CUDDLE-BOXING TOURNAMENT
SEMIFINAL #2:
"BAD MEMORIES"

Tonight we have a rematch from when Bautista was the Heavyweight champion, where she laid a beating on the relatively inexperienced Brit Cooper over six rounds!

A WHILE BACK:

Now:

ROUND 1:

Cooper races out at the bell for round one and stuns the ex-champ with a right hand...

...Then immediately goes to work on the massive melons of the Mexican!

It looks like the Brit's plan was to focus on boob-bashing...

...Leaving Bautista open to change-up smashes to the face!

But Bautista counters with an uppercut that puts a wicked shimmy in the blonde's knees!

And Cooper is down!
Just one shot dropped
the brit on her ass!

CAN YOU
FLY, CLINT?

AUGGHH!

SHIIIT!!

The ropes barely kept Cooper
from landing outside the ring...

...But that pussy-pounding she
got before the bell is sure making
her wish they hadn't!

DINGDINGDINGDINGD

ROUND 2:

Cooper goes right back to the breast-beating, focusing all her attention on the left this time!

She's determined to mash that mammary into mush!

Bautista's trying to conserve her energy, offering no resistance to Rox's attacks...

...While Cooper refuses to let Morgan work without putting up a fight...

...And it's having an effect!

ROUND 3:

Even with the beating she took in round 2, Bautista is the fresher fighter after the break!

She's starting to pay Cooper back for the breast punches in the first two rounds!

...Looks like both corners are tired of working around the trunks...

Even with that busted breast, Bautista's the one in better shape...

...Since Morgan hasn't even let Cooper sit down for the last two rounds!

The blonde's gas tank is emptying fast!!

ROUND 7:

Cooper's throwing everything she has left at Bautista, but it's not enough to stop the Mexican from trapping her in the corner!

NNN...

After 30 minutes of non-stop fighting and fucking, the Brit is exhausted!

Cooper manages to tag that busted tit as Bautista moves in, and, with the damage it's already taken, even a weakened shot must be agony!

And Bautista *snaps!*

YOU
WANT MY TITS
SO BAD!?

CHOKE
ON THEM!

And the fight's over! Jayne Cooper has just been breast-boxed to oblivion!

FLUCKING ARSEHOLE!

Mariana Bautista moves on to the tournament finals!
