

No.

You've gone too far this time.

"Too far"?

After you were captured, the Resistance held a vote.

You've always been ... spirited.

But your extreme tactics are starting to taint the entire Resistance movement.

We can't be associated with you anymore.

I've been part of the Resistance since I was FOURTEEN.

It wasn't an easy decision.

Funny...

Resistance kicks ME OUT...

But I'M the only one been FIGHTIN'!

We DO Fight!

We sabotage systems  
and disrupt information.

But we DO NOT  
kill

We free prisoners,  
smuggle medicine, and  
stand together —

That's  
NOT our  
WAY...

And it's  
the one  
thing the  
Kebri can't  
take away from  
us.

Sure.

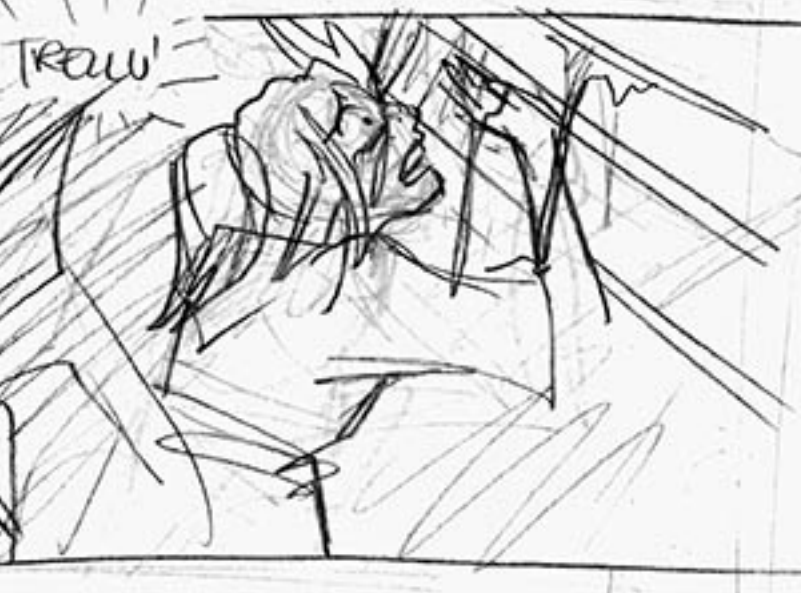

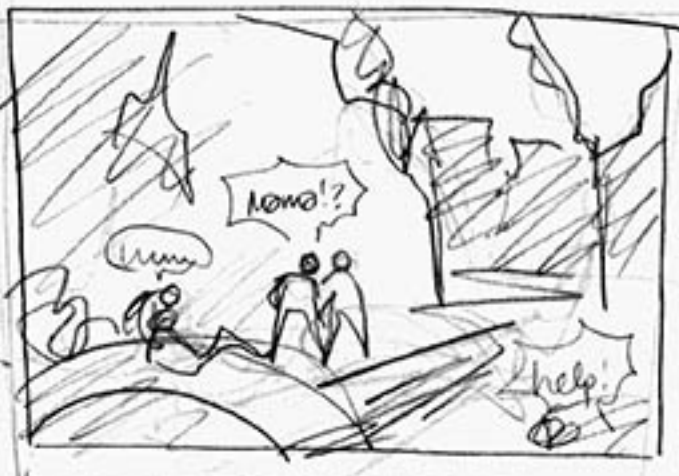

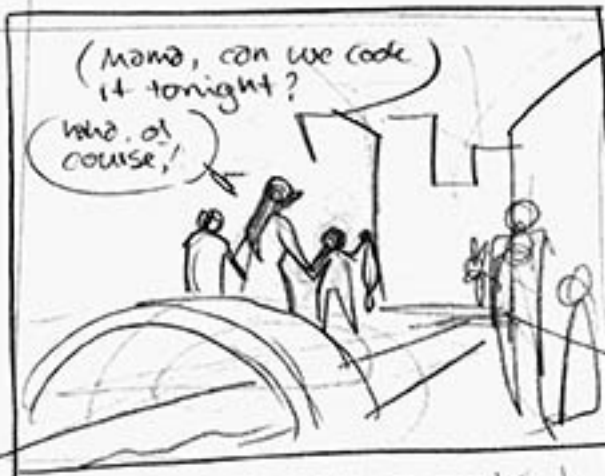

[flashback]

Ahah, Poi!!

Poi help me  
need it m!

Some views,  
City destroyed

ya cling to that ONE virtue so tight...

Suddenly you'd turn out your own WIECE right when she needs ya most

-rather than get yer hands dirty.

Railyn-

I'DA BEEN HUNG

if I didn't fight back then -

That's OKAY WITH YOU!?

I know Zuli has a path in mind for you, Pai

It's a path we can no longer share,

Here. I took everything you might need from your place.

You won't need to go back there.

Only four summons left.

Your mother's protection spell lets you break through a sealing cuff...

But that doesn't mean you should be BURNING through your contract like this.

You still have a long life ahead of you, Rai.

Being slaves to the Kelori ain't a LIFE.
