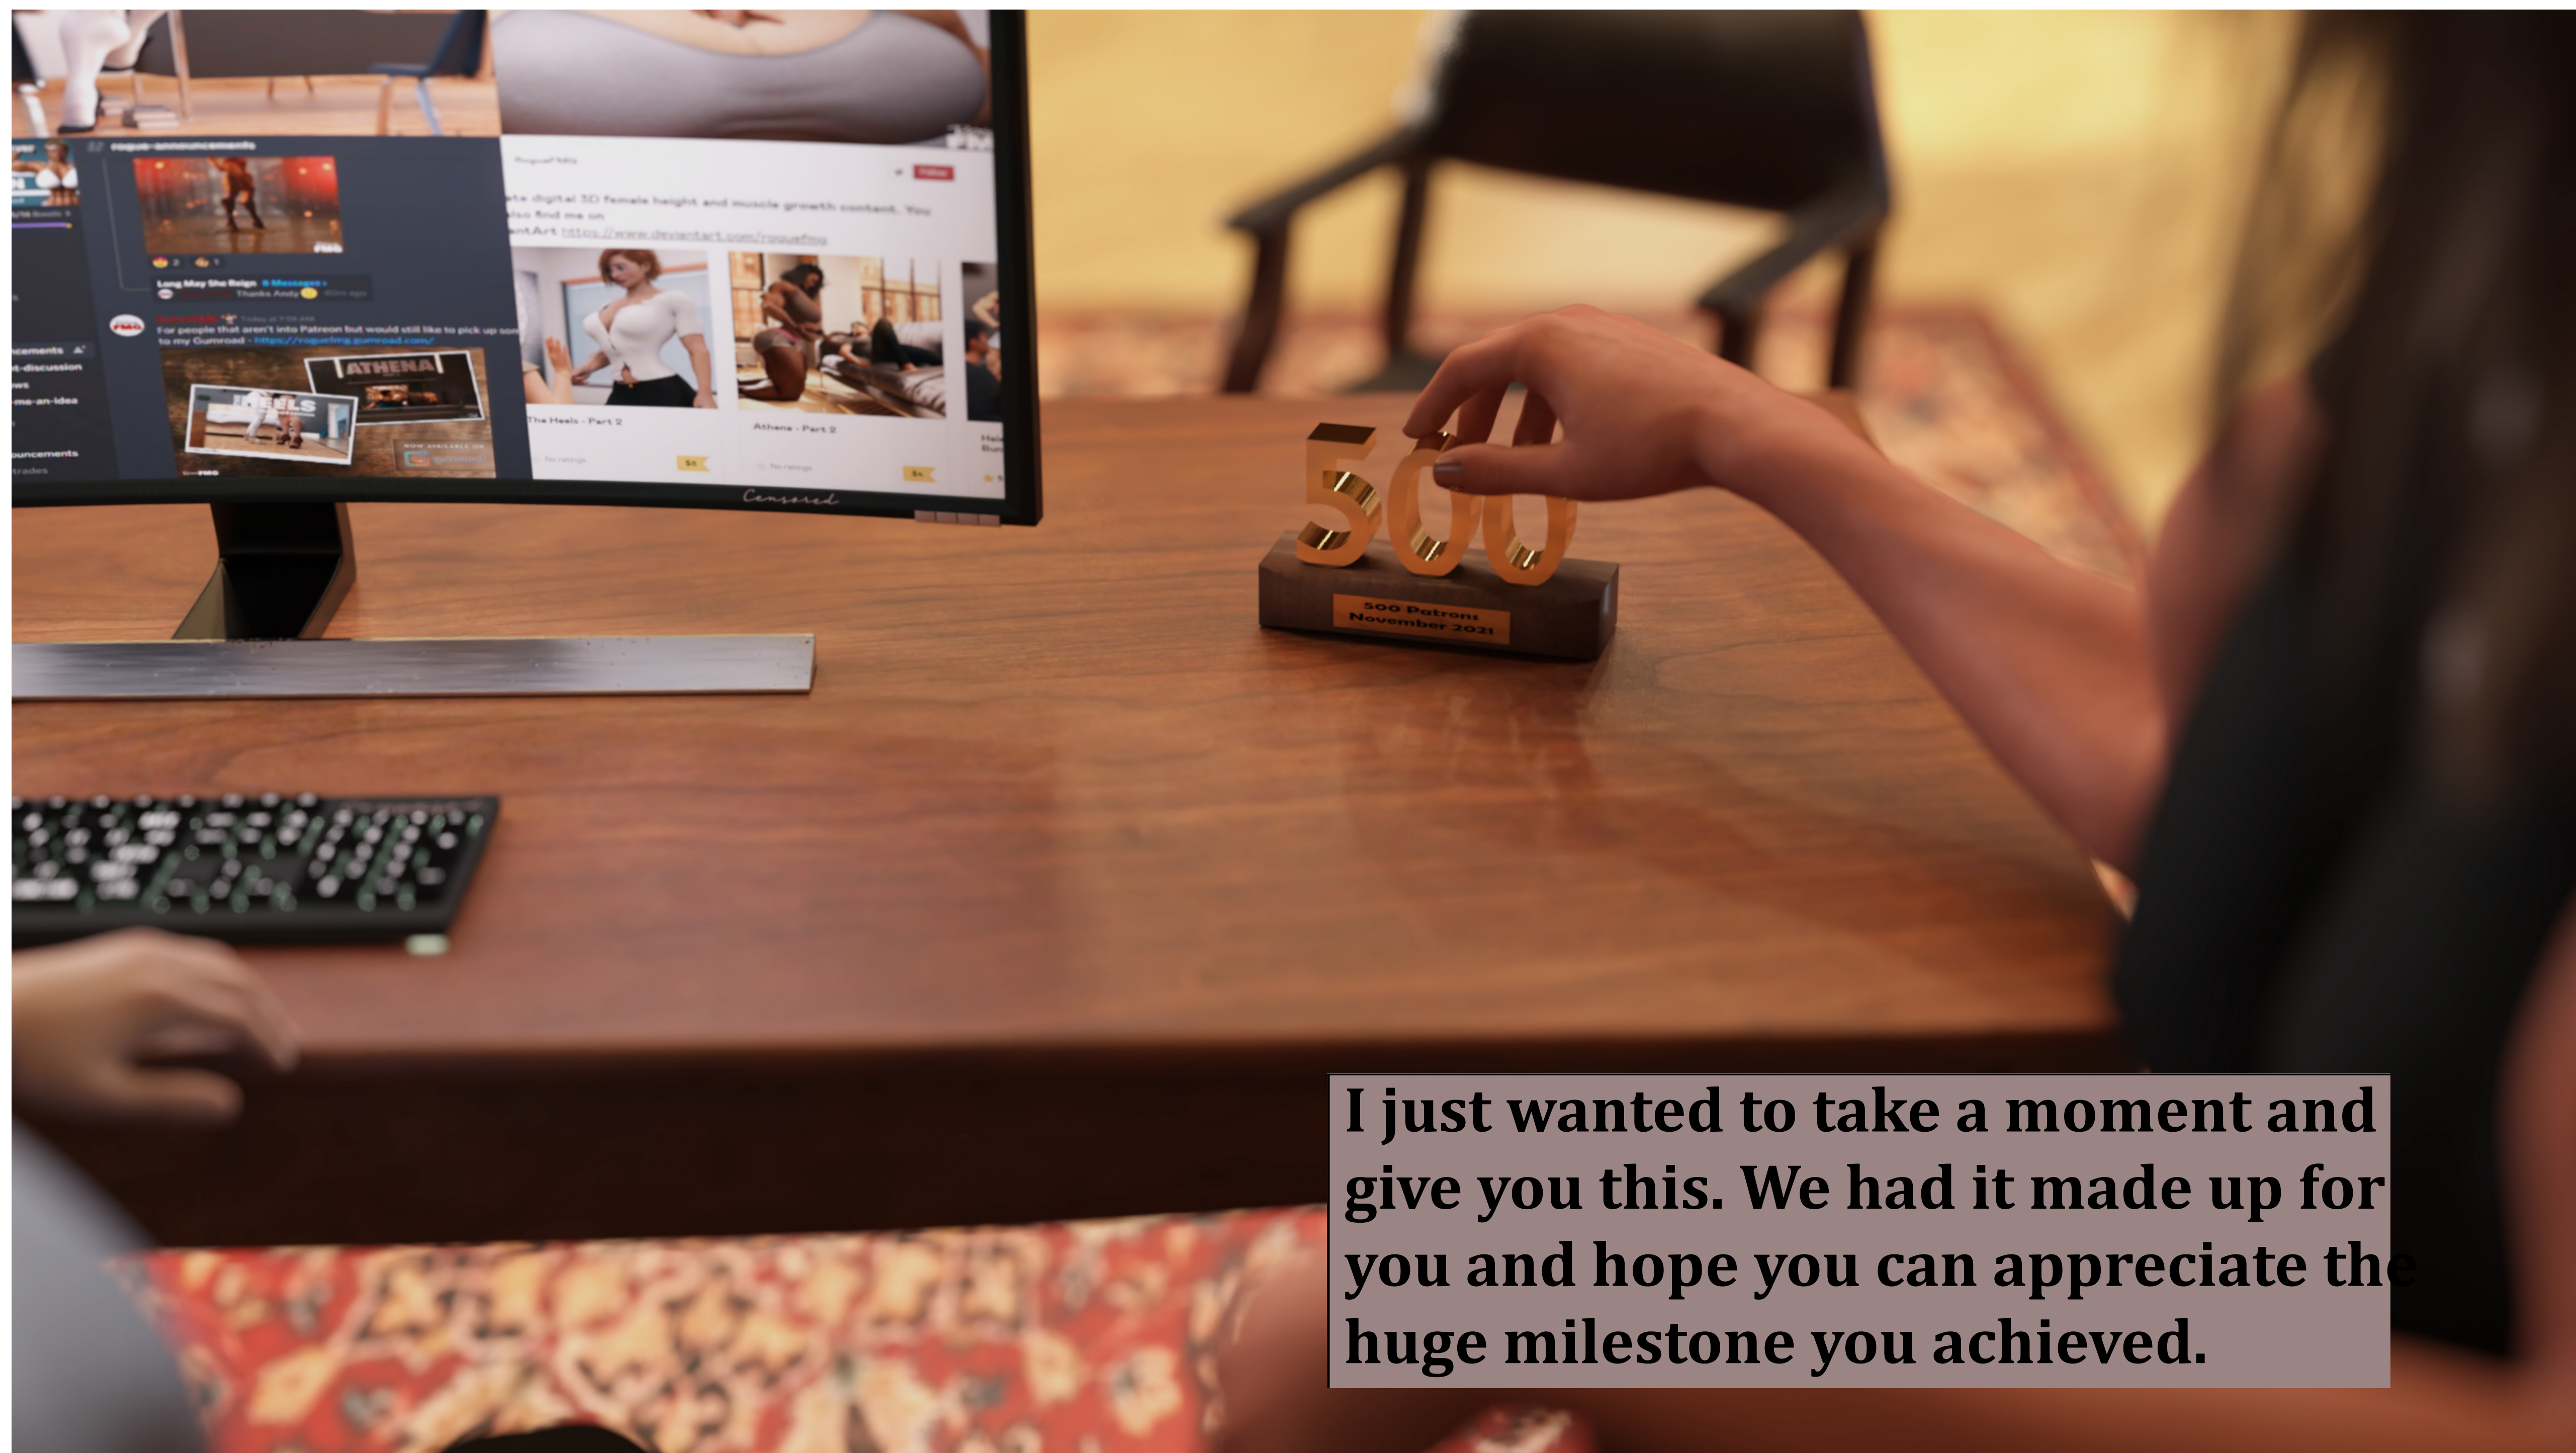

Finally, being more direct, she approached him well within his personal space to get his full attention.

**“There we go!” She said,
making sure he fully pulled
away from his latest project
to hear what she had to say.**

I just wanted to take a moment and give you this. We had it made up for you and hope you can appreciate the huge milestone you achieved.

Congrats on 500 Patrons Rogue!
