It was a cold winter day and the wood around Marlon's shack was full of snow.

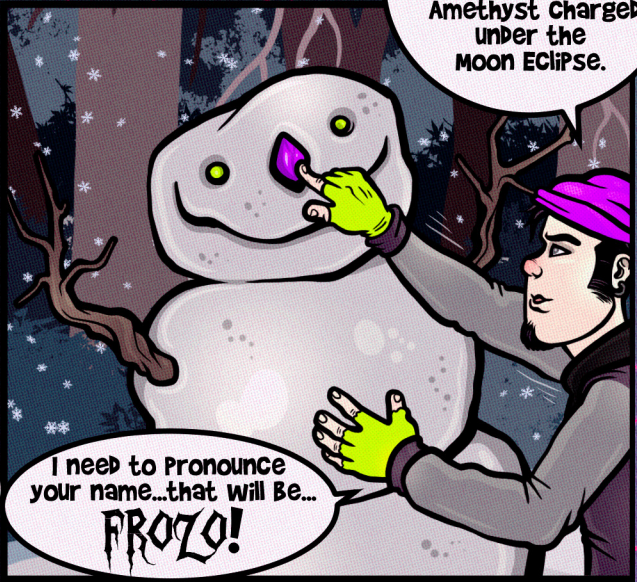

Victor Harris, his troublemaker apprentice, was outside making a snowman. The day before, Marlon crafted and gave to him a brand new wand, made of oak wood and orc's pubic hair. He told the young warlock to don't use it yet, and meditate with it to create a bond with the wand.

Of course, Victor had something different in his mind, so while Marlon was inside making a potion, he decided to go out and have some fun with the snow.

Here you are! As was written in the book, two yellow jaspers and one amethyst charged under the moon eclipse.

Double, double toil and trouble... Fire burn and cauldron bubble...

I need to pronounce your name... that will be... FROZO!

I'm ready for this... Marlon will be finally proud of me! And with my new wand I will be invincible!

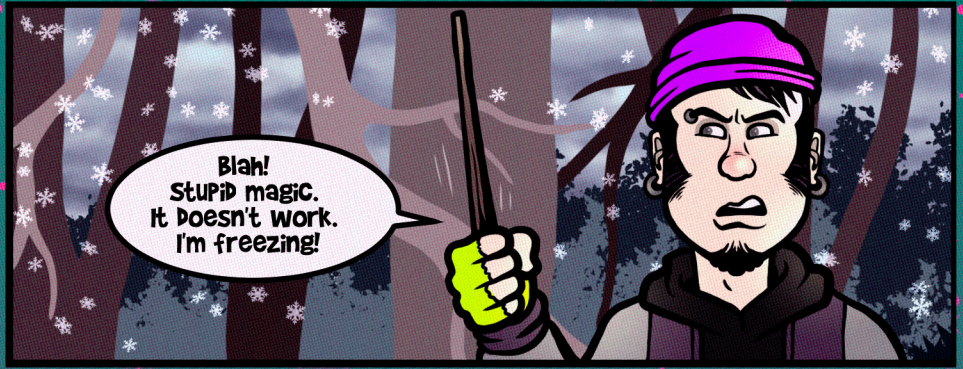

EXCIULSIS!

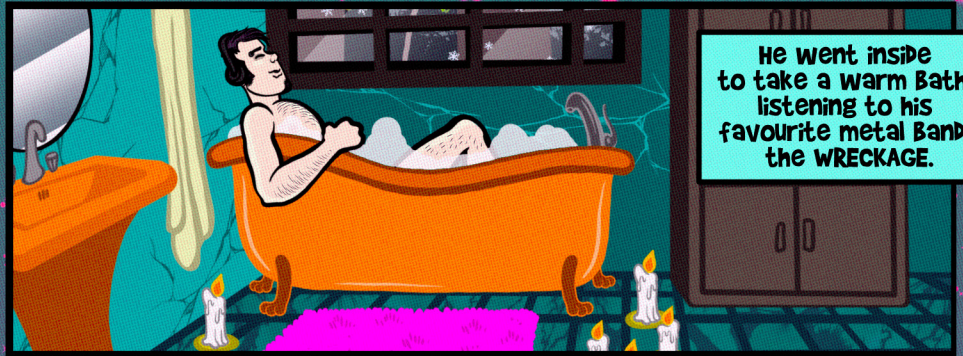

BOOSH!

Victor tried many times until he got Bored. Nothing was happening to that stupid Snowman.

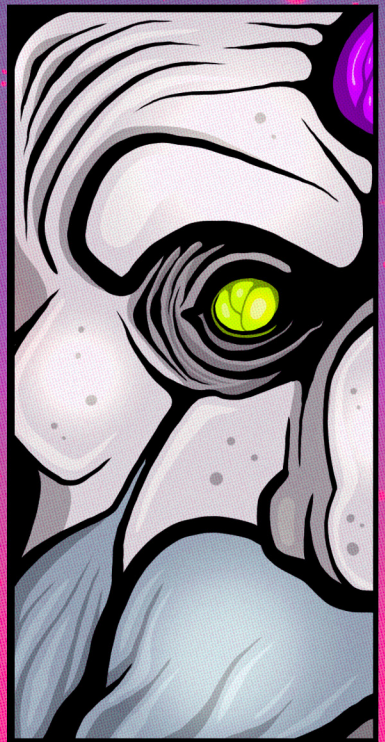

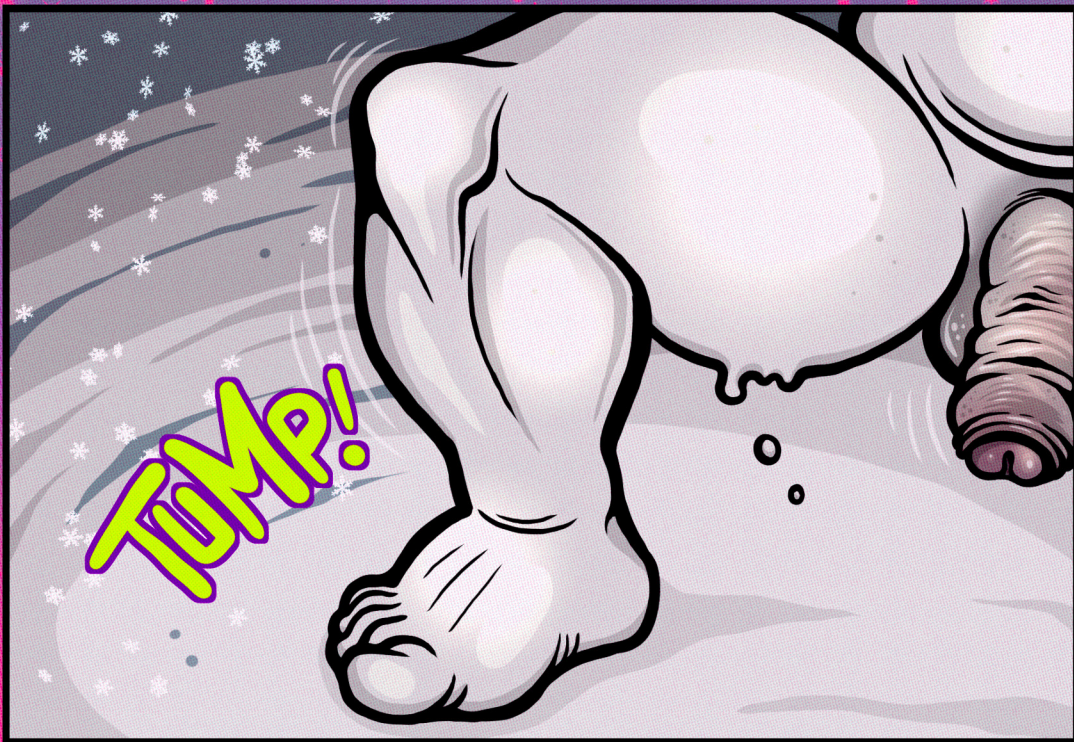

Blah! Stupid magic. It Doesn't work. I'm freezing!

He went inside to take a warm Bath, listening to his favourite metal Band, the WRECKAGE.

Meanwhile, outside, in the freezing, winterish air, something was happening to Frozo...

A jasper eye was able to see for the first time...

The Snow Golem was alive. Big and tall, strong wooden arms and muscle legs, hard as ice. A majestic cock Between his massive thighs.

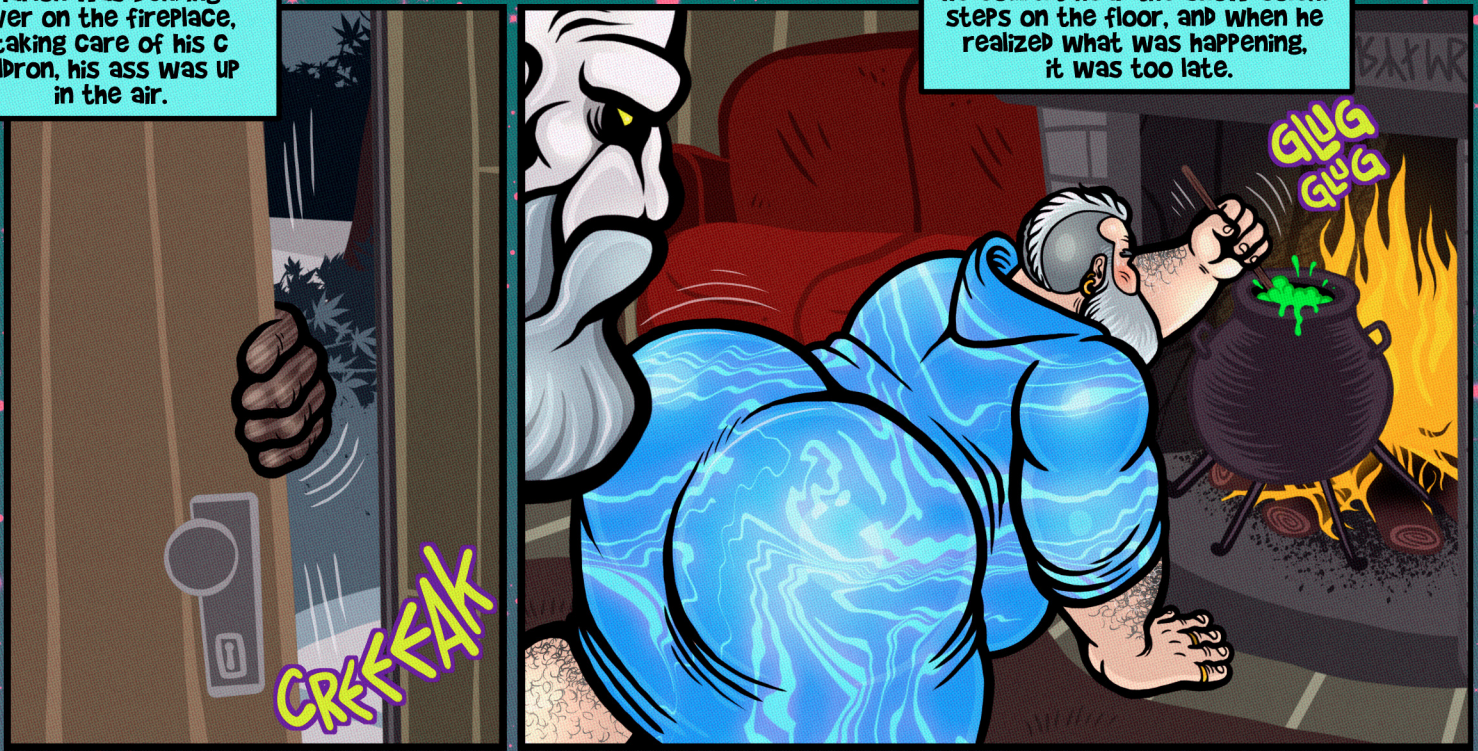

With his unBalanced wand, Victor materialized and sculpted the ideal kind of sex Beast Daddy. But the Boy's most wicked sexual impulses were innate in the monster instinct...so Frozo was looking for Daddies!

I AM
FROZO ...

HUNGER...
HUNGER FOR MEAT...
DADMEAT!

Marlon was Bending over on the fireplace, taking care of his Cauldron, his ass was up in the air.

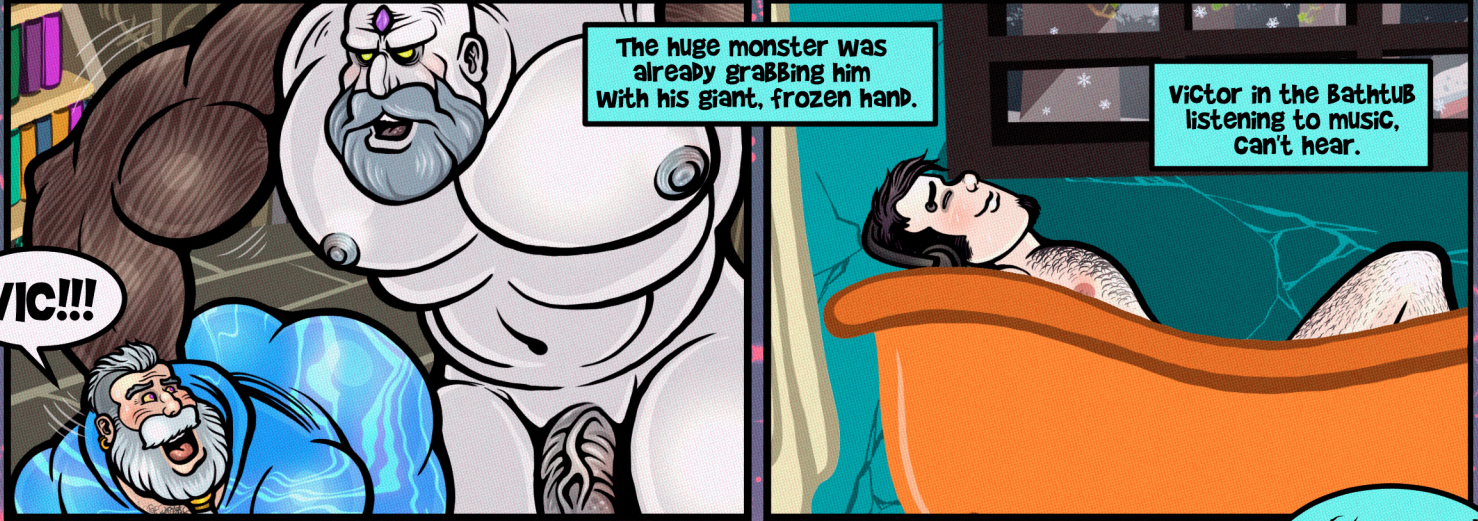

He Couldn't hear the Snow Golem steps on the floor, and when he realized what was happening, it was too late.

The huge monster was already grabbing him with his giant, frozen hand.

Victor in the bathtub listening to music, can't hear.

Frozo started tongue fucking Marlon's Butt. His tongue cold as ice, and Big and meaty. Frozo could extend it and hit hidden spots inside Marlon's Bottomless hole. The wizard started moaning for the pleasure.

Frozo didn't wait any longer, took Marlon By the hip and Pointed his rob to that sloppy Dabhole. His Dick wasn't freezing as his tongue But Cold on the head and warmer on the Base.

AAARRGH!!

SHORP!

Marlon's magical ass was able to take any kind of cock, thanks to some spells and a lot of experience.

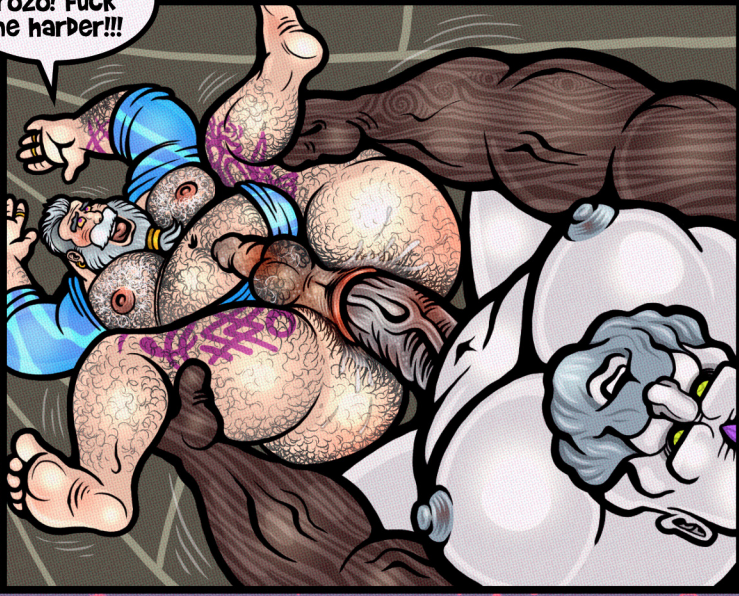

The Snow Golem started Drilling that hairy ass finally satisfied with having what he was Craving since he was summoned to this reality.

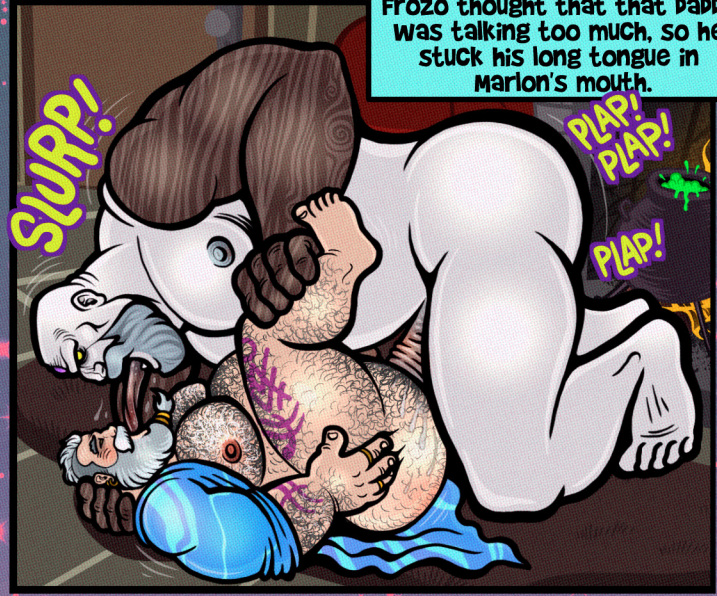

YEAH!

HUMP!
HUMP!
HUMP!

Oh, fuck yes, Frozo! Fuck me harder!!!

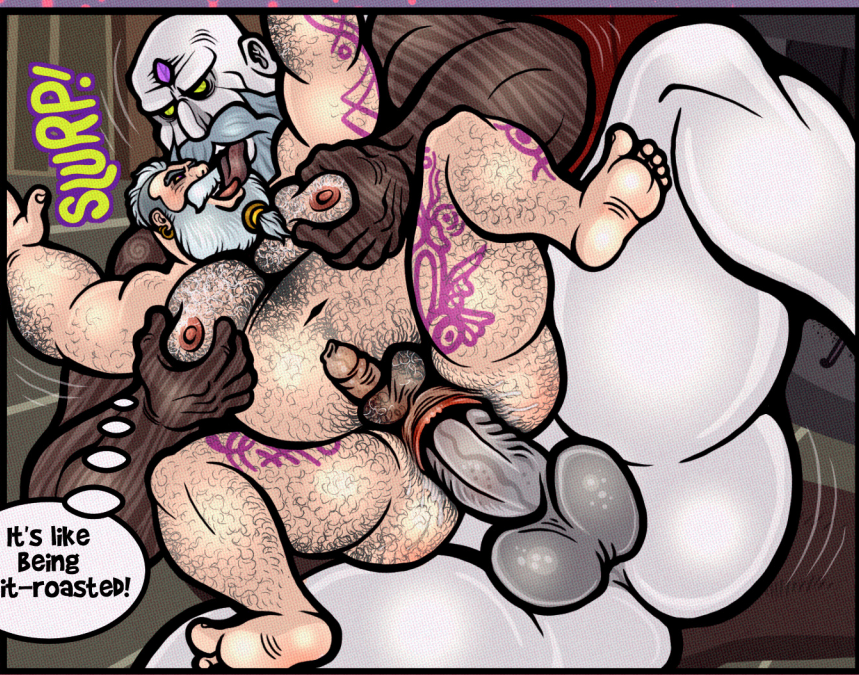

Frozo thought that that Daddy was talking too much, so he stuck his long tongue in Marlon's mouth.

Vic got out of the Bathroom and heard a lot of noises and moaning.

Marion was on the floor and the Golem's ass was Pumping. Seeing that huge ass, and that Puckering hole made of snow meat, ViC got hard at once, ready to join that Party.

Vic was a great Daffucker, and couldn't resist any longer. He dove into that huge SnowButt with his face, devouring it.

MOAN

The ass was cold as snow on the outside, But getting more and more warm on the hole area. The taste was pure male essence. The young wizard licked and tongue fucked that hole, sucked those Big Balls, and slurped on the giant Dick that was going in and out Marlon's Butt.

What a tasty HOLE!

Vic fucked the hell out of that icy ass, that inside is surprisingly warm and welcoming.

I swear I'm gonna destroy your wand!

But...

Shut up! Let's go catch that snowy fucker...

I know Golems very well and they can be really... Damaging!

After repairing and cleaning the mess with a couple of simple spells, Marion took his magic broom and forced Vic to jump on his broom too, even though the young warlock was really afraid to fly. The two flew on the dark sky of the night, searching for the monster.
