At first it seems that Alysa is really mad that Fabian exploded all over the place, though a surprisingly small amount gets on Alysa herself. Most of it dribbles down into her cleavage and onto his big, fat cock.

That is **SOOO** fucking awesome! I didn't even know you could do that!

Splurt!

Splurt!

But she quickly realizes that she just made a guy cum only from her massive rack. Sure, they were growing at the time, but let's not get lost in the niggly little details.

So you weren't kidding. You **really** love my big, fat titties? My huge hooters? My giant juggies?

Pribble!

She still has an incredible pair of mountainous mounds wrapped around his dick, and how much power that gives her is starting to sink into her brain. And that is **really** turning her on.

Tell me how much you enjoyed that. Tell me how much you love them!

Say it! Beg me to keep fucking your cock with my giant fucking tits!

I suggest that you do what she says.

I know that I certainly would.

It maybe even sends her on a bit of a power trip, as she squeezes her titantic ta-ta's a little tighter around Fabian's big dick and teases him viciously with the possibilities.

Oh gawd!

My's

Fabian is totally into it too. Alysa is everything he has ever dreamed of right now, and he would quite literally do almost anything to see or feel her humongous hooters grow some more.

They're amazing! **You're** amazing. You are so fucking sexy. Like a boob goddess right out of my dreams.

You are the most incredible thing I have ever seen in my life. Please! I will do anything you ask. Use me however you want.

A shiver of pleasure runs down Alysa's spine at Fabian's words. She can't make her boobs grow any bigger, but there are plenty of things that she **can** do - like give her tits another squeeze.

Ohhh!
That sounded
even better than
I thought it
would.

Squeeze!

With her massive rack pressed **hard** against his fat cock, Alysa then slowly slides her tits up his slick, throbbing shaft.

You've been an obedient pervert, so I will give you a nice reward.

Lift!

Squish!

This is going to be so hot. I am **really** going to enjoy this.

She takes a moment to reposition her bulging bazooms, opening and closing her cavernous cleavage until she has just the right grip around Fabian's huge rod.

Mush!

Mash!

Fuck me! Just look at how my huge cannons engulf your big dick. That is sexy as fuck!

Then Alysa starts pumping her ginormous jugs up and down on his rigidly erect phallus. She absolutely loves the feeling of the weight and size of them sliding up and down his thick, slippery shaft.

Pump!

Pump!

Mmmm.
I've never had
a titty-fuck feel this
good before. I
fucking love
it!

It takes her a little while to get the
feel of using her enormous, new
jugs like this, but Alysa soon gets a
penis pounding rhythm going.

Push!

Push!

Slllidddeee!

Bury!

Lost in the luscious feelings emanating from her humungous hooters, Alysa increases her pace until she is pistoning her tits up and down Fabian's dick. The slap of them impacting his crotch begins to echo through the room.

How does it feel when I **crush** your cock between my ginormous boobs?

Squish!

Squeeze!

Pound!

Slap!

Fabian seems incapable of answering her, so she alters the motion just to tease him a little longer. It also happens to heighten Alysa's enjoyment, as she feels totally in control.

Nothing to say? Do my titties have you hypnotized? Nipples got your tongue maybe?

Rub!

Rub!

The sense of power and control is absolutely intoxicating, and Alysa's arousal begins to sky rocket. The incredible sensations coming from her monumental mammaries don't hurt either.

What if I do this? Do you feel that? Do you feel my fucking **huge** juggs swallowing your cock, massaging your thick fucking rod?

Caress!

Massage!

A 3D-rendered woman with blonde hair, blue eyes, and large breasts is shown from the chest up. She is holding her breasts with both hands. The background is a dimly lit room with a lamp and a staircase.

That
got your
attention! I can
feel your dick throbbing
between my giant jugs.
You're just about
to blow, aren't
you?

The more she realizes that he is practically a slave to her massive breasts, the more she gets into her role as boobie dominatrix and the more in love she becomes with her absolutely enormous rack.

Prrreeesssss!

Good!
Cum for me,
you boob-obsessed
perv - my little
boob-slave.

Sensing that Fabian is close, Alysa turns it up another notch. She squeezes her boobs together even harder, burying his cock in her deep cleavage and also swallowing it with her wet mouth.

Mush!

Swallow!

Mash!

Blow
your load
all over my giant
tits. My huge fucking
boobs that you
love so
much!

She even puts her tongue to work,
licking and slobbering all over the
pulsing end of his dick, as she
squishes, squeezes, and swallows
his twitching shaft.

Give me...

Yet Fabian does not blow his load somehow. It's a miracle that he has lasted this long and didn't just immediately orgasm as soon as she squeezed her tits together.

...your
fucking...

Piston!

Pump!

Maybe Evlin wore him out a bit,
or did something to his cock.
Alysa has no clue, but she is
determined to milk a massive
load of man-juice out of him!

She resumes pumping her tits furiously up and down on his cock. This time her hands support her enormous breasts from underneath, and also stroke his shaft as she goes. At the top, she dips her head to lick or swallow the twitching tip of his fat dick and spits into her slick cleavage.

**...CUM,
Boob-slave!**

Pound!

Squeeze!

Massage!

And Alysa is finally rewarded for all of her "hard" work, not that she didn't enjoy every minute of it. Fabian experiences a mind-melting orgasm that nearly fries what remains of his overloaded brain.

BIMBLONY'S

The truth is that Fabian has been trying to cum for a while, but the pressure from Alysa's massive set of jugs was just too much. It was choking off his dick like her boobs had a strangle hold on it.

Fuck yes! It's about time!

Splurt!

The whole time that Alysa has been administering her amazing titty-fuck, his balls have been swelling with load after load of thick, sticky semen.

laugh
There really is a lot of it once he goes off. It's going all over the place.

Sploooge!

So it shouldn't be surprising that he blows every ounce of spunk that was held back in his balls all over her face, and pretty much everywhere else too. Alysa can't believe how there is and how much she loves it.

This is everything I could have hoped for! I can feel his cock twitching, pulsing, and pumping between my incredible fucking tits!

Explode!

It's more than Alysa can take: the power, control, vibrations, and the unbelievable amount of cum pumping out of him. She knows that she did that, and she did it with only her monumental mounds.

Oh gawd! It feels so good! I think I'm going to--

Splat!

Splurt!

Coot!

Drip!

She wasn't kidding, just look at it all. It just keeps fountaining out... like a... like... uhhh...

FffuUuÇÇkKk!!

A thunderous orgasms rocks her body as well, causing her giant jugs to quiver and shake along with the rest of her body. The action just prompts more thick spunk to shoot out of Fabian.

Like
a neverending
cum fountain, and
this girl wants
another
taste!

Holy
fuckballs!
That was super
intense!

As if Alysa's giant boobs were
milking his throbbing cock and
balls for all they are worth. Evlin
and Brianna look on, one with
shock and the other with hunger.

Easy there, Alysa. Let me help you up and clean you off.

Alysa tries to stand, but her legs are a bit wobbly from the powerful orgasm that just thundered through her. Evlin moves in to help her up, as Brianna continues to stare in wonder at the volume of semen.

Thanks! I came so hard just now. That was incredible!

When Alysa reaches her feet, Evlin pulls her in for a slimy, sensual, cum-soaked kiss. Their huge racks mash against one another, as their bodies intertwine lovingly.

But the display might be as much for their audience as it is for themselves. Fabian barely recovers in time to enjoy the show, while Brianna starts wishing that it was her in Alysa's cum-covered, boobie embrace.

Regardless of any ulterior motives, though, Evlin clearly has been sucking face with Alysa for her own reasons as well.

Mmmm!
What a truly delicious meal!
