

# DRAGONBALL NTR 11

*SUNSET*

*"Feeling as hot as me, babe?"*

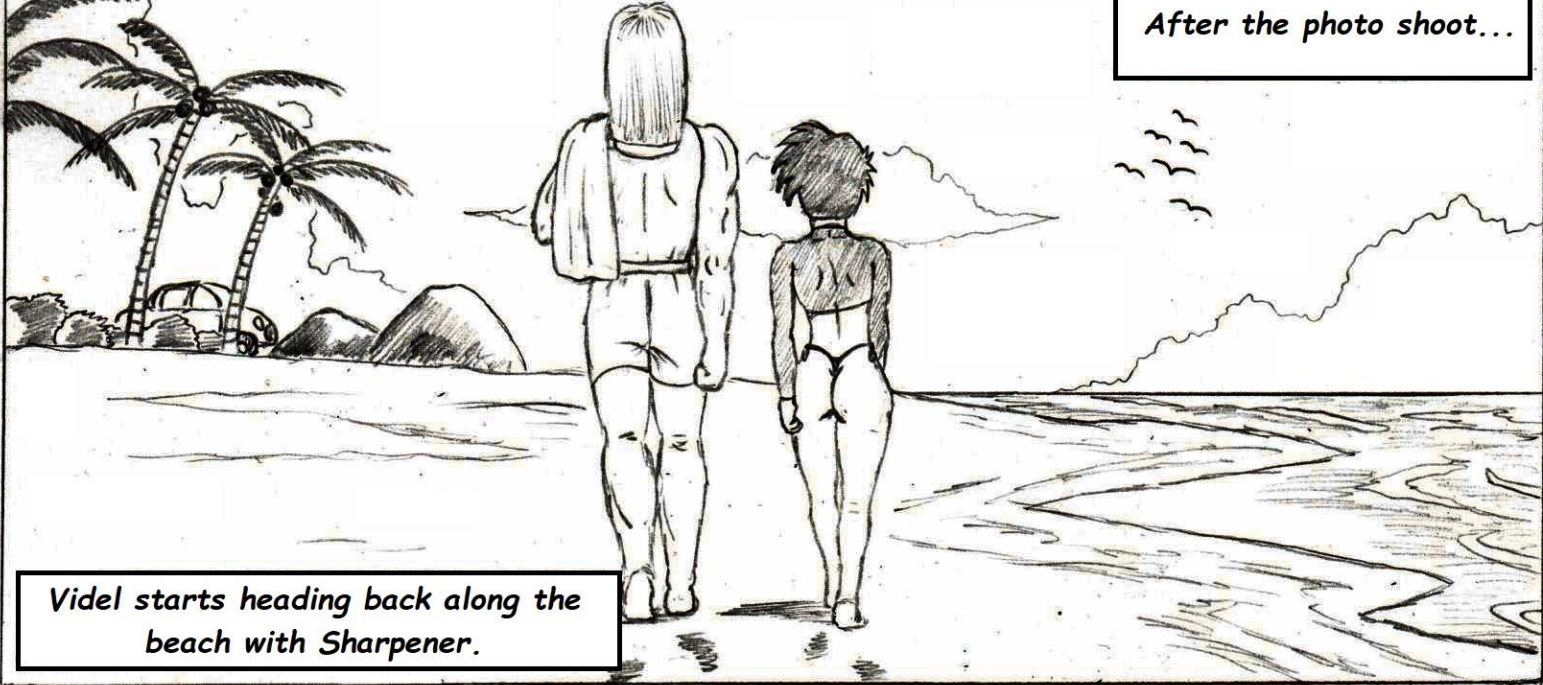

*"Have a cold one on me!"*

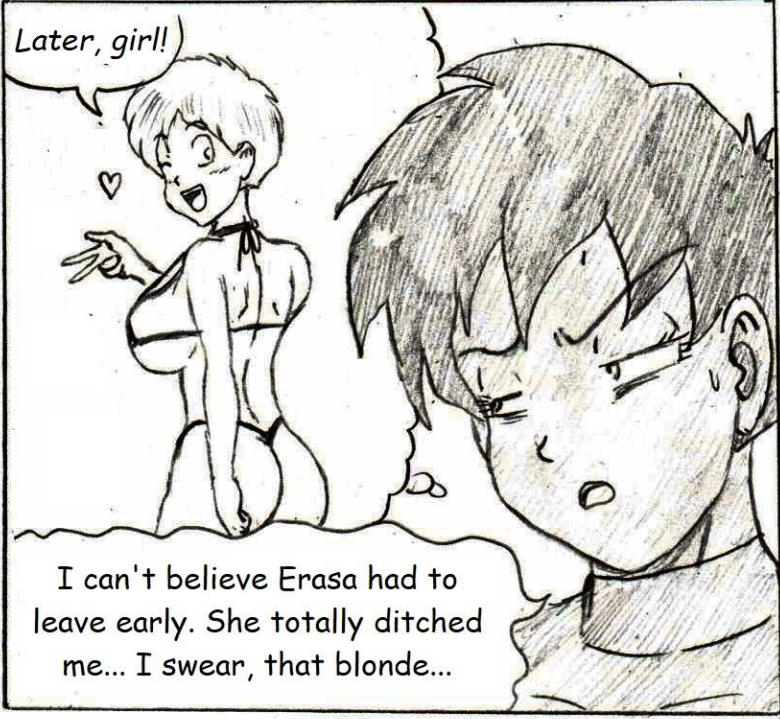

After the photo shoot...

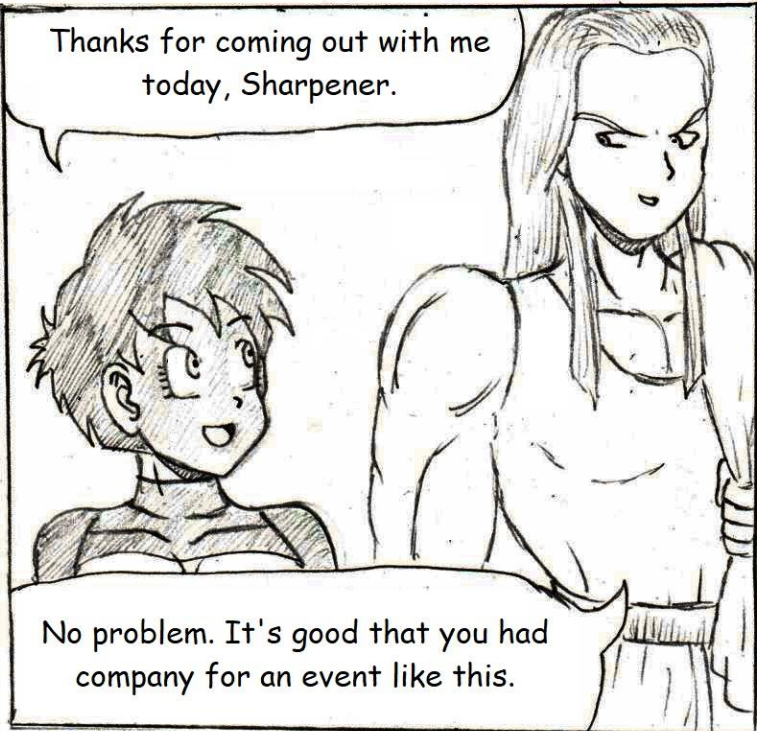

Videl starts heading back along the beach with Sharpener.

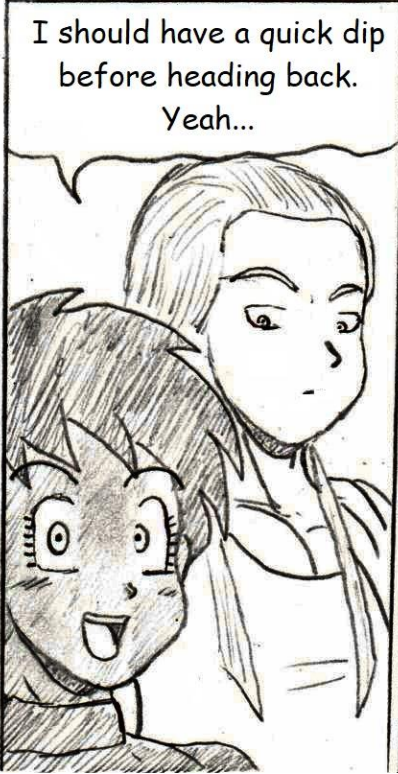

Later, girl!

I can't believe Erasa had to leave early. She totally ditched me... I swear, that blonde...

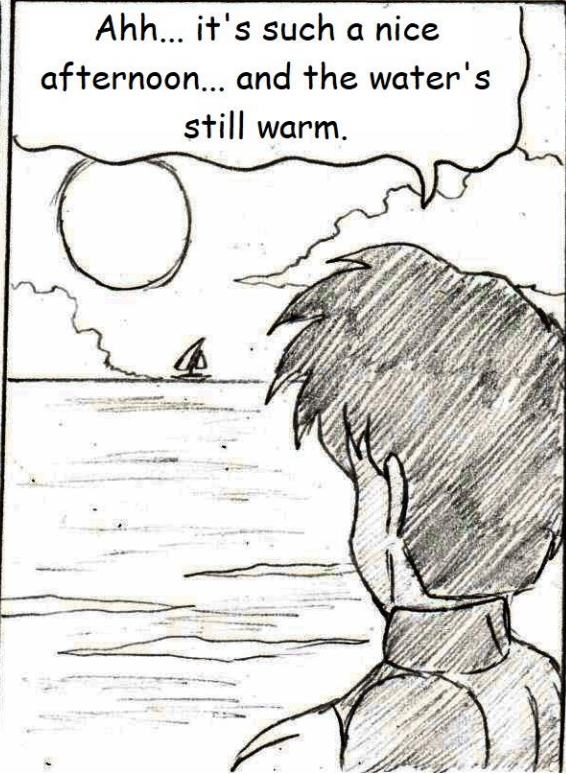

Thanks for coming out with me today, Sharpener.

No problem. It's good that you had company for an event like this.

I should have a quick dip before heading back. Yeah...

Ahh... it's such a nice afternoon... and the water's still warm.

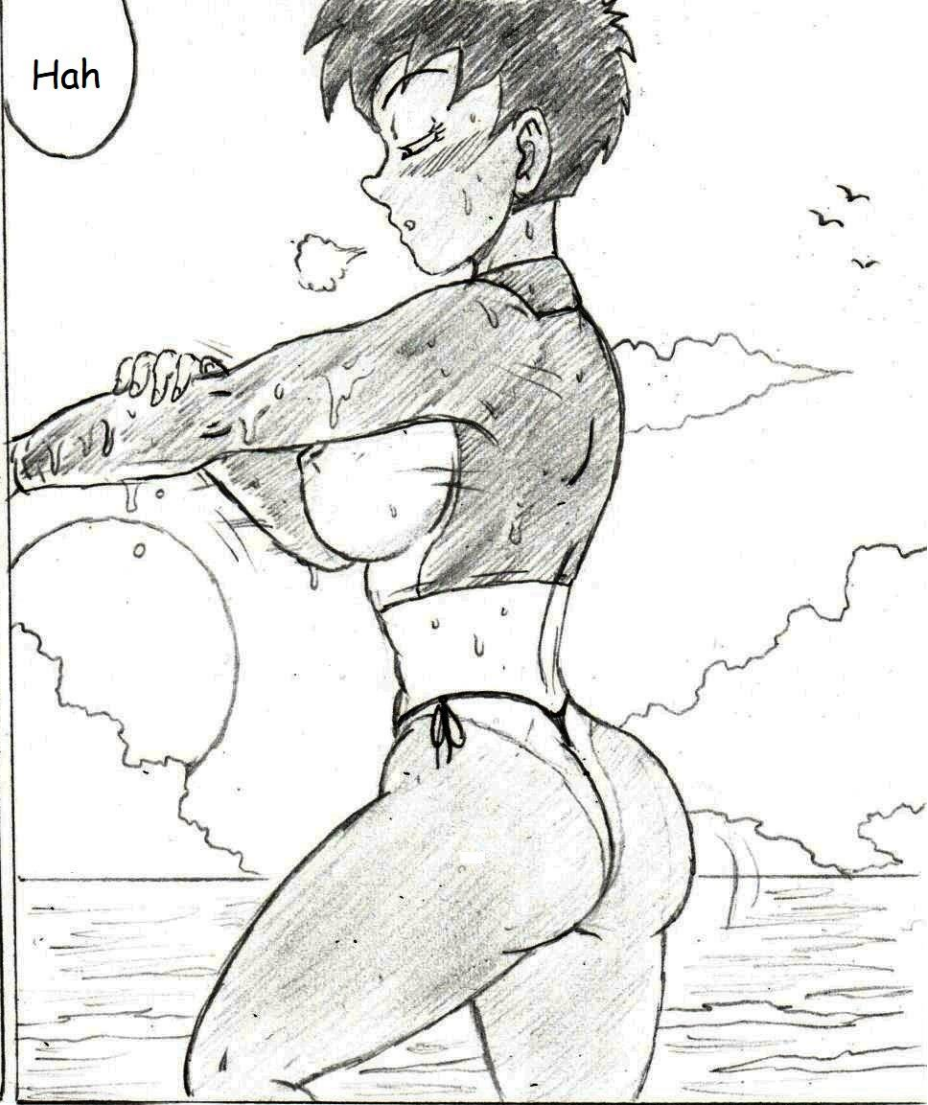

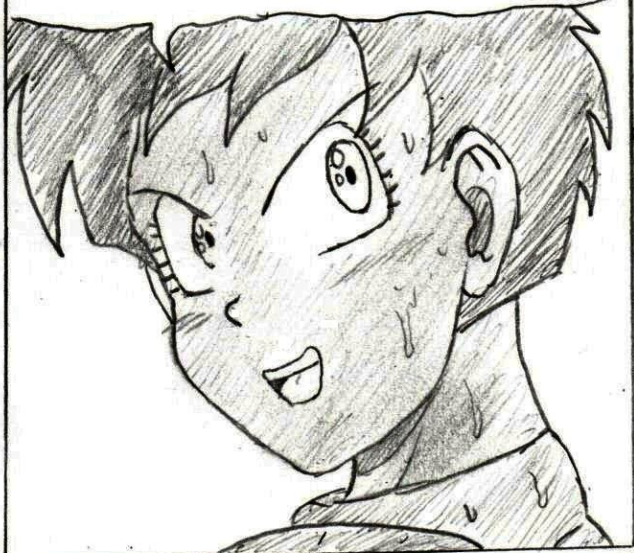

Jeez!

The water's amazing! You wanna come try it too, Sharpener? Or are you just gonna stand there and mope?

Hah

Pfft. Whatever.

RUFFLE~

GRP!

I'll bite.

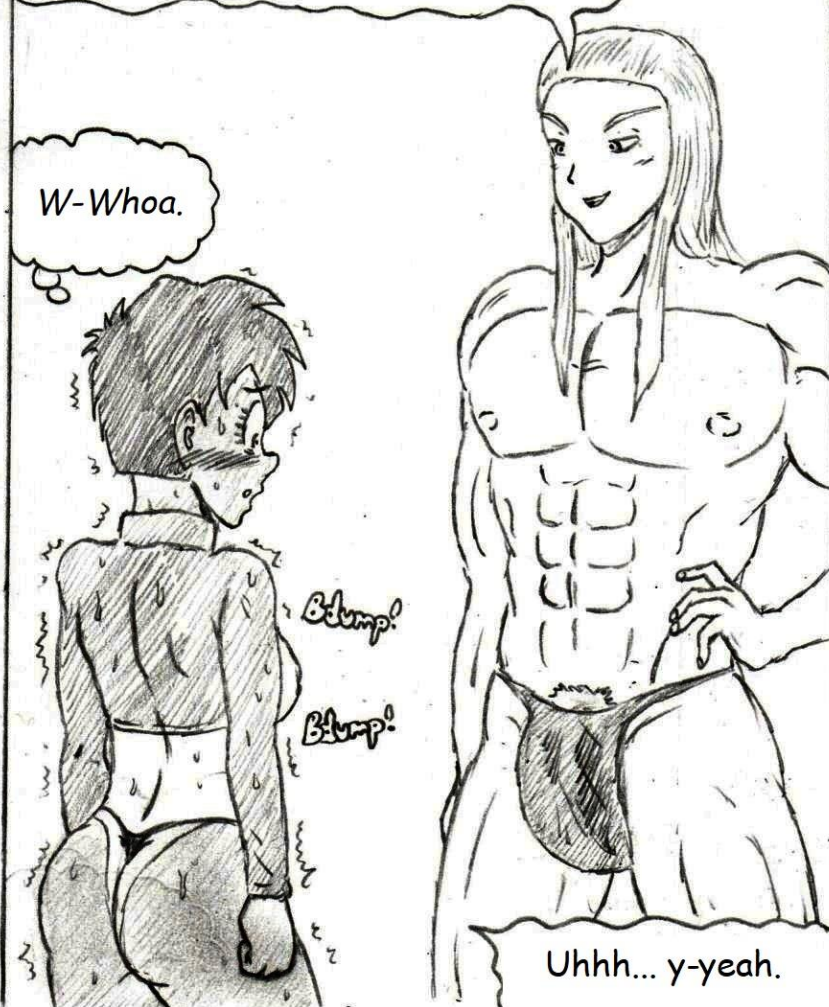

So... whatcha think? Pretty dope, right?

Haah... there we go...

SLIP!

W-Whoa.

Blump!

Blump!

Uhhh... y-yeah.

Good thing I wore my speedos today.

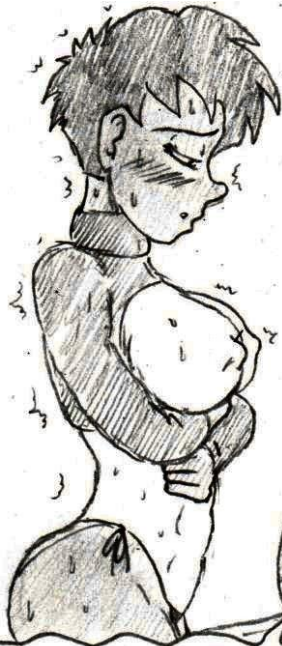

N-No. I... I don't... uhm... I...

Do you... see something that you like?

Ah... his cock looks so big in that speed. Ohh... it's practically straining to get out!

Not even Gohan-kun is that large.

Because... if you do... I wouldn't mind letting you have a closer look at it.

Ahh... I wonder.

What it really looks like... feels like...♥

Well... what do you say?

I... I don't think I should.

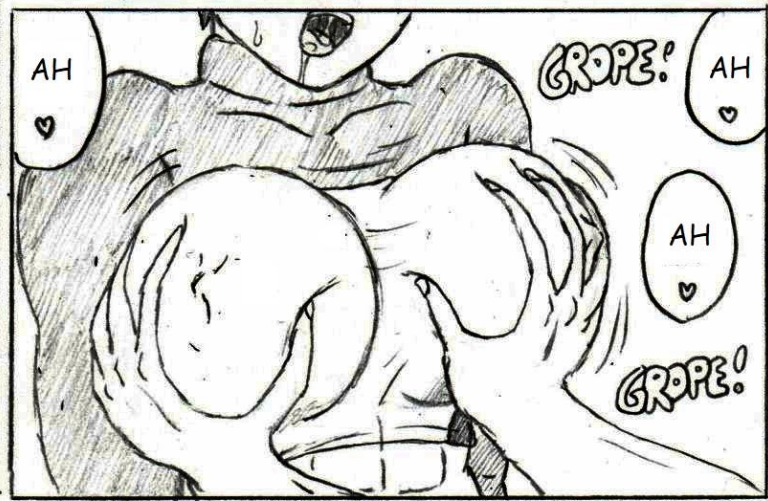

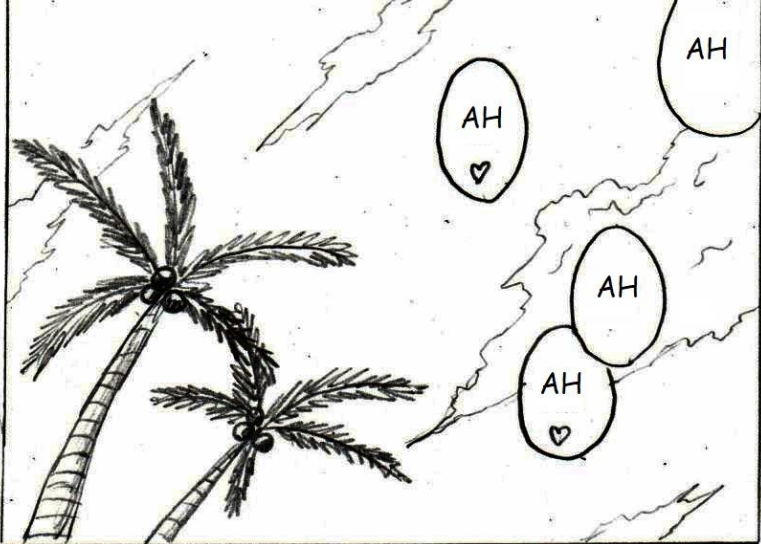

Why not? Erasa definitely enjoyed it. And I bet you will too... and that you'll be begging for more of it... just like she did.

Besides... we're here all alone. I promise your boyfriend won't find out. After all, I'm really good at keeping secrets.

Oooh, yeah... let's get a good feel of those...

Sometime later...

Ahh... I can't believe I passed out.

If you do... I can fuck you with my big cock as much as you want. Every morning. Every night. Every day.

S-Sex? Every day?

So... what do you say?

Upon gathering up their clothes, Sharpener drove Videl to the motel he was staying at.

AH

The moment they burst through the door, the two of them stripped down in a fit of passion and began fucking like rabbits in heat.

The two high schoolers kept at it all throughout the night until the morning. By then, Videl had been successfully impregnated and Sharpener had claimed the girl of his dreams...

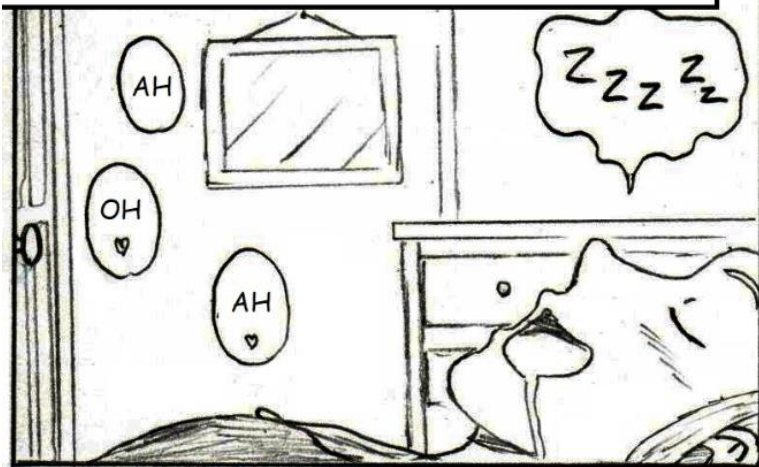

Sharpener pounded Videl to the point the girl couldn't move anymore... yet she continued begging for more. And her new boyfriend happily gave it to her.

*Or at least... that's what he imagined happened.*

While Videl was at her photo shoot with her friends, the lazy jock had decided to crash in his motel room.

In reality, this entire encounter was merely a ridiculous dream that Sharpener was having.

Since he was out of the picture, his girlfriend, Erasa, Angela, and Gohan- all of whom had actually been present at the beach- retreated to the former's room in the evening, where they then proceeded to have an all-night-orgy.

Ahh... Gohan-kun's horse cock... filled me with his chunky cum again... aahh...

The real world Gohan was a far better fuck and boyfriend than any of the girls could've dreamed of, and so spent the entire night fucking them until they were all practically comatose with pleasure by morning. Especially Videl, who got pregnant on this trip, along with the other three girls.

As it turns out, Sharpener's girlfriend, Saya, had grown fed up of her boyfriend's unfaithfulness to her. So, as payback, she began a secret affair with her friend's half-Saiyan boyfriend. She, like Erasa and Angela, had no regrets.

*Thus, the moral of the story is this...*

*Never doubt Gohan's supremacy.*

*For even if the author of these comics may despise many of Akira Toriyama's objectively horrible writing decisions...*

*...no matter how many times he NTRs Gohan, Gohan is and always will be the alpha in TheWriteFiction universe.*

*(Also, to anyone wondering who canonically has the largest penis in these comics... yeah... it's obviously Gohan. There is no doubt about it. This is genuine confirmation, no matter how many NTR stories say otherwise)*
