Hah... Ah... So...
good... Ahhh...

S-Sakura...!?

Hinata!? What's going on!?

First is Naruto, then
you became strange
when suddenly attacked
and fused with me...

Did I... do that!?

A pink-haired anime girl with long, straight hair and purple eyes. She is shown from the chest up, with her hands raised near her head. Her skin is glistening with sweat. A speech bubble is positioned to her right, containing the text "Was it... because of the earring?".

Was it... because of the earring?

I don't know... But
feel not so great...
We are splitting out!

Hinata... Something...
My mind going numb...

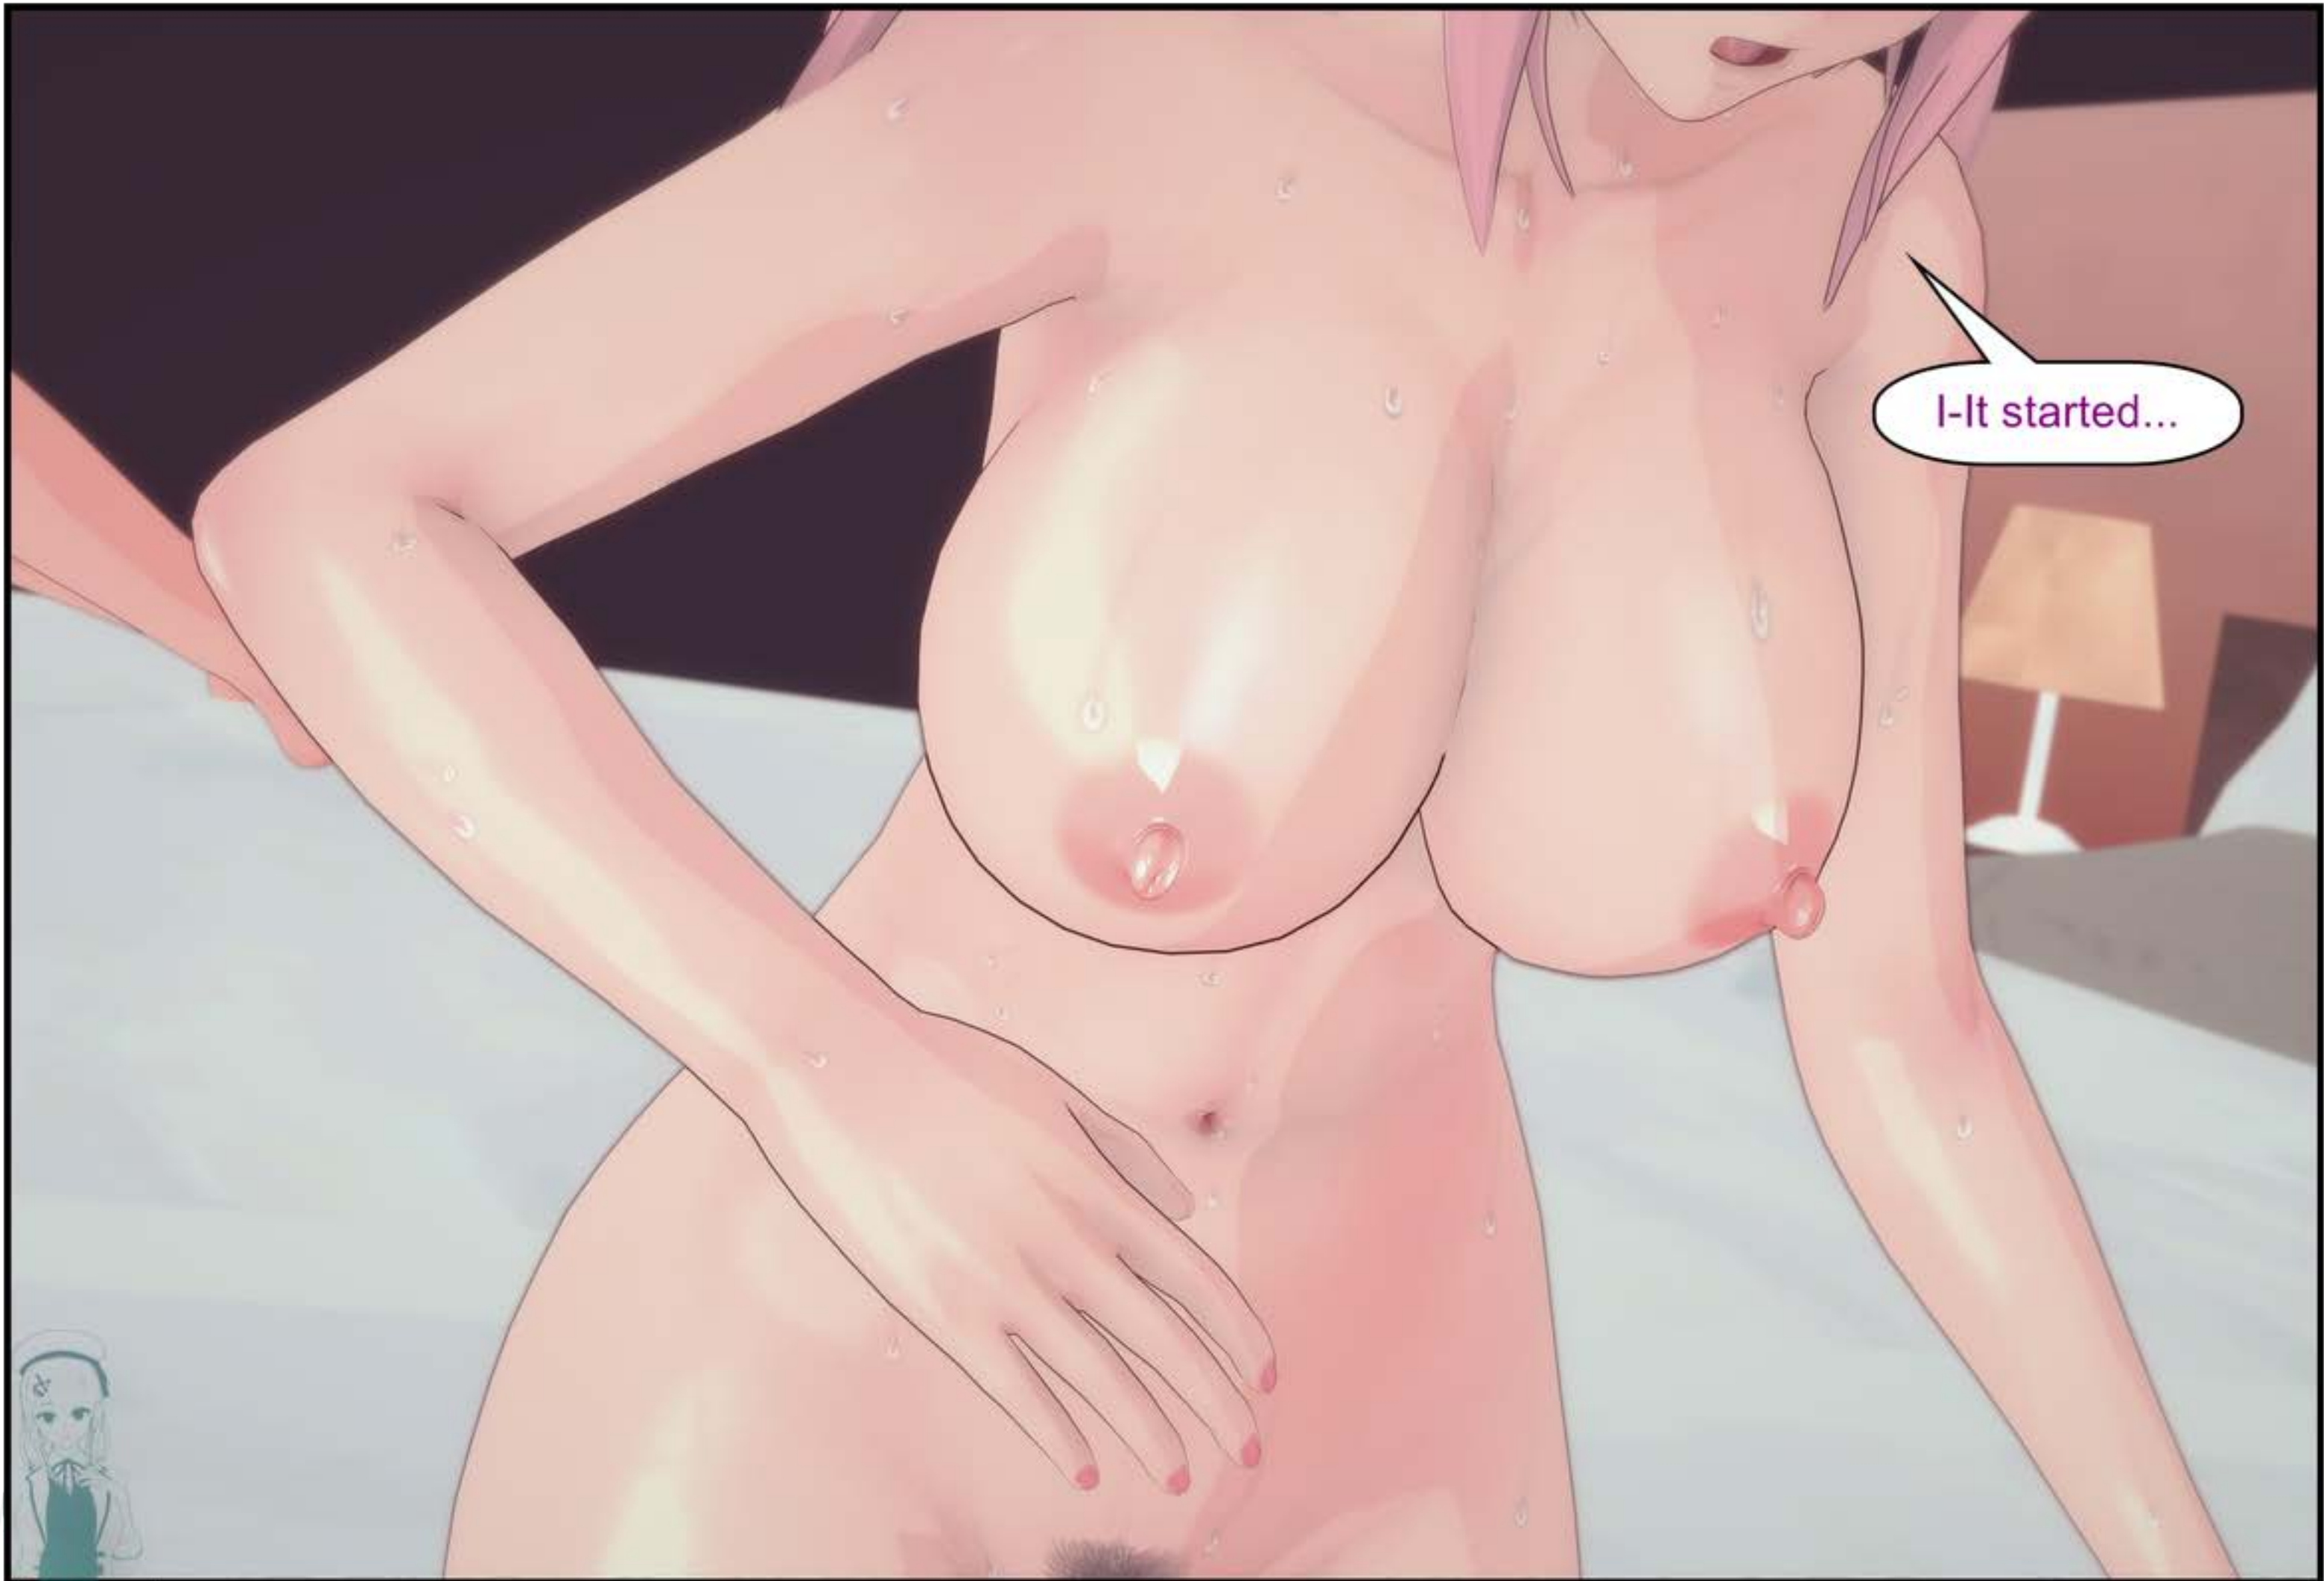

Hang in there,
Sakura!!!

We need to
split out and...

I-It started...

Guh... Aaaahhhh...
Why does it... so
much pain...!?

Sakura... Sakura!!!

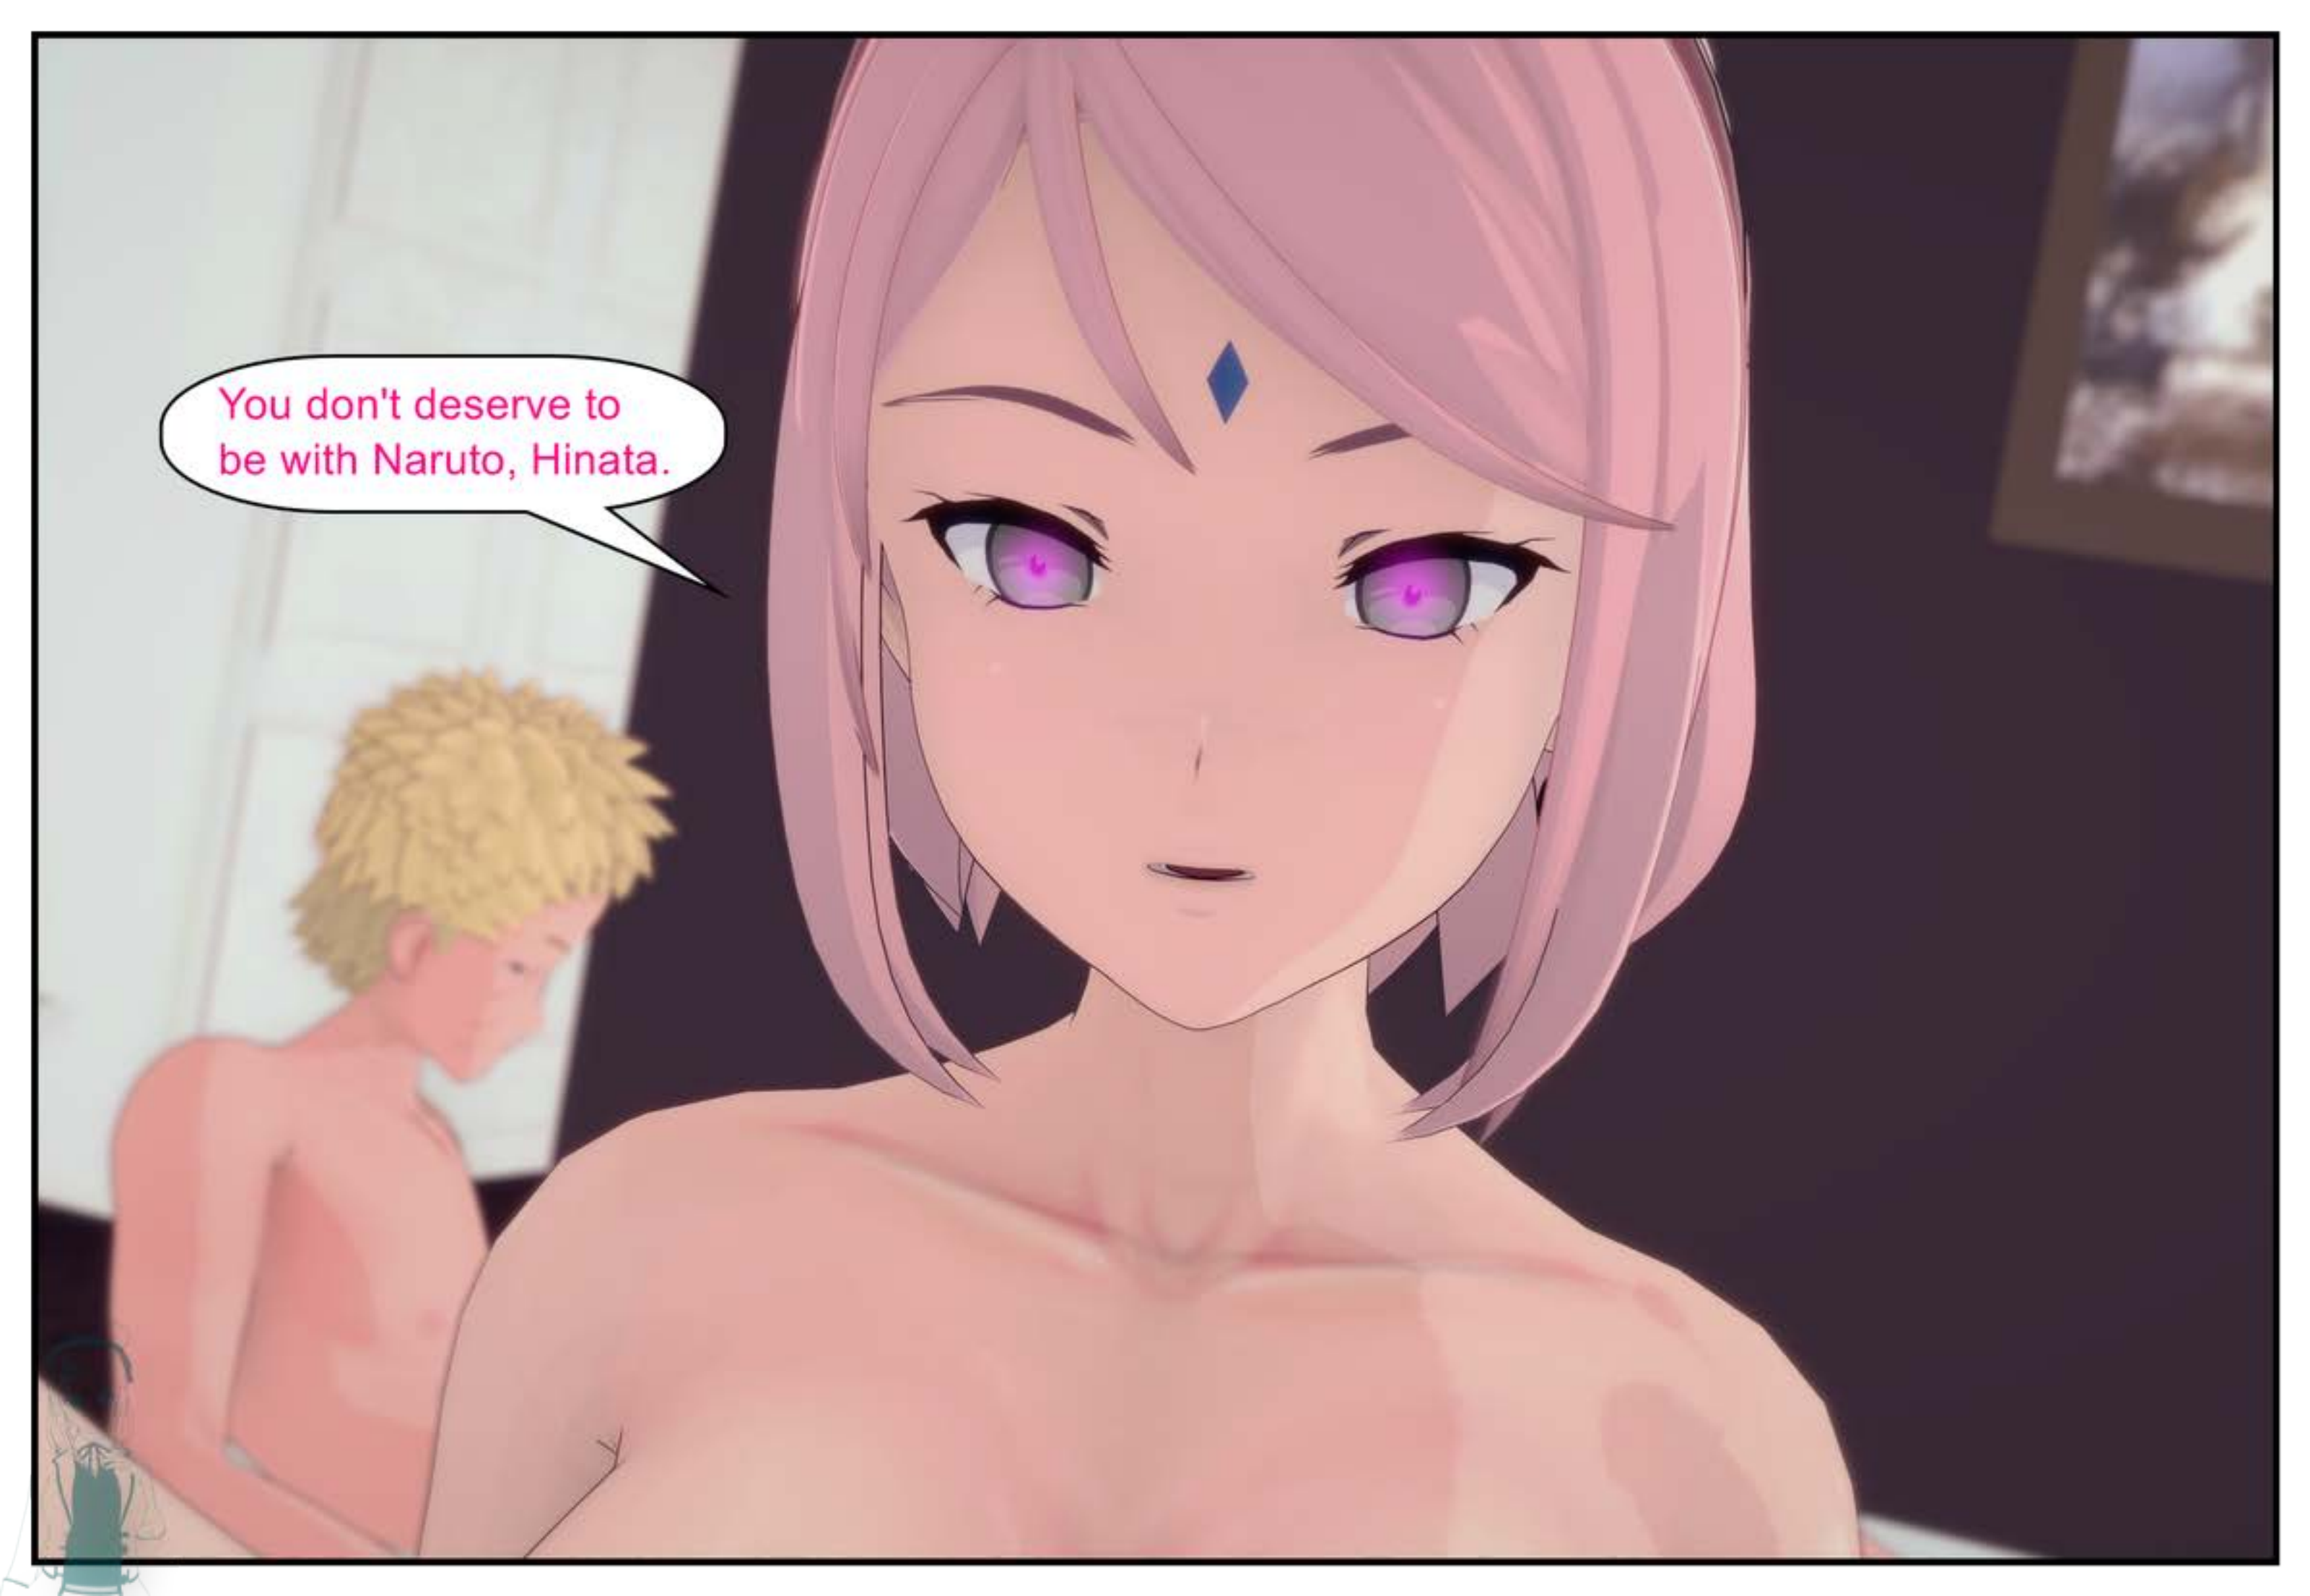

There's no time! We must take these earrings off us!

Sakura...? Are you listening!?

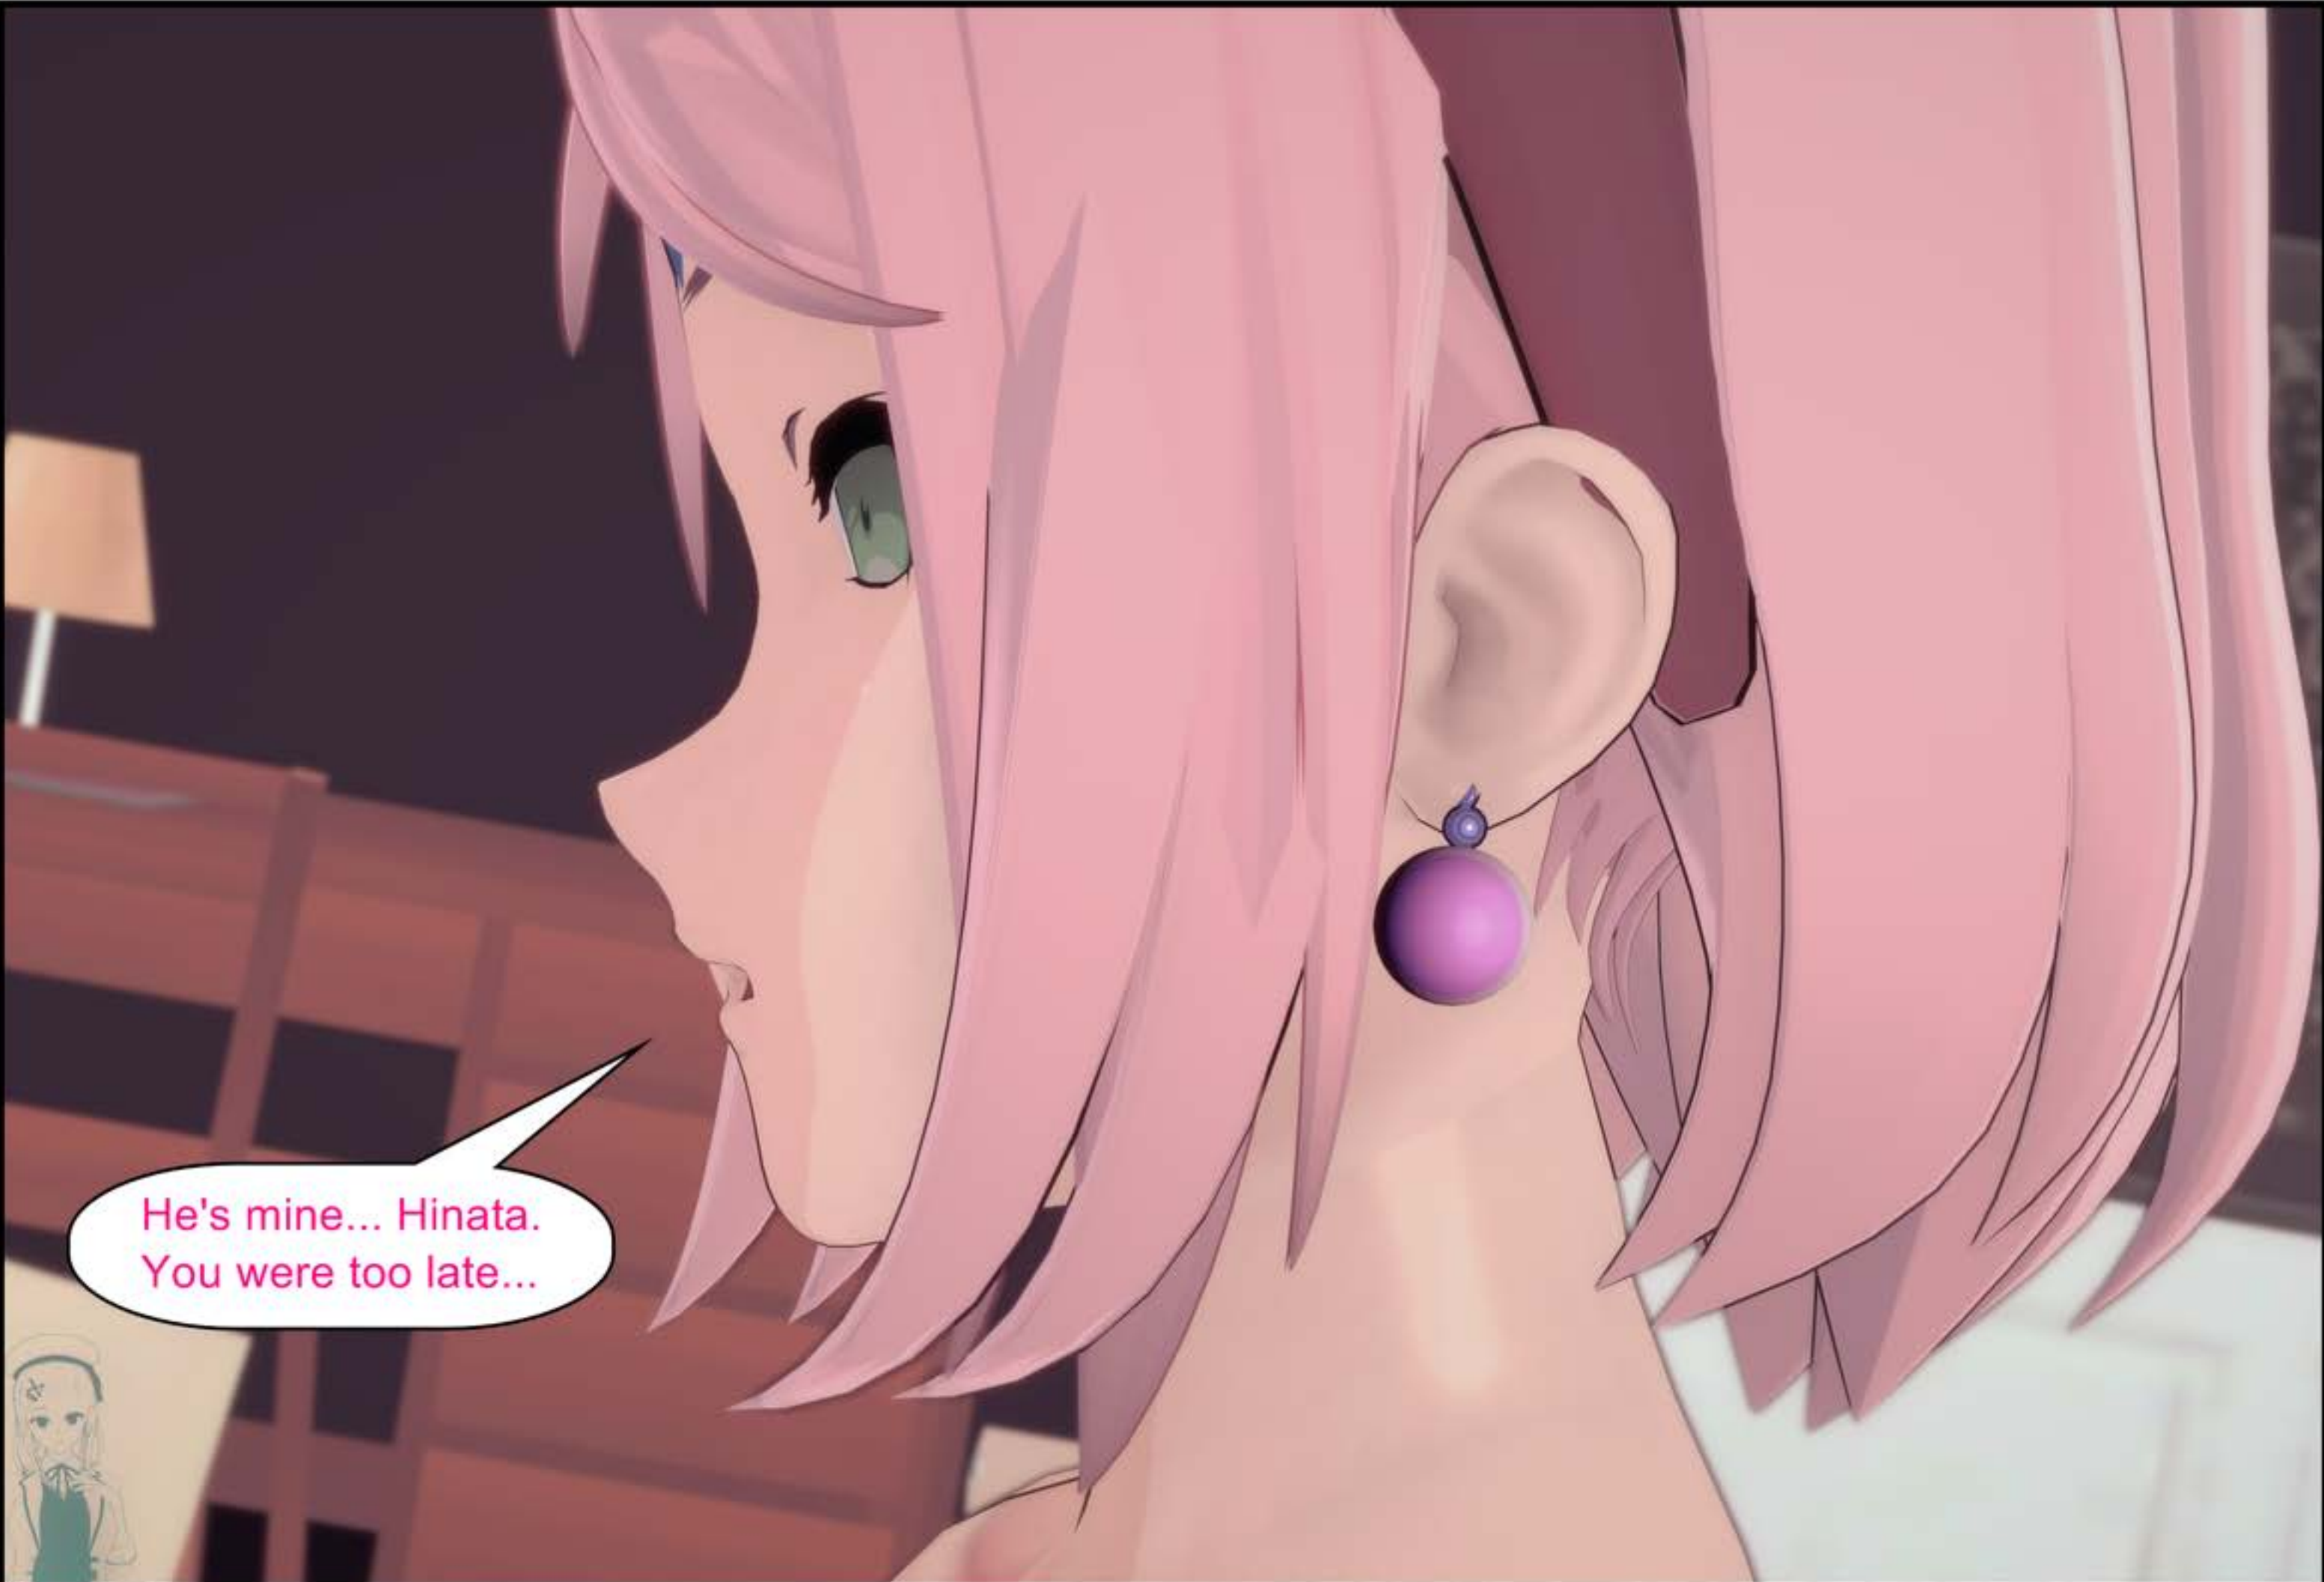

You don't deserve to
be with Naruto, Hinata.

"The earring... it's having effect on her..."

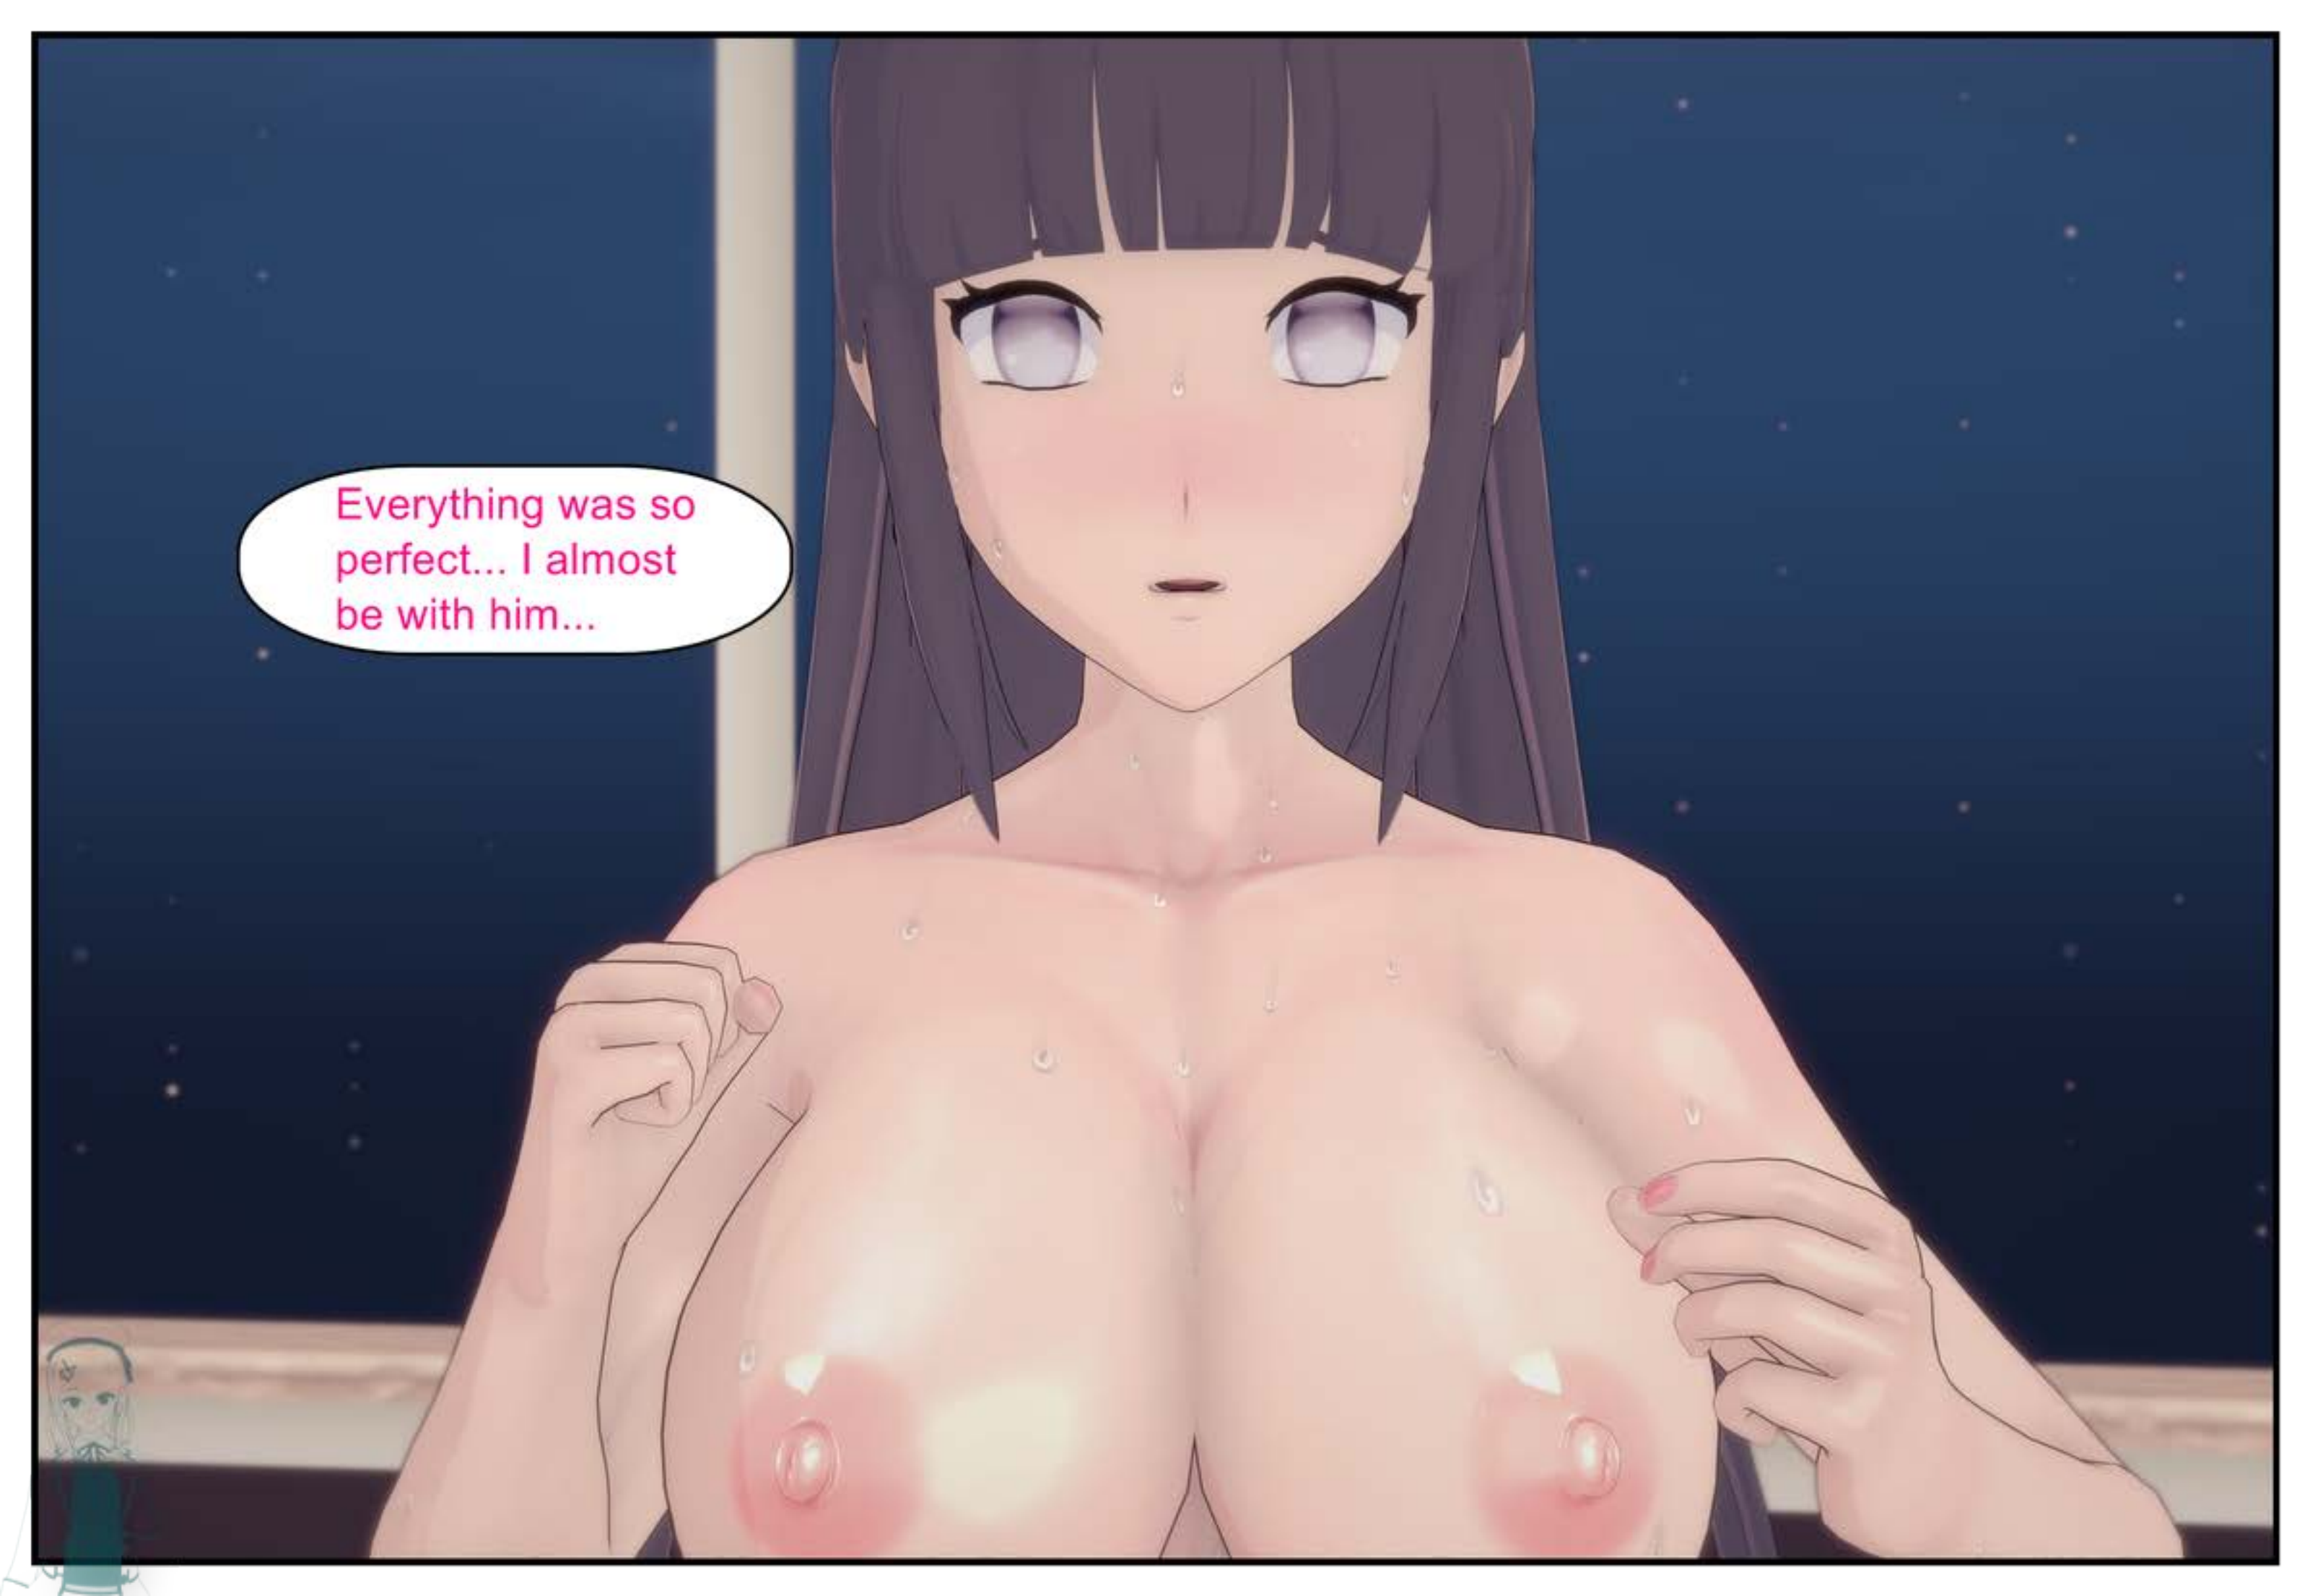

He's mine... Hinata.
You were too late...

If you hadn't had returned...

Everything was so perfect... I almost be with him...

And a waste like
you barged right in
between us!!!

Hinata...? What just... happened?

Hinata!?

If that was your true thoughts, fine then.

We are done here.

W-What was
I doing...?

S-Sakura...!?

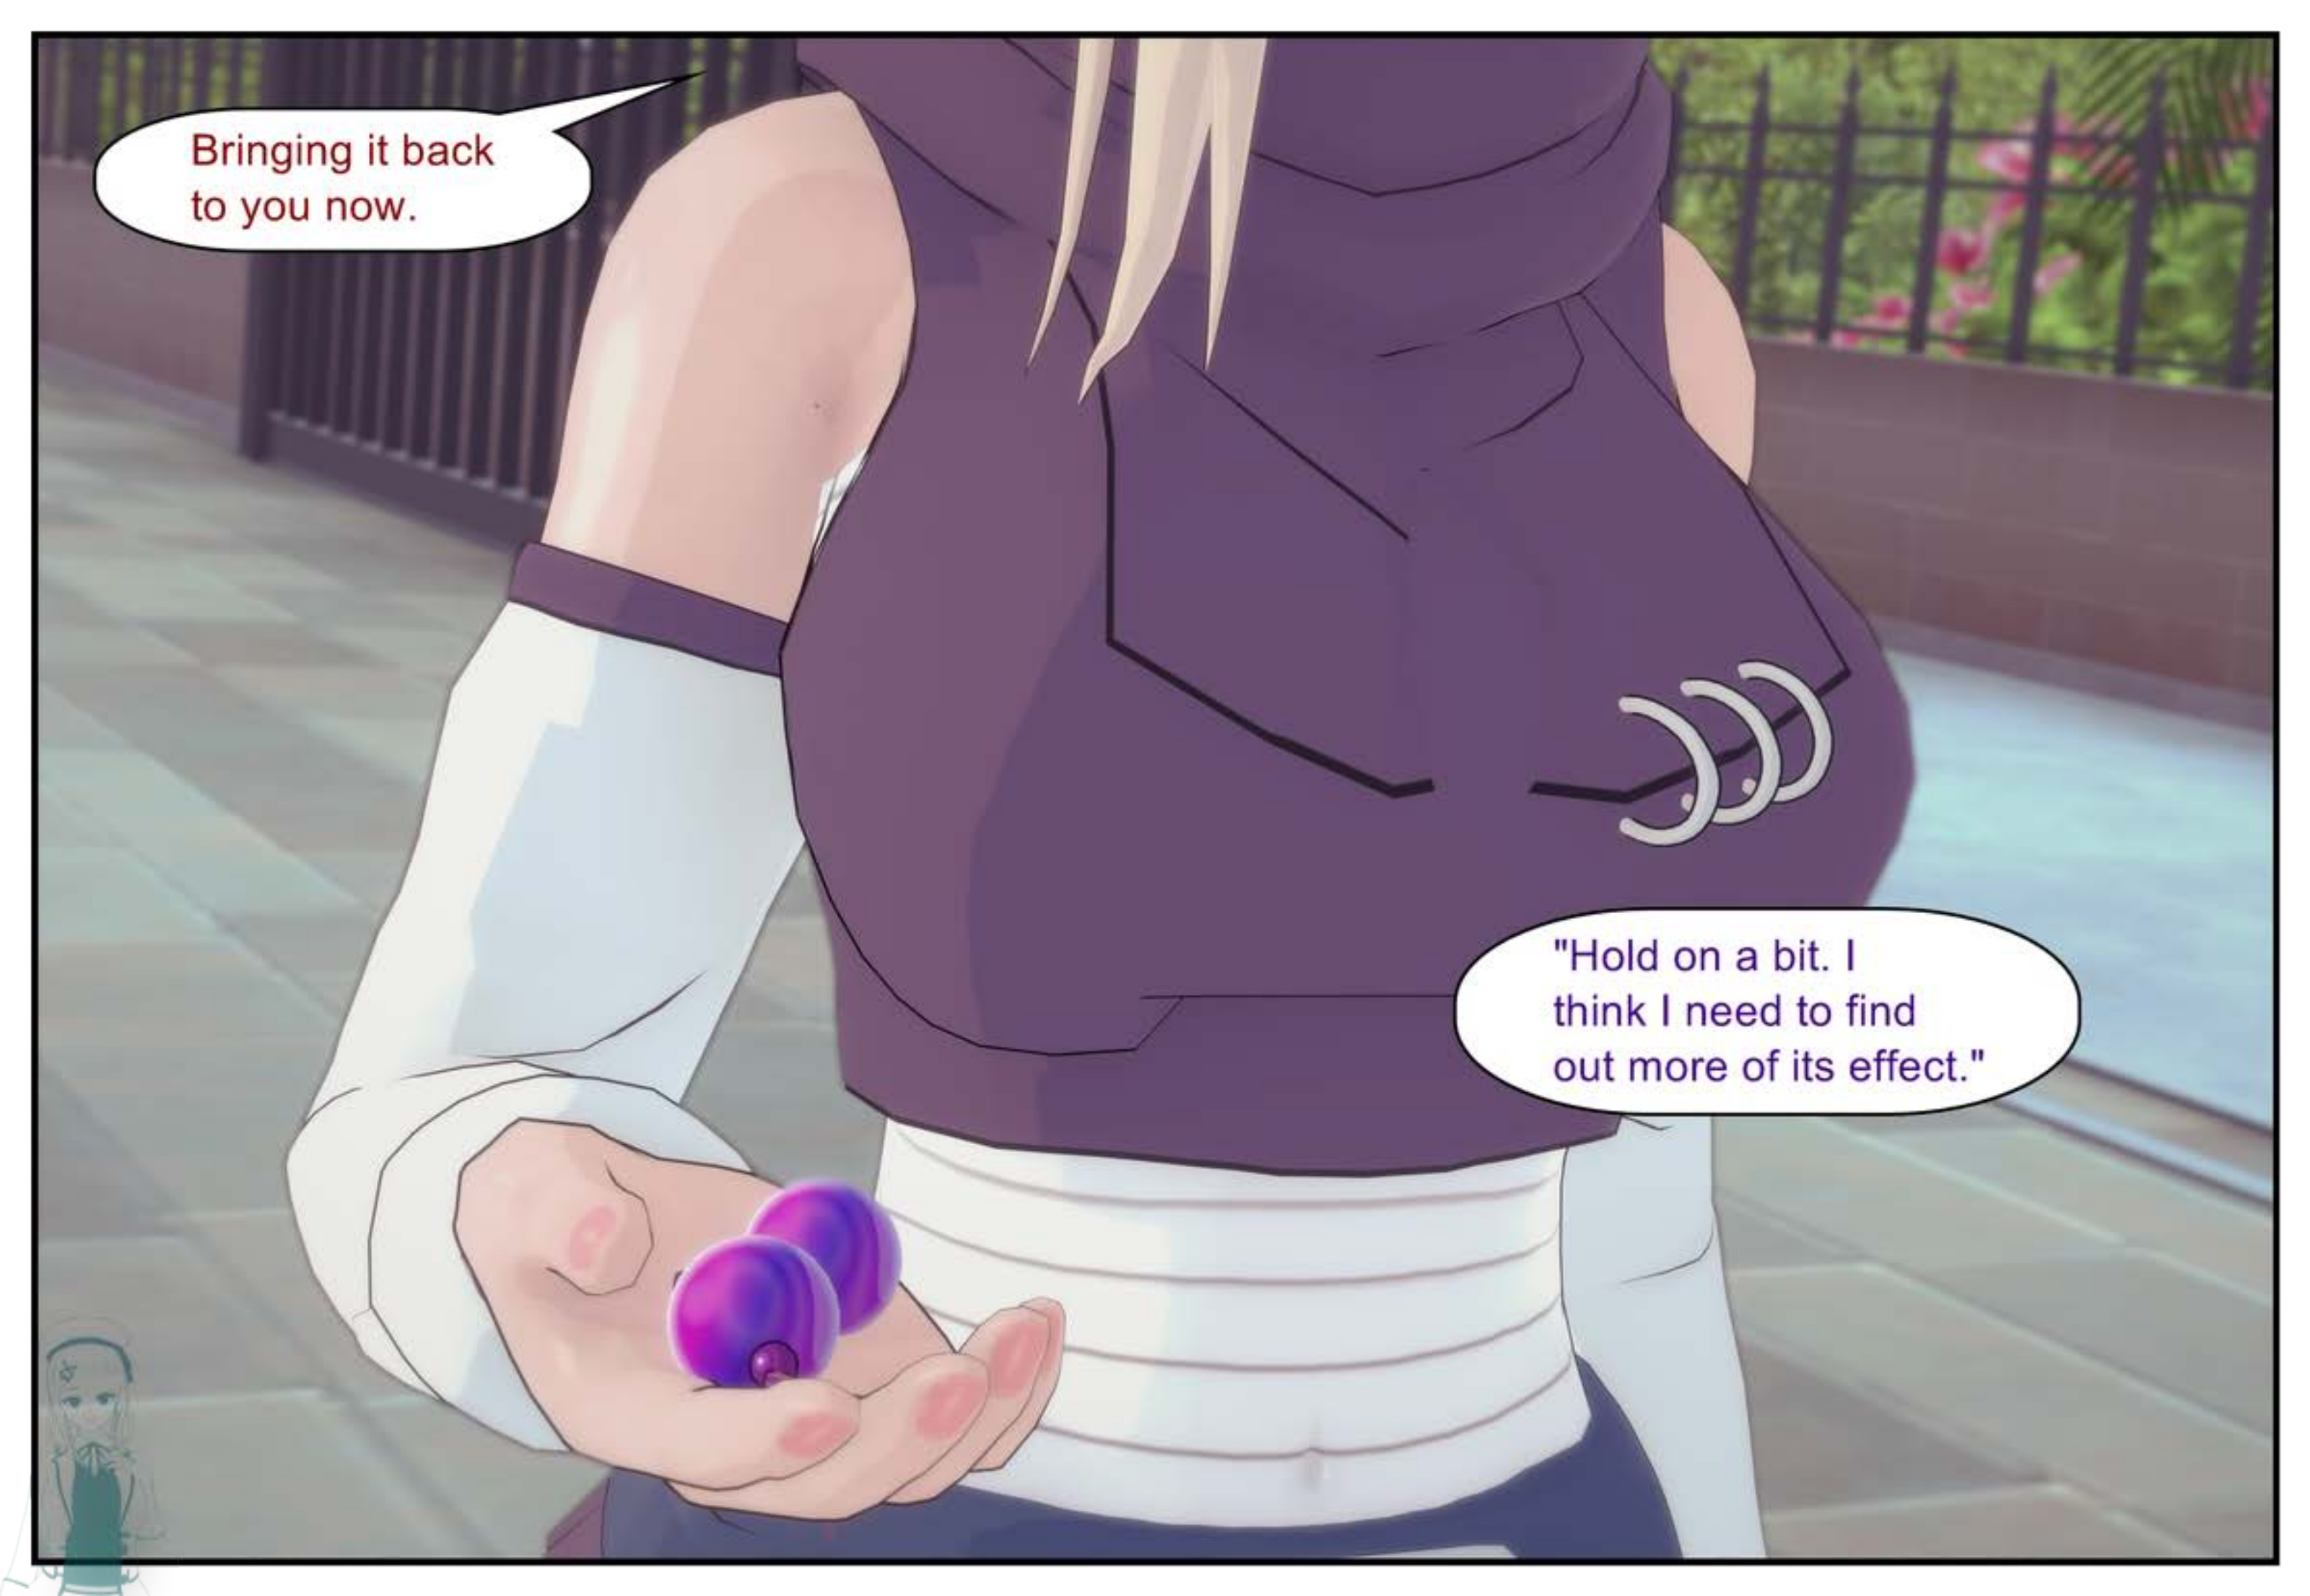

Master, I retrieved
the earrings.

A character with blonde hair, wearing a purple top and white sleeves, is shown from the chest down. They are holding three purple berries in their hands. The background is a blurred outdoor setting with a fence and greenery.

Bringing it back
to you now.

"Hold on a bit. I
think I need to find
out more of its effect."

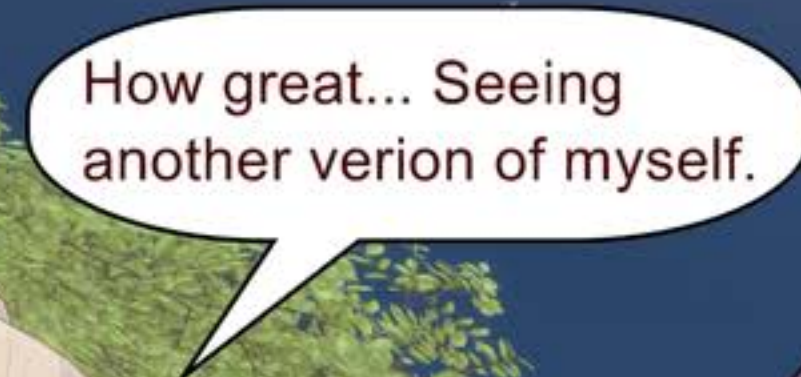

You mean... what caused those two to fight each other?

"Correct. By the way,
you got company."

How great... Seeing another version of myself.

Enemy? Which village
are you from?

Wait... I recognized those earrings! It's Sakura and Hinata!

What did you do
to them!? Spill out or
else I will make you!

"It didn't say a word...
I have to be careful..."

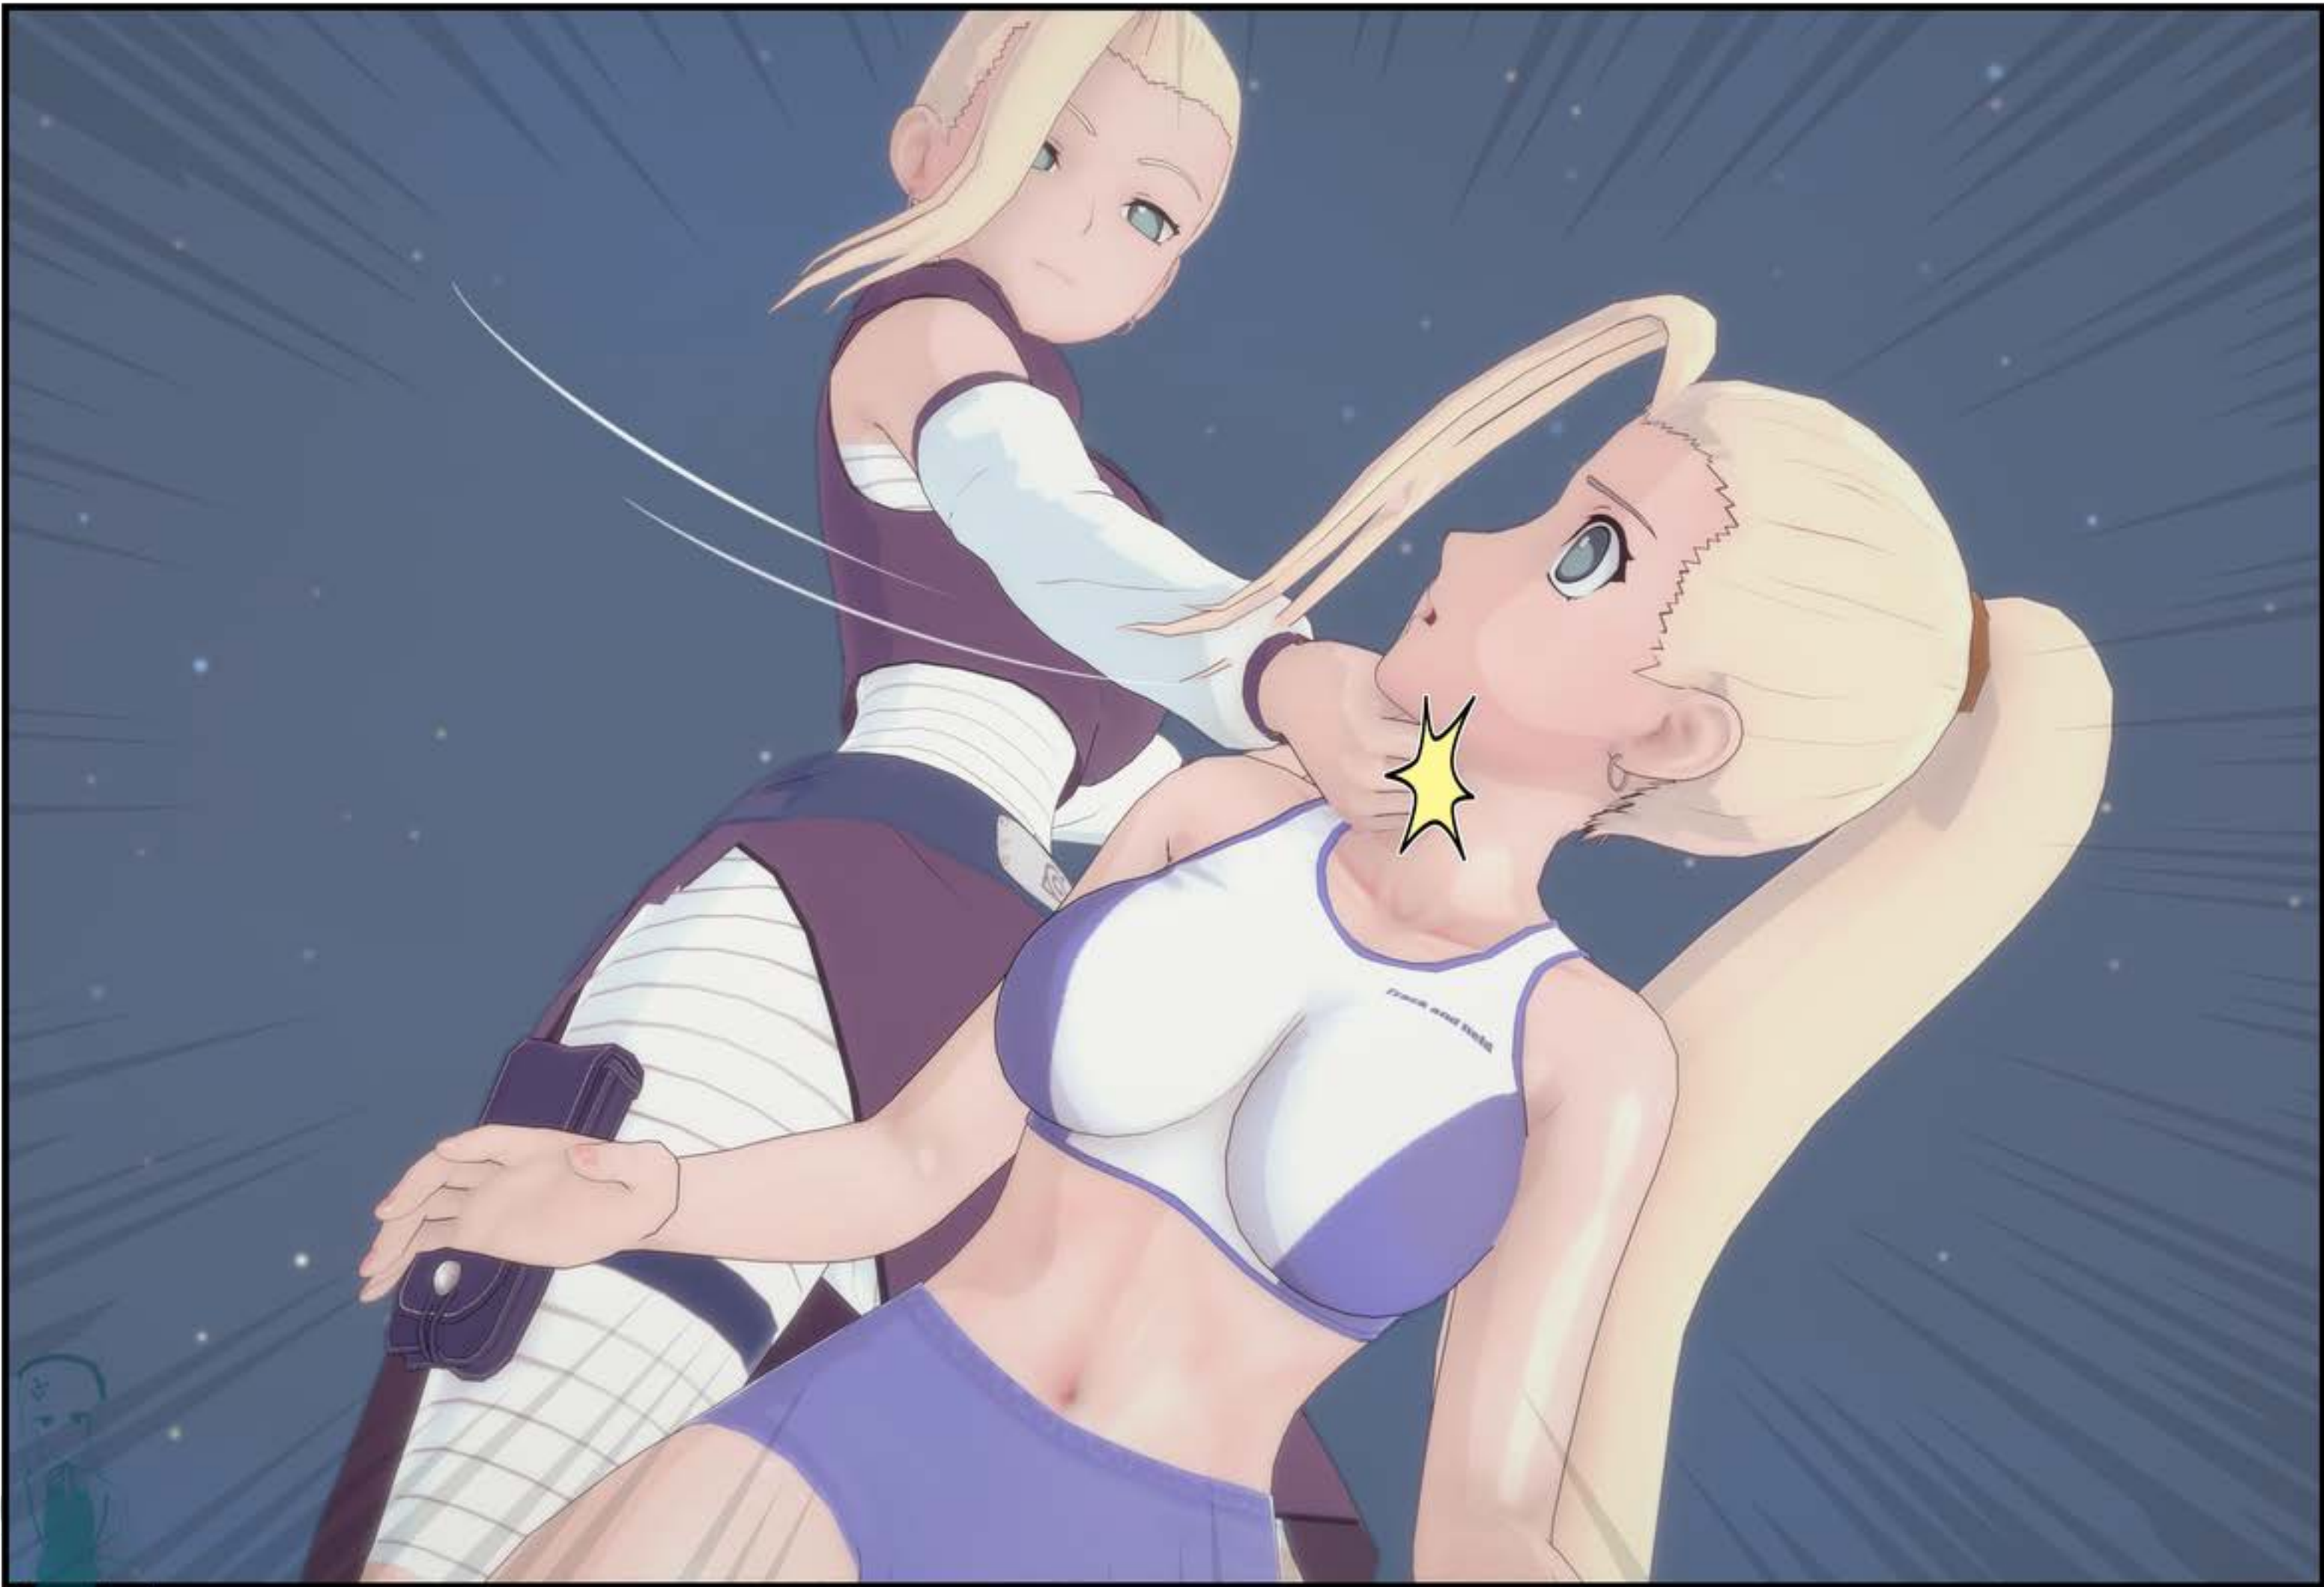

Track and field

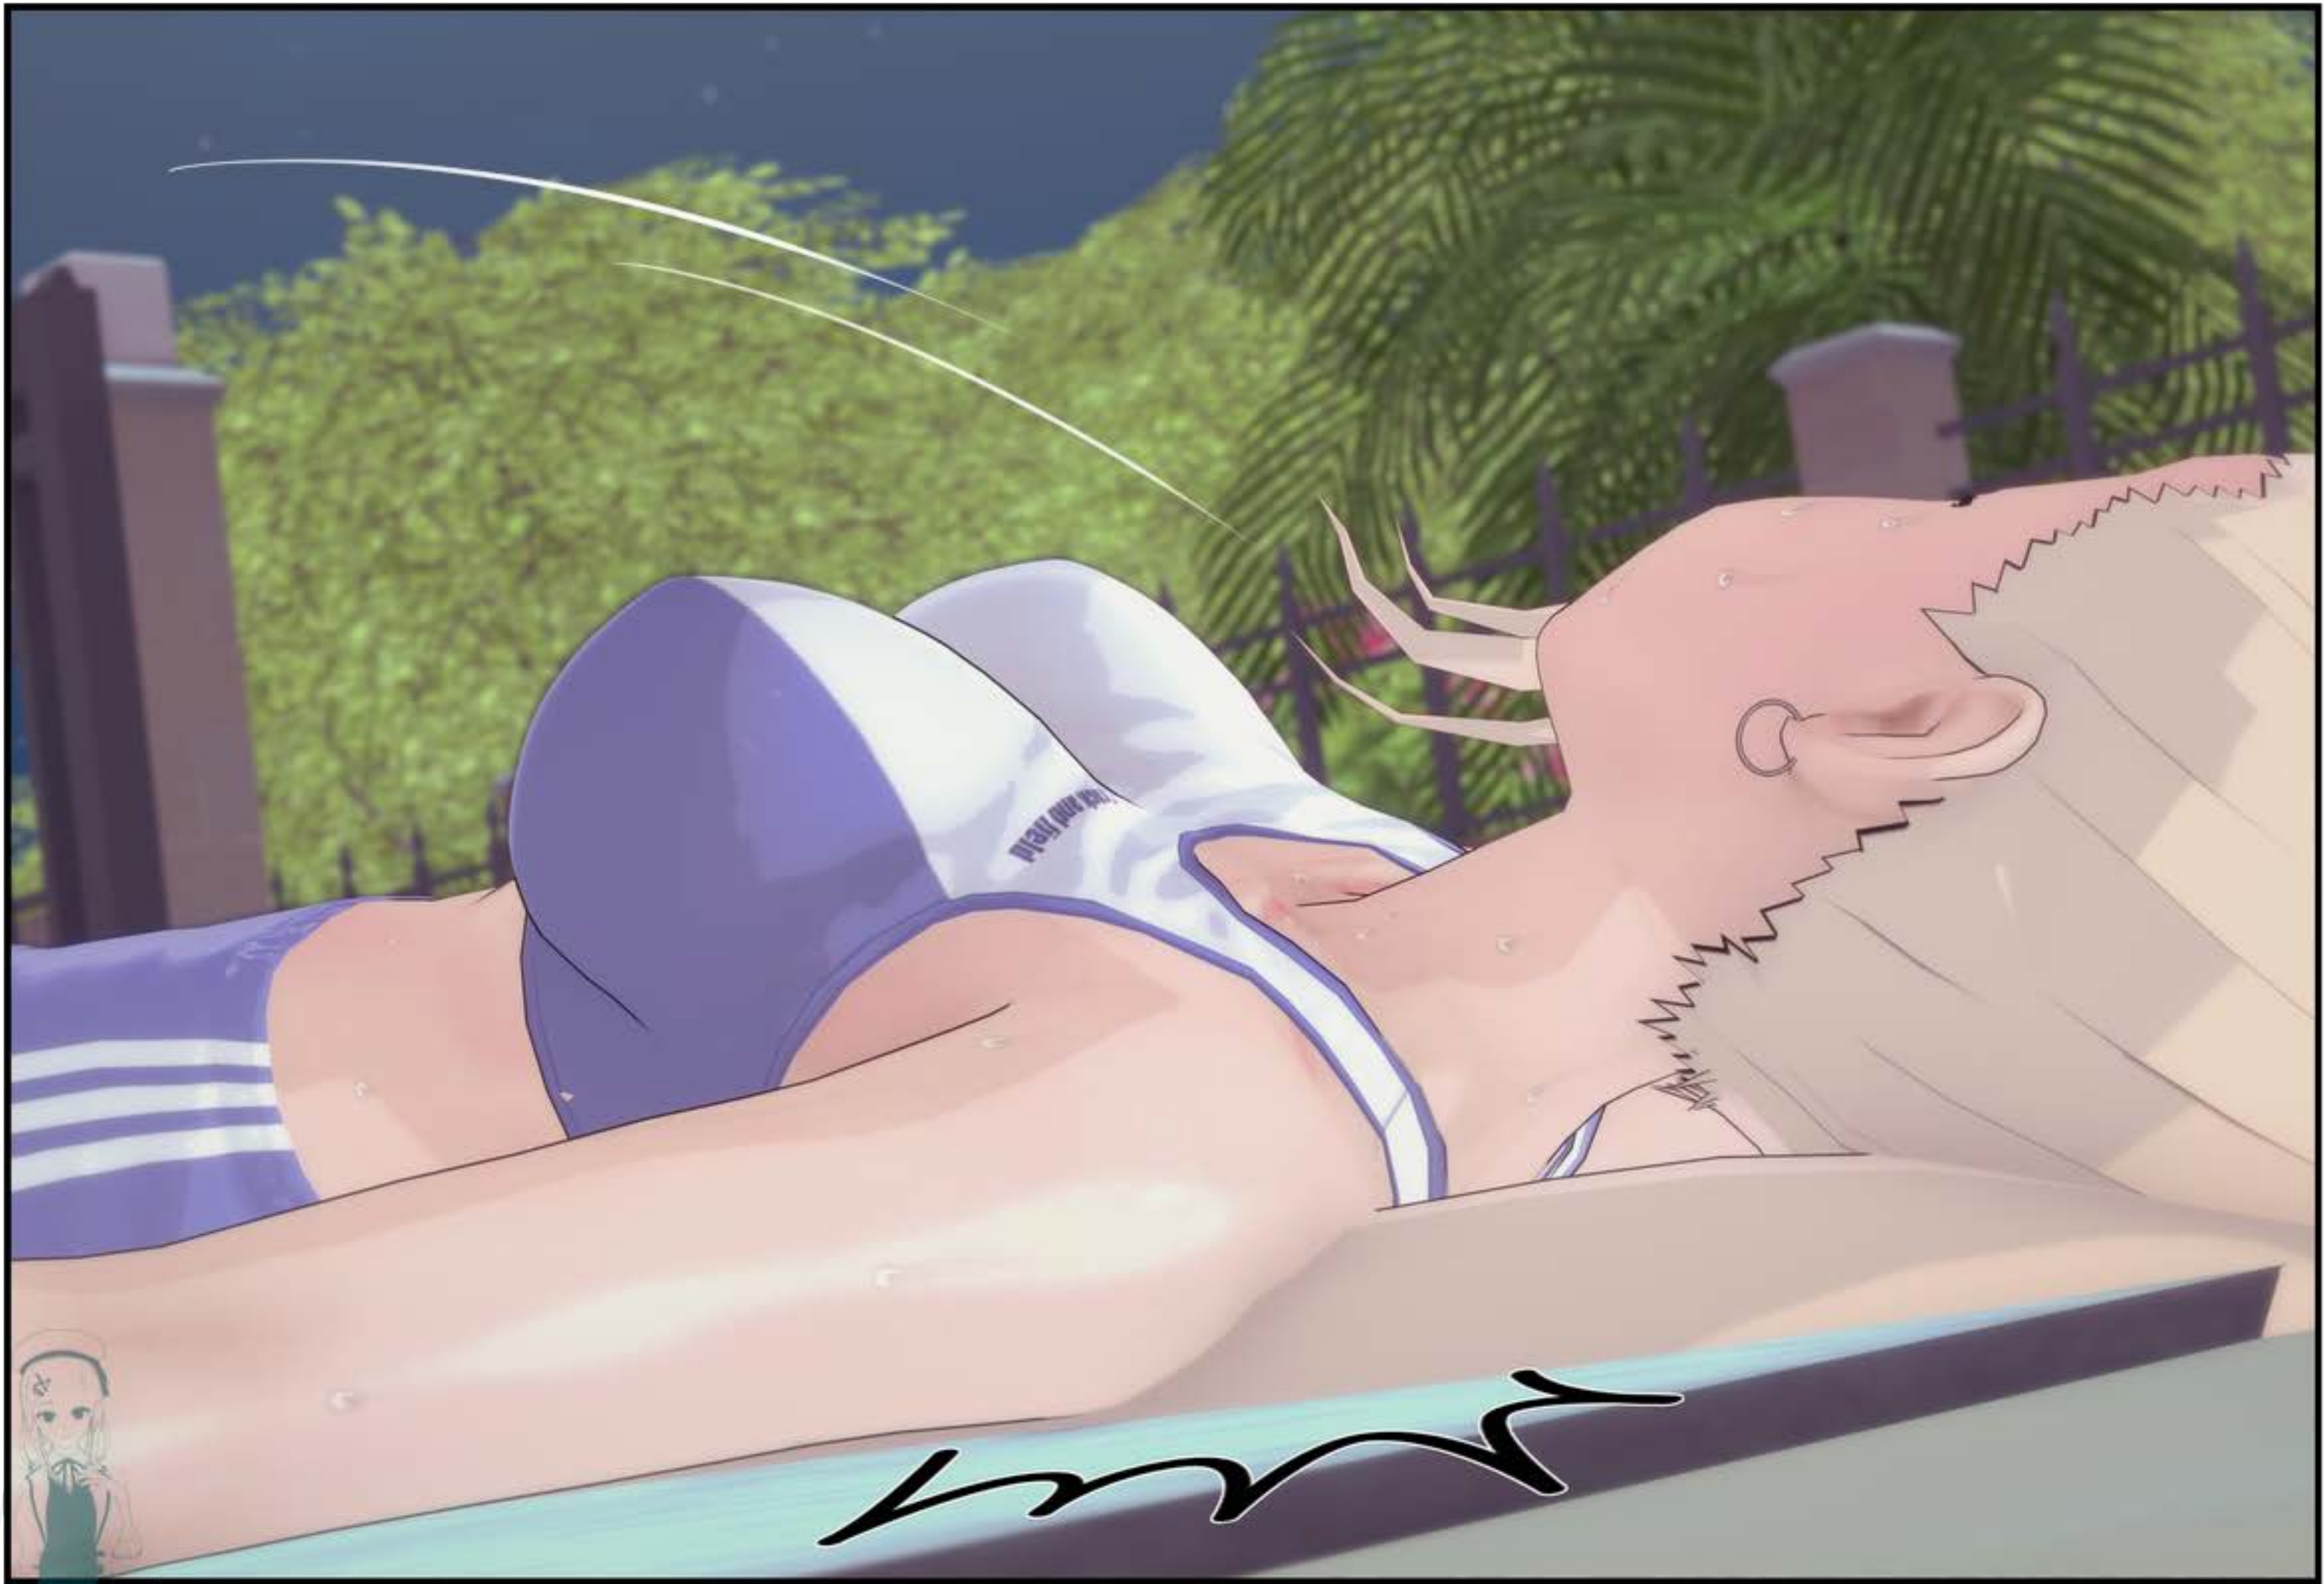

W-What...

Where did it...!?

mm

I took care of
the obstacle. What
did you need me to?

"Give those earrings
to someone else."

Yes, Master. Is
there any specific
who should have it?

"Your decision. Pick someone you think is potential to be in my experiment."

Ino...!?

Ino later on was transferred to the hospital and in coma. Hinata is nowhere to be seen after that.

A month later... The leaf village going though peaceful day like nothing ever happen...

So... She's about to go on a mission and you can't confess your love?

Yeah... I don't think I could say it...

It because... There's not even an opening for me to approach...

My man, I saw you have a lot. But you were too afraid to take it.

So what...? A teacher like me can't compare to a true ninja like her.

Look, that era is about to over. We wear these outfit like teacher, but still, human all the same!

It already happened
in other region, man.
Soon, will be our village.

Over? You mean
our ninjutsu is going to
be replaced?

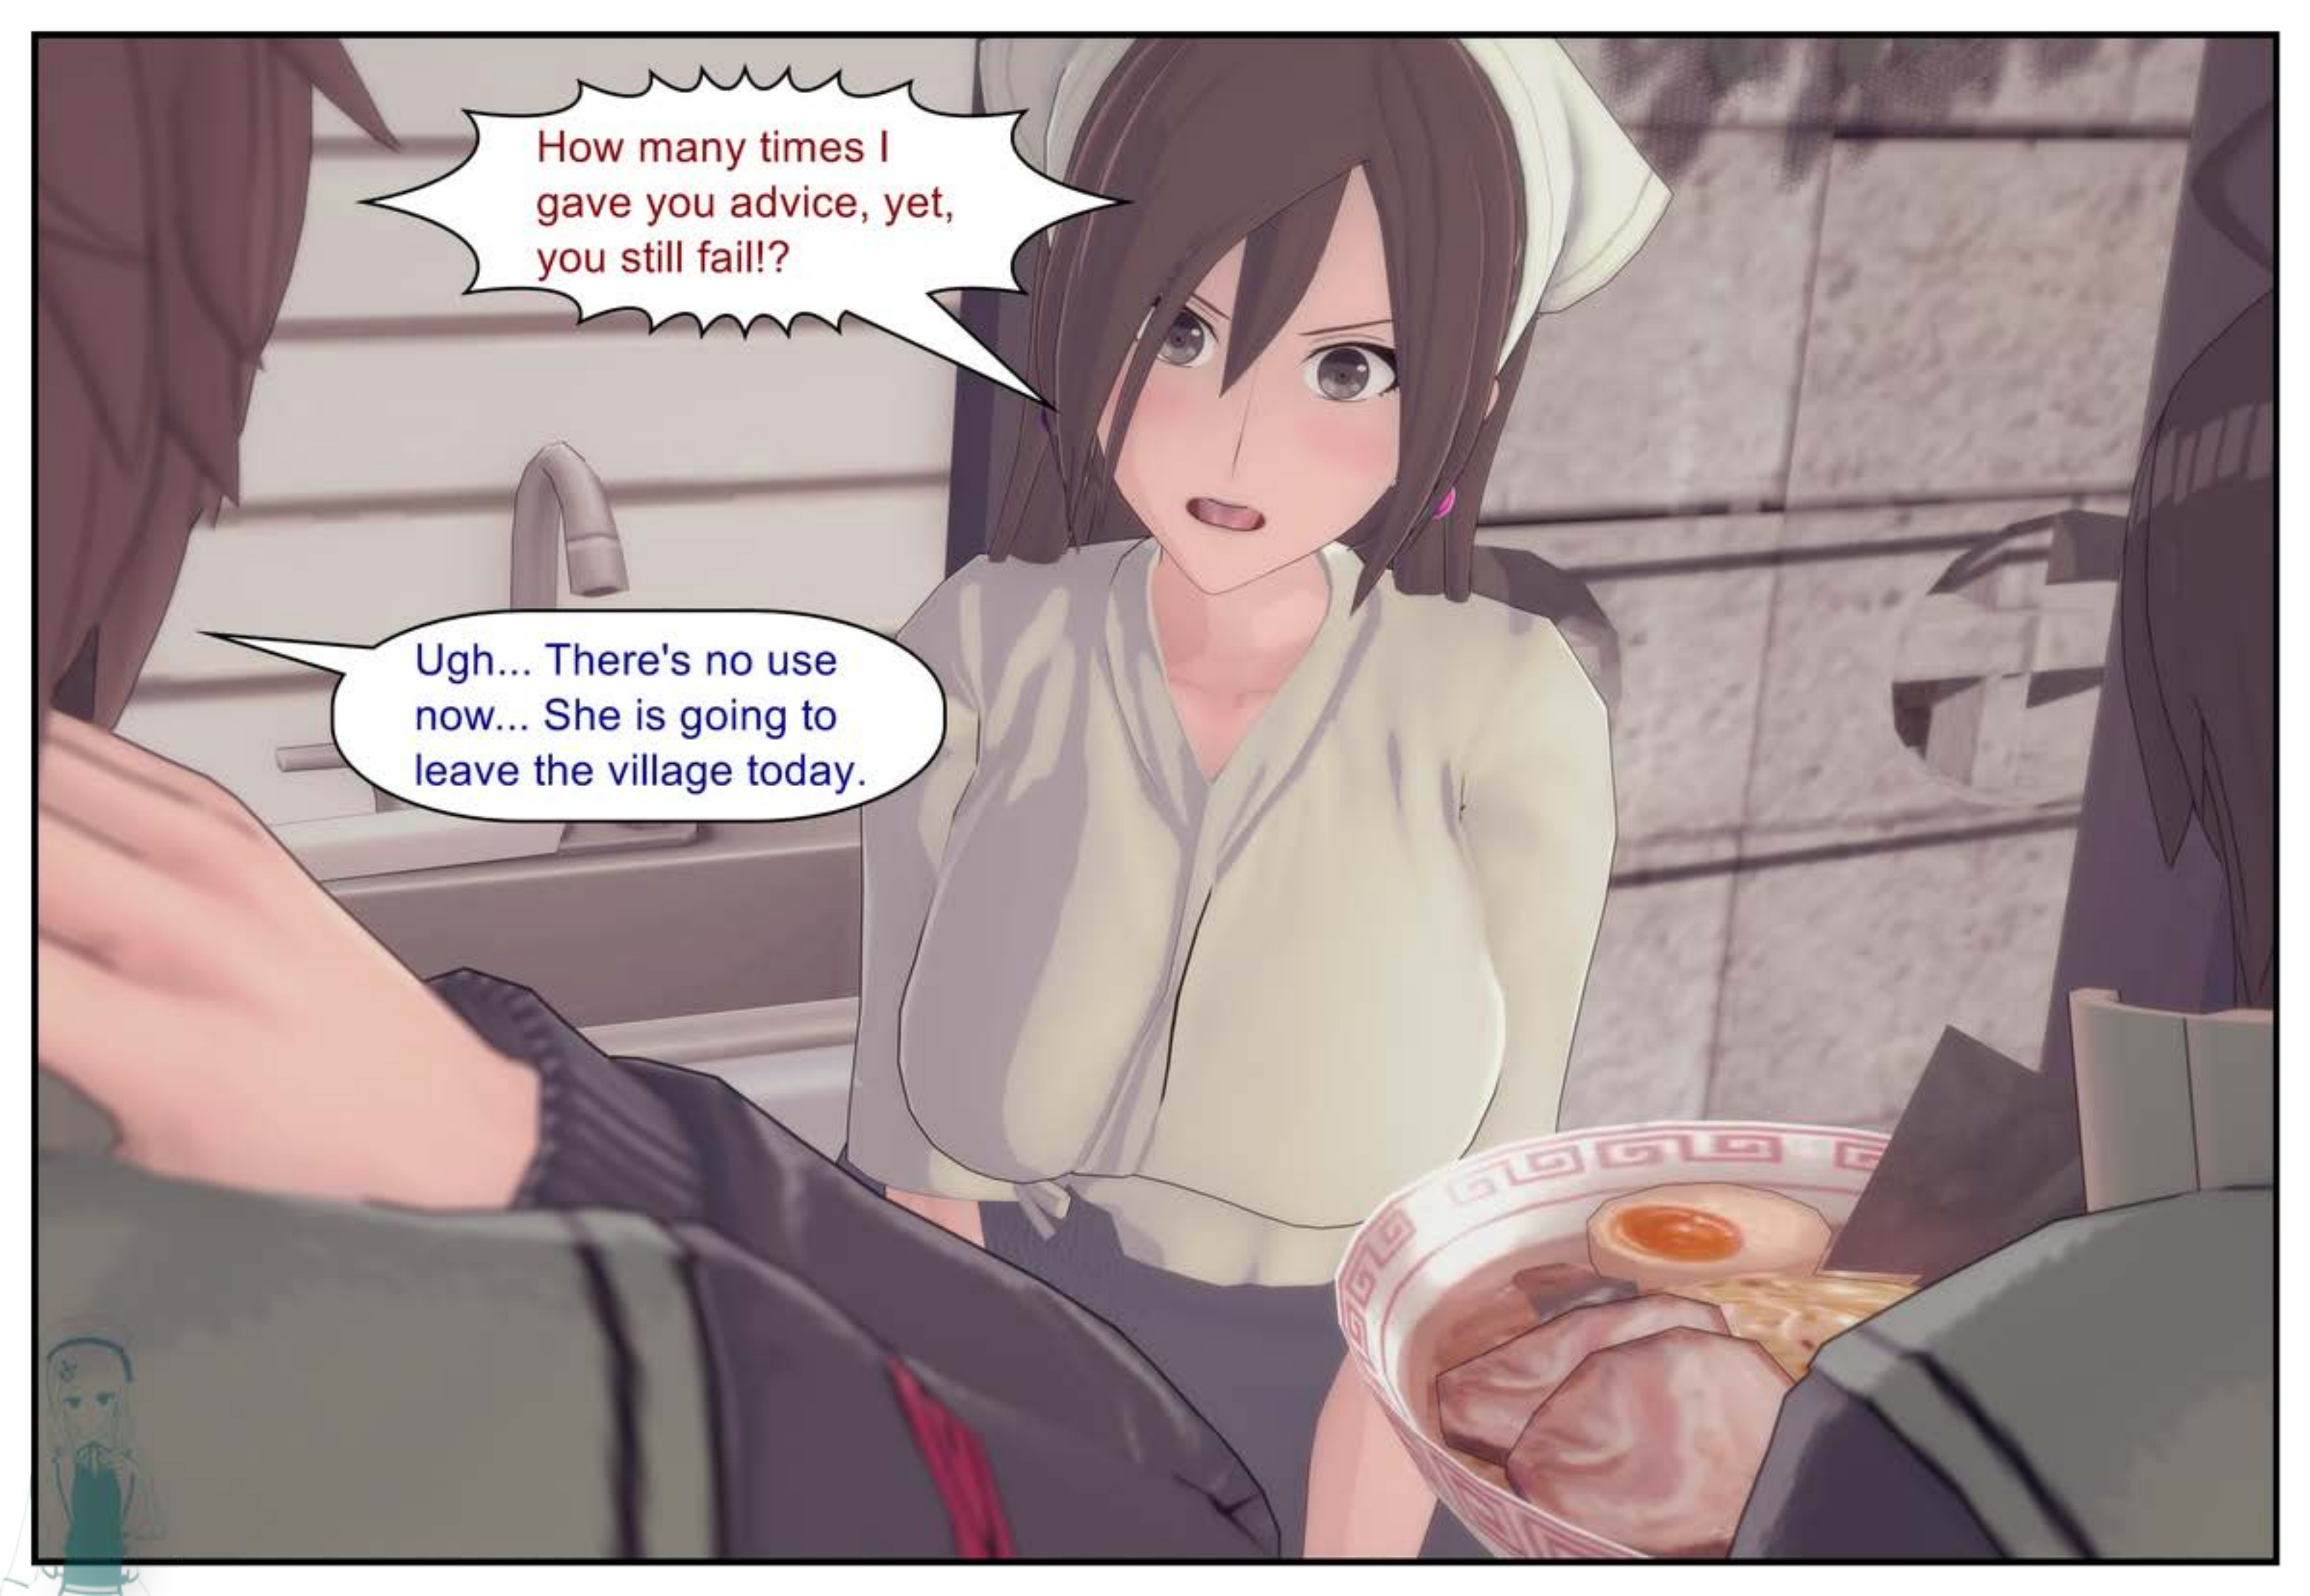

Well... Yeah...

He was always reasoning this and that.

Fail again, from what I saw?

How many times I gave you advice, yet, you still fail!?

Ugh... There's no use now... She is going to leave the village today.

Argh... I'm out of way with you. A man should be strong in order to confess their love.

Hm...? You bought
new earrings?

Don't change
the subject, Haru!

This was... a stranger gave it to me. Said it a present.

Moreover, these were supposed for couple...

And I'm not intending
to have a boyfriend...

A close-up illustration of a hand holding two small, round, purple berries. The hand is positioned in the lower center of the frame. In the background, another hand is visible, reaching towards the berries. The scene is set outdoors, with a paved ground and some greenery in the distance. A speech bubble is located to the left of the hand.

Give it to her, Haru.
One each so that she
will remember.

Are you sure...? What
if she don't accept it...

Are you a coward?
Try first and see
the result, young man.

Don't fail this time.
Do everything, push
yourself to confess her.

Okay... With this,
I think I can make it!

That's the spirit, man!
Go for it!!!

Thank you, both
of you! I will return
with good news!

Yeaaaahhhhhh!!!

Drop that bowl and
you pay me double!!!

Ah... Man, I'm so proud to have a friend like him.

Hey, I'm single, too.
Do you want to be
my girlfriend?

I love serving food,
especially ramen.
Not intend to find my
other-half.

Excuse me...

Welcome! What are you carving for?

No... Could you show me the way to Konoha Village, please?

K-Kuri...!!!

Hmph... You came.

S-Sorry for choosing
the time... But I wanted
to say this... for a long time...

You know... I have
been... no... ever since
I saw you...

I... Um... I... want
to say that...

Please... Be my girlfriend!!!

A close-up illustration of a young man with short, light brown hair and a metallic forehead protector. He has a slightly confused or questioning expression, with his eyes partially closed and a small frown. He is wearing a grey zip-up jacket. The background is a soft, out-of-focus blue and grey. A speech bubble is positioned to the left of his face.

Hm? What did you just say?

Oh, sorry...

E-Eh...?

I was listening to
music, the song
"He came".

W-What...?
You didn't...

Something wrong
with it, then?

Oh, I haven't seen these earrings before.

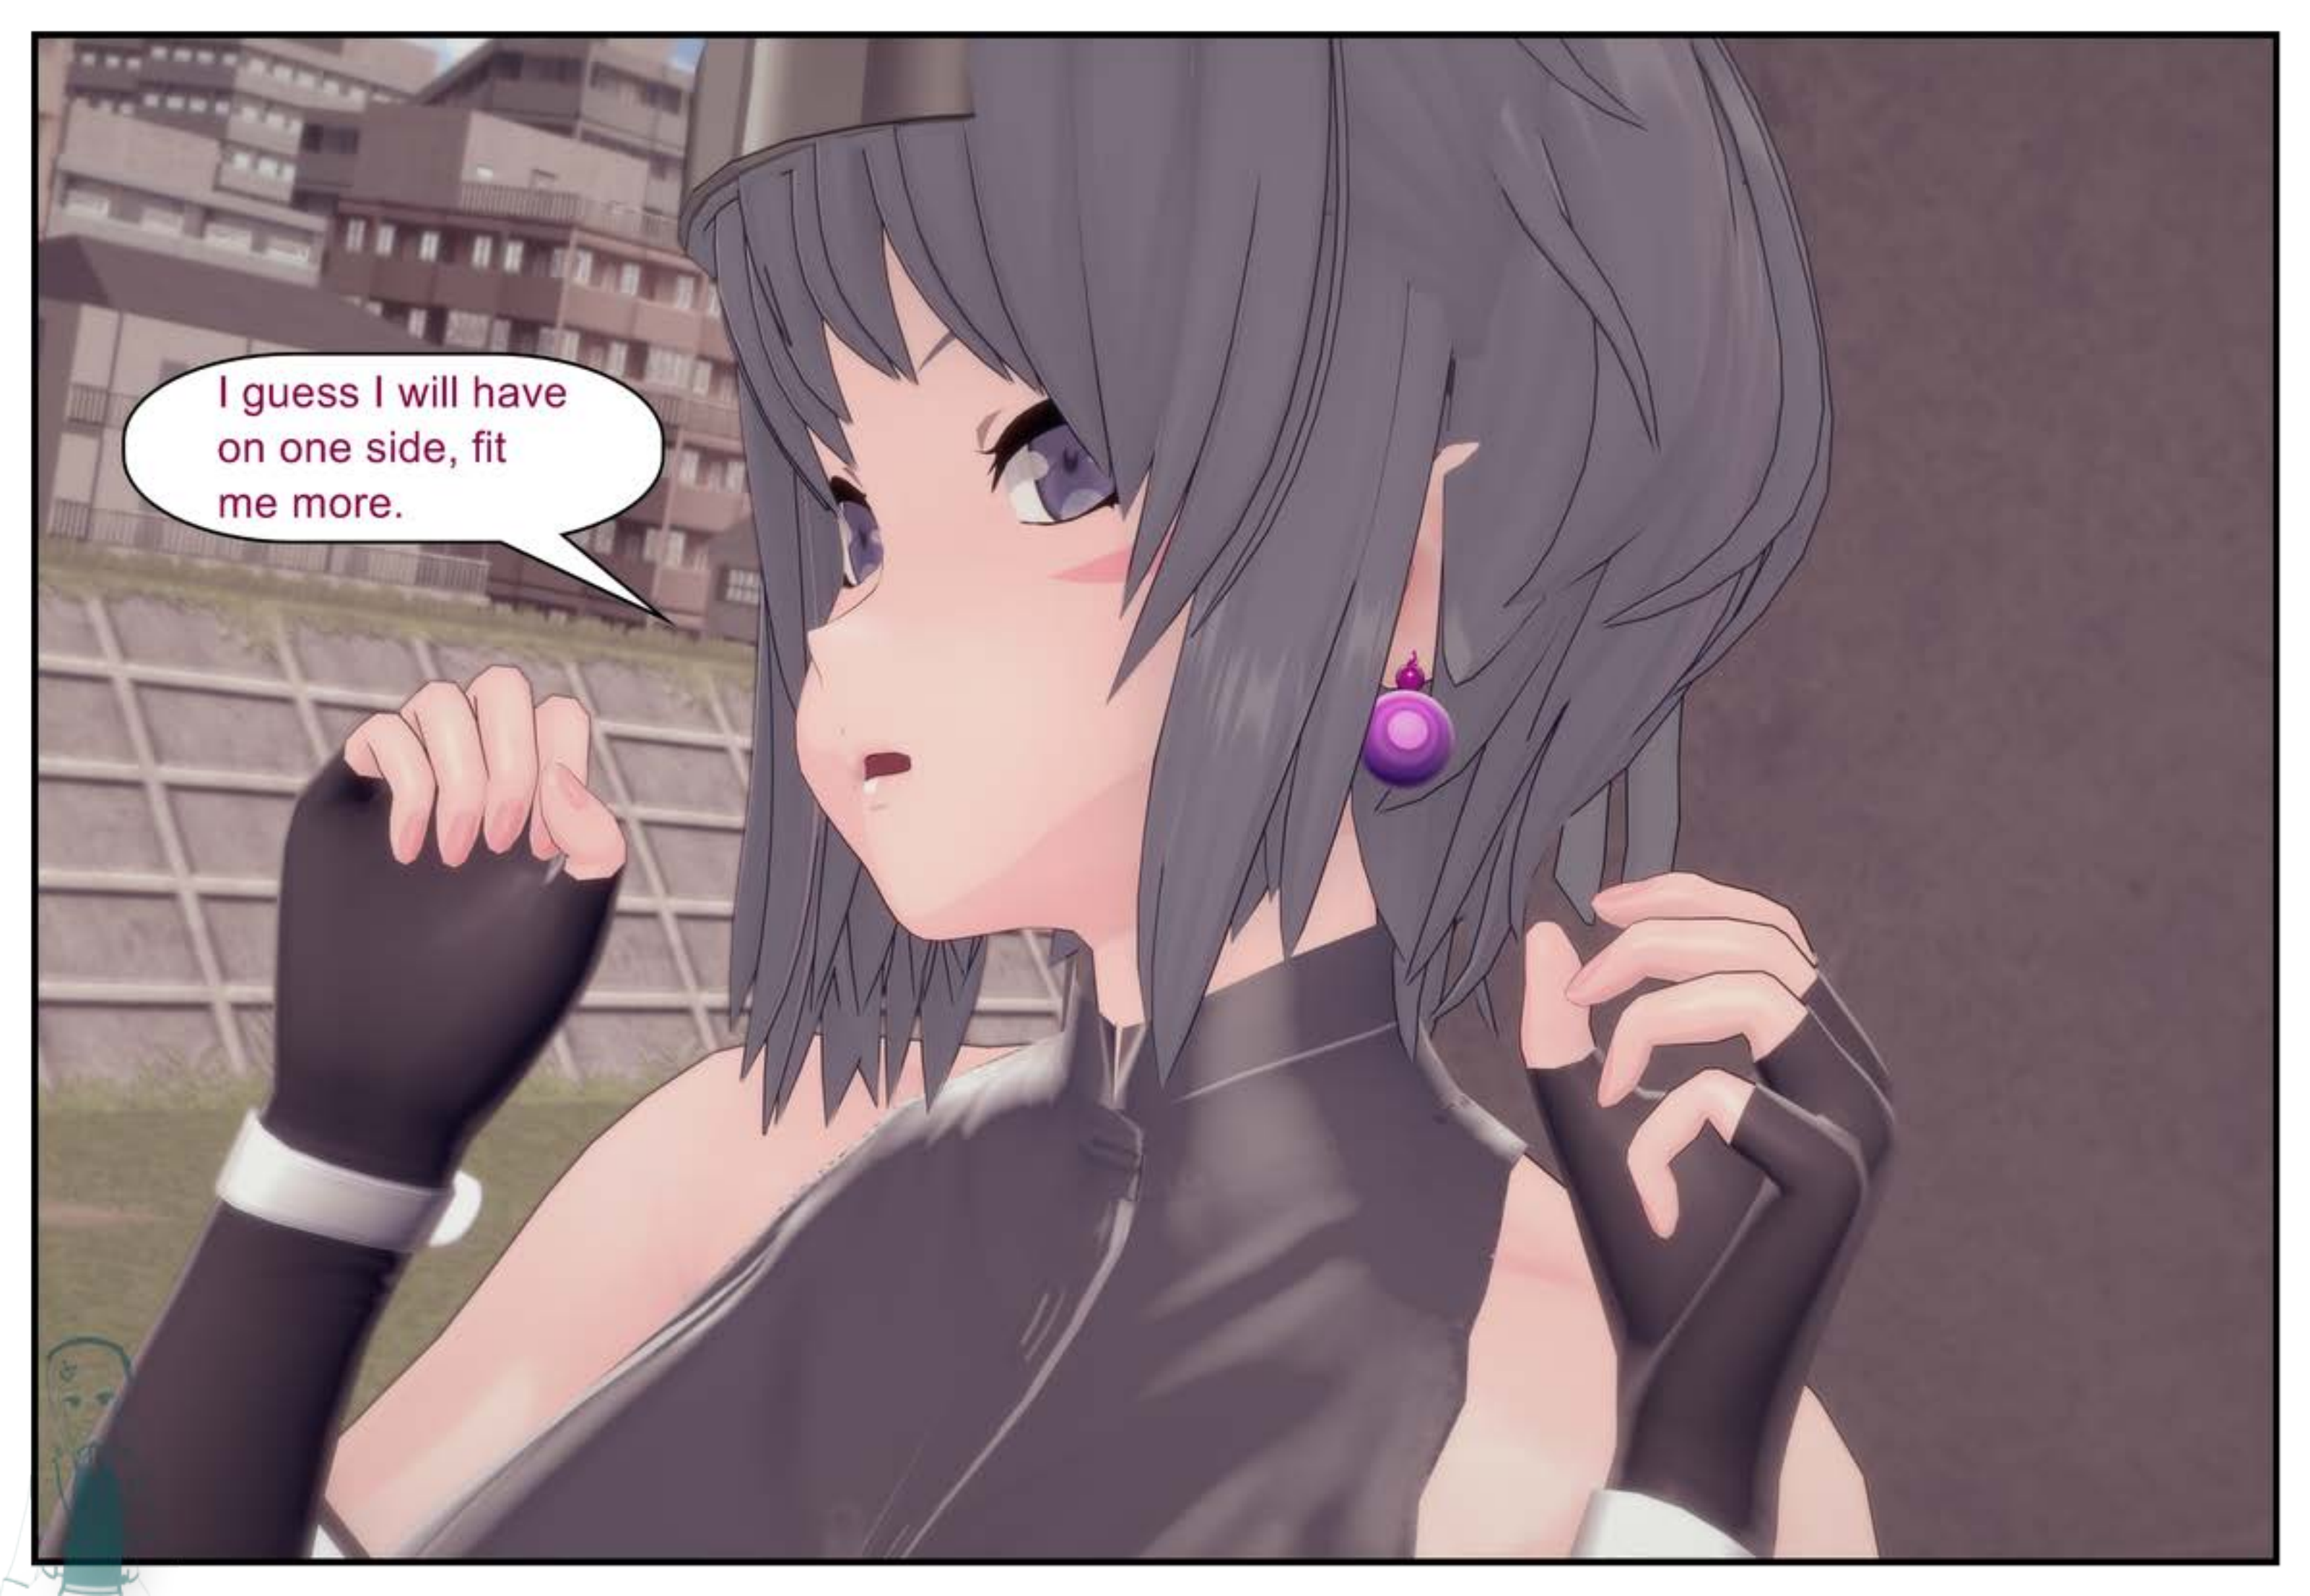

W-Well... They
are a gift...

A gift? Then I will
take it, thank you.

You know that I will
go on a long mission.

I guess I will have
on one side, fit
me more.

That's look really
fit on you!

Oh, thank you for
your compliment.

Then, I will get going now. See you later.

I will wait for you, Kuri!

"Hmph... She didn't hear what I said, but at least..."

"You were so dumb...
I was waiting for you
to say it a lot..."

"W-Wha...!? My body is moving itself!?"

Why

K-Kuri... I...
Watch out!!!

Kurrrriiiii!!!!

"I-Is he... trying to attack me!?"

W-What are
you doing!?

Aaaaahhhh!!!

A short moment later...

"S-So cold... Where are my clothes!?"

K-Kuri...

"W-What's with
him all of sudden?"

Gyyyaaaaaaaaa!!!

W-We are sticked into each other!!!

W-What kind of ninjutsu is this!?

I-I swear I didn't do anything!!!

Though... I can no longer feel my legs...

No more kidding...
Get out... Now!!!

I wanted to... But
my muscle won't...

Then find a way...
If someone found us
like this...

I'm trying!!!

W-We are...

...being fused even closer... tighter...

What in the...!?
This body form!?

That's right, Kuri!?
Where are you!?

These breast... Even
my voice sound girly
than normal...

"She could still be
unconscious inside..."

An anime-style illustration of two women in a wooden bathhouse. The woman in the foreground is nude, with large breasts and a confident expression, her hands behind her head. The woman in the background is also nude, with a more slender build and a neutral expression, also with her hands behind her head. The background shows the wooden interior of a bathhouse with a window looking out onto a blue sky with clouds.

"I guess... being naughty a bit won't hurt?"

I'm cummiiiiinnngggg!!!

お風呂の時間だよ

Hah... Ah... Um...
S-So great...

"If we have been together..."

A close-up illustration of a character's face, focusing on the eyes. The eyes are a light brown color with a bright purple glow in the center of each. The character has long, dark hair. Several white tears are falling from the eyes. The background is a soft, pinkish-red color.

"...would it be...
a lot better...?"

Haru!? What's going with my body!?

K-Kuri!? You are awake!?

It seem that... we
were fused together...

The heck is this
form!? Why can't I
control myself!?

That's enough, let me
take my body back!

O-Of course... I...

Didn't you do anything
dirty, did you?

I think... it's pretty
to have this state... Haha.

Even my clothes
get a lot tighter
in this form...

We are going to see the Hokage. She may have something that could help us.

A-Are you okay with that?

What else do
you want!?

I don't like pervert
or staying like this
any more second!

O-Okay...

To be continued?
