A dimly lit hospital room with a blue color palette. In the foreground, a blue folding chair is partially visible. To its left is a small, round wooden table with a black cylindrical object on top. In the background, a hospital bed with a patterned sheet is visible. A speech bubble is centered in the middle of the frame.

"Haven't I told you
about how my story?"

"You knew that I was killing for undercover agency."

"After I retired,
I couldn't forget
about what I did."

"Until one day, I came to a cafe shop named 'La Soleil'."

Welcome to
La Soleil, Master!

"I met those
two and somehow,
I felt warm.."

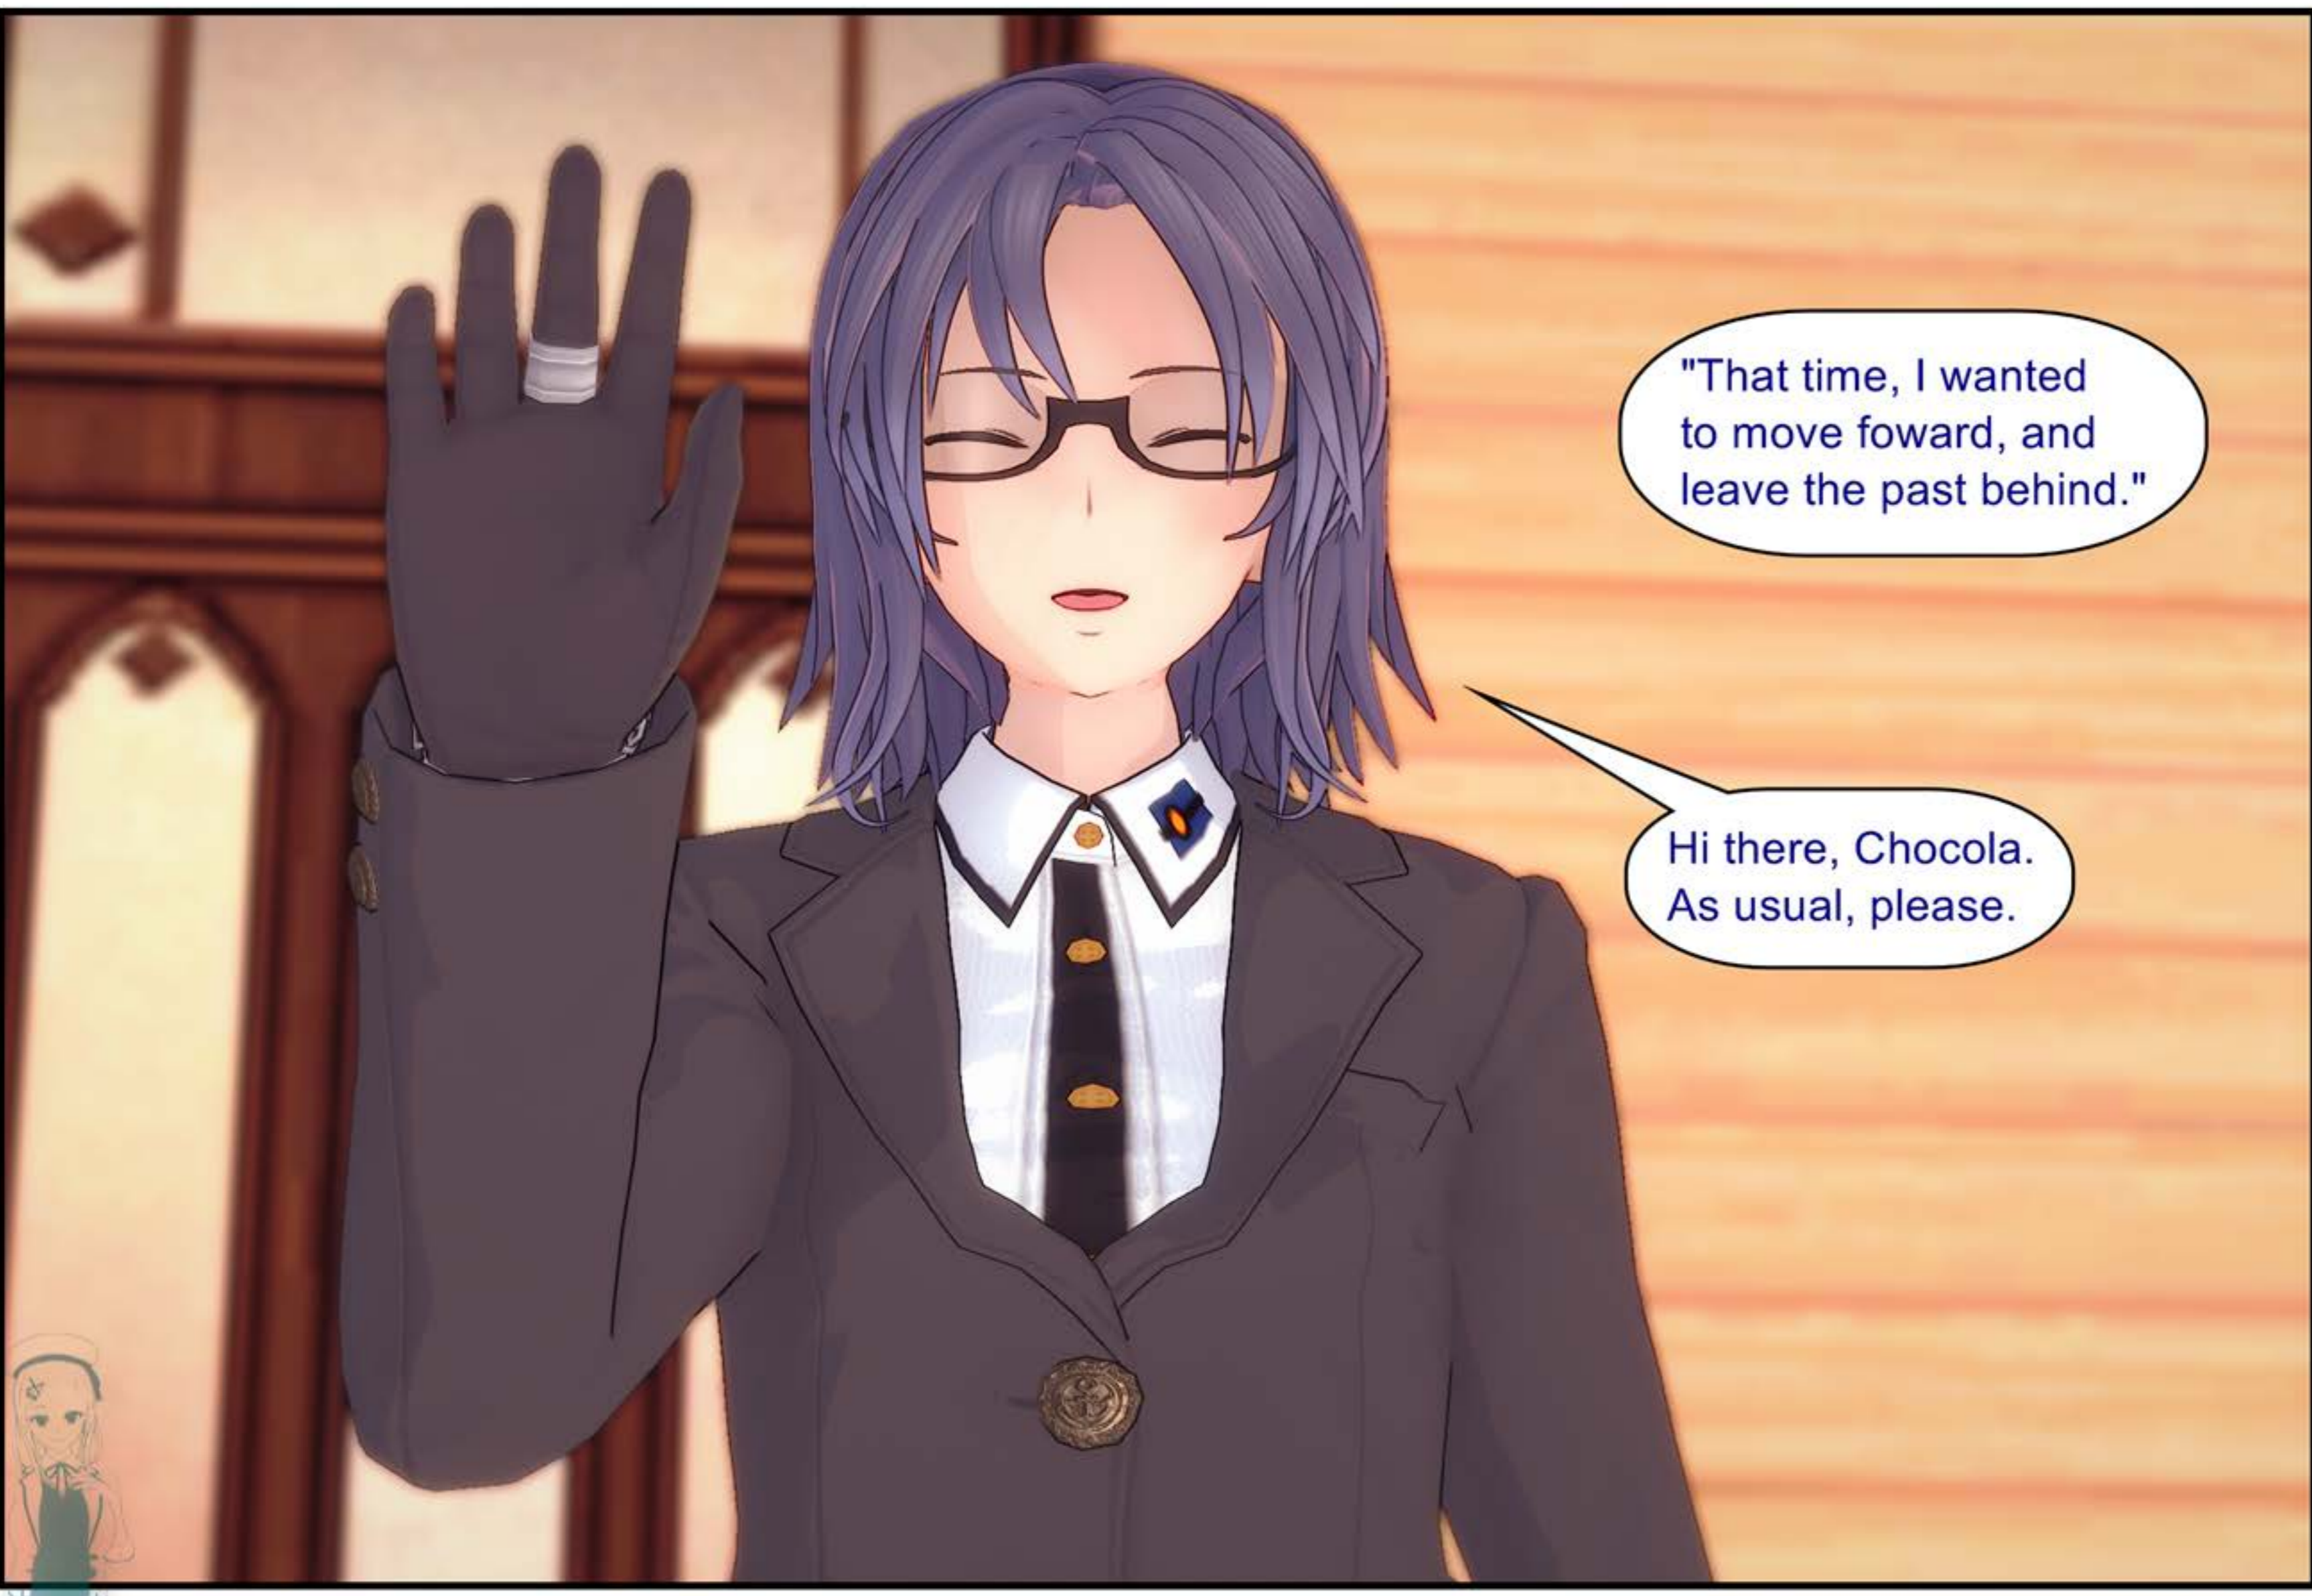

"And their owner,
at first, I didn't
think we could have
something in common."

Welcome, hope
you will enjoy the
atmosphere here.

"Week after week,
day by day, I started
to come here
more often.."

Oh, hi Master!
As usual?

"That time, I wanted to move forward, and leave the past behind."

Hi there, Chocola. As usual, please.

"Studied how to
open a cafe business
like La Soleil.."

Your usual, a
hot black coffee.

Thanks, Vanilla.
How are you today?

I'm fine, nya.
You still do
your best?

I hope to see you
open your own
store, Master!

I think I almost
achieve it. Haha.

"How they
always support..
I appreciated it."

A character with long, spiky purple hair is shown from a high-angle, side-profile view. They are wearing a dark grey suit jacket over a white shirt and a blue tie. They are seated at a wooden table, leaning forward and writing on a white sheet of paper with a black pen. To the left of the character is a white coffee cup on a saucer. The background consists of large windows with a view of an outdoor cafe area with a white umbrella and greenery. The lighting is warm, suggesting an indoor setting with large windows.

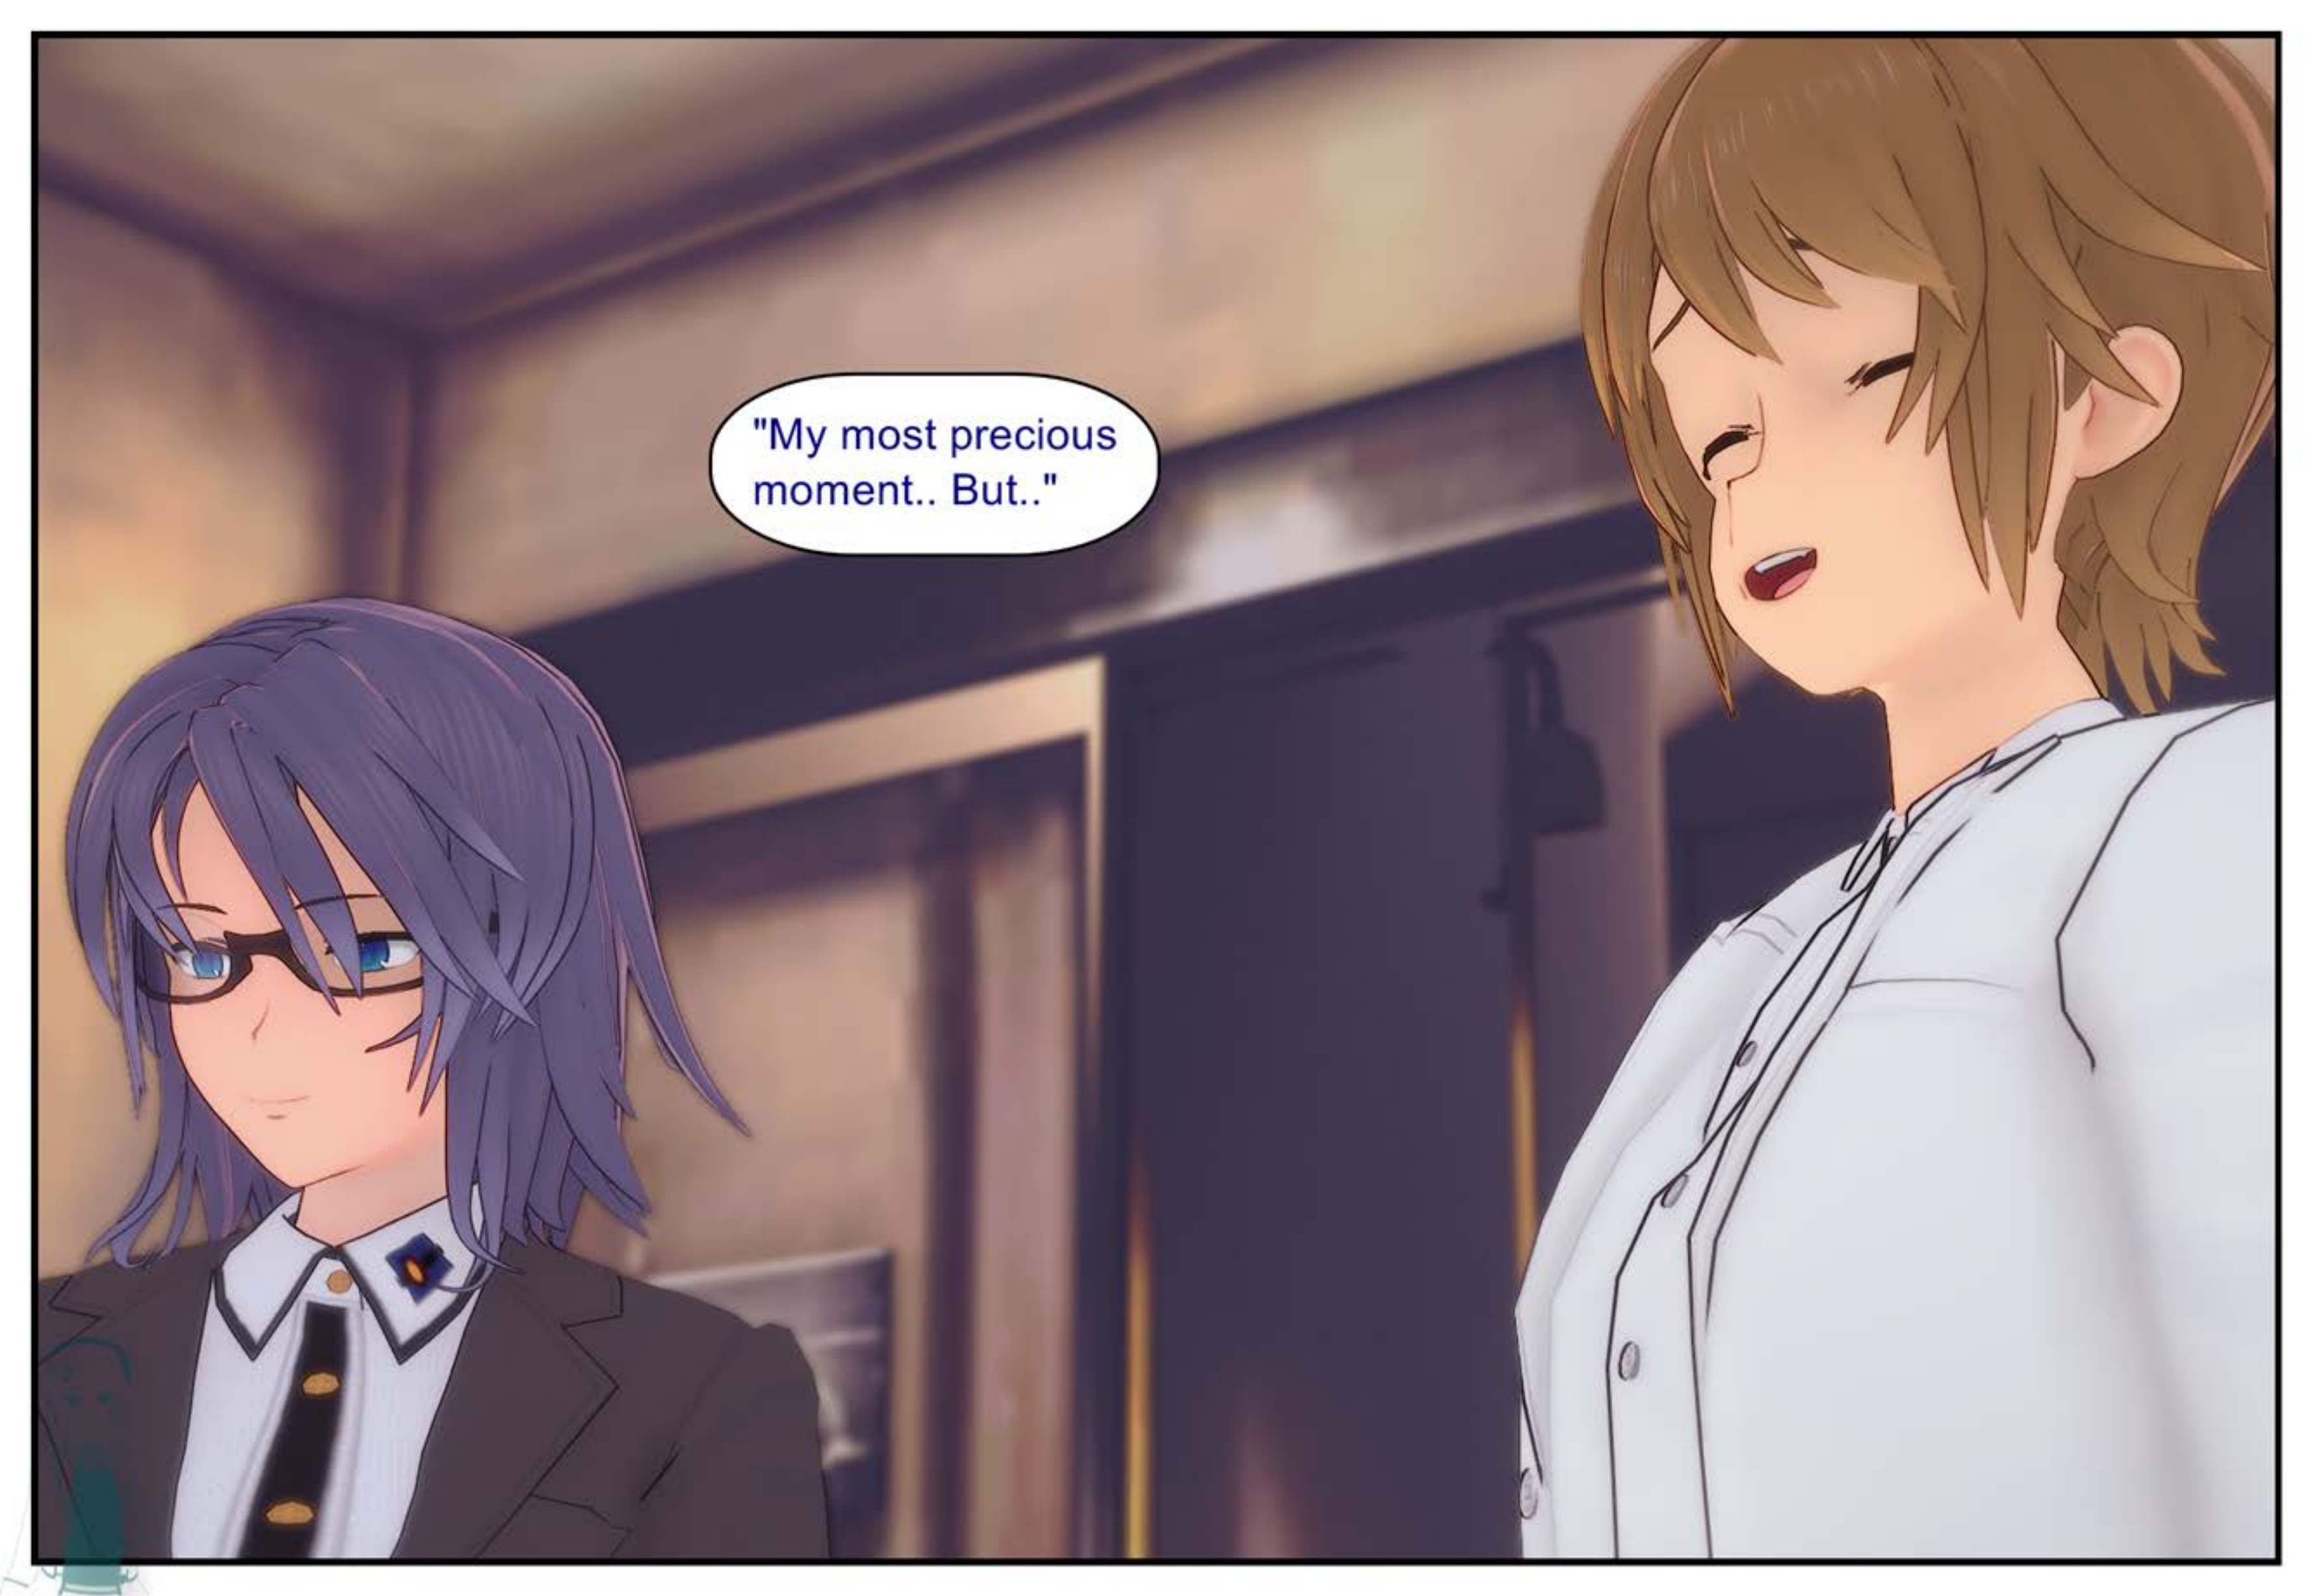

"This place felt like my second home where I should be."

"And that day finally came, I opened my own cafe shop."

"I couldn't achieve this without them."

"My most precious moment.. But.."

"What if they know I got blood on my hand before?"

"My past will be revealed sooner or later.."

"And when I heard Azuki said that Chocola, Vanilla and Coconut were kidnapped."

"I rushed back
to A Silent Corner.."

"To use 'the box' that my old agency gave me when I retired."

A character with long, spiky purple hair and a dark suit is shown from the chest up. They are holding a dark handgun in their right hand and a dark briefcase in their left hand. The background is a dark, reddish-brown color with some light streaks. A speech bubble is positioned above the character's head.

"Like open Pandora box, I'm ready to give up my identity."

"Well? You opened the box, so you must know the consequence."

I know. Before that, I want to ask you a favor.

I want to save someone, and after I disappeared, you ensure their safety.

"And.. who is that special?"

My family.

Oh, don't  
you cry..

I will play with you next.

And no one is coming to save you.

Heh.. Speak  
of the devils..

Still drag your face here, even though I'm having over 3 hostages?

Was that a toy?  
Because I don't  
think you have  
any gut to kill her.

Oh, to make it more interesting, let me help you.

There. Pull the trigger, I won't run.

W-Wha.. Y-You..?  
What did you..?

Underestimate someone  
is the most stupid move.

And I always  
have a way to  
finish my target.

Let me guess.  
Even you don't  
know that relic's  
weakness?

The seller..  
ugh.. didn't..

It's vulnerable.  
Destroy it will  
end the spell.

Also, I reported  
to the police.  
Give it up..

Haha.. Police?  
Why didn't you  
tell them sooner?

Or you scare..  
them.. to find  
out about your past!?

Y-You.. even  
in hell.. I won't..

A man in a dark suit and light-colored trousers stands in the foreground, holding a handgun in his right hand. He is wearing a watch on his left wrist. In the background, two bodies are lying on the floor. One body is a woman with long dark hair, and the other is a person with long white hair. The setting appears to be an outdoor or semi-outdoor area with a wooden building and a fence in the background.

I am already  
in Hell for a  
long time ago.

A crime scene in a room with a concrete floor and a metal railing. A yellow police line with the text "POLICE LINE DO NOT CROSS" is stretched across the railing. A wooden pillar is visible on the left side of the frame.

Dispatch, we  
found the hostages.

Well, this is  
totally a small mess.

Secure the evidence  
and give them their clothes.

A-Are you alright!?  
I have rushed back  
from the business trip!

I thought Shigure  
said that she sent  
you to A Silent Corner..

"The same as everyone else, I wonder.. where did he go.. after saving us.."

With the disappearance of the owner of A Silent Corner, who was said to rescue the hostages from kidnapping.

Today news, the culprit has been arrested, he was said to have bought a relic from the black market.

A character with long, straight white hair and a blue dress with a white collar and a long white ribbon is shown from the back. She is standing in a restaurant or cafe with a brick wall and a bar in the background. The lighting is warm and dim. There are two speech bubbles on the right side of the image.

For more, La Soleil  
after a heavy debt,  
now has been restored  
and back to business.

People in town are  
ready for its re-opening  
this weekend.

"Thank you.. for everything."

Where have you been, Vanilla?  
Let's prepare for the re-opening.

Vanilla? Are you okay?

We have been through a lot..  
So if anything..

First time seeing  
you talking like  
that, Chocola.  
But thanks, I'm good.

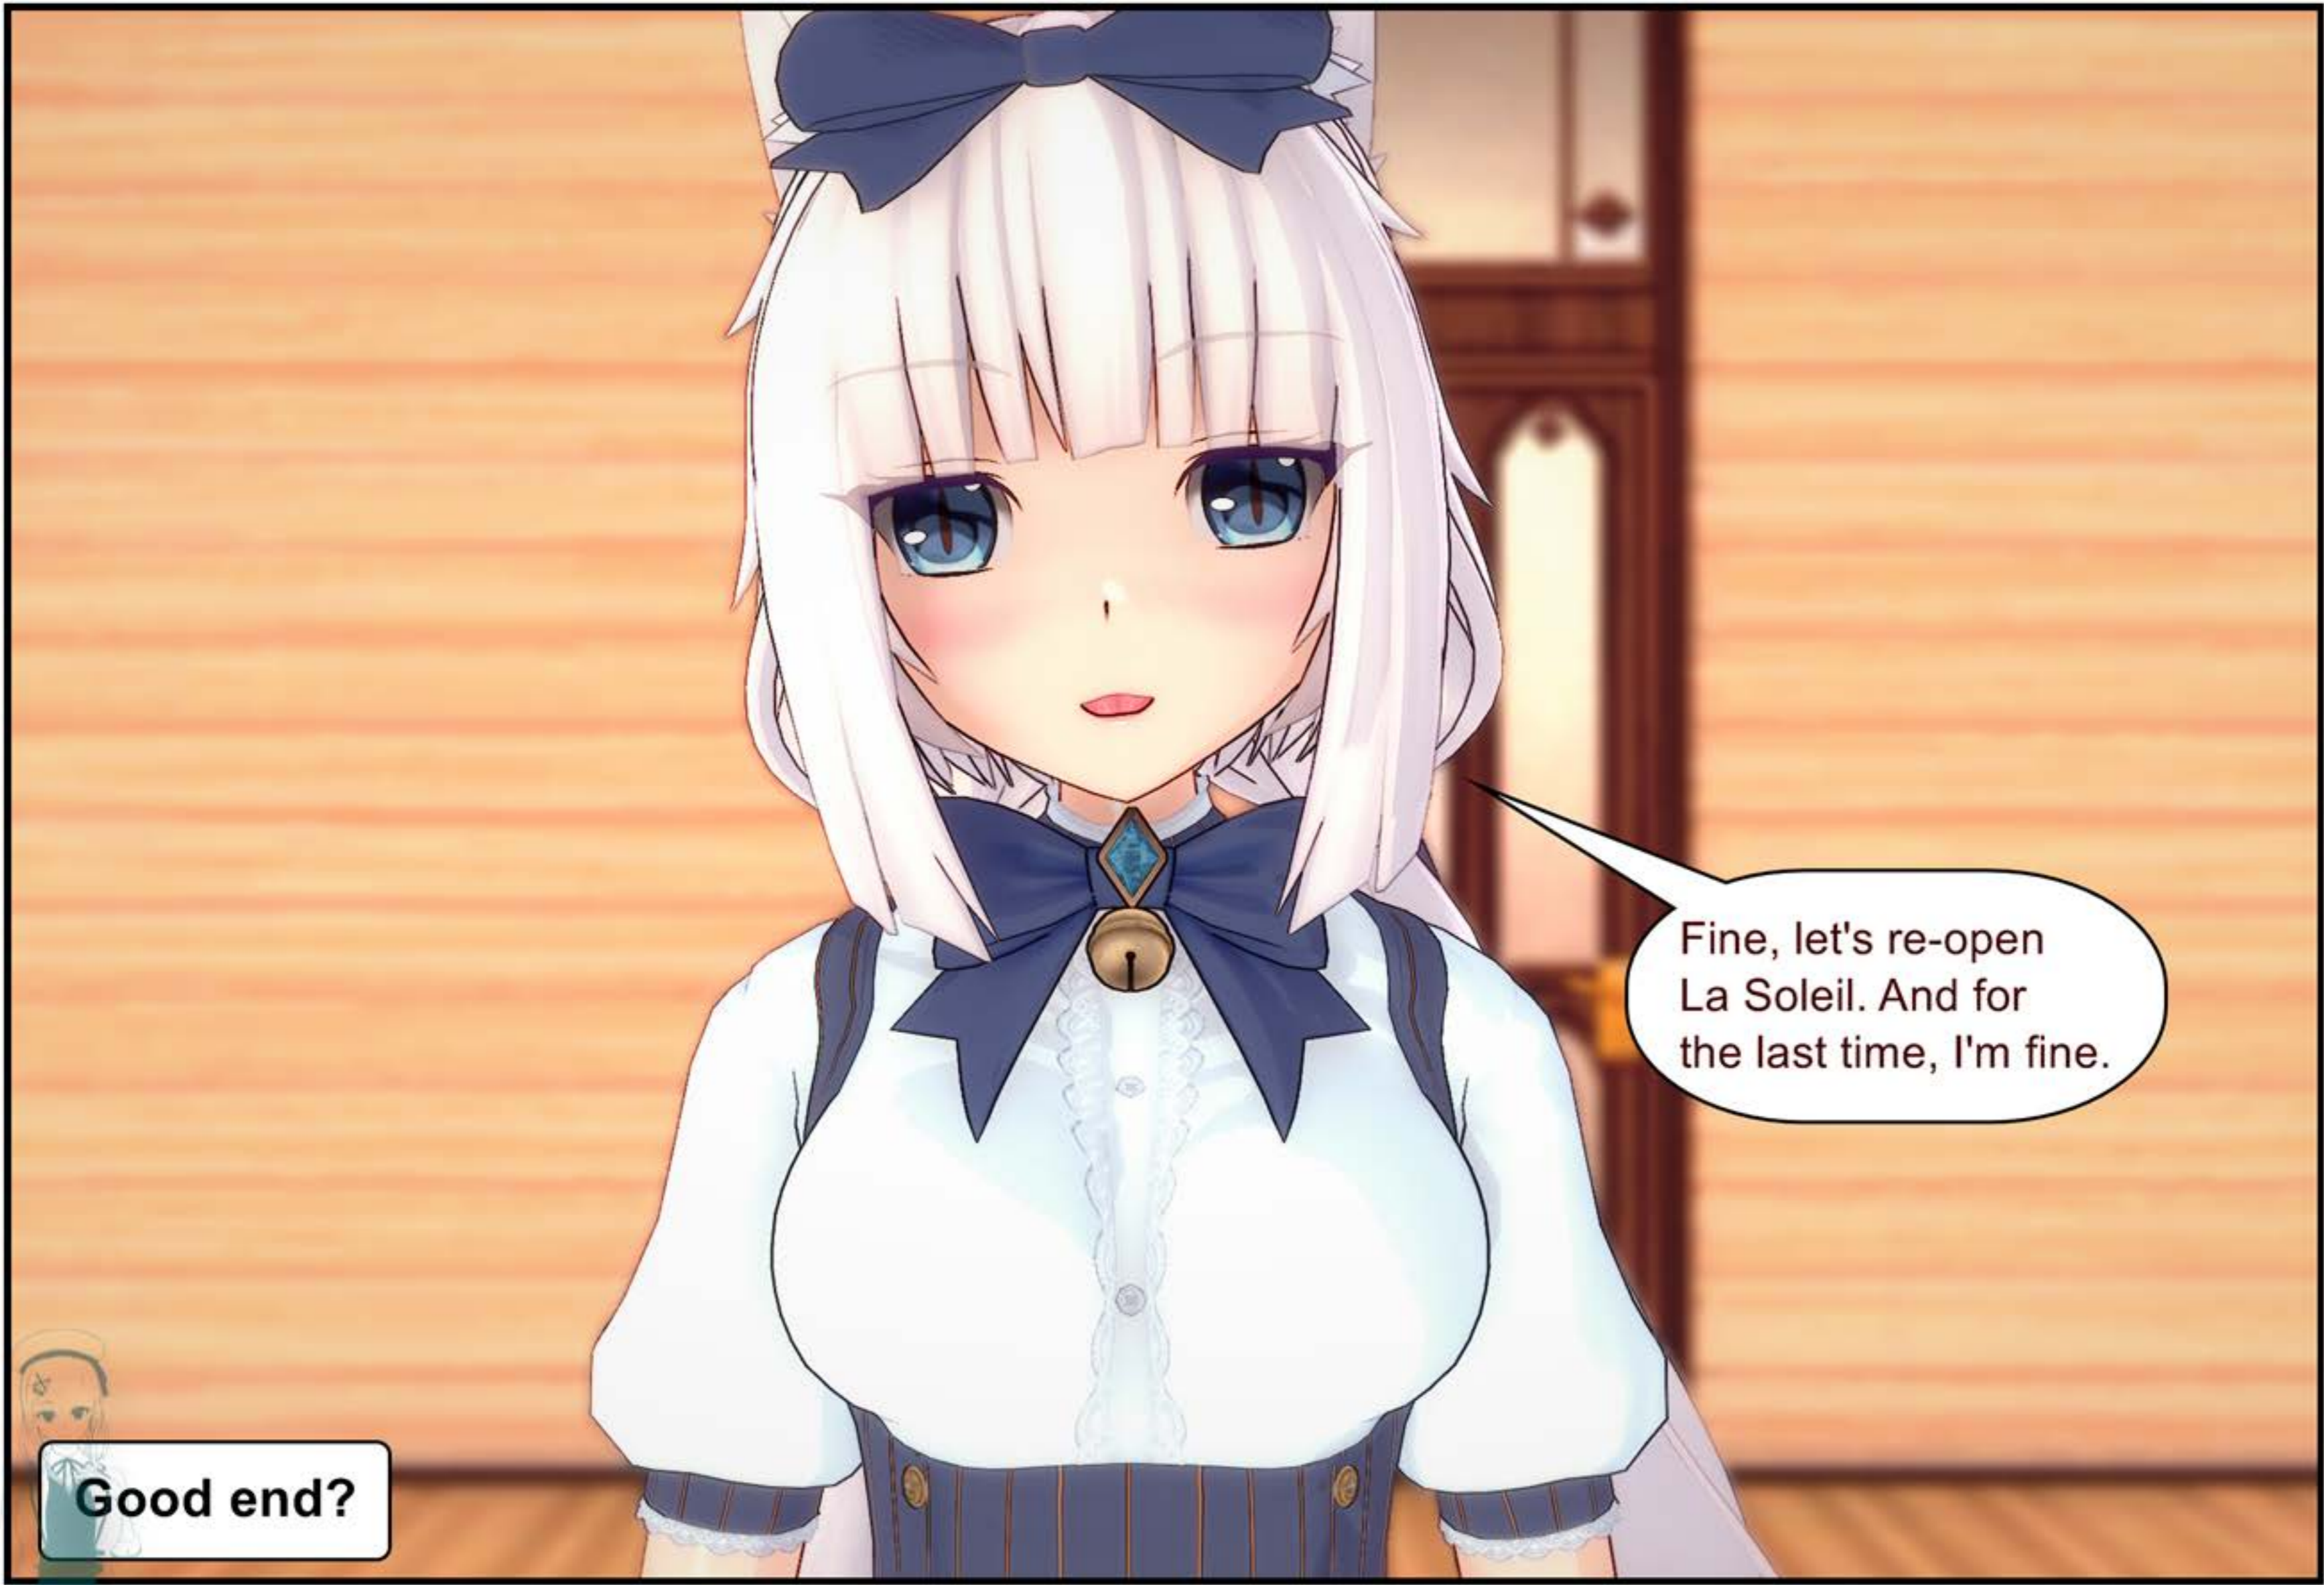

If you tired,  
you could take  
a rest?

We are sorry for  
hiding the debt  
from you and..

Geez.. What  
with you guys?

Fine, let's re-open La Soleil. And for the last time, I'm fine.

Good end?
