In an imagination world..

Finally.. home at last.

A person is lying in bed, covered by a pink blanket. The background is a pink wall with white polka dots. A speech bubble above the person's head contains the text "Ah.. Today was so boring..".

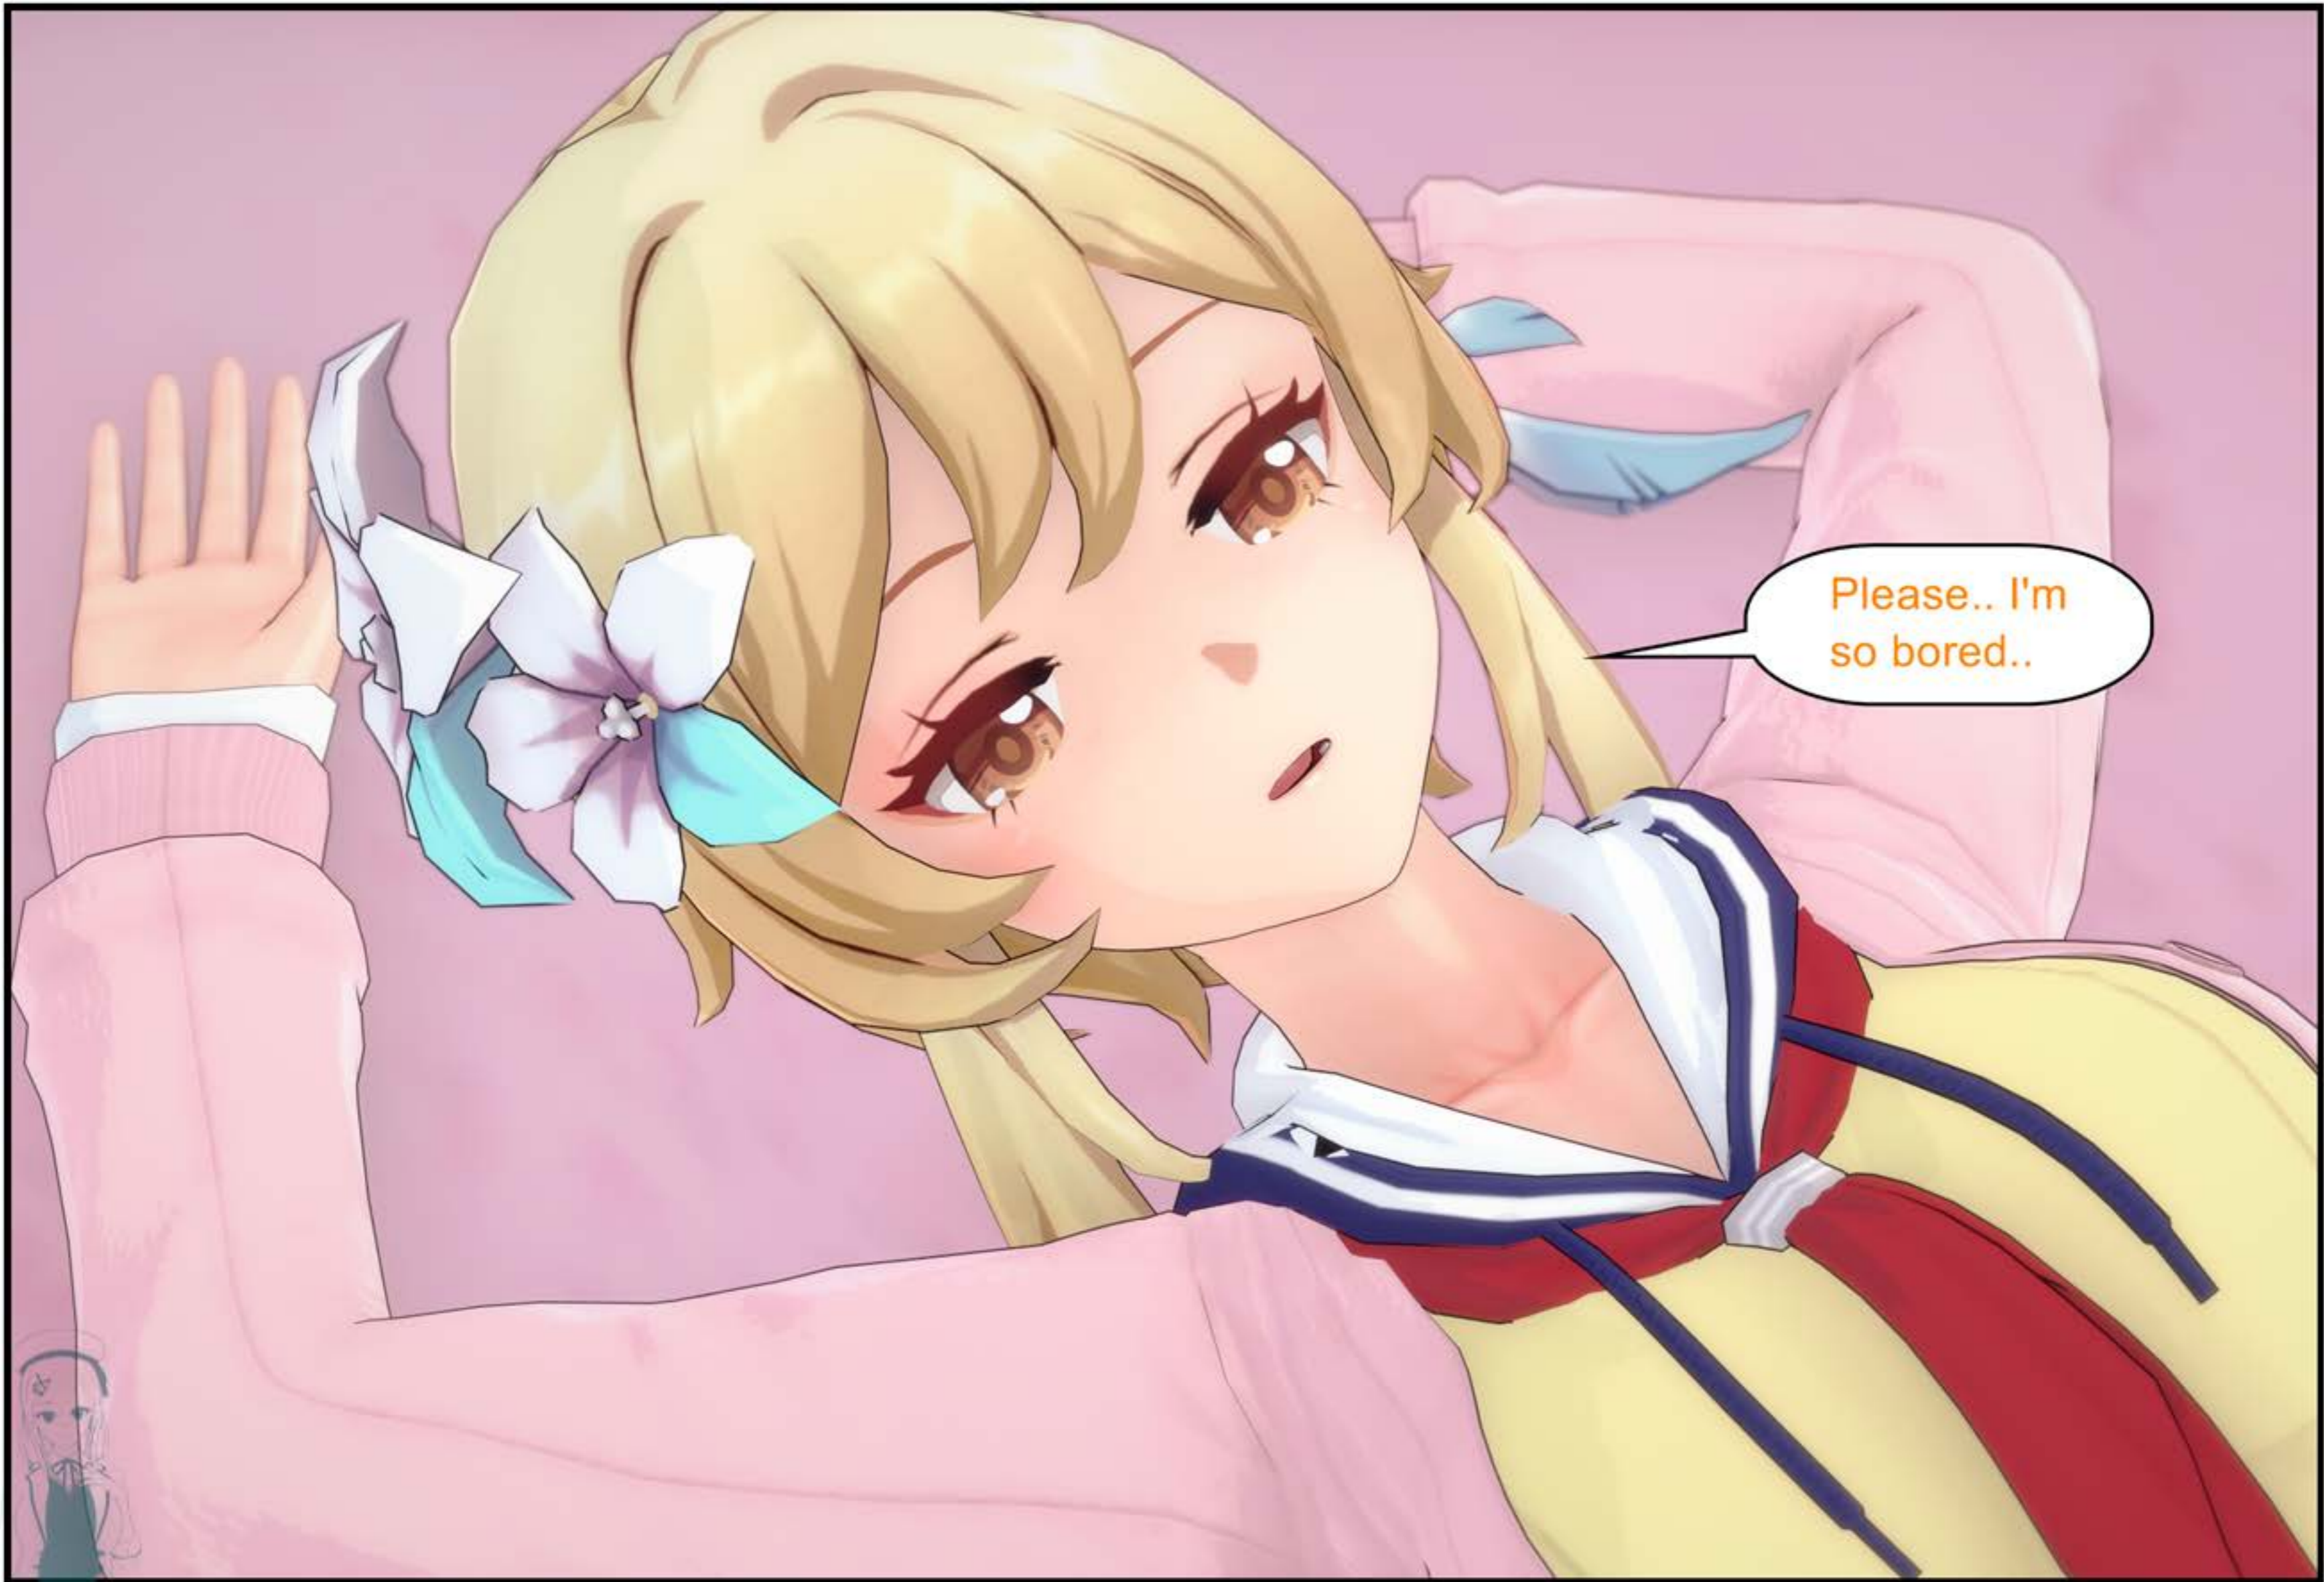

Ah.. Today was so boring..

"I wonder if something
will happen.."

Please.. I'm
so bored..

Nahida..? Um..
Am I having free
time right now?

Would you come over to my place? I have an interesting experiment to do.

"Hehh.. An experiment?"

Sound good! I will be there soon. By the way, what are you going to do?

A magic item, but it need an agreement from the volunteer to perform.

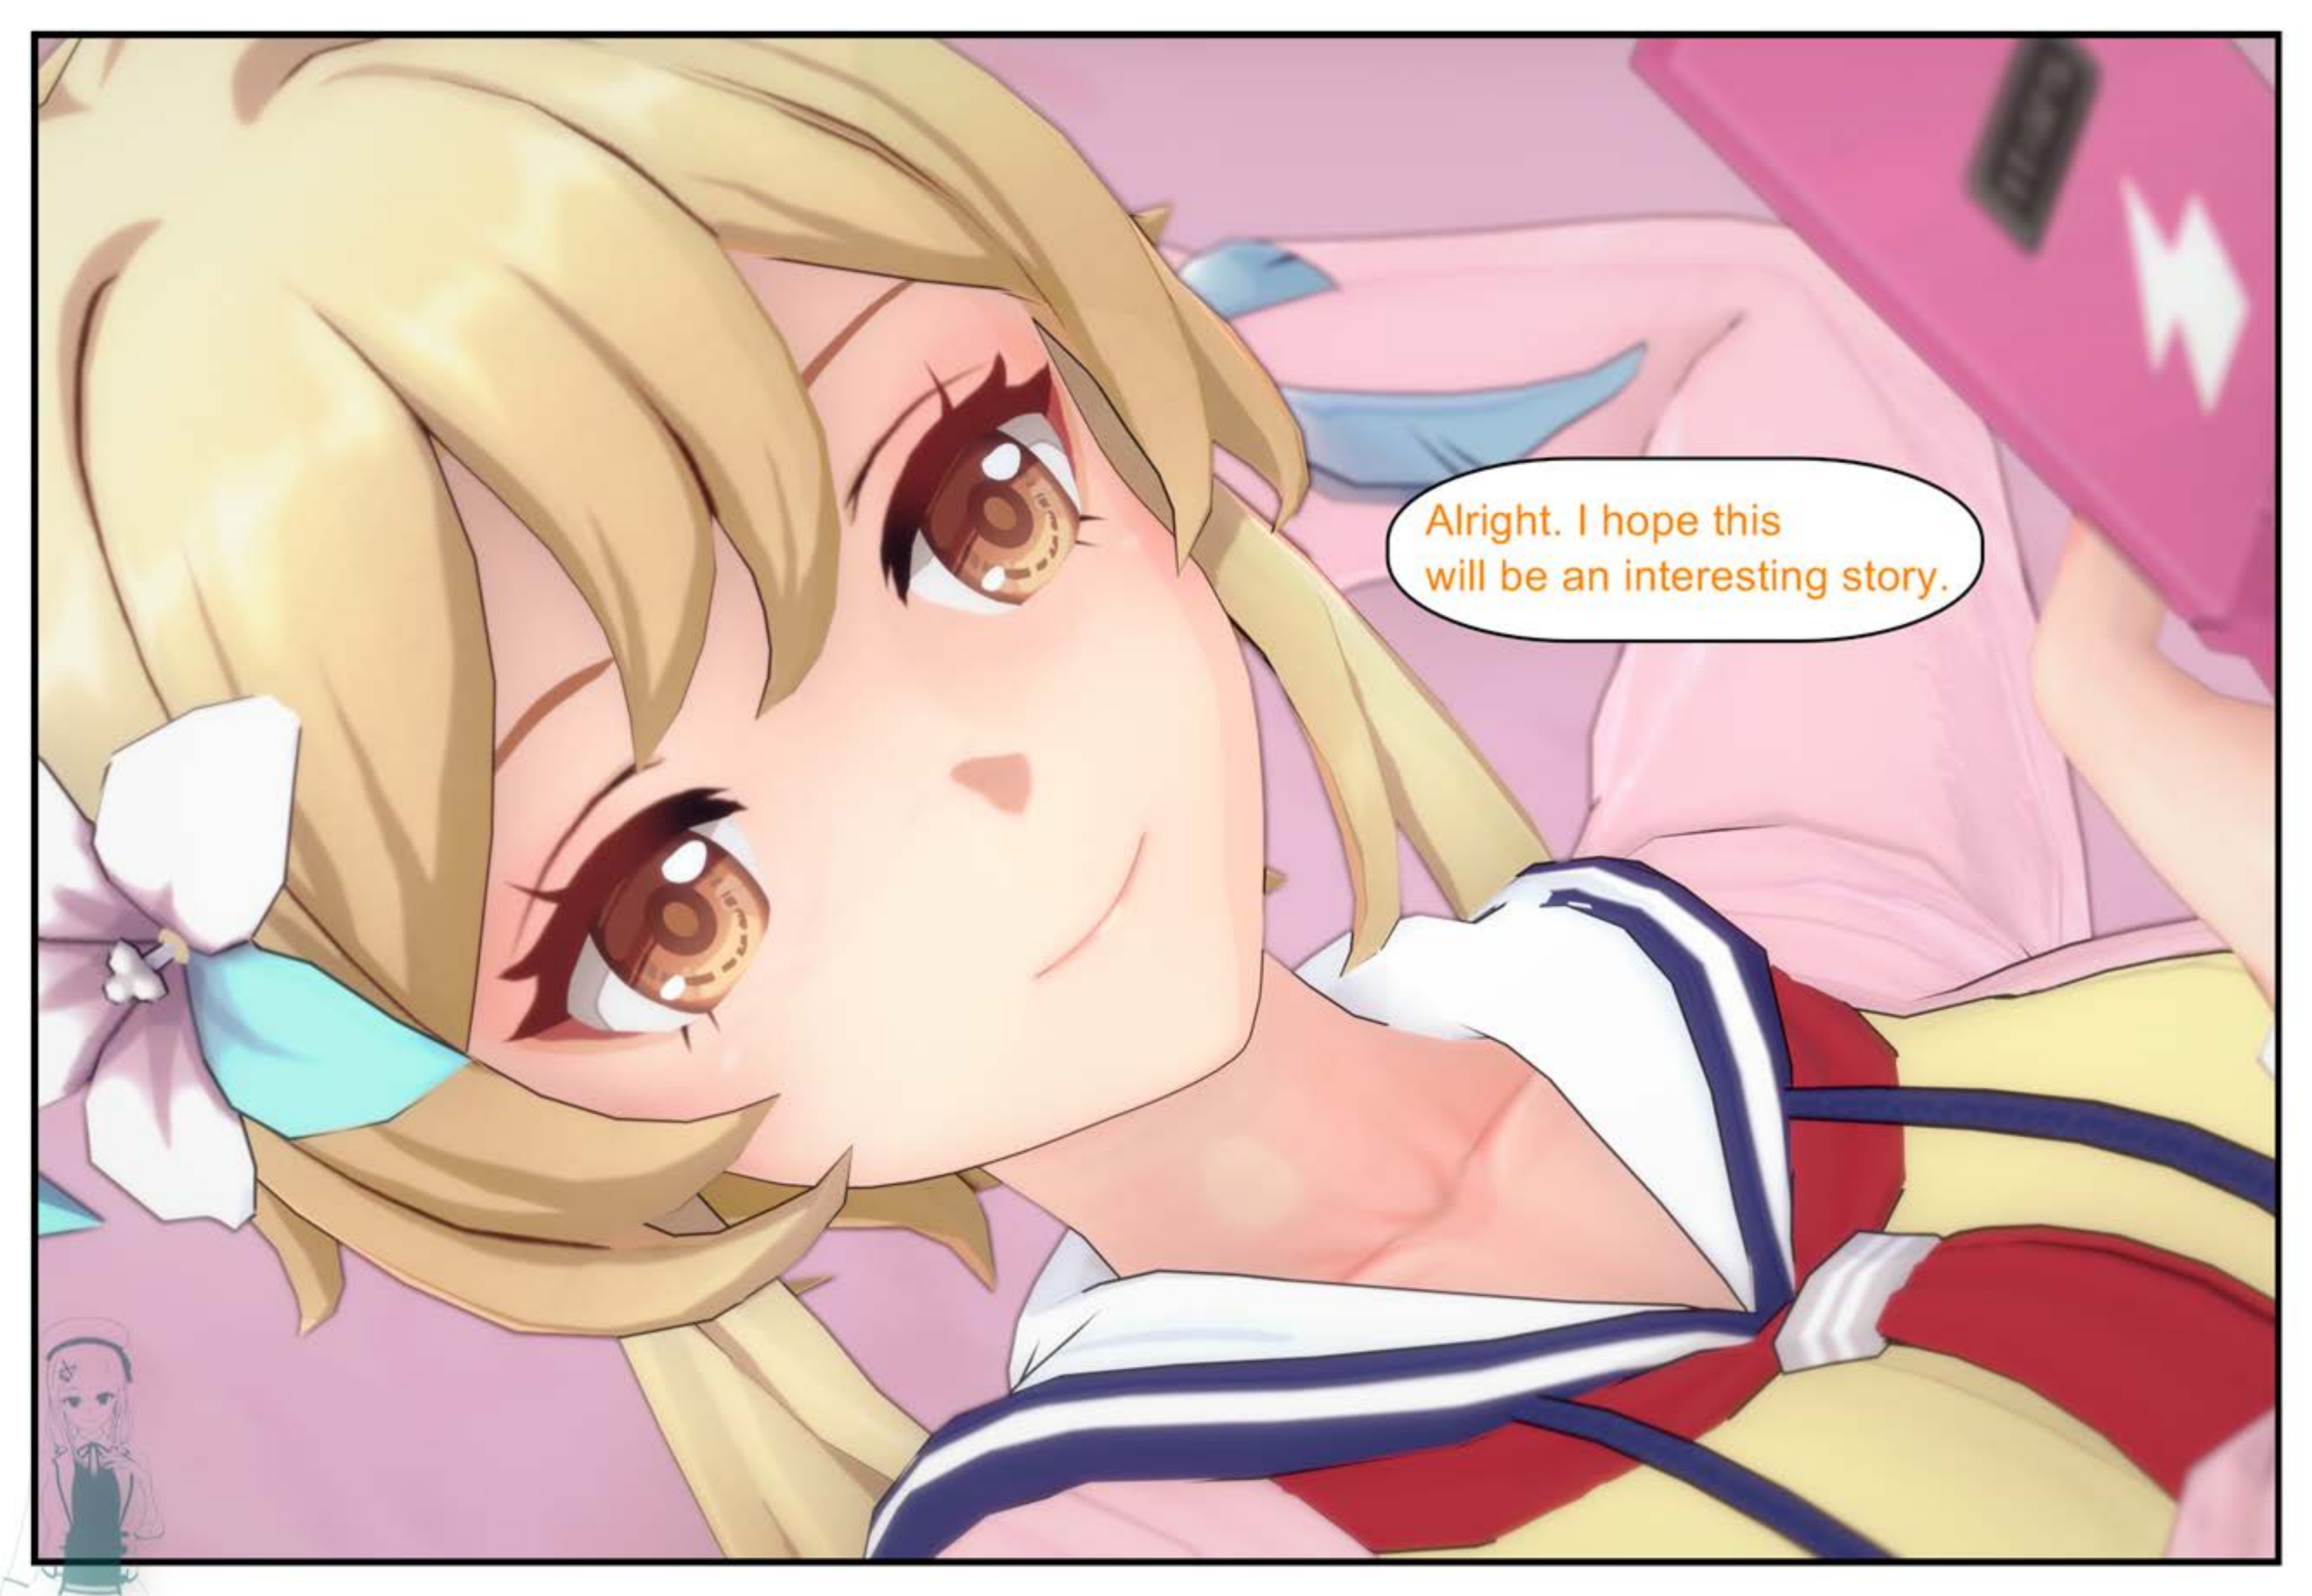

FLYER HEROES PRESENTS

IGICLUB

Scary.. Am I going to be a lab rat?

Of course not! You are going to be in another role.

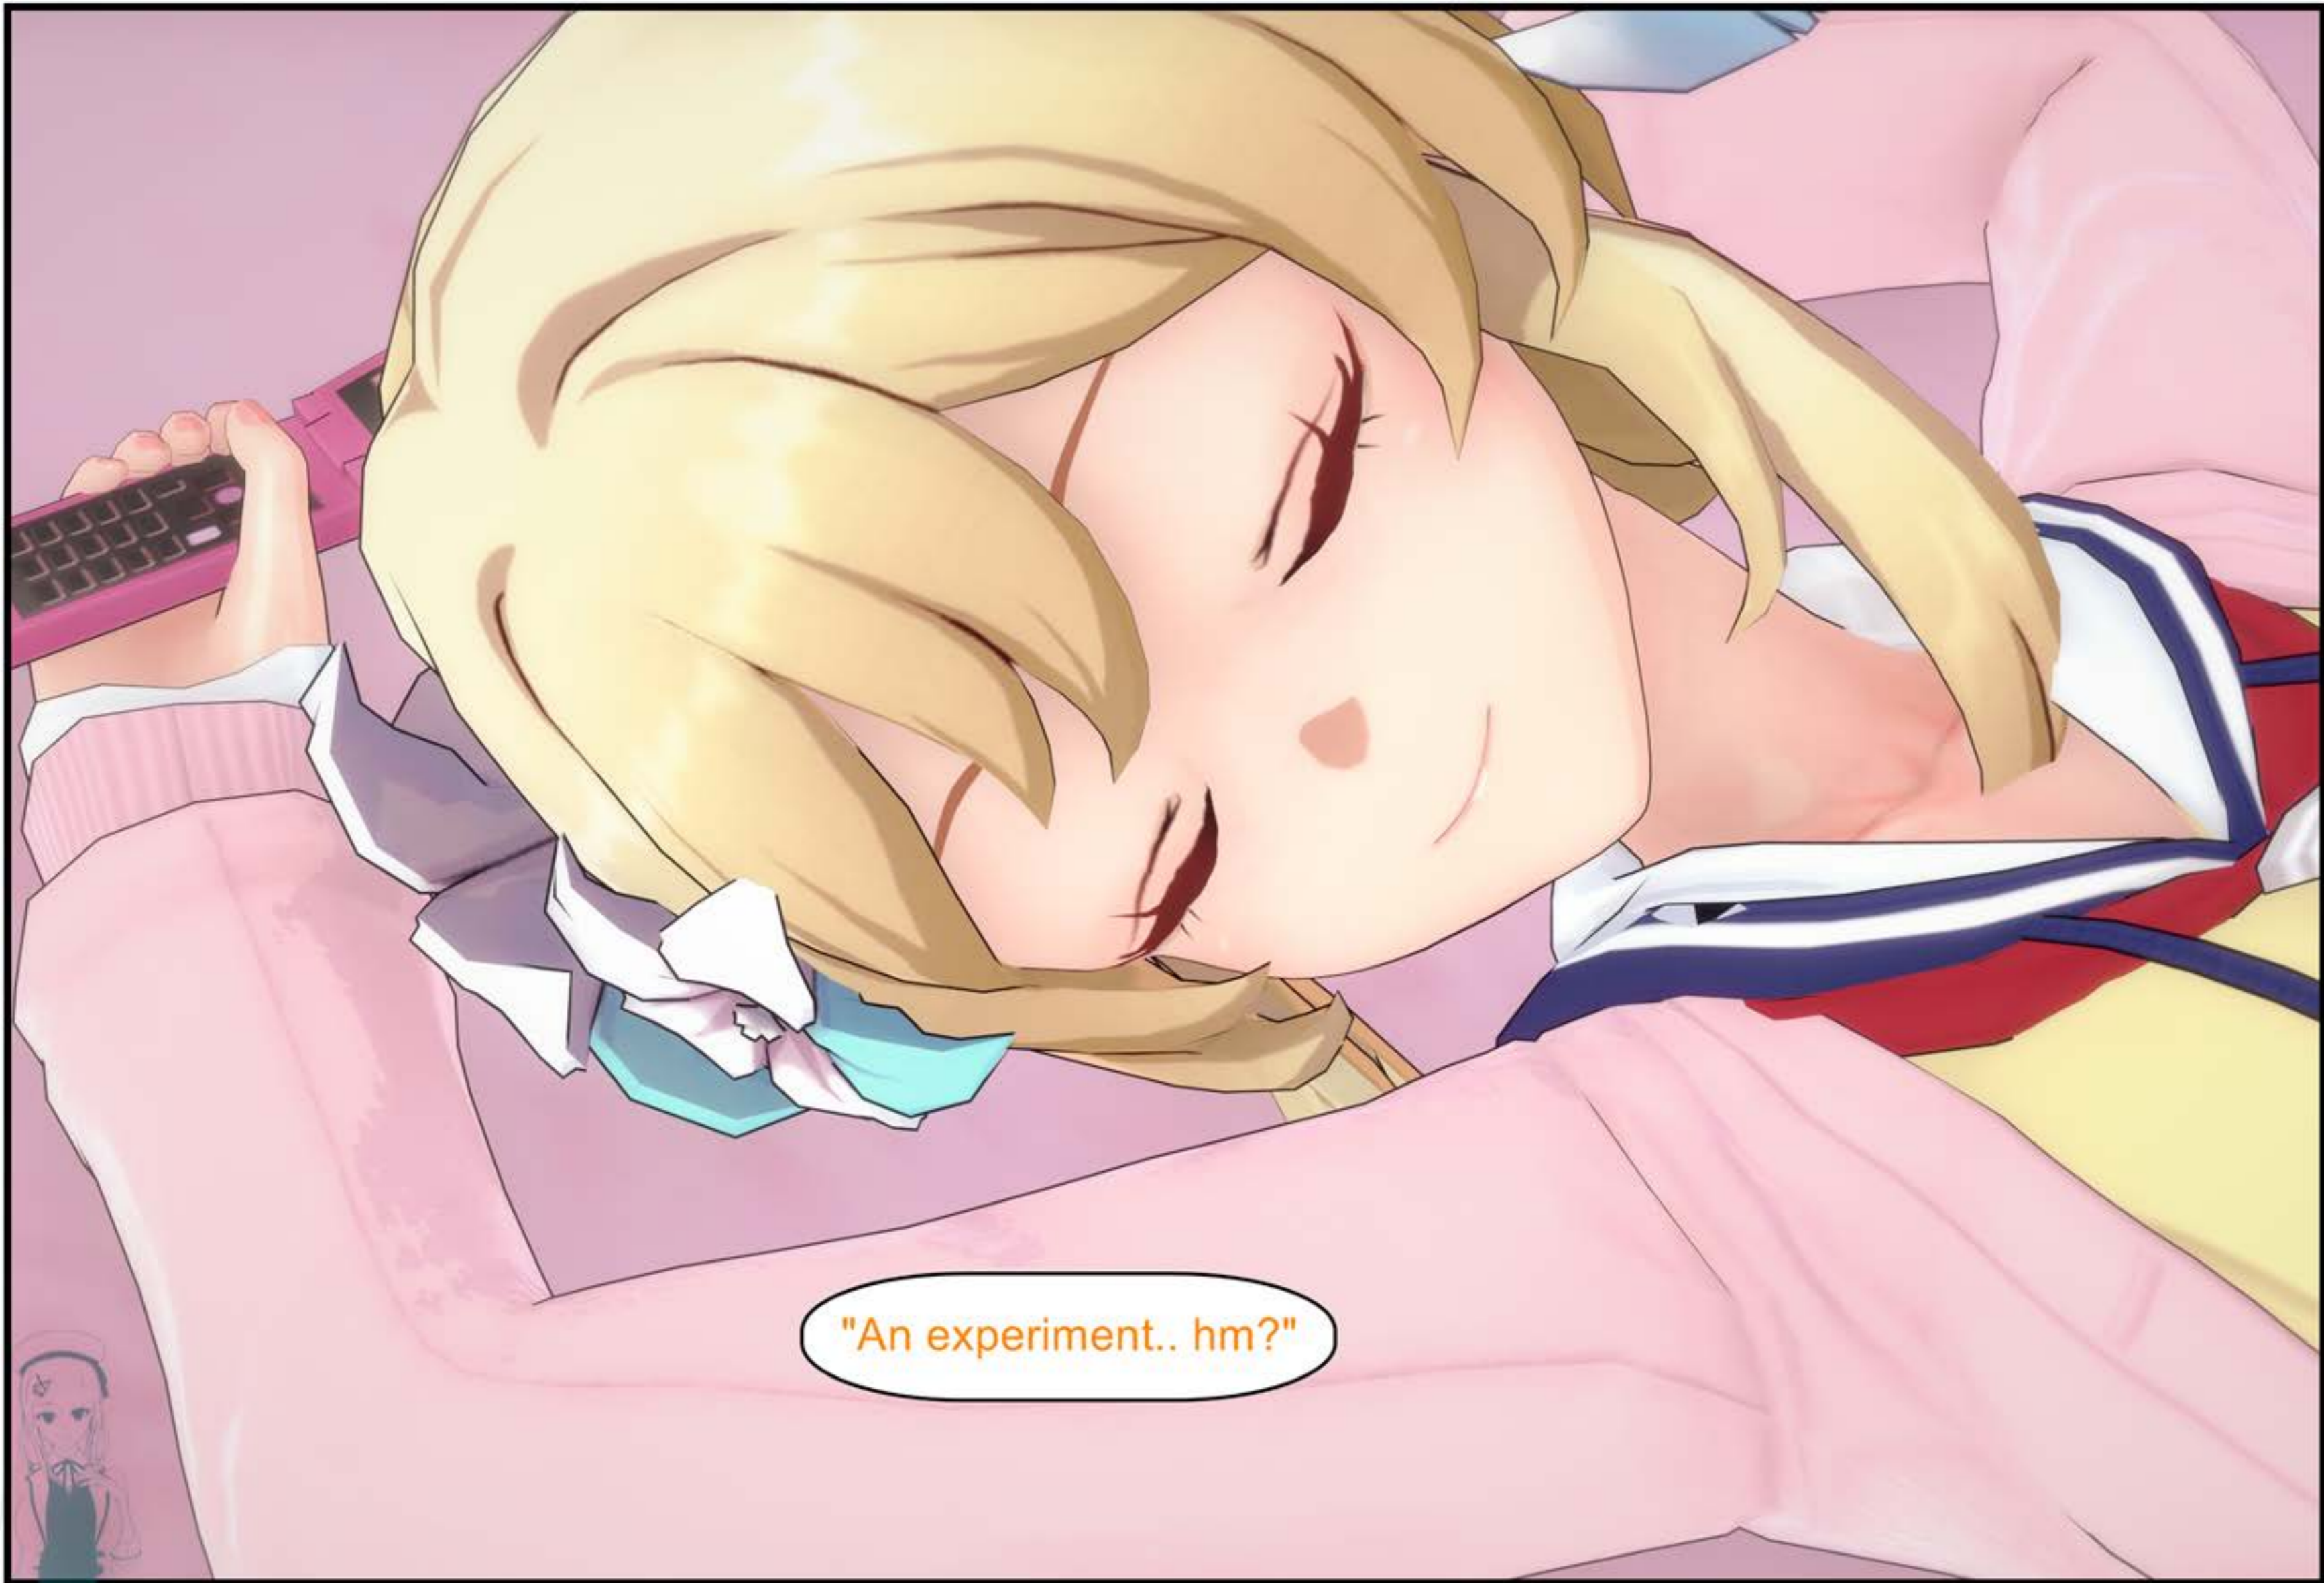

Alright. I hope this will be an interesting story.

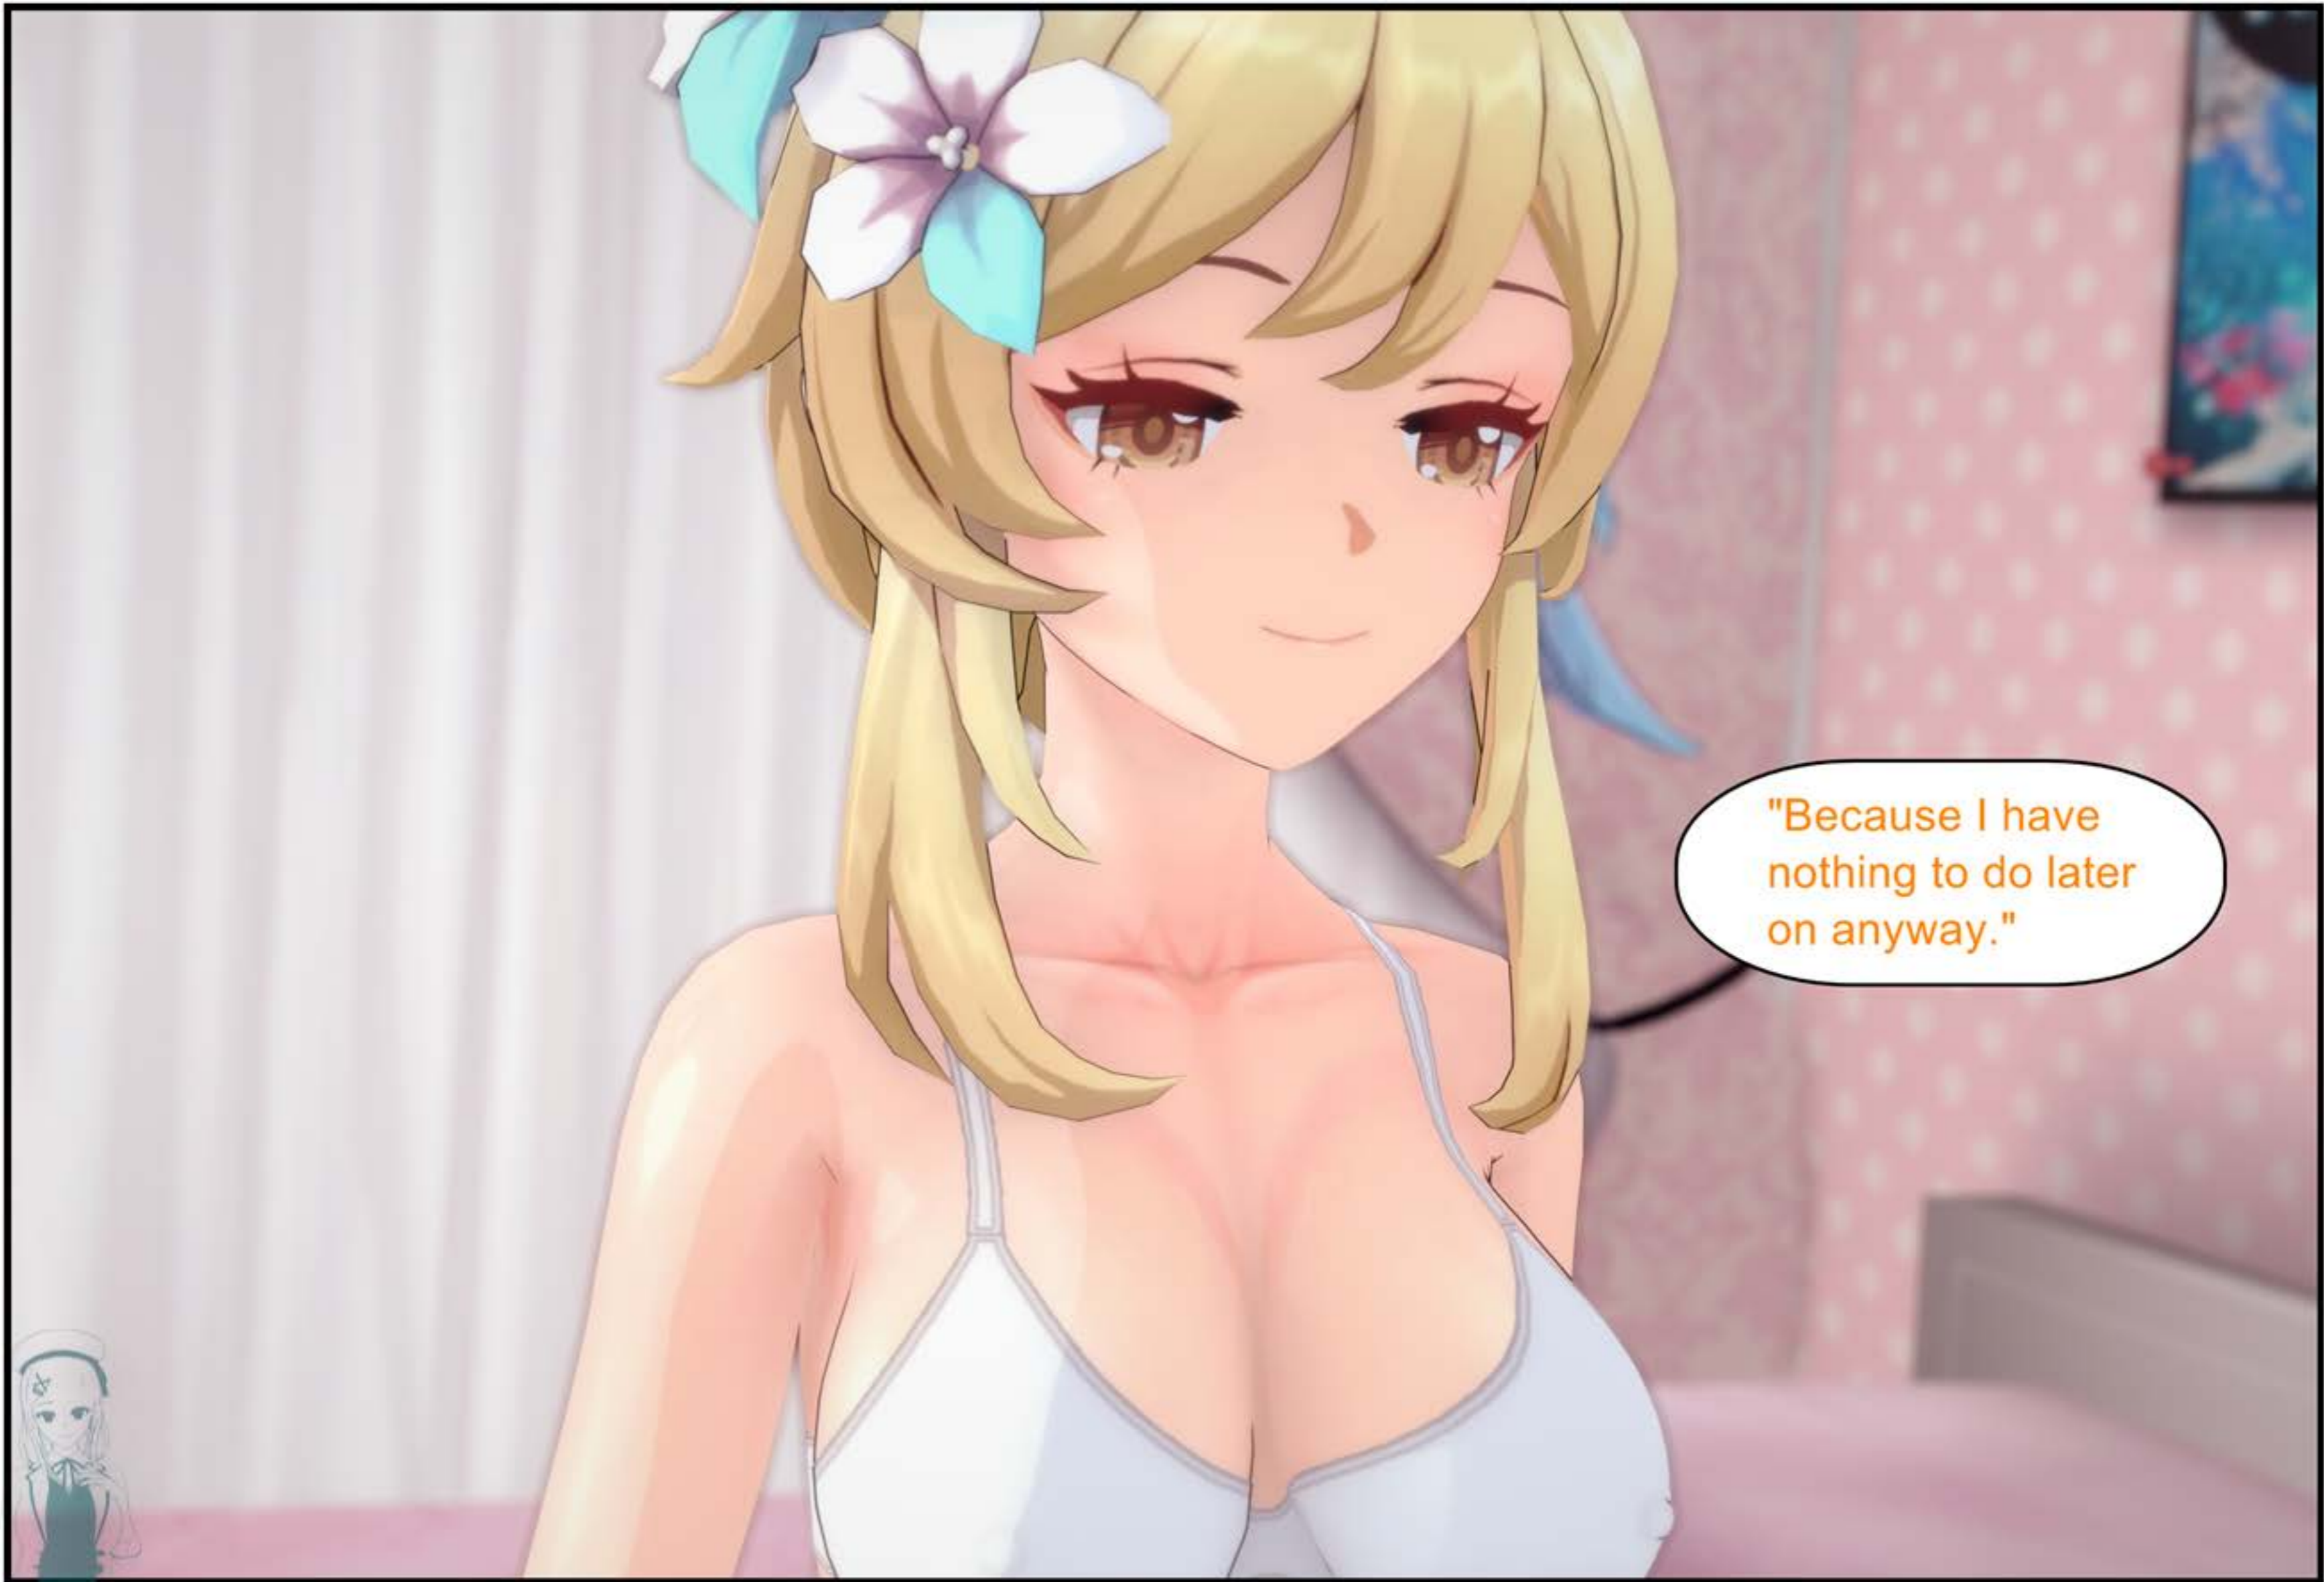

"An experiment.. hm?"

A close-up illustration of a person's legs from the knees down, standing on a multi-colored rug. The person is wearing sheer, light-colored stockings. The background shows a bedroom with a bed covered in a pink patterned duvet and a white headboard. The wall has a pink and white polka-dot pattern. A speech bubble is positioned in the upper right corner.

"I better hurry.
Can't let Nahida
to wait."

"Because I have nothing to do later on anyway."

Did you call
for me? Is there
an emergency?

It's nothing. By
the way..

Could you be a part of my small experiment?

Ugh.. Can't it be someone else?

Nevermind, if you don't like it.

F-Fine. I got nothing to do at the moment.

Before that, can you tell me what are you going to do?

An object that I would like to use..

Have you ever
heard the term of
'skinsuit'?

And of course, I don't force you to be volunteer..

Anyone home?
Nahida? I come
as you said.

Am I interrupting
you work or something?

Not at all. I'm
free for today.

Then, I'm glad
that you could join.

Before we begin..

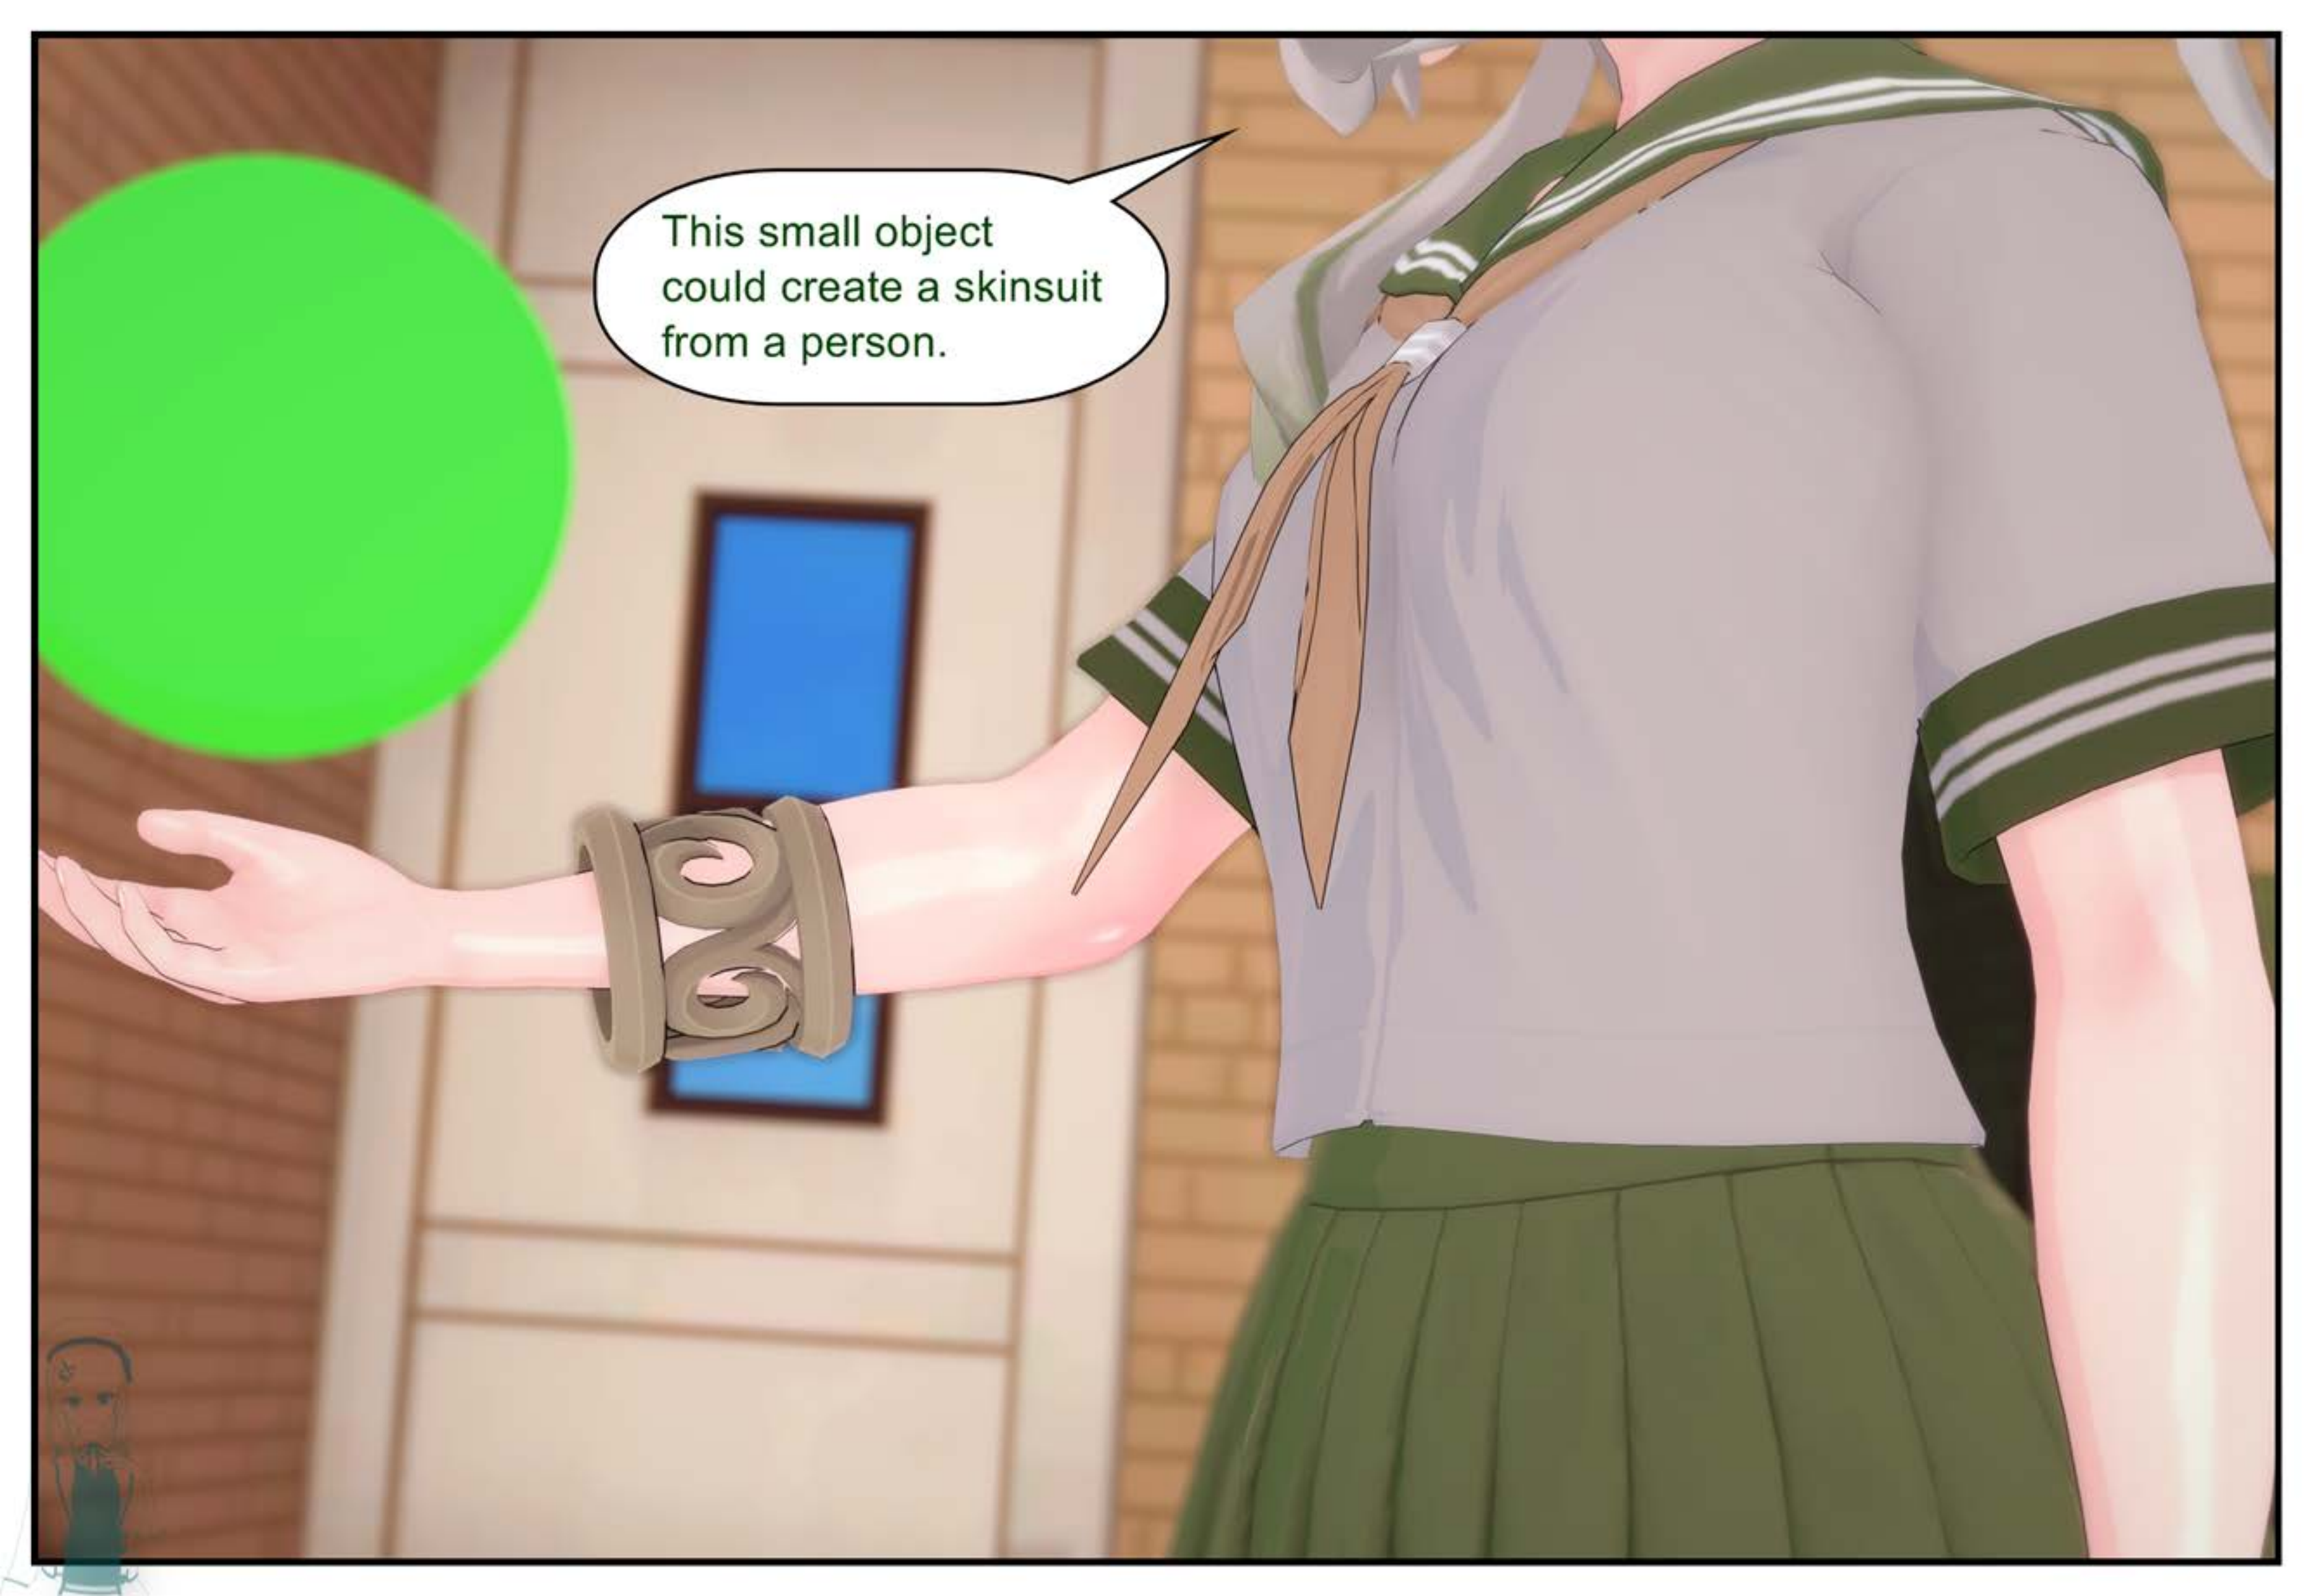

May I ask why
is he here?

What? Are you
dissatisfied with
me being here?

Ah.. Wanderer is
going to be our
volunteer.

Oh.. Well, what are we going to do now?

A character with long brown hair, wearing a grey short-sleeved shirt with green stripes on the cuffs and a green pleated skirt, is shown from the waist up. They are holding a large, glowing green sphere in their right hand. A speech bubble is positioned above the sphere. The background consists of a light-colored wall with a blue rectangular panel.

This small object
could create a skinsuit
from a person.

I want to use, and see how it goes.

And I will be
her lab rat for
experiment.

Okay, let's
start this right away..

A close-up illustration of a young woman with short, wavy blonde hair and large, round glasses. She has a pinkish-red blush on her cheeks and a slightly open, nervous mouth. She is wearing a black jacket over a grey top with a dark ribbon at the collar. Her hands are raised to her chest, adjusting the collar. The background consists of a brick wall on the left and a wooden door on the right.

H-His clothes are..

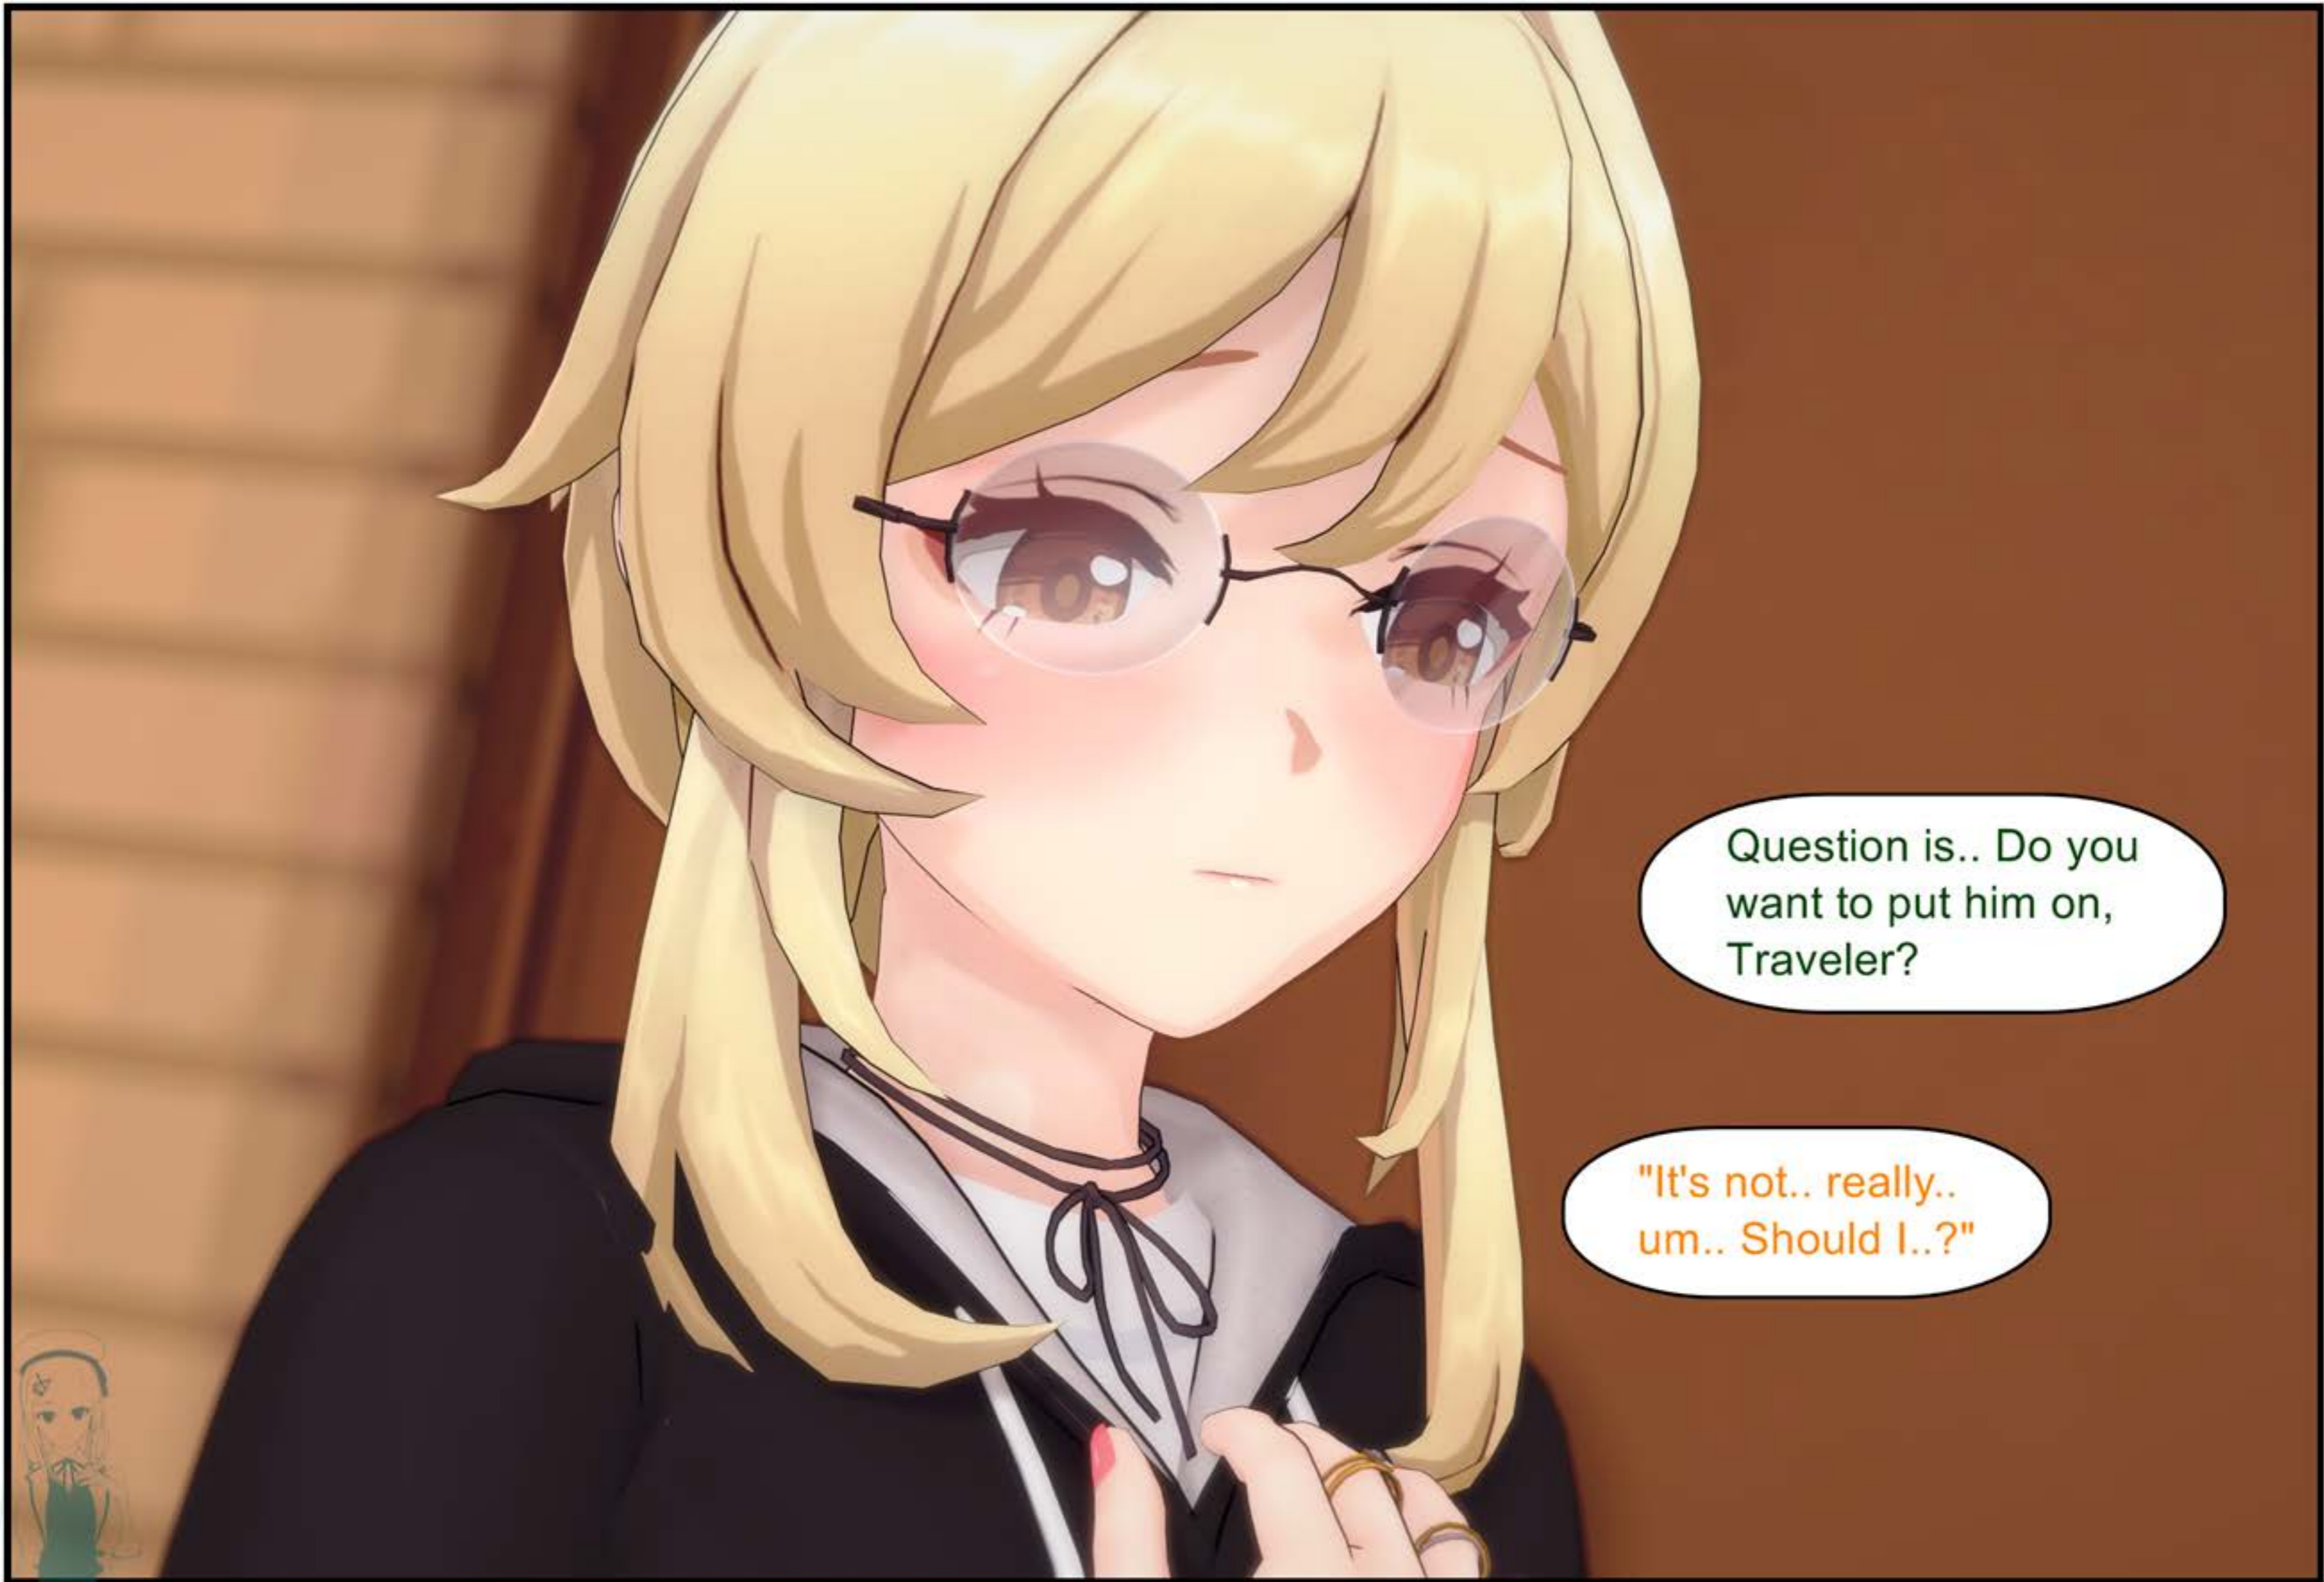

He has turned
into a skinsuit.

Question is.. Do you
want to put him on,
Traveler?

"It's not.. really..
um.. Should I..?"

"But isn't this interesting..? Having Wanderer's skinsuit.."

"Hmph.. For his disrespect to me.."

How can I put
him on, Nahida?

Legs in first, then
your whole body.
Like putting a suit.

He is.. a bit
too tight.. Haha..

Am I.. succeed?

You actually become him, how do you feel?

Except for the skin
is bit tight for my
breast, other is okay.

So? What are we going to do next?

By the way.. I feel something under me..

It's male genitals,
you can say that.

N-Nahida.. This..
I can't.. do it.. any longer..

Where did you..
have this idea?

I took it from a
story that contain
boy love.

And I wanted to enjoy
what if two boys
have sex like.

That's.. a bit..
too erotic..

Excuse me..?

I come to return
the book that I
borrowed, Nahida.

Hi there, Xingqiu.
Care to hear about
my small project?

"Skinsuit.. and boy love, huh?"

Well, that's all I could say. Do you want to volunteer?

As long as it's not dangerous, I'm in.

I'm ready, Nahida.
Let's get started.

I would gladly!

Xingqiu auto fit
me well.

Feel a bit..
awkard, right?

Now then, shall we start?

Um..!!

Un.. Um.. Nn..

Slurp.. Un.. Um

S-Something.. hot

Gulp..

Um.. How interesting
boy love is..

Maybe.. we should
do this more often
for more result?

Do you agree with
me, Traveler?

"After that, my
imagination life
came to a new page."

"As Wanderer and Xingqiu, a lovely couple."

Well? How was the story?

"L-Let me see..
It's a boy love novel..
But.. but.."

"What in the world
kind of set up is this!?"

A young girl with blonde hair styled in two pigtails, each tied with a blue ribbon. She has a large white flower with a blue center in her hair. She is wearing a yellow dress with a red sailor-style collar and a red tie, and a light pink cardigan over it. Her eyes are closed in a content expression, and her hands are raised near her chest. The background is a pink wall with white polka dots and a red teddy bear is visible behind her.

"If this get published..
Not only Yae Miko's
Publisher will be.."

T-Traveler.. Please give me some more time to think..

Great! Then I will think of the next context for it!

"That's.. already enough.."

END?
