July 30, 2011

My mind is blurry when I think of it ...

it happens again !

I wake up again, this time I find some foods and a phone...
But it seems I can only take some photos with it...

July 31, 2011

can you read it ?

I wrote this with the pink lipstick I fund .
I hope you can read it !

July 31, 2011

my cell ...

The curtains are fixed...

And I have a bathroom ...

more about my pink cell...

The doors are reinforced door...

For the computer, I'm not an expert but it seems to be a custom made OS who allow only access to this blog.
The magazines are from US and UK; they only have in common to talking about fashion and people ...

July 31, 2011

contact

As you see I had a message from "them" ... they add :
Don't do things you may regret...Assignments will follow.

What the hell I suppose to do ? !

august 1, 2011

topless ❗

I had a new message !! They want I publish a topless picture ?!
No way !

They or he or she ?! add a big mirror ... so I used it, it's the best I can do !

Thx for your advices, exercises help to pass the time ...
But I still have the same clothes...and the dresser is empty...

And believe me or not, I'm locked in this tasteless room !

a poll ❗

A poll have been create, but I have no ideas about what !!!

august 3, 2011

ok ...

Some of you talk about piercings ?! I only see there is a poll but not about what !

I hope this picture will be enough to satisfy "them" ...

and now ?

Satisfy ? Maybe it's not too late to stop this ...

For the ones who have doubts, I don't take any pleasure in this ...

august 4, 2011

oh mon dieu !

They did it ...I try to do my best to resist but I've been zap again ...

They did something to my lips, it's awful...I don't want to show it ...
At least they left some fresh clothes...

august 4, 2011

ooo

So happy ?

I have to put some gloss ... What could happen to me now ...

august 5, 2011

exercises !

I have never done so many workout in all my life .

Putting the gloss was an order, but I have to admit that it tastes really nice .

how i'm Fed

Behind the door, there is another door ... I received a message and then I'm allowed to retrieve my food and also fresh towels and clothes (the same pink short/top) .

The food is good, and seems to be healthy .

august 6, 2011

reading...

I'm not a fan of women and people magazines ... But it helps to spend my times ... Some of there tips are really interested.

Despite my condition, I'm never been in such great shape. Some of you talk about lens, I'm going to learn more about it soon ...

august 7, 2011

lenses ...

It's always better than a piercing...So you choose the color...

Hope you like it ...

august 10, 2011

little try with makeup

After all my reading, I have been suggested to try some of the tips

And here the result

Not so bad I think, isn't it ?

good bye !

I enter in their game to gain their trust (cf my last posts)...I followed your advices and find a way to escape now !

august 11, 2011

hello...

My name is Caroline XXXXX, I'm from XXXXX in XXXX and work as a XXXXX .

English isn't my first language, it's allow me to communicate to more people...

I'm only remember I was traveling in XXXX before I wake up in this F**** Room !!

Yes, I'm still here , my plan failed !! Something stop me, but I don't have any memory of it...

I don't know why "they" are doing this to me !

It's even worse now... they have done my nails, I'm not used to type like this...

But it's nothing compare to this

I had breast surgery !!! Can you believe it ?!!
I think they give me implants...it's pretty painfull ...
I was instructed to leave one the post bra....I'm ok with that...

And it's not over, they don't want I run too fast so ...

They're locked...

august 12, 2011

yes...

Yes, I admit it, it was really dumb to post a message just before my escape ...but I couldn't help myself...
Posting message for everything I do seem so natural...

Like when I receive those new clothes

august 13, 2011

blond...

You choose it, here the result

And they add new earrings (well sealed of course...)

august 14, 2011

breast check

They feel better, but I have to keep wearing the post op bra .
Some you think they are too small ???!!! Are you kidding ?

august 16, 2011

tanning

So this is me, before the tannings sessions .
I haven't see sun light for days, it could be as bad .

august 17, 2011

First results

I have done several sessions . It was my first time in a tanning booth .
It was relaxing; I even forget my condition .

I was also instruct to put a little sticker .

august 18, 2011

smile !

august 19, 2011
daily things

I'm finally able to sport again, but I have to wear a sport bra.
And it's more and more easy to walk with those heels.

They began to show soap operas on tv . They are clearly not the brightest things I have ever seen .

But what the hell they want from me ? I want to have some answers !!

august 20, 2011

and here the answer !

"Only a bimbo can leave the room" here we are ... so you were right ...

And I have other gifts, they did something to my teeth they are whiter than ever.
They pierced my navel

And the worst ...it's not henna...

I have to think to all of this now ...

august 21, 2011

bimbos...

For me, a bimbo is a woman who is not attractive enough to be a model,
not intelligent enough to be an actress,
and not nice enough to be a poisonous snake.

So what's your definition of a bimbo ?

august 23, 2011

hot ?

So first, thanks all for your answers ! It was really instructive !

But each one of you had his own bimbo definition .

I don't know their definition; but if I'm working on things you said to me, it could speed up my "release" .

By doing these, I will enter in their "game" ... it could improve my condition ... oh merde... I don't know ...

I always been a shy girl and not very comfortable with my body. So I think despite "my better body", (I admit it) I have to work on my sex appeal, does' it ?

Ps :I wore glasses today, I had little problems with my lenses

august 23, 2011

cleavage !

A new add to my wardrobe !

Not as big as you wanted, but you can't deny I make some effort !

august 27, 2011

thepperfectboobs.net

Hi guys,

I'm allowed to visit this forum <http://thepperfectboobs.net/> , it's featuring lot of implanted girls. When I see girls like Tara Babcock or Laura Vinicombe, I think can learn from them.

messed up eyebrow...

Hi guys ...

I wanted to do something better with my eyebrows, but I completely messed up...
But they won't leave me like that !

I can make polls ! So I need your advices .
I can choose to have my eyebrows tattooed or transplanted.
And for their shapes, they gave me this :

CHOOSING BROW SHAPES

DE WENKBRAUWENVORM KIEZEN

눈썹모양 선택

Once you've mastered grooming your brows with Mini Wax Strips, you can begin shaping them.
Below you'll find the best brow shape for your face shape.

the art of teasing

September 4, 2011

and now ?

Hi guys !

As you can see not only my eyebrows as been done .
My little wrinkles have vanished so I had botox or something like that.
And my breasts are bigger.

Do you like that ?

Thx very much to the people who gave me kind comments !

Kisses to them !

September 5, 2011

disturbed

Hi guys,

I'm still Caroline despite what you see !

But when I see myself in the mirror, I'm really disturbed . I don't do know if I love what I see or hate it...

On <http://theprecfectboobs.net/> , I begin to compare myself to the other girls...

September 8, 2011

Caroline...

Hi guys,

I find this picture on the phone, I'd changed so much ...
It was the real Caroline... I let myself go all those years ...

So you are right maybe I could use a nickname .
Cherry is ok but I want a sexier version of Caroline like :

K-ro ; K@ro ; Carolina ; Line ; Lina ; Leena

What do you think of ?

xoxo

September 9, 2011

Kari !

Hi guys !!

I love Kari so much ! It's exactly what I wanted; kisses to Anonymous3 !

It seems something is coming, I heard lot of noise behind the door...I'm anxious by that despite my smile ...

September 10, 2011

new addition

Hi guys,

I think they heard you, they give me a sex toy, but not only one ...

Look at that !

When I was sleeping, they bring those dildos, shoes and this strange mannequin

I'm sure to have more informations about all of this soon

xoxo

Kari

September 11, 2011

the mannequin

Hi guys !!

When it was time to retrieve my diner, the mannequin turn on !!

So I take it ...

And rub it as a real one ... I'm not really an experiment girl ...
it was weird, it warmed, hardened and grew ... as a real one ...

The expression changed !

So I continued and speed-up !

And after several minutes of this, the door opened ! And I could finally take my food !
I had to repeat it , each time, it seems more difficult to satisfy ...
Maybe you can give me tips for hand job ?

xoxo
Kari

September 14, 2011

little confession

Hi guys,

A little aroused by preparing myself, I began to explore the little sex toys collections...
With lubricant help...of course ...
It's not the first time I use a dildo...
But the first time, I forget my condition ...

Also they have a vibration mode but it's turn on only in front the mirror or the mannequin.

Sorry to say but I keep the mannequin satisfied with my hands ! Maybe my skills are better !

What do you think of a facial piercing ? I made some polls

xoxo
Kari

September 15, 2011
