With grey primered driver's side door
Nebraska driver's plate #7-A860

Registered to Russell E. NELSON, Rural Route #2, Box 143, Newman Grove, NE.

DETAILS OF INVESTIGATION:

This date, Reporting officer CARMEAN, #831, was driving through the Twin Towers parking lot when Reporting officer observed a green or aqua colored van parked in the Twin Towers lot. Reporting officer was in the lot looking for a vehicle belonging to a commercial photographer undergoing investigation by the name of Rusty NELSON. The van was in fact, a panel truck with a gray primered drivers side door. The vehicle was a 1969 Ford Econoline van bearing Nebraska license plate #7-A860. Reporting officer obtained a Nebraska vehicle registration for the plate which came back to that vehicle and indicating the registered owner to be Russell E. NELSON of Rural Route #2, Box 143, Newman Grove, NE. Note that officers had previously received information of Rusty NELSON having access to an aqua colored van parked in the Twin Towers lot in addition to statements made by Rusty NELSON that he was from Newman Grove.

The name of the registered owner of the van having been obtained, a computer crime check was made of the individual. However, records indicate the only contact NELSON has had with a Nebraska law enforcement agency was on 19 Jan 87 when he received a speeding ticket.

This date also, Reporting officer spoke by telephone with an individual named R. J. SKOW who is a professional photographer who has had personal contact with Rusty NELSON. SKOW told Reporting officer that he was contacted by NELSON several months ago in response to an ad SKOW had placed for test photographers. The notice for a job was posted at the Metropolitan Community College campus. NELSON told SKOW that he had seen this notice at the college where he used to be the student and inquired about employment with SKOW.

SKOW told Reporting officer that nothing was resolved at that time

but that approximately six months ago, SKOW observed one of NELSON'S portfolios and found him to be a talented photographer, although he did include an inordinate number of nude females in his portfolio. However, SKOW felt that the women modeling were of legal age and did not give the issue much thought.

SKOW stated that he employed NELSON to assist in a photographic shoot about six months ago but that while shooting, NELSON became involved in an altercation with a male model. SKOW stated that he found NELSON'S behavior to have been rude, excessive, and unprofessional. He terminated all relations with NELSON at that time. SKOW stated that he has had no further contact with NELSON, and could provide no further information about him, except to say that during preliminary interviews, NELSON stated that he was from Newman Grove, NE and had worked for various modeling agencies in Omaha as well as in other states.
