

The Game

of Magical Transformation

A Transformation Fetish Comic
By **Pixels of Passion**

Disclaimer

Mature content: Adults only...

What you're about to read is a complete work of fiction and the mature nature of the story can be offensive to some.

All characters are completely made up, above the age of consent, and any similarities to existing people is merely coincidence.

There will be themes throughout this story depicting magical transformations of both body and mind, and those themes may be ideologically insensitive.

Read at your own disgression, and I hope you enjoy my first comic.

Act Happy

After all you were given, you choose to walk with a frown. Turn that sad body language all upside down!

You should match your cute and bubbly style. From now on you'll be lively and speak with a smile!

(giggle)
Oh...

What
did you get?
Something
funny?

No. I
just can't
stop smiling!
(giggle)

Yeah, but why?

Because of the card I just got, silly!

What? Why are you looking at me like that?

Hold on.
Did the card
say you had to act
like a cheerleader
or something?

Bingo!
No matter
what I do, it comes
out like this!
(giggle)

I sound
like such a
ditz!

And it seems like it's not just how you talk...

So, how am I supposed to know how you actually feel, now?

Dude, you have to be hating this so much!

Mm-hmm!

I don't know! But what if I'm stuck like this forever?

It sucks for you, but I actually like it.

(gasp)
You jerk!
(giggle)

Nobody's ever going to take me seriously when I talk.

They're all going to think I'm some silly, airhead bimbo.

Well, look at the bright side...

Now you can totally have your dream of living off of rich guys and gaming all day.

Oh my god! This isn't funny, Jake.
(giggle)

But it is true.
In fact, I'm a
little jealous.

I wish I could
use my body as
a meal ticket
through life.

Well, maybe
you'll get lucky,
and the game will
let us trade
places

Damn...

SLIDE

(gasp)
Oh my god!
Were you just
staring at my
ass?

What can
I say? You've
always had a
nice ass.

Aaand
I'm digging
myself a deeper
hole...

Oh, hey!
I got a six.

Change
The first time you roll a
change game.
There are 6 sides on the die,
you get 6.

Interactive: Use the Patreon Poll before May 20th, 2023 to choose who gets the card!

Mystery

The highest roll on the cube of fates means that, for you, a mystery waits.

The recipient may be either player one or player two. A choice that is entirely up to you.

So, uh, hey...
Apparently I need
to pick who gets a
mystery card?

I don't
know what
to do.

What!?

(giggle)
Well I don't
want it!

Yeah,
the game's...
KRISTEN!

Hmm...?

Mystery
The highest roll on the dice
is a 6. A 6 is the only roll that
can be a mystery roll.
The lowest roll on the dice
is a 1. A 1 is the only roll that
can be a mystery roll.

FLOP

One of your
boobs fell out.
Holy shit, they're
so awesome!

Oh my
god!

That is so
embarrassing!
(giggle)

I hate
that my body
moves all
wrong!

Huh!?

(ksssht)
Player two has
been chosen as
the recipient of the
mystery card by
player one.

(gasp)
Like, what
the heck,
Jake!?

(aww)
You gave
me your
card?

A man with a beard and short hair, wearing a black t-shirt and blue jeans, stands on the left. He is gesturing with his right hand while holding a smartphone in his left. A woman with blonde hair in a ponytail, wearing a white top and large hoop earrings, is seated on the right, looking towards him. The background shows a modern interior with a dark wood wall, a window with curtains, and a potted plant on a table.

I swear
I didn't! You
have to believe
me!

I mean,
I was thinking
about it, but after
your boob fell out, I
thought that maybe
if I took it, you'd let
me feel one.

Giggle

Uh, game?
Please give me
the mystery card
instead.

(gasp)
You yelled
my name!

A decision has already been made, and the game must move forward.

I'm really sorry. I didn't mean to!

But I don't want it!

Crap! I
keep blowing
my chance to
feel your huge
boobs!

(giggle)
You never
had a chance,
Jakey.

What does that mean!?

Positively Sensitive

You have been chosen to bare this boon, where the lightest touch will cause you to swoon.

All positive sensations that you normally recieve, will be amplified in ways that you won't believe.

If you allow yourself to enjoy this treasure, your life from now on could be nothing but pleasure.

Oh...
Oh god!
(gasp)

Oh no...
That bad?

Uh...?

Oh my
god! What is
this feeling? I
can't... it's so
much!

God!
I feel so
weird!

Hey,
are you all
right...?

What do you mean, "weird"...?

It's like that time we tried shrooms, but, like, so much stronger...

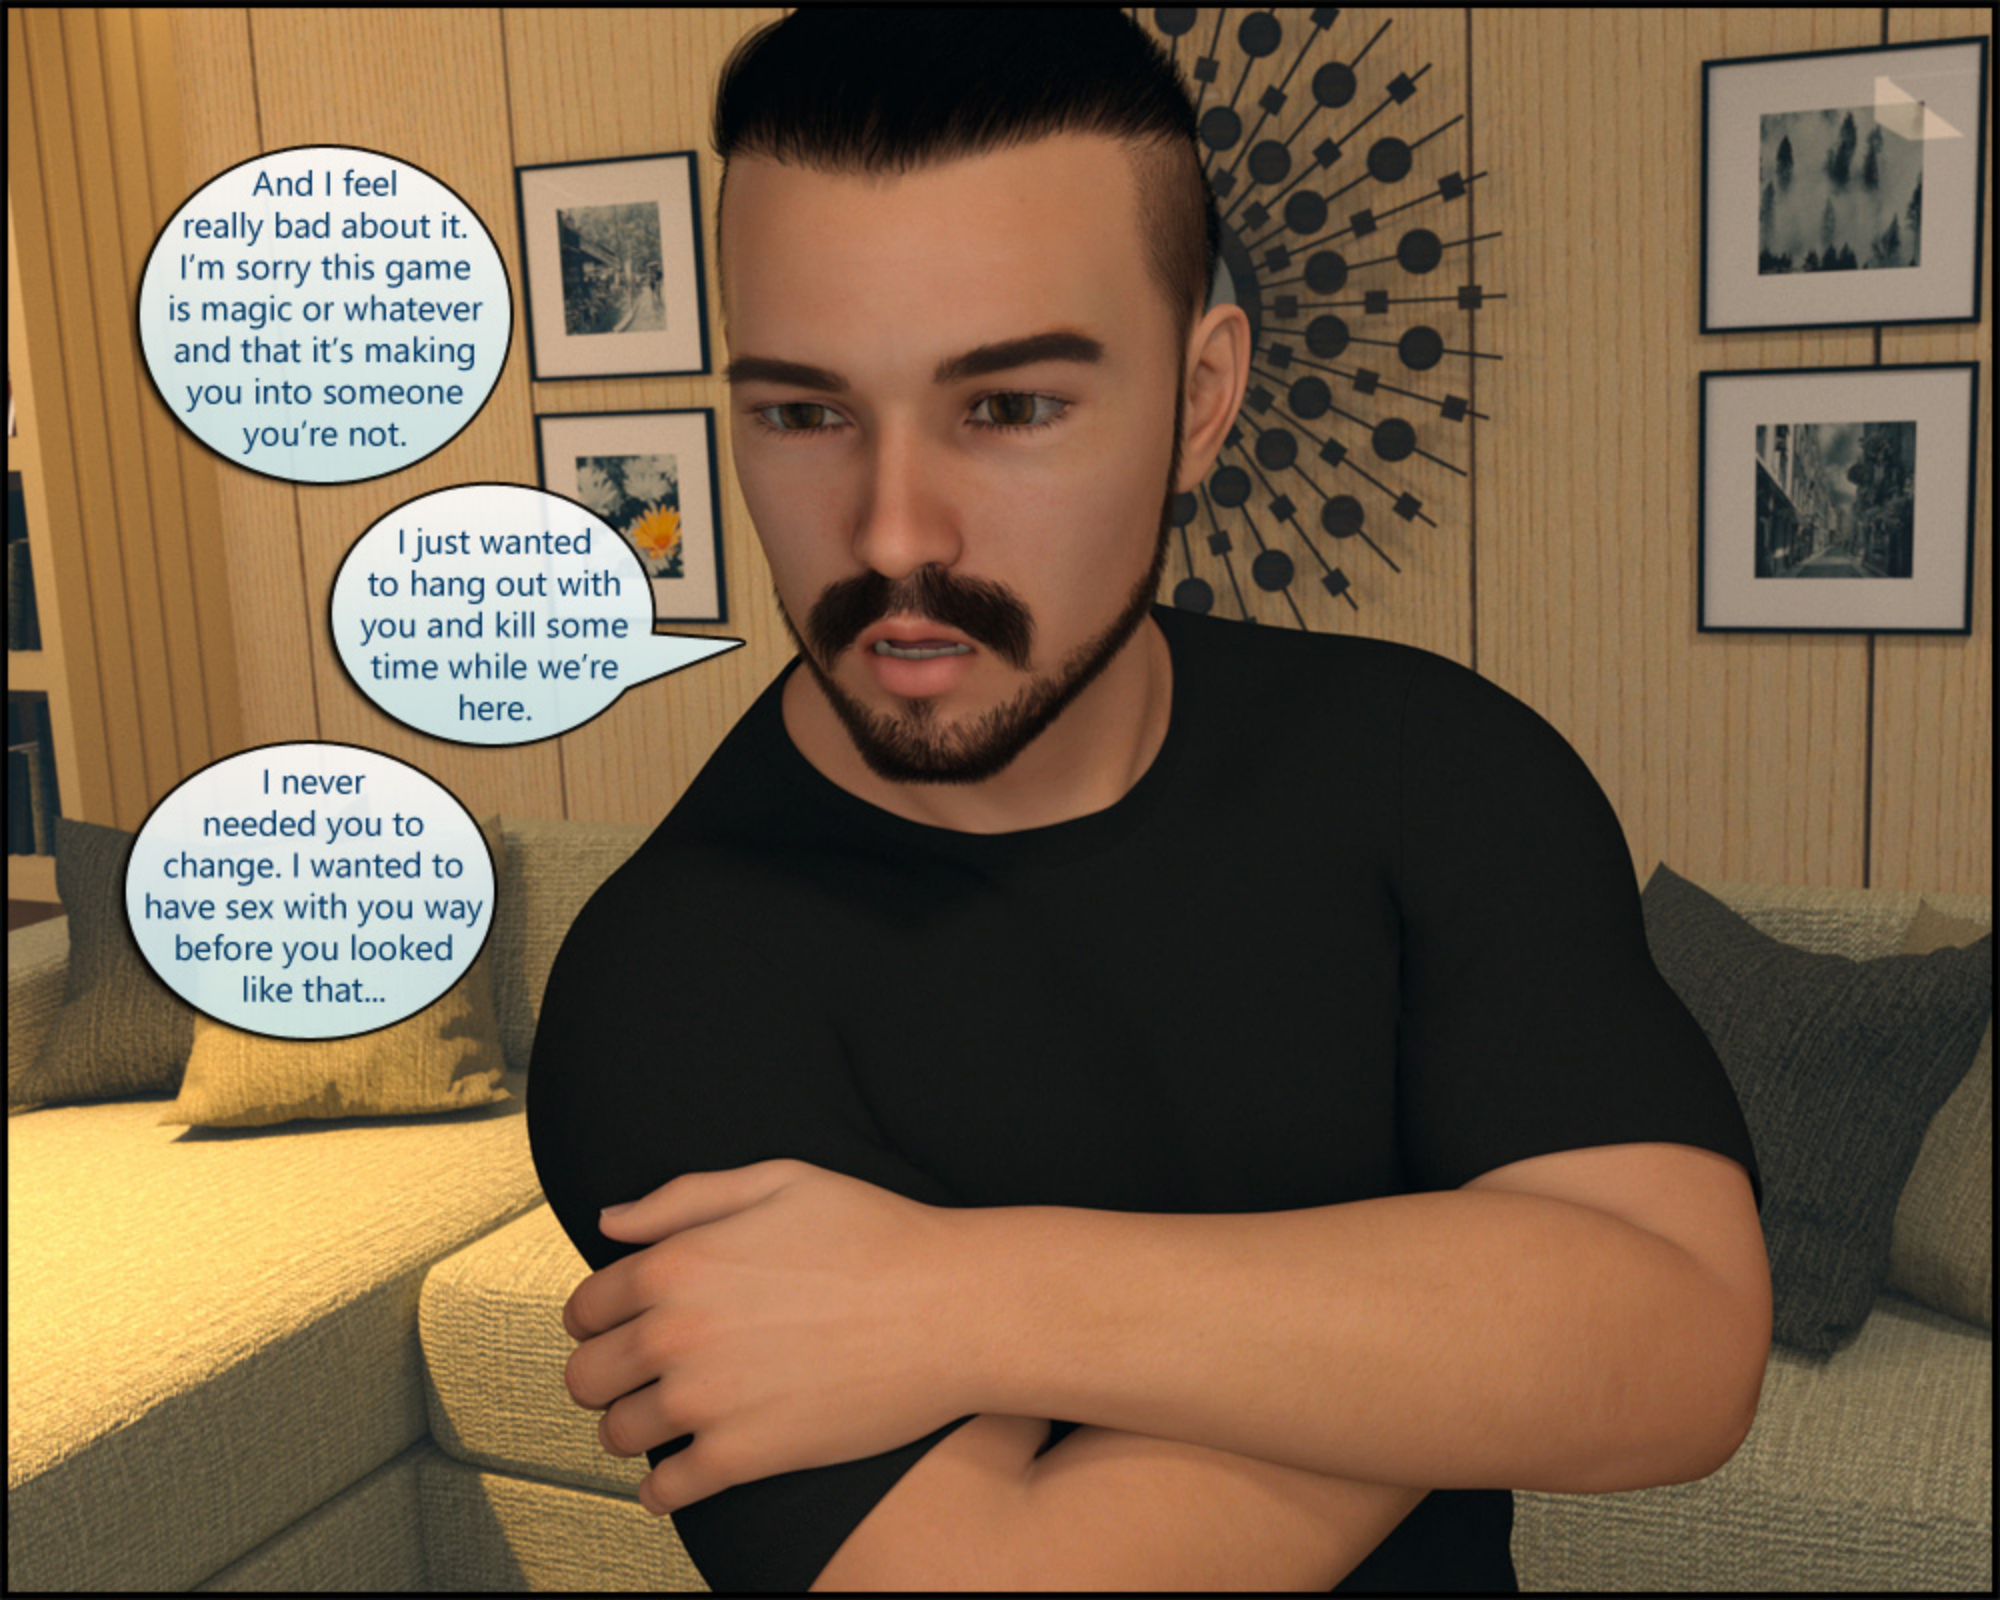

Like, you feel high?

No, **silly**, I mean, like... I'm just, like, so aware of my body...

(Giggle)
Don't get any
ideas! I'm still mad
at you for all
of this!

Like,
you're super
turned on right
now...?

And I feel really bad about it. I'm sorry this game is magic or whatever and that it's making you into someone you're not.

I just wanted to hang out with you and kill some time while we're here.

I never needed you to change. I wanted to have sex with you way before you looked like that...

I just
never said
anything because
I know you never
thought of me
like that.

(Sigh)
And now I feel
like an asshole. I hate
that I can't stop myself
from saying every dumb
thing that crosses
my mind...

Whatever. Just...
If you get another
thingy where you
can pick, it better
be you next time...

Because this
is, like, totally
not even fair.

Act Happy
After all you were given, you
decide to walk with a thorn.
You start to talk language
of spite and spite.
You should match your color
and health. From now
on you'll be little and speak
with a smile!

Change
The way you see things
is like a map.
The territory is much
more real.

Psychic Science
The way you see things

The territory is much
more real.

A man with a beard and short dark hair is shown from the waist up, wearing a black t-shirt and blue denim jeans. He has his hands clasped behind his head and is looking off to the side with a neutral expression. The background is a modern interior with a grey wall, a white ceiling with recessed lighting, and a doorway leading to another room with a teal wall. In the background room, there are some golden sculptures and a potted plant.

Okay... I just
hope you don't
stay made at
me forever...

I wish there were some actual instructions or something...

How the heck do we even get to the climax or whatever?

Hopefully
it's getting close.
I hate seeing
her-er-them
upset.

Uh, okay...
What the heck
is that supposed
to mean...?

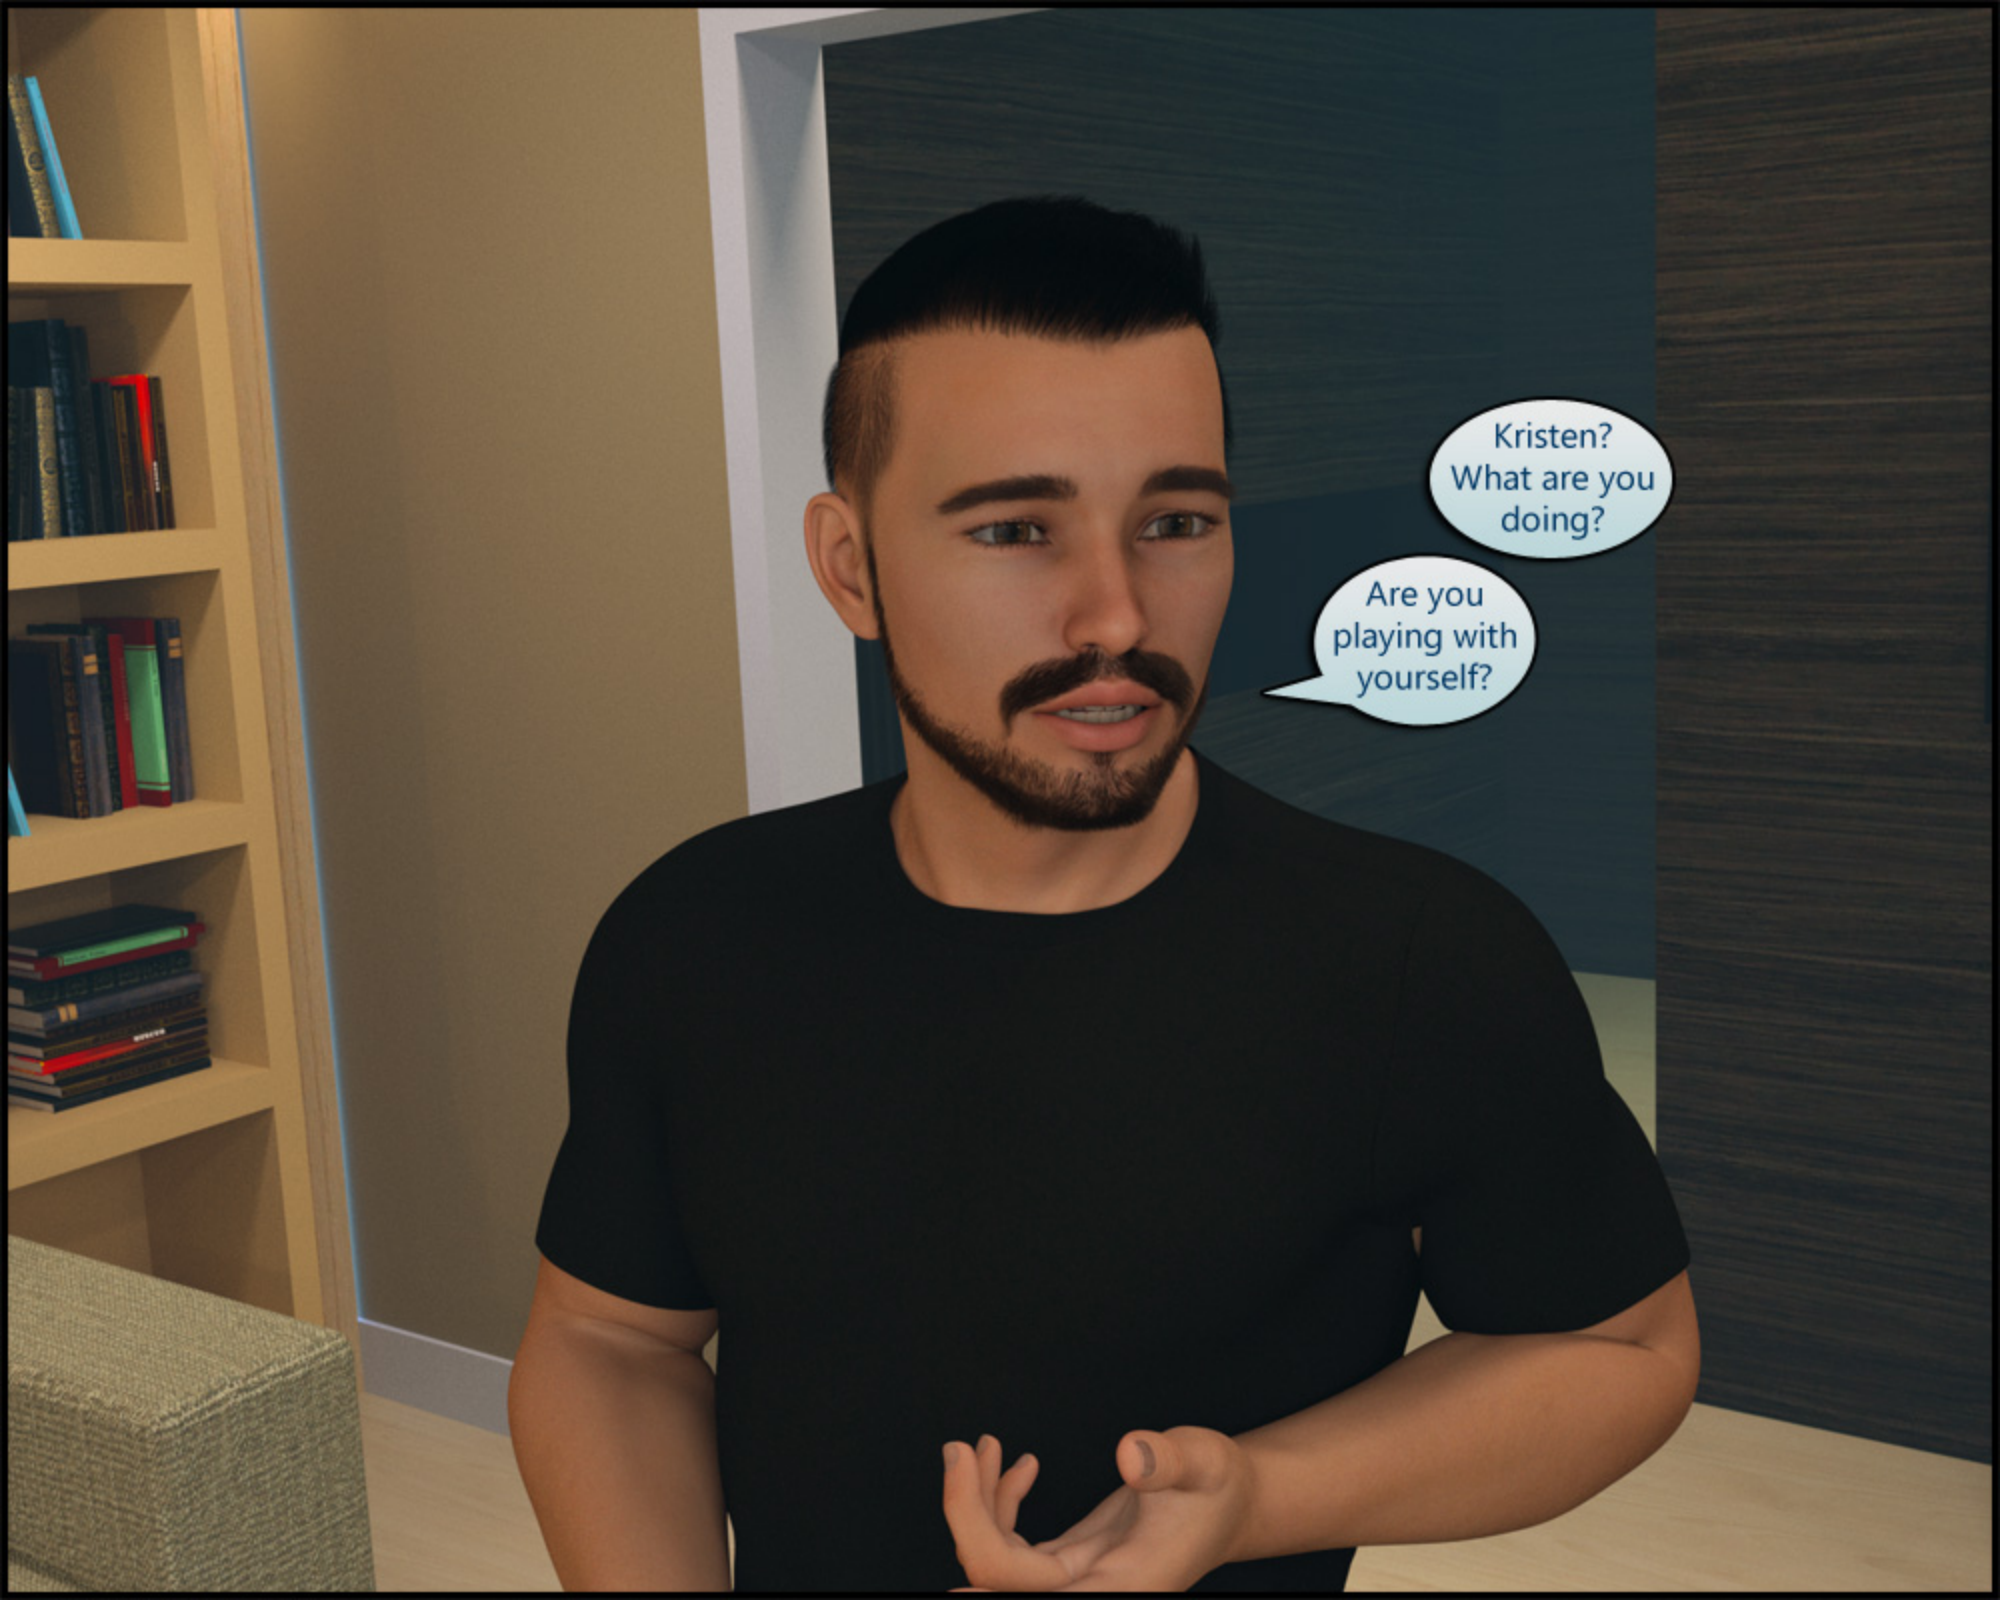

(Huff)

Dude,
my piece is
glowing red...
Could that mean
I won...?

Mmm...
(Breath)

I'm not
sure where to
go from here...
Maybe you
have to...?

Kristen?
What are you
doing?

Are you
playing with
yourself?

Huh...?

(Clears throat)

EH-EH

(Gasp)
AAAH!

Player one has attempted to cheat the game by taking another turn out of order...

A punishment will be dealt and the player will lose their next turn.

Crap...
It was your
turn, wasn't it?
The mystery card
was mine...

(Huff)
That jump-
scared me! I was
totally spacing
out...

FLOP

The Cheater

You tried to steal a second turn before yours was even due.

Your punishment for trying to cheat has been decided by player two.

It says that I cheated and you've chosen my punishment?

If I did, then I'm sorry if you, like, get these huge boobies...

Maybe it'll turn you into a girly girl and then you can see how it feels.

I didn't ask for this. You're not really...?

You, like, have no idea what this feels like, Jakey.

It's super humiliating, and my body feels so darn...

And the way you look... eer, look at me. It's driving me crazy!

Buh!
But I don't want **boobs!** I'll look like a freak!

That's how I feel, silly!
(giggle)

Although I would be able to play with them whenever I wanted...

Not that I want them or anything. It's just that...

Uh... Where are you going, and what's **that** look about?

I don't know...

I just felt a really strong urge to come sit over here.

Like, a...
a really strong
urge to...

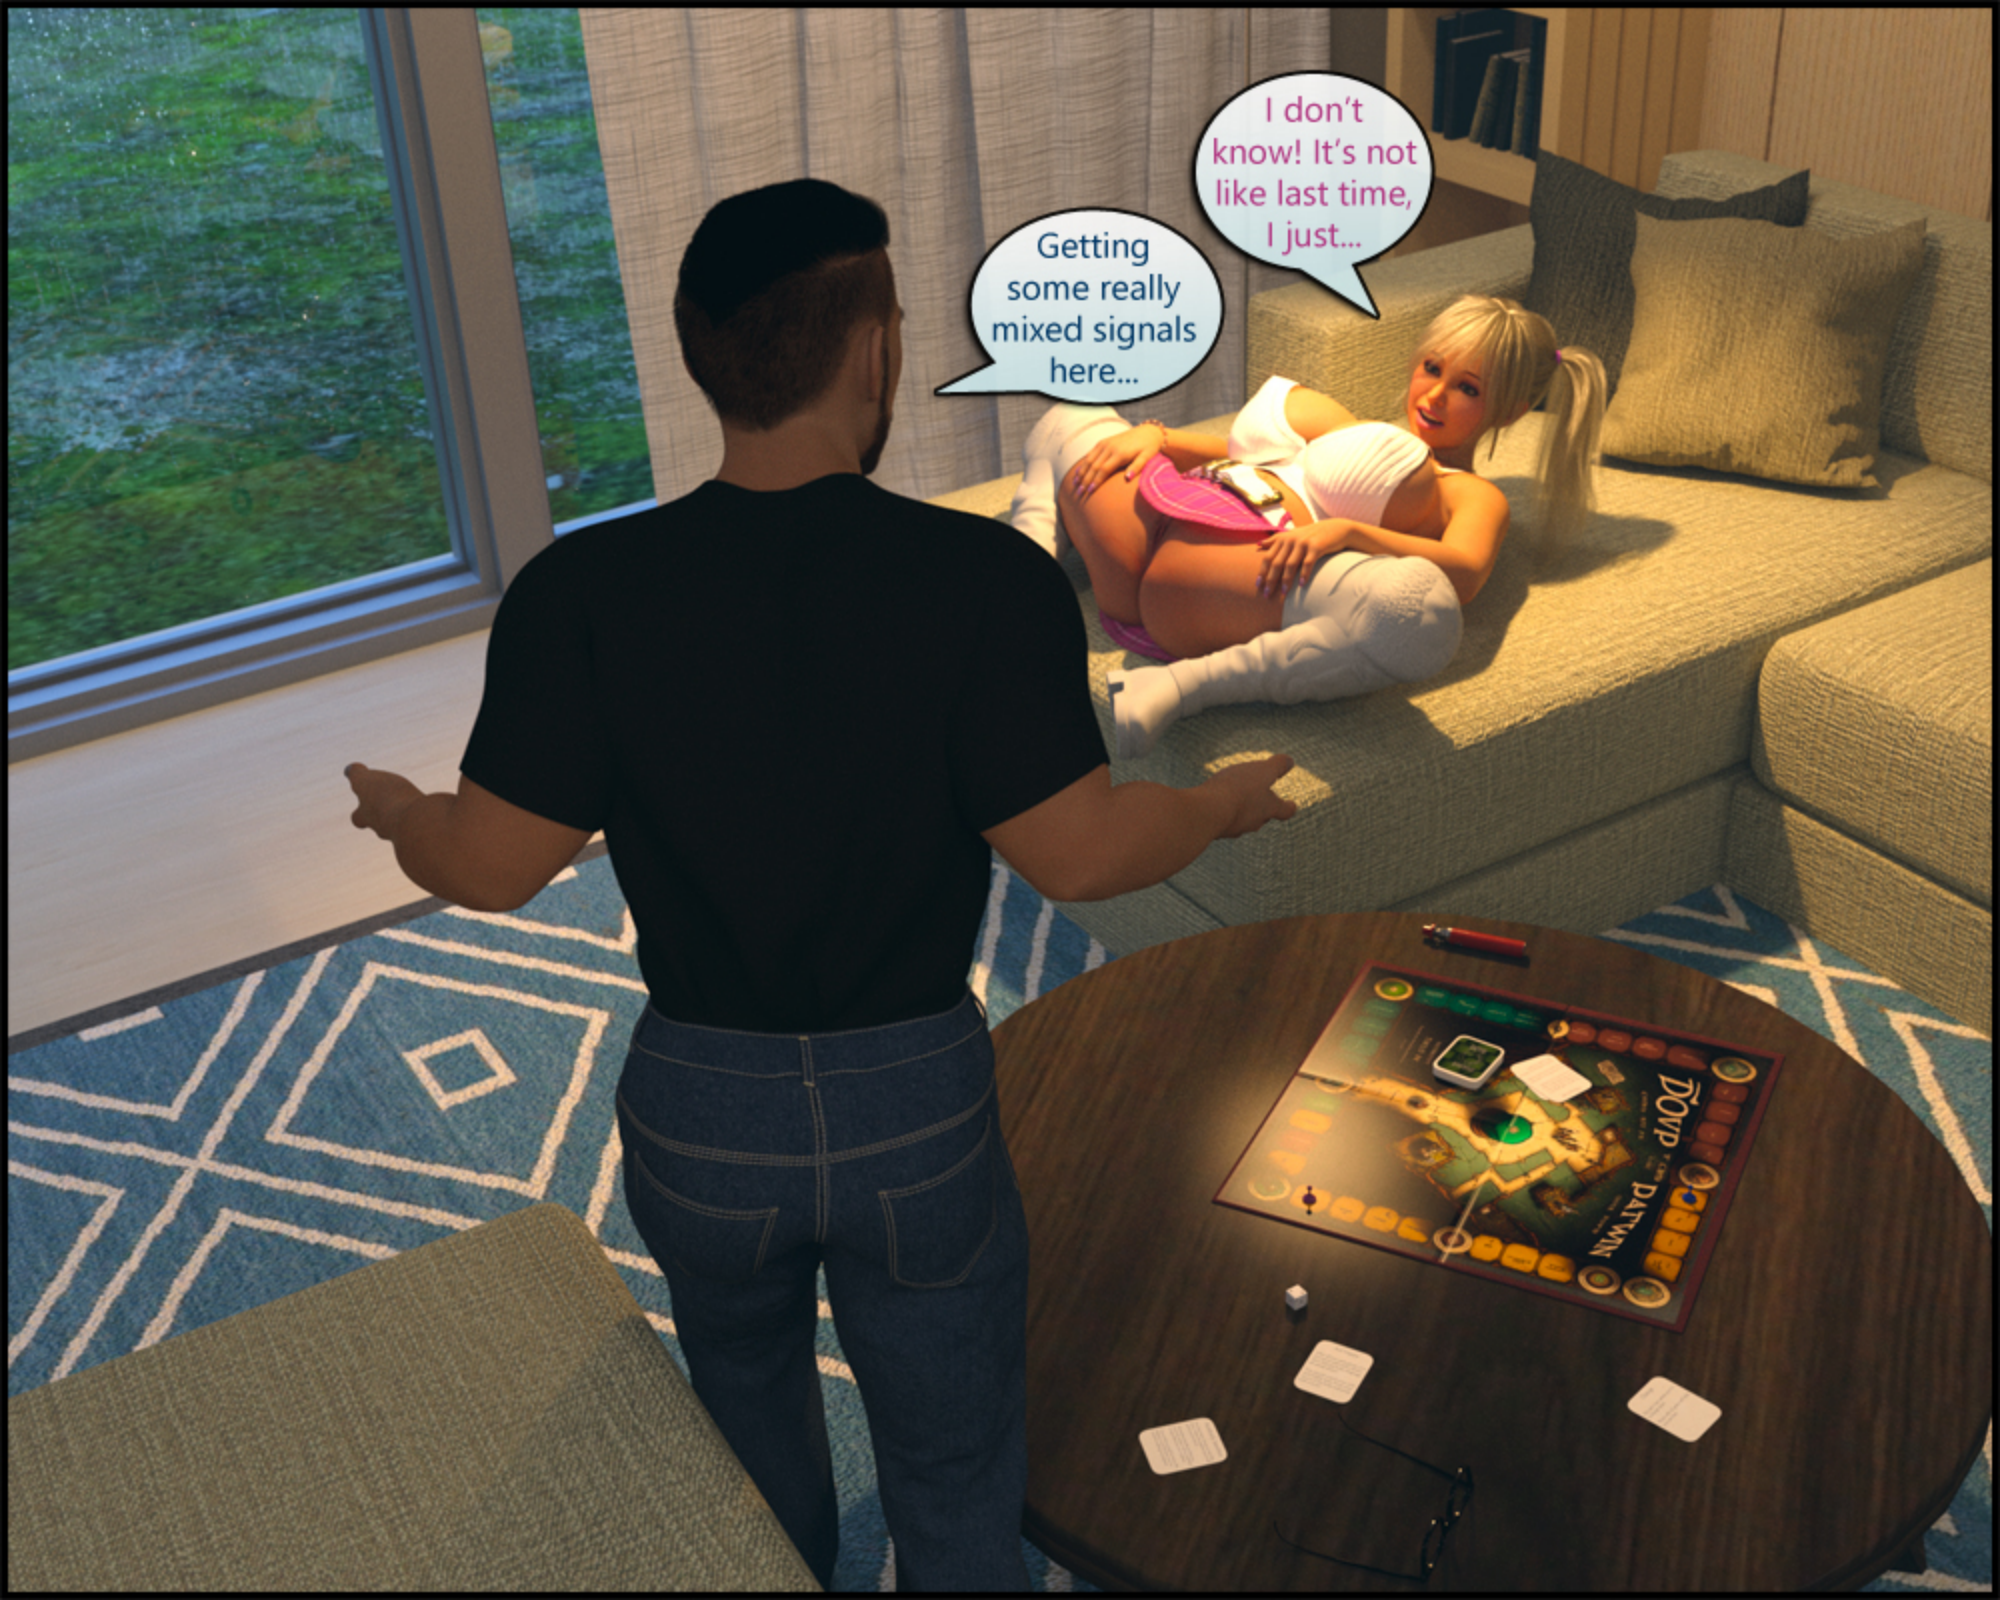

(GASP!)
Where are
my panties?
What am I
doing?

A man with a dark beard and mustache, wearing a black t-shirt, is shown from the chest up. He has a wide-eyed, open-mouthed expression of shock or surprise. The background is a modern interior with a grey wall, a large circular light fixture, and a yellow accent wall. In the lower-left background, another person is visible through a window.

Holy shit,
that's so
hot...!

I mean,
uh, Kristen...? Is
the game making
you do this?

Getting some really mixed signals here...

I don't know! It's not like last time, I just...

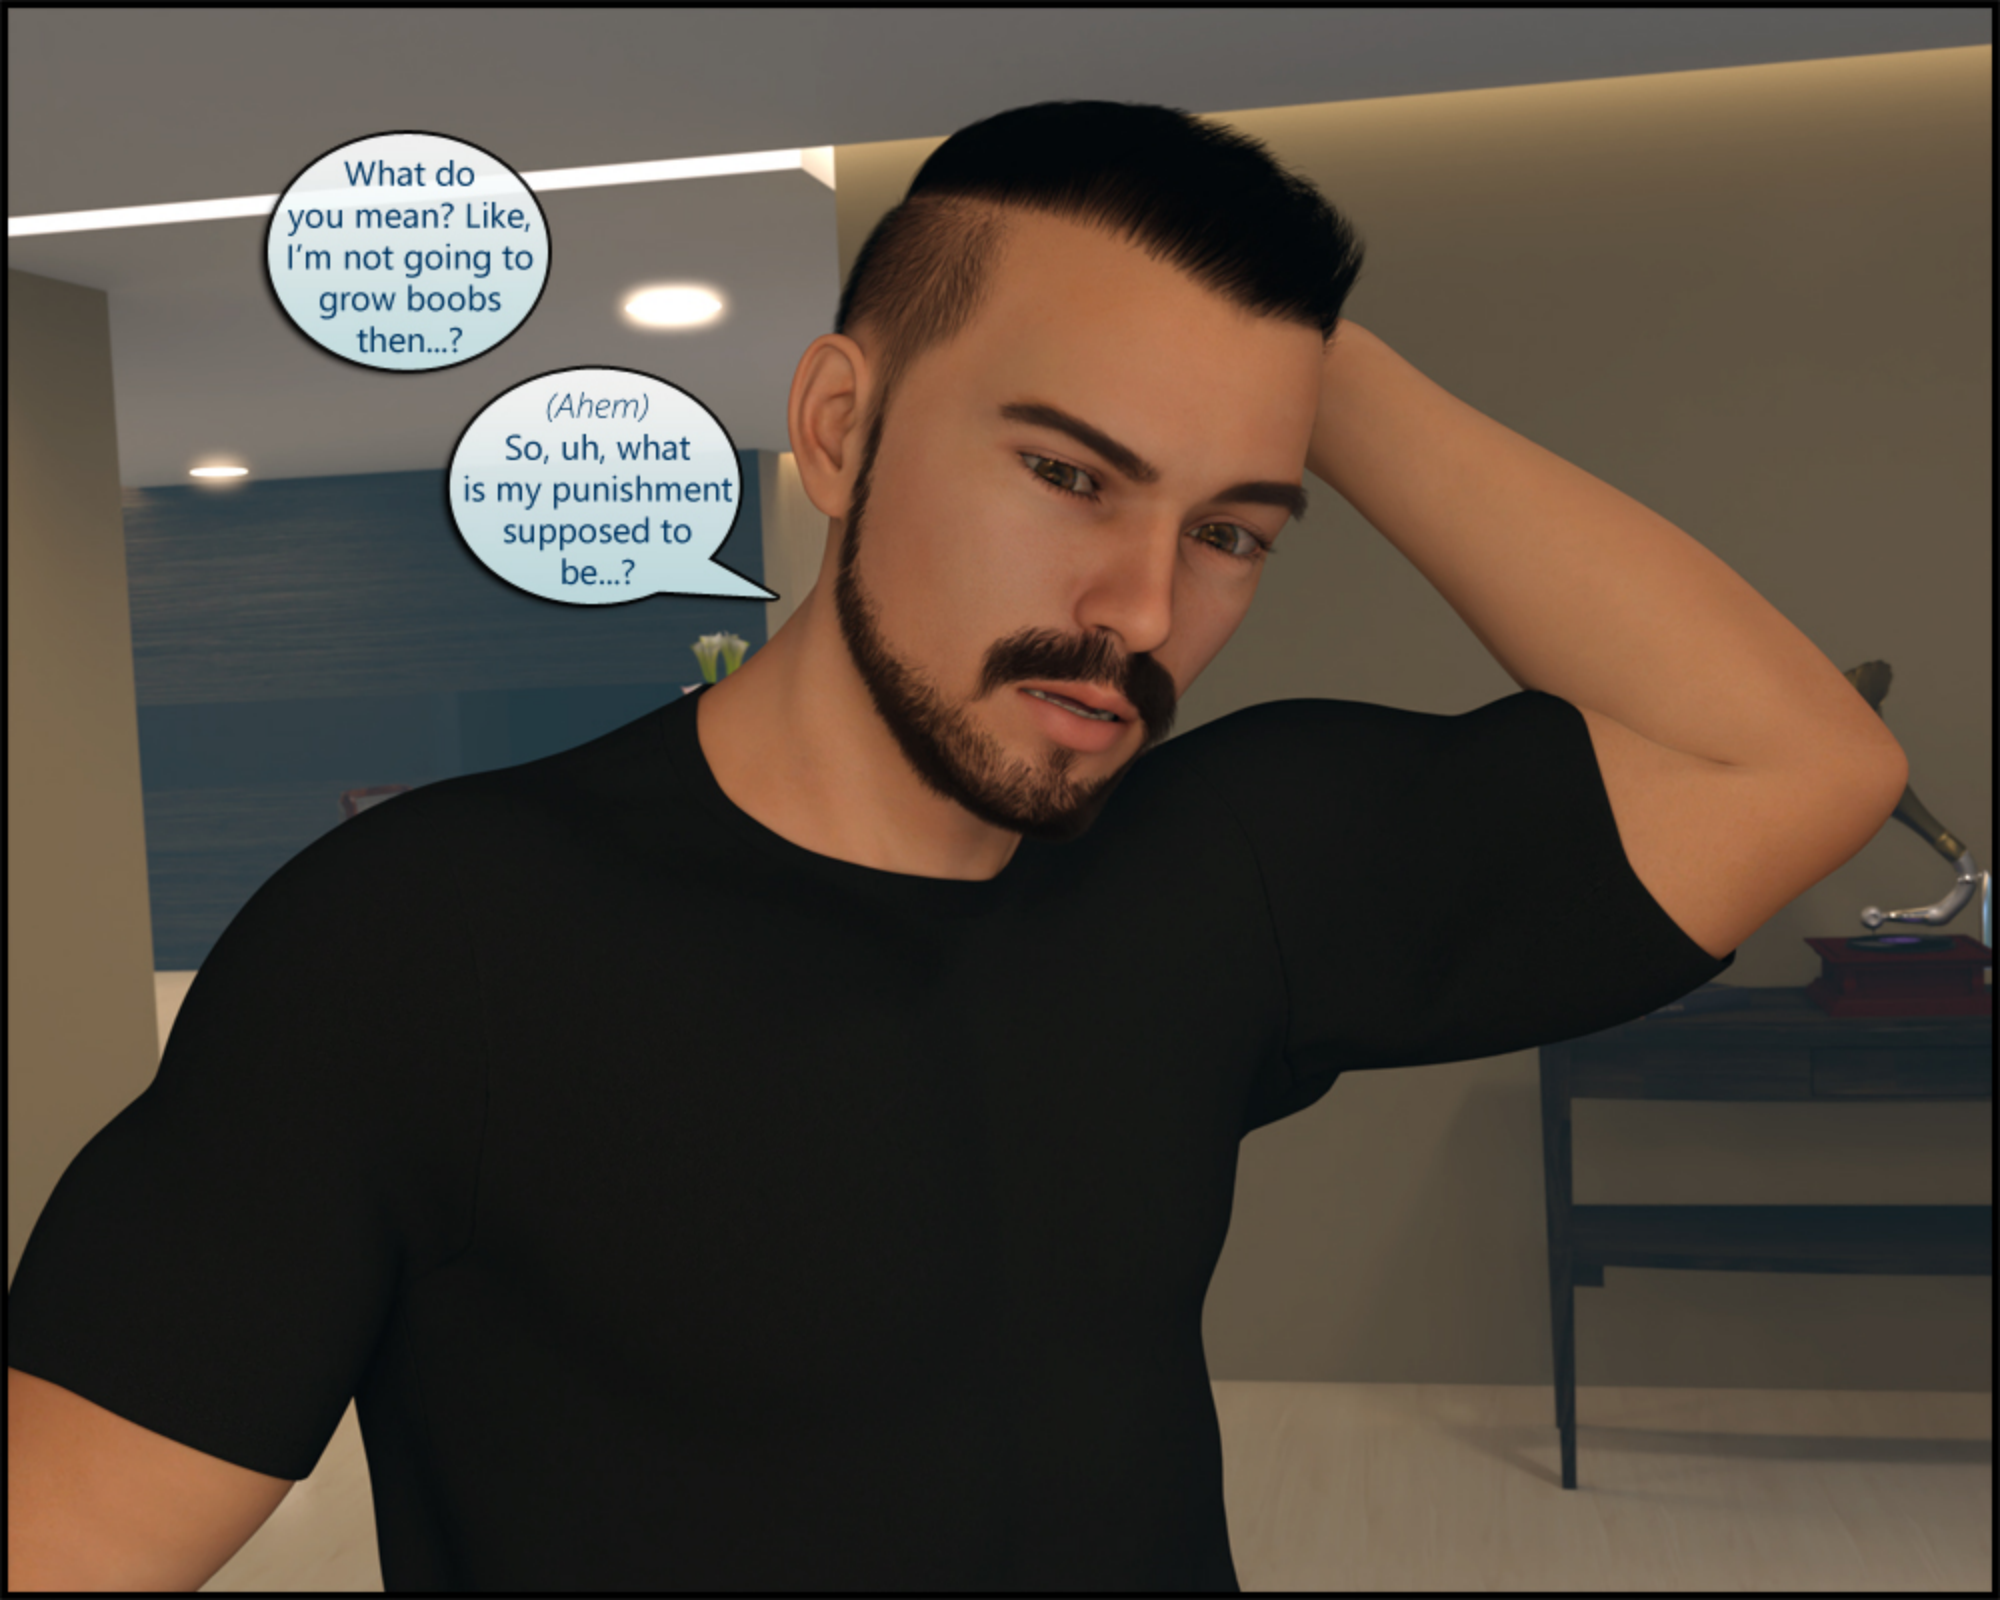

DVP THE PAT WIN

This game
did something
to my hormones.
Oh crap...

I didn't want
to say it, but I
don't think I have
a choice...

I think I
know what your
card meant. It's all
I've been thinking
about since the
last one...

What do you mean? Like, I'm not going to grow boobs then...?

(Ahem)
So, uh, what is my punishment supposed to be...?

I think
you have
to eat me
out...

Are you sure that's what you want? Because I won't do something you don't...

Whoa! My body's moving on its own!

I don't know. Jake, I... I feel so...

(Grunt)

So damn
horny...

Lick
my pussy,
Jake.

And don't
stop until I'm
satisfied.

It's all
I can think
about...

Oh god...
Oh yes...

Right
there. Don't
stop! It feels
so good...

Oh god!
I'm going to
cum! I'm cum-
ming!

Small white card with illegible text, possibly a rule card or player aid.

Oh yes!
Jake!

The Charter
I've looked to what I would
like to do and I've found
that I've found a way to
do it.

Don't
stop!

The image is a composite of two scenes. The top-left scene shows a woman with blonde hair lying down, her eyes closed and mouth slightly open in a pained or distressed expression. The bottom-right scene is a close-up of a hand holding a red, fleshy, tongue-like object. The text "Some Time Later..." is centered between the two scenes.

**Some Time
Later...**

Whew...

Mm-hmm...

Mmmh!

That was...
just crazy!

Flop

Dude, I
don't **even**...
You just had me
eat you out.
What...?

(Chuckle)
You flat out
demanded it! It
was the hottest
thing **ever**!

I don't know what came over me. I'm never like that. I'm sorry you had to...

No, it's fine! I totally wanted to. I was just always waiting for you...

As much as I hate to say it, you're actually really good.

Really!?! so, uh... does that mean you might want to return the favor...?

Nope.
Not at all.
(Giggle)

What?
But I just...
Come on! It's
only fair.

Sorry, but I don't like doing that.

Kristen, you can't just leave me edging like this!

The game made me **crazy horny**, and you're like a walking wet dream right now!

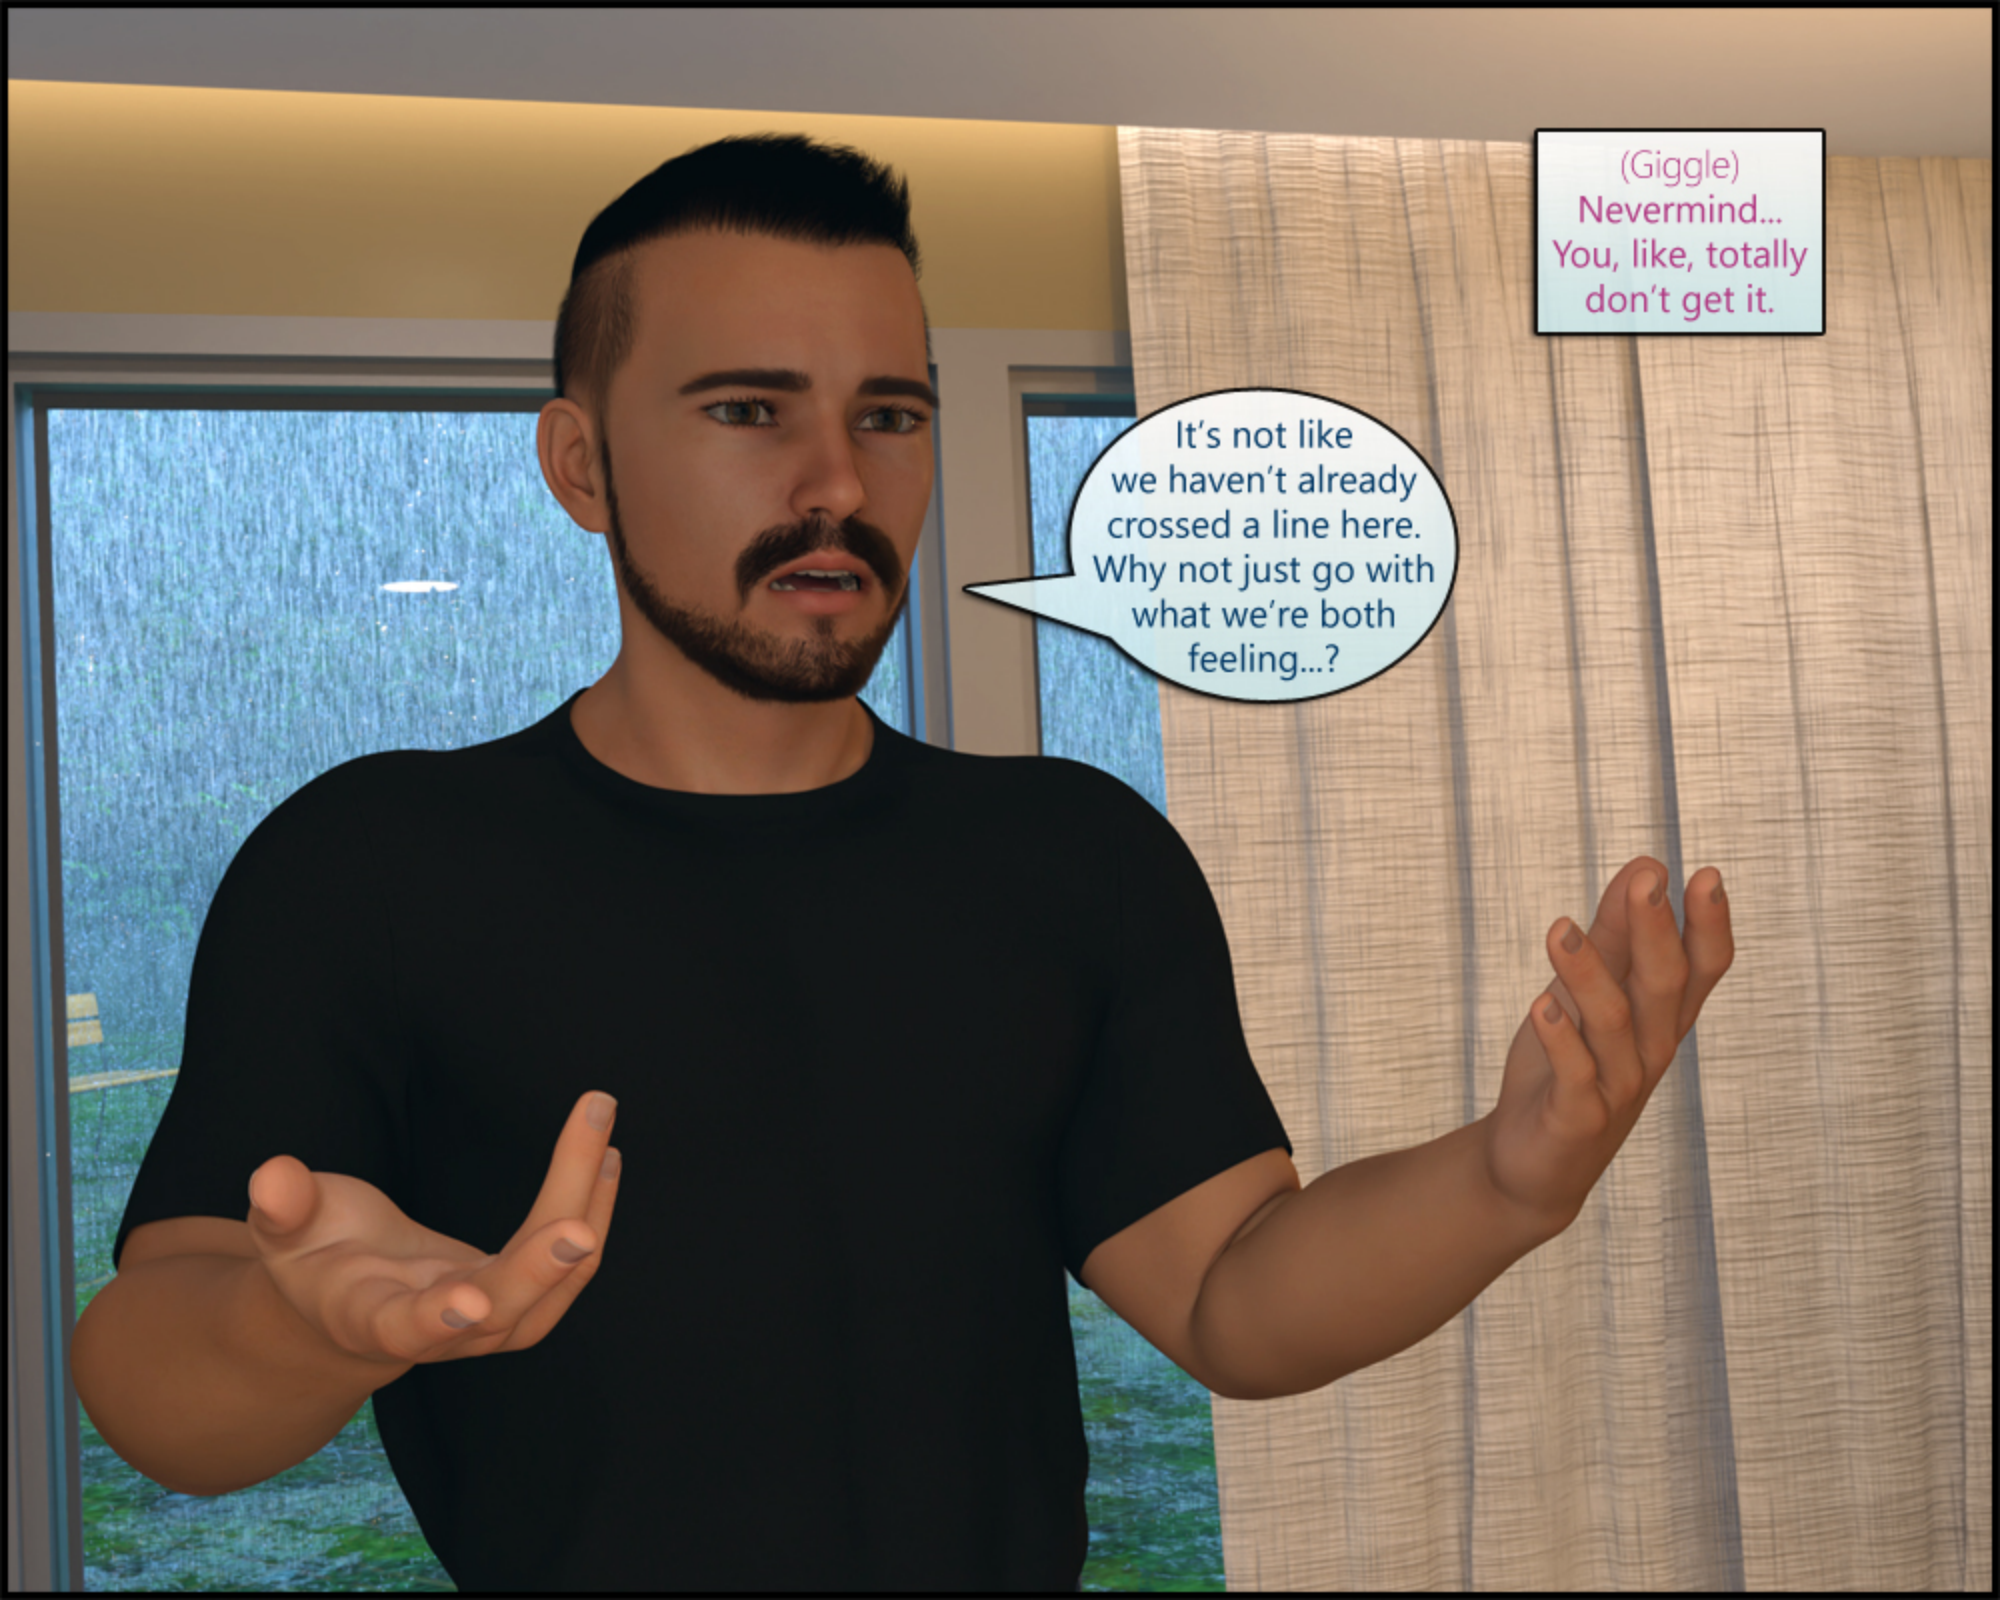

And that's
the other thing!
I, like, don't want
you to think of
me like that.

I'm not
some girly slut,
even if I look and
sound like one. I'm
still me.

You think I'm
hot and I think
you're hot. What's
the problem?

(Giggle)
Nevermind...
You, like, totally
don't get it.

It's not like
we haven't already
crossed a line here.
Why not just go with
what we're both
feeling...?

Because
if I give in, that
feels like I'm okay
with being like
this...

And I,
like, don't
want to...

How
can you even
think about any
of that stuff?

You're
telling me that
you're not still
horny as hell,
too?

I saw the last
few cards you
got. You have to
be where I am...

(Sigh)
It's so hard
to think about
anything else
right now...

But I
don't want
to lose myself
to it...

Fine,
here's the
deal.

I'm not
going to fuck you,
because I'm, like,
going through a bit
of a crisis right
now...

(Sigh) Fair...
This sucks, but
I get it...

But...

But...?
(Exhale)

If the
game has us
do something... I
guess I won't be
too upset...

Oh, hell
yeah! Are
you sure?

Dude,
you're the
best!

Nothing's
happening yet.
So don't get too
excited...

And if
it does, you
better not get
weird about it
after.

Promise
me...

A man with a beard and a woman with long blonde hair are sitting on a light-colored sofa, playing a board game on a round wooden coffee table. The man is on the left, wearing a black t-shirt, and the woman is on the right, wearing a white tank top and light-colored pants. The board game is 'Dungeons & Dragons: The Board Game' by Pat Williams. Several cards and dice are scattered on the table. The scene is lit with warm, indoor lighting.

Oh, it's
already been
real weird, but
I won't stop liking
you, if that's what
you mean.

Like I said,
I liked you before
you started looking
like a *porn star*... I
mean, shit...

Can you,
like, not...?
(Giggle)

You know I wouldn't
if I could help it... I
feel like such an ass...

You're so
lucky the game
made you look
pretty...

(Gasp)
Oh my god,
you just admitted
that you're attracted
to me, too...

(Sigh)

You know, if you said you were into this before, I'd have totally worked out...

What...?

Just, we've never felt okay with, like, being so open about this kind of stuff before.

Will we be able to go back to the way things were after...?

I don't know...

Come on,
dice. **Please**, like,
give me something
good this time.
Please...

A three...

Uh, so, like, what was the red square again...?

I think that was the style one...?

Oh, good. I totally want a new style!

Shaping Up

Your body shape isn't one you desire and your energy levels too low.

Let's tighten your core and reduce some fat, to give you that fitness glow.

Uh,
okay... That's
not what I was
expecting...

What'd
ya get?

It's like
the one you
got...

GRUMBLE

Where
you got those
big muscles...
(giggle)

Does
that mean
I'll...?

Holy
shit!

Oh my
gosh! My
butt! It's so
firm...

Dude, look
at you...!

I feel
so **thin!** Look
at my tummy
and my hips!
Wow!

How do I look?

You're absolutely stunning. Wow...
