Actually,
I think I will
save the best for last.
Kind of like
dessert.

Lana is certainly enjoying her new figure that was granted to her by Bambi the Spider Queen.

And she just finished playing with her friend Sapphire, boosting her bustline up to a set of bulging bazooms in the process.

Yeah!
Maybe I'll
play with Brynne's
boy toy a bit first.
That sounds
fun!

Now it's time to have some fun with another friend. At first she starts to move towards Pixie, but then she manages to exercise some self control.

That does sound hot, and as much as I'd like to watch...

Lana eyes up Tanky's flacid cock and wonders how many ways she could enjoy it. Meanwhile, Bambi has similar thoughts about Sapphire's new and improved rack.

...I think I'll have a taste of this lovely treat while you're doing that.

The two of them take a moment to admire her massive mountains and curvaceous figure.

Mmmm, she really does make a lovely fuck toy.

But the two mega-stacked vixens are interrupted before they can begin their next indulgence.

I think that is enough out of you two.

It seems that a pair of uninvited guests have decided to crash this sexual growth party.

Stop what you're doing! I don't want to have to hurt you, Lana.

Party
poopers! What
do you have against
a little sex, and who
even are you
anyway?

Yeah,
who are
you supposed to
be? Boobsie and
the beast?
Hahaha!

Bambi and Lana are taken aback at first, until one of the new figures introduces herself.

Actually,
I am Xeloria,
Queen of the Tentacles.
You may have
heard of
me?

However, I am more curious about the beast that is standing beside the Queen of Tentacles.

Though you might know me better as Brynne, Lana, or that is who I used to be.

Now
I have
been reborn as
the new queen, with
a huge set of
new jugs
too!

A woman with voluminous, wavy pink hair and bright purple lips is looking over the shoulders of a man whose back is to the camera. The scene is dimly lit with green lights in the background. A speech bubble is positioned to the right of the woman's face.

Brynne?
That's...
uhhhh... a new
look for
you.

But
what's all
this queen nonsense?
Did you just name
yourself
queen?

A character with a large, dark, tentacle-like headdress and large breasts in a green-lit room. The character has a pale complexion, dark purple lips, and a small black goatee. The headdress is made of dark, textured material with several red gemstones. The background is a dimly lit room with a stone wall, a dark arched doorway, and several green lights. A large, white, tentacle-like structure is visible in the background. The character's breasts are large and pale, with a small red areola on each. The overall scene is set in a dark, green-lit environment.

The Queen of Tentacles! You've been brought back? Fuck, that's not good!

And now that the mystery around Brynne has been solved, maybe we will find out about the beast.

Not for you, Bambi! I am going to make sure of that.

Tenty,
would you
take care of
Lana please? Maybe
fuck some
sense into
her.

Holy crap! It's Tenty! The creature
that abducted Brynne and turned her
into Xeloria, Queen of the Tentacles.

But it's a Tenty that has been changed
just as drastically as Brynne has!

<hiss>
As you command,
my Queen!

In fact,
<growl>
it will be my
pleasure.

At Brynne's, sorry Xeloria's,
command, Tenty charges toward
Lana with a drooling tongue
lashing out of his mouth.

I will take care of the soon-to-be-former Queen of Spiders. She is **aaallllll** mine!

CRACK!

No!
Stop them,
my pets!

The battle between tentacles and spiders begins in earnest.

I will also take care of her silly little spider minions.

KA-THOOOOOOM!

Xeloria throws green blasts of magical energy around the room that are so bright in the darkness as to appear as if they are white.

Which pose no threat to me at all.

KA-THOOOOOOM!

Tenty slips between the numerous arachnids in the room and pounces on Lana before she can move.

The two roll across the floor for a moment before Tenty pins her to the ground. Meanwhile, more spiders swarm towards Xeloria.

Lana does not seem worried, as she quips about Tenty's sloppy and tentacle-like tongue.

Ohhh!
And what
do you plan to
do with
that?

I will **fuck** Lana
as my queen has
commanded!

I
will fuck
you until you
can barely
walk!

Until
you **beg** me
to stop!

Schwing!

A woman with long, wavy pink hair and bright purple lips is looking down at a man's chest. The man's chest is visible in the foreground, showing a white bra strap. The background is a textured, light green wall.

Are
you now?
Well I guess it's
fine, so long as you're
gonna do it with
that yummy
monster.

Slap!

Tenty pounces on Lana like the
ferocious beast that he is.

Better
get to it!
You gonna start
with my big,
fucking
tits?

And buries his huge cock deep in the cavernous cleavage of her mountains.

Yeah, that's it! Fuck my huge balloon boobs.

Pump!

He pumps away mercilessly, while tweaking and pulling her incredibly sensitive nipples.

Pump!

Pump!

They will make you come so hard that you'll serve me.

Providing both of them maximum pleasure in the minimum amount of time.

Pump!

Explode!

Pump!

This isn't gonna go how Brynne thinks it is.

And prompting both of them to experience incredibly intense and powerful orgasms.

Mmmm!
Good boy!
Drown me in your cum so that I can tame you.

Explode!

Neither of them misses a beat as Tenty switches their positions and keeps up his onslaught.

Stuff my fucking pussy full with your fat cock!

Lana continues her filthy, dirty talk and taunting of the hulking creature towering above her.

Slurp!

Slurp!

But be careful not to get addicted to my perfect snatch!

And Tenty continues to ravage her body like only a ravenous beast is able to do.

Piston!

Piston!

Or you'll beg me to come back... for... much more...

Driving them both to even higher heights of incredible pleasure!

Oh fuck! So good! You fill me just right!

And to even more earth-shattering
and simultaneous orgasms.

YyyeEesSs!

For all of her talk, however, a change begins to come over Lana the more that she cums.

I want more of your huge, fucking schlong!

Pound!

Pound!

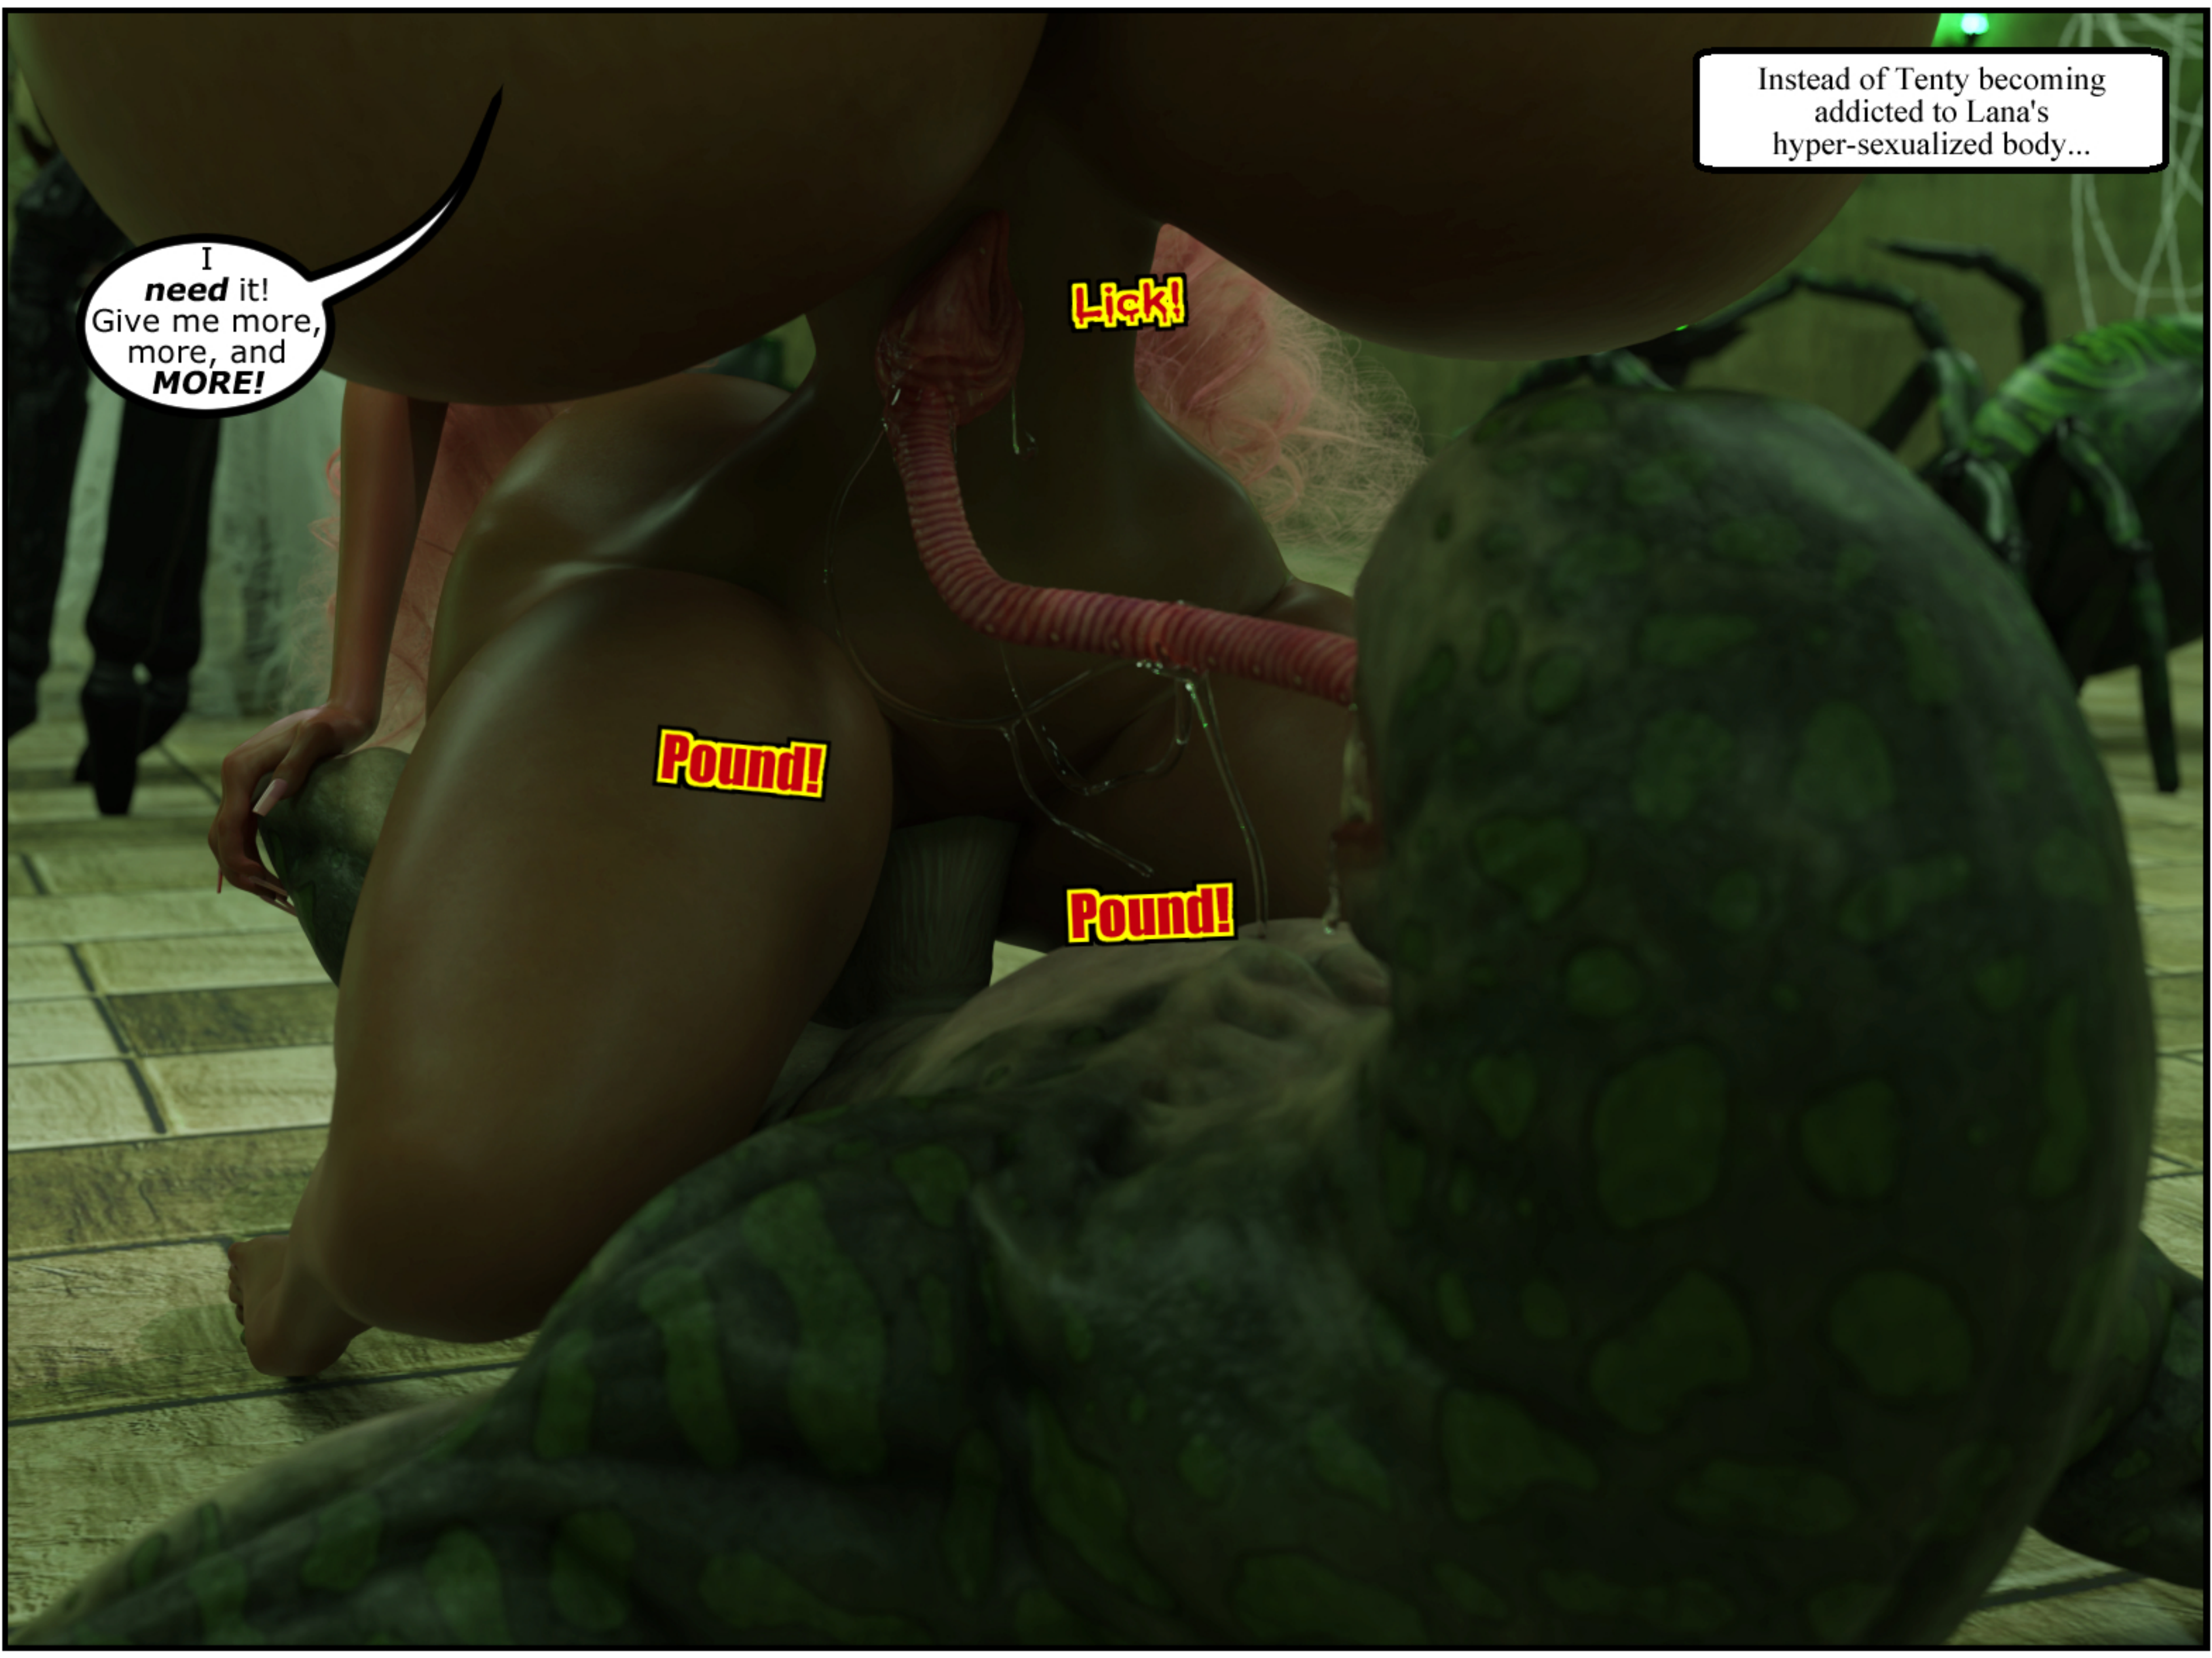

Instead of Tenty becoming addicted to Lana's hyper-sexualized body...

I **need** it!
Give me more,
more, and
MORE!

Lick!

Pound!

Pound!

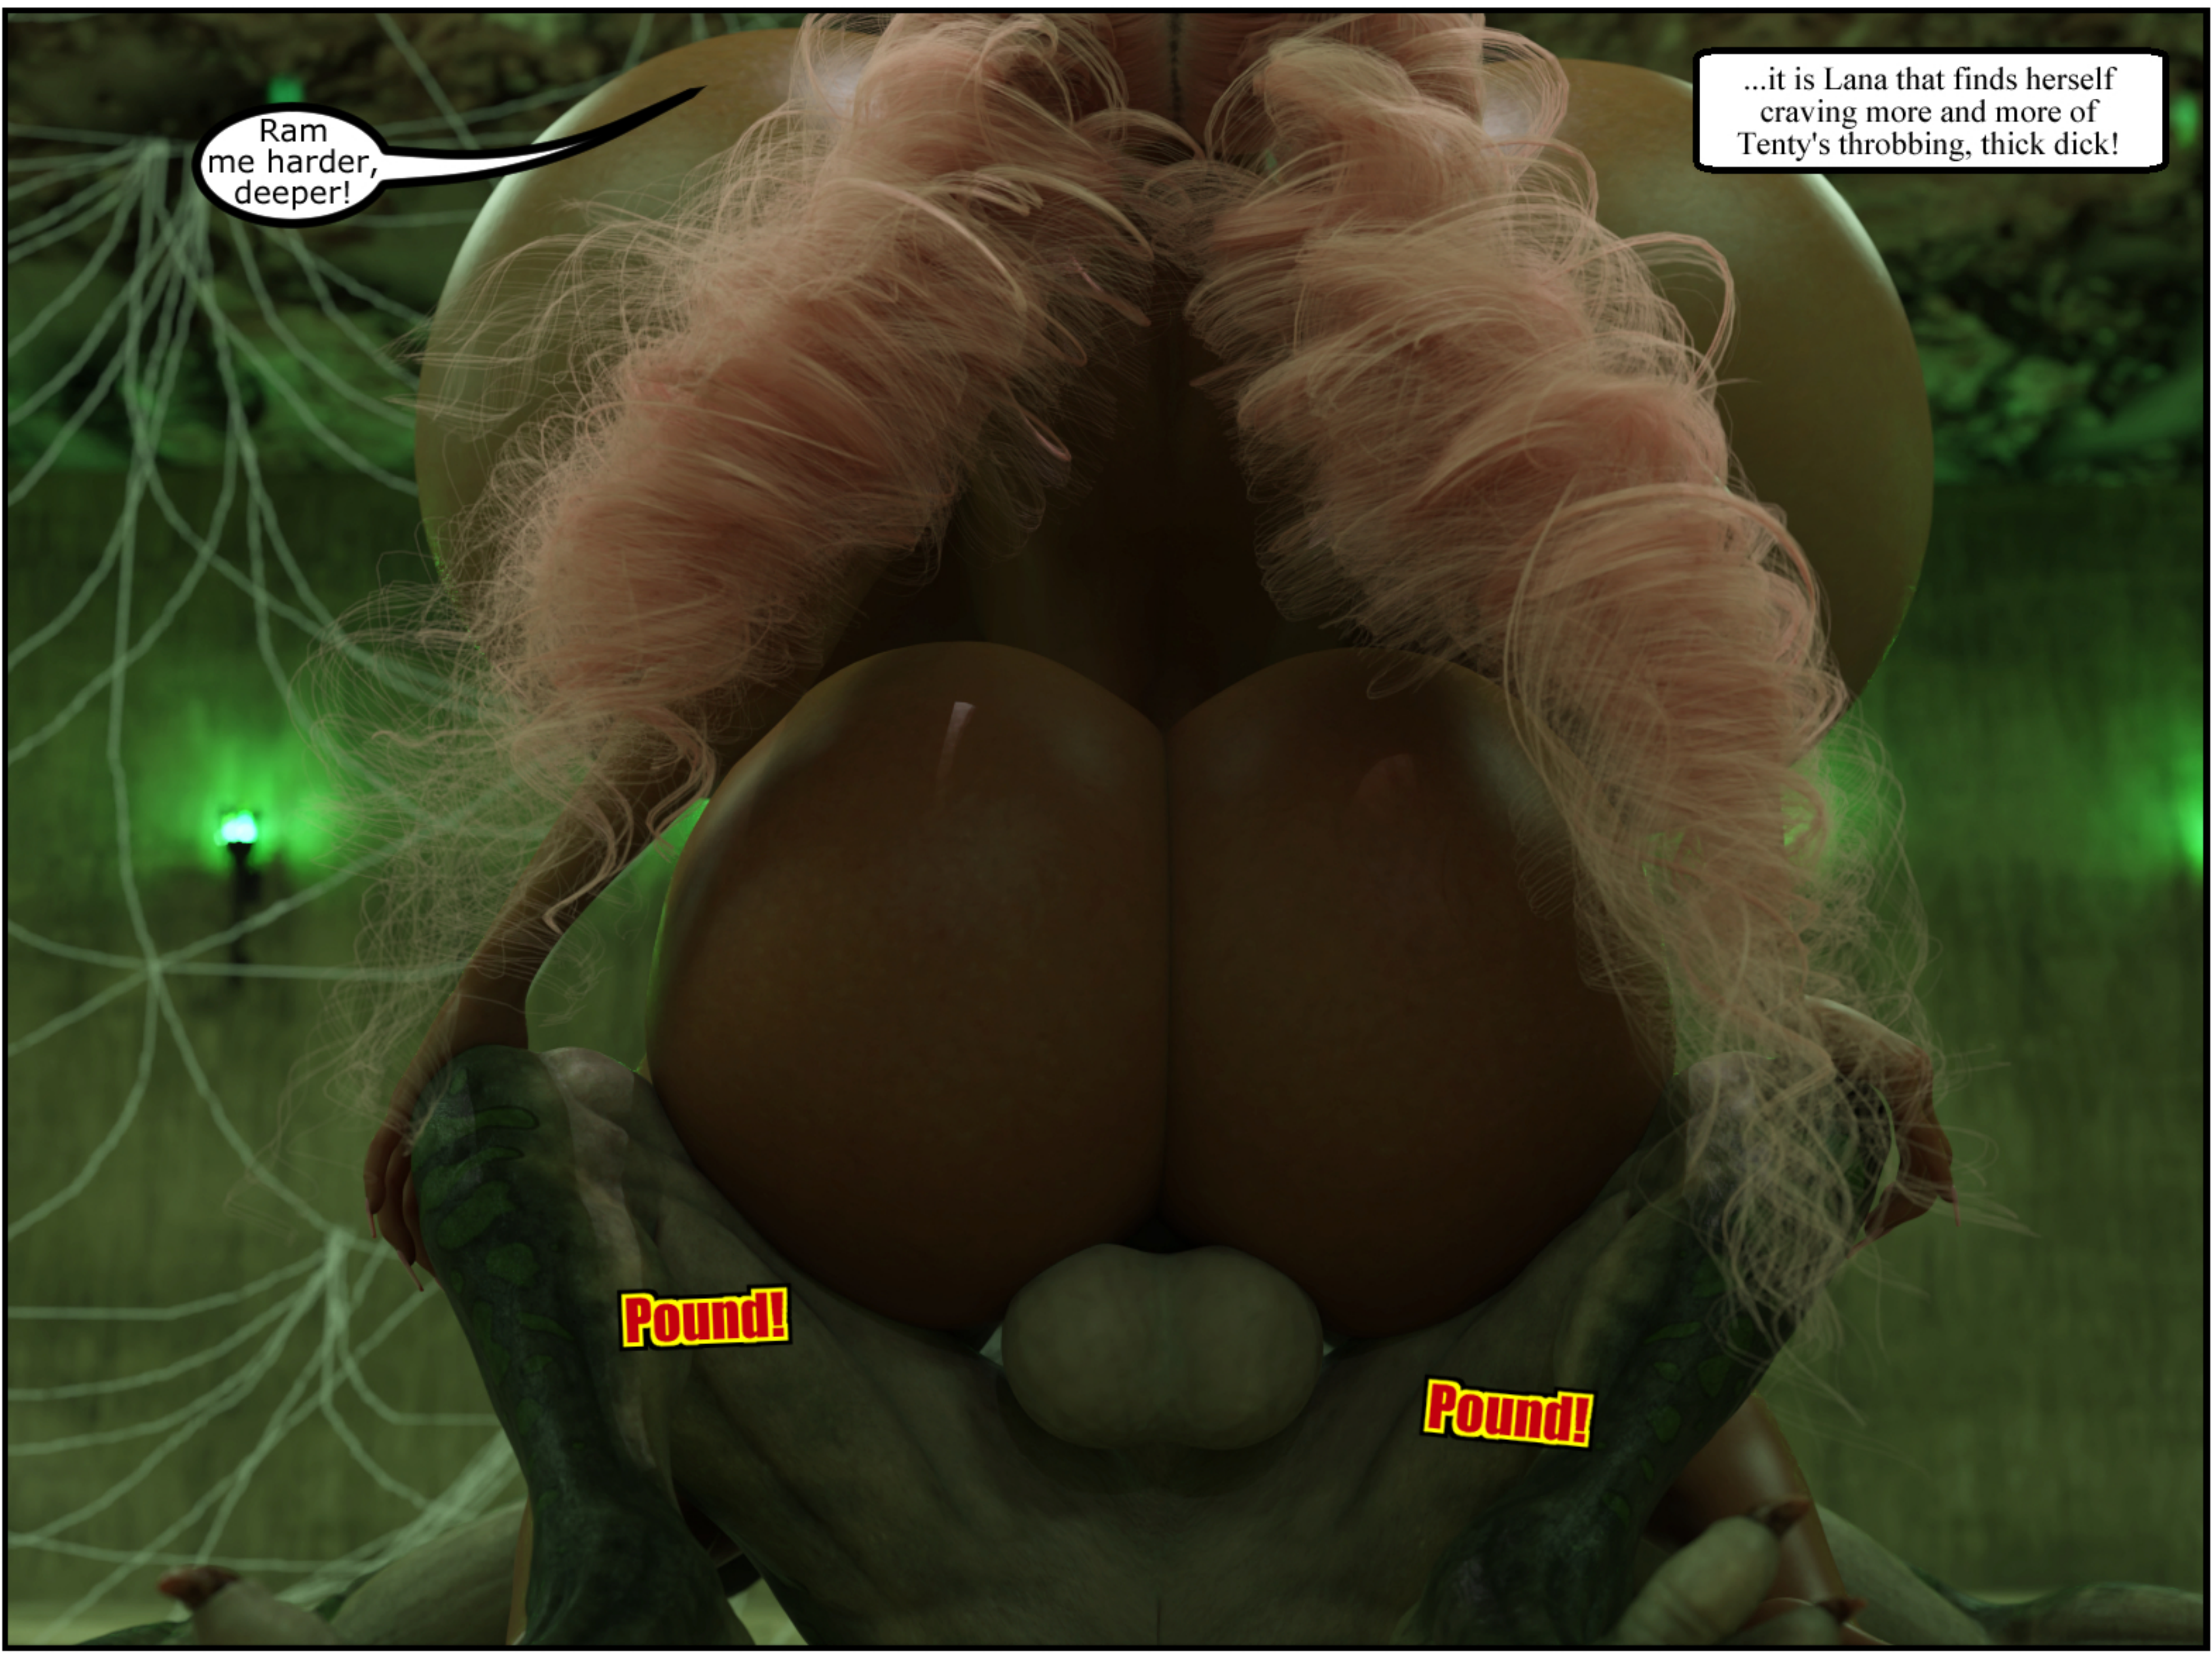

Ram
me harder,
deeper!

...it is Lana that finds herself
craving more and more of
Tenty's throbbing, thick dick!

Pound!

Pound!

Treat me like the big-boobed fuck toy that I am!

Until it is her, and not Tenty, that is pounding herself savagely up and down on his fat pole.

Pound!

Pound!

I'm just your plaything - a total slut that only wants to pleasure you!

MmmphAaaaN!

Eliciting her most powerful orgasm yet. Lana thrashes on top of Tenty in pure pleasure.

Soon it is Lana that is worshipping at Tenty's altar of huge hogness.

Cover me in your cum!

Obediently swallowing his hard rod
all of the way down her throat.

Drown
me in your thick
man-juice!

I
am just
a slutty receptacle
for your
semen!

Slobbering and slurping her way up
and down its entire length, while
occasionally slapping it against her
ginormous jugs.

In short, she is doing everything she can, as a good little slut, to coax another load out of Tenty.

MmmMmMmm!

She doesn't have long to wait, given her incredible skills at fellatio and her absolutely insane figure.

But another change comes over her, as Tenty drowns her in thick, ropy streamers of cum.

DLING!

YyyeEesSs!

Stay tuned!
