

SOME COMMENTARY

So you might notice we rarely, if it all, broke the fourth wall before this chapter. That's because honestly, we never really thought to do it! Then randomly when I was writing this chapter I came up with this joke, and I was like "fuck this is way too funny to cut, even if it's a bit out of place." Scott liked it too, and so we decided to implement more as the series goes on. Woo!

This joke here is actually a jab at my most hated trope in anime--*main character syndrome*. You know, when the main character is the only *interesting* character into the entire series? They've got wacky hair and stand out among everyone? You'll notice Lucia looks pretty average, and that was our intention. Make her average, and the world wild around her. The challenge of that was keeping Lucia interesting, but once we started thinking of her as someone who was jaded by living a life in Panty's Landing, she really began to pop.

Our goal is always strong supporting characters. Kern, Max, Bon, Grizzly, Hen-Tie--Scott and I put a ton of work into making sure they were all funny, cool, and fleshed out.

PAGE ONE HUNDRED AND NINE(five panels)

Panel 1: We cut to Lucia's group again, who are running down a hill, speeding away from the grannies. Bon's castle is in front of them, closer than it's ever been, and the grannies are shouting.

GRANNY #1: Get back here, varmints!

GRANNY #2: I'm gonna give you to my grandson, Mr. Teddy Bear!

GRANNY #3: **I'm just here because my husband's dead!**

Panel 2: Zoom in on Lucia, who looks at Kern. He's flipping through bunch of lazily stapled together pages. On the front, scribbled in what looks to be crayon, it says: "THE PANTY BEAR, SCRIPT, VERSION 69, 420."

LUCIA: Why we runnin'?

KERN: Shit, I dunno. That's what **the script** says.

Panel 3: Lucia slams on the brakes and turns around, ready for a fight. She's transformed, ready for battle.

LUCIA: Screw the script, I'm the **main character!**

Panel 4: The leader granny appears directly right in front of Lucia, pointing the gun at her, floating in the air on her bike.

LEADER: Don't fuck with the writers, **bitch.**

Panel 5: Lucia, unafraid, retaliates immediately, spiking the leader granny's bike back down into all the other grannies, creating an explosion.

LUCIA: DON'T FUCK WITH THE MAIN CHARACTER, BITCH!

PAGE ONE HUNDRED AND TEN(seven panels)

Panel 1: Lucia's standing next to Kern now, looking like a total badass, and a bunch of energy, like five or six different streams of it, are flowing into her panties. She's got her arms crossed and's smirking, clearly cocky. There's a pile of flaming bikes and beaten grannies behind her. The only weird thing is that, well, her left boob's popped out. She hasn't noticed, though, as Kern's holding a giant exclamation point sign over it. Kern's glaring straight at the camera.

LUCIA: And **that's** how you kick some wrinkly ass.

KERN: **Your titty's out.**

KERN: The **pervs** are looking.

Panel 2: Lucia, embarrassed as anything, goes red in the face as she grabs her shirt, hastily trying to fix her boob. In the background, Hen-Tie growls at them, and Max looks as excited as ever, eyes wide like he can't comprehend what he's seeing.

LUCIA: **Don't look, ya perv!**

KERN: Kinda hard not to.

Panel 3: These next three panels are in the middle of the page, thin and small. Random shot of a vicious and evil-looking gang member.

GANG MEMBER: Pretty titty, girly!

Panel 4: Random shot of another gang member. This one's a bit more silly looking. Give him a total "brooooo" kinda vibe.

GANG MEMBER: Time to, like, kiss it bye-bye!

Panel 5: Random shot of three gang members, all clutching weapons and looking sinister. They're in matching greaser outfits, clearly part of Jay and Gerald's gang.

GANG MEMBER: We'd pay money ta see that!

GANG MEMBER: Too bad our money's soaked in blood!

GANG MEMBER: But it's girl blood 'cuz we get **chicks!**

Panel 6: Max presses his hands against his head.

MAX: **ARE THESE PEOPLE AAAAALLL FRIIEEEENDS?**

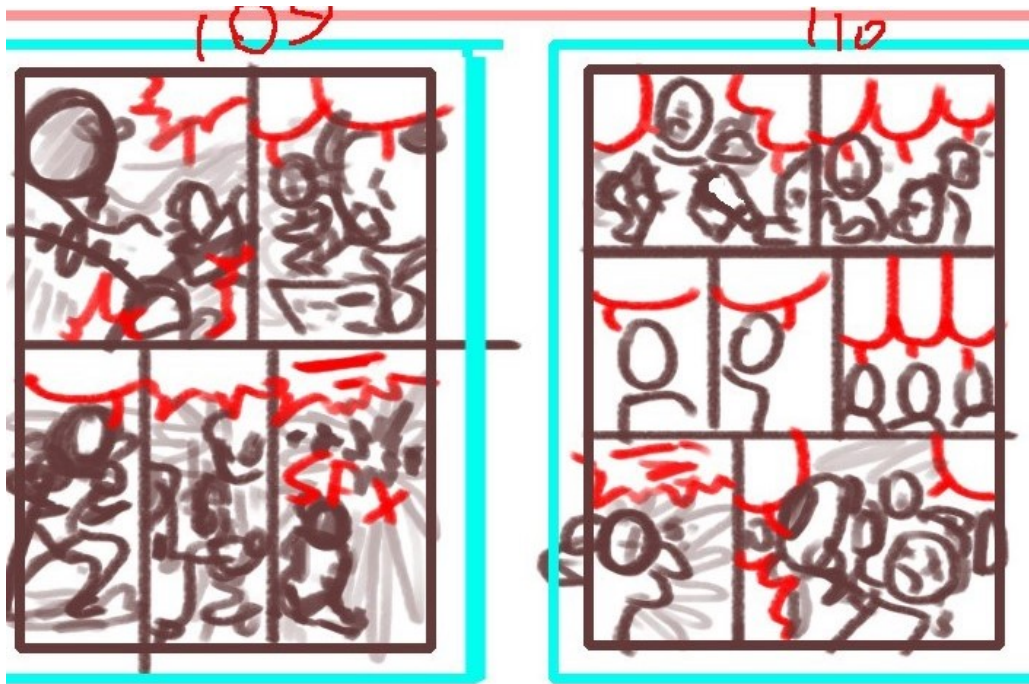

Panel 7: He passes out, laying on the ground. Hen-Tie and Kern appear next to him, with Kern trying to fan him off while Hen-Tie sprays water all over his face from a tiny gym-esque cup.

KERN: Wake up, Only Friend!

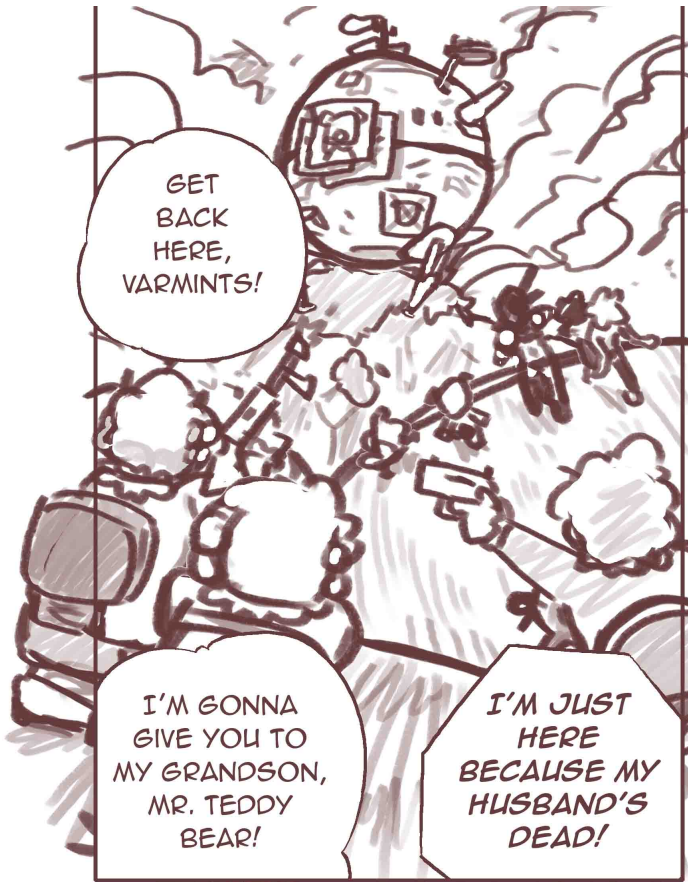

HEN-TIE: He needs to cool down.

KERN: **Hence why I'm fucking fanning him!**
