

# CAGED Soloing | C Shape | I - V Progression

Use the I V Jam Track in A Major

This practice sheet tackles the Key of A Major, but you can apply this technique to any key using a C Shape as the I chord.

On the left, I've spelled out an A Major chord using a C Shape. In this case, the root notes (A) are on the 12th and 9th fret. On the right, I've mapped out the C Shape Pentatonic Scale in pink under the yellow C Shape A Major Chord.

Yellow = A Major Chord

Pink = A Major Pentatonic Scale

Green = A Major Scale
