Story by Paul Michaels

Hilda the Teenage Witch

Chapter One: Hilda's new toys

One day there was this high schooler studying in the library. He had a habit of staring at the wall as he studied, and that day was no different. Just then, he heard someone cough behind him. Looking up, he saw the most beautiful girl he'd ever seen. Her name was Hilda. She had red hair and a cute face, but she also wore glasses.

"Oh... Hello."

He took his eyes off the wall and looked back at her. "Um..."

"I'm sorry. Were you looking for something?" The boy asked.

Hilda smiled. The boy gulped. This was such an unexpected encounter! Yet, she seemed so calm about it.

'I didn't expect to see Hilda here,' the boy thought to himself. 'But I didn't think we'd meet in person.'

"You're Dan from bio class right? Nice to meet you!"

Dan smiled nervously. "Nice to meet you too," he responded.

"What are you studying?" Hilda asked.

"Hmm... That's a tough question..." Dan said, trying to remember what he was supposed to be doing.

"Do you mind if I sit down?" Hilda asked as she sat next to him.

Dan could feel himself blushing bright red again. "U-Uh, sure. Thanks."

Hilda giggled. "Are you ok? You look like you're having a hard time concentrating."

Dan shook his head. "No, it's not that. It's just... you know..."

"What do you mean?" Hilda asked.

"Well..."

"You can't concentrate? Luckily I am working a potion that can help with that! What do you say?"

Dan nodded eagerly. "Please."

Hilda went into her backpack and pulled out a vial. She poured some liquid onto her finger and touched it to the tip of Dan's nose.

It made Dan's mind feel clearer, like he could actually focus on his studies now. He sighed happily.

"Wow, what is this stuff?" Dan asked.

"It's called Potions of Concentration."

"Really? I've never heard of it before."

"Yeah, they're pretty rare. I made it myself."

Dan felt himself blush again. "Can I have another one?"

"Sure, but only if you promise to study hard," Hilda replied.

"Of course!"

"Well then, I'll see you later."

Dan smiled. "Ok! Bye!"

When Hilda left, Dan continued studying. And when he was in the middle of his work his nose started to tingle.

'Wah!' he yelled as the tingling started to spread up his body. 'What is going on?'

The tingling became stronger and stronger until finally it stopped.

'Wh-what happened? I don't understand. Wasn't that supposed to make me concentrate better?'

His brain was still confused. He tried to pay attention to what he was learning, but all he could think about was how amazing Hilda smelled. As his skin started getting flushed, he decided to take a break.

Dan walked over to the water fountain and drank some water. His head was starting to clear up. When he turned around he saw Hilda standing there.

"Hey Dan."

She flashed him a smile. "Hi Hilda."

Hilda moved closer. "May I touch your chest?"

Dan gulped and nodded. She reached up and ran her fingers across his button up shirt. Dan was an average guy not muscular or anything, but he was still very attractive. So it wasn't surprising that Hilda got excited by the scent of his sweat.

"Hmm, your chest isn't as soft as I expected," Hilda commented.

"Excuse me?" Dan asked.

"Your chest is pretty flat. I expected more muscle."

Dan's stomach clenched. He was worried that he might offend her, but she just smiled.

'What is she talking about? I'm not that small...'

"You just need a little more of the potion." Hilda said as she leaned in close to him.

Before Dan knew what was happening, Hilda was kissing him. He was shocked at first, but then he kissed back enthusiastically.

But her tongue pushed something down his throat. He coughed and felt the potion flowing from his mouth.

"Ah!" he gasped.

Hilda laughed. "There, that should help you."

Dan couldn't believe what was happening. His whole body was tingling and flushing.

'Maybe I really am a nerd after all.'

Then Hilda just walked away.

'Wow, what just happened?' Dan thought to himself. 'I just need to finish my work and get out of here. Then I can go home and relax.'

Dan went back to his seat and tried to finish his work. At first everything was fine. But as he worked, the tingling started up again.

'This has been going on for a while now, what did Hilda make me drink?' Dan wondered.

As he kept working, the tingling started spreading to his hands and arms. Then his legs.

He had to stop working because he was afraid he would mess up what he was working on if his hand kept shaking.

'What does this mean? Is the potion working too well?'

Dan stared at his work. 'Just concentrate and keep going.'

After a few minutes, Dan started to feel goosebumps all over his skin. His heart was pounding.

'Is this the potion?' Dan thought to himself. 'Am I getting excited or nervous? Maybe both?'

Dan squeezed his eyes shut and opened them again. Once he calmed down he continued working. After a moment he noticed his black hair was in his eyes. 'That's weird,' he thought to himself.

'Why is my hair so long?'

Dan looked down at his hair. It was longer than he remembered. He hasn't had a haircut since last week.

'Maybe it's just my imagination?'

Dan closed his eyes and took deep breaths. As he was doing that he felt a soreness coming from his pecks.

'My chest feels stiff too.'

He looked down at his chest. His nipples were hard.

'Oh no!'

Suddenly, his breathing started to accelerate. He was panting rapidly.

'God damn. The potion is just making me excited! What do I do?'

Dan tried to calm himself down, but it was difficult. After a few minutes he was able to steady his breathing.

'The potion is keeping me aroused!'

He tried closing his mind, but it was impossible. His only saving grace was his boner was shrinking. But his nipples had other plans. They were throbbing with excitement.

'Dammit!' He thought to himself. 'Why are my nipples getting so sensitive?!'

Dan was sweating like crazy now. He could feel his chest and thighs getting wet. As his boner was almost gone as the tingling center on his pelvis was growing an empty sensation.

'What's happening? Why is this potion affecting me like this?'

At the same time he felt his face getting hotter. His cheeks were red and his forehead was shiny with sweat. His face started becoming more feminine.

'What is this sensation?'

Dan began to panic. He was scared he would get kicked out of the school library because he was acting so strange.

'Just calm down. This is probably the potion reacting to my hormones.'

Dan took another deep breath and let it out slowly.

'This is terrifying. I'm not comfortable being like this.'

Dan stopped breathing, but he didn't notice. His body was just reacting on its own without his consent.

His mind was consumed by the lust. His thoughts became clouded with desire. He couldn't focus on anything else.

'What is this potion doing?'

Dan's heart was racing. He had no boner any more but there was an intense pleasure inside him. He could feel his arousal building. He wanted to touch himself, but he knew he shouldn't.

'What's happening?'

Dan quickly grabbed his crotch. He was shocked how there was nothing there. He was expecting his dick to be rock hard.

'Where did it go?'

Dan looked down at his crotch and noticed his bulge was completely gone.

'Noooo!' Dan moaned softly. 'That's not supposed to happen, right?'

Dan checked himself again. There wasn't anything there.

'I don't understand what's happening. This potion should be working. Right?'

Dan was panicking now. As he felt an emptiness starting to grow more within his pelvis. His brain was consumed with thoughts of sex.

I was not like this before. I've never been like this before. This potion is fucking me up! Why did Hilda make this stuff!?'

Dan put his head in his hands. His hair became curlier, thicker and longer.

'No way. No. What now?'

Dan's fingers touched his face and his forehead. His skin was smooth and soft. He felt his lips and they were plumper.

'Shit. Am I getting horny again?'

Dan's heart was beating fast. He was breathing heavily. He was sweating profusely. His entire body was flushed as he was shifting in his seat.

'My chest is burning.'

Dan moved his hands down to his neck. He could feel a difference in the texture. His skin was smoother and his broad shoulders were shrinking.

'What's happening?'

Dan realized he was getting more aroused. He tried calming himself down.

'What do I do?'

Dan grabbed his crotch one more time. He was expecting something to be there. But there was nothing.

'Where's my cock?'

Dan sat back in his chair and crossed his arms while closing his eyes to try to calm himself. His heartbeat was rapid, his arms started to feel something soft push against them from his chest.

'What is this?'

He then realized there was something under his arm. He opened his eyes to see his nipple. He was surprised and he pinched it to make sure it was real.

'Yes, it's real. And it's very big.'

He un-crossed his arms and saw his arms were shorter and thinner. His fingers were becoming more delicate. He reached down with his hand and felt his chest.

'Wow. I can feel myself growing.'

He grabbed his pecs and they were softening with fat and rounder like he had A-cup breasts. The soreness under his nipples was more present than ever. He pinched them again and he could feel their fullness.

'They're so sensitive.'

The potion was definitely affecting him. His mind was foggy and he was completely lost. As his hips began to shift under his jeans.

'Oh god.'

Dan felt his hips getting wider. His legs were becoming more slender.

'I'm so confused.'

Dan was feeling dizzy. He was losing control of his body.

'Why am I changing?'

Dan got off his chair and stood up. His feet were becoming more feminine. He was struggling to stand with his new hips. He tried balancing himself with his hands.

'This is scary.'

Dan fell on his ass and he grabbed his butt.

'Whoa.'

His rear end was bigger and his behind was rounder. His thighs were becoming flatter. His knees were becoming less muscular.

'What happened to my legs?'

As Dan touched his leg, it was soft and feminine. He pinched his thigh and it was getting softer.

His hands went down to his calves. They were getting smaller and more delicate. He could feel his ankles were becoming narrower.

Dan was scared. He tried to get up but he was unable to balance himself. He sat back down on the chair.

'What's happening to me?'

Dan looked around the room. That was when he noticed Hilda standing there smiling at him. She was wearing a black dress that showed her cleavage. Her breasts were large and her nipples were erect.

"What?"

She walked closer towards Dan.

"Hilda."

Her smile turned into a smirk. "May I check your chest again? To see how the potion is progressing?"

"I don't think that's a good idea. I'm not really myself right now. I'm too-"

Dan stopped when Hilda walked over and started fondling Dan's small breasts. She squeezed them together and she pulled on them.

"Aunh! H-Hilda! What!?" Dan struggled to make a sentence.

"These are amazing!"

Dan felt his nipples harden. He couldn't help but moan as Hilda played with his tits.

"Hmm? Seems like the potion is still active. Let's see if we can accelerate it." Hilda said with a smirk.

"Hilda t-this isn't...." Dan still was struggling to conjugate a sentence with Hilda in control of him.

Dan felt his body getting aroused. He could feel his vagina throbbing. He wanted to move his hips but the potion was making him unable to control himself.

"You're so sexy." Hilda whispered. "Your body is so different from what I thought it would look like. Now laid down face first on the table."

Dan did as she said. She took a look at Dan's wide hips and big ass. He was nervous but he obeyed.

"Now I want you to spread your legs."

"W-what?"

"Trust me."

Dan was feeling weak as his jeans were struggling to contain his growing rear end.

Dan felt Hilda kneeling between his legs. She was rubbing her hands over his firm thighs as the cloth became so tight it was cutting off circulation. He was breathing heavily from the intense sensation of having his legs spread apart. He could feel the button on the front of his jeans straining to hold back his huge ass.

'This is wrong. Why does this feel so good?'

Hilda was stroking his inner thighs as she leaned forward and started kissing his pussy through the pants. She was sucking his lips through the material.

"What are you doing?" Dan asked.

"Just relax."

Dan felt her tongue licking his slit. She was lapping at his labia. Which helped make his ass and hips grow past the capacity of his pants as the button that's was fighting to stay on popped out of his fly.

"Stop! Stop!"

Dan struggled to push her away. But the potion made him weak.

"Oh man," Hilda groaned. "This potion is working way too well. It's turning me on just thinking about your big ass."

"Ngh!" Dan moaned.

Then Hilda grabbed the waistband of his pants and yanked them off.

"Guh!" Dan screamed out in surprise.

Hilda had a full sight of Dan's boxer briefs being wedged in his cheeks. The material was stretched to its limit giving him a major camel toe.

"Oh my goodness!"

Hilda was so excited. "Look how your ass has gotten so much bigger." Hilda grabbed his ass and squeezed it.

"Ngh!"

Hilda put her finger inside Dan's boxers and stuck it into his pussy.

Dan cried out from the intense stimulation.

"Ooh!" Hilda exclaimed. "You have such a hot little pussy."

Hilda slowly fingered Dan's wet cunt. She continued to tease his clit with her fingers.

"S-stop!" Dan begged.

Hilda didn't listen to Dan. She kept fingering him.

"Ah!" Hilda groaned. "You're getting so wet."

Dan felt a gush of warm liquid running down his legs.

"Hilda stop!" Dan yelled.

Hilda didn't listen to Dan. She kept pleasuring him.

"Oh my god!" Hilda cried out.

Dan felt something hot spreading across his ass.

"Hilda!" Dan yelled out.

Hilda released her finger from Dan's boxers.

"The potion is working beyond expectations." Hilda said excitedly.

Dan felt her licking up the juices flowing out of his pussy. But his ass wasn't the only thing that was changing on him. The potion was also changing his hair to become curlier and longer as it sprawled out past his shoulders. His face turned more feminine as his jaw line became smaller, cheek bones more pronounced, and his nose became straighter and shorter. His lips grew fuller, becoming plumper and redder.

"Wow! Look at you!" Hilda exclaimed. "You're so cute!"

Dan didn't know what to do. All he knew was that he was scared because this wasn't what he wanted.

"Time to fully test you out." Hilda said as she smiled as she went through her purse to pull out a vibrator. "I'm going to turn you into a real girl."

"No!" Dan cried out.

"Relax." Hilda said as she inserted the dildo into Dan's pussy.

'This shouldn't be happening!' Dan thought as he felt the dildo entering into his tight slit. 'My body is not meant for this kind of toy. I'm a man!'

"Let's see if you can handle this." Hilda said as she picked up speed.

Dan's hips bucked against the dildo as it pushed deeper into his pussy. His inner walls were being stimulated by the toy. He couldn't believe how good it felt. The soreness in his chest came back as he began to moan loudly.

"That's right baby." Hilda cooed. "Keep moaning. It's okay baby."

'This is wrong! What the hell am I doing? My chest feels so sore!'

"Yeah," Hilda said as she held Dan's hand. "Come on baby."

Dan's breasts were growing at a fast rate underneath his shirt. What once was A-cup now became C-cup. The change was so drastic that Hilda gasped.

"So pretty!" Hilda said. "Your tits are perfect! But I bet they can be bigger!"

Dan's breast began to swell even faster as Hilda touched them as his shirt strained against the new growth. Dan's nipples grew larger and harder like a pencil eraser.

"Mmmmmm!" Hilda moaned as she pinched one of Dan's hard nipples.

She then took her fingers and started rubbing her pussy while watching Dan's boobs grow waiting for them to burst out of his shirt.

"Oh damn! Your boobs are huge!" Hilda said. "They're so soft and round."

Dan could feel his chest expanding and his breasts were filled with fluid making them heavier as the buttons started to stretch making gaps between the buttonhole.

"You're so beautiful." Hilda sighed.

"Mmmmm." Dan moaned as Hilda continued to rub his pussy.

Dan watched his boobs continue to get bigger. They were now almost the size of basketballs. Hilda moved her hands down to pull up her skirt revealing Hilda's pussy.

"Wait!" Dan cried out.

Hilda stopped moving her fingers in his pussy as she looked down at Dan's boobs and saw how big they were about to burst out of his shirt!

"I-I can't breathe!" Dan pleaded.

Pop!

One button popped open and then another.

And then the rest of the shirt popped off.

"Oops!" Hilda laughed.

Dan tried to cover his breast that are now bigger than his head and started to leak milk out of her nipples.

"Damn you're leaking like crazy!" Hilda said as she pinched one of her nipples.

"Uhhh!" Dan cried out.

Hilda grabbed hold of Dan's breast and squeezed it.

"Aaaaaahhhhh!" Dan screamed out as she milked out the milk from her boobies.

"You're such a good girl." Hilda smiled as she squeezed out all of the milk from Dan's breast.

"I-I'M N-NOT A GIRL HILDA! AUNGH!"

"Oh baby, you sure are!"

"I-I'm a man!" Dan cried out.

"But you're soooo sexy!" Hilda giggled.

Dan tried to cover herself but her huge boobs were too heavy and big for her to move.

Hilda placed her arms around Dan's waist and began to rub her pussy again. Dan was getting wetter by the second.

"You're so perfect!" Hilda said. "Look at you! You're gorgeous!"

"What am I doing?" Dan cried out.

Dan was so confused. Everything was happening so fast. Dan was touching herself now as lust final touch control of her.

"You're a woman now." Hilda said as she wrapped her arm around Dan's neck and brought her lips close to Dan's ear.

"And now..." Hilda whispered. "It's time for us to have some fun together."

"No!" Dan cried out.

"Yes." Hilda said as she kissed Dan on the cheek.

"A-AH!"

Hilda slipped her tongue into Dan's mouth. She tasted so sweet.

"I have one more magic item to try out on you." Hilda giggled.

"Please don't do it!" Dan begged.

"Don't worry." Hilda said. "Just relax."

"Here we go!" Hilda said as she removed her skirt showing off her wet pussy. But there was a strange piercing in her clit.

"Why is there a ring in your pussy?" Dan asked.

"So I can do this." Hilda said. as her eyes glowed making her clit grow longer and thicker than any dick Dan's ever seen before.

"N-NO!" Dan screamed out.

"Are you scared?" Hilda asked.

"Y-YES!"

Hilda grabbed Dan's hands and guided them onto her clit.

"You're a woman now!" Hilda said. "And women love pleasure."

With her other hand, Hilda slid her finger inside Dan's pussy. Her fingers felt so warm and tender.

"OOOHHHHH!" Dan moaned as she touched her lactating breast that was bigger than her head.

Dan could feel her body quivering. It was like her pussy just came alive.

"You're going to cum soon." Hilda said.

"I can't!" Dan cried out.

"You're a woman now." Hilda said. "And you will cum when I say so."

"I-I won't!"

Hilda smiled as she positioned her cock like clit against Dan's pussy.

"Oh fuck!" Dan moaned as she felt the tip of Hilda's clit enter her pussy.

'It's going in with no resistance!' Dan thought.

"OOOHHHHH!" Dan screamed as her pussy welcomed the meaty member.

"AAAAAHHH!" Dan cried out as Hilda's clit entered her pussy.

"You're so tight!" Hilda pushed deeper into Dan's pussy until her clit was fully inserted inside of her pussy.

"Noooooo!" Dan screamed as she felt her pussy being stuffed full.

"Do you like that?" Hilda asked.

Dan wanted to deny it with all of her very being but she felt a sensation she had never experienced before. It was an orgasm, but it spread out from her crotch and seemed to envelop her whole body.

"Y-YES!" Dan screamed as she milked all the milk out of her tits.

"That's my little girl!" Hilda smiled. "Now... Let's have some fun."

Hilda started rocking her hips back and forth. Her clit was sliding in and out of Dan's pussy. It felt so good. So good that Dan couldn't stop herself from moaning. As the strange orgasm seemed to go on for much longer than usual.

"MMMMMMMMMM! AURNH!!!" Dan screamed as she climaxed again.

She milked out even more milk from her breasts. The whole room filled up with the sweet smell of her breasts.

"Let's see how big those titties of yours can get!" Hilda said as she pulled out her clit and aimed it right at Dan's face.

"NOOO!" Dan begged.

"Shut up and suck me!" Hilda laughed.

Dan was so confused. Her man pride was in tatters. She didn't want to be seen sucking a dick even though it was a clit. Yet her body was telling her that this was what she needed to do.

"I'm not doing it!" Dan said.

"I'll make you do anything!" Hilda said. "Anything I want. Just put your lips around my clit and suck."

Dan looked at Hilda with pure confusion. She clenched her teeth together as she tried to fight opening her mouth wide. Her hands were still gripping her boobs.

"Suck it bitch!" Hilda said.

Dan obeyed. She opened her mouth wider and took Hilda's clit into her mouth.

"OOOHHHHH!" Dan moaned as she sucked on Hilda's clit.

"Good girl!" Hilda said. "Keep sucking!"

Dan kept sucking on Hilda's clit. She massaged her clit with her tongue. What surprised Dan was Hilda's clit was getting bigger and can feel it pulsate in her mouth.

"OOOHHHHH!" Dan moaned as she milked the last drop of milk out of her breasts.

"That's a good girl!" Hilda said.

Dan noticed that Hilda's clit was huge now as it forced Dan's jaw open.

"GOOD! Just a bit more!" Hilda said.

Dan didn't know that she was able to take Hilda's huge clit in her mouth. It grew even bigger and harder.

"Ahhhhhh!" Dan moaned as she felt the clit's tip enter her throat.

"You're a good little slut!" Hilda laughed. "Now swallow my female cock!"

Dan closed her eyes as she felt Hilda's cock entering her throat.

"AAAAAH! OOOOOHHHHH!" Dan screamed as she felt Hilda's cock enter her throat.

"Your throat is so tight!" Hilda said.

Dan felt that Hilda's cock was too big to fit in her mouth. Dan felt that it would hurt her.

"Don't worry, we can fix that!" Hilda said.

Dan felt Hilda's dick growing even bigger in her throat as Hilda was ready to cum in her throat.

"AAAAAAAAAHHH! AURGNG!" Dan screamed as she felt Hilda cumming down her throat.

"That's it!" Hilda laughed. "Take my load!"

Hilda's cock erupted deep down her throat. Dan milked the cum out of her clit and swallowed it.

"Now I think it's time for you to get fucked!" Hilda said.

Hilda grabbed Dan's ass and lifted her up. She then positioned Dan on top of Hilda's female cock.

"This is going to be different from riding a horse!" Hilda joked.

Dan placed her legs on top of Hilda's thighs as she slowly lowered herself onto Hilda's cock.

"Oh my!" Dan gasped as she felt the cock enter her pussy.

"This is where the fun begins!" Hilda said.

Dan slowly rocked back and forth on Hilda's cock.

"That's it!" Hilda said. "Fuck me, bitch!"

Dan kept fucking Hilda's cock. She could feel the cock throbbing inside of her pussy.

"OH FUCK! OH GOD! YESSSS! YESSSS!" Dan screamed as she came.

The feeling of her pussy being stretched by Hilda's cock made Dan scream louder.

"So Dan are you a man?" Hilda asked.

"No! I'm a woman!" Dan answered.

"Then you need to fuck my cock!" Hilda said.

Dan didn't say anything as she continued to ride Hilda's cock.

"Fucking take all of it!" Hilda said as she gripped Dan's ass tighter.

Dan could feel the tip of Hilda's cock hitting her cervix. Dan was about to cum once again as she leaned her head back and arched her back so she could feel Hilda's cock enter as deep as possible.

"Yes! Yes! Fuck me hard!" Dan screamed.

Dan continued to slam her pussy onto Hilda's cock. The pleasure was too much to bear.

"OHHHHHHHHH!" Dan screamed as she came again.

Dan felt the cock throbbing inside of her and knew that another orgasm would soon come.

"I'm almost done!" Hilda said.

"YES! MAKE ME CUM AGAIN!" Dan screamed.

Dan felt Hilda's cock pulsating inside of her as she felt the cock explode.

"AAAAAAAAAAHH!" Dan screamed as her body shook violently.

Dan collapsed on Hilda's chest.

"Good job!" Hilda said as she brushed her fingers into Dan's long black curly hair.

"Well I guess it's time for you to go home now," Hilda said.

Dan got some of her clarity back as she pushed herself away from Hilda.

"W-What did you do to me Hilda!? How was this possible!?" Dan asked.

"I'm a witch and I wanted to test some new toys on unsuspecting boys like yourself." Hilda said.

"But I got to say you look ravishing now. Do you see all your body changes? You've already put

on weight. Your boobs are fuller than they were before. Now I know why. You're pregnant with my baby!"

"Pregnant!? W-With your sperm!?" Dan screamed.

"You have no choice but to accept it!" Hilda said.

"NO! NO! You have to change me back! Pleasepleaseplease!" Dan pleaded.

"Sorry! But don't worry I'll make sure to keep you happy while you're pregnant. We can fuck all day and night if you want!" Hilda said.

Dan's heart raced as she thought of having sex with Hilda. She had never seen someone so beautiful in her life.

"What about my family? What will they think?" Dan asked.

"Don't worry about them! They'll find out sooner or later anyway!" Hilda said as she winked at Dan.

"And what about my friends!?"

"They can be brought into our family? Do the same thing I did to you, hmm?" Hilda said with a smile. "I can now bring back the witches with this potion. You're the first one! So let's get you more pregnant!"

Dan's mind went blank as she realized how much power Hilda had over her.

"Please! Please let me go!" Dan begged as she looked into Hilda's eyes.

Hilda grabbed Dan by the wrist and pulled her close.

"You'll stay here until I decide otherwise!" Hilda said as she kissed Dan's lips.

Dan felt her brain melt away as she gave in to Hilda's kiss. She opened her mouth and let Hilda's tongue slide into her mouth.

"You're mine now. And there's nothing that will change that. My cute first wife!" Hilda said.

Hilda smiled as she magically whisked them away.
