Proposed in this document is an offer of non-aggression, cooperation and friendship between all parties. Through this alliance, each party benefits.

Upon determining the location of the Wave Echo Cave, The Black Spider will secure the asset so each of the following may be achieved:

1. The Redbrands and residents of Phandalin will be considered off-limits to any unprovoked violence so Iarno may focus on securing a legal claim.
2. The Cragmaw Clan will maintain sovereignty in their territory and receive resources and aid to repair the castle.
3. The Warriors of Wyvern Tor will enjoy first picking rights on the treasures in the Mine.
4. The Black Spider will retain sole ownership of the Forge of Spells and exclusive rights to its produce.
