What? I do not..

Are you the pervert the whole school talks about, Rito.

Don't even try, I know it's you Rito.

What did you think nobody would notice? Rito disappears and suddenly Mi-chan appears and on top of that you live in the same house, isn't that weird?

You even asked the Princess to make a tail for you, disgusting.

But it's time to end these jokes.

Oh no, that's what I was afraid of.

Only a miracle can save me now or ...

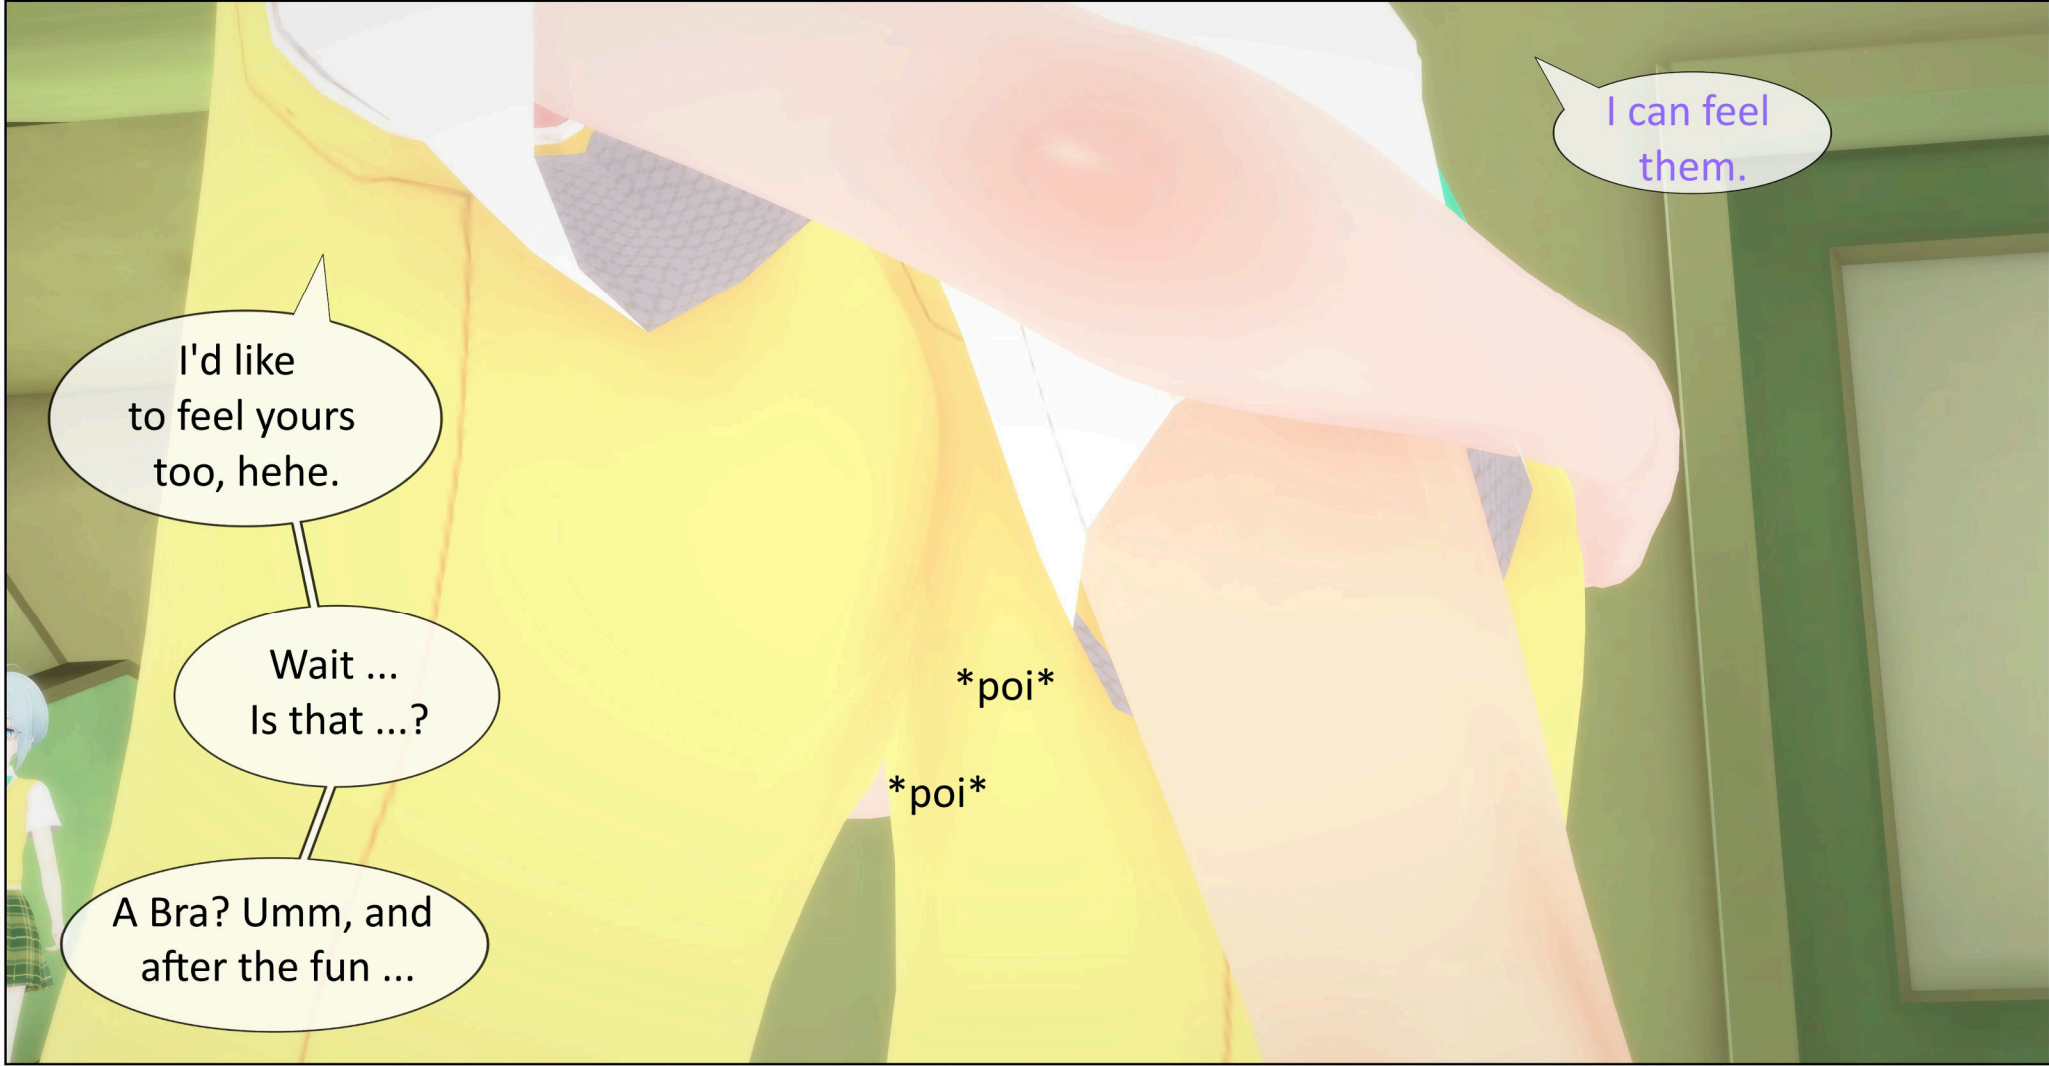

Umm ... That's not what my parents called me, you know?

What about them?

Breasts !!!

No, your breasts!

I can feel them.

I'd like to feel yours too, hehe.

Wait ...
Is that ...?

A Bra? Umm, and after the fun ...

poi

poi

But you're a girl after all.

So no wonder you're wearing a bra, right?

What but I ...

By the way,
who is this boy
in the skirt.

Tell me boy
what your
name is.

A boy in
a skirt?

Err ... Did you say that to me?

And do you see anyone else here?

Besides, it's rude to accuse someone of something. What you do yourself.

You should be ashamed boy, hu!

Is Yami afraid
of her?

But I'm
not a boy but
a girl ...

Because
it's true.

Why
should I believe
you?

So you expect me
to believe you just because
you say so?

And when I tell you that Mi-chan is really a girl, will you believe me?

I asked a question!

What?

Yes of course.

What did she do to her?

So what are you gonna do now?

A scene from an anime-style visual novel. Three female characters in school uniforms are in a room. The character on the left has short pink hair and is seen from the back. The character in the center has long yellow hair with black cat ears and is looking down. The character on the right has short black hair with purple highlights and is also seen from the back. They are standing near several cardboard boxes. In the background, there is a desk with a window above it. The room has light green walls and a green carpet.

Take it easy,
nothing happened.

Sorry to call
you a pervert.

You see, and
it gets better
right away.

A moment later...

With what?

I didn't want to be so rough with her, but I had no other choice.

There was one thing she was right about, though.

You can't live in your house any longer, it's too suspicious.

What?
But how?

Yes, but she
already knows
I'm not Rito.

????

You saw it for
yourself. She got
suspicious because you
live in Rito's house.

Yes, but what if
others come to similar
conclusions as she
does?

What? But I can not. Besides, what would your parents say?

It seems we have no other choice.

Until all of this is over, you'll be staying with me.

Don't worry about that, besides, you were supposed to work for me, remember?

Yes, I remember.

And thanks for the offer, but I don't think it will be necessary.

Sure, but I doubt ...

If you change your mind, let me know.

On a long break ...

Tell the truth, is that you Rito?

Unfortunately, Yuki-chan's theory turned out to be correct, and many people asked Rito the same set of questions.

No I am not.

You seem to be a bit different from him, but ...

It's definitely Rito,
I wonder what he's
up to this time?

Well, if ... Rito comes
back, tell him I want to
talk to him.

Of course, without evidence,
no one was able to prove to Rito
that it was him, but everyone was
getting suspicious.

At the next break ...

What?
You already
changed your
mind?

I understand,
unfortunately it's
too late for that.

I can't take
all these questions
anymore.

What why?

These rumors paid off.

I hardly had to do anything.

Because everyone's pretty sure it's you.

Now it's only a matter of time until someone proves it.

Then your end will come.

So it doesn't matter where you live anymore.

Instead, we can just prove to them that you really are a girl.

You just show them.

How?

But before that, I have a little gift for you.

?

In the women's restroom ...

Yes. I heard that you already have Lala's panties so I decided to give you mine too.

Panties?

This gift is panties?

Interesting so you like to wear second-hand women's underwear. Who would have thought fu fu.

Unfortunately, these are new, I was just kidding that I wore them, hehe.

But now, quickly put them on before anyone sees us.

What, no ... I mean Ugh ... Momo said it was new panties I didn't know it was Lala's panties!

A moment later...

Are you sure you gave me the right size they are so tight?

Yes, they are supposed to be like that.

But now let me show you something.

And you are a woman.

Now put on your panties and no one will notice.

What are these panties.

I almost look like a girl downstairs?

What, but I'm not a girl. It's just these panties.

Does it matter?

The point is that now when everyone sees you in your panties, they will find out that you really are a girl.

Yes, but only we know that.

Later in the girls' locker room ...

I don't understand, after all this girl said the new student is a boy.

it's a boy.

We can change now. Because soon we'll be late.

Maybe she was talking about someone else?

Girls, can you stop looking at me like that?

It's embarrassing.

Just apologize to her and don't embarrass yourself any more.

And now, if you let me, we have PE and I would like to change.

Maybe it's some kind of trick?

Phew Somehow it worked.

I was so scared I thought I was about to die of a heart attack.

I just hope no one will notice that I don't have a breast. but fortunately there are also women who don't have them.

What are you doing here, this isn't your class?

Hi honey did you miss me

I came to the show of course.

And I was terribly disappointed

What? Mea not now, I want to change for PE.

I see someone has started wearing a bra.

Tell me how big are they already?

Don't be like that, just take a look

But guys don't
have breasts.

What is she
going to do?

You know, I've always
wondered if guys feel the
same as women when someone
touches their breasts.

In my opinion
they have, hehe.

What are they doing?

I don't know and I don't want to know.

Pretend you can't see them.

I do not know.
I don't think
they have.

And you, what
do you think,
honey?

Really?

Ngh!

Hey what are you doing?

Checking if your breasts have grown, hehe.

That's not what I mean.

Hmm...

Yes, could you please stop?

Ah ... You mean that?

Okay, I'll leave your ass alone.

What?
I left your
ass alone?

But you didn't
say anything about
the tail.

Ngh

Tsu

And now it's time for the final.

The way Mea-chan is playing with my tail makes it look as if it was her play with my breasts that turned me on.

Wow!

I can feel them grow.

Mea-chan,
can you leave her
alone?

Sairenji

How dangerous,
okay, just don't hit
me, hehe.

What I am
doing!?

But before
I go ...

He?

And you have your proof, saki-chan.

Although my boyfriend has bigger breasts than hers, he he.

He?

I know,
these are definitely
implants, yes!

If I get
that girl who told
me it's a boy I'm
gonna kill her.

Tell me, do you
have any problem
with yourself?

In the evening in the bathroom ...

Oh no.

This can not
be true.

But still,
how not to
look at it.

I have breasts ...

However, it does not change the fact that I am now shorter.

Fortunately, thanks to Sairenji, they are quite small.

All this makes me look like a typical girl with small breasts.

Although
it's quite fascinating
to have a tail.

If only
he were not so
sensitive. phew
...

It would help me a lot if
I had control over it.

I'm even slowly learning
to control it, which is not
as hard as it was at the
beginning.

Or maybe
that is
controllable.

But first, I'll
take these two pairs
of panties off.

Because I
have a feeling down there
as if I'm really about to
become a woman.

I immediately
better.

There's nothing like
showering after a hard
day to wash away the
sweats of the day.

And after
that I go to sleep
right away, I have had
enough impressions
for one day.

What was that?

Have my nipples suddenly become more sensitive?

Great. Well, I have to wash myself somehow.

Ngh!!!

I can't do it,
they're just too
sensitive.

Oh no, it's Lala,
she must have heard
my screeching.

Rito, is
something
wrong?

No, nothing.
Only a little soap got
into my eye.

Thanks!!!

Aaa...

I just wanted to say
that I left you this shampoo
for hair growth.

You're welcome.
It works slowly so
no worries.

Maybe I should wait for them to grow back on their own?

Although that way I would quickly undo one change.

It's just hair, you can always cut it later, right?

Hmm ... It even smells good.

Attention! Shampoo
based on herbs with calming
properties, do not use too
large doses.

The next day at school ...

Yeah, I guess
it's after yesterday's
shower.

I see you're in
a good mood today,
Rito.

Rito must have
taken too much of the
shampoo I gave him.

But I don't think anything
will happen to him. After all,
the side effect is calming
down.

32 seconds later ...

This is new
to me.

Apparently today
Haruna-chan ran into Rito
for a change.

Sorry!

Nothing
happened.

But could you
please take your hand
off my chest.

Hmm?

Not that it wasn't pleasant.

But I feel a little strange in this situation.

Embarrassed

And I have the impression that everyone is looking at us

Sorry,
I really didn't
mean to.

Me? For
what?

Relax, nothing
happened and I was
looking for you.

I wanted
to thank you for
yesterday.

Wait,
you're that
girl from the
locker room.

Yes. And I
want to thank you
for standing up
for me.

Interesting. Rito's
transformation into a
girl seems to have improved
his relationship with
Haruna.

Plus the
shampoo that calmed
him down.

Maybe Yuki-chan
was right with what
she said.

She is so
cute!

What
am I thinking,
it's a girl.

No good, looks like I'm gonna have to apologize to her.

No way. It can't be Rito.

In life, he would not be so calm in Haruna's presence.

I too would have to apologize for what I did on the first day.

I know! As an apology, we will invite her to a beauty salon

Relax, I'm sure she likes it.

After all, you can smell perfumes from her all day.

I don't know if it's a good idea, you know, not every girl likes to go there.

So it's done.

To be continued....
