

Somewhere in  
t-pose-no-emotion land.

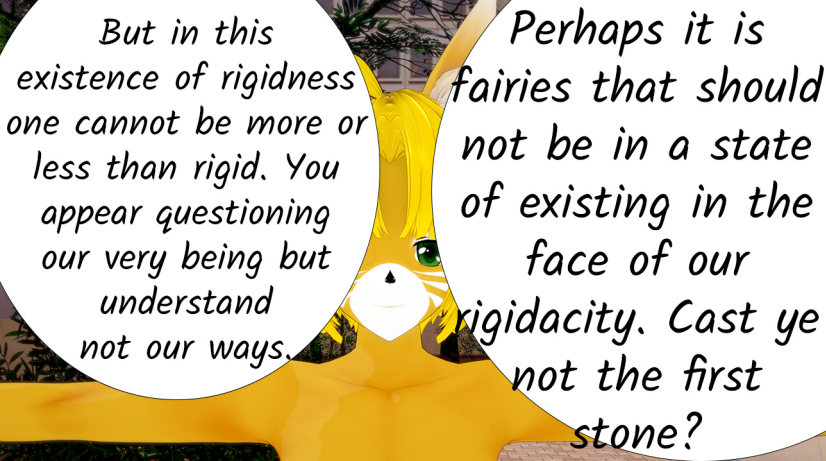

I feel  
rigid  
today.

Yes. I  
too feel  
rigid on this  
day.

A 3D-rendered anime-style fairy with long, flowing white hair, small horns, and large, vibrant wings. The wings are primarily blue with a bright pink inner section. She is wearing a black bodysuit and black thigh-high stockings with white garters. She is perched on a tree trunk in a park-like setting with a stone wall, a wooden bench, and a paved walkway in the background. A large white speech bubble is positioned to her right, containing text.

Halt your  
rigidness. You  
know it is illegal  
to be rigid in  
front of a fairy!

But in this existence of rigidness one cannot be more or less than rigid. You appear questioning our very being but understand not our ways.

Perhaps it is fairies that should not be in a state of existing in the face of our rigidacity. Cast ye not the first stone?

A scene from an anime. On the left, a woman with long dark hair is seen from behind, wearing a dark blue top. In the center, a butterfly with blue and pink wings is flying. On the right, a large, stylized yellow and white character resembling a flower or a large insect is visible. The background shows trees and a blue sky.

Enough law breakers! You disgrace a  
fairy once and twice over! Now you  
paaaaayyyy!!!!

No!  
She's going to dis-  
perse  
my riginosity!

My horroscope  
predicted this...

Are we the  
sinners in this world  
or is it the aggressors  
who made it such a  
rigid place..?
