

January change list

-----Event-----

New event with 4 new images.

It is with a mysterious royal knight. You can find the new event inside the beach cave, after battling with the ninja. There is a new door way before you go down to the entrance of the Fire Dungeon.

Event NPC voice

-----Gameplay-----

Gameplay

A new puzzle in the new underwater area in Fire Dungeon. You get weapons that deal Water damage as a price for solving the puzzle.

Battle changes

Horny Pervert's Boner status now lasts for the rest of the fight, instead of being removed by damage.

Lava Golems don't use Lavafall anymore.

9 Taunt responses for **Magano's** both forms (18 in total!)

The whole **Magano** fight in general!

+1 DEF and M.DEF for Betas and Horny Pervert.

Skills

Bullseye doesn't do extra 25 damage anymore.

Wildstrike TP cost to 50 from 60

New ACT skills for Adventurer when he fights Magano.

Taunt costs 30, up from 20. **Draining Claw** costs 40, up from 30

Stab costs 50, up from 40

Wind Sphere healing 15% down from 25%.

Healing Wind cost 90, up from 50

New Water spell "Mist" you can learn by equipping **Scroll of Mist**.

It costs 60 Mana and deals Water damage to all enemies while also lowering their M.Def for 5 turns.
Ignores M.Def.

Layout

New underwater area in **Fire Dungeon**.

New area in **Beach Cave**, where you can find the new event. There is also a leaf puzzle in there.

Story

Pirate Ship prequel. You can find the new story when you reach the end of the beach cave and enter the map where the pirate ship is.

New rat NPCs in the Gloomy Dungeon!

Whirlpool Ring can now be found in the underwater area in Fire Dungeon.

Showstick nerf - +10SPE → +3SPE and -20% Max ATK when equipped.

Sucker HP regen 30% → 25%

Nipple Clamps 15% TP regen, instead of 200% TP regen rate.

Succ and **Ultrod** are now in the game and you can get them from a chest after beating **Magano**

-----Bugfixes-----

Fixed a lot of weapons, especially fire related ones. They should now do physical damage and deal damage with your ATK not MAG!

Claws and Swords (If there are any relevant to this change) should add states now!

Wave sounds in Logtown now don't follow inside houses or outside the town.

Staffs should magic damage now.
