Just don't
get me wrong,
I don't wanna kill
myself.

Sorry.

So ... It's
kind of hard for
me to say ...

Don't scare
me like that!

So, what exactly
do you mean by
erasing existence?

I ... I just
don't want anyone
ever to know who
I was.

That's why I want
everyone to forget that
someone like Saruyama
Kenichi ever existed.

I would also like
to forget about
it myself.

Especially him.

It's about
this boy. You are
afraid he will find
out the truth.

So it's
just about the
money?

Really?

Yes, he is my
regular client and
pays a lot, I would
not want to lose
him.

Of course.

Yes, this guy
is naive and he buys
me everything.

And because you only care about money, you reject all fake dates except for him?

Not to mention that your paycheck has been on my desk for a week now.

Ym ... I forgot.

Besides, what did he buy you? I don't see you having any new clothes apart from the ones you recently bought with your friends.

Kurumi-chan who you are trying to cheat, you love him and are afraid to lose him.

And the best you can do is tell him the truth.

Yes, and believe me, this will be the best solution.

I'm supposed to tell him the truth.

Maybe Yuki-chan is right, I don't want to lose Otto, but I don't want to lose who I was either.

Maybe
I should tell her that
Otto already knows
the truth?

But surprisingly,
he didn't, and instead,
he buys another date with
Kurumi-chan.

In the end, he
threatened to sue
me for it.

It seems to me
that he also fell in love
with her and it's best
not to interfere.

That's why
I won't tell her
anything.

One week later...

No need,
besides, it won't help
anyway. Someday I'll
have to tell him.

Maybe,
but I want to get it
over with as soon as
possible.

Are you sure you want to
do this? We can tell Otto that
you felt unwell and had to
cancel your appointment.

Maybe it's
better to wait
a bit longer.

How do you think
and by the way ...

What's that?

Well, you probably have more experience in it than I am.

So what should I do?

Give it to Otto and do exactly what I'm about to tell you.

And believe me, everything will end well.

A moment later ...

So, what is that important thing you wanted to talk to me about?

Yes, what's in it?

Why are you giving them to me?

Do you see the envelope in front of you?

All the money you spent on dating me. They are yours.

See ... I ... tricked you.

Really?

How, you're not my girlfriend, so you couldn't cheat on me?

I guess my patience has paid off.

I'm scared.

I am afraid of
what he will say, what
he may want to do
to me for it.

But I have
no choice but
to tell him.

I'm so
scared.

But for some reason
I'm more afraid that he will
hate me and won't want to
see me anymore.

Okay, be a man
one last time.

You can do it!
Do it!

Now I'm a
girl but you know
what I mean.

It may sound
strange but ...

I'm a guy. I mean,
I was a guy before.

I know, you're mad at
me right now after what I just said.
I see. If you want, you can hit me
for it, I won't tell anyone.

Saruyama Kenichi
correct?

Of course.

Why are you
smiling? You should
be furious or at least
surprised.

Yes. Did you know?

I do not understand.
Then why didn't you say anything,
why did you still go out on dates
with me? Are you gay

I do not know too. As soon as I found out I thought I was going to kill you, but ...

Every time I saw you ...

I just couldn't get mad at you.

Instead I had a nice time with you.

That's why I have a question for you.

I would like to, but ...

Before, I was a guy.

I don't know, I think you'll regret it later.

But?

This is the past.

Hehe. I was thinking right.

Otto's grandfather will be delighted to learn that his grandson has finally found a girlfriend.

I wonder what's going on with Momo-chan, maybe she finally found out that to get rid of this curse, she just needs to take off the necklace?

I could have told her that, but I think a little lesson won't hurt her.

In the evening
at Rito's house ...

Oops, I think
I jerked too hard.

I'll try to
fix it later.

Wooooo!

My breasts
are back!

This necklace I got from
Nana-chan was the source
of this curse!

I should have
guessed.

Hello back girls, you
don't even know how
I missed you guys.

I'd like to
see Nana-chan's face
now. hehe.

Meanwhile, in
Lala-chan's room ...

What? My
breasts are gone.

My breasts.
And I already bought
some new bras.

Isn't that great,
now you don't have to
pretend to be Momo-chan
anymore.

Don't worry,
maybe they can
be returned.

I'd rather use them than have to give them back.

Lala-chan always surprises me, she can see the positives in any situation.

Besides, I've already ripped off the tags.

The next day
at school ...

Momo-chan do you
have a minute?

I would
have a request
for you.

I'll tell you
but not here.

Sure, what
happened?

What is this
request?

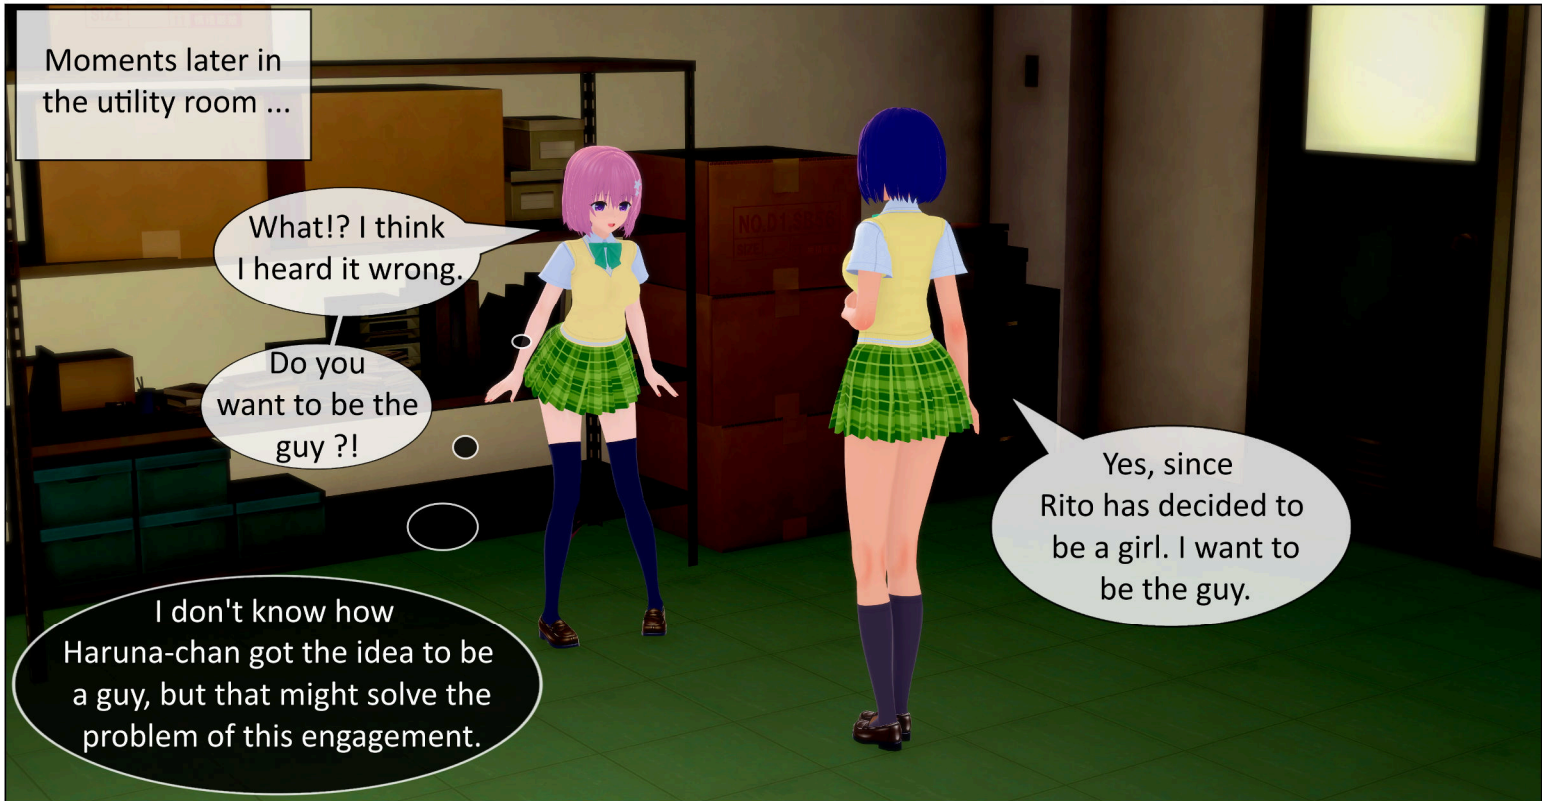

Moments later in the utility room ...

What!? I think I heard it wrong.

Do you want to be the guy ?!

I don't know how Haruna-chan got the idea to be a guy, but that might solve the problem of this engagement.

Yes, since Rito has decided to be a girl. I want to be the guy.

But...

I was thinking about constant transformation, but maybe Momo-chan is right.

Ymmm ...
Agreed.

Okay, I'll help you become a guy, but ...

You'll be a guy two weeks no more, no less.

Besides, you won't tell anyone who you are.

Great.

So let's begin.

I've been carrying it with me for a month now, at least it will come in handy in the end.

Wait, what do you need this gun for?

I don't want to reincarnate as a guy, I want to be a guy still in this lifetime.

Maybe it
broke.

Wait, you've
had this for a month,
so how was she
gonna fix it.

What's up,
why isn't it
working?

Impossible,
Onee-san was
supposed to fix it
last week.

Klik

Klik

Ups.

I have a very bad feeling about what is about to happen ~

Some time later...

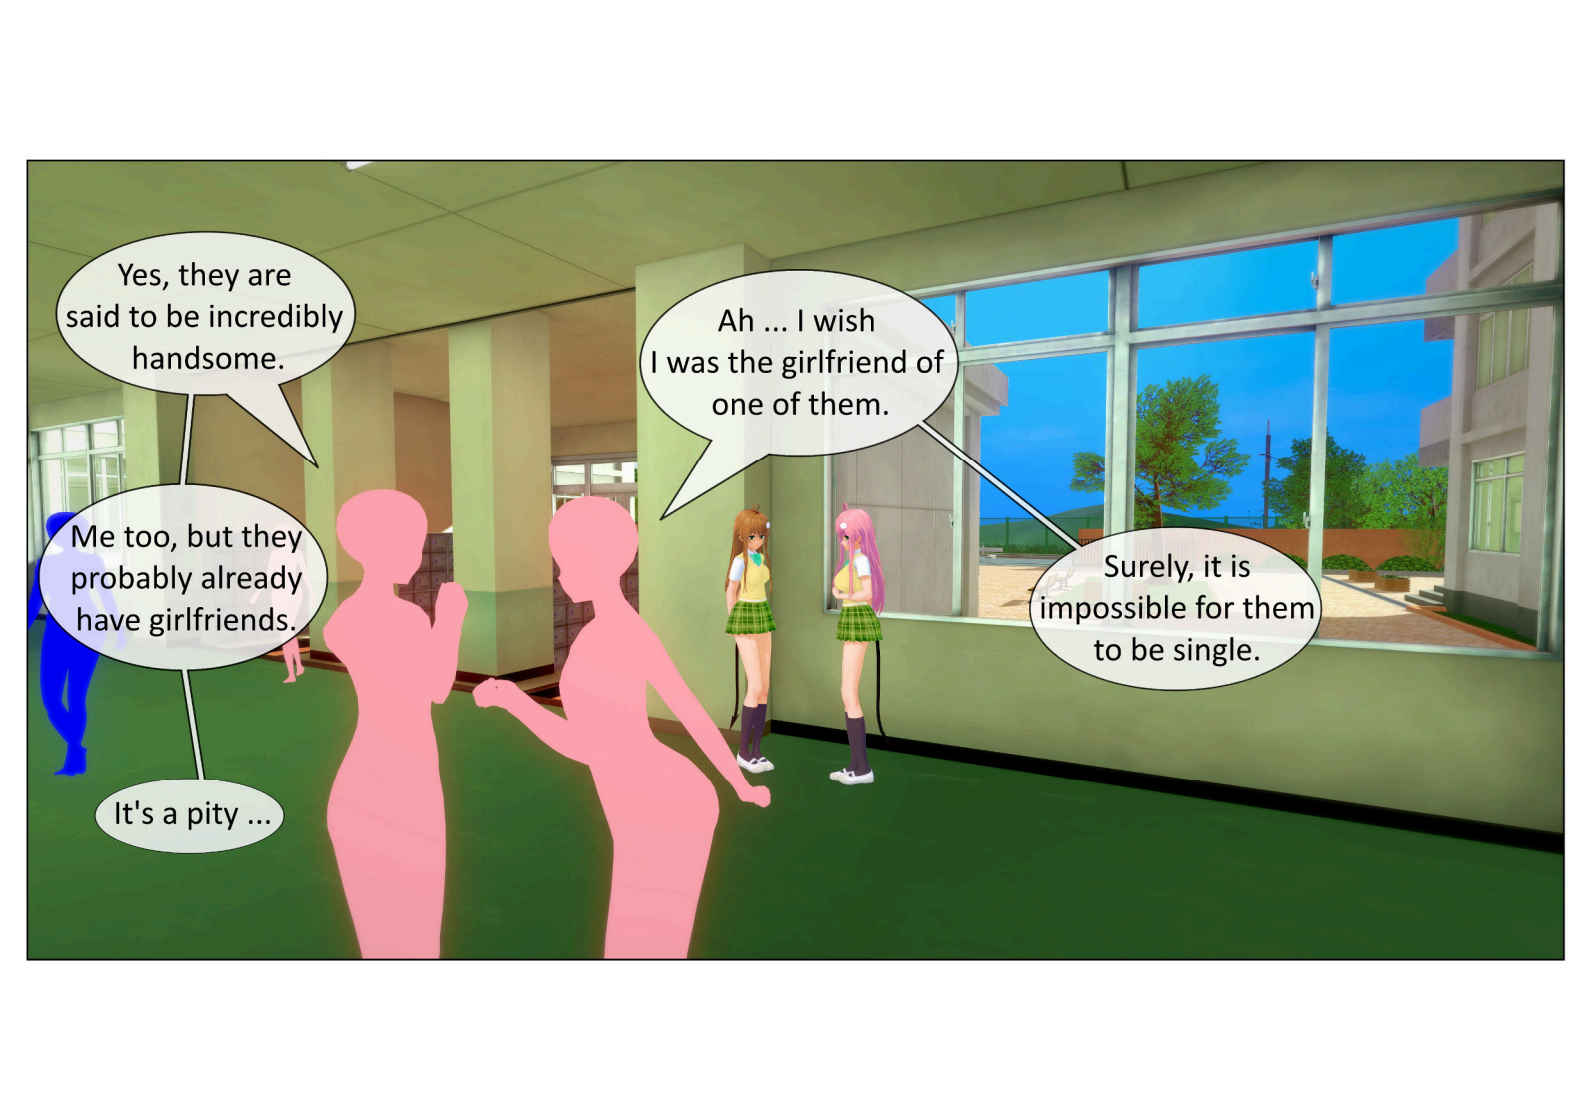

I feel a little sorry for Nana-chan, she was so glad to have big breasts.

Say Lala-chan, you can't enlarge her breasts. Just a little.

I'm sorry Mi-chan but unfortunately not, every time I try the effect only lasts a moment.

Tell me, have you heard of these two new ones?

Yes, they are said to be incredibly handsome.

Me too, but they probably already have girlfriends.

It's a pity ...

Ah ... I wish I was the girlfriend of one of them.

Surely, it is impossible for them to be single.

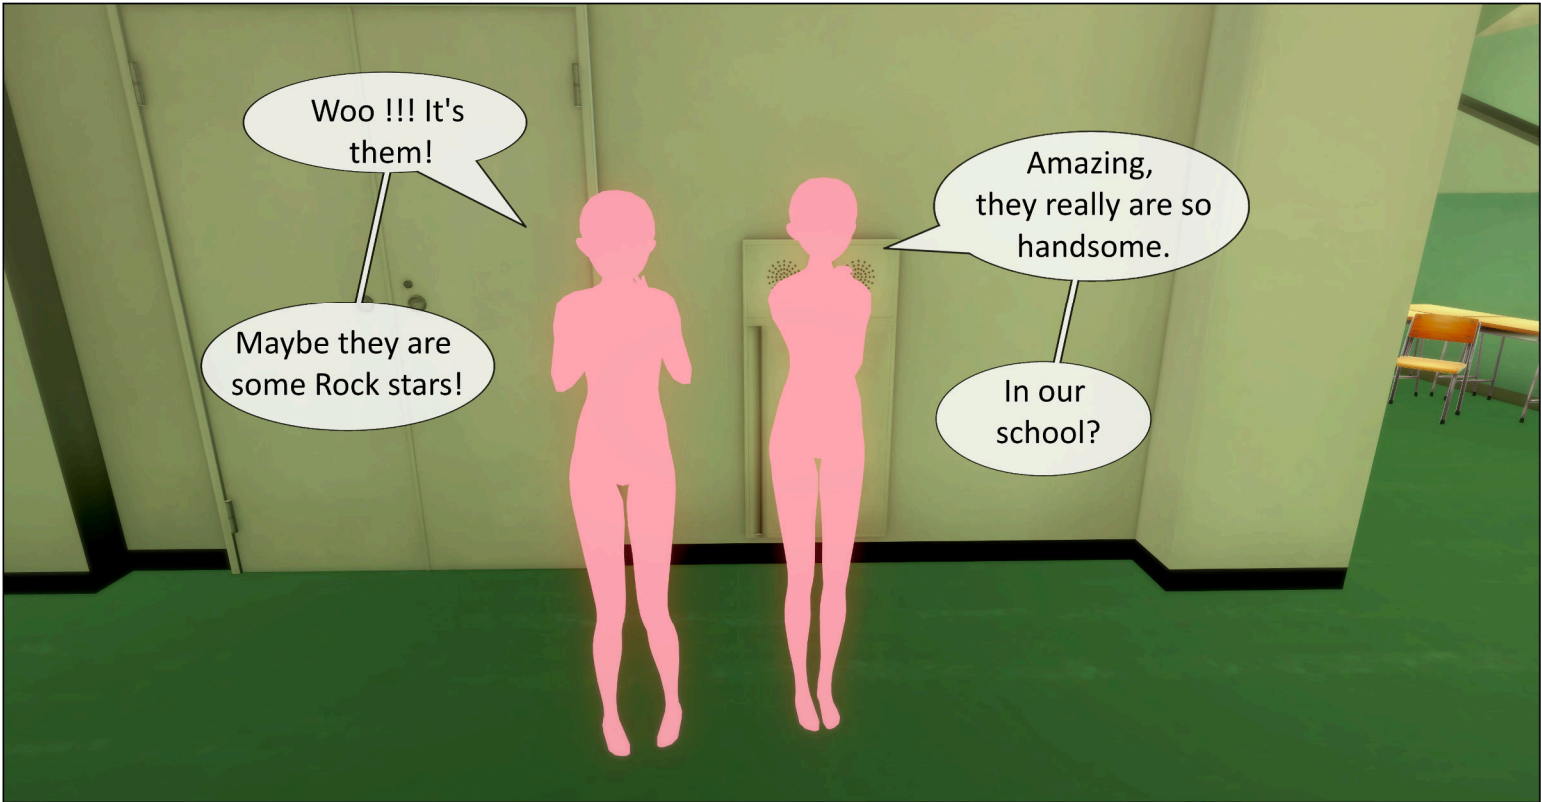

No worries, they were in a box with lost items, so probably the owner forgot about them long time ago.

Besides, there was no other option.

But let's not talk about it any more.

It's a good thing we took these clothes, I mean it's stealing.

Okay.

Woo !!! It's them!

Maybe they are some Rock stars!

Amazing, they really are so handsome.

In our school?

I'm sorry girls, but could you please come with us for a while?

We just want to ask you something.

Are any guys hitting on me and Lala-chan?

Okay ... this is weird.

Of course.

But I guess I have to get used to it slowly.

Relax,
I won't hurt
you. Hehe

Hehehe. I am
not angry.

Don't worry,
Mi-chan.

Maybe we
shouldn't go
with them.

Sorry, I didn't
mean to offend
you.

Rito is
so cute.

After a while on
the school roof ...

What?! Haruna-chan,
Momo-chan, how
did that happen?

What
are you going
to do now?

Onee-san's invention
had a little breakdown
and blew up.

That is why
we called you
here.

Onee-san, can
you do something
about it?

You have nothing else to help them?

Well...

I have nothing to fix, so I will have to do everything from scratch and it will take a while.

Until then, you have to deal with it somehow.

Unfortunately not.

Maybe it will not be so bad.

Are these some jokes?

Do I really have to pretend to be a guy?

Yuki-chan talked about karma, that's karma.

I think
I have
an idea.

We just have to
think about where Momo-chan
and Haruna-chan will live
until I'm finished.

Great!

A moment later...

No...

It's not that I don't want to help, but my parents will kill me when they find out that I have invited two boys to my place.

Don't get me wrong, Mi-chan.

Besides, wouldn't it be easier to just turn them back into girls?

This is my chance.

Of course, but on one condition.

Then give me your phone.

Are you serious.

Can you turn me back into a girl?

What? I'll do whatever you want.

What?

Don't worry,
you won't even see
a scratch on it.

Sigh

Okay, just be
careful, it's a
new phone.

I hope.

And it's ready.

Now Momo-chan won't be able to blackmail me with this video anymore.

Is something wrong Momo-chan? Or I should say Momo-kun. hehe

And I kept my word, he will not have a scratch.

Now I remembered, I had this video on it.

You said he wouldn't even have a scratch.

The worst things were done with the best of intentions.

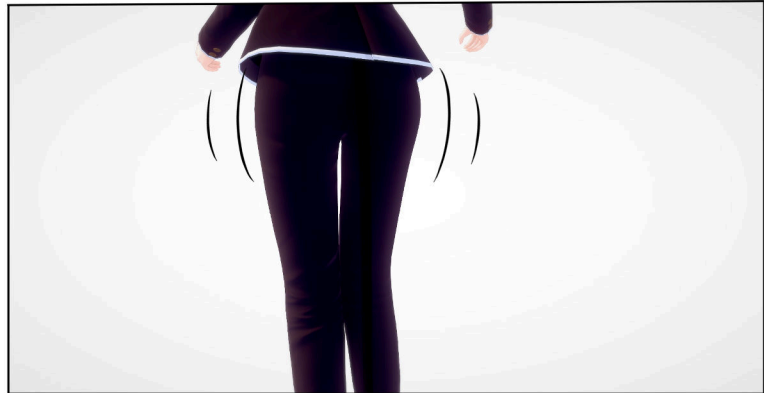

You're not mad at me for this video, are you?

I did it with good intentions. hehe

Er ... You know, it's not appropriate for a boy to fight a girl.

Don't worry,
I keep my word.

But first, let's
take care of you
Haruna-chan.

You heard
Haruna-chan,
you will be a
girl again.

Thank you,
Yuki-chan, but ...

I want
to be a guy
permanently.

Why do you wanna be a guy.

What?!

But what?

I don't want to be a guy, but when Rito and I are going to be together, I have no choice.

It's not that I want to, but ...

You ... and I ... if ...

You know, it's not appropriate for a relationship to consist of two girls.

Why?
Because someone
said that?

I'm not forcing you to
be a girl again, but I don't want
you to force yourself to do
anything because of me

Of course
we can.

Yes.

But we
can't both be
girls.

Really?

And what do
you think about
it?

?!

I guess Rito finally understood his feelings.

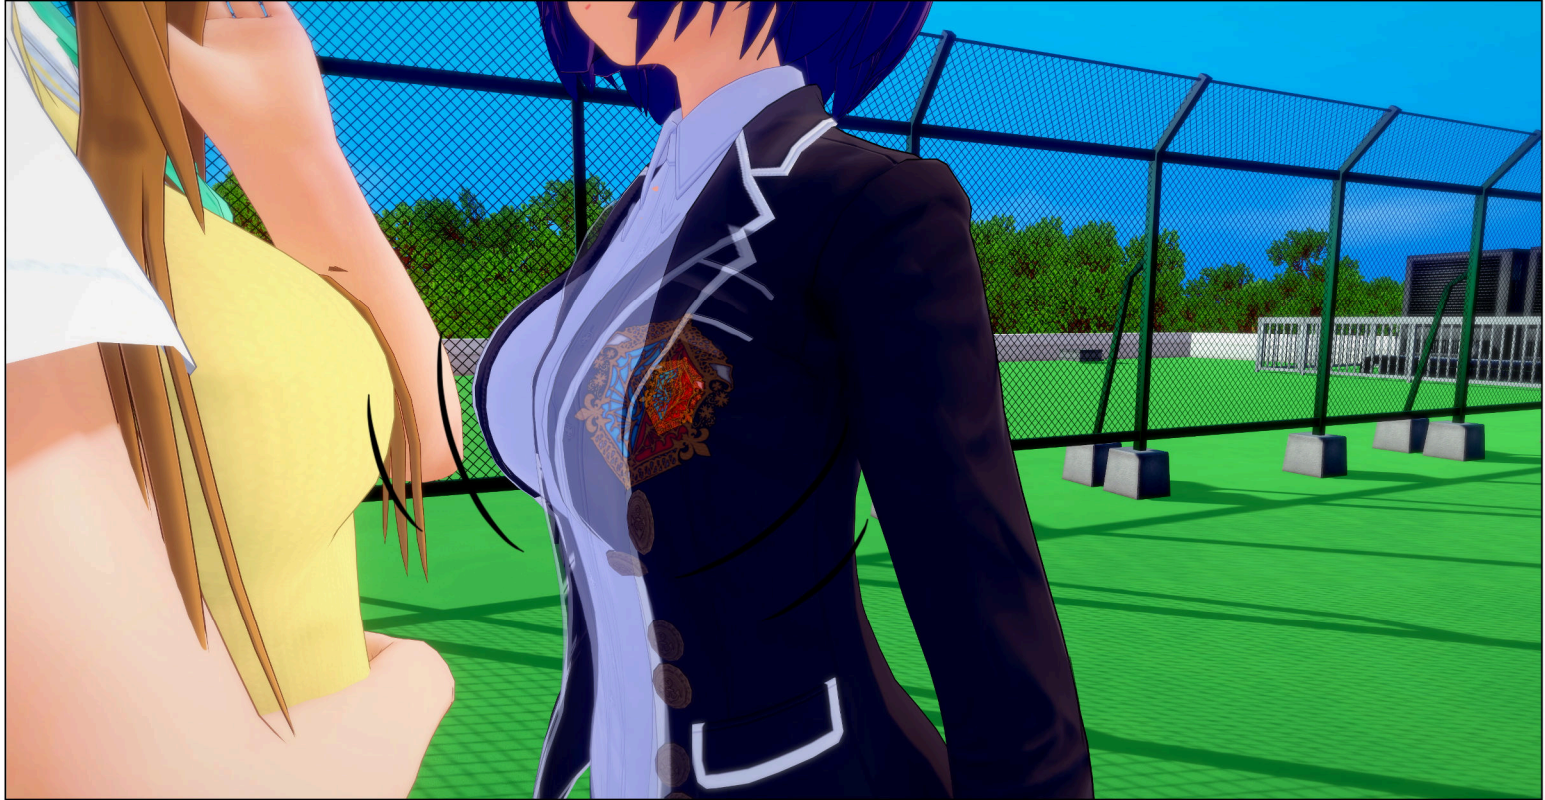

Both to Lala-chan and Haruna-chan.

Funny. To understand what girls felt, he had to become one himself. hehe

She turned
back into a
girl herself?

So it
was enough
to wait just a
moment?

You don't even
know how bad
it is. Onee-san

Isn't that
great. It's like it's a
magic kiss.

I guess so,
that's wrong.

A few days later...

And these
are the rules.

I hope that
despite these few
rules you will have a
nice time with me.

Goshujin-sama

As punishment,
Momo-chan was
supposed to choose.

A character with short dark hair and glasses, wearing a brown suit, stands in a room with a large desk and chairs. The room has a warm, dimly lit atmosphere with wood paneling and a patterned carpet. A large desk with a chair is on the left, and another desk with a chair is on the right. The character is standing in the center of the room, facing forward.

Being a guy for
a year or working as a
hired girl for a year.

No worries.
* grunt *

I am sure you will
also have a nice time
with me. * grunt *

By the way,
sorry for the smell,
I had beans today. hehe.
* grunt *

Jzzzz...

No....
problem.

She chose to
work as an escort girl.
Though she regretted
it later.

Meanwhile, at
Kurumi-chan ...

Is it really
alright that we left
in the middle of
the party?

What?

Probably not.
But there is something
I wanted to ask you.

Is it true you no
longer work as an
escort girl?

Yes, but don't worry your grandfather said he would help me find another job.

Because I liked this job.

Because I love you.

But why did you quit your job as an escort girl? I thought you liked this job.

So why did you quit?

What?

Because I love
you.

And that is
more important to
me than working
as a maid.

Yes. Although
if you like, Yuki-chan
gave me my maid
outfit as a gift.

Really, did
you just quit
because of me?

Sure.

But let's get back
before anyone starts
looking for us.

Eventually, Kurumi-chan
and Otton became a couple.
Meanwhile Rito ...

Well ...
I don't think much
has changed for him.

Sorry
Lala-chan, it was
an accident.

Nothing
happened.

Besides,
we're both girls
now. hehe

What?!
What about
Haruna-chan?

Now officially
you are my fiance
again, Mi-chan

For an engagement
to be valid, the other
party must accept it.

And neither you nor
I told Harun-chan that
we accepted it.

Therefore,
they were irrelevant
from the beginning.

So Mi-chan and Haruna-chan weren't engaged?

Why I didn't know about it before.

I knew you'd be happy.

So everything was back to normal in the end.

So that's why Mi-chan was wearing a men's uniform. Because it was really Lala-chan.

I mistook them.

Because you're happy, aren't you?

Hehe. Of course I'm happy.

However, not everything is as before.

It is much better.

6 months later ...

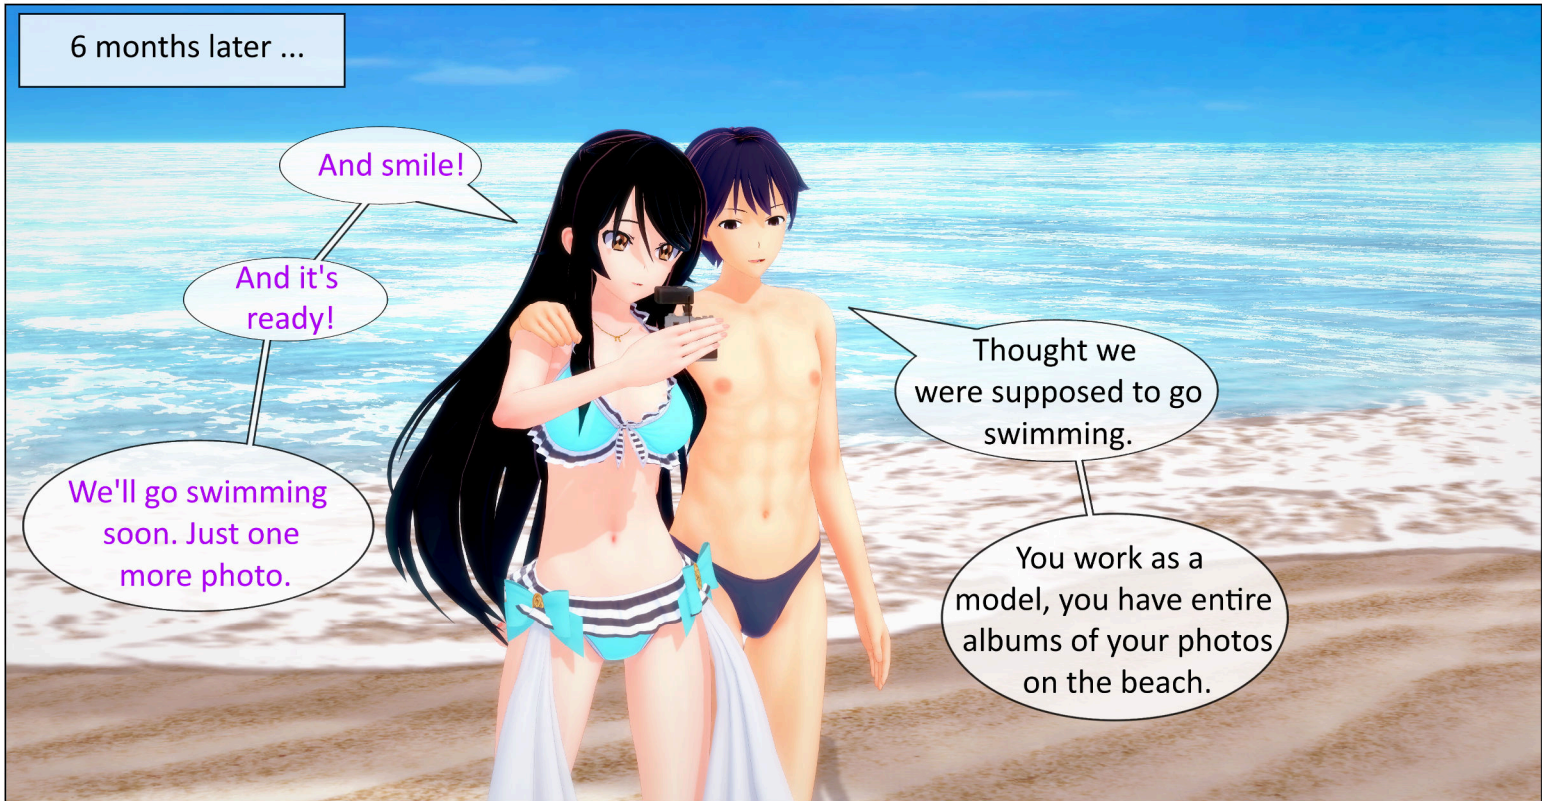

And smile!

And it's
ready!

We'll go swimming
soon. Just one
more photo.

Thought we
were supposed to go
swimming.

You work as a
model, you have entire
albums of your photos
on the beach.

You're
talking about that
waste paper.

I want to
have some photos
that will be really
valuable to me.

I see.

I am looking to see if I got even tan.

Don't worry, there are only girls here.

Don't worry about him, he's busy with Kurumi-chan.

Mi-chan, what are you doing?

I see, but you can't take your bikini off in public, what if someone sees?

What about Otto?

An anime-style illustration of two young women relaxing on a blue inflatable ring in the ocean. The woman on the left has long brown hair and is wearing a black bikini. The woman on the right has short purple hair and is wearing a green bikini. They are both smiling and looking towards each other. The background shows a sandy beach, a concrete wall, and a blue sky with some clouds.

Of course, we finally came here on vacation. hehe.

Since we're here, you practically don't worry about anything.

It is unbelievable that only a few months ago Mi-chan was a boy.

Will you
come to a common
photo ?!

Sure, we're
on our way.

But from
what I can see, Mi-chan
is happy now.

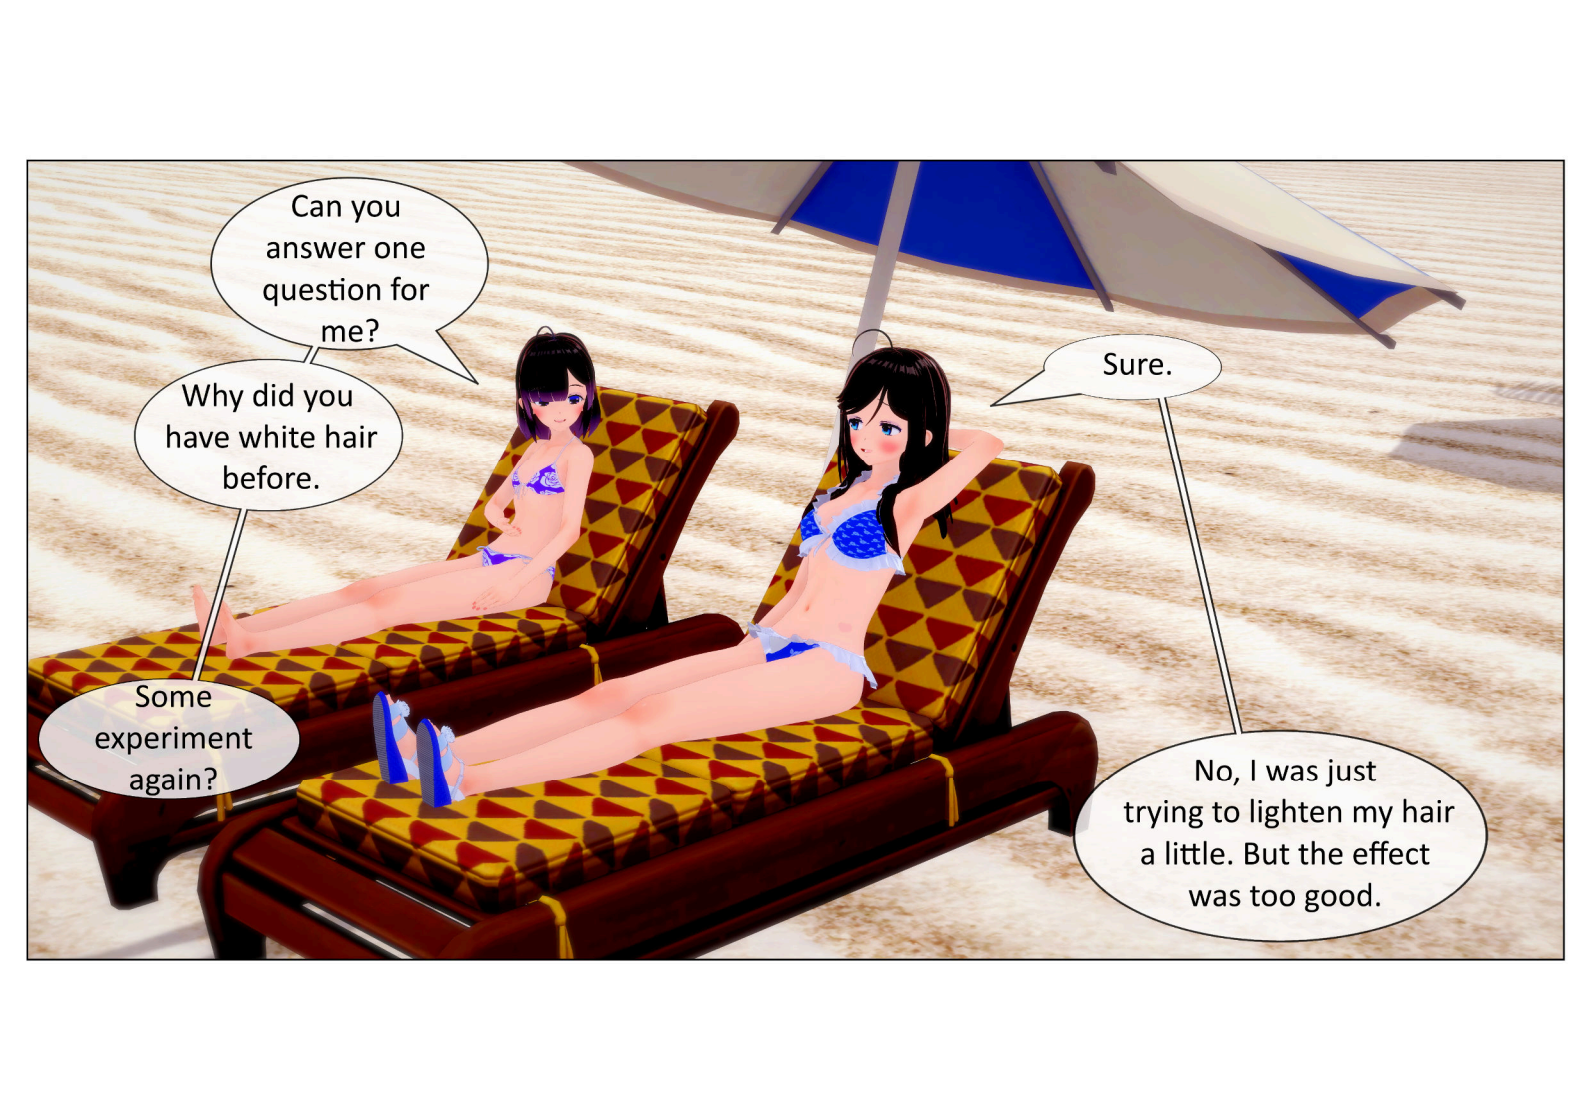

Oh, Lala-chan,
we're about to take
a picture together.

Maybe you
want to join?

Sure,
after all, they gave
us this trip.

Of course,
I will only ask
the girls if they
will come too.

A 3D-rendered anime-style illustration of two young women with long black hair, wearing blue and white bikinis, sitting on patterned lounge chairs on a sandy beach. A large blue and white beach umbrella is open behind them. The scene is set outdoors on a bright day.

Can you answer one question for me?

Why did you have white hair before.

Some experiment again?

Sure.

No, I was just trying to lighten my hair a little. But the effect was too good.

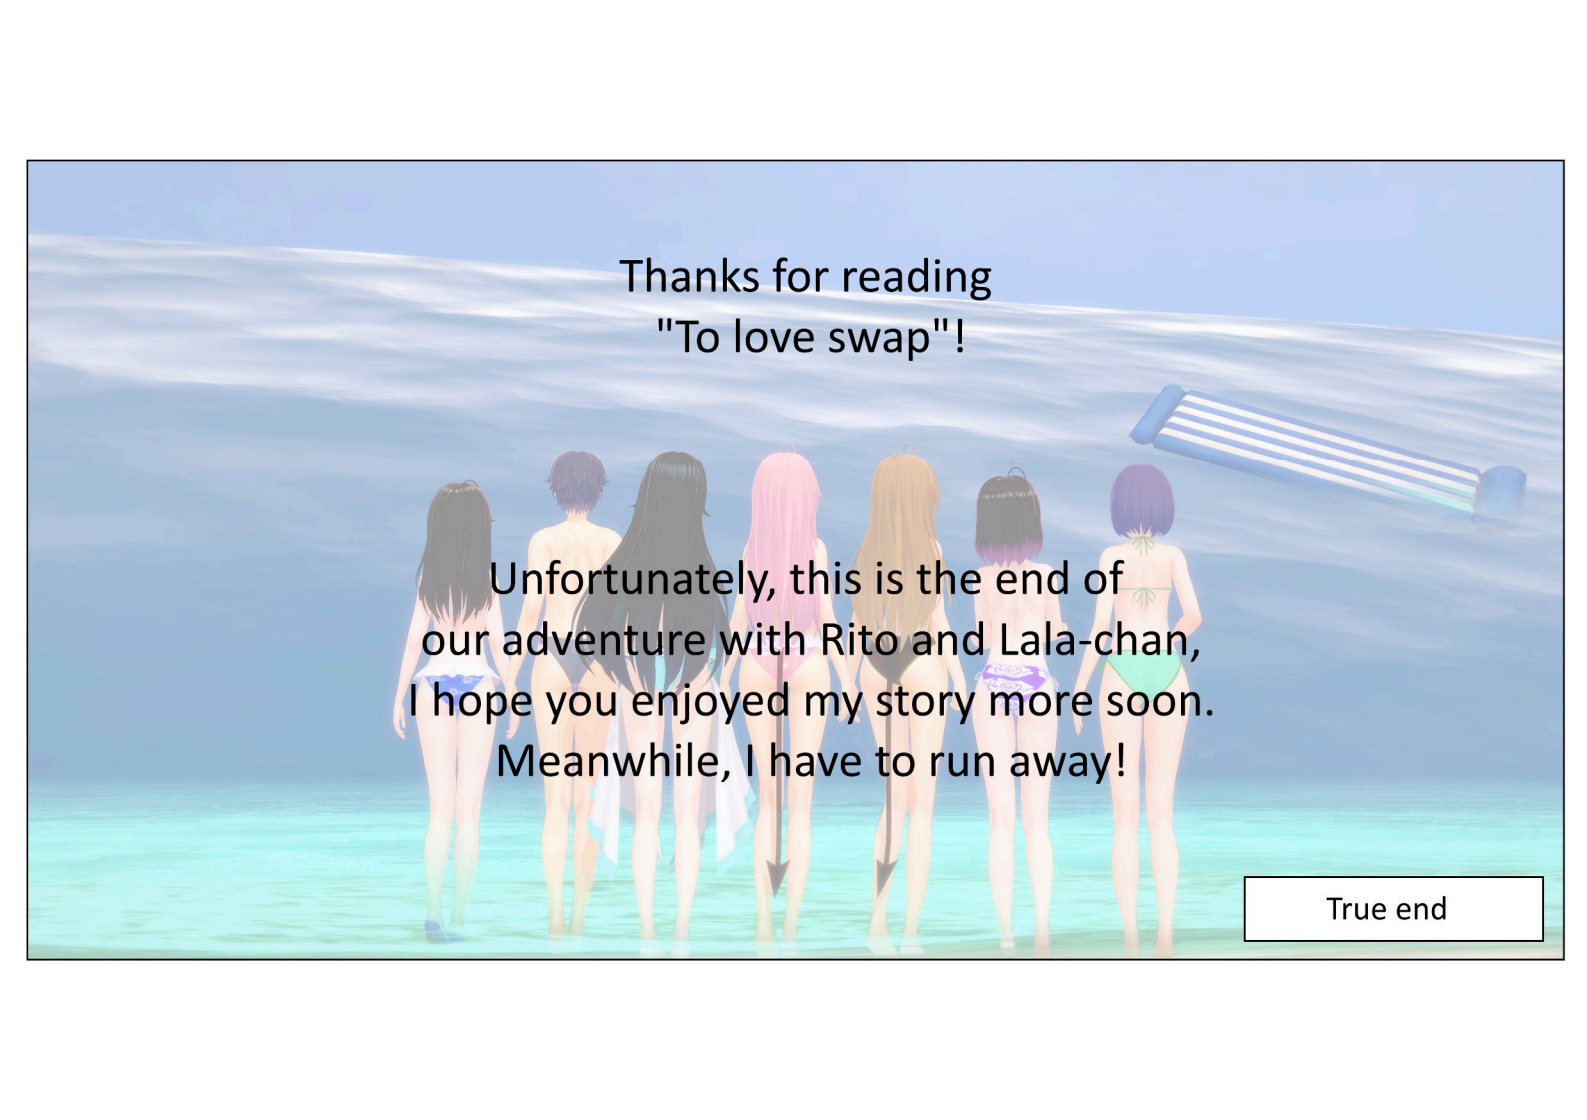

Sorry, maybe next time.

I was expecting something more magical.

Come on, we are about to take a picture together!

The end.

Thanks for reading
"To love swap"!

Unfortunately, this is the end of
our adventure with Rito and Lala-chan,
I hope you enjoyed my story more soon.
Meanwhile, I have to run away!

True end
