### **Michelle's Lactose Destruction!**

Today is the day! I woke up at 6am, I was so nervous! I had literally been smoking weed all day trying to calm myself but my heart was racing! I spent an hour cleaning up my place and putting away anything she would be able to recognize me from! Pictures, bank documents, pretty much anything with my name on it! Every time i finished and sat down to smoke, id remember something else and have to move it!

It was about 3pm and she texted me tell me she was on her way. She kept asking if I was sure about this! She was sure I wasn't going to enjoy myself but I assured her I totally would and was looking forward to it!

Around 3:45pm i smoked a quick joint, then got completely naked and laid under my toilet box. I had a black mask over my face with just my eyes nose and mouth poking out, I knew she would look in the toilet and couldn't take any chances with her finding out who I was.

I was literally shaking with excitement, I was shivering on the floor and had to purse my lips and breath deep to stop myself from shaking! Not only is my cousin lactose intolerant! But she has one of the nicest asses i have ever seen! She would have sleepovers with my older sister when we were younger and i would always sniff her dirty panties! They always stunk like pure shit! So strong I couldn't put my nose right to the fabric! I was maybe 11 or 12 the last time I smelled her panties but i still remember the potency of the odor!

Before I tell the story with her shit, i want to tell a quick fart story from the past with her! We were going to a family members house for a big family

gathering and my parents picked up her and her younger brother to bring with us! My mom and dad were in the front seats! The back seats had my younger brother, my older sister, and my cousin in the middle seat. Me and her little brother were in the back, just sitting in the trunk with no seat belts!

She was 16 at the time, and still had an amazing ass and big bubble cheeks! We were about five minutes away from the party and the car was stopped at a red light!

Michelle undid her seatbelt, sat on top of the seat, bent over with her butt sticking right out and filling the trunk space! Me and her brother stared at her ass wrapped in leggings! They were the cheap kind that were really see through and she had little holes all over the back ass part!

**BRRRRFFTTT PRFFFRTTTT BRRTTTTTTRRTTTTTT**

She let out one of the longest and most foul farts i had ever witnessed in my life! Still to this day I don't think i have smelled anything more foul! Her gas was so thick and filled the trunk! Me and her brother couldn't breathe and began choking and gagging! My parents and siblings were all laughing their asses off! They thought it was the funniest thing in the world! Michelle kept her ass up on the seat for a minute while me and her brother pushed on her cheeks trying to force her back into the carseat!

It stunk like onions and beef! My eyes were watering and we were both fanning our noses and trying to blow the smell away! There were no windows in the back so we were dying! The smell wafted up to the front and everyone else began fanning their noses and complaining! It wasn't as concentrated as it was in the trunk though!

For my entire childhood, I masturbated to that memory, I can't even count, at least 150 times!

She walked into my place and I was literally shaking, I was so excited, I couldn't believe this was happening! She came in and began walking around, she saw me in the toilet

"Hey, im Michelle" she said politely

"Nice to meet you, im Jimmy" i said from the box and in a deep voice!

"Why are you talking like that" she asked while laughing!

"Like what?"

"Your making your voice all deep!" she laughed and walked to my fridge, opening it and grabbing some juice for herself. I could hear her walking around and inspecting things.. Then she sort of gasped a little bit..

"Uhhh... Jeremy?" she asked and my heart dropped to my stomach.

She walked into the bathroom and stepped over the toilet box then looked at my hand! **I FORGOT, IM SO FUCKING STUPID!** I have a tattoo on my wrist that is very easily recognizable! She saw it and knew instantly it was me! I heard her rush out and slam my door! I quickly got up and ran into the living room... my wallet was on the table and open! I forgot to put it away and she checked the cards to see my name! **IM SO FUCKING STUPID!!!!**

I texted her right away apologizing and begging her not to tell my family! She didn't respond though! I must have sent 40 text messages! I was so stressed and angry I was literally punching holes in my wall and screaming at myself!

**WHAT THE FUCK, WHY ARE YOU SO STUPID! WHY DO YOU ALWAYS THINK WITH YOUR DICK! MY WHOLE FAMILY IS GOING TO KNOW I EAT SHIT NOW AND PAY FOR IT! FUCK FUCK FUCK!**

She texted me back about 30 minutes later. She told me she was down the street at a coffee shop and asked me to come meet her for a drink. I was so nervous, I was shaking the entire walk there.

When I walked in she was sitting at a small two person table! She had on a pink workout tank top and tight grey leggings! Her ass and thighs looked so good! She has a very homely looking face and is extremely beautiful in a very normal sort of way! She doesn't wear a lot of makeup and is really natural! I walked over and sat down, blushing and hanging my head

"I'm so sorry Michelle, i'm so sorry, I didn't mean to trick you, and i didn't want to make you angry! Honestly when you replied to my ad i was so surprised I didn't know what to do!"

"You could have not responded," she said with a smile

I laughed and agreed with her

"Again, i'm really sorry Michelle, please, i can't apologize enough!

"You don't need to apologize to me, it's fine, I just am a bit shocked, why do you like this? How many times have you done it?" she asked curiously

I was scared to answer

"Are you going to tell our family?" I asked

“That depends how truthful you are with me,” she said with a smile and I knew then she wasn’t going to tell anyone. I could tell from her smile she wasn’t going to screw me over like that, she could tell how embarrassed I was.

“I’ve done it a few times, with two different girls i know” i answered

“I know it’s weird, but I really enjoy it, it’s hard to explain, but it’s a kink”

“I get that it’s a kink **OBVIOUSLY**, i just am a bit confused, do you actually want me to do it for you? Isn’t that weird because we're related?” she asked.

“Well, it’s not like sex, we don’t touch, its more the humiliation i like”

“I get that Jeremy, what i’m asking, do you really want ME to do it? Like if another girl answered your ad would you have asked her instead of me?” she was a bit more serious now and I could tell she was a bit self conscious about using her cousin.

“Honestly, I have always been turned on by your farts and would kill to be your toilet!” I said while blushing but taking a leap of faith!

She began to laugh and slowly got up from her seat, walking to the counter where the baristas were. I watched her thick ass wiggle back and forth in her leggings, her cheeks are so so fat! She had the barista add something to her coffee then she came back!

“What did you get?” I asked trying to keep the conversation moving

“I had them add a ton of cream, you said you love my farts? Let’s put that to the test then? Would you like that?” she asked in a teasing voice and I nodded, I was shaking!

“You have weed right?” she asked and i nodded

“Good, let’s go smoke, common” she said while walking out, my heart was racing a million beats per minute! I was watching her ass the entire time! I wanted to drop to my knees right there and bury my face in it in the coffee shop!

She walked to her car and I hopped in, it took less than 2 minutes to drive to my place. As we were getting out of the car she stopped and held her stomach!

“Ugh fuck, that cream is already hitting me!” she said with a smile!

We were walking up the stairs to my place, there is a small 6 step staircase heading up to the porch! She stopped ahead of me, with one

foot on the step higher and her massive ass pushed out inches from my face

**BBFBFFRRRTTTTTTTTTT**

She laughed as I sniffed deep! I pressed my nose to her ass crack and sniffed as hard as I could! It was so foul! It smelled like old dairy and fresh shit!

She pushed my head away from her ass and walked to the top of the porch.

“Wait until we're inside you pervert! There's kids in the park!” she said while pointing across the street to the park full of people!

We got in and I rolled a big joint for us! As I was rolling it she went to my fridge and found some organic yogurt, she got a spoon and took the whole container to the couch with her!

“This is going to kill my tummy, so i hope you really enjoy it!” she said while smiling!

“I don't want you in pain, you don't need to eat yogurt! Really!” I tried to sound caring but I wanted her to inhale the entire thing!

“I don't mind, your paying for it, and as soon as i go it doesn't hurt anymore!” she said while shoving a massive spoonful of yogurt to her mouth!

“So do you actually eat it?” she asked

I lit the joint and started it up

“Sometimes” i said while blushing

She laughed and then when I passed her the joint she shook her head!

“I'm not sharing that with you, your toilet! Roll me my own!” she said while laughing, the comment made me so hard! It was so insulting but she didn't even realize it!

I rolled her another joint! As i was rolling it she got up and came to my chair, bending over and sticking her big shitty smelling bum into my face! Her leggings were so tight and hugged her skin like they were painted on! I shoved my face into her ass and could feel my nose pushing into the sweaty crack of her ass! It stunk!

**BRRRRFFTTT PRFFFRTTTT BRRTTTT**

She let out a bomb that almost knocked me back! It lasted for about 7 seconds and I could feel her asshole vibrating through her pants! I started to choke and gag after taking a nice long sniff! Michelle was laughing her ass off!

“Yeaaaa, it sounds like you love that” she said while laughing and sitting on the couch!

“You clearly didn’t enjoy that!” she said with a smile!

“I know, but it’s the humiliation I like!” I answered and passed her the joint I rolled for her!

She lit up and began smoking

“I haven’t smoked in so long! It makes me so gassy!” she laughed clearly trying to make me excited!

“So what does it taste like?”

“What?” I asked

“What do you think??? Shit you idiot! What does it taste like?” she asked while smoking!

“Uhhh, well, sort of like bitter hot clay, it’s different with different women but it doesn’t taste good” she laughed as I answered!

“Your **SOOO FUCKED, THIS IS NUTS**” she laughed

Michelle leaned on her side on the couch, pushing her bum out without getting up!

“I have another stinky bubble coming if you want it?” she said with a smile while taking a drag of her joint!

My dick was so hard because of the way she called it a stinky bubble! I crawled over and turned my head sideways pushing my nose to her ass crack and sniffing deep! I could still smell her last fart and her ass stunk so shitty!

**BRRRRFFTTT PRFFFRTTT BRRTTTTTRRTTTTTT**

She out out a fart that was almost identical to the one from the car when we were younger! She blasted my face and I could literally feel the gas pushing through her leggings! I started choking half way through the fart and she held the back of my head to her ass while she finished! It was **FUCKING RANCID**, i choked and almost threw up in my mouth! It stunk like old dairy and rotten eggs! Michelle was laughing so hard she could barely breathe!

“Go get in the toilet, i'm ready **REALLLLLLLY SOON**”

I was so excited! I got into the toilet without my mask, I laid there and waited, my dick was rock hard!

**BRRRRFFTTT PRFFFRTT**

A fart echoed through my living room and she laughed!

“I bet you wish that was in your face right fart boy?”

I heard her walking over and she lifted the seat, looking down at me!

“Look at you there... just waiting, so patiently, to **EAT MY FUCKING SHIT!** Do you know how perverted you are! Its fucking gross!”

I blushed a bit and didn't answer her, her tone immediately changed!

"Hey, sorry, do you like that, me being mean?" she said caringly

"I do!"

"Okay, you looked upset"

"I know, but i like it" I assured her

"Ok good!"

I watched as she spun and slowly pulled down her yoga pants! Her fat tanned ass cheeks wobbled back and forth as she stood over the seat wiggling her butt! She sat down slowly, letting her ass touch the seat before standing and dancing another minute over the toilet seat!

“You look so anxious! You should be, it’s gonna be huge, text me later, and i want you to tell me how i compare to the other women you’ve eaten from, okay?”

“Yes Goddess”

“She began giggling and teasing me”

“Oooo Goddess, is that what you think of me?” she asked

Before I could respond she dropped onto my toilet box hard! The top cracked a bit under her ass from the weight of her fall!

**BRRRRFFTTT PRFFFRTTTT BRRTTTTTTRR**

Her anus was so large! It expanded and blew outwards, her gas literally moved the hairs on my head! The entire box immediately filled with her stink and I choked horribly! It reminded me of the car fart so much! It was so thick and heavy and actually impossible to breathe without choking! I could feel the heat in my lungs!

Her asshole was tight but the outside of her asshole was really large and extended far! It’s a bit hard to explain but it was so sexy! When she grunted and her asshole tensed open i could actually see inside her colon a bit! A bit of anal juice dripped from her hole to my nose, and i adjusted my position so it would drip in my mouth!

**BRRT SPRRTTT BRRRFTTTT**

She let out another blast of gas! I could feel the pressure of her gas on my eyes and i had to close them! My eyeballs were burning!

“Ooooooh smell that one! It was wet, it’s coming soon. Are you ready?”  
she asked in a teasing voice

**BRRRRFFTTT PRFFFRTTTT BRRTTTTTTRTTTTTTT**

She let out another horrid blast! It was at least 10 seconds long and ended with a short wet vibrating splatter, a tiny bit of juice dripped from her anus!

“I let out a really loud gag, it was just so humid and hard to take in!”

“Hahahah it sounds like **YOU REALLY LOVE THIS**” she said a bit sarcastic

I was staring at her asshole when it stretched and widened quick! Her shit came out so fast! It was really really light brown and horribly mushy, so much that it was barely solid! As soon as the shit hit my mouth and began piling it started to sink and compress down making an airtight mask of shit! Her hole was crackling and spraying bits of small gassy farts between her logs!

I took a big mouthful and tried to swallow! It was so mushy i didn't need to chew at all, kind of like burning hot apple sauce! I choked and spit it up right away, I could taste the dairy in her shit and it was horrendous. I have never eaten from someone lactose intolerant before and the taste was unreal, it was burning hot and spicy even though it had a dairy flavor to it!

It just kept coming and coming! She barely stopped for a break! Her shit had piled over my entire face, I could breathe just a little bit through my nose and even that was quickly being closed off with feces! I felt another big piece hit my face and I couldn't breathe at all! I turned my head, dumping the shit off and looking up as even more came! Her asshole was caked in shit and letting out a soft serve stream, it was endless! I felt like I needed to puke but she was nowhere close to done!

**BRRRRFFTTT PRFFFRTTTT**

She let out another fart bt this one was straight from the depths of hell! It had been sitting between her shit and absorbed so much stink! When the gas hit my face I immediately began dry heaving and threw up in my

mouth! I've never puked in my toilet box before but this was just too much! I turned my head to the side and began puking silently while she continued shitting on the side of my face!

**BRRRRFFTTT**

I was looking up at her asshole and she began to wipe! I had never been so happy to be finished! The box was a horrible mess! She got up and struggled to pull her leggings over her ass cheeks! She turned around and looked down at me, and began instantly laughing!

**“OH MY GOD, I CAN BARELY SEE YOUR FACE! I BURIED YOU ARE YOU ALIVE”** she asked and I moaned through the pile of shit! I could only see out of one eye!

She took out her phone and snapped a picture of me!

“This is my insurance policy, if you ever do anything to make me really mad, i will always have this to blackmail you with” she said with a smile then knocked the toilet seat closed!

I could hear her butt sit on the seat and the toilet pushed down a bit! She was done but just sitting on top of the box! She began counting the money i left, very slowly.

**“20, 40, 60, 80, 100, 120, 140, 160, 180, 200”**

“I hope that was worth it toilet! You know my number so call me when you want to try again! Or I can just surprise you at our next family get together!” she laughed and left!

As soon as the door closed i began to furiously masturbate! I came in less than 15 seconds! I swear on my life! I was still covered in her shit but I laid there and kept jerking off, I came again in about 45 seconds!

I cleaned up, it took an hour and a bit, there was so much shit everywhere, I had to use two garbage bags for all her crap and toilet paper I used cleaning! I showered and cleaned up, I was a mess! And i have literally been masturbating all day! My dick hurts right now because i've been going to town so much hahaha

**This story is 150% true!**
